Project Description	Con Pro Rank 202
Students receive math instruction in both foundational skills and advanced topics, such as algebra, fractals, and mathematical problem-solving. In addition to math, the camp integrates leadership development, career and college exploration, and social-emotional learning (SEL). All activities are held in university buildings, further exposing students to a college environment that normalizes the pursuit of higher education. An estimated 400 students will participate in Math Corps programs.	
UNI program supports out-of-school education for youth ages 5-14/after school and summer enrichment programs/ workforce development/ STEAM, and reading. The after-school portion of the program will also provide homework assistance and academic support to approximately 310 youth.	1
Train youth 14-24 for careers and develop "home-grown" heroes. Provide quality youth programming in environ-mental conservation, outdoor recreation, community service projects and on the job training. The Youth Connection will work with youth year round and have them create obtainable life and career plans by developing specific goals for each participant after being exposed to a diversity of career opportunities. The program will serve 42 persons monthly and 504 unduplicated person served annually.	
Transform K-8 students to reach their highest potential, focusing on the needs of the whole child through positive relationships with caring adults and peers, including addressing reading and math proficiency and social emotional learning. Will serve 300 students.	
Camp Restore program will provide vocational training, through landscaping and carpentry to at-risk Detroit youth. They will also have program to educate youth on financial literacy. The applicant plans will serve 30 youth monthly and 60 unduplicated youth annually.	
Strong Healthy Empowered (SHE) is a program designed to help young women build self-esteem and empower them to make healthy choices with a strong achievement. The goal is to equip participants with skills through, job training, academic achievement, life skills, and healthy behaviors. Will serve 75 students.	
The objective of Matrix's Career Services and Readiness Training program, in partnership with EDSI, Detroit at Work, and the City of Detroit, is to empower Detroit residents, particularly those from vulnerable communities, with the education, training, and opportunities needed to reach their full potential. The program focuses on providing comprehensive, person-centered planning that integrates educational support with workforce development, career coaching, financial guidance, and wrap-around services. Will Serve 500 people.	
CEO workforce development program aims to reduce recidivism and improve employment outcomes for people returning home from incarceration. CEO provides services that include Workforce readiness training, Job coaching and Development, and Post-placement retention services. Plans to serve 130 unduplicated participants in the Pathway to Employment program	
Check & Connect is a mentoring program that reintegrates students who have found themselves distant from the educational process and school culture, through its intensive, evidence-based approach. Utilizing evidence-based mentoring practices, mentors and mentees enter a mutual partnership that spans at least two years. Every week, these mentors, serve as academic guides. evaluate student engagement, intricately craft interventions founded on this assessment, and provide a variety of support mechanisms. The applicant will serve 25 students annually.	
n/a	
MathUp is an accelerated GED program for adult learners that addresses the significant challenges of passing the math portion of the GED exam. The MathUp program will enroll up to 60 learners .	
	He
Family Wellness Program is to improve the health of Detroit residents through improved health literacy, health behaviors, nutrition, and exercise. The program seeks to strengthen the relationship between participants and their primary care providers. FWP plans to serve 200 unduplicated Detroit residents.	
Will host 2-4 distributions each month, resulting in 36-72 additional distributions in 2026 that reach an expected total of 129,600-259,200 Detroit residents. Coupled with the 50,000-150,000 pounds of fresh meat and these drive-thru food distributions will have an even more meaningful impact in the lives Detroit residents struggling with food security.	
Provides prescription medication to individuals 18 years or older in the City of Detroit who have low to moderate incomes and do not have the financial resources or insurance to pay retail prices for their medicines. 1,525 clients will be served with an estimate of 5,100 prescriptions dispensed.
