RE: **REVIEW OF CONTRACTS AND PURCHASING FILES**

On November 14, 2024, Council Member Mary Waters requested for the Legislative Policy Division to provide a list of the federal grants that the City of Detroit has applied for, covering the previous fiscal year, the current fiscal year, and for next fiscal year (including planned applications for grants that haven't yet opened up). Council Member Waters also requested for LPD to identify which grants have been awarded, have not been awarded, and are still awaiting a decision.
