Board of Ethics
FY 2023-24 Budget Analysis by the Legislative Policy Division

Board of Ethics 2023-24 Budget

The Board of Ethics is an independent Charter created entity established by the 1997 City Charter. The Ethics Ordinance was enacted by the City Council in 2000 and amended in 2012. The Ordinance established disclosure requirements and standards of conduct applicable to all City of Detroit Public Servants. The Board is charged with the responsibility for the implementation and administration of the Ordinance, which includes receiving complaint alleging violations of the Ordinance and issuing Advisory Opinions.

The integrity of City government and public trust and confidence in public officers and employees require that public servants be independent, impartial, and responsible to the People; that government decisions and policy be made within the proper channels of the governmental system; and that public servants be prohibited from participating in matters that affect their personal or financial interests. The purpose of the Ethics Ordinance is to establish guidelines for ethical standards of conduct for all City government officials and employees by defining those acts or actions that are incompatible with the best interests of the City and by mandating disclosure by public servants of private financial or other interests in matters affecting the City.

The Board of Ethics role is to investigate and resolve complaints regarding alleged violations of the Ethics Ordinance by public servants, and to issue advisory opinions regarding the meaning and application of provisions of the Charter, City Ordinances, other laws, or regulations establishing standards of conduct for public servants.

Advisory opinions are rendered upon written request by a public servant. Advisory opinions are published by the Board annually in a report to the Mayor and City Council. The Board is charged with monitoring and recommending improvements in the disclosure requirements, and in the standards of conduct under the Ethics Ordinance, in order "to promote an ethical environment within City government, and to ensure the ethical behavior of public servants."

All meetings of the Board are open to the public unless an individual involved in the matter to be addressed requests in writing that the meeting be closed or unless otherwise provided by Ordinance or by statute.

Issues and Questions

1. Please briefly explain the Board of Ethic's new expense initiatives, new capital funding requests, operational reform and savings proposals, and new revenue initiatives/proposals to be implemented in FY 2024.
2. Page B35-15 shows that the Board of Ethics has four budgeted positions for FY 2023 and FY 2024. What are the Board of Ethic's number of vacancies as of February 28, 2023? Also, please briefly explain the department's strategy to fill any vacant positions.
3. The Mayor's FY 2024 recommended total appropriations for the Board of Ethics is \$545,278 a \$64,723 decrease from the \$610,001 in FY 2023. Decreases are mainly due to expenditure decreases in software maintenance \$21,569, training \$51,000 and rentals-buildings transfer to a consolidated General fund appropriation. These decreases are offset against modest increases in advertising, training-staff, and development). Please explain the expenditure decreases in software maintenance and training and how this will impact operations in FY 2024.
4. How many ethics investigations were conducted and completed in fiscal year 2022? How many complaints were received in FY 2023 (through January 31, 2023)?
5. Please provide a copy of the Board of Ethics 2022 Annual reports when it is released in April 2023.
