- The annual Budget report is updated this month to reflect supplemental General Fund appropriations approved by City Council in March 2025 (\$46.4 million) and April 2025 (\$12 million). The total \$58.4 million supplemental appropriations support these major items:
  - \$14.5 million transfer to Solid Waste
     Management Fund for the enhanced trash hauling contracts and service expansion
  - \$8 million for General Services Department to cover inflationary pressures for fuel, parts, and services
  - \$7.0 million for board up and clean out of various sites throughout the city
  - \$6 million for the emergency flood response in Southwest Detroit
  - \$4.4 million for facility improvements
  - \$3.1 million for Electrical Vehicle (EV) charging stations throughout the city on major corridors

- \$3.0 million for City-wide Outcome Advertising
- \$2.7 million for DDOT new bus shelters and vehicle repairs
- \$1.7 million for Charles H. Wright Museum capital and operating support
- \$1.5 million for DEGC Detroit Legacy Business Program support
- \$1.4 million for GSD park capital improvements
- \$1.0 million for Detroit Historical Museum operating support
- \$0.9 million for community violence intervention
- \$0.8 million for Eastern Market Shed 4 capital support
- The Annualized Projection for FY 2025 assumes the February 2025 Revenue Estimating Conference results remain the City's official revenue estimates for appropriations purposes. The \$13.6 million projected revenue surplus represents the \$72 million estimated revenue increase compared to the FY25 Adopted Budget, net of the above approved supplemental appropriations.
