EMERGENCY PLANS

205.8 - 1 PURPOSE

Emergency plans are designed to assign tasks and responsibilities to individuals at specific sites during an emergency or disaster situation. These plans are required by federal and local regulations.

205.8 - 2 POLICY

The city of Detroit, Office of Emergency Management (OEM), has developed an Emergency Operations Plan (EOP) for the city of Detroit. This plan assigns broad-spectrum tasks to various departments within the city. Detroit Police Department precincts and facilities have Emergency Preparedness Plans (EPP's).

205.8 - 3 Site Emergency Plans

Site Emergency Plans include the following:

- a. Staging, rest, feeding assembly, and vehicle parking areas;
- b. Possible mass arrest detention sites;
- c. Barrier provisions for secured areas;
- d. Provisions for emergency signs, etc.;
- e. Security of precincts and plans for defense if necessary;
- f. Procedures for issuance of emergency equipment such as gas masks, rifles, shotguns, flak vests, etc.; and
- g. Location and capacity of facilities to be used for shelters in case of evacuation. Provide contact person and current telephone number.

201.1 - 3.1 Review and Testing

The commanding officer of each command shall cause the precinct or site Emergency Plan to be reviewed and updated annually. A copy of the revised approved plan shall be forwarded through channels to Downtown Services each year during the month of February.
