Re: 2023-2024 Budget Hearing, Detroit Historical Society

-
1. Have there been any newly instituted changes in procedure or policy that should be retained for use in the future?
 2. How many exhibits will be held at the Detroit Historical Society
 3. What is the approximate revenue that will be received from future exhibits and events held at the Detroit Historical Society?
 4. Are there new streams of revenue or capital funding projects in place for FY 2023-2024, if so please explain or give a description of these projects?
 5. Due to the tours are at a limit, what was the revenue received from ticket sales FY2022?
 6. In operations for FY 2023-2024, the Recommended Budget is \$1,000,000 for operations, with a streamline staff, how will these funds be used in day-to-day operations?
