On or after November 15, 2024, the City of Detroit will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Community Development Block Grant funds under Title I of the Housing and Community Development Act of 1974 (Public Law 93-383), to undertake the following project:

**Tier 1 Broad Review Project/Program Title:** Lead Hazard Reduction 2024

**Purpose:** The purpose is to provide CDBG funding to support lead-based paint hazards and emergency repairs to properties to low-income residents in the City of Detroit.

**Location:** Throughout the City of Detroit

**Project/Program Description:** The City of Detroit utilizes CDBG funds to provide the match requirement for HUD's Office of Lead Hazard and Healthy Homes Lead Hazard Reduction programs. CDBG funding allows programs to address more lead-based paint hazards as well as emergency repairs such as roofs, porches, furnaces, water heaters, electrical, plumbing and other repairs. The properties assisted will primarily be located in 16 zip codes in the City, with the greatest priority being families that are at or below federal poverty level living in units built prior to 1978 that house children under the age of six and/or pregnant women. Tier 2 site specific reviews will be completed for those laws and authorities not addressed in the tier 1 broad review for each address under this program when addresses become known.

**Level of Environmental Review Citation:** 24 CFR Part 58.35(a)(3)

**Tier 2 Site Specific Review:** The site-specific reviews will cover the following laws and authorities not addressed in the Tier 1 broad review: Flood Insurance, Contamination and Toxic Substances, Floodplain Management, Historic Preservation, and Environmental Justice.

**Mitigation Measures/Conditions/Permits (if any):** Should individual aggregate projects exceed the threshold for categorical exclusion detailed at §58.35(a) in their Tier II review, an Environmental Assessment will be completed and a separate Finding of No Significant Impact and Request for Release of Funds published.

**Estimated Project Cost:** \$4,000,000 CDBG 2024

The activity/activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements per 24 CFR Part 58.35(a)(3).
