Preserving History in Palmer Park

Written by: Peter Rhoades

On May 7, 1926, the Children of the G.A.R. planted a tree in Pamer Park in honor of the Grand Army of the Republic. This Spring, exactly 98 years after the tree was planted, Team Calloway and the Detroit General Services Department planted a new tulip tree in Palmer Park to honor the Grand Army of the Republic, and all who have served in the United States Armed Forces in defense of freedom. It was easy to brave the rain to plant this tree in light of the truly brave deeds of the men and women who protect us. Thank you for your service.

#TeamCalloway Participates in Motor City Makeover

Written by: Jerry Perrett

On Saturday May 4th, there was an overwhelming feeling of community in District 2 Detroit. #TeamCalloway, the Roselawn Block Club, and dedicated executives and volunteers from Family Dollar joined forces to make a positive impact by cleaning up an Alley Way on Roselawn and Thatcher in the historic Bagley neighborhood. This initiative was part of the Motor City Makeover 365, an annual citywide volunteer cleanup and beautification campaign. This year, Motor City Makeover is celebrating its 30th Anniversary. Which has grown due to partnerships with block clubs and community associations. These collaborations have become the foundation in the success of the initiative which gives Detroiters a sense of control and unity. The recent efforts in District 2 exemplify the power of community engagement through

teamwork, dedication, and a shared vision for a more beautiful city. Residents and volunteers proved that by coming together, they can truly make a difference in their local environment.

Honoring Detroit Chapter of Top Ladies of Distinction

Detroit Chapter of Top Ladies of Distinction

Written by: Jerry Perrett

On Saturday June 1, I had the privilege of presenting the Spirit of Detroit Award to the Detroit Chapter of Top Ladies of Distinction (TLOD). Top Ladies of Distinction, Incorporated, founded on June 4, 1964, in Texas, represents a collective endeavor focused on leveraging women's talents, skills, and education nationwide to address the moral and social challenges faced by youth. In November 1976, Alma Harris Mayson, a resident of Detroit was invited to establish a local chapter. As a result, the Detroit Chapter of TLOD formally organized in 1977. This dedicated group tirelessly works towards the advancement of youth in Metro Detroit's Black communities. The induction ceremony and luncheon not only paid tribute to the organization's beginnings but also showcased their continued commitment to fostering a brighter future through service, encouragement, and partnerships. The event was a heartwarming display of support, recognition, and generosity, highlighting the unwavering determination of TLOD in shaping a better tomorrow.
