## Mission

The Airport Department continues to evolve by bringing costs in line with revenue and improving services. The emerging strategy is to accelerate the growth of Detroit as a commercial and industrial transportation center and maximize the Coleman A. The Airport Department, by City Ordinance, Section 4-1-2, acquires and holds aviation facilities; develops and operates them; leases these facilities; represents the City in all aviation matters affecting the interest of the City; and manages all City properties and equipment devoted to aviation activities. The main holding is the Coleman A. Young Airport, 300 acres of land with two runways; the Air Carrier Terminal; Executive Terminal (including 14 large hangars); and 129 small aircraft hangars with 145 based aircraft. Coleman A. # BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT (13)

## Mission

The Buildings, Safety, Engineering, and Environmental Department provides for the safety, health, and welfare of the public as it pertains to buildings and their environs in an efficient, cost effective, user friendly and professional manner. BSEED enforces construction, property maintenance, environmental compliance, and zoning codes, which preserves and enhances property values and promote a quality of life to make Detroit a preferred place to reside and conduct business. BSEED also operates as the City's Environmental Affairs Department.

## Operating Programs

- **Administration** is responsible for identifying and allocating resources to properly manage, plan, provide program development, customer relations, strategic planning, and implementation of policies. Key processes include records of construction archives, plans and permits for structures within the city, managing the schedule of various boards and commissions, including the Construction Board of Appeals, the Board of Rules and the Wrecking Board.
- **Construction Inspection Division** protects and promotes public health, safety and welfare in new construction development and renovated existing structures by verifying compliance with applicable codes and taking appropriate enforcement action when necessary (State of Michigan Construction Codes; State Public Act 407 of 2016). Enforcement may include misdemeanor violations, show cause, and stop work orders. There are 6 Teams:
  - **Buildings** inspects construction activities to ensure that structures comply with approved plans, building codes and standards, and permit fire alarm systems, generator function and other life safety systems. This team performs inspections for wrecking, signs, awnings, tents, and temporary use, issue Certificates of Occupancy and coordinate Board of Wrecking Examiners.
  - **Mechanical** inspects heating and cooling appliances; refrigeration installations related to air conditioning, process or storage; gas piping; and fire suppression systems for compliance with approved plans and State Codes. They approve Licenses to operate mechanical equipment.

# BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT (13)

- **Electrical** inspects new construction, alterations, and renovations of electrical, signaling and fire alarm systems. They issue electrical contractor, journey worker, master electrician, fire alarm technician and sign specialist licenses, and coordinate the Board of Electrical Examiners.
- **Boiler** inspects all large capacity boilers and monitors compliance with “post-of-duty” safety requirements. This team enforces City and National Board Inspection Codes. The License Examiner conducts examinations for steam and refrigeration occupational licenses.
- **Elevator** conducts inspections for all elevators, escalators, moving walks and chair-lift installations, also for National ASME Code A17.1 compliance. This team also administers examinations and issues licensing for Elevator Journey workers in Detroit.
- **Plumbing** conducts inspections of new construction, alterations, and renovations of plumbing systems to ensure they meet approved plans and Code. They register plumbing contractors and water treatment operators. Plumbing cross-connection inspections identify water systems in need of protection from contaminants, per the State Safe Drinking Water Act.
- **Dangerous Buildings Division** enforces ordinance (8-16) and State Law requiring certain actions to remedy dangerous structures. Demolition activities have been reassigned to the Demolition Department; the division continues to inspect the work. This includes response to dangerous building complaints; property ownership identification and notification; filing documents of record; presentation at “show cause” and City Council hearings; deferral and rescission request processing. It also includes Fire Insurance Escrow, wrecking and Fire Run inspections.
- **Development Resource Center (DRC)** acts as an information resource center for development projects under City Charter (Sec. 7-405, “One-Stop Service”); building application intake; mapping the development process; weather conceptual, new construction, rehabilitation and alterations; Green Storm Water; activating vacant lots for land-based ventures; or tactically preserving existing structures. This includes **Welcome Resource Center/Intake Center (WRC)** allowing customers to create accounts, upload plans and applications for review; **Electronic Plan Review (ePLANS)** for submittal of construction or site plans, through the **Plan Review Division** which ensures that developments or building projects comply

with City Ordinances and Codes. Plan review verifies compliance to Zoning Ordinance, Michigan Building Code, Michigan Residential Code, Michigan Rehabilitation Code, Michigan Electrical Code, Michigan Mechanical Code, Michigan Plumbing Code, International Fuel Gas Code, City Elevator Code and Boiler Code. The division coordinates with various Agencies, and approves Building Permits, Demolition Permits, Sign Permits, Awning Permits, and Temporary Use Permits.

- **Environmental Affairs (EA)** coordinates with other governments and the community to protect Detroit's natural resources. The City Charter requires EA to coordinate environmental protection policies, so they review and approve Environmental Site Assessment reports for all properties being acquired, Brownfields Redevelopment and Revitalization efforts under the Michigan Natural Resources and Environmental Protection Act (PA451 of 1994), funding for cleanup of contaminated sites; and enforcement of Chapter 42 (Solid Waste, and Illegal Dumping) and Chapter 8 (Property Maintenance) through Environmental Enforcement. This unit develops and monitors Host Community Agreements (HCA) per the Wayne County Solid Waste Management Plan.
- **Licenses and Permitting Division** includes the **Business License unit**, which educates and enforces compliance of City Codes for regulated Detroit businesses, and the **Permits unit** which assists contractors and homeowners to obtain the necessary permits for businesses or homes. When a customer is purchasing property, this unit provides the application necessary to schedule an inspection. This division assists businesses to achieve compliance and issues misdemeanor violations to non-compliant business operators. It coordinates Show Cause Hearings to determine if a license should be denied, suspended, or revoked in accordance with city code; and assures Special Events operate as indicated.
- **One-Stop Virtual Permitting** consolidates development-related reviews, approvals, and permit issuance in one location and provides a Permitting Wizard to navigate through the required Zoning, Permitting, Fees, and Licensing.
- **Property Maintenance Division (PMD)** inspects rental residential and commercial structures to encourage neighborhood stabilization by addressing blight, safety and welfare. It corrects noncompliant properties, and if tenant relocation is necessary (re: no heat, water or electricity), PMD works to find temporary living arrangements. This includes Residential Inspections, Pre-sale Inspection, Commercial Inspections, Issuance of violations and enforcement at 36<sup>th</sup> District Court and the Department of Appeals and Hearings and Compliance Agreements.

# BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT (13)

- Zoning Division** is the designated Zoning Administrator for the City (per City Charter Sec.7-401), coordinating all applications for permits, grants, variances, waivers or exceptions. This includes providing zoning assistance, interpretation and verification; facilitating zoning review prior to the establishment of new uses; performing Site Plan reviews; processing zoning variances for the Board of Zoning Appeals and special land use hearings for conditional, controlled and regulated land uses. This Division conducts Hearings for Medical Marihuana and works on zoning ordinance revisions.

# DEBT SERVICE & LEGACY PENSION (18)

## Mission

Overseen by the Office of the Chief Financial Officer, the Debt Service & Legacy Pension section includes revenues and expenditures to support certain long-term obligations of the City of Detroit, including bonded debt and the unfunded actuarial accrued liability for pension benefits earned prior to July 1, 2014, which were modified, closed, and frozen per the bankruptcy Plan of Adjustment (the “legacy pension”). The legacy pension obligations are also referred to as “Component II” of the General Retirement System and the Police and Fire Retirement System. Funding for the employer contributions to the hybrid pension plans (“Component I”) for current active employees appears in their respective departments’ budgets in Employee Benefits.

Bonded debt includes both unlimited tax general obligation (UTGO) and limited tax general obligation (LTGO) bonds. UTGO bonds are authorized by the voters and repaid from the City’s debt millage. They support capital improvement projects throughout Detroit. LTGO bonds are primarily repaid from the City’s General Fund revenues. They supported settlements with creditors and reinvestment projects after the City’s bankruptcy. Debt service paid from special revenue and enterprise funds appears in their respective departments’ budgets, including the Departments of Public Works, Transportation, Housing and Revitalization, and Water and Sewerage.

In FY 2024, the City will resume making actuarially determined annual required contributions for its legacy pension obligations ten years after bankruptcy per the Plan of Adjustment. The FY 2024 General Fund budget includes \$148.9 million for this purpose, with \$57.2 million supported by the Retiree Protection Fund (RPF), a trust fund established and funded by the City to ensure budget stability as annual legacy pension payments resume. The RPF strategy has always been two-fold: (1) Build a pension funding resource to gradually draw down every year beginning in FY 2024, and (2) Gradually build room in the recurring City budget for annual pension contributions before FY 2024 begins. In addition to the RPF resource, the City receives \$18.7 million annually from the Foundation for Detroit’s Future and the Detroit Institute of Arts toward legacy pension obligations. This funding was part of the “Grand Bargain” during the City’s bankruptcy, and it continues through FY 2034.

# DEBT SERVICE & LEGACY PENSION (18)

**DISCLAIMER:** The City’s Adopted FY 2023-2024 budget and FY 2024-2025 through FY 2026-2027 forecast for legacy pension obligations uses a 20-year amortization for the Police and Fire Retirement System (PFRS) only because that is the funding policy approved by the PFRS. The budget uses a 30-year amortization for the General Retirement System, which has not yet approved a funding policy. The City is challenging the PFRS funding policy in litigation currently pending in the United States Bankruptcy Court for the Eastern District of Michigan. The City seeks an Order that 30-year amortization is required by the Plan of Adjustment. The City reserves all rights and remedies to enforce the Plan of Adjustment and nothing in this budget should be construed to the contrary.

# DEPARTMENT OF PUBLIC WORKS (19)

## Mission

The Department of Public Works (DPW) provides excellence in the delivery of essential environmental and infrastructure services, thereby ensuring a safe and clean environment in a cost-effective manner.

## Operating Programs and Services

- **Administrative Division** provides overall management and efficiencies. It houses the Street Administrator, who oversees all street-funded DPW operations including Traffic Engineering and Street Maintenance Divisions and the majority of City Engineering. It accounts for State Gas and Weight Tax revenue and for State and Federal grants on a project basis.
- **Street Maintenance Division** serves 673 miles of major streets and 1,875 miles of local streets, 29 bridges, and 807 traffic signals with maintenance, including the repair of potholes, snow removal, residential street resurfacing, installation of residential speed humps, maintaining public areas underneath viaducts, and the physical facilitation of street closures. This activity provides for the management, construction, and maintenance of streets, bridges, traffic signals, traffic control signs, pavement markings, and non-motorized improvements.
- **City Engineering Division** designs, surveys, engineers and inspects roads and bridge improvements on the public right-of-way. This division manages all major road and bridge construction projects, including paving and streetscape enhancement projects. Plan and petition review services on behalf of planned construction projects ensure compliance with State and City construction standards.
- **Traffic Engineering Division** installs and maintains traffic control devices, pavement markings and street layouts to make the street system safe and fit for public use. It ensures safe, expeditious traffic flow through traffic control devices, signals, parking control devices, geometric improvements and pavement markings. The **Traffic Sign Shop** fabricates, repairs, and maintains traffic control and street name signs. Activities include evaluating and planning requests for changes in the street system and interfacing with external agencies such as the Federal Highway Administration, Michigan Department of Transportation and Wayne County Road Commission to coordinate highway planning. **Public Act 48**, the Metropolitan Extension Telecommunication Rights-of-Way Oversight Act (METRO), is designed to accelerate the deployment of high-

speed broadband internet connections throughout the State. The State assesses fees on telecommunication providers that use the public rights-of-way. Revenues collected can be appropriated and used for rights-of-way related purposes.

- **Solid Waste Division** provides for collection and disposal of waste generated by residential homes and commercial establishments, engaging accepted industry standards to collect, process and dispose of refuse, yard waste and recyclable material. Services include scheduled weekly and bi-weekly collections of refuse, bulk, yard waste and recyclables performed by contractual waste haulers; disposal or processing activities for each; annual inspections of commercial businesses; commercial refuse collection; and residential street sweeping. Solid Waste enforcement activities are performed by the Building, Safety Engineering and Environmental Department in coordination.
- **Greater Detroit Resource Recovery Authority** is a public body corporate created under Michigan Public Act 179 (1947). The GDRRA Board of Directors was established in 1984 to provide efficient, environmentally responsible waste disposal service to the residential, commercial, industrial sectors of Detroit as part of a total post-collection system including transportation, recycling and disposal.

## Mission

The Detroit Department of Transportation (DDOT) provides public transit services that are reliable, clean, customer-focused, safe, and secure. Fixed route bus service throughout the City of Detroit, and to parts of neighboring communities, helps to ensure that Detroiters, employees, and visitors can safely and reliably travel and make connections to the larger region. Complementary ADA paratransit services are provided for people who are elderly and people with disabilities through MetroLift.

DDOT is the largest public transit provider in Michigan and prides itself on providing reliable, clean, safe, and efficient service to an average of 25,000 riders daily. For routes and fare information, visit [ridedetroittransit.com](http://ridedetroittransit.com). DDOT's Main Office is at 100 Mack Ave. Two bus operating facilities, Shoemaker and Gilbert, serve as bus terminal operations and daily bus repair work. A third bus operating facility, Coolidge, is in the rebuild design phase. In addition, DDOT maintains the daily operation of the Rosa Parks Transit Center, which is a passenger facility, serving over 5,000 customers a day.

## Mission

The Office of the Chief Financial Officer (OCFO) is the City's centralized financial management operation, which is directed by State law to supervise all City financial and budget activities. The OCFO enables the City to make investments that improve quality of life for Detroiters by providing sound business advice and the financial infrastructure that ensures fiscal stability.

## Operating Programs and Services

- **Office of the Assessor** locates, identifies, and values—at current market conditions—all real and tangible personal property in the city of Detroit for the purposes of levying the tax lawfully imposed and to warrant said levy to the Treasurer of the City of Detroit for collection.
- **Office of Budget** provides budget management, planning, and analysis services to advance the City's goals and ensure fiscal stability. It oversees all aspects of the City's annual budget and four-year financial plan, including revenue forecasting and economic analysis, development of the Mayor's proposed budget, presentation and negotiation of the budget with the City Council, implementation of the budget after adoption, establishing and enforcing budgetary and position controls, and monitoring the budget to ensure continued fiscal balance.
- **Office of Contracting & Procurement** supports the strategic contracting and procurement of materials, equipment and services that are essential to providing governmental services. Services provided support the operations of the City departments with staff dedicated to providing efficient and responsive services, in full compliance with legal requirements, while upholding the highest ethical and professional standards.
- **Office of the Controller** establishes, maintains and enforces City accounting policies, practices, and procedures. The Office is responsible for ensuring the City meets financial reporting requirements and is accountable for financial system controls. This includes risk management, grant audit and compliance.
- **Office of Departmental Financial Services** serves as a strategic financial partner to City agencies and assures effective

management and financial integrity of agency operations by developing, implementing and monitoring plans, policies and systems. Areas of focus include budget administration, program analysis/evaluation, finance, accounting, internal controls, financial systems, grants management, strategic planning, and performance metrics.

- **Office of Development & Grants** identifies and acquires public and private resources that match City of Detroit priorities, as well as oversees, coordinates, and administers grants for the City of Detroit by establishing processes that support end-to-end grants management activities consistent with federal, state and local requirements, thereby, achieving the greatest use and accountability of grant dollars.
- **Office of the Treasury** effectively, timely and accurately collects and records all taxes, special assessments, fees and other monies received; acts as the custodian of all funds and City assets; and disburses all funds as authorized. The Office also issues and manages general fund debt obligations and provides and manages low-cost debt financing of large-scale, long-term capital projects and improvements. ## Mission

The Law Department strives to deliver exceptional and efficient legal counsel and representation to the Executive and Legislative branches of City government as mandated by the City Charter. The Law Department is headed by the Corporation Counsel, who is appointed by the Mayor with approval by City Council.

The Department is required by Charter to represent the City of Detroit in all civil actions or proceedings filed against the City. The Corporation Counsel may also prosecute any action or proceeding in which the City has a legal interest, and is the City prosecutor on cases arising from the provisions of the Charter or City ordinances and prosecute all actions for the recovery of fines, penalties and forfeitures. The Department provides advice and opinions to the Mayor, members of City Council or the head of any City agency, approving the form and substance of all contracts, bonds and written instruments, and drafting, upon the request of the Mayor or any member of City Council, any ordinance or resolution for introduction.

# MUNICIPAL PARKING DEPARTMENT (34)

## Mission

The Municipal Parking Department (MPD) provides economical on and off-street public parking services; enforces the City's parking ordinance; reduces parking-related congestion and pollution and improves residential quality of life; and develops parking plans to support development projects. This includes support for creative competitive strategies for the parking kiosk (meters) system, customer loyalty plans, enhanced parking experience through capital efforts, upgraded technology to maximize deployment of parking enforcement officers, better managed Citywide towing operations and coordinated use of City parking systems.

## Operating Programs

- The **Auto Parking System**, pursuant to City ordinance, operates and maintains two garages one of which is downtown and one which is in the Eastern Market District. These garages, as well as the city-owned lots, contain approximately 1,254 parking spaces. The department operates 835 parking meter kiosks that include three parking zones with thirteen subzones that manage on-street parking.
- The **Parking Violations Bureau**, pursuant to City ordinance, manages the City's parking ticket processing and fine collection program and supervises parking regulations through its civilian ticket writing personnel (Parking Enforcement Officers). Enforcement efforts focus on ensuring public safety, creating parking availability, protecting the residential quality of life, and improving parking program compliance.

# Non-Departmental (35)

## Mission

The Non-Departmental budget provides funds for activities which are not the responsibility of any one single agency. Non-Departmental is also the depository agency for General Fund contributions for enterprise activities and for a wide variety of General Fund revenues, including four of the five major revenues (casino revenues/wagering taxes; income taxes; property taxes; state revenue sharing) and revenues from reimbursements from enterprise/non-General Fund agencies of personal services costs, transfers from other City funds, and use of prior year surplus.

## Operating Programs and Services

The Non-Departmental budget includes the following independent boards, commissions, and/or agencies with citywide operations:

- **Board of Ethics** investigates and resolves complaints alleging violations of the Ethics Ordinance by public servants, and issues advisory opinions regarding Charter, City ordinances or other laws and regulations establishing standards of conduct and disclosure requirements for public servants. Opinions are rendered upon request by a public servant and published annually in a report to the Mayor and City Council. These actions are “to promote an ethical environment within City government, and to ensure the ethical behavior of public servants.”
- **Board of Police Commissioners** (BOPC) is a civilian agency that exercises supervisory control and oversight of the Detroit Police Department (DPD) as set forth in the Charter. The Board has 11 members, 7 elected by District and 4 appointed by the Mayor with City Council consent. The Board meets every week including (12) community/evening meetings in the districts. Internal organization includes fiscal, policy, administrative, legal advisor, community outreach, and the Office of the Chief Investigator, which processes and investigates 1,500 - 1,700 complaints annually. Responsibilities include: in consultation with the Chief of Police and the Mayor, establishes policies, rules and regulations for the DPD; subpoena power for investigative purposes; review and approval of the DPD budget; investigation of non-criminal citizens' complaints against members of the Detroit Police Department; final authority in imposing or reviewing discipline of employees of the department; and disqualification appeals from police recruits hoping to enter the Detroit Police Academy.

## Non-Departmental (35)

City Code Section 55-15-8(a) provides for regulation of towing to promote equitable distribution of police authorized towing.

- **Detroit Building Authority** (DBA) administers capital projects, as determined by City Departments. Critical functions: encumbering funds through Contracts of Lease; managing the bid, RFP/RFQ process; issuing contract awards; advising contractors of City requirements; execution of contract documents; monitor design development and construction for each project; oversight of payments. The DBA maintains a database of all City-owned commercial property, manages the properties within the database, manages sale of property and City leases.
- **Media Services**, formerly the Detroit Cable Communications Commission (established by ordinance in 1981), is the City's local video franchising authority with direct responsibility for review and issuance of franchise agreements and permit agreements to telecommunications providers for use of the City's right-of-way for telecommunications facilities. As the City's video production and television broadcast services provider, Media Services is responsible for daily programming, operation and management of Government Access Channel 10, Education Access Channel 22, Neighborhoods Channel 21 and Public Access Channel 68. Media Services interfaces with the Mayor's Office; City Council; City departments and commissions; educational institutions; and community organizations to produce programming that is responsive to the public's diverse information needs and interests.
- **Communications Services** staff promotes a positive city image with effective communications with the City's customers - residents, business owners, employees, visitors and the media. As the communications arm, staff provides high-quality service to city agencies and elected officials in their efforts to communicate programs, initiatives and information to various audiences. Services include strategic communications planning and counseling, media relations, event planning, website management, writing, graphic design, photography and Total Copy Center services. Staff support Motor City Makeover and Halloween in the D, under the Mayor's Communications Director.
- **Pension Administration** is responsible for the administration of the employee retirement systems, and it is the governing body for the Employee Benefit Plan. The Retirement Systems fully reimburses the City of Detroit for Pension Division personnel costs.

# PUBLIC LIGHTING DEPARTMENT (38)

## Mission

The Public Lighting Department (PLD) supports the Public Lighting Authority (PLA) as it maintains the upgraded streetlight system. PLD works with TMC Alliance and DTE Energy to assure the safety of the general public and to provide reliable power to customers through the City's distribution system as the City assists with converting customers to DTE's system.

On February 5, 2013, the City created the PLA, a separate municipal corporation pursuant to Michigan Public Act 392 of 2012 (as amended) and the Municipal Lighting Authority Act, MCL 123.1261, to manage and maintain the City's public lighting system. Pursuant to an amendment to the City Utility Users' Tax Act, 1990 PA 100 (as amended) MCL 141.1151-MCL141.1177, the PLA utilizes \$12.5 million in utility user tax proceeds to satisfy the debt service obligation of bonds issued to modernize the streetlight system. Through an interlocal agreement, the City provides additional funds to the PLA to finance the operations and maintenance of the street lighting system.

PLD owns and maintains hundreds of miles of underground conduit and poles for overhead lines. Various communication companies rent conduit space and/or pay pole attachment fees that provide significant revenue to the City's General Fund.

PLD is actively preparing unused substations for sale to private entities, returning them to the City's tax base. PLD also is removing unused overhead lines owned by PLD to further enhance citizen safety and reduce blight.

## Operating Programs and Services

- **Administration/Overhead** encompasses one full-time position, office supplies, and dues/occupancy permits
- **PLD Reserve** is comprised of materials handling services
- **Streetlights** encompasses utility costs for streetlights, electrical grid maintenance, substation decommissioning, and removal of overhead wires/peripheral equipment/poles no longer needed

# PLANNING & DEVELOPMENT DEPARTMENT (43)

## Mission

The Planning & Development Department (PDD) envisions a healthy and beautiful Detroit, built on inclusionary growth and economic opportunity in an atmosphere of trust. Our mission drives us to achieve this vision by acting on these values in our work: We honor the right of every citizen to live in a socially, environmentally, and economically healthy community. We actively seek opportunities to preserve Detroit's rich history and tremendous physical assets to support neighborhood revitalization. We believe community engagement strengthens our decisions and generates confidence in the future.

## Operating Programs and Services

- **Neighborhood Planning Studies and Implementation** divisions manage the core programs in the City's East (Districts 3 & 4), West (1, 2 & 7) and Central (5 & 6) Regions to advance neighborhood stabilization and revitalization and support for population and job growth. Specific work includes: Development of neighborhood framework plans and implementation of framework plans in Detroit's neighborhoods, commercial, business, industrial and historic districts; engaging local communities and their leaders in planning workshops and presentations; developing urban design guidelines; designing improvements for local parks, streetscapes, open spaces, public art; developing standards for urban agriculture and green storm water infrastructure; identifying development sites, supporting parcel assembly and proposing historic building-reuse scenarios.
- **Citywide Planning Initiatives** are needed to guide major development impacting multiple neighborhoods, such as the Joe Louis Greenway and industrial facilities. These activities are coordinated by PDD's division of Development and Design Innovation.
- **Design and Zoning Reviews** are also managed by the Development and Design Innovation division. Working in partnership with other city departments, the City Planning Commission and City Council, the division guides development by translating City and neighborhood plans into regulatory language, zoning changes, ordinances and development initiatives; performs design reviews of proposed development; oversees the Sign Waiver Request processes; and facilitates master plan interpretations.

# PLANNING & DEVELOPMENT DEPARTMENT (43)

- Historic Preservation and Adaptive Re-use** of Detroit’s significant historic buildings is directed by PDD’s Historic Preservation division to jump-start neighborhood revitalization. Work includes developing regulatory language, ordinances and initiatives to guide development, environmental protection and preservation. This division’s staff also support the Historic District Commission in enforcement of Historic District codes; review permit applications; conduct historic district reviews; investigate district violations; and ensure National Environmental Policy Act (NEPA) compliance. Staff work in close partnership with the City Planning Commission (CPC), Historic Designation Advisory Board (HDAB), and other city departments.
- Urban Data Analysis and Equitable Development/Legislative Affairs** are managed by two new PDD divisions created in 2022 through realignment of existing positions and resources. Together, these divisions enhance PDD’s ability to identify, analyze and apply data to PDD decision-making; and strengthen PDD’s oversight of the Community Benefits Ordinance and partnerships managing development with the City Council.
- Planning, Housing and Development Communications** are coordinated and managed by a communications specialist (new in 2022) within PDD’s Administrative Division. In addition to increasing the frequency and clarity of public communications, this Division also maintains vital support partnerships with other departments in managing PDD operations and budget, grants and vendor contracts, and personnel.

## Mission

The Department of Appeals & Hearings aims for a blight-free city, by providing quality administrative hearings in a timely, efficient and cost-effective manner, with respect for the dignity of individuals and their due process rights.

The Department is an independent administrative hearings bureau that adjudicates blight violations and assesses civil fines and costs pursuant to the schedule in the anti-blight ordinances and reviews administrative decisions of City departments and agencies and makes the final agency decisions. It has conducted over 450,000 hearings since its opening in 2005.

## Operating Programs and Services

- **Administration** adjudicates blight code violations issued by authorized City agents with sensitivity to the violations’ impact on the escalating problem of blight in Detroit. They enhance collectability of fines and fees through garnishments and liens utilizing the Department’s decisions and orders. # GENERAL SERVICES DEPARTMENT (47)

## Mission

The General Services Department (GSD) efficiently supports City operations through fleet, buildings, grounds and other support so departments can focus on their core functions. GSD operating divisions provide shared services, and project management, for city government.

## Operating Programs and Services

- **Grounds Maintenance Division** cuts grass and removes litter at city parks and in City-owned vacant lots, manages snow and ice removal at municipal facilities, cleans 220 bus shelters, and operates flower beds. The Division provides exterior maintenance of Detroit Land Bank Authority properties and along major commercial corridors, manages the urban forest, and maintains grass on freeway berms and medians for public rights-of-way.
- **Fleet Management Division** enhances city services by efficiently providing agencies with ready access to functional and reliable vehicles. Responsibilities include supporting the City's Vehicle Steering Committee, preparation and execution of the City's 10-Year Vehicle Reinvestment Plan, approval of vehicle specifications, receipt and disposal of vehicles, repair and maintenance of 2,400 municipal vehicles, supporting the City's employee local driving policies, and administering the loaner pool. The division operates out of the Russell-Ferry, 19th & Michigan, Erskine, and Davison yards with a body shop for simple bump repairs and a 24-hour road crew.
- **Building Services Division** provides custodial services to City-owned facilities and oversees graffiti removal throughout the city. The Security Services Unit manages functions associated with security and monitoring of City operations and facilities, including armed, bonded, and unarmed guards and monitoring equipment.
- **Landscape Design Division** designs, develops and beautifies City-owned parks, greenways and rights-of-way through Floriculture, Beautification, and Park Development Units. Staff develop and manage the City's park improvement plan, and beautify medians and gateway entries.

# GENERAL SERVICES DEPARTMENT (47)

- **Strategy and Planning Division** includes a Project Management and Analytics Team to analyze service requirements of agencies; execute customer Service Agreements; and manage budget, contract and asset requirements. This division oversees creation of the City's long-term plans for the City's fleet and public spaces, as well as functional reforms such as inventory management and 3rd party operated leisure agreements and process improvement. Staff have strategic planning and project management capacity to assure successful implementation of reforms.
- **Animal Care and Control Division**<sup>1</sup> oversees every aspect of an animal's life to ensure the best outcomes for those in the Department's care. Services include offering spay or neutering services for unattended dogs, helping animals find temporary and forever homes, improving safety for residents, and animal control services.
- **Recreation Division** operates 12 recreation centers throughout the City and provides recreation programs and activities at the centers, Spirit Plaza, Hart Plaza. Over 30 leisure sites – from historic cemeteries, historic Fort Wayne, and Eastern Market; to the new riverwalk and velodrome; to old/vacated recreation centers – are operated by the 3rd party partners under Recreation staff oversight and management. The Division is in the middle of reorganizing and improving the quantity and quality of opportunities it offers.
- **Blight Division** cleans corridors and alleys of debris and excess signage; remove graffiti and create murals on blighted space. These special post-bankruptcy operations are part of interagency enforcement initiatives designed to reduce blight. These teams work closely with the Construction & Demolition Department, the Department of Neighborhoods, and enforcement agencies such as BSEED to maximize impact of their work.
- **Facilities Division** transferred to the Construction & Demolition Department.

---

<sup>1</sup> As part of the legislative process to adopt the Fiscal Year 2024 Budget, the functions of Animal Care, Control and Regulation previously overseen by the Detroit Health Department were transferred to the General Services Department through the Administration's changes and corrections of errors resolution.

# WATER (48)

## Mission

The Water and Sewerage Department (DWSD) strives to exceed our customers' expectations through the efficient distribution of treated water, collection of wastewater for treatment and the provision of services that promote healthy communities and economic growth.

The Water Supply System is administratively part of DWSD while maintained as a separate fund in the City of Detroit's accounting system. The department leases five water treatment plants and 20 booster (re-pumping) stations and 19 reservoirs to the Great Lakes Water Authority (GLWA). Of these five water plants, two are in Detroit. There is one plant each in Allen Park, Dearborn and Port Huron. Detroit is primarily served by the two Detroit water treatment plants with some support from the Allen Park and Dearborn facilities. There are three sources of raw water supply – Detroit River at Fighting Island, Detroit River at Belle Isle and Lake Huron north of Port Huron.

The main administrative offices are located at 735 Randolph in downtown Detroit, officially known as the Water Board Building. Approximately 3,438 miles of water transmission and distribution mains within the city of Detroit are owned by the department, and it maintains more than 2,700 miles of these pipes, with the remainder maintained by GLWA.

Bifurcated from GLWA on January 1, 2016, Detroit maintains its own local system under the authority of the six-member Board of Water Commissioners as appointed by the Mayor. The Detroit local system is made up of approximately 3,000 miles of sewer collection pipe and 2,700 miles of water mains serving the neighborhoods. Detroit has full authority to repair and rebuild the local system and serves as first responder to all service disruptions, including those of GLWA-leased assets, located within the City's boundaries.

GLWA will continue to operate the regional water and sewer assets which include the water treatment plants and other water facilities. GLWA operates under the authority of a six-member board appointed by several constituencies of the authority: 2

appointed by the Mayor of Detroit, 1 each by Wayne, Oakland and Macomb Counties and 1 by the Governor from the service area outside the three counties.

# SEWERAGE (49)

## Mission

The Water and Sewerage Department (DWSD) strives to exceed our customers' expectations through the efficient distribution of treated water, collection of wastewater for treatment, and the provision of services that promote healthy communities and economic growth.

The Sewerage Department is administratively part of DWSD while maintained as a separate Fund in the City of Detroit Accounting System. The DWSD sewer system originated in 1836, and today it consists of nine pump stations, nine wet weather treatment facilities to reduce combined sewer overflows (CSO) during major rain or snow events, and a total of 3,433 miles of sewer lines that carry rainwater, snowmelt and untreated sewage to the Water Resource Recovery Facility – the largest, single-site wastewater treatment facility in North America. The facilities are leased to and operated by the Great Lakes Water Authority (GLWA). DWSD has installed 16 green stormwater infrastructure projects since 2015 that manage more than 61 million gallons of stormwater annually, further reducing CSOs and helping beautify neighborhoods. The Department currently services and sets water, sewer and drainage rates for more than 175,000 customers.

Bifurcated from GLWA on January 1, 2016, Detroit maintains its own local system under the authority of the seven-member Board of Water Commissioners as appointed by the Mayor. The Detroit local system is made up of approximately 3,000 miles of sewer collection pipe and 2,700 miles of water mains serving the neighborhoods. Detroit has full authority to repair and rebuild the local system and serves as first responder to all service disruptions, including those of GLWA-leased assets, located within the City's boundaries.

GLWA will continue to operate the regional water and sewer assets which include the water treatment plants and other water facilities. GLWA operates under the authority of a six-member board appointed by several constituencies of the authority: 2 appointed by the Mayor of Detroit, 1 each by Wayne, Oakland and Macomb Counties and 1 by the Governor from the service area outside the three counties.

## Operating Programs and Services

- **Wastewater Collection** conveys sanitary and combined sewage collected throughout the service area to the GLWA operated facilities in accordance with applicable service agreements, such that public health is protected and the treated

# SEWERAGE (49)

effluent discharged to the Detroit and Rouge Rivers is in compliance with limits established by the Department’s National Pollution Discharge Elimination System (NPDES) Permit and other applicable wastewater, air pollution and solid waste disposal laws, rules and regulations imposed by courts and agencies.

- **Maintain and upgrade the Detroit Local System** and serve as first responder for necessary repairs within Detroit.
- **Serve as the retail advocate for Detroit based constituents** (Detroit Retail Class), including households, businesses, non-profits, and faith-based organizations, in the procuring of water and sewerage services from GLWA.
- **Serve as the collection agent** for the Detroit Retail Class.

# OFFICE OF THE OMBUDSPERSON (53)

## Mission

The Ombudsperson improves service delivery through departmental accountability. The City of Detroit Office of the Ombudsperson was established by Charter referendum on November 6, 1973, became operational in 1974 and was upheld by voters in 2011. The Detroit City Ombudsperson, an independent governmental official, is appointed by the Detroit City Council.

The Office is mandated by the City Charter to use its independence to receive, investigate, mediate and resolve citizen complaints against any action, decision, recommendation, practice or procedure of any agency. The City Charter authorizes review of investigations and hearings conducted by City departments, with subpoena power, to ensure truthful and fair outcomes; recommend changes where investigations warrant; establish complaint investigative procedures and maintain records to determine areas of failure; initiate investigations where data reveals problems; provide information, referrals, assistance, and recommendations for appropriate investigation when complaints are not within City jurisdiction. Annual statistical reports are presented to City Council and Mayor. The Office does not address issues pending legal considerations in courts, or under review by City Council.

## Operating Programs and Services

- **Complaint Intake and Analysis** investigates and seeks resolution to citizen complaints, advances innovative and practical policy recommendations to resolve recurring complaints, and restores citizen confidence where misunderstanding, error and omission have decreased confidence in government.

## Mission

The Detroit Public Library (DPL) enlightens and empowers people by providing diverse and dynamic pathways to literacy and learning. DPL is an independent municipal organization administered through the Detroit Library Commission. Funding for library operations is generated through a dedicated millage of 4.63 mills. As Michigan's largest public library system, DPL offers services through its Main Library and 21 neighborhood branches: a collection of over 4.4 million cataloged items which includes books, magazines, and professional journals, as well as extensive audio, video, and DVD collections; 4 million manuscripts, music scores, photographs, pictures, and government documents; and over 800 public access computers.

## Operating Programs and Services

- **The Main Library**, located in the Midtown Cultural Center, is an architectural jewel and the largest public library building in the state. It is a center for literacy support, library services, cultural programming, technology access, and computer classes.
- **The Mobile Library** allows Wayne County residents to check out books and audio-visual materials, access digital collections, connect with free Wi-Fi, or participate in program activities.
- **Library Collections** are composed of four departments in the Main Library which includes Circulation; Business, Science & Technology (BST) and Social Science, Education & Religion (SSER); Special Collections; and Music, Art & Literature (MAL).
- **Library Branches** include Bowen, Campbell, Chandler Park, Chaney, Chase, Conely, Duffield, Edison, Elmwood Park, Franklin, Hubbard, Jefferson, Knapp, Lincoln, Parkman, Redford, Sherwood Forest, SIR Douglas, Skillman, and Wilder in Detroit's neighborhoods. They serve as community centers connecting citizens to information and technology. Each branch is different, offering a range of services and programs tailored to fit the specific community served.
- **Library Enrichment Programs** includes three (3) departments in the Main Library: 1) Children's Library, 2) Children's Library Services, and 3) Technology, Literacy & Career Center (TIP)/The Community Information & Referral Service (TLC).
- **Administration** is composed of twelve (12) departments: Director's Office, Marketing, Human Resources, Public Services Office, Bibliography, Print Shop, Technical Processing, Information Technology, Financial Operations, Facilities, Security Operations, and Shipping.
