Project Clean Slate's Detroit Expungement Newsletter

welcome back!

This summer, PCS was fortunate enough to have two Mayoral Fellows, Briana and Kayla, join our team.

The Mayoral Fellowship Program is a premier opportunity for engaged, motivated, and civic-minded graduate/undergraduate students from all disciplines to apply their coursework to the City of Detroit.

Fellows serve the people of Detroit by supporting policy, communications, and public engagement initiatives within the government. By working hand-in-hand with senior staff across many different City of Detroit departments, Fellows offer recommendations and implement programs that improve the lives of Detroit's residents.

MEET THE PCS TEAM

This month's "Meet The Team" edition holds extra significance. We were fortunate to welcome two Mayoral Fellows to our team this summer: Brianna and Kayla.

Briana is a graduate of Oakland University and is currently attending the University of Detroit Mercy School of Law.

"I was fortunate to serve as a Mayoral Fellow at Project Clean Slate, an experience that was both enlightening and unforgettable. Project Clean Slate embodies this ideal of public service. It plays a crucial role in Detroit, assisting residents whose criminal records act as barriers in today's society."

"Being a part of this initiative...has been an honor. The team at PCS is truly exceptional, and I am grateful to have been a part of their mission. Looking ahead, I'm inspired to give back to my community in the same way Project Clean Slate does — through service and advocacy for those who might not have the resources to advocate for themselves. Thank you, PCS team!"

BRIANA

Kayla is a senior at the University of Michigan-Dearborn, where she is double majoring in Criminology and Criminal Justice, as well as Human Services and Marketing. While Kayla completes her studies, she is continuing her work with the PCS team as an Intern.

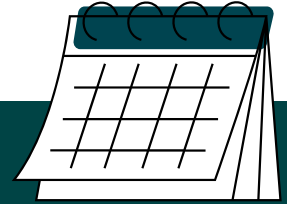

"One of my favorite Mayoral Fellowship moments was when I attended City Council President Mary Sheffield's community resource event, 'Occupy the Corner.' Kayla is pictured with Council President Sheffield.
