Contract Terms and Conditions

PROCUREMENT POLICY

Procurement for the City of Detroit shall be carried out in a manner which provides a transparent, open, and fair opportunity for all eligible Suppliers to participate. This bid shall be made without collusion with any other person, firm or corporation making any bid or proposal, or who otherwise makes a bid or proposal. Suppliers must have a valid contract or Purchase Order with the signature of the Chief Procurement Officer to receive payment for goods or services rendered. Suppliers who perform work without a valid contract or purchase order will not be paid.

QUOTATIONS/PROPOSALS

Suppliers MUST electronically submit the bid quotation/proposal. Failure to submit will be grounds for rejection. In your quotation, a distinction between dollars and cents must be made. Illegible bids may be grounds for rejection of your bid.

RESPONSIBILITIES

The responsibilities under this (proposed) contract are that the City of Detroit is obligated during the period stipulated to purchase all its NORMAL REQUIREMENTS of the above referenced products and/or services from the Supplier, and the Supplier is obligated to supply the quantities and/or services which the City of Detroit requires for its operations. Requirements stated herein are approximate but are for entire normal requirements, whether more or less. Requirements stated are not guaranteed.

COMPLIANCE WITH LAWS AND SECURITY REGULATIONS

The Supplier shall fully comply with and shall require its associates to comply with: (1) federal, state and local laws, ordinances, code(s), regulations and policies applicable to this contract, including, but not limited to, all security regulations in effect from time to time on the City's premises; (2) codes and regulations for materials, belonging to the City or developed in relationship to this project; and (3) with the terms and conditions of the grant, and the requirements of the grantor agencies when grant funds that are specifically related to this Contract are expended.

The Supplier shall indemnify, defend, and hold the City harmless with respect to any damages arising from any violations of applicable laws and regulations by it or its associates. The Supplier shall commit no trespass on any public or private property in performing any of the Services encompassed by this Contract. The Supplier shall require, as part of any subcontract that sub-Contractors comply with all applicable laws and regulations. The Supplier shall secure, at no extra cost to the City of Detroit, all Permits and Licenses necessary for the performance of the work and shall fully comply with all their terms and conditions.

EQUAL OPPORTUNITY

It is the policy of the City that women-owned businesses (WBE), minority-owned businesses (MBE), and certified Detroit businesses (DB) have a fair and equal opportunity to participate in the City's purchasing process. Therefore, the City of Detroit strongly encourages D/M/WBEs to compete for contracts, as well as encourage suppliers to hire D/M/WBEs as subcontractors to supply goods and/or services. The City of Detroit supports a robust free market system that seeks to include viable business and provides opportunity for business growth and development.

The Supplier shall maintain, at a minimum and at its expense during the term of this contract, the following insurance:

- i. Worker's Compensation insurance with Michigan statutory limits and Employer's Liability insurance with limits of \$500,000.00 each accident, \$500,000.00 each disease, \$500,000.00 each employee. For Federal and State Funded Training Programs, the Supplier is required to secure worker's compensation insurance for all of its participants.

Contract Purchase Agreement 6006368

Automobile Liability insurance covering all owned, hired and non-owned vehicles with personal protection insurance and property protection insurance to comply with the provisions of the Michigan No-Fault Insurance Act, including residual liability insurance with a minimum combined single limit of \$1,000,000.00. Include MCS90 endorsement (if hazardous waste will be transported by vendor's auto) with minimum property damage limits of \$1,000,000.00 each occurrence.

If during the term of this contract, changed conditions or other pertinent factors, should in the reasonable judgment of the City, render inadequate the insurance limits, the Supplier will furnish on demand such additional coverage as may reasonably be required under the circumstances. All such insurance shall be effected at the Supplier's expense, under valid and enforceable policies issued by insurers licensed to conduct business in Michigan.

All policies shall name the Supplier as the insured and shall be accompanied by a commitment from the insurer that such policies shall not be canceled or reduced without at least thirty (30) days' prior notice to the City. The Commercial General Liability insurance policy shall name the "City of Detroit" as an additional insured. Certificates of insurance evidencing such coverage shall be submitted to the Office of Contracting and Procurement prior to the commencement of performance under this contract and at least fifteen (15) days prior to the expiration dates of expiring policies.

SUBMISSION OF ANY REQUIRED BONDS OR INSURANCE

Receipt of bonds and/or insurance is part of the process of determining which Supplier may be recommended for award to the City Council. If cause is found to change the recommendation that a Supplier be awarded the contract, or if the City Council does not approve the recommendation, the City shall not be liable for any costs incurred by you in the bid process, including the cost of acquiring bonds and/or insurance.

Timely submission of invoices will result in timely payments.

Questions should be directed to procurementinthecloud@detroitmi.gov.

Contract Purchase Agreement 6006368

Clearance forms for these agencies can be found in the Oracle Fusion system. It is the Supplier's responsibility to obtain and maintain clearances. Approved clearances are not required to submit the bid, but will be required of the successful Supplier prior to City Council approval.

NON-DISCRIMINATION CLAUSE

In accordance with all Federal and State Legislation and Regulations governing Fair Employment, including, but not limited to, Title VII of the Civil Rights Act of 1964 the Michigan Civil Rights Act and the Michigan Handicappers Civil Rights Act, the Supplier agrees that it will not discriminate against employees or applicants for employment with respect to hire, tenure, terms, conditions or privileges of employment because of religion, race, color, national origin, age, sex, height, weight, marital status or handicap that is unrelated to the ability of the individual to perform the duties of a particular assignment or position. The Supplier recognizes the right of the United States and the State of Michigan to seek judicial enforcement of the foregoing covenants against the Supplier or its sub-Contractors, or both, in order to provide for efficient cooperation and coordination in the handling of Contract compliance programs as provided in the Elliott-Larsen Civil Rights Act, as amended, and the Michigan Handicappers Civil Rights Act, as amended. The Detroit Human Rights Department, The Detroit Human Rights Commission, the Michigan Department of Civil Rights and the Michigan Civil Rights Commission by mutual agreement, have authorized the Detroit Human Rights Department in a contract compliance program to monitor all Suppliers doing business with the City and to review the employment practices of Suppliers seeking to do business with the City prior to entering into a contract so that the mandates of Section 209 of the Michigan Civil Rights Act are carried out. The Supplier agrees to include this paragraph number 3 in any subcontract. Breach of this covenant may be regarded as a material breach of the contract.

UNIT PRICES, NOTATIONS, AND WORKMANSHIP

Prices and notations must be typed or in ink. Prices shall be for new items only unless specified otherwise in this Bid Response Document. No erasures or "white-outs" are permitted. Mistakes may be crossed out and corrections entered and initialed in ink by the persons signing the bid document. Unit prices shall be stated based on units specified. PRICES QUOTED

Prices quoted must be net of discounts. Discounts will be considered in the determination of best value Supplier, provided discounts correspond for the duration of the contract. Where net is equal to bid with discount deducted, award will be made to the net bid. The Supplier shall extend and total the bids.

SALES TAX EXEMPTION

The City is exempt from sales tax on those articles which the City buys for its own use. Articles bought by the Supplier and incorporated into other products are taxable to the Supplier. Such tax should be included in the price and will not be paid as an extra by the City. Sales tax is excluded from incorporated products when the final product is sold to non-profit housing projects.

SPECIFICATIONS, CHANGE OF SPECIFICATION, AND ERRORS OR OMISSION

Specifications which refer to brand names are given for reference. Suppliers may quote on equivalent articles, provided that brand name and catalog number(s) and any deviations are noted on the bid form and complete descriptive literature is furnished. Exceptions will state "Do Not Substitute." The decision of the City shall be final. If any of the terms and conditions prevent you from bidding, or if you wish to request revisions of specifications, or a change in quantity which will result in lower unit cost to the City, or get an interpretation, your request will receive consideration if presented to the City as much in advance of bid submission deadline as possible. If any change is found desirable while the bid is current, the City will notify the Suppliers of the bid revision electronically and if required extend bid submission date. Suppliers are

Contract Purchase Agreement 6006368

not permitted to take advantage of any errors or omissions in specifications since full instructions will be given should they be discovered before bid submission date.

Specifications referred to herein are used to indicate desired type, and/or construction, and/or operation. Other products and/or services may be offered if deviations from specifications are minor and if all deviations are properly outlined and stated in the bid document. Failure to outline all deviations will be grounds for rejection of your bid.

The decision of the City of Detroit, acting through the Chief Procurement Officer, shall be final as to what constitutes acceptable deviations from specifications.

RECEIPT OF BIDS

Bids must be received by the Office of Contracting and Procurement through the electronic bid system (e.g. Oracle Fusion) prior to the date and time specified on the face of this bid package unless otherwise authorized. Late bids cannot be accepted except in extenuating circumstance such as Oracle Fusion system failure. The responsibility of getting bids to the Office of Contracting and Procurement on time rests entirely with the Supplier.

WITHDRAWAL

No bid shall be withdrawn for (90) ninety days from submission deadline unless otherwise stated in this bid form. Suppliers may reduce this period if stated on bid, but such bids may be rejected on the basis of the reduced time period.

AWARD CONDITIONS

The City reserves the unqualified right to award by item(s) unless otherwise stipulated, to waive any irregularity in any bid or to reject any and all bids when, in the judgment of the City, the best interest of the City will be served.

The award of a Contract will not be made to any Supplier who is in arrears in City taxes. Article V, Chapter 18 of the Detroit City Code, forbids the award of any contract to person(s) who are in arrears of City real estate, personal property and/or income taxes. To ensure compliance with the above ordinance, Suppliers may check the City of Detroit website, www.detroitmi.gov. - 9.03 In the event any action shall be brought against the City by reason of any claim covered under this Article 9, the Contractor, upon notice from the City, shall at its sole cost and expense defend the same.

The commercial general liability policy shall state that the Contractor's insurance is primary and not excess over any insurance already carried by the City of Detroit and shall provide blanket contractual liability insurance for all written contracts.
- 10.03 Each such policy shall contain the following cross-liability wording: "In the event of a claim being made hereunder by one insured for which another insured is or may be liable, then this policy shall cover such insured against whom a claim is or may be made in the same manner as if separate policies had been issued to each insured hereunder."
- 10.04 All insurance required by this Contract shall be written on an occurrence-based policy form, if the same is commercially available.
- 10.05 The Commercial General Liability policy shall be endorsed to have the general aggregate apply to the Services provided under this Contract only.
- 10.06 If during the term of this Contract changed conditions or other pertinent factors should, in the reasonable judgment of the City, render inadequate the insurance limits, the Contractor shall furnish on demand such additional coverage or types of coverage as may reasonably be required under the circumstances. - 10.09 The Contractor shall be responsible for payment of all deductibles contained in any insurance required under this Contract. Article 11: Default and Termination

11.01 This Contract shall remain in full force and effect until the end of its term unless otherwise terminated for cause or convenience according to the provisions of this Article 11.

11.02 The City reserves the right to terminate this Contract for cause. Cause is an event of default.

a) An event of default shall occur if there is a material breach of this Contract, and shall include the following:

- 1) The Contractor fails to begin work in accordance with the terms of this Contract; or
- 2) The Contractor, in the judgment of the City, is unnecessarily, unreasonably, or willfully delaying the performance and completion of the Work Product or Services; or
- 3) The Contractor ceases to perform under the Contract; or
- 4) The City is of the opinion that the Services cannot be completed within the time provided and that the delay is attributable to conditions within the Contractor's control; or
- 5) The Contractor, without just cause, reduces its work force on this Contract to a number that would be insufficient, in the judgment of the City, to complete the Services within a reasonable time, and the Contractor fails to sufficiently increase such work force when directed to do so by the City; or
- 6) The Contractor assigns, transfers, conveys or otherwise disposes of this Contract in whole or in part without prior approval of the City; or
- 7) Any City officer or employee acquires an interest in this Contract so as to create a conflict of interest; or
- 8) The Contractor violates any of the provisions of this Contract, or disregards applicable laws, ordinances, permits, licenses, instructions or orders of the City; or
- 9) The performance of the Contract, in the sole judgment of the City, is substandard, unprofessional, or faulty and not adequate to the demands of the task to be performed; or
- 10) The Contractor fails in any of the agreements set forth in this Contract; or
- 11) The Contractor ceases to conduct business in the normal course; or
- 12) The Contractor admits its inability to pay its debts generally as they become due.

b) If the City finds an event of default has occurred, the City may issue a Notice of Termination for Cause setting forth the grounds for terminating the Contract. Upon receiving a Notice of Termination for Cause, the Contractor shall have ten (10) calendar days within which to cure such default. If the default is cured within said ten (10) day period, the right of termination

for such default shall cease. If the default is not cured to the satisfaction of the City, this Contract shall terminate on the tenth calendar day after the Contractor's receipt of the Notice of Termination for Cause, unless the City, in writing, gives the Contractor additional time to cure the default. If the default is not cured to the satisfaction of the City within the additional time allowed for cure, this Contract shall terminate for cause at the end of the extended cure period.

- c) If, after issuing a Notice of Termination for Cause, the City determines that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued as a Notice of Termination for Convenience. Alternatively, in the City's discretion, the Notice of Termination for Cause may be withdrawn and the Contract, if terminated, may be reinstated.
- d) The Contractor shall be liable to the City for any damages it sustains by virtue of the Contractor's breach or any reasonable costs the City might incur in enforcing or attempting to enforce this Contract. Such costs shall include reasonable fees and expenses for attorneys, expert witnesses and other consultants. However, if the Contractor makes a written offer prior to the initiation of litigation or arbitration, then the City shall not be entitled to such attorney fees unless the City declines the offer and obtains a verdict or judgment for an amount more than ten percent (10%) above the amount of the Contractor's last written offer prior to the initiation of litigation or arbitration. The City may withhold any payment(s) to the Contractor, in an amount not to exceed the amount claimed in good faith by the City to represent its damages, for the purpose of setoff until such time as the exact amount of damages due to the City from the Contractor is determined. It is expressly understood that the Contractor shall remain liable for any damages the City sustains in excess of any setoff.
- e) The City's remedies outlined in this Article 11 shall be in addition to any and all other legal or equitable remedies permissible.

11.03 The City shall have the right to terminate this Contract at any time at its convenience by giving the Contractor five (5) business days written Notice of Termination for Convenience. As of the effective date of the termination, the City will be obligated to pay the Contractor the following: (a) the fees or commissions for Services completed and accepted in accordance with Exhibit A in the amounts provided for in Exhibit B; (b) the fees for Services performed but not completed prior to the date of termination in accordance with Exhibit A in the amounts set forth in the Contractor's rate schedule as provided in Exhibit B; and (c) the Contractor's costs and expenses incurred prior to the date of the termination for items that are identified in Exhibit B. The amount due to the Contractor shall be reduced by payments already paid to the Contractor by the City. In no event shall the City pay the Contractor more than maximum price, if one is stated, of this Contract.

11.04 After receiving a Notice of Termination for Cause or Convenience, and except as otherwise directed by the City, the Contractor shall:

- a) Stop work under the Contract on the date and to the extent specified in the Notice of Termination;

- b) Obligate no additional Contract funds for payroll costs and other costs beyond such date as the City shall specify, and place no further orders on subcontracts for material, services, or facilities, except as may be necessary for completion of such portion of the Services under this Contract as is not terminated;
- c) Terminate all orders and subcontracts to the extent that they relate to the portion of the Services terminated pursuant to the Notice of Termination;
- d) Preserve all Records and submit to the City such Records and reports as the City shall specify, and furnish to the City an inventory of all furnishings, equipment, and other property purchased for the Contract, if any, and carry out such directives as the City may issue concerning the safeguarding or disposition of files and property; and
- e) Submit within thirty (30) days a final report of receipts and expenditures of funds relating to this Contract, and a list of all creditors, Subcontractors, lessors and other parties, if any, to whom the Contractor has become financially obligated pursuant to this Contract.

11.05 After termination of the Contract, each party shall have the duty to assist the other party in the orderly termination of this Contract and the transfer of all rights and duties arising under the Contract, as may be necessary for the orderly, un-disrupted continuation of the business of each party.

Article 12: Assignment

12.01 The Contractor shall not assign, transfer, convey or otherwise dispose of any interest whatsoever in this Contract without the prior written consent of the City; however, claims for money due or to become due to the Contractor may be assigned to a financial institution without such approval. Notice of any assignment to a financial institution or transfer of such claims of money due or to become due shall be furnished promptly to the City. If the Contractor assigns all or any part of any monies due or to become due under this Contract, the instrument of assignment shall contain a clause stating that the right of the assignee to any monies due or to become due shall be subject to prior liens of all persons, firms, and corporations for Services rendered or materials supplied for the performance of the Services called for in this Contract.

Article 13: Subcontracting

13.01 None of the Services covered by this Contract shall be subcontracted without the prior written approval of the City and, if required, any grantor agency. The City reserves the right to withhold approval of subcontracting such portions of the Services where the City determines that such subcontracting is not in the City's best interests.

13.02 Each subcontract entered into shall provide that the provisions of this Contract shall apply to the Subcontractor and its Associates in all respects. The Contractor agrees to bind each Subcontractor and each Subcontractor shall agree to be bound by the terms of the Contract insofar as applicable to the work or services performed by that Subcontractor.

13.03 The Contractor and the Subcontractor jointly and severally agree that no approval by the City of any proposed Subcontractor, nor any subcontract, nor anything in the Contract, shall create or be

deemed to create any rights in favor of a Subcontractor and against the City, nor shall it be deemed or construed to impose upon the City any obligation, liability or duty to a Subcontractor, or to create any contractual relation whatsoever between a Subcontractor and the City.

- 13.04 The provisions contained in this Article 13 shall apply to subcontracting by a Subcontractor of any portion of the work or services included in an approved subcontract.
- 13.05 The Contractor agrees to indemnify, defend, and hold the City harmless against any claims initiated against the City pursuant to any subcontracts the Contractor enters into in performance of this Contract. The City's approval of any Subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under this Contract. The Contractor shall be solely responsible to the City for the acts or defaults of its Subcontractors and of each Subcontractor's Associates, each of whom shall for this purpose be deemed to be the agent or employee of the Contractor.

Article 14: Conflict of Interest

- 14.01 The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the Services under this Contract. The Contractor further covenants that in the performance of this Contract no person having any such interest shall be employed by it.
- 14.02 The Contractor further covenants that no officer, agent, or employee of the City and no other public official who exercises any functions or responsibilities in the review or approval of the undertaking or performance of this Contract has any personal or financial interest, direct or indirect, in this Contract or in its proceeds, whether such interest arises by way of a corporate entity, partnership, or otherwise.
- 14.03 The Contractor warrants (a) that it has not employed and will not employ any person to solicit or secure this Contract upon any agreement or arrangement for payment of a commission, percentage, brokerage fee, or contingent fee, other than bona fide employees working solely for the Contractor either directly or indirectly, and (b) that if this warranty is breached, the City may, at its option, terminate this Contract without penalty, liability or obligation, or may, at its option, deduct from any amounts owed to the Contractor under this Contract any portion of any such commission, percentage, brokerage, or contingent fee.
- 14.04 The Contractor covenants not to employ an employee of the City for a period of one (1) year after the date of termination of this Contract without written City approval.
- 14.05 The Contractor shall promptly identify and inform the City in writing of any potential conflict of interest (as set forth in Sections 14.01 through 14.04 above) or any relationship or actions that might give the appearance that a conflict of interest (as set forth in Sections 14.01 through 14.04 above) exists, or that a situation exists that could reasonably be viewed as affecting the Contractor's objectivity in performing work under this contract, including the performance of administrative or other duties to related organizations.

- 14.06 The Contractor shall provide a statement listing all political contributions and expenditures (“Statement of Political Contributions and Expenditures”), as defined by the Michigan Campaign Finance Act, MCL 169.201, et seq., made by the Contractor, its affiliates, subsidiaries, principals, officers, owners, directors, agents or assigns, to elective City officials within the previous four (4) years. Individuals shall also list any contributions or expenditures from their spouses.
- 14.07 The Contractor’s Statement of Political Contributions and Expenditures shall be attached to this Contract as “Exhibit C” and made a part hereof. **This Contract is not valid unless and until the Statement of Political Contributions and Expenditures is provided.**
- 14.08 The Statement of Political Contributions and Expenditures shall be filed by the Contractor on an annual basis for the duration of the Contract, shall be current up to and including the date of its filing, and shall also be filed with all contract renewals and change orders, if any.

Article 15: Confidential Information

- 15.01 In order that the Contractor may effectively fulfill its covenants and obligations under this Contract, it may be necessary or desirable for the City to disclose confidential and proprietary information to the Contractor or its Associates pertaining to the City's past, present and future activities. Since it is difficult to separate confidential and proprietary information from that which is not, the Contractor shall regard, and shall instruct its Associates to regard, all information gained as confidential and such information shall not be disclosed to any organization or individual without the prior consent of the City. The above obligation shall not apply to information already in the public domain or information required to be disclosed by a court order.
- 15.02 The Contractor agrees to take appropriate action with respect to its Associates to ensure that the foregoing obligations of non-use and non-disclosure of confidential information shall be fully satisfied.

Article 16: Compliance with Laws

- 16.01 The Contractor shall comply with and shall require its Associates to comply with all applicable federal, state and local laws.
- 16.02 The Contractor shall hold the City harmless with respect to any damages arising from any violation of law by it or its Associates. The Contractor shall commit no trespass on any public or private property in performing any of the Services encompassed by this Contract. The Contractor shall require as part of any subcontract that the Subcontractor comply with all applicable laws and regulations.

Article 17: Office of Inspector General

- 17.01. In accordance with Section 2-106.6 of the City Charter, this Contract shall be voidable or rescindable at the discretion of the Mayor or Inspector General at any time if a Public Servant who is a party to the Contract has an interest in the Contract and fails to disclose such interest.
- 17.02. This Contract shall also be voidable or rescindable if a lobbyist or employee of the contracting party offers a prohibited gift, gratuity, honoraria or payment to a Public Servant in relation to the Contract.
- 17.03. A fine shall be assessed to the Contractor in the event of a violation of Section 2-106.6 of the City Charter. If applicable, the actions of the Contractor, and its representative lobbyist or employee, shall be referred to the appropriate prosecuting authorities.
- 17.04. Pursuant to Section 7.5-306 of the City Charter, the Inspector General shall investigate any Public Servant, City agency, program or official act, contractor and subcontractor providing goods and services to the City, business entity seeking contracts or certification of eligibility for City contracts and person seeking certification of eligibility for participation in any City program, either in response to a complaint or on the Inspector General's own initiative in order to detect and prevent waste, abuse, fraud and corruption.
- 17.05. In accordance with Section 7.5-310 of the City Charter, it shall be the duty of every Public Servant, contractor, subcontractor, and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the Inspector General in any investigation pursuant to Article 7.5, Chapter 3 of the City Charter.
- 17.06. Any Public Servant who willfully and without justification or excuse obstructs an investigation of the Inspector General by withholding documents or testimony, is subject to forfeiture of office, discipline, debarment or any other applicable penalty.
- 17.07. As set forth in Section 7.5-308 of the City Charter, the Inspector General has a duty to report illegal acts. If the Inspector General has probable cause to believe that any Public Servant or any person doing or seeking to do business with the City has committed or is committing an illegal act, then the Inspector General shall promptly refer the matter to the appropriate prosecuting authorities.
- 17.08. In accordance with Section 17-5-351(a) of the Detroit City Code, the City shall solicit offers from, award contracts to, consent to subcontracts with, or otherwise to conduct business with, responsible contractors only. To effectuate this policy, the debarment of contractors and subcontractors from current and/or future City work may be undertaken.
- 17.09. Therefore, it will be the responsibility of all Contractors to check the list of debarred contractors in the City's website and confirm that neither the Contractor nor the subcontracting company is listed on the City's debarment list and they will not be using the debarred (sub) contractor(s) to conduct any City business.

- 17.10 In accordance with Section 17-5-352 (c) of the Detroit City Code, the Contractor shall report to the Office of Inspector General any improper, unethical or illegal activity or requests made by elected officers of the City, including those acting on their behalf, or any Public Servant in connection with this Contract.

Article 18: Amendments

- 18.01 The City may consider it in its best interest to change, modify or extend a covenant, term or condition of this Contract or require the Contractor to perform Additional Services that are not contained within the Scope of Services as set forth in Exhibit A. Any such change, addition, deletion, extension or modification of Services may require that the compensation paid to the Contractor by the City be proportionately adjusted, either increased or decreased, to reflect such modification. If the City and the Contractor mutually agree to any changes or modification of this Contract, the modification shall be incorporated into this Contract by written Amendment.
- 18.02 Compensation shall not be modified unless there is a corresponding modification in the Services sufficient to justify such an adjustment. If there is any dispute as to compensation, the Contractor shall continue to perform the Services under this Contract until the dispute is resolved.
- 18.03 No Amendment to this Contract shall be effective and binding upon the parties unless it expressly makes reference to this Contract, is in writing, is signed and acknowledged by duly authorized representatives of both parties, is approved by the appropriate City departments and the City Council, and is signed by the Chief Procurement Officer.
- 18.04 The City shall not be bound by Unauthorized Acts of its employees, agents, or representatives with regard to any dealings with the Contractor and any of its Associates.

Article 19: Fair Employment Practices

- 19.01 The Contractor shall comply with, and shall require any Subcontractor to comply with, all federal, state and local laws governing fair employment practices and equal employment opportunities.

II. Services to be Performed

A. Background/Description of Environment

The U.S. Department of Housing and Urban Development (HUD) has allocated the City of Detroit, through its Housing and Revitalization Department (HRD) \$95,228,000 in Community Development Block Grant – Disaster Recovery (CDBG-DR) funding to support long-term recovery efforts following storm events from the 2021 Presidential Major Disaster Declaration (federal disaster declaration FEMA #4607 - Michigan Severe Storms, Flooding and Tornadoes) with no matching requirements. These funds were allocated through the publication of the Federal Register, Vol. 87, No. 100, May 24, 2022, and 6368-N-01 January 18, 2023. The allocation was made available through the Disaster Relief Supplemental Appropriations Act Public Law 117-43 and 117-180. The CDBG-DR program funds necessary expenses related to disaster relief, long-term recovery, and restoration of infrastructure, housing, and economic revitalization, and mitigation.

The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

EXHIBIT E: CROSS CUTTING FEDERAL REGULATIONS

Listed below are cross-cutting federal regulations that may apply to your project. Please review the summaries below. Please note that these regulations are not all inclusive, and the City of Detroit may enforce other federal regulations. Questions regarding the cross-cutting federal regulations below may be directed to the City's Housing and Revitalization Department (HRD). Qualified Minority-Owned Enterprises, Women-Owned Enterprises, Disadvantaged Business Enterprises, Veteran Owned Enterprises, and HUD Section 3 Certified Business Concerns are encouraged to submit proposals to City of Detroit for contracts and agreements funded through the Community Development Block Grant program.

Section 281 of the National Affordable Housing Act requires federal grantees to ensure contracting opportunities for minority and woman-owned businesses when federal funds. City of Detroit encourages that any contractor who receives a contract using federal funds to comply with this act. In accordance with Section 281 of the National Affordable Housing Act, applicants must take affirmative steps to use minority and woman-owned businesses for their funded activities. This means the contractor must make a good faith effort to hire minority and/or woman-owned businesses.

E.2 Section 3: Economic Opportunities for Low- and Very Low-Income Persons

Section 3 is a provision of the Housing and Urban Development (HUD) Act of 1968 that helps foster local economic development, neighborhood economic improvement, and individual self-sufficiency. The Section 3 program requires that recipients of certain HUD financial assistance, to the greatest extent feasible, provide job training, employment, and contracting opportunities for low- or very-low income residents in connection with projects and activities in their neighborhoods.

Applicants funded with HUD Community Development Block Grant Funds are required to meet the Section 3 provisions to the greatest extent feasible. Documentation will be required in order to verify compliance from the borrower. Please refer to the City of Detroit Section 3 Program for additional information on the local Section 3 requirements.

E.3 Fair Housing Act

The Fair Housing and Equal Opportunity, Office of Program Compliance, investigates complaints pursuant to Title VI of the Civil Rights Act of 1964 (Title VI). Title VI prohibits discrimination on the basis of race, color or national origin in programs and activities receiving Federal financial assistance. Complaints must be filed within 180 days of the alleged act of discrimination.

E.4 Americans with Disabilities Act

Title II of the ADA prohibits discrimination against persons with disabilities in all services, programs, and activities made available by State and local governments. The Department of Justice (DOJ) has coordination authority for the ADA in accordance with Executive Order 11250.

The DOJ regulations cover all State and local governments and extend the prohibition of discrimination in Federally- assisted programs established by Section 504 of the Rehabilitation Act of 1973 to all activities of State and local governments, including those that do not receive Federal financial assistance.

HUD is the designated agency for all programs, services and regulatory activities relating to State and local public housing, and housing assistance and referrals. In addition, HUD has jurisdiction over a State or local government activity when HUD has jurisdiction under Section 504 of the Rehabilitation Act of 1973.

E.5 The Architectural Barrier Act of 1968

The Architectural Barriers Act (ABA) requires buildings and facilities that are constructed by or on behalf of, or leased by the United States, or buildings financed, in whole or in part, by a grant or loan made by the United States to be accessible to persons with mobility impairments. The Architectural and Transportation Barriers Board (ATBCB) has coordination authority for the ABA.

E.6 Section 504 of the Rehabilitation Act of 1973, as amended

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with disabilities in any program or activity receiving Federal financial assistance.

E.7 Executive order 12898, Environmental Justice

Executive Order 12898 provides that each Federal agency shall conduct its programs, policies, and activities that substantially affect human health or the environment, in a manner that ensures that such programs, policies, and activities do not have the effect of excluding persons (including populations) from participation in, denying persons (including populations) the benefits of, or subjecting persons (including populations) to discrimination under, such programs, policies, and activities, because of their race, color, or national origin.

E.8 Non-discrimination

Notice of Non-Discrimination: The City of Detroit does not discriminate on the basis of race, color, creed, national origin, age, handicap, sex or sexual orientation. Complaints may be filed with the City of Detroit, Civil Rights, Inclusion, & Opportunity Department (formerly Human Rights Department), 12TH Floor, Coleman A. Young Municipal Center, Detroit, Michigan 48226.

Executive Order 11063 (Non-Discrimination and Equal Opportunity in Housing) directs HUD and all other executive departments and agencies to take appropriate action to promote the abandonment of discriminatory practices with respect to property or facilities owned or operated by the Federal Government or provided with Federal financial assistance in the sale, leasing, rental, or other disposition of such property or facilities.

E.9 Age Discrimination

The Age of Discrimination Act of 1975, prohibits discrimination on the basis of age in programs or activities

receiving Federal financial assistance, directly or through contractual, licensing, or other arrangements use age distinctions or take any other actions which have the effect, on the basis of age of:

Excluding individuals from denying them the benefits subjecting them to discrimination under, a program or activity receiving Federal financial assistance; or

Denying or limiting individuals their opportunity to participate in any program or activity receiving Federal financial assistance.

E.10 Environmental Review

An environmental review is the process of reviewing a project and its potential environmental impacts to determine whether it meets federal, state, and local environmental standards. The environmental review process is required for most federally funded projects to ensure that the proposed project does not negatively impact the surrounding environment and that the property site itself will not have an adverse environmental or health effect on end users. Not every project is subject to a full environmental review (i.e., every project's environmental impact must be examined, but the extent of this examination varies), but every project must be in compliance with the [National Environmental Policy Act \(NEPA\)](#), and other related Federal and state environmental laws. Each project application for Section 108 Loan Guarantee Funds will be required to undergo an environmental review.

Title I of the National Environmental Policy Act (NEPA) contains a Declaration of National Environmental Policy. This policy requires the federal government to use all practicable means to create and maintain conditions under which man and nature can exist in productive harmony. Section 102 in Title I of the Act requires federal agencies to incorporate environmental considerations in their planning and decision-making through a systematic interdisciplinary approach. Specifically, all federal agencies are to prepare detailed statements assessing the environmental impact of and alternatives to major federal actions significantly affecting the environment. These statements are commonly referred to as Environmental Impact Statements (EIS) and Environmental Assessments (EA).

E.11 National Environmental Policy Act (NEPA) Contract/Award "Rewind Language"

Notwithstanding any provision of this Agreement, the parties hereto agree and acknowledge that this Agreement does not constitute a commitment of funds or site approval, and that such commitment of funds or approval may occur only upon satisfactory completion of environmental review and receipt by the City of Detroit of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part §58. The parties further agree that the provision of any funds to the project is conditioned on the City of Detroit's determination to proceed with, modify or cancel the project based on the results of a subsequent environmental review.

E.12 Copeland "Anti-Kickback" Act

The "Anti-Kickback" section of the Act precludes a contractor or subcontractor from inducing an employee, in any way, to give up any part of the compensation to which he or she is entitled under his or her contract of employment. The Act and implementing regulations require a contractor and subcontractor to submit a weekly statement of the wages paid to each employee performing on covered work during the preceding payroll period. The regulations also list payroll deductions that are permissible without the approval of the Secretary of Labor and those deductions that require consent of the Secretary of Labor.

E.13 Uniform Relocation Act

The [Uniform Act](#), passed by Congress in 1970, is a federal law that establishes minimum standards for

federally funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The Uniform Act's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects. Government wide regulations that implement URA can be found at 49 CFR Part 24.

E.14 Occupational Safety and Health Act of 1970 (OSHA)

Congress passed the Occupational Safety and Health Act to ensure worker and workplace safety. Their goal was to make sure employers provide their workers a place of employment free from recognized hazards to safety and health, such as exposure to toxic chemicals, excessive noise levels, mechanical dangers, heat or cold stress, or unsanitary conditions.

E.15 National Historic Preservation Act

The National Historic Preservation Act (NHPA), 54 U.S.C. 306108, directs each Federal agency, and those Tribal, State, and Local governments that assume Federal agency responsibilities, to protect historic properties and to avoid, minimize, or mitigate possible harm that may result from agency actions. The review process, known as Section 106 review, is detailed in 36 CFR Part 800. Early identification and consideration of historic properties in project planning along with full consultation with interested parties are key to effective compliance with Section 106. The State Historic Preservation Officer (SHPO) and/or Tribal Historic Preservation Officer (THPO) are primary consulting parties in the process. A qualified historic preservation consultant may assist with the technical components of the Section 106 review process.

For Detroit's HUD-funded activities or projects, the authority to conduct a Section 106 review is held by the Michigan SHPO. However, the Michigan SHPO has delegated certain aspects of its authority to the City of Detroit through the use of a Programmatic Agreement (PA). The PA is a legal document that allows the City of Detroit to conduct the review of its HUD-funded activities or projects. The PA also includes a description of the review process. This review is facilitated and managed by the Preservation Specialist who is housed within the City of Detroit Housing & Revitalization Department.

E.16 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion

1. By signing this Contract, the Contractor, also referred to herein as a "prospective lower tier participant", is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that this certification was erroneous when submitted or has been erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspensions Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Section 3 is a provision of the Housing and Urban Development (HUD) Act of 1968, federal regulation formerly 24 CFR Part 135. HUD released a final rule in the fall of 2020 changing the regulation to 24 CFR Part 75. The final rule moved from tracking the number of qualified new hires (Section 3 residents) in Section 3 projects to tracking the total labor hours worked (by Section 3 workers and Targeted Section 3 workers). The new Section 3 regulation, 24 CFR Part 75 continues to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons, particularly those who are residents of the community in which the federal assistance is spent.

Section 3 applies to projects that are fully or partially funded with HUD financial assistance. Section 3 projects are housing rehabilitation, housing construction, and other public construction projects and activities assisted under HUD programs when the total amount of assistance to the project exceeds a threshold of \$200,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs (§75.3 (2) (i)). However, Section 3 regulation does not apply to material only contracts. All parties associated with each project must maintain documentation for a period of time required for record retention or in the absence of applicable program regulation in accordance with 2 CFR Part 200.

The domestic content procurement preference requires that all iron, steel, manufactured products, and construction materials used in covered infrastructure projects are produced in the United States.

F.6 Davis Bacon Wage Determination

The Davis-Bacon Act (DBA or Act), enacted in 1931, requires the payment of locally prevailing wages and fringe benefits on Federal contracts for construction. *See* [40 U.S.C. 3142](#). The DBA applies to workers on contracts entered into by Federal agencies and the District of Columbia that are in excess of \$2,000 and for the construction, alteration, or repair of public buildings or public works. Congress subsequently incorporated DBA prevailing wage requirements into numerous statutes (referred to as “Related Acts”) under which

Federal agencies assist construction projects through grants, loans, loan guarantees, insurance, and other methods.

F.10 Executive Order 2021-02

The Contractor shall comply with the following City of Detroit Executive Order:

EXECUTIVE ORDER 2021-02

TO: ALL BOARDS, COMMISSIONS, DEPARTMENT DIRECTORS, CITY COUNCIL MEMBERS, CITY CLERK.

FROM: MICHAEL E. DUGGAN, MAYOR

SUBJECT: UTILIZATION OF DETROIT RESIDENTS ON PUBLICLY-FUNDED CONSTRUCTION AND DEMOLITION/REHAB PROJECTS

DATE: APRIL 14, 2021

WHEREAS, the economic revitalization of Detroit depends upon the employment of Detroit residents and the availability of a local skilled workforce; and

WHEREAS, it is the policy of this Administration to encourage and maximize employment opportunities for well-trained Detroit residents through contracts with the City contracts and in projects funded or financially assisted by the City;

THEREFORE, this Executive Order directs any person or entity entering into a publicly-funded construction project or a publicly-funded demolition/rehab project to implement specific residency targets for its workforce, as follows. Other persons or entities doing business with the City, but not subject to this Executive Order, may voluntarily agree to be bound by some or all of the substantive requirements set forth herein.

1. The term “publicly-funded construction project,” for purposes of this Executive Order, means:

(a) any construction project performed under a contract, the value of which is more than \$3,000,000.00 (Three Million Dollars), made by the City with any person or entity; and

(b) any construction project for which the City, public or quasi-public entities affiliated with the City, or any of their agents or contractors provides funds or financial assistance via any of the following methods, where total value of such assistance is more than \$3,000,000.00 (Three Million Dollars):

(1) The sale or transfer of land below its appraised value;

(2) Direct monetary support;

(3) Public contributions originated by the State of Michigan or its agencies, the United States government or its agencies, or any other non-City government

entity, for which City approval is required and obtained; or

- (4) Tax increment financing. For purposes of calculating the total assistance directly provided through tax increment financing, tax revenue that would have accrued to all government entities shall be counted.

2. The term “publicly-funded demolition/rehab project,” for purposes of this Executive Order, means any demolition or rehabilitation of one or more residential buildings performed under the Proposal N Neighborhood Improvement Plan, under a contract, the value of which is more than \$50,000 (Fifty Thousand Dollars), made by the City with any person or entity.

3. A “bona-fide Detroit resident,” for purposes of this Executive Order, means an individual who can demonstrate residency in the City of Detroit as of a date at least thirty (30) days prior to the date the individual seeks to be employed on a publicly-funded construction project or publicly-funded demolition/rehab project. An individual may demonstrate residency by producing at least one item from each of the two lists below that includes an address located in the City of Detroit. Other forms of proof-of-residency may be accepted under unique circumstances.

- (a) State of Michigan identification card, State of Michigan driver’s license, or Detroit municipal ID; and
- (b) Voter Registration Card, Motor Vehicle Registration, most recent federal, state, or City of Detroit tax return, lease/rental agreement, most recent utility bill or utility affidavit signed by a landlord with respect to a leased residence, or most recent municipal water bill.

4. All contracts with the City, and all sub-contracts thereof, for a publicly-funded construction project or a publicly-funded demolition/rehab project shall require at least 51% of the workforce for such project to be bona-fide Detroit residents. This requirement shall be referred to as the “Workforce Target.” The Workforce Target shall be measured by the hours worked by bona-fide Detroit residents on the publicly-funded construction project or publicly-funded demolition/rehab project.

5. Developers, general contractors, prime contractors and subcontractors on publicly-funded construction projects and publicly-funded demolition/rehab projects are all required to comply with the terms of this Executive Order. Collectively, these entities are hereinafter referred to as “contractors.” It is, however, the sole responsibility of the person or entity contracting directly with the City of Detroit to require all of its subcontractors either to (a) meet the Workforce Target; or (b) make the required contribution to the City’s Workforce Training Fund, as provided in Paragraph 6 of this Executive Order. Contractors may utilize local unions, Detroit Employment Solutions Corporation, or other entities to help meet the Workforce Target. Failure to satisfy the requirements of this Executive Order shall constitute a material breach of contract and may result in the immediate termination of the contract.

6. Upon execution of a contract for a publicly-funded construction contract or publicly-funded demolition/rehab project, the City of Detroit's Civil Rights, Inclusion and Opportunity Department ("CRIO") shall determine whether the Workforce Target in the contract shall be measured periodically either (a) monthly or (b) quarterly. This period shall be referred to as the "measurement period." Thereafter, for the duration of the construction project, the contractor shall, at the end of each measurement period, submit to CRIO a report indicating:

- (a) The total hours worked on the project during the preceding measurement period ("total work-hours");
- (b) The total hours worked on the project by bona-fide Detroit residents during the preceding measurement period; and
- (c) If applicable, the amount by which the contractor fell short of meeting the Workforce Target. A contractor falling short of the Workforce Target shall report both (a) the raw number of total work-hours by which the contractor fell short of the Workforce Target; and (b) the percentage of total work-hours by which the contractor fell short of the Workforce Target.

7. A contractor who does not meet the Workforce Target in any measurement period shall help strengthen Detroit's workforce by making a monetary contribution to the City's CRIO-administered Workforce Training Fund, thereby supporting the skill development of Detroit residents. The required contribution for any contractor who does not meet the Workforce Target shall be the sum of the following:¹

- (a) For each work-hour comprising the first 10% of total work-hours by which the contractor fell short of the Workforce Target, 5% of the average hourly wage paid by the contractor during the preceding measurement period.
- (b) For each work-hour comprising the second 10% of total work-hours by which the contractor fell short of the Workforce Target, 10% of the average hourly wage paid by the contractor during the preceding measurement period.
- (c) For each work-hour comprising the remaining 31% of total work-hours by which the contractor fell short of the Workforce Target, 15% of the average hourly wage paid by the contractor during the preceding measurement period.

8. For a publicly-funded construction project, if a contractor contracts for labor through a union that is meeting the goals set for it under the Detroit Skilled Trades Employment Program, that contractor will be deemed to have met the Workforce Target with respect to the labor for which it contracted through such a union.

¹ Thus, for example, if 25% of the total work-hours performed on a publicly-funded construction project were performed by bona-fide Detroit residents, the contractor will have fallen short of the Workforce Target by 26% of the total work-hours. That contractor's minimum required contribution would be the sum of (1) 5% of the average hourly wage for 10% of the total work-hours; (2) 10% of the average hourly wage for 10% of the total work-hours; and (3) 15% of the average hourly wage for 6% of the total work-hours.

CRIO will make a periodic determination whether a union participating in the Detroit Skilled Trades Employment Program is meeting its established goals under that Program. For purposes of calculating a contractor's compliance with the Workforce Target, a union which, as of the date a contractor executes a contract or subcontract for a publicly-funded construction project, is meeting its goals under the Program shall be deemed to have no less than 51% of the hours worked by its members on the publicly-funded construction project worked by bona-fide Detroit residents. If bona-fide Detroit residents actually account for more than 51% of the hours worked by union members on a publicly-funded construction project, that actual percentage may be used for purposes of calculating compliance with the Workforce Target.

9. For a publicly-funded demolition/rehab project, if bona-fide Detroit residents actually account for more than 51% of the hours worked and the contractor pays for its Detroit employees to be trained under a DOL approved apprenticeship program, that contractor will be deemed to have met the Workforce Target. For purposes of publicly-funded demolition/rehab projects only, any contractor who fails to meet the Workforce Target will contribute \$200 per employee to the Workforce Training Fund.

10. If CRIO determines a contractor is in non-compliance with the requirements of this Order, CRIO will notify the contractor, in writing, of the contractor's non-compliance.

If a contractor wishes to challenge a finding of non-compliance, the contractor may, within fifteen (15) days of the notice of non-compliance, file with CRIO a written notice challenging the finding of non-compliance, and detailing the reasons for that challenge. The challenge will then be forwarded to a panel of (1) the City's Corporation Counsel or his/her designee; (2) the head of the Department of Administrative Hearings or his/her designee; and (3) the Director of the Buildings, Safety, Engineering, and Environment Department, or his/her designee. The panel shall adjudicate the challenge and issue a written decision. The panel may, but need not, schedule an oral hearing on the challenge.

If, following written notice of non-compliance and the adjudication of any challenge, the contractor fails or refuses to take corrective actions within thirty (30) days, the City may do any of the following:

- (a) withhold from the contractor all future payments under the contract until it is determined that the contractor is in compliance;
- (b) refuse all future bids on City projects or applications for financial assistance in any form from the City or any of its departments, until such time as the contractor demonstrates that it has cured its previous non-compliance;
- (c) debar the contractor from doing business with the City for a period of up to one year.

In addition, the City reserves the right to re-bid the contract, in whole or in part, or hire its own workforce to complete the work.

11. All construction contracts, construction contract amendments, change orders and extensions subject to this Executive Order shall include the applicable terms of this

Executive Order. CRIO shall have the responsibility for preparing administrative guidelines related to this Executive Order, and for monitoring and enforcing the provisions of this Executive Order.

12. Notwithstanding anything to the contrary set forth herein, the requirements set forth in Paragraphs 4 through 11 of this Executive Order shall not apply to any publicly-funded construction contract or publicly-funded demolition/rehab contract, or part thereof, that is funded by a grant awarded by a federal, state, or other governmental entity, the terms of which prohibit the implementation of any such requirements.

Pursuant to the powers vested in me by the 1963 Michigan Constitution and by the 2012 Detroit City Charter, I, Michael E. Duggan, Mayor of the City of Detroit, issue this Executive Order. This Executive Order is effective upon its execution and filing with the City Clerk and supersedes Executive Order No. 2020-5, issued by me on November 20, 2020. This Executive Order shall not alter or affect the operation of any prior Executive Order with respect to any publicly-funded construction project on which construction activities have commenced as of the date of this Executive Order.

The Disaster Relief Supplemental Appropriations Act, 2022 (Pub. L. 117– 43), approved September 30, 2021 (the “Appropriations Act”), makes available \$5,000,000,000 in Community Development Block Grant Disaster Recovery (CDBG–DR) funds. These CDBG–DR funds are for necessary expenses for activities authorized under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.) (HCDA or HCD Act) related to disaster relief, long-term recovery, restoration of infrastructure and housing, economic revitalization, and mitigation (MIT) in the most impacted and distressed (MID) areas resulting from a qualifying major disaster in 2020 or 2021.

The United States Department of Housing and Urban Development (the “Department” or “HUD”) allocated over \$2.7 billion in CDBG–DR funds from the Appropriations Act to assist in long term recovery from disasters occurring in 2020. As required by the Appropriations Act, HUD’s final allocations for the total estimate of unmet needs included an additional amount of 15 percent of that estimate for mitigation activities that reduce risk in the MID areas.

HUD notified the public of the allocations in press releases and in a *Federal Register* notice, *Allocations for Community Development Block Grant Disaster Recovery and Implementation of the CDBG–DR Consolidated Waivers and Alternative Requirements Notice*, which was published at 87 Fed. Reg. 6364 on February 3, 2022 (the “Allocation Announcement Notice”). The Allocation Announcement Notice, including the CDBG-DR Consolidated Notice (Appendix B of the Allocation Announcement Notice), contains requirements that are incorporated into this Agreement and are included for reference in Attachment 2.

This agreement between the Grantee identified on page 1 (“Grantee”) and HUD governs grant amounts identified on page 1 that are allocated and obligated to the grantee based on HUD’s review of the impacts and estimates of unmet need for major disasters identified in the Allocation Announcement Notice. The Allocation Announcement Notice, and subsequent notices or press releases, identify the total amount allocated to the Grantee, and the amount of the total allocation that is provided as a mitigation set aside. Page 1 of this agreement identifies the portion of that allocation that HUD has obligated to the Grantee.

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 200) require HUD to have in place a framework for evaluating the risks posed by applicants before they receive Federal awards. HUD may establish specific criteria and conditions for this grant as provided for in section V.B.3. of the CDBG-DR Consolidated Notice and at 2 CFR 200.206 and 200.208.

Now, therefore, under the authority of the Appropriations Act, the Grantee and HUD agree to the terms of this COMMUNITY DEVELOPMENT BLOCK GRANT DISASTER RECOVERY (CDBG-DR) GRANT AGREEMENT, including but not limited to the General Terms and Conditions and Specific Conditions set forth in sections II. and III. and Attachment(s) (the “Agreement”).

II. General Terms and Conditions

1. This Agreement is a federal award (grant). The grant is subject to all requirements in the Agreement, including the requirement that the Grantee agrees to use the grant funds in

accordance with the Agreement, as may be amended from time to time. If the amendment box on page 1 is checked, the amended agreement governs the grant from the date the amendment is signed by HUD.

2. The following requirements, as now in effect and as these requirements may be amended from time to time, are incorporated into the Agreement: requirements of the Appropriations Act, and requirements of Title I of the Housing and Community Development Act of 1974 (HCDA or HCD Act) (42 USC 5301 et seq.) and implementing regulations at 24 CFR part 570, as modified by waivers, alternative requirements, and other requirements published in the Allocation Announcement Notice and other applicable *Federal Register* notices.
3. The period of performance/budget period for this agreement is specified on page 1. The Grantee shall not incur any obligations to be paid from funds made available by this award after the last day of the period of performance. Pre-award costs and pre-agreement costs are allowable to the extent permitted by the Allocation Announcement Notice and other applicable *Federal Register* notices.
4. The Grantee must comply with the applicable requirements at 2 CFR part 200, as may be amended from time to time, to the extent that part 200 is incorporated into and made applicable by 24 CFR part 570, subpart I, or applicable *Federal Register* notices that govern this grant. Recent amendments to 2 CFR part 200 were effective on August 13, 2020, November 12, 2020, and February 22, 2021. Where any previous or future amendments to 2 CFR part 200 replace or renumber sections of part 200 that are cited specifically in applicable *Federal Register* notices, the Agreement (as may be amended), or program regulations, activities carried out under the grant after the effective date of the part 200 amendments will be governed by the part 200 requirements as replaced or renumbered by the part 200 amendments. The Grantee must comply with other requirements established by the Office of Management and Budget (OMB), as amended, regarding the System for Award Management (SAM.gov) and the Federal Funding Accountability and Transparency Act as provided in 2 CFR part 25 and 2 CFR part 170.
5. A metropolitan city, urban county, unit of general local government, or insular area that directly or indirectly receives funds obligated by this agreement may not sell, trade, or otherwise transfer all or any such portion of such funds to another such entity in exchange for any other funds, credits, or non-Federal considerations, but must use such funds for eligible activities.
6. In accordance with the Appropriations Act and authorization by the Secretary (see paragraph IV.A.3. at 87 FR 6368), and subject to limitations in paragraph II.12. of this Agreement that require funds obligated by this Agreement to be used for program administrative costs unless and until this Agreement is amended to allow the use of grant funds for other eligible activities, the Grantee may use CDBG-DR funds that the grantee was awarded under prior appropriations and funds obligated by this grant agreement interchangeably and without limitation for eligible activities authorized by Title I of the HCDA, as modified by applicable waivers and alternative requirements, if those activities are related to unmet recovery needs in the MID areas resulting from a major disaster in the Appropriation Act or in a prior or future appropriation act, when the MID areas for both CDBG-DR grants overlap and when the use of the funds will address unmet recovery

needs of major disasters in the Appropriation Act or in any prior or future appropriation acts. For purposes of this requirement, if HUD did not identify MID areas for the major disaster in the *Federal Register* notices governing the CDBG-DR funds, the MID areas are those areas designated by the President in the major disaster declaration.

7. Activities undertaken with funds obligated by this Agreement shall be governed by the specific conditions in section III. until the specific conditions are modified or removed in writing by HUD. If the "Amendment" box on page 1 is checked, the following requirement applies: as of the date HUD signs the amendment, specific conditions in section III. of the amendment shall supersede all specific conditions previously imposed. Activities undertaken after HUD signs the amendment shall be governed by the specific conditions in the amendment until modified or removed by HUD in writing.
8. Before submitting this signed Agreement to HUD, the Grantee shall attach a schedule of its indirect cost rate(s) in the format set forth in Attachment 1. The Grantee shall provide HUD with a revised schedule when any change is made to the rate(s) described in the schedule. The schedule and any revisions HUD receives from the Grantee are and shall be incorporated herein and made a part of the Agreement, as amended, provided that the rate(s) described comply with 2 CFR part 200, subpart E.
9. HUD and the Grantee agree that this Agreement shall be electronically signed, and that any electronic signatures appearing on this Agreement are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility. The Grantee shall maintain this Agreement, including any amendments, in its files.
10. Data Sharing Agreements and Computer Matching Agreements between HUD and the Grantee for the purpose of sharing Federal Emergency Management Agency data pertaining to major disasters assisted by this grant, when signed (including data sharing and computer matching agreements signed or modified after this Agreement is signed), are and shall be wholly incorporated into and made a part of this Agreement. Grant requirements enforceable under the terms of 24 CFR part 570, subpart O or I include the Grantee's duties and responsibilities under such Data Sharing Agreements and Computer Matching Agreements.
11. The Grantee may use up to five percent of its allocation under the Appropriations Act for program administrative costs related to the use of funds for this grant and program administrative costs of other CDBG-DR, CDBG-MIT, and CDBG- National Disaster Resiliencce (NDR) grants without regard to a particular disaster. The Grantee must track and document payments of program administrative costs so that HUD may distinguish which program administrative costs are charged to this Federal award (grant) and which program administrative costs were paid for by grant funds obligated under prior or future CDBG-DR, CDBG-MIT, and CDBG-NDR grants. The Grantee must comply with the *Federal Register* notice requirements for the use of funds for administrative costs across multiple grants, including the requirements in paragraph III.B.1.c. at 87 FR 6378, as may be modified from time to time, which requires (as of the date of this Agreement) that "the grantee must ensure that it has appropriate financial controls to guarantee that the amount of grant administration expenditures for each of the aforementioned grants will not exceed five percent of the total grant award for each grant (plus five percent of program income generated by the grant). The grantee must review and modify any financial management

policies and procedures regarding the tracking and accounting of administration costs as necessary.”

III. Specific Conditions

The following specific conditions correspond to the degree of risk assessed by HUD. These specific conditions may be adjusted post-award when merited by a re-evaluation of risk factors identified in 2 CFR 200.206 and 200.208. The specific conditions will be removed once the conditions that prompted them have been satisfied.

The City of Detroit has open findings cited for its HUD CPD grants in the 2021 and 2022 HUD Monitoring Reports and its Fiscal Year 2021 and 2022 Single Audits. Until those findings are closed by HUD, the City of Detroit must submit quarterly reports to the HUD-CPD Detroit Field Office detailing a self-assessment performed for the status of its CDBG-DR grant administration and the implementation of its CDBG-DR policies and procedures. The City of Detroit must include an update on trainings provided to its staff on subjects related to Federal financial management. By requiring the City of Detroit to provide HUD with its self-assessments in compliance with 2 CFR 200.303(c) each quarter, there is a greater likelihood that the grantee will implement its policies and procedures, that staff will understand the requirements, take prompt action when instances of noncompliance are identified, and improve upon its policies and procedures when needed. This will reduce the risks of repeating findings or incurring new findings. The reports must be sent 30 days after the conclusion of each quarter ending on September 30, December 31, March 31, and June 30 by email to detroitcpd@hud.gov with a copy to the HUD CPD Representative assigned to the City of Detroit for CDBG-DR.
