Community Meeting #2
TODAY!

What we heard last time:

- Safety concerns with cars speeding
- Current park layout disorganized
- Want a good mix of passive and active amenities, such as : walking loop, additional trash bins, seating, and items shown below....

Review the concepts on the flip side of the page and let us know...

Do you have a favorite layout?
Are there elements from each you want to combine?
Is there anything we missed?

Fitness Equipment

Half-Court Basketball

Bottle Filler

Picnic Pod

Toddler Playground

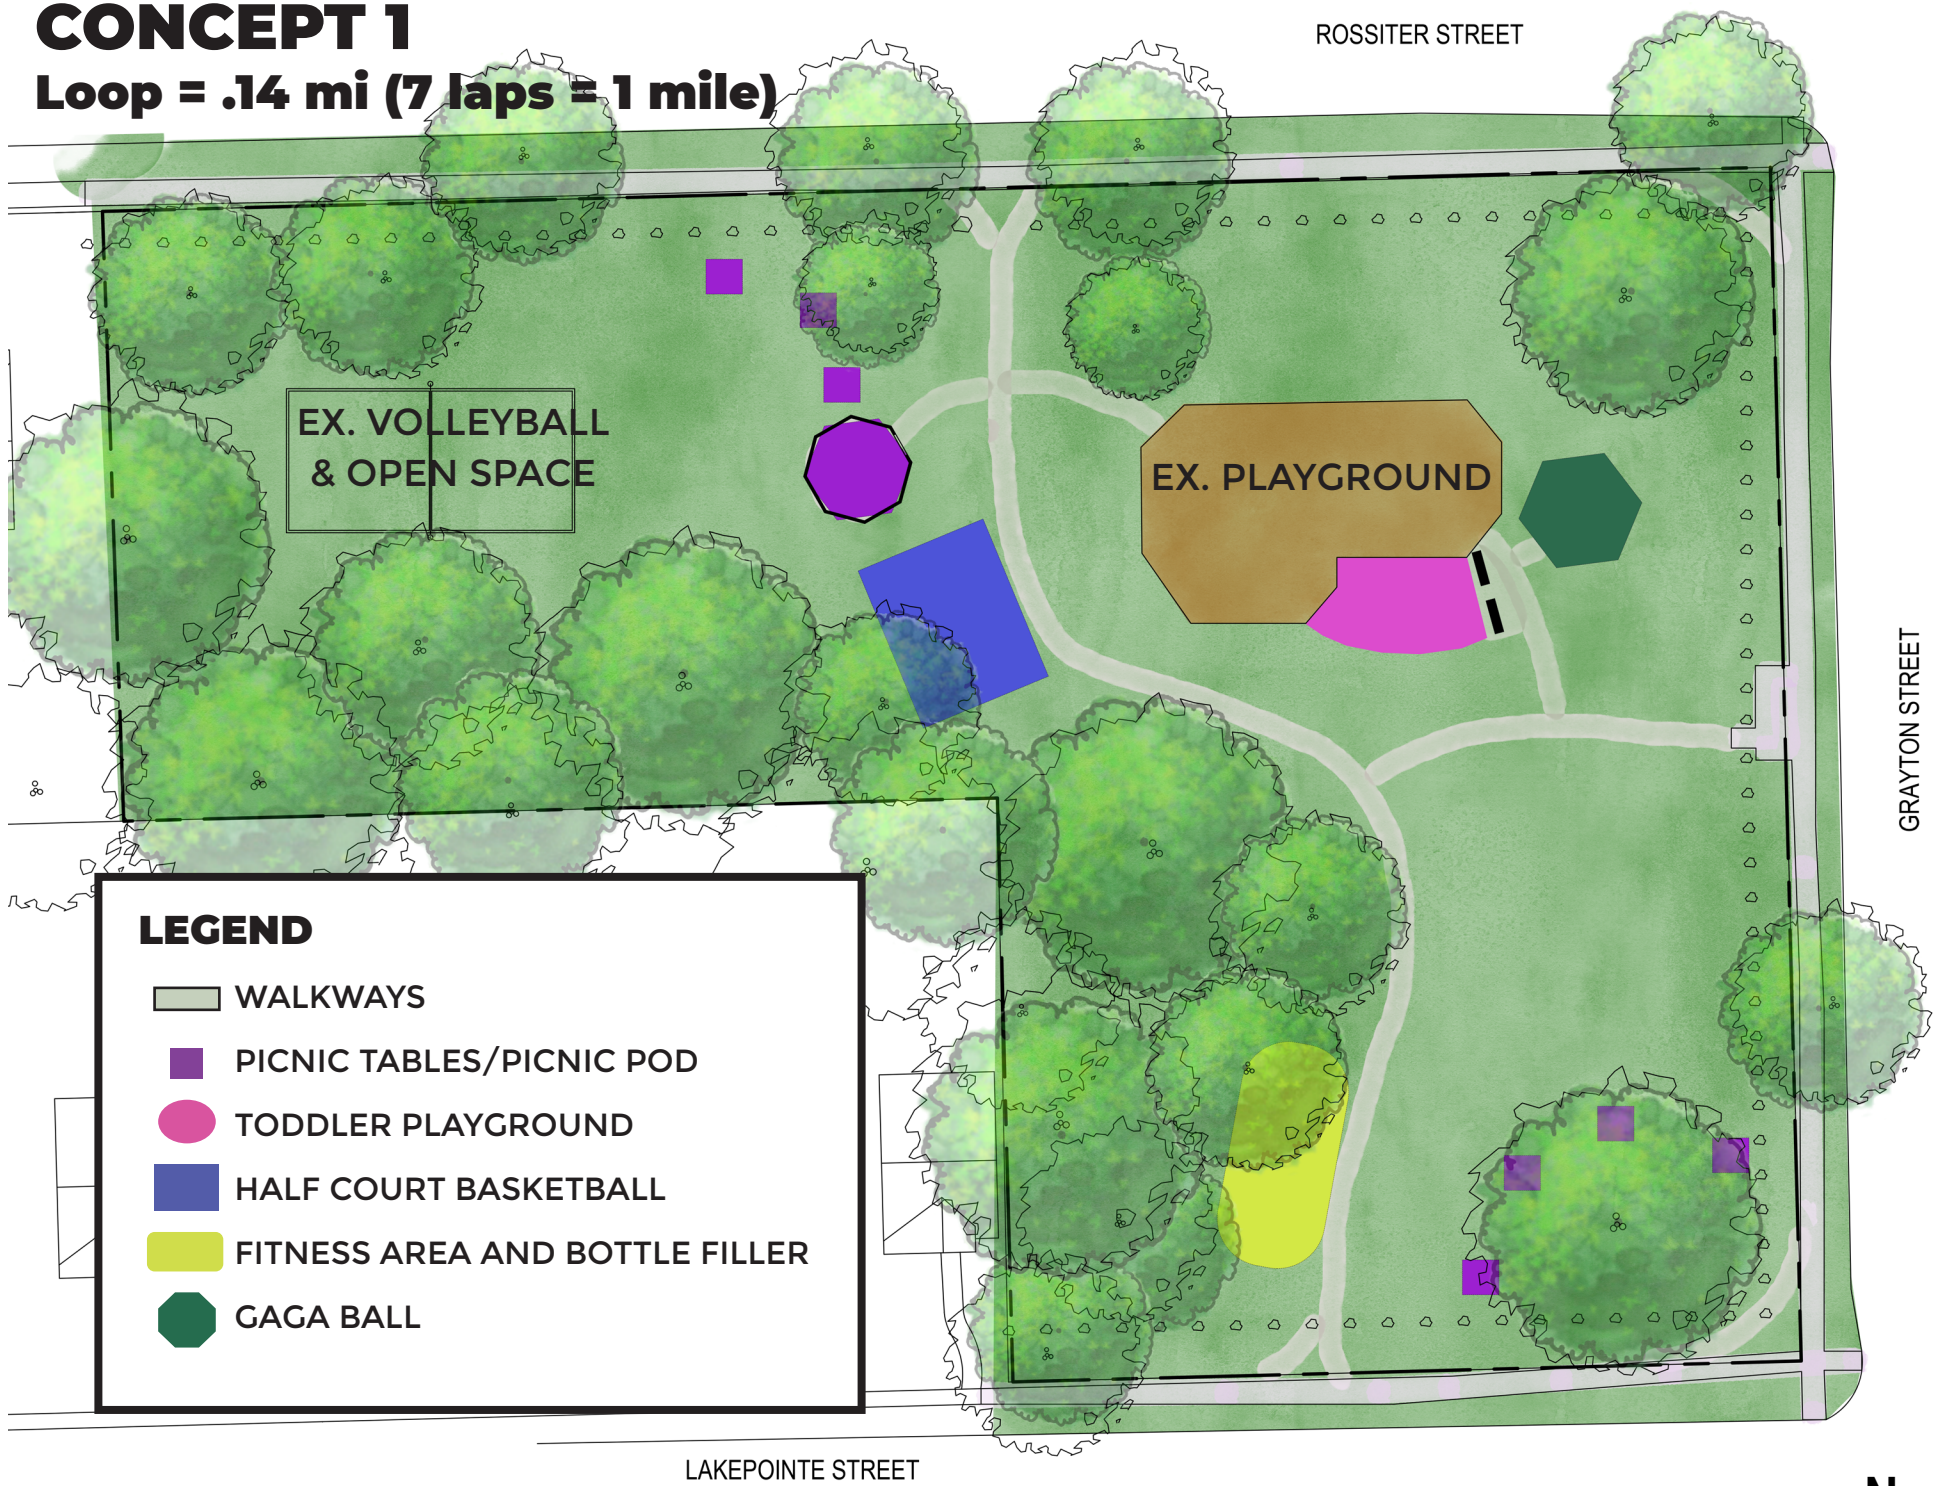

Picnic and Grill

CONCEPT 1

Loop = .14 mi (7 laps = 1 mile)

CONCEPT 2

Loop = .17 mi (6 laps = 1 mile)
