Pierre Roberson, architect: "Taking my career and my expertise into my own hands really helped me to think about what I can do for the city and neighborhood that I grew up in."

#### 21415 Plymouth

A \$20 million, Pistons-funded recreation facility is coming to Detroit's Rouge Park, and it's being designed by a Detroiter.

Pierre Roberson, design principal and co-founder of FRAMEWORK E, LLC, was awarded the architectural design contract to bring new life to Brennan Recreational Facility.

Roberson remembers riding his blike past the rec, and summers at the pool as a child. Years later, he's a major part of the building's redesign. As a Detroiter, it's important that redevelopment also seen through the eyes of those who know and love the city — those who have for so long called Detroit home.

"By Detroiters, For Detroit" is a series through Detroit Block by Block, which highlights the impact of Detroiters in the redevelopment of the city. Detroit Block by Block is powered by the Detroit Construction & Demolition Department (@detroitdemo333).
