MEMORANDUM

DATE: March 13, 2023
TO: Airport
FROM: Latisha Johnson
District 4 Councilmember
SUBJECT: **Budget Questions**

Good morning, Madame Clerk,

I would appreciate answers to the following questions:

1. What are the plans to improve/increase parking in the downtown area? There are many concerns from residents that want to shop downtown but say there are too many "No Parking" and "Loading" zones.
2. Are there any considerations to construct any parking structures or municipal parking lots in or near the streetscape/SNF areas?
3. How many parking violations were issued by MPD, DPD, and WSU last year and how many do you expect to issue in FY24? What was the revenue for last year and projected for FY24?
4. What types of parking enforcement do you employ and what is the most effective in terms of revenue?
5. Can you provide me a report of the current inventory of parking violations with a summary of the age of the violations at the various stages of a violation (e.g. notice, citation, pending court, etc.)
6. How many cases are pending at the 36 District Court?
7. What is your current collection rate?
8. How many citizens are eligible to have their vehicles impounded and how many are Detroiters?

Best regards,

A handwritten signature in black ink that reads "Latisha Johnson".
