

Request a Video or Transcript of a Hearing

Audio/Video Request

The public or any party may request a copy of the audio/video recording file of a Department of Appeals and Hearings (DAH) court proceeding.

To request a copy of the audio/video recording of a hearing, please fill out this [Audio/Video Request Form](#). A copy of the hearing recording will be provided via email.

Written Transcript Request

The Department of Appeals and Hearings (DAH) utilizes independent contracted Certified Electronic Recorders (CER), who transcribe the recorded hearing into a written report. The state mandated fee for transcript production is \$1.75 per page for the original transcript and 30¢ per page for each required copy of the transcript. You must pay for all transcripts prepared because of this request and all financial arrangements are handled with the transcriptionist, not the DAH. Once a transcriptionist has been appointed, you will receive an email with their contact information.
