Detroit City Council  
2 Woodward Avenue  
Detroit, Michigan 48226

To the Honorable Detroit City Council:

I am pleased to transmit my Proposed Fiscal Year 2025-2026 Budget and Four-Year Financial Plan for your review and approval. Prepared in accordance with the Home Rule City Act (Public Act 279 of 1909, as amended), the Uniform Budgeting and Accounting Act (Public Act 2 of 1968, as amended), and the City Charter, the Fiscal Year 2025-2026 Budget totals \$1.58 billion for General Fund operations and \$3.02 billion across all City funds.

This balanced budget keeps our promises to our retirees and builds on our work together to provide a Safe, Vibrant, and Sustainable City for Detroiters.

Sincerely,

Michael E. Duggan  
Mayor, City of Detroit

Detroit City Council  
2 Woodward Avenue  
Detroit, Michigan 48226

Honorable Detroit City Council:

The Proposed Fiscal Year 2025-2026 Budget and Fiscal Years 2026-2029 Four-Year Financial Plan is Detroit's 12th consecutive balanced budget since exiting bankruptcy in 2014, building on the Mayor and the City Council's continued collaboration to set a fiscally sustainable course for Detroit. The proposed budget totals \$1.576 billion for General Fund activities and \$3.02 billion across all City funds for the coming fiscal year beginning July 1, 2025. It also supports our highest priorities, providing a more vibrant, safe, and sustainable city for Detroiters.

Since exiting bankruptcy, the City has invested billions of dollars in service restorations, capital reinvestments, and blight removal. The Administration's strategies continue to grow the economy and tax base, delivering good-paying jobs, economic opportunity, and quality of life improvements for Detroiters. We have built up financial reserves, including \$455 million deposited into the Retiree Protection Fund and \$150 million into the Rainy Day Fund, ensuring that neither our retirees nor our budget will be at risk. In FY 2024, the City resumed making ongoing and fiscally sustainable annual pension contributions.

Revenues have recovered from the pandemic and grown. With the pandemic behind us, we have returned to a normal budget process with steady and stable growth and prudent spending decisions like other flourishing cities in America. The FY 2026 proposed budget is balanced, despite pressure to keep up with current services and competitive wages.

Through this budget, the City keeps its promises to retirees by including \$10 million for proposed one-time supplemental retirement checks.

This budget proposes \$8.4 million to provide services to our unhoused residents and take action on the Mayor's seven-point plan to address gaps.

The budget also proposes \$209 million for the Detroit Department of Transportation (DDOT), which is outside of the General Fund, and represents a \$19.9 million increase. The increase includes 690 bus drivers, 63 more than the previous budget, as well as additional funding for paratransit operations. DDOT is supported by a combination of City tax support, state and federal funds, and fare revenue.

Overall, the General Fund budget grows by \$102 million over last year's budget, including a \$93 million increase in recurring expenditures and an \$8.7 million increase in one-time expenditures. The recurring budget growth represents both a continuation of current services and past promises kept. Some examples include:

- \$19.9 million contribution increase to DDOT operations
- \$15.3 million increase for GSD, including the following:
  - \$8.1 million for GSD fleet operations cost increases and service enhancements

- \$3.5 million for GSD Recreation staffing and programming
- \$2.8 million for GSD grounds maintenance operations enhancements
- \$0.9 million for GSD Animal Control increase
- \$14.1 million for Police public safety current services support
- \$3.1 million for Elections
- \$2.5 million for workforce investments to support competitive wages in targeted City jobs
- \$2.0 million for Grow Detroit's Young Talent
- \$1.2 million for Ride to Care

This proposed budget also includes \$69 million in one-time investments, across all funds, supported by prior year surplus and one-time revenues. Examples include:

- \$30.0 million for Risk Management Fund
- \$25.0 million for securing and demolishing blighted properties
- \$14.0 million for freeway cleanup, alleys, and commercial corridors
- \$4.4 million for Community Violence Intervention Expansion
- \$3.0 million for Fire/EMS overtime to support new recruit transition
- \$2.5 million for Motor City Match
- \$1.0 million for Affordable Housing Fund

Mayor Duggan has worked hand in hand with the City Council over the course of his tenure to get the City where we are today. With our shared commitment to Detroit and its long-term fiscal stability, we look forward to reviewing the Mayor's Proposed Budget and Four-Year Financial Plan with you.

Sincerely,

Jay B. Rising

# OVERVIEW

## Geography & Economic Drivers

The City of Detroit is located in southeastern Michigan, in Wayne County, with a land area of approximately 139 square miles. The City is the center of the nation's 14th largest metropolitan statistical area and is the 27th largest city with a reported population of 639,111 as of 2020, according to the U.S. Census Bureau. Detroit is the commercial capital of Michigan and a major economic and industrial center of the nation. Although Detroit is known internationally for automobile manufacturing and trade, the City also has major companies in the financial and technology sectors, educational and health care institutions, and entertainment venues with four major sports teams and three casinos located within the City limits. The southeastern border of the City lies on the Detroit River, an international waterway, which is linked by the St. Lawrence Seaway to seaports around the world. It is the busiest border crossing in North America, carrying a substantial share of international trade between the United States and Canada. There are seven major employment districts, and four Fortune 500 companies have world headquarters within the City.

## Governmental Structure

Detroit is a home rule city with significant independent powers, pursuant to the provisions of the Constitution of the State of Michigan (the "State"). In accordance with the City Charter (the "Charter"), the governance of the City is organized in two branches: the Executive Branch, which is headed by the Mayor, and the Legislative Branch, which is composed of the City Council and its agencies. The Mayor and the members of the City Council are elected every four years unless a special election is required, as provided for in the Charter.

The Mayor is the chief executive of the City and has control of and is accountable for the Executive Branch of City government. The Charter grants the Mayor broad managerial powers, including the authority to appoint all department directors and deputy directors. The Charter also delegates the responsibility for the implementation of most programs, services, and activities solely to the Executive Branch. The City Council, composed of seven members elected by district and two members elected at large for four-year terms, is the City's legislative body.

In addition to the Executive and Legislative Branches, the City also includes the 36th District Court, which is responsible for adjudicating certain legal matters that arise within the City,

including state felony arraignments and preliminary examinations, state misdemeanor and City ordinance violations, civil litigation for claims of \$25,000 or less, and landlord/tenant disputes. The City is responsible for all funding of the 36th District Court in excess of fines collected by the Court, except for judicial salaries, which are funded by the State.

## **Financial Governance**

Michigan Public Act 181 of 2014 established the Financial Review Commission (the “FRC”) to monitor the City’s compliance with the Plan of Adjustment, as confirmed by the Bankruptcy Court on November 12, 2014, and to provide State oversight of the City’s financial activities. The FRC’s oversight of the City lasts no less than 13 years. However, once the City meets certain criteria, the nature of the oversight is scaled back. On April 30, 2018, the FRC granted the City its first waiver of active oversight. The FRC continues to monitor the City and reviews the waiver annually and, by July 1 of each year, makes a determination as to whether to renew the waiver for the subsequent year.

In 2014, the Home Rule City Act (Michigan Public Act 219 of 1909) was amended and established the Chief Financial Officer (the “CFO”) position in the City. The CFO is vested with authority over all financial and budget activities of the City. As a result, all finance, budget, procurement, property assessment, and grants management functions were restructured under a new centralized financial management organization called the Office of the Chief Financial Officer (the “OCFO”). All departmental financial functions are under the authority of the OCFO, which increases control over all City financial activities.

## **Budget Process**

The City’s budget process is informed by a comprehensive planning process that includes departmental, procurement, grant, staffing, technology, capital, and long-term financial planning. The City adopts a budget annually for the next fiscal year, in accordance with the Uniform Budgeting and Accounting Act (Michigan Public Act 2 of 1968). Pursuant to Section 4t of the Home Rule City Act, the budget process also includes independent biannual revenue estimating conferences that establish the revenue estimates for the budget and an annually balanced four-year financial plan that includes the City’s adopted budget plus an additional three forecasted years. The total of expenditures cannot exceed the total of estimated revenue, so that the budget as adopted is a balanced budget. Through its four-year financial plan, the City ensures ongoing expenditures are supported by ongoing revenue.

On or before March 7, the Mayor submits to the City Council a proposed budget and four-year financial plan for the fiscal year beginning July 1. After holding public hearings and completing its deliberations, the City Council approves the budget and four-year financial plan, with or without amendment. Such amendments are approved through one of three budget resolutions:

- Administration’s Changes and Corrections of Errors to the Mayor’s Proposed Budget (“Errata Letter”)
- City Council’s Amendments to the Mayor’s Proposed Community Development Block Grant (CDBG) Budget (“Schedule A”)
- City Council’s Amendments to the Mayor’s Proposed Budget (“Schedule B”)

Thus, the budget passed by City Council is the sum of the Mayor’s Proposed Budget and any amendments approved from the resolutions above. In addition, the City Council approves two closing resolutions:

- Administration’s Closing Resolution, which contains various provisions governing the execution of the annual budget
- City Council’s Closing Resolution, which contains various budget policy and planning priorities expressed by the City Council

As part of the budget approval process, the Administration also proposes and the City Council approves the Official Compensation Schedule and the Tax Statement for the following fiscal year, both consistent with the assumptions included in the budget. The Official Compensation Schedule sets the rates of pay for the various job classifications for City employees. The Tax Statement sets the property tax rates (“millages”) the City will levy for both operating and debt service purposes.

Following City Council’s approval of the budget, the mayor may then approve it, veto it in its entirety, or veto specific line-items (“line-item veto”). In the event of a veto action by the mayor, the City Council may then override the veto with a two-thirds majority vote.

The City’s budget and four-year financial plan cannot exceed revenue certified by the independent Revenue Estimating Conference. The CFO must certify the budget is balanced and complies with the Uniform Budgeting and Accounting Act. The City must transmit this certification and the adopted budget and four-year financial plan to the FRC. However, the budget is not subject to FRC approval while the City is under a waiver of active oversight.

The mayor may propose budget amendments during the fiscal year, which are subject to the City Council's approval. If the mayor advises the City Council during the fiscal year that there are available appropriations and revenue in excess of those estimated in the budget, the City Council may make supplemental appropriations for the year up to the amount of the excess. In the case of estimated revenue shortfalls, the City must maintain a balanced budget, and the mayor may request that the City Council decrease certain appropriations to do so. In any case, the mayor is under no obligation to spend an entire appropriation. Also, at any time during the fiscal year, the City Council, upon written request by the mayor, may transfer all or part of any unencumbered appropriation balance among programs, services, or activities within an agency or from one agency to another.

### **Accounting Basis**

The City follows accounting principles generally accepted in the United States of America (GAAP), as applicable to governmental units. Accounting and financial reporting pronouncements are promulgated by the Governmental Accounting Standards Board (GASB). The basic financial statements include both government-wide and fund financial statements.

The City's government-wide, proprietary fund, and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenue is recorded when earned, and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flow takes place.

The City's governmental funds, including the General Fund, are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized as soon as it is both measurable and available. Revenue is considered to be available when it is collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenue to be available if it is collected within 60 days of the end of the current fiscal year, except for grants and trade receivables, for which the period of availability is 90 days. Expenditures generally are recorded when the liability is incurred, as under accrual accounting. However, principal and interest on general long-term debt, claims and judgments, compensated absences, and other long-term obligations are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. The face value of governmental long-term debt and acquisitions under capital leases are reported as other financing sources. Significant revenue sources that are susceptible to accrual include

property taxes, income taxes, utility taxes, state-shared revenue, state gas and weight tax revenue, interest, and certain grants associated with the current fiscal period. All other revenue sources are considered to be measurable and available only when cash is received.

### **Budget Basis**

The General Fund presented in the budget is only the City's Fund 1000 general purpose operating fund. The financial statements present the General Fund with other special purpose general funds included in it. In the budget, those special purpose funds are presented as other funds (e.g., Fund 1003 - Blight Remediation Fund). The City's budget is also prepared in accordance with GAAP, except that:

- Other financing sources and uses, such as inter-fund transfers, are included as revenue and expenditures, respectively
- Budgeted uses of fund balance are included as revenue (generally labelled "prior year activity" revenue)
- Contributions to reserves are reflected as expenditures (budget basis) rather than as a reservation of fund balance (accounting basis)
- Certain inter-agency billings are reflected as revenues and expenditures in the budget, while the financial statements net such activities out

Budgetary appropriations are made at the function or program level, the legal level of budgetary control. Unexpended appropriations lapse at the close of the fiscal year unless authorized by the budget closing resolution to be carried forward to the subsequent budget year and approved by the Chief Financial Officer. Such carry forward balances are then reserved as fund balance assigned for continuing appropriations at fiscal year-end.

### **Significant Budgetary Items and Trends**

In accordance with the requirements of the Home Rule City Act, this Four-Year Financial Plan includes the proposed annual budget for the fiscal year beginning July 1, 2025 and ending June 30, 2026 (FY 2026) plus three forecasted years (FY 2027, FY 2028, and FY 2029).

In FY 2024, the City resumed making actuarially determined annual required contributions for its legacy pension obligations ten years after bankruptcy per the Plan of Adjustment. The Proposed FY 2026 Budget includes \$172.6 million for this purpose, consistent with the actuarial shift to level principal amortization, with \$72.4 million supported by the Retiree

Protection Fund (RPF), a trust fund established and funded by the City to ensure budget stability as annual legacy pension payments resume.

The Proposed FY 2026 General Fund Recurring Budget totals \$1.5 billion and includes increasing revenues, driven by growth in income taxes and other major tax revenues, balanced against rising labor and contractual costs across key City departments and core functions.

In addition, the Proposed FY 2026 budget includes \$68.8 million of one-time expenditures supported by available prior year fund balance and FY 2026 one-time revenue sources. These expenditures include blight remediation, beautification, payments to retirees in the legacy General Retirement System and Police and Fire Retirement System, a contribution to the Risk Management Fund, and other one-time activities.

Across all City funds, the Proposed FY 2026 budget totals \$3.0 billion and supports 11,363 FTE, an increase of 216 FTE.

# BUDGET PRIORITIES & ISSUES

## A Safe, Vibrant, and Sustainable City for Detroiters

Mayor Duggan's Proposed Fiscal Year 2025-2026 Budget and Fiscal Years 2026-2029 Four-Year Financial Plan is Detroit's 12<sup>th</sup> consecutive balanced budget since exiting bankruptcy in 2014. The proposed budget totals \$1.576 billion for General Fund activities and \$3.019 billion across all City funds for the coming fiscal year beginning July 1, 2025. It builds on the Mayor and the City Council's continued collaboration to set a fiscally sustainable course for Detroit. It supports our highest priorities providing a more **Safe, Vibrant, and Sustainable City for Detroiters**.

Since the bankruptcy, the City has implemented billions of dollars in service restorations, capital reinvestments, and blight removal. The Administration's strategies continue to grow the economy and tax base, delivering good-paying jobs, economic opportunity, and quality of life improvements for Detroiters. We have built up financial reserves, including \$455 million deposited into the Retiree Protection Fund and \$150 million into the Rainy Day Fund, ensuring that neither our retirees nor our budget will be at risk. Our revenues have recovered from the pandemic and grown. We resumed making annual pension contributions in fiscal year 2024 with no crisis nor backsliding. With the revenue rebound from the pandemic behind us, we have returned to a normal budget process with steady and stable growth and prudent spending decisions to make, like any other successful city in America.

This budget is balanced, despite pressure to keep up with current services and competitive wages. The General Fund budget grew by \$102 million over last year's budget, including a \$93 million increase in recurring expenditures. The recurring budget represents a continuation of current services and past promises kept. Some examples include:

- \$16.7 million contribution increase to DDOT operations
- \$15.3 million increase for GSD, including the following:
  - \$8.1 million for GSD fleet operations cost increases and service enhancements
  - \$3.5 million for GSD Recreation staffing and programming
  - \$2.8 million for GSD grounds maintenance operations enhancements
  - \$0.9 million for GSD Animal Control increase
- \$14.1 million for Police public safety current services support
- \$13.7 million contribution increase to Solid Waste Fund
- \$3.5 million for Construction and Demolition DDOT facilities maintenance
- \$3.1 million for Elections
- \$2.5 million for workforce investments to support competitive wages in targeted City jobs
- \$2.0 million for Grow Detroit's Young Talent
- \$1.2 million for Ride to Care

The proposed budget also includes \$69 million in one-time investments supported by prior-year surplus and one-time revenues. Examples include:

- \$30.0 million for Risk Management Fund
- \$25.0 million for securing and demolishing blighted properties
- \$14.0 million for freeway cleanup, alleys, and commercial corridors
- \$4.4 million for Community Violence Intervention Expansion
- \$3.0 million for Fire/EMS overtime to support new recruit transition
- \$2.5 million for Motor City Match
- \$1.0 million for Affordable Housing Fund

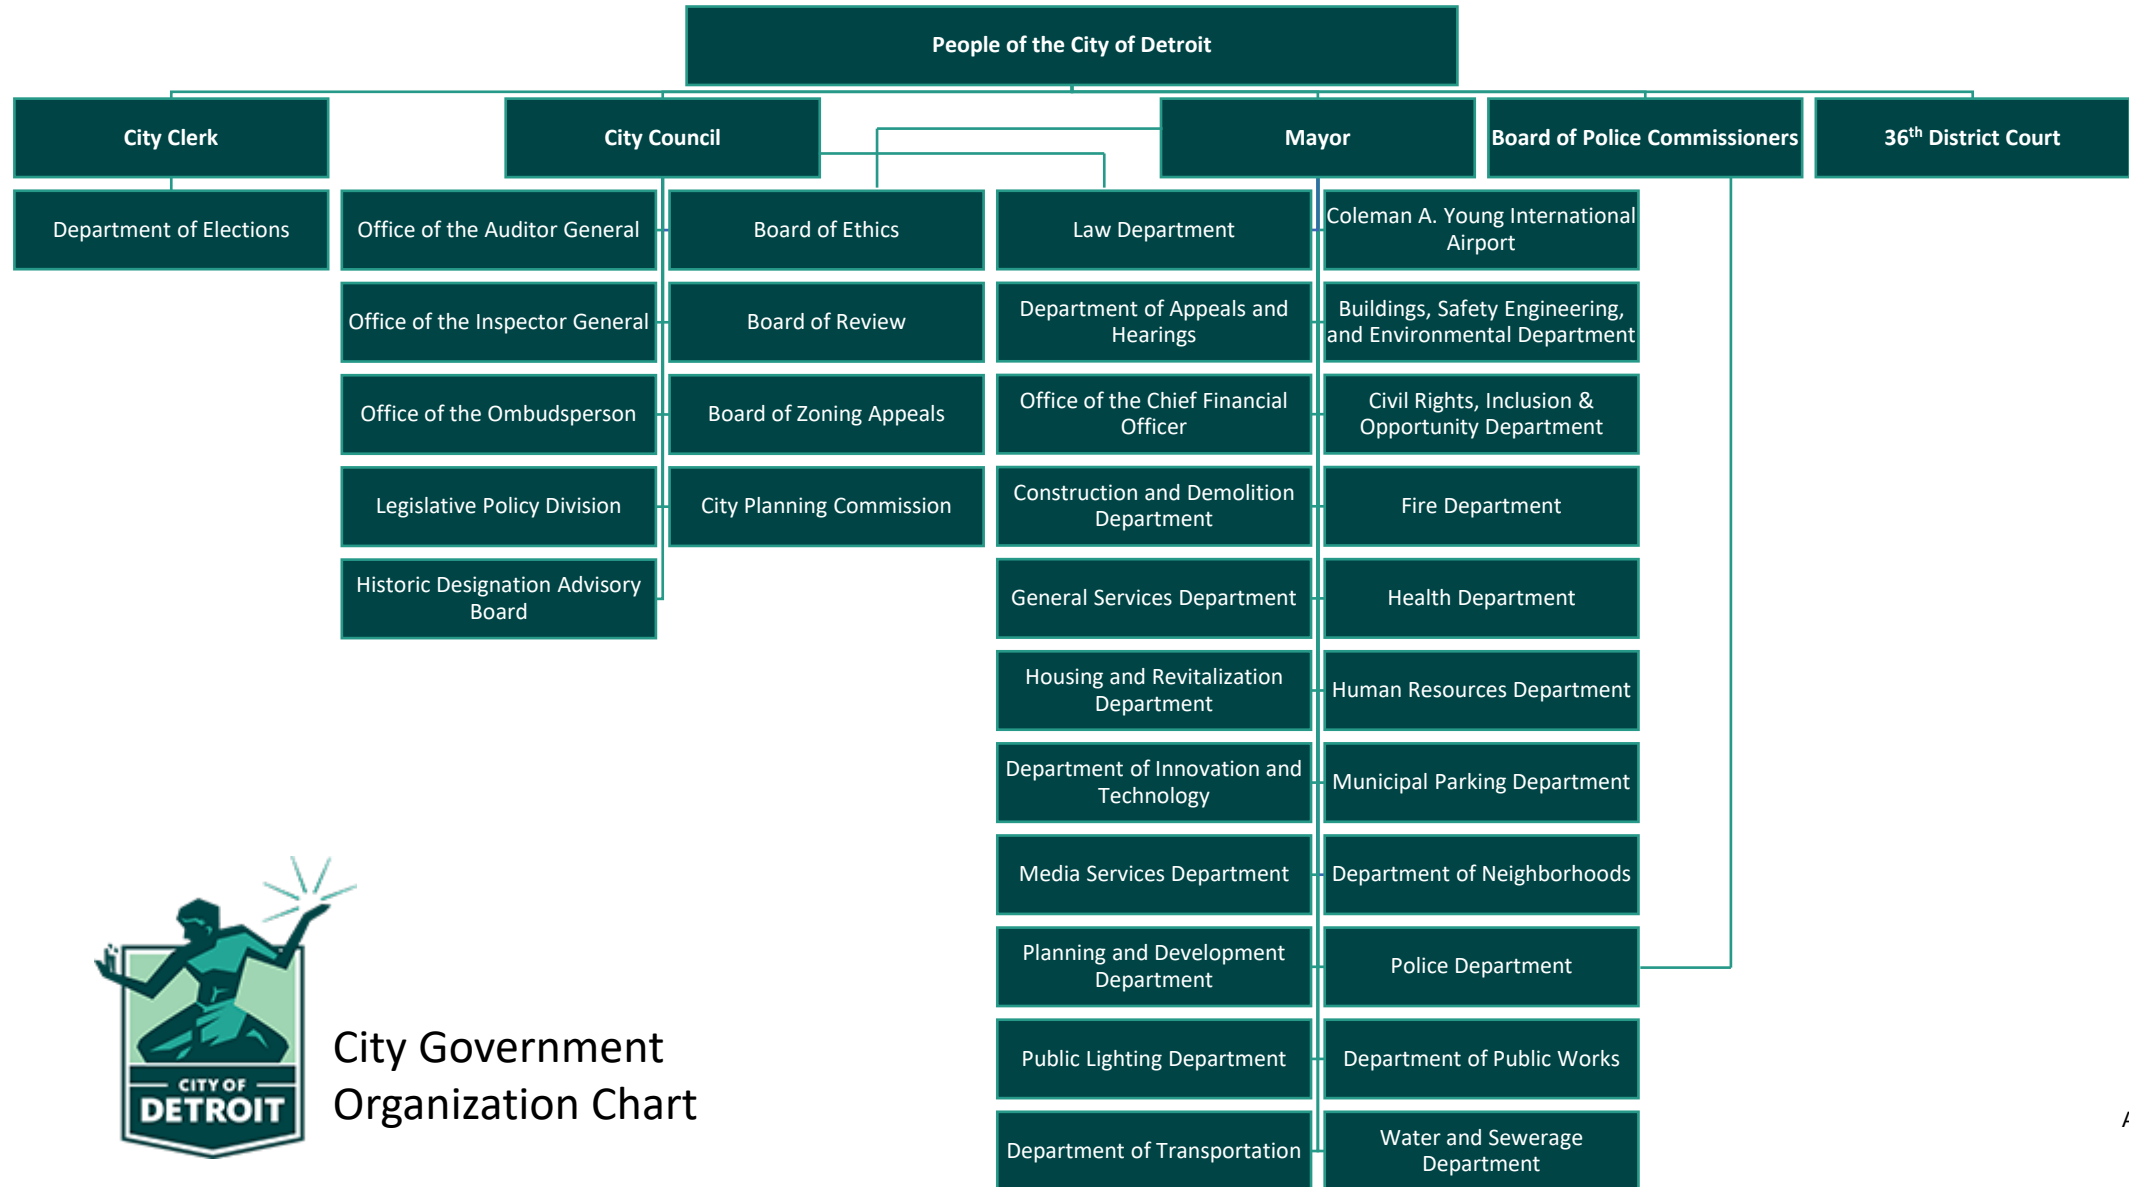

The budget also proposes \$209.2 million for the Detroit Department of Transportation (DDOT), which is outside of the General Fund, and represents a \$19.9 million annual increase. The increase includes 690 bus drivers, an increase of 63 over the previous year's budget. DDOT is supported by a combination of City tax support, state and federal funds, and fare revenue.

# FUND DESCRIPTIONS AND STRUCTURE

## Overview of Budgetary Fund Structure

The Budgetary Fund Structure is broken out as follows:

### [Major Fund Type] Governmental and Proprietary Funds

- **[Fund Group]** High level rollup of the fund groupings within the major fund type. Includes General Fund, Special Revenue Fund, Capital Projects Fund, General Debt Service Fund, and Enterprise Fund.
  - **[Fund Classification]** Specific categorization of funds within each respective Fund Group
    - **[Individual Fund]** The respective fund(s) within the classification. All individual funds are comprised of a four-digit fund number.

### Budgetary Fund Structure - Funds Subject to Appropriation

Governmental Fund Type				Proprietary Fund Type
General Fund Group	Special Revenue Fund Group	Capital Projects Fund Group	General Debt Service Fund Group	Enterprise Fund Group
General Fund Class	Community Development Block Grant Fund Class Construction Code Fund Class Drug Law Enforcement Fund Class Workforce and Community Development Fund Class General Grants Fund Class Library Fund Class Major and Local Streets Fund Class ODG Grants Fund Class Other Special Revenue Fund Class Solid Waste Management Class	General Capital Projects Fund Class Urban Renewal Fund Class	General Debt Service Fund Class	Airport Fund Class DWSD - Retail - Sewer Fund Class DWSD - Retail - Water Fund Class Transportation Fund Class

**Note:** The Annual Comprehensive Financial Report (ACFR) includes additional funds not included in this list (fiduciary, GASB), but the list includes all funds subject to appropriation reflected in FY24 Actuals, FY25 Adopted Budget, and the FY26 Mayor Proposed Budget.

## Descriptions of Major Fund Types and Groups

**Governmental Fund Type:** Most of the City's basic services are reported in the governmental funds, which focus on how money flows into and out of those funds and the balances left at year end that are available for future spending. These funds are reported using modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. Governmental funds include the following:

- **General Fund Group:** The General Fund is the primary operating fund because it accounts for all financial resources used to provide government services other than those specifically assigned to another fund. Accounts for several of the City's primary services (police, fire, parking, public works, community, and youth services, etc.) and is the primary operating unit of the City.
- **Special Revenue Fund Group:** Special revenue funds are established to account for the proceeds of specific revenue sources (other than certain major capital facilities) that are restricted by law and administrative action to expenditures for specified purposes.
- **Capital Projects Fund Group:** Accounts for bond proceeds or other revenue and the disbursement of invoices specifically designated for acquiring new buildings, equipment, and technology upgrades; demolition and rehabilitation of vacant houses; and remodeling and repairs. The fund operates until the purpose for which it was created is accomplished.
- **General Debt Service Fund Group:** Established to account for the accumulation of resources for the payment of principal and interest of certain general obligations.

**Proprietary Fund Type:** When the City charges customers for services it provides, whether to outside customers or to other agencies within the City, these services are generally reported in proprietary funds. Proprietary funds utilize accrual accounting, the same method used by private sector businesses. Enterprise funds report activities that provide supplies and services to the general public (e.g., Transportation Fund). Proprietary funds include the following:

- **Enterprise Fund Group:** Enterprise funds provide goods or services to users in exchange for charges or fees (such as water, sewer, transportation).

## Descriptions of Fund Classifications

### Governmental Fund Type:

- **General Fund Group:**

- **General Fund Class:** Accounts for all financial resources used to provide government services other than those specifically assigned to another fund. Accounts for several of the City's primary services (police, fire, parking, public works, community, and youth services, etc.) and is the primary operating unit of the City. Includes the following fund(s):
  - 1000 - General Fund
  - 1001 - Risk Management Fund
  - 1003 - Blight Remediation Fund
  - 1011 - PLD Decommissioning Reserve Fund
  - 3100 - Quality of Life Fund (Exit Financing Bonds)
  - 4533 - City of Detroit Capital Projects (pay-as-you-go)

- **Special Revenue Fund Group:**

- **Community Development Block Grant Fund Class:** Accounts for activities financed by federal governmental grants under Title I of the Housing and Community Development Act of 1974. Includes the following fund(s):
  - 2001 - Block Grant
  - 2002 - UDAG and Discretionary Grants
  - 2004 - Neighborhood Stabilization Program
  - 2007 - Choice Neighborhoods Implementation Grant
  - 2121 – CDBG - DR
- **Construction Code Fund Class:** In accordance with State of Michigan Public Act No. 245 of 1999, this fund accounts for financing activities related to the acts and services performed by the Buildings, Safety Engineering, and Environmental Department, including, without limitation, issuance of building permits, examination of plans and specifications, inspection of construction undertaken pursuant to a building permit, the issuance of certificates of use, and occupancy and hearing appeals in accordance with this act. Includes the following fund(s):
  - 2490 - Construction Code Fund

- **Drug Law Enforcement Fund Class:** Accounts for forfeited narcotics proceeds that are used for the enhancement of narcotics enforcement. Includes the following fund(s):
  - 2601 - Drug Law Enforcement Fund
  
- **Workforce and Community Development Fund Class:** Accounts for all activity related to noncompliance fee collection and disbursement committed by the City Council for community service, including workforce and community development. Includes the following fund(s):
  - 3217 - Non-Compliance Fees
  
- **General Grants Fund Class:** This fund accounts for various activities financed by federal, state, local grants. Includes the following fund(s):
  - 3027 - JEBA – Financial
  - 3601 - General Grants
  - 3922 - COVID-19 Revenue Fund
  - 3923 - American Rescue Plan Act – ARPA
  
- **Library Fund Class:** The DPL is a statutory body created by the State, which is legally separate from the City. The DPL was created to provide reference materials, research information, and publications to residents of the City and Wayne County, Michigan (the "County"). # FOUR-YEAR FINANCIAL PLAN REQUIREMENTS

## The City balances its budget over four years to ensure fiscal stability

Each year, the City adopts a balanced annual budget and four-year financial plan for the upcoming fiscal year and the three that will follow. This ensures ongoing expenditures are supported by ongoing revenues and that future needs will be met. Long term planning is important for achieving the City's strategic outcomes, ensuring the fiscal sustainability of both new initiatives and core services. Per Section 4t of the Home Rule City Act, the four-year financial plan must include and meet the following:

1. Projection of all revenues and expenditures of the city for each fiscal year, including debt service.
2. Projection of cash flow for each fiscal year.
3. Schedule of projected capital commitments for each fiscal year.
4. Measures to assure that projected employment levels, collective bargaining agreements, and other employee costs are consistent with projected expenditures and available revenue.
5. Measures to assure compliance with mandates under state and federal law consistent with projected expenditures and available revenue.
6. Measures to assure adequate reserves for mandated and other essential programs and activities in the event of an overestimation of revenue, an underestimation of expenditures, or both.
7. Statement of significant assumptions and methods of estimation used for projections included in the financial plan.
8. Any other information the mayor, governing body, or chief financial officer of the city considers appropriate.
9. Projected revenues and expenditures for each fiscal year covered by the financial plan shall result in a balanced budget according to generally accepted accounting principles, including compliance with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a.
10. Include contributions necessary to assure that pension systems for employees and retirees of the city are adequately funded.
11. Provide for the issuance of or incurring of debt by the city only in compliance with the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, and the Michigan financial review commission act, if applicable.
12. Provide for the payment in full of debt service on all debt issued or incurred by or on behalf of the city.
13. Provide for operations of the city to be conducted with projected cash resources based upon projected cash flow for each fiscal year.
14. Include a general reserve fund for each fiscal year to cover potential reductions in projected revenues or increases in projected expenditures equal to not less than 5% of the projected expenditures for the fiscal year.
15. For each fiscal year, provide for the elimination of any deficit incurred in the prior fiscal year according to generally accepted accounting principles.
16. Rely upon revenue and expenditure projections based upon reasonable and appropriate assumptions and methods of estimation.
17. Rely upon cash flow projections based upon reasonable and appropriate assumptions as to sources and uses of cash, including timing.

# PLANNING, PRIORITIES & PERFORMANCE

In recent years, the City of Detroit has instituted methods of resource planning to better align the budget with strategic priorities and align resources with results. The City's budgets for the General Fund and many special revenue and enterprise funds are now organized around Strategic Outcomes, which represent the long-term vision of City leadership to deliver superior City services and improve the quality of life for Detroiters. The strategic outcomes were developed by City administration through a process of reflection on the key challenges facing the City and collaboration on the outcomes needed to address those challenges. These strategic outcomes are Citywide goals, under which departmental goals, services and metrics are organized. Every year, the City establishes key priorities and initiatives that fall under one or more of these strategic outcomes.

The Fiscal Year 2026 Budget continues to build on that framework by connecting the goals, current services, and associated metrics of City departments to these Strategic Outcomes. For some departments, the Budget now also directly associates dollars and personnel with City services. This work is ongoing, and we expect to continue to expand the number of departments participating and improve on our publishing of service-level budgets in future years as we move towards greater budget transparency, reflecting national standards and best practices.

## Strategic Outcomes

The FY 2026 budget classifies agency appropriations to a strategic outcome or one of its components. The strategic outcomes are:

- **Safer Neighborhoods** in which residents are and feel safe. This includes safe streets, fire safety, law enforcement, crime prevention, resiliency, and health emergency response.
- **Vibrant and Beautiful City** characterized by healthy and accessible assets. This includes housing stabilization, inclusive and walkable neighborhoods, a beautiful, sustainable physical environment, and access to cultural amenities.

- ***Economic Equity and Opportunity*** with programs to reduce barriers and fight intergenerational poverty so Detroiters benefit from a vital neighborhood business climate and robust city economy.
- ***Effective Governance*** occurs through City-community collaboration for equitable progress. This involves accountability of leadership, oversight, and outreach to all.
- ***Efficient and Innovative Operations*** largely comprises the City's government operations and internal-facing administration: finance, personnel, information technology, facilities, fleet, legal, and agency administration. It also includes funding for debt service and fiscal stability reserves.

### **Programs and Performance**

In each departmental section, the Budget displays a description of Operating Programs and Services, departmental Goals and Strategic Priorities corresponding to City Strategic Outcomes, and Metrics corresponding to departmental Goals. This framework allows the City to directly connect its action plans and strategies to strategic outcomes and show how these goals will be accomplished. In many departments, the Budget is also displayed by delivered Service. This level of program and performance reporting builds upon prior efforts to connect service delivery with City Strategic Outcomes, and lays the foundation for further use of this information with budgetary analysis and decision making. As the City builds out this framework, our focus on programs and performance will continue to develop and become a more visible part of the annual budget process.

# PUBLIC ENGAGEMENT

The City has three main streams of public engagement efforts around the budget: public meetings, informational campaigns, and ongoing citizen input. These efforts are strategically timed around the budget development process.

## FY26 Budget Development Process

 = opportunities for public input

## Public Meetings

In the Fall of each fiscal year, the Office of Budget hosts informational meetings on how the budget process works, called the Annual Public Budget Meetings. During these meetings, representatives from major City departments highlight key budget components relevant to their work, as mandated by the City Charter. The Annual Public Budget Meetings also include time for public comment. Subsequently, mostly throughout the month of October, the Office of Budget and the Department of Neighborhoods host District Budget Priorities Forums in each district, providing a community-based platform for residents to ask questions and voice their budget concerns and priorities. Finally, hearings hosted by City

Council on each department's budget offer an opportunity for citizen input on the budget before it is adopted in April.

### **Informational Campaigns**

To provide additional information to residents, one-to-two-page flyers are intermittently generated by the Office of Budget and Media Services. These flyers serve to summarize information presented during public meetings, support learning in lesser-known areas of the budget, and concisely present high-level takeaways from all gathered citizen comments. These flyers are physically distributed to citizens through the Department of Neighborhoods, neighborhood public libraries, and to City Council, as well as being more widely dispersed through the City's GovDelivery email system. All flyers are also available on the Office of Budget website ([detroitmi.gov/budget](https://detroitmi.gov/budget)) and on OCFO social media pages.

### **Ongoing Citizen Input**

Citizens can learn more about the budget at any point during the year through the City's budget website ([detroitmi.gov/budget](https://detroitmi.gov/budget)). Additionally, citizens are always encouraged to email the Your Budget inbox ([yourbudget@detroitmi.gov](mailto:yourbudget@detroitmi.gov)) with any questions, priorities, or thoughts around the budget. This email is monitored weekly by Office of Budget staff.

# REVENUE AND ECONOMIC OVERVIEW

## Detroit Economic Forecast

- The **Detroit Economic Outlook for 2024-2029**, released in February, predicted that Detroit's economy will continue to grow at a steady pace, marked by wage gains for Detroiters.
- The outlook is prepared by the City of Detroit University Economic Analysis Partnership, which is a collaboration of economic researchers at the City, Wayne State University, Michigan State University, and the University of Michigan.
- The outlook forecast projects that by the end of 2025, resident employment will be 1.0 percent higher than at the end of 2024, although still below its peak in 2023.
- Moderate economic growth is expected to continue, with payroll employment rising 2.6 percent above its pre-pandemic level by the end of 2029, while resident employment finishes 3.1 percent higher. For the full report, go to: [detroitmi.gov/budget](https://detroitmi.gov/budget)

## Detroit February 2025 Revenue Estimating Conference - Overview

- The City holds independent biannual revenue estimating conferences, per Section 4t of the Home Rule City Act, in September and February to establish the revenue estimates for the City’s annual budget and four-year financial plan.
- The City’s revenue outlook is steady, with growth led by income taxes, which follow our continuing efforts driving economic opportunity and growth for Detroiters. The Revenue Conference has revised revenue estimates slightly upward for the current fiscal year, showing the City’s resilience, notwithstanding slower employment growth than projected in September 2024.
- FY 2025 General Fund recurring revenues are projected to be \$1.402 billion for the current fiscal year ending June 30, 2025, up \$20.3 million (1.4%) from the previous conference estimate in September 2024. The increase is primarily due to the higher income taxes and internet gaming activity. In addition, the City is projecting \$34.0 million in non-recurring revenues for FY 2025, primarily from investment earnings.
- General Fund recurring revenues for FY 2026, beginning July 1, 2025, are now forecasted at \$ 1.434 billion, an increase of \$21.4 million (1.5%) from the revenue estimating conference in September 2024. The projected increase is driven by income and wagering taxes, as the local economy sees continued growth. The out-year forecasts for FY2027 through FY2029 show continued overall recurring revenue growth of about 2% per year. Note that revenue estimates do not include budgeted inter-fund transfers. ### Recurring General Fund Revenue

### FY 2026 Revenue Summary, All Funds

## Detroit February 2025 Revenue Estimating Conference – Major Revenues

- Detroit levies a **City Income Tax** at current rates of 2.4% for residents, 1.2% for nonresidents, and 2.0% for corporations. Nonresidents taxes only apply to work performed within the City’s boundaries. The primary drivers behind income tax revenue are resident and nonresident employment levels, and wages. The base year employment estimates are tied to observed local area employment data, and employment growth rates for each employment category are projected independently. Wage growth is projected using observed regional and local wage data and is assumed to be uniform for each employment category.
- **Revenue Sharing** payments from the State come from two components: constitutional and statutory. The State Constitution requires constitutional revenue sharing payments to municipalities based on 15% of the 4% portion of Michigan’s sales tax collections. The State allocates amounts to municipalities based on population as of the last decennial Census. Statutory allocations have instead been determined annually in the State budget as a percentage change from the prior year allocation. Projections are set by the Michigan January Consensus Revenue Estimating Conference.
- In accordance with the Michigan Gaming Control and Revenue Act and associated development agreements, a **Wagering Tax** on adjusted gross receipts (AGR) is applied to the three casinos operating in Detroit. On-site sports betting at casinos began in March 2020. The State launched internet gaming and internet sports betting in late January 2021. Only internet gaming and sports betting conducted within Michigan’s borders is authorized. AGR growth is the primary forecast driver using data from the Michigan Gaming Control Board.
- The City levies real and personal **Property Taxes**. Collections consist of current year taxes, delinquent taxes, and related auction proceeds. The City currently levies 19.812 mills for general operating purposes. However, the millage rate and taxable values are subject to various abatements and exemptions. The primary driver for growth during the forecast period is a lagged inflation rate determined by the State Tax Commission (US Consumer Price Index for Urban Consumers lagged by one year) applied to the reported tax year base, which is defined as the cap for growth in taxable value under the State constitution (Proposal A).
- The City levies a 5% **Utility Users Tax** on consumption of electricity, gas, steam, and telephone services referred to as utility users tax. Annual changes in the revenue forecast are largely based on variations in temperature and the price and demand of utilities. Additional adjustments may be made to growth rates in line with energy price forecasts from the Winter Outlook published by the U.S. Energy Information Administration.

## Detroit February 2025 Revenue Estimating Conference – Other Revenues and Non-General Fund

- The **Other Revenues** category includes various non-major General Fund revenues that are mostly administered by individual departments related to their operations and services. The FY 2025 estimate grows by 10.6% over the FY 2024 actuals, driven by higher casino municipal service fees. The estimates also assume that revenue sources have stabilized since COVID-19 and continue an aggregate long term growth trend of 1.6% and 3.1% through FY 2029.
- **Non-General Fund** revenues include enterprise, grant and special revenue funds. Major examples include water and sewer bills, bus fares, solid waste fees, intergovernmental aid for roads and transit, and other restricted revenues. Note that the amounts above exclude General Fund contributions, interfund transfers, and the use of fund balance. Non-General Fund revenues represent the remaining 45% of total revenues.
  - The largest in this category is **Waste and Sewer Fees** billed to customers for services based on rates set by the Board of Water Commissioners. The **Major Street Fund** receives most of its revenue from gas and weight tax formula distributions from the State of Michigan. The **Debt Service Fund** represents the City's debt millage, which raises property tax revenue sufficient to pay debt service on voter-approved bonds. The **Solid Waste Management Fund** includes the annual \$260 solid waste fee seen on the summer 2025 property tax bill, which supports residential curbside garbage collection. The **Transportation enterprise fund** is for the Detroit Department of Transportation (DDOT). It includes bus fares, State formula aid for bus operations, and transit capital grants.

**CFO MEMORANDUM  
NO. 2025-103-001**

**TO:** Honorable Michael E. Duggan, Mayor; Honorable Detroit City Council  
**FROM:** Tanya Stoudemire, Chief Deputy CFO / Interim Budget Director, City of Detroit  
**SUBJECT:** Fiscal Year 2025-2026 Tax Statement  
**DATE:** February 28, 2025

---

**1. AUTHORITY**

- 1.1. State of Michigan Public Act 279 of 1909, Section 117.4s(2), as amended by Public Act 182 of 2014, states the chief financial officer shall supervise all financial and budget activities of the city and coordinate the city's activities relating to budgets, financial plans, financial management, financial reporting, financial analysis, and compliance with the budget and financial plan of the city.
- 1.2. CFO Directive No. 2018-101-016 Budget Development, Execution & Monitoring states that the Deputy CFO / Budget Director shall be responsible for the City's budget processes.
- 1.3. The 2012 Charter of the City of Detroit, Article 8, Chapter 2, provides requirements for annual budget adoption. Specifically, Section 8-209 states adoption of the budget shall constitute a levy of the property tax specified therein.
- 1.4. The 2012 Charter of the City of Detroit, Article 8, Chapter 4, provides requirements for property taxation. Specifically, Section 8-401 authorizes the City to levy property taxes up to the rate of 2% (20 mills) of taxable value of all real and personal property in the city for General City purposes, consistent with State of Michigan Public Act 279 of 1909, Section 117.3(g). Pursuant to State of Michigan Public Acts 34 of 2001 and 164 of 1877, the City's levies for Debt Service purposes are not subject to the 2% limitation.
- 1.5. The 2019 Detroit City Code, Chapter 17, Article II, provides procedures for annual budget adoption. Specifically, Section 17-2-10 states after the budget is approved, the budget director shall make an itemized statement of amounts to be raised by taxation (the "Tax Statement"). The City Council shall cause to be levied and collected by general tax the amount of the Tax Statement so approved.

**2. OBJECTIVE**

- 2.1. To set forth the total number of mills of ad valorem property taxes to be levied and the purposes for which that millage is to be levied, as authorized by the adopted budget for Fiscal Year 2025-2026.

**3. PURPOSE**

- 3.1. To submit the annual Tax Statement to the Mayor and the City Council for consideration and approval.

**4. SCOPE**

4.1. This Memorandum and the attached report are intended solely to fulfill the requirements for the annual Tax Statement.

**5. STATEMENT**

5.1. The Office of Budget is submitting the attached Tax Statement of the amounts to be raised by taxation in Fiscal Year 2025-2026 and requesting its approval.

5.2. The Tax Statement represents amounts included in the proposed budget for Fiscal Year 2025-2026.

5.3. The Tax Statement was developed in coordination with the Offices of the Assessor and the Treasury.

5.4. The Tax Statement is based on the forecast of anticipated revenues approved by the Revenue Estimating Conference principals on February 10, 2025, in accordance with State of Michigan Public Act 279 of 1909, Section 117.4t(1)(d), as amended by Public Act 182 of 2014.

# DEBT SERVICE OVERVIEW

## Unlimited Tax General Obligation (UTGO) Debt Service

- UTGO bonds are authorized by voters and repaid from the City's debt millage
- They support capital improvement projects and blight remediation efforts throughout Detroit

Source: OCFO – Office of the Treasury. The amounts above are rounded for display. Distributable State Aid (DSA) bonds have additional security from a pledge of the City's State Revenue Sharing payments.

## Limited Tax General Obligation (LTGO) Debt Service

- LTGO bonds are primarily repaid from the City’s General Fund revenues
- They supported settlements with creditors and reinvestment projects after the City’s bankruptcy

Source: OCFO – Office of the Treasury. The amounts above are rounded for display. Distributable State Aid (DSA) bonds have additional security from a pledge of the City’s State Revenue Sharing payments.

Note: In October 2024, the City refunded the 2014 Exit Financing LTGO Bonds. The new 2024 DSA Refunding Bonds leveraged a higher credit rating and lower interest rate environment to achieve \$4.475m in net present value savings on debt service.

## MTF Bonds and HUD Notes Debt Service

- Michigan Transportation Fund (MTF) Bonds support streetscape improvement projects and are repaid from gas and weight taxes distributed to Detroit under Public Act 51 of 1951
- Housing and Urban Development (HUD) Notes financed local development projects under the federal Section 108 Loan Guarantee Program and are secured by the City's annual Community Development Block Grant

Source: OCFO – Office of the Treasury. The amounts above are rounded for display.

## Debt Policy and Bond Credit Ratings

- The City follows its [Debt Issuance and Management Policy](#) to guide planning and decision-making related to debt
- In Spring 2024, both Moody's and S&P upgraded the City's credit rating to investment-grade status based on improving finances and economy
  - Higher credit ratings lower borrowing costs and serve as an indicator of the City's fiscal health
  - More information is available on the City's [Investor Relations website](#)

## Debt Limits & Coverage Requirements

- The City’s legal debt limit is calculated annually and reported in the Annual Comprehensive Financial Report. The Home Rule Act, Public Act 279 of 1909, as amended, provides, with limited exceptions, that net indebtedness may be as much as, but not to exceed, the greater of (a) 10% of the assessed value of all the real and personal property in the City, or (b) 15% of the assessed value of all the real and personal property in the City if that portion of the total amount of indebtedness incurred that exceeds 10% is, or has been, used solely for the construction or renovation of hospital facilities.
- The City of Detroit’s debt is well within the legal debt limit at 30% of the maximum allowed. See table below.

# RETIREE PROTECTION FUND OVERVIEW

## Retiree Protection Fund (RPF)

- In FY24, the City resumed annual pension contributions for its closed and frozen legacy pension plans per the bankruptcy Plan of Adjustment (POA)
- Going beyond the POA requirements over the past 10 years, the City deposited over \$455 million in the RPF, an irrevocable trust fund exclusively for future pension payments
- The RPF strategy has always been two-fold:
  - Build a pension funding resource to gradually draw down every year beginning in FY24
  - Gradually build room in the recurring City budget for annual pension contributions before FY24 began

## Retiree Protection Fund – Revised Long-Term Plan

General Fund Legacy Pension Contributions  
(\$ in millions)

\* Projections of annual legacy pension contributions based on FY24 Actuarial Valuations. DWSD and Library liabilities and contributions are separate.

- Under the RPF plan, the so-called FY24 “pension cliff” became a steady ramp in the budget (blue bars), while making the full annual required contributions through a combination of the General Fund (blue bars) and RPF assets (orange bars).
- The green bars represent continued funding through FY34 from the Foundation for Detroit’s Future and DIA per the POA.
- The City has continued a closed level principal amortization, which is why the total contribution continues to decrease
- The amounts above for FY26 through FY29 are reflected in the City’s Four-Year Financial Plan.

# BUDGET RESERVE (“RAINY DAY FUND”) OVERVIEW

## Increasing the General Fund Budget Reserve (“Rainy Day Fund”)

- The City maintains a Rainy Day Fund at no less than 5% of projected recurring expenditures each fiscal year, per Section 4t of the Home Rule City Act
- Pre-pandemic, the City pro-actively increased the Rainy Day Fund to \$107.3M, and ultimately no draw on the fund was needed to maintain a balanced budget throughout the pandemic.
- In FY23, the City added \$12 million to increase the total to \$150 million (10% of the recurring budget).

# FUND BALANCES

## Fund Balance Categories

A fund balance is the accumulated difference between actual revenues and expenditures over time in each governmental fund. The City utilizes generally accepted accounting principles (GAAP) and classifies its GAAP fund balances into the following categories:

- **Nonspendable:** Amounts that are not in spendable form or are legally or contractually required to be maintained intact.
- **Restricted:** Amounts that are legally restricted by outside parties, constitutional provisions, or enabling legislation for use of a specific purpose.
- **Committed:** Amounts that can be used only for specific purposes determined by a formal action of the government's highest level of decision-making authority. Commitments are made and can be rescinded only by formal action of the government's highest level of decision-making authority. The City Council is the highest level of decision-making authority for the government that can, by adoption of an ordinance prior to the end of the fiscal year, commit or uncommit fund balance.
- **Assigned:** Intent to spend resources on specific purposes expressed by the governing body. The City Council is authorized to assign fund balance by making or modifying appropriations through the adoption of a resolution prior to the end of the fiscal year.
- **Unassigned:** Amounts that do not fall into any other category above and typically described as "surplus." This is the residual classification for amounts in the General Fund and represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes in the General Fund. In other governmental funds, only negative unassigned amounts are reported, if any, and represent expenditures incurred for specific purposes exceeding the amounts previously restricted, committed, or assigned to those purposes.

## Actual and Projected Fund Balances for Governmental Funds

The following tables and discussion report actual and projected fund balances for governmental funds based on the estimated activities in the Fiscal Year 2025-2026 Proposed Budget and Four-Year Financial Plan, plus prior year appropriations that carry forward but are not restated in the annual budget. These schedules reflect the financial statements presentation, rather than the budget presentation. Only governmental funds, which are reported using the modified accrual basis of accounting are included. Enterprise Funds, which are reported using the accrual basis of accounting, are excluded. Thus, the revenue and expenditure totals below will differ from General Fund and other totals reported elsewhere in the budget.

### General Fund

The General Fund presented in the annual budget is only the City's Fund 1000 general purpose operating fund. The financial statements, and thus the table below, present the General Fund with other budgeted special purpose general funds included in it (e.g., Fund 1003 - Blight Remediation Fund).

The City ended FY 2024 with a \$1.114 billion General Fund Balance. In FY 2024, the fund balance began to decrease because the City resumed making legacy pension contributions ten years after bankruptcy per the Plan of Adjustment. By design, the City began drawing down from the Retiree Protection Fund (RPF), a trust fund established and funded by the City to ensure budget stability as annual legacy pension payments resume (part of Restricted fund balance). Assigned fund balances in FY 2025 assume approval of proposed supplemental appropriations for FY 2025 and in the Mayor's Proposed FY 2026 Budget. The total projected fund balance decreases over time as the City spends down the RPF and Assigned Fund Balances appropriated for capital projects, blight remediation, and other one-time expenditures. These projections are conservative, assuming the entire balanced annual operating budget will be spent within each year, which is why unassigned fund balance is projected at zero. The \$150 million Rainy Day Fund budget reserve remains level throughout the forecast.

### Capital Projects Fund

The Capital Projects Fund represents the City's various Unlimited Tax General Obligation (UTGO) bond funds. The City ended FY 2024 with \$126 million in these funds. The City issued \$100 million in previously authorized UTGO bonds in FY 2024 for neighborhood improvements and capital projects. The annual budget does not reflect future UTGO bond issuances, so authorized but unissued debt is not shown below. The table below represents the estimated spend down of previously issued bond proceeds only, which is why the projected fund balance steadily decreases to zero. In addition to bond proceeds, the City supports its capital program with General Fund surplus and various grant and special revenue funds.

### Nonmajor Governmental Funds (aggregate)

The Nonmajor Governmental Funds represent the City’s various grant and special revenue funds, as well as the Debt Service Fund supported by the property tax debt millage. These funds are restricted for specific operating and capital purposes based on their revenue sources. The City ended FY 2024 with \$218 million in combined fund balances in this category, the largest of which was the Street Fund at \$62 million. The projected fund balance decreases as the City spends down prior year balances, primarily designated for capital projects like road improvements. These projections are conservative, assuming the entire balanced annual budget for these funds in future years will be spent within each year. This does not include the special revenue fund for American Rescue Plan Act (ARPA) grant funds.

# CASH FLOW FORECAST

## Common Cash Pool Five-Year Forecast, FY 2025-2029

- Cash balances remain strong due to the City’s reserve balances and a short-term boost from the City’s allocation of American Rescue Plan Act fiscal recovery funds, the latter of which will be spent down in the near term.
- The City began spending down the Retiree Protection Fund in FY24. The Budget Reserve (“Rainy Day Fund”) remains steady at \$150 million. The City continues to spend down balances allocated for capital improvements.

**Note:** The Common Cash Pool is a group of accounts that transact, hold and invest the majority of City’s cash assets. The pooling of cash allows the City to maximize investment earnings on available cash. Each contributing fund balance is treated as equity in the pool

# CAPITAL BUDGET OVERVIEW

## FY 2026 Proposed Capital Budget

- The FY26 Proposed Budget and FY26-29 Four-Year Financial Plan does not include pay-as-you-go (PAYGO) funding for capital projects. However, it includes funding for capital projects in enterprise funds (e.g., Street Fund, Transportation Grants).
- Separate from this budget, the City supports a substantial amount of its capital spending from previously issued and appropriated bond proceeds, American Rescue Plan Act funding, grant funding, and philanthropy. These sources will continue to fund capital projects through FY26 in lieu of PAYGO funding from the City's unassigned fund balance.
- The summary below lists FY26 proposed capital spending from the Street Fund (Fund 3301) along with projects to be funded via the proposed FY25 midyear supplemental appropriations resolution.

Funding Source	Description	FY 2026 Proposed
FY25 Midyear Supplemental (PAYGO)	Facilities Improvements	\$4,400,000
FY25 Midyear Supplemental (PAYGO)	EV Charging Stations Throughout City on Major Corridors	\$3,100,000
FY26 Street Fund Capital	Road Resurfacing & Reconstruction, Bridge Improvements, and Vehicle Replacement	\$22,742,236
<b>Total</b>		<b>\$30,242,236</b>

## Capital Budget Development

The capital budgeting process begins during the overall budget development period during which all departments have an opportunity to identify their facility, equipment, infrastructure, and planning needs in a systematic, prioritized manner, and to submit their capital investment proposals for funding consideration. Departments may utilize both internal assessments and external constituent requests to develop their capital improvement projects. Project requests must include cost estimates, a description of the proposed scope of work, and any other requested information.

Project proposals must account for any impact on the City's operating budget. Such proposals are subject to additional review to determine the anticipated effect on personnel, maintenance, utilities, and supply costs, as well as expected changes in service demand or delivery of departmental programs. It is generally assumed that certain types of projects will provide operating budget savings, such as HVAC system upgrades and window replacements reducing utility costs through improved energy efficiency.

## Capital Assets & Expenditures

Capital assets, tangible or intangible, are those with a useful life generally longer than one year. They include assets like parks, transportation infrastructure, vehicles, information technology, buildings, water and sewerage infrastructure, roads, and more. Capital expenditures are those made to acquire, construct, or upgrade capital assets. Examples include upgrading neighborhood parks, replacing damaged water pipes, or replacing the roof of a recreation center.

# LONG-TERM FINANCIAL POLICIES

## Key Budgetary and Long-Term Financial Policies

Under the direction of the CFO, the City has adopted and adheres to key budgetary and long-term financial policies. The Office of the Chief Financial Officer (OCFO) Administrative Issuance System is the system for documenting, issuing, and implementing key policies within the OCFO and the City of Detroit. All current financial policies, including budget, grants, procurement, debt, among others, are available at [detroitmi.gov/ocfo](https://detroitmi.gov/ocfo). This section summarizes the key budget-related policies. As of this publication, the City of Detroit and the Fiscal Year 2025-2026 Budget and Four-Year Financial Plan met the requirements of these policies.

## Comprehensive Financial Planning

The City shall prepare and implement short-term (1-4 years) and long-term (5-10 years) integrated plans to guide the budget process and ensure the City delivers programs and services to the public in an efficient and effective manner within the availability of its resources. Comprehensive financial planning shall be based on the following principles:

- Revenue estimates shall be prepared on a conservative basis to minimize the possibility that economic fluctuations could jeopardize ongoing service delivery during the fiscal year.
- Expenditure estimates shall be prepared on a conservative basis and anticipate needs that are reasonably predictable.
- Forecasts shall be informed by a common set of basic economic assumptions that shall be established, updated, and distributed by the Office of Budget. The forecasts shall also identify other assumptions used in their preparation and associated risks and opportunities.

Comprehensive financial planning shall include, but not be limited to, the following activities, which, where applicable, shall be done in collaboration with the Office of Departmental Financial Services and Department Directors:

- Departmental financial planning overseen by the Office of Departmental Financial Services.
- Procurement planning overseen by the Office of Contracting and Procurement.
- Grant planning overseen by the Office of Development and Grants.
- Staffing and employee planning overseen by the Human Resources Department.

- Technology planning overseen by the Department of Innovation and Technology.
- Capital planning overseen by the Office of Budget and in accordance with the Capital Agenda requirements in the City Charter.
- Long-term financial planning overseen by the Office of Budget.
- Debt affordability analysis overseen by the Office of the Treasury, in coordination with the Office of Budget, and in accordance with the City's Debt Management Policy.
- Economic forecasting overseen by the Office of Budget.
- Revenue estimation prepared by the Office of Budget, in coordination with the City Council's Legislative Policy Division and the Auditor's General Office, and in accordance with the City's Revenue Policy and State of Michigan Public Act 279 of 1909, Section 117.4t(1)(d), as amended by Public Act 182 of 2014.
- Cash forecasting overseen by the Office of the Treasury, in coordination with the Office of Budget, and in accordance with the City's Cash Management Policy.
- Any other planning activities relevant to the City's finances, as determined by the Chief Financial Officer.

### **Budget Development, Execution & Monitoring**

The City's annual budget and four-year financial plan and any subsequent budget amendments shall be balanced over four years within the revenue estimates approved by the Revenue Estimating Conference or otherwise directly offset by an unanticipated revenue already collected or otherwise receivable in a known amount, as determined by the CFO. Under the State of Michigan Uniform Budgeting and Accounting Act (Public Act 2 of 1968) and the 2012 Detroit City Charter, a balanced budget means the total estimated expenditures, including an accrued deficit, in the budget shall not exceed the total estimated revenues, including an available unappropriated surplus ("unassigned fund balance") and the proceeds from bonds or other obligations issued under the fiscal stabilization act (Public Act 80 of 1981) or the balance of the principal of these bonds or other obligations. Plainly said, expenditures cannot exceed revenues plus unassigned fund balance.

The Office of Budget shall maintain a system for budget monitoring and control throughout the fiscal year, to which all Departments, Divisions, and Agencies shall adhere. It shall include, but not be limited to, the use of budget versus actual review, allotments, budget periods, position control, and year-end appropriation rules.

The Office of Budget shall ensure the City's budget remains balanced throughout each fiscal year. The Office of the Controller and Office of Departmental Financial Services (ODFS) shall assist the Office of Budget as needed. Departments, Divisions, and Agencies shall not

expend funds in excess of the applicable appropriations or in violation of any other budgetary controls established by the Office of Budget. The ODFS shall ensure such expenditures do not occur.

### **Non-Recurring Resources**

To ensure a structurally balanced budget, ongoing expenditures must be balanced with ongoing revenues. Non-Recurring Resources (such as fund balance, asset sales, and bond proceeds) shall only be used for Non-Recurring Expenditures (such as capital improvements, blight remediation, contributions to reserves, pre-funding long-term obligations, and debt retirement). Non-Recurring Resources shall not be used for Ongoing Expenditures, unless separate Ongoing Resources are identified to sustain such expenditures in future budget periods.

### **Fiscal Impact Statements**

Under state law, the CFO shall submit in writing to the Mayor and the City Council his or her opinion on the effect that policy or budgetary decisions will have on the City's annual budget and its four-year financial plan ("Fiscal Impact Statement"). The CFO has designated the Office of Budget to oversee this process. A Fiscal Impact Statement estimates the effect of proposed legislation and other major policy or budgetary decision items on the City's annual budget and four-year financial plan. A Fiscal Impact Statement may include additional fiscal information beyond the impact on the City's annual budget and four-year financial plan. Such items requiring a fiscal impact statement include local ordinances, collective bargaining agreements, revenue structure changes, asset sales, and employee benefit changes.

### **General Fund Budget Reserve ("Rainy Day Fund")**

Under state law, the City is required to maintain a budget reserve equal to no less than 5% of projected recurring expenditures for each fiscal year. This assures adequate reserves for mandated and other essential programs and activities in the event of an overestimation of revenue, an underestimation of expenditures, or both. The annual budget and four-year financial plan must maintain the reserve at or above this level.

### **Debt Issuance and Management**

Debt shall only be issued in conformance with all applicable state and federal laws, City Charter and ordinances, and as well as this policy. The City shall pay all debt principal and interest in a timely manner and ensure that all debt service payments are budgeted. The City shall track and adhere to all bond covenants. A bond covenant is a legally binding term

of agreement between a bond issuer and a bondholder. Negative or restrictive covenants forbid the issuer from undertaking certain activities; positive or affirmative covenants require the issuer to meet specific requirements. The City shall ensure that the requirements under the Internal Revenue Code for governmental bonds are met throughout the life of the bonds in order to protect their tax-exempt status. These requirements include information filing and other requirements related to issuance, the proper and timely use of bond-financed property, and limitations on how bond proceeds may be invested. The City shall promote debt transparency through the regular reporting and posting of information about City debt.

Long-term debt shall only be used for capital purchases, construction, demolition, rehabilitation or other legally permissible uses and as identified in the City's capital plan (the "Capital Agenda") pursuant to the City's budget processes. Long-term debt shall not be used to finance current operations. Pursuant to Act 279 and Act 34, short-term debt may be used for equipment financings, operational borrowing, and other uses permitted by state law. The City shall seek to avoid the use of short-term debt for operational purposes by maintaining adequate working capital and through detailed cash management. As the City pays down its general fund debt overtime and general fund debt service decreases as a percentage of general fund, the City should use those general fund revenues to support legacy pension obligations, make contributions to the budget reserve fund and/or support capital investment on a pay-go basis.

### **Investments and Investment Management**

The Treasurer shall be responsible for all investment transactions and activities undertaken by the City. The Treasurer shall establish written procedures and develop a system of internal controls to regulate the activities of subordinate officials. The Treasurer shall establish written procedures for the operation of the City's investment program consistent with this Directive, which shall include explicit delegation of authority to those employees engaged in investment transactions. No person shall engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Treasurer.

The Treasurer is authorized to invest in any instruments in which the City is authorized to invest public funds by State law (Public Act 20 of 1943), subject to the limitations hereinafter provided as to maturity and diversity. The primary objectives, in priority order, of investment activities for City funds shall be safety, liquidity, and yield.

- Safety. Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation

of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

- Liquidity. The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated.
- Yield. The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of lesser importance compared to the safety and liquidity objectives described above.

## Financial Reporting

The City shall maintain clear, accurate, timely and understandable financial accounting and reporting that provides accountability and transparency for all components of the City's financial affairs and ensures compliance with applicable statutory and other regulatory requirements. The City's financial reports shall meet requirements established by applicable regulatory organizations. The City shall maintain a system of financial recording, monitoring, internal controls, and reporting for all operations, funds, and agencies in order to provide an effective means of ensuring that overall City goals and objectives are met, as well as to provide citizens, residents, businesses, contractors, partners, investors, and other stakeholders with accurate and timely financial information that communicates the City's economic condition and financial status. The City shall prepare an Annual Comprehensive Financial Report (ACFR), Single Audit Report, and other required reports periodically, which shall be prepared in accordance with Generally Accepted Accounting Principles (GAAP) for local units of government, Governmental Accounting Standards Board (GASB), and all applicable laws and regulations. The City shall, under the supervision of the Auditor General and in coordination with the Office of the Chief Financial Officer (OCFO), contract with a qualified firm of independent certified public accountants to perform an annual financial and compliance audit of the City's financial statements. The firm's opinion shall be presented in the City's ACFR and the Single Audit Report.

# GLOSSARY

- **Account:** A classification of appropriation by type of expenditure.
- **Account Number / Account String:** Sequence of numbers by which appropriations are categorized.
- **Accrual Basis:** The basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows.
- **Actual:** The amounts spent by each department throughout a fiscal year.
- **Adopted:** The budget passed by the City Council and signed by the Mayor that is implemented on July 1 of the Fiscal Year.
- **Allotment:** The amount that can be expended quarterly for personnel as submitted to the City Auditor at the beginning of each fiscal year.
- **Appropriation:** The legal authorization to expend funds during a specific period, usually one fiscal year. The City Council is the appropriating authority.
- **ARPA:** Abbreviation for the American Rescue Plan Act, a federal relief package passed by Congress and signed by the President in Spring 2021
- **Authorization:** The legal consent to expend funds.
- **Balanced Budget:** A budget in which revenues equal expenditures.
- **Bond:** An interest-bearing promise to pay, with a specific maturity.
- **Bonds Authorized and Unissued:** The portion of approved bond authorizations or loan orders that has not yet been borrowed for or issued as bonds.
- **Budget:** A formal estimate of expenditures and revenues for a defined period, usually for one year.

- **Budget Amendment:** A change from originally budgeted quotas requested by departments to the Human Resources Department and the Office of Budget Management who authorize these changes.
- **Budget Process:** The annual cycle through which the Budget is formulated and adopted.

# AIRPORT (10)

## Mission

The Airport Department continues to evolve by bringing costs in line with revenue and improving services. The emerging strategy is to accelerate the growth of Detroit as a commercial and industrial transportation center and maximize the Coleman A. Young Airport's economic benefit to our community and region.

The Airport Department, by City Ordinance, Section 4-1-2, acquires and holds aviation facilities; develops and operates them; leases these facilities; represents the City in all aviation matters affecting the interest of the City; and manages all City properties and equipment devoted to aviation activities. The main holding is the Coleman A. Young Airport, 300 acres of land with two runways; the Air Carrier Terminal; Executive Terminal (including 14 large hangars); and 129 small aircraft hangars with 145 based aircraft. Coleman A. Young Airport handles 50,000 aircraft operations annually.

Currently, the Airport staff administers, operates, and maintains the Airport. There are more than 100 personnel of primary employers, Midwest Air Traffic Control, FAA, AvFlight Corporation (Fixed Base Operator), Eastside Aviation, Certified Aircraft Rescue Firefighting (ARFF), City Aviation, Civil Air Patrol, Tuskegee Airmen, Friends of Detroit City Airport, the Detroit Fire Department, MyFlight Helicopter Tour, and the Detroit Aircraft Corporation.

## Operating Programs and Services

- **Airport Operation & Air Traffic Control Services** operates 24-hours.
- **Aircraft Rescue Fire Fighting Services (ARFF)** operates on demand.
- **Airport Storage** provides spaces to store aircraft indoors and outdoors (hangars, T-hangers, small, medium, large).
- **Heated Executive Bays** are provided for medium-sized jet aircraft.
- **Aircraft Tie Downs** minimize the possibility of movement from a parked non-hangered aircraft.
- **FBO and Fuel Storage Services** are provided for Avflight Corporation fixed base operator.
- **MyFlight Helicopter Tour** operates Wednesday-Sunday 10am-10:30pm.
- **Civil Air Patrol (CAP) Program** is an Air Force after school program allowing high schoolers to learn to fly for free.

# AIRPORT (10)

- **Friends of Detroit City Airport (FODCA) Program** focuses on community outreach & community programming.
- **Tuskegee Airman Museum Detroit Program** maintains vintage aircraft displays.
- **Young Eagles Program** introduces children to aviation through introductory flights and operates April – September.
- **Black Pilots of America (BPA) Program** offers flight training, and aviation and aircraft safety seminars.
- **Detroit Public Schools Community District (DPSCD) Benjamin O. Davis Aerospace Technical High School** operates an airport laboratory.

# BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT (13)

## Mission

The Buildings, Safety, Engineering, and Environmental Department provides for the safety, health, and welfare of the public as it pertains to buildings and their environs in an efficient, cost effective, user friendly and professional manner. BSEED enforces construction, property maintenance, environmental compliance, and zoning codes, which preserves and enhances property values and promotes a quality of life to make Detroit a preferred place to reside and conduct business. BSEED also operates as the City's Environmental Affairs Department.

## Operating Programs

- **Administration** is responsible for identifying and allocating resources to properly manage, plan, provide program development, customer relations, strategic planning, and implementation of policies. Key processes include records of construction archives, plans and permits for structures within the city, managing the schedule of various boards and commissions, including the Construction Board of Appeals, the Board of Rules and the Wrecking Board.
- **Construction Inspection Division** protects and promotes public health, safety and welfare in new construction development and renovated existing structures by verifying compliance with applicable codes and taking appropriate enforcement action when necessary (State of Michigan Construction Codes; State Public Act 407 of 2016). Enforcement may include misdemeanor violations, show cause, and stop work orders. There are 6 Teams:
  - **Buildings** inspects construction activities to ensure that structures comply with approved plans, building codes and standards, and permit fire alarm systems, generator function and other life safety systems. This team performs inspections for wrecking, signs, awnings, tents, and temporary use, issue Certificates of Occupancy and coordinate Board of Wrecking Examiners.
  - **Mechanical** inspects heating and cooling appliances; refrigeration installations related to air conditioning, process or storage; gas piping; and fire suppression systems for compliance with approved plans and State Codes. They approve Licenses to operate mechanical equipment.

# BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT (13)

- **Electrical** inspects new construction, alterations, and renovations of electrical, signaling and fire alarm systems. They issue electrical contractors, journey worker, master electrician, fire alarm technician and sign specialist licenses, and coordinate the Board of Electrical Examiners.
- **Boiler** inspects all large capacity boilers and monitors compliance with “post-of-duty” safety requirements. This team enforces City and National Board Inspection Codes. The License Examiner conducts examinations for steam and refrigeration occupational licenses.
- **Elevator** conducts inspections for all elevators, escalators, moving walks and chair-lift installations, also for National ASME Code A17.1 compliance. This team also administers examinations and issues licensing for Elevator Journey workers in Detroit.
- **Plumbing** conducts inspections of new construction, alterations, and renovations of plumbing systems to ensure they meet approved plans and Code. They register plumbing contractors and water treatment operators. Plumbing cross-connection inspections identify water systems in need of protection from contaminants, per the State Safe Drinking Water Act.
- **Dangerous Buildings Division** enforces ordinance (8-16) and State Law requiring certain actions to remedy dangerous structures. Demolition activities have been reassigned to the Demolition Department; the division continues to inspect the work. This includes response to dangerous building complaints; property ownership identification and notification; filing documents of record; presentation at “show cause” and City Council hearings; deferral and rescission request processing. It also includes Fire Insurance Escrow, wrecking and Fire Run inspections.
- **Development Resource Center (DRC)** acts as an information resource center for development projects under City Charter (Sec. 7-405, “One-Stop Service”); building application intake; mapping the development process; weather conceptual, new construction, rehabilitation and alterations; Green Storm Water; activating vacant lots for land-based ventures; or tactically preserving existing structures. This includes the **Welcome Resource Center/Intake Center (WRC)** allowing customers to create accounts, upload plans and applications for review; **Electronic Plan Review (ePLANS)** for submittal of construction or site plans, through the **Plan Review Division** which ensures that developments or building projects comply

# BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT (13)

with City Ordinances and Codes. Plan review verifies compliance to Zoning Ordinance, Michigan Building Code, Michigan Residential Code, Michigan Rehabilitation Code, Michigan Electrical Code, Michigan Mechanical Code, Michigan Plumbing Code, International Fuel Gas Code, City Elevator Code and Boiler Code. The division coordinates with various Agencies, and approves Building Permits, Demolition Permits, Sign Permits, Awning Permits, and Temporary Use Permits.

- **Environmental Affairs (EA)** coordinates with other governments and the community to protect Detroit's natural resources. The City Charter requires EA to coordinate environmental protection policies, so they review and approve Environmental Site Assessment reports for all properties being acquired, Brownfields Redevelopment and Revitalization efforts under the Michigan Natural Resources and Environmental Protection Act (PA451 of 1994), funding for cleanup of contaminated sites; and enforcement of Chapter 42 (Solid Waste, and Illegal Dumping) and Chapter 8 (Property Maintenance) through Environmental Enforcement. This unit develops and monitors Host Community Agreements (HCA) per the Wayne County Solid Waste Management Plan.
- **Licenses and Permitting Division** includes the **Business License unit**, which educates and enforces compliance of City Codes for regulated Detroit businesses, and the **Permits unit** which assists contractors and homeowners to obtain the necessary permits for businesses or homes. When a customer is purchasing property, this unit provides the application necessary to schedule an inspection. This division assists businesses to achieve compliance and issues misdemeanor violations to non-compliant business operators. It coordinates Show Cause Hearings to determine if a license should be denied, suspended, or revoked in accordance with city code; and assures Special Events operate as indicated.
- **One-Stop Virtual Permitting** consolidates development-related reviews, approvals, and permit issuance in one location and provides a Permitting Wizard to navigate through the required Zoning, Permitting, Fees, and Licensing.
- **Property Maintenance Division (PMD)** inspects rental residential and commercial structures to encourage neighborhood stabilization by addressing blight, safety and welfare. It corrects noncompliant properties, and if tenant relocation is necessary (re: no heat, water or electricity), PMD works to find temporary living arrangements. This includes Residential Inspections, Pre-sale Inspection, Commercial Inspections, Issuance of violations and enforcement at 36<sup>th</sup> District Court and the Department of Appeals and Hearings and Compliance Agreements.

# BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT (13)

- Zoning Division** is the designated Zoning Administrator for the City (per City Charter Sec.7-401), coordinating all applications for permits, grants, variances, waivers or exceptions. This includes providing zoning assistance, interpretation, and verification; facilitating zoning review prior to the establishment of new uses; performing Site Plan reviews; processing zoning variances for the Board of Zoning Appeals and special land use hearings for conditional, controlled and regulated land uses. This Division conducts Hearings for Medical Marihuana and works on zoning ordinance revisions.

# CONSTRUCTION & DEMOLITION DEPARTMENT (16)

## Mission

The Detroit Construction & Demolition Department (CDD) works with City Administration, City Council, fellow City departments and agencies, residents, and other key stakeholders to promote the health, safety, and quality of life of Detroit residents through the elimination or stabilization of blighted structures. The team:

- Identifies and strategically prioritizes demolition and stabilization targets;
- Selects contractors to perform services on behalf of the City;
- Oversees all necessary due diligence, including the survey and inspection of sites for hazardous or regulated materials;
- Oversees demolition activities, including the abatement of hazardous and regulated materials and backfill and grading of properties;
- Oversees stabilization services, including the removal and disposal of debris on publicly-owned properties with the potential for rehabilitation;
- Performs the board-up and securing of vacant and open residential structures.

Effective FY 2023-2024, the Department also manages and maintains City facilities and manages capital improvements to City facilities. The team:

- Establishes and executes regular maintenance activities;
- Promptly responds to necessary repairs;
- Oversees contractors who perform maintenance and repairs;
- Identifies and plans for significant or substantial improvements to City facilities;
- Oversees contractors who renovate, rehabilitate, improve, or construct City facilities

# CONSTRUCTION & DEMOLITION DEPARTMENT (16)

## Operating Programs and Services

- **Administration Division** sets policy and protocols for the Department, works with the OCFO to prepare the budget, allocates resources for the Department, and works with the different divisions to efficiently execute the Department's goals and objectives.
- **Environmental Due Diligence Division** oversees environmental due diligence for the Demolition Program and (as needed) capital projects. The team will work with state and local departments, agencies, and stakeholders to identify and conduct environmental due diligence prior to and during abatement and construction or demolition.
- **Compliance Division** monitors and inspects the work of City contractors to ensure compliance with the Scope of Services, reviews data and documentation provided by City contractors to ensure compliance with the Department's policies and protocols, and administers the Department's disciplinary program.
- **Capital Management Division** works with City administration, City Council, fellow City departments and agencies, residents, and other key stakeholders to identify and plan for substantial or significant improvements to City facilities. The team also oversees the contractors who renovate, rehabilitate, improve, or construct City facilities.
- **Facilities Management Division** establishes and executes regular maintenance activities at City facilities and promptly responds to needed repairs. The team also oversees contractors who perform maintenance and repair services at City facilities.
- **Emergency Demolition Program** manages the emergency demolition of severely dilapidated structures. The team will work with relevant departments, agencies, and stakeholders to efficiently eliminate imminent threats to public health and safety.
- **Proposal N Bond Demolition Program** manages the pre-demolition due diligence, abatement, and demolition of blighted residential structures.
- **Proposal N Bond Stabilization Program** manages the stabilization of publicly owned residential structures with the potential for rehabilitation.
- **ARPA Demolition Program** manages the pre-demolition due diligence, abatement, and demolition of blighted commercial structures.

# DEBT SERVICE & LEGACY PENSION (18)

## Mission

Overseen by the Office of the Chief Financial Officer, the Debt Service & Legacy Pension section includes revenues and expenditures to support certain long-term obligations of the City of Detroit, including bonded debt and the unfunded actuarial accrued liability for pension benefits earned prior to July 1, 2014, which were modified, closed, and frozen per the bankruptcy Plan of Adjustment (the “legacy pension”). The legacy pension obligations are also referred to as “Component II” of the General Retirement System and the Police and Fire Retirement System. Funding for the employer contributions to the hybrid pension plans (“Component I”) for current active employees appears in their respective departments’ budgets in Employee Benefits.

Bonded debt includes both unlimited tax general obligation (UTGO) and limited tax general obligation (LTGO) bonds. UTGO bonds are authorized by the voters and repaid from the City’s debt millage. They support capital improvement projects throughout Detroit. LTGO bonds are primarily repaid from the City’s General Fund revenues. They supported settlements with creditors and reinvestment projects after the City’s bankruptcy. Debt service paid from special revenue and enterprise funds appears in their respective departments’ budgets, including the Departments of Public Works, Transportation, Housing and Revitalization, and Water and Sewerage.

In FY 2026, the City will continue making actuarially determined annual required contributions for its legacy pension obligations. Per the Plan of Adjustment, the 30-year amortization period began in FY 2024. The City has continued the amortization method to be 30-year closed level principal instead of level dollar. The FY 2026 General Fund budget includes \$172.6 million for this purpose, with \$72.4 million supported by the Retiree Protection Fund (RPF), a trust fund established and funded by the City to ensure budget stability as annual legacy pension payments resume. The RPF strategy has always been two-fold: (1) Build a pension funding resource to gradually draw down every year beginning in FY 2024, and (2) Gradually build room in the recurring City budget for annual pension contributions before FY 2024 begins. In addition to the RPF resource, the City receives \$18.7 million annually from the Foundation for Detroit’s Future and the Detroit Institute of Arts toward legacy pension obligations. This funding was part of the “Grand Bargain” during the City’s bankruptcy, and it continues through FY 2034.

# DEPARTMENT OF PUBLIC WORKS (19)

## Mission

The Department of Public Works (DPW) provides excellence in the delivery of essential environmental and infrastructure services, thereby ensuring a safe and clean environment in a cost-effective manner.

## Operating Programs and Services

- **Administrative Division** provides overall management and efficiencies. It houses the Street Administrator, who oversees all street-funded DPW operations including Traffic Engineering and Street Maintenance Divisions and the majority of City Engineering. It accounts for State Gas and Weight Tax revenue and for State and Federal grants on a project basis.
- **Street Maintenance Division** serves 673 miles of major streets and 1,875 miles of local streets, 29 bridges, and 807 traffic signals with maintenance, including the repair of potholes, snow removal, residential street resurfacing, installation of residential speed humps, maintaining public areas underneath viaducts, and the physical facilitation of street closures. This activity provides for the management, construction, and maintenance of streets, bridges, traffic signals, traffic control signs, pavement markings, and non-motorized improvements.
- **City Engineering Division** designs, surveys, engineers and inspects roads and bridge improvements on the public right-of-way. This division manages all major road and bridge construction projects, including paving and streetscape enhancement projects. Plan and petition review services on behalf of planned construction projects ensure compliance with State and City construction standards.
- **Traffic Engineering Division** installs and maintains traffic control devices, pavement markings and street layouts to make the street system safe and fit for public use. It ensures safe, expeditious traffic flow through traffic control devices, signals, parking control devices, geometric improvements and pavement markings.
- **The Traffic Sign Shop** fabricates, repairs, and maintains traffic control and street name signs. Activities include evaluating and planning requests for changes in the street system and interfacing with external agencies such as the Federal Highway Administration, the Michigan Department of Transportation, and the Wayne County Road Commission to coordinate highway planning.

## DEPARTMENT OF PUBLIC WORKS (19)

- **Public Act 48**, the Metropolitan Extension Telecommunication Rights-of-Way Oversight Act (METRO), is designed to accelerate the deployment of high-speed broadband internet connections throughout the State. The State assesses fees on telecommunication providers that use the public rights-of-way. Revenues collected can be appropriated and used for rights-of-way related purposes.
- **Solid Waste Division** provides for collection and disposal of waste generated by residential homes and commercial establishments, engaging accepted industry standards to collect, process and dispose of refuse, yard waste and recyclable material. Services include scheduled weekly and bi-weekly collections of refuse, bulk, yard waste and recyclables performed by contractual waste haulers; disposal or processing activities for each; annual inspections of commercial businesses; commercial refuse collection; and residential street sweeping. Solid Waste enforcement activities are performed by the Building, Safety Engineering and Environmental Department in coordination.
- **Greater Detroit Resource Recovery Authority** is a public body corporate created under Michigan Public Act 179 (1947). The GDRRA Board of Directors was established in 1984 to provide efficient, environmentally responsible waste disposal service to the residential, commercial, and industrial sectors of Detroit as part of a total post-collection system including transportation, recycling and disposal.

## Mission

The Detroit Department of Transportation (DDOT) provides public transit services that are reliable, clean, customer-focused, safe, and secure. Fixed route bus service throughout the City of Detroit, and to parts of neighboring communities, helps to ensure that Detroiters, employees, and visitors can safely and reliably travel and make connections to the larger region. Complementary ADA paratransit services are provided for the elderly and people with disabilities through DDOT Paratransit.

DDOT is the largest public transit provider in Michigan and prides itself on providing reliable, clean, safe, and efficient service to thousands of riders daily. For routes and fare information, visit [ridedetroittransit.com](http://ridedetroittransit.com). DDOT's Administrative Office is at 100 Mack Ave. Two bus operating facilities, Shoemaker, and Gilbert, serve as bus terminals for transit operations and bus maintenance repair work. A third facility, Coolidge, is being fully reconstructed with a planned opening in early 2026. DDOT also maintains daily operation of two transit center facilities providing climate-controlled facilities for passengers to wait and purchase passes: Rosa Parks Transit Center in Downtown Detroit and the Jason Hargrove Transit Center that opened in 2024 at the former State Fairgrounds.

## Operating Programs and Services

- **Fixed Route Bus Service** is the primary mode of public transportation for residents and visitors in the City of Detroit. Comprised of 37 routes with fixed stop locations and scheduled time points on large buses covering all corners of the City. The busiest routes arrive more frequently and operate 24 hours per day, seven days per week.
- **Paratransit (“ADA”)** service is complementary to the fixed route system for all residents and visitors meeting the eligibility requirements of the Americans with Disabilities Act (ADA). This service operates in smaller vehicles, must be requested by the eligible rider, and can go directly to homes, businesses and locations to provide a closer connection for those who require it.
- **Planning** manages service network planning and any associated staffing, technology, facility, fleet, and other infrastructure needed to support City transportation goals.

# DEPARTMENT OF TRANSPORTATION (20)

- **Administration** oversees strategic planning for future operations; provides inventory, personnel, security, and management information; and maintains compliance with Federal and State guidelines and regulations.
- **Vehicle Maintenance** provides safe, clean, reliable buses, and support vehicles for use in daily public service.
- **Customer service** provides exemplary customer service, ensuring seamless transit experiences through proactive communication, efficiency, and a commitment to meeting the needs of our community.
- **Safety** is committed to delivering reliable, focused, and safe public transit services by building and growing a safety culture at DDOT consistent with national transit best practices and the Department’s Transit Agency Safety Plan.

# OFFICE OF THE CHIEF FINANCIAL OFFICER (23)

## Mission

The Office of the Chief Financial Officer (OCFO) is the City's centralized financial management operation, which is directed by State law to supervise all City financial and budget activities. The OCFO enables the City to make investments that improve quality of life for Detroiters by providing sound business advice and the financial infrastructure that ensures fiscal stability.

## Operating Programs and Services

- **CFO's Office** executes the CFO's vision and strategy to improve the OCFO's administrative functions and improve efficiency and effectiveness across government. The CFO's Office supervises and coordinates divisional operations and functions.
- **Office of the Assessor** locates, identifies, and values—at current market conditions—all real and tangible personal property in the city of Detroit for the purposes of levying the tax lawfully imposed and to warrant said levy to the Treasurer of the City of Detroit for collection.
- **Office of Budget** provides budget management, planning, and analysis services to advance the City's goals and ensure fiscal stability. It oversees the development of all aspects of the City's annual budget and four-year financial plan, including the Mayor's proposed budget, presentation and negotiation of the budget with the City Council, implementation of the budget after adoption, establishing and enforcing budgetary and position controls, and monitoring the budget to ensure continued fiscal balance.
- **Office of Contracting & Procurement** supports the strategic contracting and procurement of materials, equipment and services that are essential to providing governmental services. Services provided support the operations of the City departments with staff dedicated to providing efficient and responsive services, in full compliance with legal requirements, while upholding the highest ethical and professional standards.
- **Office of the Controller** establishes, maintains and enforces City accounting policies, practices, and procedures. The Office is responsible for ensuring the City meets financial reporting requirements and is accountable for financial system controls. This includes risk management, grant audit and compliance.

# OFFICE OF THE CHIEF FINANCIAL OFFICER (23)

- **Office of Departmental Financial Services** serves as a strategic financial partner to City agencies and assures effective management and financial integrity of agency operations by developing, implementing and monitoring plans, policies and systems. Areas of focus include budget administration, program analysis/evaluation, finance, accounting, internal controls, financial systems, grants management, strategic planning, and performance metrics.
- **Office of Development & Grants** identifies and acquires public and private resources that match City of Detroit priorities, as well as oversees, coordinates, and administers grants for the City of Detroit by establishing processes that support end-to-end grants management activities consistent with federal, state and local requirements, thereby, achieving the greatest use and accountability of grant dollars.
- **Office of the Treasury** effectively, timely and accurately collects and records all taxes, special assessments, fees, and other monies received; acts as the custodian of all funds and City assets; and disburses all funds as authorized. The Office also oversees revenue forecasting and economic analysis, issues and manages general fund debt obligations and provides and manages low-cost debt financing of large-scale, long-term capital projects and improvements. The Treasurer is responsible for investments.

# FIRE (24)

## Mission

The Detroit Fire Department's mission and purpose is to provide a safe environment for our citizens and visitors of Detroit through public education, enforcement of fire codes, and deployment of efficient emergency response resources.

## Vision

The Detroit Fire Department will continuously strive to provide exemplary emergency services to our citizens in a professional and courteous manner. Establish a strong community engagement and training program and be the model of a world class fire department.

## Operating Programs and Services

- **Administration** includes Fire Administration, Legal & Labor, Apparatus and Facilities Management. It provides oversight to all facets of the Fire Department and manages resources to provide exemplary emergency services.
- **Community Relations** provides fire safety education and Hands only CPR training for the public. It installs AEDs, smoke, and carbon monoxide detectors and provides safety literature in English, Spanish, Arabic and Bengali. It provides fire safety plans and education and attends community events. Provides education through the department's "Safety Series" webinars every 2<sup>nd</sup> Wednesday of the month. Partners with the Detroit Public Schools Community District by facilitating the Apprenticeship Program and CPR training to staff and students.
- **EMS** includes EMS Administration and EMS Field Operations; it deploys ambulances to medical emergencies for treatment and transport. The pilot Nurse Navigation Program used when clinically appropriate aims to match a low-acuity 911 caller to the right level of care, based on the caller's reported medical needs. It utilizes nurses and physician-approved protocols to guide callers to the right level of care.
- **Fire Dispatch/Communications** dispatches resources to over 150,000 fire and medical emergencies annually.
- **Fire Investigation** investigates suspicious fire incidents and works with the Detroit Police Department to prosecute criminal cases, in accordance with National Fire Protection Association (NFPA) standards. Investigates all structure fires

## FIRE (24)

and accidental fires. Process of projecting where a fire may occur through the Community Risk Reduction software.

- **Fire Marshal** includes the Fire Prevention and Plans & Examinations sections. It enforces all laws governing fire prevention, installation and testing of protection & notification systems and provides public fire safety education. Reinstalled Knox Box keys and locks on every apparatus to gain quick entry to commercial buildings. Inspects 100% of critical structures which include high rises, senior buildings, gas stations, hazardous material storage locations, and rec centers. Focusing on Lithium Ion Battery safety, storage, and fire response.
- **Fire Operations** include Fire Administration and Fire Fighting (field) Operations. It deploys fire trucks to fire and medical emergencies. Responds to hazardous material incidents as a secondary specialty response resource to identify and mitigate potential hazardous materials encountered by primary DFD emergency response resources. HAZMAT teams do not clean up hazardous materials. Their primary duties are to rescue people trapped or injured by incidents involving hazardous materials and identify unknown substances encountered by the public and/or other "911" emergency first responders.
- **Training** operates out of the Regional Training Center and provides training for all new hires and continuous education for current employees and annual compliance for all employees. Offers CPR and fire safety training to Detroit residents and other City of Detroit departments. Offers and provides collaborative training with the Detroit Police Department and neighboring communities.

# DETROIT HEALTH DEPARTMENT (25)

## Mission

The mission of the Detroit Health Department is to address public and population health priorities of Detroiters. The Department assumes responsibility for ensuring that essential local public health services are provided within the City to improve overall health outcomes for citizens. The Health Department is building the capacity and infrastructure necessary to address Detroit's most pressing public health challenges; establishing initiatives in unaddressed priority areas; addressing City health data and policy analysis needs; and supporting and sustaining department growth in the best interest of the public's health.

## Operating Programs and Services

- **Administration** steers the strategic development and capacity building of the department; oversees the administration, operation, quality improvement, fiscal management, and assurance activities; administers and monitors public health service contracts.
- **Data Management & Epidemiology** is responsible for best practices regarding data collection, evaluation, analysis, and reporting to drive evidence-based practice and promotion of local public health policies and programs to advance public health.
- **Environmental Health & Food Safety** focuses on licensing food service establishments, daycare centers, pools, and hotels, and reducing foodborne illnesses through the use of investigation best practices and examining environmental hazards.
- **Maternal Child Health** supports healthy families, healthy pregnancies, and healthy babies through a variety of key initiatives around infant mortality (Sister Friends). In addition, the Department offers a variety of services to better ensure healthy and safe environments for children to thrive through WIC and vision and hearing services.
- **Clinical Services & Outreach** provides immunization clinics to include COVID-19, HIV/STI medical and support services, communicable disease surveillance and investigation, reducing teen pregnancy (iDecide), as well as lead intervention and prevention. Also, Behavioral Health services provide opioid overdose and substance misuse prevention education to better ensure the health and safety of Detroiters.

# DETROIT HEALTH DEPARTMENT (25)

- Public Health Emergency Preparedness** works to ensure the city is prepared for any public health emergency, through training of the Health Departments’ staff and community partners, coordinating with local agencies and City departments, and educating the public about preparedness.

# HUMAN RESOURCES (28)

## Mission

The Human Resources Department provides services and implements programs that attract, hire, retain, and support a qualified and talented workforce committed to providing timely, quality services to City of Detroit citizens, employees, businesses, and visitors in an environment that contributes to the City's objectives.

## Operating Programs and Services

- **Office of Talent Acquisition** is responsible for the timely, full life cycle recruitment needs of the City of Detroit, including but not limited to Sourcing, Screening, Testing, Selection, working with our Community Partnerships and Administering the Internship and Ambassador Programs. Assist with Career Readiness Programs to position employees for growth opportunities and create an internal talent pool.
- **The Office of Employee Services** supports operational needs, promotes employee engagement, and fosters an environment that contributes to the City's objectives. Responsibilities include Onboarding, Employee Relations, Talent Retention, Employee Engagement, and Unemployment.
- **Office of Labor Relations** negotiates and administers 33 collective bargaining agreements and supplementals in accordance with the City Charter and state law, ensuring consistent and equitable contract terms and uniform application of those terms. This division is charged with preventing or lessening labor-management disputes. This includes developing and implementing labor policy, managing the grievance procedure to handle disputes with unionized employees, work rules and interpretation of the collective bargaining agreement. Staff are familiar with current trends, competitive benefits and work rules and have extensive knowledge of labor laws and approaches for resolution, and advocate for the City in umpire hearings, panel hearings, M.E.R.C. hearings, arbitration hearings, other administrative tribunals and special conferences.
- **Benefits Administration Office** administers medical, dental, optical, and life and supplemental insurance benefits for approximately 9,000 active employees. This office is also focused on wellness, prevention activities, employee communications, and health education.

## HUMAN RESOURCES (28)

- **Office of Policy, Planning and Operations** undertakes broad analytical studies of HR and related functional issues; initiates policy planning and formulation to fill gaps; and serves as an institutionalized "second opinion" on policy matters. This office supports the Civil Service Commission (CSC) and drafts revisions to the Civil Service Rules for CSC review.
- **Office of Talent Development and Performance Management** leads the digital transformation and traditional for the design, development and implementation of learning and development solutions and interventions to support and the strategic, operational, and organizational goals and objectives for the city's 9000+ employees. This includes, employee training, organizational transformation initiatives, career readiness, custom learning initiatives, city-wide special projects, leadership development, organizational development interventions, certification programs, performance evaluation and performance management.
- **Classification and Compensation** provides classification and compensation services, which include job analysis, organizational design, compensation analysis, maintenance of the classification systems, salary equity reviews, and job specification system validation.
- **Risk Management** is responsible for protecting the assets and earning power of the City from loss or destruction. Other responsibilities included workers' compensation, central safety, long-term disability and leave administration. Risk Management also maintains and administers the self-insurance Risk Management Fund.

# DEPARTMENT OF INNOVATION & TECHNOLOGY (31)

## Mission

The Department of Innovation and Technology (DoIT) empowers City agencies, partners, and citizens to achieve their goals; and innovates by delivering reliable, timely, cost-effective, appropriate technology and solutions.

The past three years have clearly demonstrated that fully leveraging the power and promise of digital transformation is no longer an option; it is now very clearly and critically at the core of everything the City does (and hopes to do). DoIT embraces its role as the **digital enablers** for the City's civil workforce, service delivery and support systems, and the residents and businesses they serve:

1. We digitally *equip* City **employees**.
2. We digitally *resource* City **departments** and priorities.
3. We *empower* the City's civil workforce with digital **innovation**.
4. We *leverage* digital potential for all **Detroiters**.

DoIT is a central staff agency responsible for developing and providing information technology and consulting services to City agencies that will innovate on how they deliver services and interact with citizens. The responsibilities of DoIT include: strategic technology planning, business needs solutions, information management, Cyber Security, special project management, application development and implementation, system/application maintenance and support, telecommunications, data center operations, technology acquisition, data security, and other services to empower agencies to use technology to improve operations and the quality of services provided.

# LAW (32)

## Mission

The Law Department strives to deliver exceptional and efficient legal counsel and representation to the constituent branches, units, and agencies of City government as mandated by the City Charter. The Law Department is an independent department headed by the Corporation Counsel, who is appointed by the Mayor with approval of City Council.

The Department is required by Charter to represent the City of Detroit in all civil actions or proceedings filed against the City. The Corporation Counsel may also prosecute any action or proceeding in which the City has a legal interest and is the City prosecutor on cases arising from the provisions of the Charter or City ordinances and prosecute all actions for the recovery of fines, penalties and forfeitures. The Department provides advice and opinions to the Mayor, members of City Council, or the head of any City agency, approving the form and substance of all contracts, bonds and written instruments, and drafting, upon the request of the Mayor or any member of City Council, any ordinance or resolution for introduction. The Department also houses the programs of the Office of Eviction Defense and Detroit Indigent Defender Services.

## Operating Programs and Services

The Law Department is organized by division, each responsible for matters arising from discrete areas of the law. The City also engages the services of a legislative liaison in Lansing, and contracts for federal lobbyist services in Washington, D.C.

- **Appeals – Tax Appeals** represents the City of Detroit in appellate proceedings, up through the United States Supreme Court- handles tax appeals. Several involve many millions of dollars of tax in dispute.
- **Blight Litigation** - files affirmative litigation against owners of blighted properties in the City of Detroit in the Circuit Courts and District Courts. In addition, this team litigates cost-recovery matters against landowners to recover costs and expenses incurred by Construction-Demolition, GSD and BSEED. Finally, this team litigates Blight matters before the DAH.
- **Criminal Enforcement/Qualify of Life** is responsible for all ordinance prosecutions, both civil infraction and misdemeanors, at the 36th District Court from the City's ticketing Departments (DPD, Animal Control, Health, and BSEED) and also represents the People in all specialty courts including Sobriety Court, Mental Health Treatment Court, Veterans Court, Street Court, and Community Court. Through an agreement with the Wayne County Prosecutor's Office, this

division handles certain State law offenses including felonies, misdemeanors and civil infractions. This division is also responsible for filing public nuisance lawsuits against the owners and occupiers of property engaged in the illegal possession and sale of controlled substances and will conduct business license suspension/revocation hearings involving businesses engaged in criminal activity.

- **Detroit Indigent Defense Services** provides high quality legal representation to the people of the City of Detroit who cannot afford to hire a criminal defense attorney. This is done by strict adherence to the Standards that are set forth by the Michigan Indigent Defense Commission (MIDC) and the MIDC Act (Act 93 of 2013). We work with skilled local attorneys who provide these services for all critical phases of a misdemeanor case. This includes in-custody arraignments, house counsel for local misdemeanor ordinance violations, and individual assignments for individuals whose cases are going to trial.
- **Office of Eviction Defense** coordinates the provision of legal services to indigent occupants in residential evictions cases in the 36th District Court and in housing-related administrative proceedings which threaten occupancy. The OED is charged with implementing Chapter 22, Article VII of the Detroit City Code by coordinating with local organizations with expertise to provide such legal services.
- **Government Affairs (Municipal)** is responsible for the preparation of ordinances and for opinion requests made by the Mayor, City Council, and members of the City Council, City Clerk, or the head of any agency; The Municipal Section attorneys serve as General Counsel to the Board of Police Commissioners, the Board of Ethics, and the Election Commission; Processes all third-party document production subpoenas; Prepares all responses to Freedom of Information Act appeals; Reviews all criminal subpoenas prior to DPD Law preparing a response; The Law Department Liaison to City Council is also housed in the Municipal Section.
- **FOIA Division** is to ensure the City's compliance with the Freedom of Information Act (FOIA) and applicable laws. Under the Michigan FOIA statute, the public has a right to access public records to assist in their understanding of the functioning of their government. The FOIA Division facilitates these requests and works with City departments and agencies to respond to requests received. This is accomplished by obtaining responsive records, reviewing those records, and applying statutory exemptions consistent with state law and relevant case law. The records vary from simple auto accidents and

contracts to complete homicide case files, as well as sensitive records. In addition to facilitating responses to requests for records, the FOIA Division also provides advice and guidance on FOIA matters, works to ensure that searches conducted are sufficient and that the documents produced are responsive. Lastly, the FOIA Division also coordinates and calculates statutory costs and fees based on information provided by responding departments.

- **Labor & Employment** section provides legal counseling and representation for nearly 100% of all employment litigation and labor relations and administrative proceedings in which the City of Detroit or its employees are a party. Specifically, these matters include, but are not limited to, union arbitration hearings, lawsuits, Civil Service Hearings; Michigan Department of Civil Rights/Equal Employment Opportunity Commissions claims (also provide advice and counsel to CRIO); Wage and Hour Complaints; MIOSHA complaints; Veteran's Preference and, Appeals. The section also responds to client inquiries and provides legal advice and counsel to client departments throughout the City of Detroit. Additionally, this section provides training to employees on the substance and implementation of state and federal laws and regulations which impact upon labor and employment relations (e.g. FMLA, ADA, FLSA, etc.)
- **Litigation** provides direct legal counsel and litigation services to the Office of the Mayor, City Council, municipal departments, and individual municipal employees. The Litigation Division, one of the largest civil litigation divisions in the State of Michigan, is charged with defending the City of Detroit's treasury achieved by its zealous legal advocacy and representation of the City of Detroit and its employees in personal injury, civil rights-police misconduct, commercial, municipal, and environmental lawsuits. The Litigation Division is also responsible for advising all municipal departments, employees, and elected and appointed officers regarding risk management matters.
- **Transactions and Economic Development** is responsible for providing advice and counsel to City departments, agencies, and elected officials regarding transactions involving or impacting the City of Detroit. The two major areas of responsibility are real estate matters and contracts.

# MAYOR’S OFFICE (33)

## Mission

The Mayor’s Office mission is to grow Detroit’s population and improve the quality of life for its residents. The initiatives and strategies focus on improving internal and external operations to achieve that mission.

## Operating Programs and Services

- The **Executive Office** is the administrative component of the Executive branch. The Mayor coordinates the functional grouping of City agencies. Under the Mayor’s direction, the Executive Team develops and provides direction for executing the Mayor's vision and initiatives.
- The **Department of Neighborhoods** provides a direct link between the City and block clubs, community groups, business owners, faith and school leaders and residents. The team includes a Manager and Deputy Manager in each Council district to fight blight and rebuild and strengthen the fabric of neighborhoods. Managers engage thousands of residents and volunteers in major initiatives; help residents form block clubs and community associations; resolve citizens' complaints; and educate residents on City programs and policies.

# MUNICIPAL PARKING DEPARTMENT (34)

## Mission

The Municipal Parking Department (MPD) provides economical on- and off-street public parking, enforces city parking ordinances, reduces parking-related congestion and pollution, improves residential quality of life, and develops parking plans to support economic development projects. The department utilizes creative strategies for parking kiosks (metered) systems, customer loyalty plans, enhanced parking experiences, maximizing the efficient deployment of parking enforcement officers, optimal visibility of citywide towing operations, and coordinated use of public and private parking systems.

## Operating Programs

- The **Auto Parking System**, pursuant to City ordinance, operates and maintains two garages, one of which is downtown and the other located in the Eastern Market District. These garages, as well as the seven city-owned lots throughout strategic neighborhood corridors, contain approximately 1,254 parking spaces. The department operates 835 parking meter kiosks that include three tariff parking zones with thirty-nine subzones that manage on-street parking.
- The **Parking Violations Bureau**, pursuant to City ordinance, manages the City's parking ticket processing and fine collection program and supervises parking regulations through its civilian ticket writing personnel (Parking Enforcement Officers). MPD processes all parking violations including the City of Detroit Police Department and all other city policing agencies. Enforcement efforts focus on ensuring public safety, creating parking availability, protecting the residential quality of life, and improving parking compliance programs.

## Goals, Strategic Priorities and Related City Outcomes

Goals / Strategic Priorities	Timeframe	Related City Outcome
1. The ParkDetroit app will expand services to include multi-mobility trip planning options and merchant rewards programming.	July 2025 – June 2026	Efficient and Innovative Operations
2. Influence the overall public/private parking system to maximize usage, reduce congestion, limit environmental impact, and facilitate economic development - MPD will market the expansion of ParkDetroit participation within the City of Detroit, and additional strategic cities in southeastern Michigan.	July 2025 – June 2026	Economic Equity and Opportunity
3. Improve existing parking assets and expand parking opportunities in the commercial corridors including enforcement of private lots	July 2025 – June 2026	Economic Equity and Opportunity
4. Improve the efficiency of the on-street and off-street parking programs - MPD will market the expansion of the ParkDetroit app usages and add 25 to 35 residential parking zones to improve quality of life.	July 2025 – June 2026	Safer Neighborhoods
5. Support the City's law enforcement strategies in parking-related concerns - Explore the potential of automated optimized enforcement routing, maintain filled PEO positions and Sr. PEO positions to support 7-day enforcement. MPD supports DPD activities through late night strategic enforcement coverage.	July 2025 – June 2026	Safer Neighborhoods
6. Optimize the effectiveness of the on-street parking enforcement program and deployment of parking, with enforcement resources for all violations (including restricted time zone violations) - MPD will conduct a curbside parking study in FY26 to assess the ability to reduce curbside congestion, create real-time flexible usage, and investigate a commercial parking monetization model. The goal will be to implement a permanent program in FY27.	July 2025 – June 2026	Efficient and Innovative Operations

# Non-Departmental (35)

## Mission

The Non-Departmental budget provides funds for activities which are not the responsibility of any one single agency. Non-Departmental is also the depository agency for General Fund contributions for enterprise activities and for a wide variety of General Fund revenues, including four of the five major revenues (casino revenues/wagering taxes; income taxes; property taxes; state revenue sharing) and revenues from reimbursements from enterprise/non-General Fund agencies of personal services costs, transfers from other City funds, and use of prior year surplus.

## Operating Programs and Services

The Non-Departmental budget includes the following independent boards, commissions, and/or agencies with citywide operations:

- **Board of Ethics** investigates and resolves complaints alleging violations of the Ethics Ordinance by public servants, and issues advisory opinions regarding Charter, City ordinances or other laws and regulations establishing standards of conduct and disclosure requirements for public servants. Opinions are rendered upon request by a public servant and published annually in a report to the Mayor and City Council. These actions are “to promote an ethical environment within City government, and to ensure the ethical behavior of public servants.”
- **Board of Police Commissioners** (BOPC) is a civilian agency that exercises supervisory control and oversight of the Detroit Police Department (DPD) as set forth in the Charter. The Board has 11 members, 7 elected by District and 4 appointed by the Mayor with City Council consent. The Board meets every week including (12) community/evening meetings in the districts. Internal organization includes fiscal, policy, administrative, legal advisor, community outreach, and the Office of the Chief Investigator, which processes and investigates 1,500 - 1,700 complaints annually. Responsibilities include: in consultation with the Chief of Police and the Mayor, establishes policies, rules and regulations for the DPD; subpoena power for investigative purposes; review and approval of the DPD budget; investigation of non-criminal citizens' complaints against members of the Detroit Police Department; final authority in imposing or reviewing discipline of employees of the department; and disqualification appeals from police recruits hoping to enter the Detroit Police Academy.

## Non-Departmental (35)

City Code Section 55-15-8(a) provides for regulation of towing to promote equitable distribution of police authorized towing.

- **Detroit Building Authority** (DBA) administers capital projects, as determined by City Departments. Critical functions: encumbering funds through Contracts of Lease; managing the bid, RFP/RFQ process; issuing contract awards; advising contractors of City requirements; execution of contract documents; monitor design development and construction for each project; oversight of payments. The DBA maintains a database of all City-owned commercial property, manages the properties within the database, manages sale of property and City leases.
- **Media Services**, formerly the Detroit Cable Communications Commission (established by ordinance in 1981), is the City's local video franchising authority with direct responsibility for review and issuance of franchise agreements and permit agreements to telecommunications providers for use of the City's right-of-way for telecommunications facilities. As the City's video production and television broadcast services provider, Media Services is responsible for daily programming, operation and management of Government Access Channel 10, Education Access Channel 22, Neighborhoods Channel 21 and Public Access Channel 68. Media Services interfaces with the Mayor's Office; City Council; City departments and commissions; educational institutions; and community organizations to produce programming that is responsive to the public's diverse information needs and interests.
- **Communications Services** staff promotes a positive city image with effective communications with the City's customers - residents, business owners, employees, visitors and the media. As the communications arm, staff provides high-quality service to city agencies and elected officials in their efforts to communicate programs, initiatives and information to various audiences. Services include strategic communications planning and counseling, media relations, event planning, website management, writing, graphic design, photography and Total Copy Center services. Staff support Motor City Makeover and Halloween in the D, under the Mayor's Communications Director.
- **Pension Administration** is responsible for the administration of the employee retirement systems, and it is the governing body for the Employee Benefit Plan. The Retirement Systems fully reimburses the City of Detroit for Pension Division personnel costs.

# Non-Departmental (35)

The Non-Departmental agency records the salaries and benefits for the 11 elected officials of the City of Detroit: Mayor, City Clerk, and City Council members, in the **Elected Officials Compensation** cost center. The Non-Departmental agency also records the General Fund contributions made to enterprise agencies, cultural entities, and other external entities.

# HOUSING & REVITALIZATION DEPARTMENT (36)

## Mission

HRD improves quality of life in Detroit neighborhoods through community and economic development programs, and affordable housing. HRD works through community organizations and affordable housing developers to increase the vitality of neighborhoods through investment and administration of federal housing and community development funding.

## Operating Programs and Services

- **Administration and Finance Division** promotes and maintains fiscal responsibility, regulatory compliance and accurate reporting of federal, state, local and philanthropic awards. The division includes Departmental Grant Management, Financial Management, Environmental and Historic Review, Labor Compliance and General Office Management.
- **Development and Investment Services** provides comprehensive services, including pre-development, sale of land, underwriting, investing, and asset management, to for- and non-profit developers seeing to develop primarily affordable housing and community facilities. Includes the Asset Management, Development Services, Development Underwriting, Public-Private Partnerships, and Special Initiatives divisions.
- **Home Repair and Rehabilitation** empowers Detroiters by providing critical home repair services. This allows homeowners to achieve greater stability through physical improvements to their properties. The division encompasses key programs such as Bridging Neighborhoods, CDBG-Disaster Recovery Private Sewer Repair, Federal Home Repair (Lead Hazard Reduction/Senior Emergency Home Repair), Accessibility Repair, and Renew Detroit. Each are tailored to address specific housing needs and financial circumstances.
- **Housing and Neighborhood Services** provides housing stability support services to Detroiters at risk of forceable displacement or homelessness and provides impact driven Community Development Block Grant (CDBG) funding to low-to-moderate income persons to help stabilize neighborhoods and sustain a healthy and safe environment for city of Detroit residents. Includes the Housing Services, Homelessness Solutions, and Neighborhood Services divisions.
- **Programmatic and Departmental Operations** supports sound programmatic and operational performance through departmental grant management procedures, program evaluation and development, systems improvement, and

# HOUSING & REVITALIZATION DEPARTMENT (36)

supporting Detroiters. Includes the Immigrant and Refugees and Economic Inclusion, Policy Development and Implementation, and Programmatic Operations divisions.

- Workforce and Economic Development** provides pathways and training programs to help connect Detroiters to job opportunities in growing career sectors and supports the growth and development of Detroit through supporting small businesses, managing public-private partnerships, managing large-scale development projects, and assisting new entrepreneurs and startups with navigating City processes. Includes staffing support for Detroit at Work and the Detroit Economic Growth Corporation, as well as fund the Grow Detroit’s Young Talent and Motor City Match grant programs.

# DETROIT POLICE DEPARTMENT (37)

## Mission

The mission of the Detroit Police Department (DPD) is to encourage thoughtful decision-making, and a strong sense of community responsibility through education, equity, empathy, professionalism, transparency, and policing standards properly informed by community input and civic leadership.

## Operating Programs and Services

- **Administration and Operating Infrastructure** promotes and maintains fiscal responsibility, regulatory compliance, and accurate reporting. The Office of Professional Development (OPD) is responsible for the professional development of DPD members as well as servicing the organizational needs of the Department, including radio and telephone communications, acquiring, allocating, and inventory of equipment and facilities. Units include Support Services Bureau, Management Services Section, Payroll, Detroit Detention Center, Forfeiture Unit, Licensing Unit, Abandoned Vehicle Task Force, Secondary Employment, Resource Management, Facilities Management, Stockroom, Firearms Inventory and Fleet Management.
- **Chief's Neighborhood Liaison** stabilizes neighborhoods and sustains a healthy and safe environment for residents. The Office of Workplace & Community Resiliency strengthens relationships with residents and the community. Internally, Peer Support, Committee on Race and Equality (C.O.R.E.) and DPD Fit University holistically focus on providing support and resources to department members. Procedural Justice/Police Legitimacy Division will repair, strengthen, and bridge gaps between the Department and the community. # PUBLIC LIGHTING DEPARTMENT (38)

## Mission

The Public Lighting Department (PLD) supports the Public Lighting Authority (PLA) as it maintains the upgraded streetlight system.

On February 5, 2013, the City created the PLA, a separate municipal corporation pursuant to Michigan Public Act 392 of 2012 (as amended) and the Municipal Lighting Authority Act, MCL 123.1261, to manage and maintain the City's public lighting system. Pursuant to an amendment to the City Utility Users' Tax Act, 1990 PA 100 (as amended) MCL 141.1151-MCL141.1177, the PLA utilizes \$12.5 million in utility user tax proceeds to satisfy the debt service obligation of bonds issued to modernize the streetlight system. Through an interlocal agreement, the City provides additional funds to the PLA to finance the operations and maintenance of the street lighting system.

PLD owns and maintains hundreds of miles of underground conduit and poles for overhead lines. Various communication companies rent conduit space and/or pay pole attachment fees that provide significant revenue to the City's General Fund.

PLD is actively preparing unused substations for sale to private entities, returning them to the City's tax base. PLD also is removing unused overhead lines owned by PLD to further enhance citizen safety and reduce blight.

## Operating Programs and Services

- **Administration/Overhead** encompasses contractual services for manhole/handhole repairs and security.
- **PLD Reserve** is comprised of materials handling services.
- **Streetlights** encompasses utility costs for streetlights, electrical grid maintenance, substation decommissioning, and removal of overhead wires/peripheral equipment/poles no longer needed.

# PLANNING & DEVELOPMENT DEPARTMENT (43)

## Mission

The Planning & Development Department (PDD) envisions a world-class and inclusive planning and development department that sets the standard for equitable and innovative large city planning. Our mission is to improve Detroiters' quality of life through meaningful engagement, strategic planning, thoughtful preservation and equitable development.

## Operating Programs and Services

- **Neighborhood Planning Studies and Implementation Coordination** are core programs that drive neighborhood stabilization, revitalization, and support for population and job growth. These initiatives are managed across three divisions, serving the City's East Region (Council Districts 3 & 4), West Region (Districts 1, 2 & 7), and Central Region (Districts 5 & 6, including downtown). Specific activities include:
  - Developing neighborhood framework plans
  - Coordinating implementation projects in commercial, business, industrial, and historic districts
  - Engaging local communities and leaders through workshops and presentations
  - Developing and implementing urban design guidelines
  - Assisting in designing improvements for parks, streetscapes, open spaces, and public art
  - Establishing standards for urban agriculture and green stormwater infrastructure
  - Identifying development sites, supporting parcel assembly, and proposing historic building reuse scenarios
- **Citywide Planning Initiatives** guide development and policy for areas impacting multiple neighborhoods. PDD's Citywide Strategic Planning division leads these projects, which include planning for neighborhoods around the Joe Louis Greenway and updating the City's Master Plan of Policies.

# PLANNING & DEVELOPMENT DEPARTMENT (43)

- **Design, Development, and Zoning Reviews** are managed by the Design, Development, and Innovation (DDI) division. In collaboration with other city departments, the City Planning Commission, and City Council, DDI:
  - Translates city and neighborhood plans into regulatory language, zoning changes, ordinances, and development initiatives
  - Conducts design reviews of proposed developments
  - Oversees the Sign Waiver Request process
  - Facilitates master plan interpretations
  
- **Historic Preservation and Adaptive Reuse** of Detroit's historic buildings are led by PDD's Historic Preservation division to stimulate neighborhood revitalization. Responsibilities include:
  - Developing regulatory language, ordinances, and initiatives for development, environmental protection, and preservation
  - Supporting the Historic District Commission in enforcing Historic District codes
  - Reviewing permit applications and conducting historic district reviews
  - Investigating district violations and ensuring NEPA compliance
  - Collaborating closely with the City Planning Commission (CPC), Historic Designation Advisory Board (HDAB), and other city and state departments.
  
- **Equitable Development and Community Benefits Ordinance (CBO)** are managed by the division of Equitable Development, CBO, & Legislative Affairs. This division enhances PDD's oversight of the Community Benefits Ordinance and works in partnership with City Council on development management.
  
- **Administrative and Operations Division** provides essential support by managing PDD operations, budget, grants, vendor contracts, and personnel, in collaboration with other city departments.

# DEPARTMENT OF APPEALS & HEARINGS (45)

## Mission

The Department of Appeals & Hearings is dedicated to delivering timely, impartial, efficient, and cost-effective administrative hearings while upholding the dignity and due process rights of all individuals. The Department is an independent administrative hearings tribunal that adjudicates blight violations, imposing civil fines and costs in accordance with the Detroit City Code and state law. The Department reviews administrative decisions of various City departments and agencies, rendering final agency determinations. It has conducted over 650,000 hearings since opening in 2005.

## Operating Programs and Services

- Administration** adjudicates blight code violations issued by authorized City agents with sensitivity to the violations' impact on the escalating problem of blight in Detroit. They enforce unpaid judgments through collections, garnishments, and liens utilizing the Department's decisions and orders. Administration conducts hearings to review and make final decisions on administrative decisions of City agencies.

## Goals, Strategic Priorities and Related City Outcomes

# GENERAL SERVICES DEPARTMENT (47)

## Mission

The General Services Department (GSD) efficiently supports City operations through fleet, buildings, grounds and other support so departments can focus on their core functions. GSD operating divisions provide shared services, and project management, for city government.

## Operating Programs and Services

- **Grounds Maintenance Division** cuts grass and removes litter at City parks and in City-owned vacant lots, manages snow and ice removal at municipal facilities, cleans 220 bus shelters, and operates flower beds. The Division provides exterior maintenance of Detroit Land Bank Authority properties and along major commercial corridors, manages the urban forest, and maintains grass on freeway berms and medians for public rights-of-way.
- **Fleet Management Division** enhances city services by efficiently providing agencies with ready access to functional and reliable vehicles. Responsibilities include supporting the City's Vehicle Steering Committee, preparation and execution of the City's 10-Year Vehicle Reinvestment Plan, approval of vehicle specifications, receipt and disposal of vehicles, repair and maintenance of 2,138 municipal vehicles, supporting the City's employee local driving policies, and administering the loaner pool. The division operates out of the Russell-Ferry, 19th & Michigan, Erskine, and Davison yards with a body shop for simple bump repairs and a 24-hour road crew.
- **Building Services Division** provides custodial services to City-owned facilities and oversees graffiti removal throughout the city. The Security Services Unit manages functions associated with security and monitoring of City operations and facilities, including armed, bonded, and unarmed guards and monitoring equipment.
- **Landscape Design Division** designs, develops and beautifies City-owned parks, greenways and rights-of-way through Floriculture, Beautification, and Park Development Units. Staff develop and manage the City's parks improvement plan, and beautify medians and gateways.

## GENERAL SERVICES DEPARTMENT (47)

- **Strategy and Planning Division** includes a Project Management and Analytics Team to analyze service requirements of agencies; execute customer Service Agreements; and manage budget, contract and asset requirements. This division oversees creation of the City's long-term plans for the City's fleet and public spaces, as well as functional reforms such as inventory management and 3rd party operated leisure agreements and process improvement. Staff have strategic planning and project management capacity to assure successful implementation of reforms.
- **Animal Care and Control Division** oversees every aspect of an animal's life to ensure the best outcomes for those in the Department's care. Services include offering spay or neutering services for unattended dogs, helping animals find temporary and forever homes, improving safety for residents, and animal control services.
- **Recreation Division** operates 1 senior center and 15 recreation centers throughout the City and provides recreation programs and activities at the centers, Spirit Plaza, and Hart Plaza. Over 30 leisure sites – from historic cemeteries, historic Fort Wayne, and Eastern Market; to the new riverwalk and velodrome; to old and vacated recreation centers – are operated by the 3rd party partners under Recreation staff oversight and management. The Division continues to improve the quantity and quality of opportunities it offers.
- **Blight Division** cleans corridors and alleys of debris and excess signage; remove graffiti and create murals on blighted space. These special post-bankruptcy operations are part of interagency enforcement initiatives designed to reduce blight. These teams work closely with the Construction & Demolition Department, the Department of Neighborhoods, and enforcement agencies such as BSEED to maximize impact of their work.
- The **Office of Sustainability** leads the City's initiatives aimed at reducing emissions, increasing resilience, and improving residents' quality of life. The Office supports departments citywide to advance bold climate goals set by the Sustainability Action Agenda and the Detroit Climate Strategy. The Office utilizes an innovative multi-departmental staffing approach with nine staff members embedded in key City departments. Three positions, including the Director of Sustainability, are in the General Services Department, three positions are in the Detroit Department of Transportations, and another three positions are in the Housing and Revitalization Department.
- The **Office of Arts, Culture, and Entrepreneurship** oversees the City of Detroit's investment in the fine and performing arts, culture, and history with a special focus on supporting the city's creative workforce.

# WATER (48)

## Mission

The Water and Sewerage Department (DWSD) strives to exceed our customers' expectations through the efficient distribution of treated water, collection of wastewater for treatment and the provision of services that promote healthy communities and economic growth.

The Water Supply System is administratively part of DWSD while maintained as a separate fund in the City of Detroit's accounting system. The department leases five water treatment plants and 20 booster (re-pumping) stations and 19 reservoirs to the Great Lakes Water Authority (GLWA). Of these five water plants, two are in Detroit. There is one plant each in Allen Park, Dearborn and Port Huron. Detroit is primarily served by the two Detroit water treatment plants with some support from the Allen Park and Dearborn facilities. There are three sources of raw water supply – Detroit River at Fighting Island, Detroit River at Belle Isle and Lake Huron north of Port Huron.

The main administrative offices are located at 735 Randolph in downtown Detroit, officially known as the Water Board Building. Approximately 3,438 miles of water transmission and distribution mains within the city of Detroit are owned by the department, and it maintains more than 2,700 miles of these pipes, with the remainder maintained by GLWA.

Bifurcated from GLWA on January 1, 2016, Detroit maintains its own local system under the authority of the six-member Board of Water Commissioners as appointed by the mayor. The Detroit local system is made up of approximately 3,000 miles of sewer collection pipe and 2,700 miles of water mains serving the neighborhoods. Detroit has full authority to repair and rebuild the local system and serves as the first responder for all service disruptions, including those of GLWA-leased assets, located within the City's boundaries.

# WATER (48)

GLWA will continue to operate the regional water and sewer assets which include the water treatment plants and other water facilities. GLWA operates under the authority of a six-member board appointed by several constituencies of the authority: 2 appointed by the mayor of Detroit, 1 each by Wayne, Oakland and Macomb counties and 1 by the governor from the service area outside the three counties.

## Operating Programs and Services

- **Provide delivery of potable water** for more than 175,000 households and 30,000 businesses/nonprofits, delivered at various points at adequate pressure to meet our customers’ needs. The water provided meets or exceeds standards as required by Michigan’s Safe Drinking Water Act as well as federal standards.
- **Furnish sufficient water pressure and service** to ensure acceptable fire protection for commercial buildings and schools.

## Goals, Strategic Priorities and Related City Outcomes

Goals / Strategic Priorities	Timeframe	Related City Outcome
1. Continue to provide and procure resources to support water affordability through the Lifeline Plan and an effective payment plan through EasyPay and the Self-Service Customer Portal to the benefit of our customers in keeping water services on while improving the collection rate.	July 2025 – June 2029	Economic Equity & Opportunity
2. Replace at least 3,500 lead service lines – 8,000 lines if additional state and/or federal funding is received – with a goal to remove all lines within 10 years.	July 2025 – June 2029	Safer Neighborhoods
3. Paint 5,000 fire hydrants which reduces corrosion.	July 2025 – June 2029	Efficient & Innovative Operations

# SEWERAGE (49)

## Mission

The Water and Sewerage Department (DWSD) strives to exceed our customers' expectations through the efficient distribution of treated water, collection of wastewater for treatment, and the provision of services that promote healthy communities and economic growth.

The Sewerage Department is administratively part of DWSD while maintained as a separate Fund in the City of Detroit Accounting System. The DWSD sewer system originated in 1836, and today it consists of nine pump stations, nine wet weather treatment facilities to reduce combined sewer overflows (CSO) during major rain or snow events, and a total of 3,433 miles of sewer lines that carry rainwater, snowmelt, and untreated sewage to the Water Resource Recovery Facility – the largest, single-site wastewater treatment facility in North America. The facilities are leased to and operated by the Great Lakes Water Authority (GLWA). DWSD has installed 17 green stormwater infrastructure projects since 2015 that manage more than 60 million gallons of stormwater annually, further reducing CSOs and helping beautify neighborhoods. The Department currently services and sets water, sewer, and drainage rates for more than 230,000 accounts (approx. 175,000 households and 30,000 businesses/nonprofits).

Bifurcated from GLWA on January 1, 2016, Detroit maintains its own local system under the authority of the seven-member Board of Water Commissioners as appointed by the mayor. The Detroit local system is made up of approximately 3,000 miles of sewer collection pipe and 2,700 miles of water mains serving the neighborhoods. Detroit has full authority to repair and rebuild the local system and serves as first responder to all service disruptions, including those of GLWA-leased assets, located within the City's boundaries.

GLWA will continue to operate the regional water and sewer assets which include the water treatment plants and other water facilities. GLWA operates under the authority of a six-member board appointed by several constituencies of the authority: 2 appointed by the mayor of Detroit, 1 each by Wayne, Oakland and Macomb counties and 1 by the governor from the service area outside the three counties.

## Operating Programs and Services

- **Wastewater Collection** conveys combined untreated sanitary sewage and stormwater collected throughout the service area to the GLWA operated facilities in accordance with applicable service agreements, such that public health is protected and the treated effluent discharged to the Detroit and Rouge Rivers is in compliance with limits established by the National Pollution Discharge Elimination System (NPDES) Permit co-held by DWSD and GLWA, and other applicable wastewater, air pollution and solid waste disposal laws, rules and regulations imposed by courts and agencies.
- **Maintain and upgrade the Detroit Local System** and serve as first responder for necessary repairs within Detroit.
- **Serve as the retail advocate for Detroit based constituents** (Detroit Retail Class), including households, businesses, non-profits, and faith-based organizations, in the procuring of water and sewerage services from GLWA.
- **Serve as the collection agent** for the Detroit Retail Class.

## Goals, Strategic Priorities and Related City Outcomes

Goals / Strategic Priorities	Timeframe	Related City Outcome
1. Clean 600 miles of sewer to provide capacity to the current design standards – clean entire system in a five-year cycle.	July 2025 – June 2029	Efficient & Innovative Operations
2. Inspect and clean 8,000 catch basins to reduce street flooding.	July 2025 – June 2029	Efficient & Innovative Operations
3. Complete the Far West project’s detention basins and sewers to remove 100 million gallons of rainwater and snowmelt annually from the combined sewer system and construct and complete design of several other stormwater projects.	July 2025 – June 2029	Efficient & Innovative Operations

# OFFICE OF THE AUDITOR GENERAL (50)

## Mission

The Office of the Auditor General (OAG) is an independent, full-service auditing function to examine and evaluate City activities in order to improve accountability for public funds and to improve operations of City government. The agency promotes the economy, efficiency, and effectiveness of city government and helps to protect against fraud, waste, and abuse by conducting independent audits, investigations, and evaluations while adhering to the professional standards of the auditing profession.

OAG responsibilities and authority are stated in Section 7.5-105 of the Charter to make audits of the financial transactions, performance, and operations of city agencies with a focus on high-risk areas; to perform financial analysis of agencies; to make a report of the financial position of the City after the close of each fiscal year; to investigate the administration and operation of City agencies; to settle all disputed claims in favor of or against the City as provided by ordinance, and to make reports to City agencies of irregularities of practice and erroneous accounting methods. OAG prepares written reports of audit findings and recommendations to the City Council, the Mayor, and the management of each agency, and performs special projects and other work. The OAG participates in the City's independent biannual Revenue Estimating Conference process. The annual financial audit of the City's Annual Comprehensive Financial Report (ACFR) and its Federal financial assistance programs are performed by outside auditors hired by the OAG.

## Operating Programs and Services

- **Internal Controls Auditing** investigates the administration and operation of City agencies.
- **Appealed Claims Review** promotes an atmosphere of mutual trust and accountability among constituents.
- **Revenue Estimating Conference** provides for an independent and objective review of the Office of Budget's revenue projections and a conclusion on the reasonableness of the forecast proposed.
- **Annual Comprehensive Financial Reporting Oversight** facilitates the annual financial audit of the City's financial statements and federal funded programs.

# ZONING APPEALS BOARD (51)

## Mission

As a quasi-judicial body, the Board of Zoning Appeals' (BZA) primary role is to hear and rule on appeals for relief or relaxation of provisions of the zoning ordinance from any person, firm, partnership, or corporation; or by any officer, department, commission, board, or bureau of the City aggrieved by a decision of an enforcing officer or of the Buildings, Safety, Engineering and Environmental Department. The Board conducts investigations and public hearings to determine whether variances, exceptions or modifications of approved regulated uses of land will be in the best interest of the public and that the spirit and intent of the zoning ordinance is upheld. The Board has discretionary powers granted by the local zoning ordinance and State Enabling Act. Any adjustment or reversal must conform to the Ordinance and provide neighborhood commercial stabilization.

## Operating Programs and Services

- **Zoning Appeals Division** reviews any order, requirement, decision, or determination made in the enforcement of the City of Detroit Zoning Ordinance. The Board has certain discretionary powers in making its decision to comply with the powers granted to it by the local zoning ordinance and State Enabling Act. Any adjustment or reversal must conform to the provisions of the zoning ordinance and provide neighborhood and commercial stabilization.

# CITY COUNCIL (52)

## Mission

The City Council is the City's legislative body. It promotes the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions.

Among the functions performed are the enactment and amendment of laws (ordinances and resolutions) governing operation of the City; approval and monitoring of contracts involving City business; approval and monitoring of the City budget, amendments thereto and the City fiscal condition; approval of City appropriations for grant funds and amendments thereto; approval of the sale or disposition of City property; approval of the settlement of civil litigation; receipt of complaints, petitions and reports affecting the operation of the City or its citizens; investigation and monitoring of City affairs, administration and conduct of City agencies; advocacy on behalf of citizens, State and Federal levels; approval of the Master Plan and Five-Year Capital Agenda; appointments to Boards and Commissions; providing a mechanism for residents to make concerns known; monitoring City service delivery to ensure implementation of adopted policies and priorities.

## Operating Programs and Services

- **Board of Review** hears and determines appeals from property tax assessments.
- **City Planning Commission (CPC)** is a nine-member body with appointed staff in LPD, that advises on matters pertaining to the social, physical and economic development of the City, including planning and zoning matters in accordance the City Charter, Michigan Planning Enabling Act and the Zoning Enabling Act. Its primary role is that of the Zoning Commission
- **Historic Designation Advisory Board (HDAB)** is a nine-member body with appointed staff in LPD. The HDAB advises City Council on all matters regarding historic preservation to protect the historic, cultural, archaeological resources, that make Detroit unique. HDAB produces a final report and ordinance for each local historic district in accordance with the Michigan Local Historic District Act.
- **Legislative Policy Division (LPD)** is comprised of Research & Analysis to research, monitor, evaluate and advise on policy and legal matters; Fiscal Analysis to compile financial information and advise on budgetary and financial matters.

# OFFICE OF THE OMBUDSPERSON (53)

## Mission

The Ombudsperson improves service delivery through departmental accountability. The City of Detroit Office of the Ombudsperson was established by Charter referendum on November 6, 1973, became operational in 1974 and was upheld by voters in 2011. The Detroit City Ombudsperson, an independent governmental official, is appointed by the Detroit City Council.

The Office is mandated by the City Charter to use its independence to receive, investigate, mediate and resolve citizen complaints against any action, decision, recommendation, practice or procedure of any agency. The City Charter authorizes review of investigations and hearings conducted by City departments, with subpoena power, to ensure truthful and fair outcomes; recommend changes where investigations warrant; establish complaint investigative procedures and maintain records to determine areas of failure; initiate investigations where data reveals problems; provide information, referrals, assistance, and recommendations for appropriate investigation when complaints are not within City jurisdiction. Annual statistical reports are presented to City Council and Mayor. The Office does not address issues pending legal considerations in courts, or under review by City Council.

## Operating Programs and Services

- **Complaint Intake and Analysis** investigates and seeks resolution to citizen complaints, and restores citizen confidence where misunderstanding, error and omission have decreased confidence in government.
- **Community Engagement** increases public awareness of services.
- **Policy Advocacy** advances innovative and practical policy recommendations to resolve recurring complaints.

# OFFICE OF THE INSPECTOR GENERAL (54)

## Mission

Article 7.5 Chapter 3 of the 2012 City of Detroit Charter establishes the Office of the Inspector General (OIG). The purpose of the office is to ensure honesty and integrity in the operation and efficiency of City government by rooting out waste, abuse, fraud, and corruption. The Mission of the office is to be one of the most proficient and vigilant Inspector General Offices in the country.

## Operating Programs and Services

- Accountability Investigations & Audits:** The OIG investigates official conduct of public servant, City agency, program, contractor and subcontractor providing goods and services to the City; business entity seeking contracts or certification of eligibility for City contracts; and person seeking certification of eligibility for participation in any City program, either in response to a complaint or on the Inspector General’s own initiative in order to detect and prevent waste, abuse, fraud and corruption. To carry out its Charter-mandated duties without any bias or influence, the Charter established the OIG to be one of the four independent agencies of the City of Detroit.

## Goals, Strategic Priorities and Related City Outcomes

# 36<sup>TH</sup> DISTRICT COURT (60)

## Mission

The 36<sup>th</sup> District Court is dedicated to administering justice in an equitable, impartial, and timely manner in accordance with the rule of law. The public and other agencies it serves shall be provided with an accessible, safe, and respectful environment in which to conduct business and resolve disputes. There is a commitment to promoting excellence, integrity and competence while ensuring public trust and confidence in the judicial system.

The 36<sup>th</sup> District Court is one of the busiest courts in the nation and is Michigan's largest limited jurisdiction court. It has 29 judges, 6 magistrates, and approximately 290 employees in downtown Detroit. The majority of the Court's annual case filings are handled in the Traffic Division. On an annual basis, approximately 1 million citizens conduct business at the court, and just under 500,000 telephone and email inquiries are received.

The Court has exclusive jurisdiction in general civil and landlord/tenant matters for litigation up to \$25,000, misdemeanor traffic and civil infraction violation cases, and all judicial functions on felony criminal cases, as well as Small Claims matters with claims up to \$5,500. Criminal jurisdiction includes misdemeanor and felony offenses through preliminary examination. Legislation, effective January 1, 2015, mandated an additional hearing and a probable cause conference for every felony case. 36<sup>th</sup> District Court operations previously controlled by the State were transferred to the City upon enactment of Public Act 374 of 1996.

## Operating Programs and Services

- **Criminal & Traffic Court and Probation Department** promotes safer neighborhoods through holding people accountable for infractions.
- **Civil Division** assists residents find equitable solutions to civil-related situations.

# 36<sup>TH</sup> DISTRICT COURT (60)

- Court Support Services & Administration** promote economic equity and opportunity by funding Specialty Court programs for individuals in crisis or facing addiction. Also, these divisions reimburse the Court for Judicial Services, thus providing for efficient and innovative operations.

# DEPARTMENT OF ELECTIONS (71)

## Mission

The Department of Elections efficiently conducts all required elections (Local, County, State and Federal) as mandated by City Charter, City Ordinances and Michigan Election Law; and provides and maintains voter registration for all eligible residents of the city of Detroit.

The Elections Commission, comprised of the City Clerk (Chairperson), the Corporation Counsel, and the President of the City Council, oversees the affairs of the Department of Elections. Through the Director and Deputy Director of Elections, and under City Clerk oversight, the Commission monitors the activities of the Department to ensure that all voter-related services are carried out competently and efficiently.

## Operating Programs and Services

- **Elections Administration & Overhead** services include, but are not limited to, management and maintenance of voter registration records; administration of elections; maintenance of voting equipment; training of both permanent and temporary staff; and implementation of new programs that may be necessary as a result of changes in election law.
- **Pre-Election Voter Education and Outreach** efforts aim to reach diverse groups of residents by partnering with various community organizations to conduct voter education, voter registration, and poll worker recruitment.

# LIBRARY (72)

## Mission

The Detroit Public Library (DPL) enlightens and empowers people by providing diverse and dynamic pathways to literacy and learning. DPL is an independent municipal organization administered through the Detroit Library Commission. Funding for library operations is generated through a dedicated millage of 4.63 mills. As Michigan's largest public library system, DPL offers services through its Main Library and 21 neighborhood branches: a collection of over 4.4 million cataloged items which includes books, magazines, and professional journals, as well as extensive audio, video, and DVD collections; 4 million manuscripts, music scores, photographs, pictures, and government documents; and over 800 public access computers.

## Operating Programs and Services

- **The Main Library**, located in the Midtown Cultural Center, is an architectural jewel and the largest public library building in the state. It is a center for literacy support, library services, cultural programming, technology access, and computer classes.
- **The Mobile Library** allows Wayne County residents to check out books and audio-visual materials, access digital collections, connect with free Wi-Fi, or participate in program activities.
- **Library Collections** are composed of four departments in the Main Library which includes Circulation; Business, Science & Technology (BST) and Social Science, Education & Religion (SSER); Special Collections; and Music, Art & Literature (MAL).
- **Library Branches** include Bowen, Campbell, Chandler Park, Chaney, Chase, Conely, Duffield, Edison, Elmwood Park, Franklin, Hubbard, Jefferson, Knapp, Lincoln, Parkman, Redford, Sherwood Forest, SIR Douglas, Skillman, and Wilder in Detroit's neighborhoods. They serve as community centers connecting citizens to information and technology. Each branch is different, offering a range of services and programs tailored to fit the specific community served.
- **Library Enrichment Programs** includes three (3) departments in the Main Library: 1) Children's Library, 2) Children's Library Services, and 3) Technology, Literacy & Career Center (TIP)/The Community Information & Referral Service (TLC).
- **Administration** is composed of twelve (12) departments: Director's Office, Marketing, Human Resources, Public Services Office, Bibliography, Print Shop, Technical Processing, Information Technology, Financial Operations, Facilities, Security Operations, and Shipping.
