

The City of Detroit is currently creating the Greater Warren / Conner Neighborhood Framework Plan.

The Community Ambassador program was created for residents of the planning area neighborhoods to engage with other members of the community and gather information about their vision for the neighborhood.

Who are we looking for?

- Interested in community building and upliftment
- At least 16 years old
- Friendly, team player, patient and love the community

What are the duties?

- Attend community events / meetings to share information about the Neighborhood Framework Plan
- Canvass door to door and at central community locations to distribute information about the Neighborhood Framework Plan
- Talk to and record information from your neighbors about their future vision for the neighborhood.

What are the benefits of being an Ambassador?

- Earn up \$20 per hour

How can you apply?

Complete the application online at:
