State of Michigan Procurement Website

Let's Do Business.

Welcome to Contract Connect!

Contract Connect is State of Michigan Procurement's primary website. Contract Connect is where we connect the vendor community to the resources they need to do bid on projects and do business with the State of Michigan.

About State of Michigan Procurement

State of Michigan Procurement is the State of Michigan's central purchasing office and serves as the [Department of Technology, Management and Budget's \(DTMB\)](#) central purchasing authority. Procurement handles all aspects of high-level, complex bids so the State's agencies can achieve their missions and get the best value possible for Michigan's residents.

About the Vendor Opportunity Dashboard

The Vendor Opportunity Dashboard displays the State of Michigan's active and planned procurement projects. Interested vendors can use this dashboard to research and anticipate upcoming opportunities to bid on projects. The dashboard updates every Monday.

The Vendor Opportunity Dashboard may not include all opportunities available to the vendor community. Vendors should always ensure they are registered for all relevant categories and regularly review opportunities in the State's bidding system, [SIGMA VSS](#). For more info on how to register and bid on projects review the [Register As A Vendor page](#).
