Good morning,

I would appreciate answers to the following questions:

1. The proposed budget is about \$215,000 less than the current year. How will the budget cut affect operations?
2. What is the number of viewers for your various TV channels, and will the budget cut affect the programming?
3. Are your staffing levels adequate for the demand for your services?
4. Do you have adequate equipment/technology to adequately perform your services?
5. What marketing/communications services can you provide to Council Members?

Best regards,
