RE: **RECOVERY PARK UPDATE**

City Council President Mary Sheffield has requested the Legislative Policy Division (LPD) to provide an update on the status of the RecoveryPark Project.

BACKGROUND

RecoveryPark was incorporated as a nonprofit in 2010, along with a holding company, RecoveryPark Farms. Founder Gary Wozniak pitched the project as a for-profit, large-scale commercial farm that would sell produce to local businesses while also having a non-profit component that would provide jobs to individuals who were encountering barriers to employment, such as prior issues with addiction, criminal records, or illiteracy.

RecoveryPark launched a pilot farm in 2014, which quickly garnered national media attention and support from organizations such as the Fred A. and Barbara M. Erb Family Foundation, the Kresge Foundation, the John S. and James L. Knight Foundation, the Scripps Howard Foundation, DTE Energy, SHAR, and the Michigan Economic Development Corporation's Michigan Strategic Fund, among others.¹

In 2015, the City announced a deal to transfer roughly 40 acres of land owned by the City and the Detroit Land Bank Authority (DLBA) to Recovery Park under a lease agreement.² The lease was for a term of 5 years, and RecoveryPark was required to pay roughly \$100 per acre each year and given the option to purchase the land in 3 portions throughout the lease term if certain conditions were met. It appears that RecoveryPark was able to meet the conditions necessary to exercise its purchase options, as the Wayne County Register of Deeds shows multiple deed transfers from the DLBA and the City of Detroit to RecoveryPark in early 2019.

Throughout the first few years of the lease term, it appeared that RecoveryPark was making progress, hiring Detroiters and building a series of hoop houses that were supplying produce to local restaurants. Wozniak stated that the plan was to eventually accumulate funding to expand the operation to a large-scale greenhouse, although this never materialized. In early 2020, roughly a year after RecoveryPark exercised its options to purchase land, it terminated essentially all staff.

Wozniak is quoted as stating that the decision was in response to the COVID-19 pandemic, although the Detroit Metro Times reported that an email shows that RecoveryPark staff were terminated on February 11, 2020 which was almost a month prior to the first confirmed case of COVID-19 in Michigan.³ The email stated that “[t]he decision has been made by the equity investors not to proceed to a closing” and that [w]e have no choice but to start winding down our operations.⁴ Nonetheless, RecoveryPark received two rounds of Paycheck Protection Program (PPP) loans for \$91,700 in April 2020 and \$92,900 in February 2021.

The Detroit Metro Times investigated the status of RecoveryPark back in 2021, finding that the existing hoop houses were foreclosed on by the construction firm that built them and that they were empty and in a state of disrepair aside from 2 that were being leased by the construction firm to recoup its losses.⁵ RecoveryPark’s financial hardship existed prior to the pandemic, with a 2018-2019 audit reportedly showing a loss from operations of \$1,057,354 and a net asset deficiency of \$2,204,479.

According to the last available tax filings from ProPublica in 2021, RecoveryPark had a net income of negative \$74,989 and net assets of negative \$3,550,065.⁶

Hoop Houses in 2021 as shown from Metro Times investigation.

Although it is not clear to what extent RecoveryPark's increasing debt obligations played in the various equity investors backing out of the deal,⁷ for all intents and purposes the project ceased all operation in 2020 and has not been able to secure new investment to revive it. Since that time, Wozniak has been embroiled in various personal and legal disputes including a defamation complaint against Darin McLeskey⁸ for alleging that RecoveryPark was going to sell off properties to real estate speculator Tatarian,⁹ allegations that former investors leveraged their experience and connections with RecoveryPark to start a similar for-profit business in Chesterfield Township,¹⁰ a court order to repay its \$750,000 loan to the Michigan Strategic Fund for failing to meet the loan requirements, and a cease and desist order from the Michigan Department of Licensing and Regulatory Affairs for issuing promissory notes to former investors which allegedly constituted unregistered securities.¹¹

OPERATIONAL STATUS

RecoveryPark has essentially ceased all operations since early 2020. The most recent reporting regarding Wozniak and RecoveryPark states that Wozniak announced plans to bring several franchises of fast-casual Mexican restaurant Ori'Zaba's Scratch Mexican Grill to metro Detroit and to integrate the franchises with RecoveryPark's mission to provide opportunities for returning citizens and recovering addicts.¹² Although the reporting was from 2023, no such franchises have opened.

LAND OWNERSHIP

Although LPD is not aware of any sales or transfers of properties acquired by RecoveryPark at a prior date, the Wayne County Register of Deeds shows 3 certificates of forfeiture of real property from RecoveryPark Farms to the Wayne County Treasurer from March of 2023 and 2025, suggesting that some or all of the land has returned to the county due to tax foreclosure. LPD will reach out to the Wayne County Treasurer's Office to determine which properties were forfeited, and the City may exercise its right of first refusal to acquire these properties.

NUISANCE AND BLIGHT VIOLATIONS

LPD has reached out to the Buildings, Safety Engineering, and Environmental Department inquiring whether any of the parcels sold to RecoveryPark have incurred nuisance and/or blight violations. Our office has not received a response as of the date of this report but will provide any supplemental information we receive in the future.

BENCHMARKS UNDER THE LEASE AGREEMENT

The lease agreement provided the option to purchase parcels of land in 3 areas throughout the lease term. RecoveryPark could purchase the land in area 1 within the first 36 months, the land in area 2 in the first 48 months provided that there were at least 6 one-acre greenhouses or high tunnel facilities and RecoveryPark had purchased area 1, and the land in area 3 provided that there were at least 9 one-acre greenhouses or high tunnel facilities and RecoveryPark had purchased area 2. It appears that RecoveryPark met these benchmarks, although they were minimal.¹³

REVERTER CLAUSE

The lease agreement between RecoveryPark and the City contained a clause that allowed the City to exercise a right of reverter to retake title of properties acquired by RecoveryPark if it failed to satisfy its obligations under the lease. According to the original lease terms, the City's right of reverter expired 5 years after the commencement of the lease term on November 1, 2015.¹⁴ After consulting with the Law Department, our office is not aware of any subsequent agreements that would have extended the right of reverter, although the Law Department may be able to provide more insight on this matter.

LEASE AGREEMENT
BETWEEN
THE CITY OF DETROIT,
THE DETROIT LAND BANK AUTHORITY
AND
RECOVERYPARK

CONTRACT NO.

LEASE AGREEMENT

BY AND BETWEEN

THE CITY OF DETROIT, THE DETROIT LAND BANK AUTHORITY AND RECOVERY PARK

THIS LEASE AGREEMENT (this "Lease") is entered into by and between the City of Detroit, a Michigan municipal corporation, acting by and through its Planning & Development Department (the "City"), with offices at 2 Woodward Avenue, Suite 808, Detroit, MI 48226, the Detroit Land Bank Authority ("DLBA") with offices at 500 Griswold Street, Suite 1200, Detroit, MI 48226, and Recovery Park (the "Tenant"), a Michigan non-profit corporation, with offices 8201 St. Aubin, Suite 200, Detroit, MI 48211.

RECITALS:

WHEREAS, the City and DLBA each separately own certain real property in Detroit, Michigan totaling roughly 40 +/- acres (the "Premises") as more fully described in Exhibit A, which is attached hereto and incorporated by reference herein, and which specifies which lots are owned by the City and which lots are owned by DLBA; and

WHEREAS, the Premises is part of a project area bounded by I-94, E. Forest Avenue, St. Aubin Street and Chene Street (the "Project Area") as more fully described in Exhibit B, which is attached hereto and incorporated by reference herein; and

WHEREAS, the City and DLBA (referred to collectively as the "Landlord") each desire to lease to Tenant their respective parcels of the Premises, and Tenant desires to lease the Premises from Landlord upon the terms, covenants and conditions set forth in the Lease; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. PREMISES AND AUTHORIZED USE

1.01 Landlord hereby leases to the Tenant and the Tenant hereby accepts from Landlord the exclusive use and occupancy of the Premises, together with all necessary ingress and egress, and all fixtures, equipment and property now or hereafter installed or placed within. The Premises consists of approximately 40 +/- acres. Tenant shall have exclusive use of the Premises for agricultural purposes and incidental uses thereto. The Tenant shall procure, at its sole expense, any license, permit or zoning approval required for the proper and lawful conduct of the Tenant's business or other activity carried on in accordance with the above use.

2. TERM OF LEASE

2.01 The term of this Lease shall be for five (5) years commencing on November 1, 2015 and expiring at midnight on October 31, 2020 ("Lease Term") unless otherwise terminated pursuant to the provisions of this Lease. The term "Lease Year" shall commence on November 1st of each respective year of the Lease Term and end the following October 31st.

3. RENT

3.01 Tenant shall pay to the Landlord as rent for lease of the Premises ("Rent") during the first year of the Lease Term the greater of 1) the sum of Three Thousand Seven Hundred and Sixty Three and 00/100 Dollars (\$3,763.00) or 2) the Calculated Rent Rate released in October 2015. Rent shall be paid by the Tenant on an annual basis and by November 1st of each Lease Year of the Lease Term. The parties agree that Rent is fair market value for the Premises.

Rent for Lease Years after the first year of the Lease Term will be determined annually, and be an amount equal to the average cash rent paid per acre in the applicable geographic area or district, based on the type of land use, as determined in October of every year by Michigan State University Department of Agricultural, Food, and Resource Economics (or any successor to such department, and if none, then a similar survey or other determination of Michigan agricultural land values and leased farmland rates as may be mutually acceptable to Tenant and Landlord), rounded to the nearest hundred ("Calculated Rent Rate").

For example, pursuant to the Michigan State University Department of Agricultural, Food, and Resource Economics Report No. 645 released in October 2014, the average cash rent for "field crop non-tiled" in southeast Michigan (District 9) was \$105 per acre. Accordingly, the Calculated Rent Rate for this example would be \$3,763.00 due on November 1, 2014.

Rent for each Lease Year shall be paid in its entirety, shall be deemed earned upon payment, and is nonrefundable if the Lease is terminated during that respective Lease Year.

3.02 Tenant shall make its Rent payments as follows:

(a) For the Rent percentage share owed to the City, Rent payments shall be made payable to "City of Detroit - Treasurer" and submitted to the Detroit Building Authority, Attn: Ms. Jill K. Bryant, 1301 Third Street, Suite 328, Detroit, MI 48226 or such other address as City may from time to time designate in writing to Tenant.

(b) For the Rent percentage share owed to the DLBA, Rent payments shall be made payable to "Detroit Land Bank Authority" and submitted to the Detroit Land Bank Authority, Attn: Accounting, 500 Griswold, Suite 1200, Detroit, MI 48226 or such other address as DLBA may from time to time designate in writing to Tenant.

4. TAXES AND UTILITY CHARGES

4.01 Rent for the Premises, as set forth above, does not include taxes and utilities and Tenant is required to remit additional amounts for such taxes or utilities. The above notwithstanding, Tenant will pay when due all taxes assessed specifically against Tenant with respect to the Premises, including for Tenant's personal property or equipment on the Premises. Any and all utilities for the Premises shall be paid directly to the respective utility company by Tenant.

5. INSURANCE

5.01 Tenant shall assume all risks of its operations and use of the Premises and shall maintain at its expense during the Lease Term the following insurance:

<u>TYPE</u>	<u>AMOUNT NOT LESS THAN</u>
(a) Workers' Compensation	Michigan Statutory minimum
(b) Employers' Liability	\$500,000.00 minimum each disease \$500,000.00 minimum each person \$500,000.00 minimum each accident
(c) Commercial General Liability Insurance (Broad Form Comprehensive)	\$1,000,000.00 each occurrence \$2,000,000.00 aggregate
(d) Automobile Liability Insurance (covering all owned, hired and non-owned vehicles with personal and property protection insurance, including residual liability insurance under Michigan no fault insurance law)	\$1,000,000.00 combined single limit for bodily injury and property damage

5.02 Tenant shall be responsible for payment of all deductibles contained in any insurance required of the Tenant hereunder.

5.03 Tenant's commercial general liability insurance policy shall include an endorsement naming the "City of Detroit" and "Detroit Land Bank Authority" as additional insureds. The additional insured endorsement shall provide coverage to the additional insured with respect to liability arising out of the named insured's operations at or use of the Premises. The commercial general liability policy shall state that the Tenant's insurance is primary and not excess over any insurance already carried by the City of Detroit or Detroit Land Bank Authority, and shall provide blanket contractual liability insurance for all written contracts.

5.04 All insurance policies shall be accompanied by a commitment from the insurer that such

policies shall not be canceled or reduced without at least thirty (30) days prior notice to the Landlord. Certificates of insurance evidencing the coverage required by this Section shall, in a form acceptable to the City, be submitted to the Landlord upon Tenant's execution of the Lease.

5.05 If any work is contracted out by Tenant or for any Improvements made by Tenant in connection with this Lease, the Tenant shall require each contractor to effect and maintain the types and limits of insurance set forth in this Section and shall require documentation of same, copies of which shall be promptly furnished to the Landlord.

5.06 If during the Lease Term, changed conditions or other pertinent factors, should in the reasonable judgment of the Landlord, render inadequate the insurance limits stated above, the Tenant shall furnish on demand such additional coverage as may reasonably be required under the circumstances. All such additional insurance shall be effected at the Tenant's expense, under valid and enforceable policies issued by insurers of recognized responsibility which are well-rated by national rating organizations and are reasonably acceptable to the Landlord.

5.07 The provisions requiring the Tenant to carry such insurance shall not be construed in any manner as waiving or restricting the liability of the Tenant under this Lease.

6. INDEMNITY

6.01 The Tenant shall indemnify and save harmless the City, the DLBA and all of each entities other associated, affiliated, allied or subsidiary entities or commissions now existing or hereafter created, their agents and employees against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses, architects, engineers and other consultants) which may be imposed upon, incurred by or asserted against the City and/or the DLBA by reason of any of the following occurring on the Premises during the Lease Term:

(a) any work, act, error, omission or thing done in or about the Premises, or any part thereof or affecting same, by Tenant or its agents, subcontractors, employees, licensees, invitees, or associated, affiliated or subsidiary entities of Tenant (herein all collectively called "Associates") for whose acts any of them might be liable;

(b) any Associates' or Tenant's use, nonuse, possession, occupation, condition, operation, maintenance or management of the Premises or any part thereof or any street, alley, sidewalk, curb, passageway or space adjacent thereto, or of Tenant's equipment;

(c) any negligent or tortious act or omission of Tenant, Tenant's Associates or subtenants of Tenant;

(d) any accident, injury or damage to any person or property occurring on the Premises;

(e) any failure by Tenant to perform its obligations under this Lease; and

(f) any loss or expense incurred by an employee of the City and/or DLBA which arises out of or pursuant to the Tenant's performance or lack of performance under this Lease.

The laws of the State of Michigan, as interpreted by a Michigan court of law, shall be applied to determine percentages of fault resulting from claims successfully adjudicated for damages by third parties against Tenant, City and/or DLBA.

6.02 Tenant has examined and inspected the Premises and takes same "AS IS". The Landlord has made no warranties or representations of whatever nature in connection with the condition of the Premises, and the Landlord shall not be liable for any defects contained therein. The Landlord makes no warranties or representations, express or implied, as to title to its interest in the Premises.

6.03 Tenant agrees that it is its responsibility to safeguard its property and equipment that it or its contractors use or have in their possession on or about the Premises and Tenant agrees to hold the Landlord harmless for any loss of such property or equipment. Further, except as otherwise provided herein, the Landlord shall not be responsible or liable to the Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining premises or any part of the premises adjacent to or connected with the Premises or from any loss or damage resulting to the Tenant, or its property, from roof or wall leaks or bursting, stoppage, or leaking of water, gas, sewer or steam pipes, and the like, or for any damage or loss of property within the Premises from any other cause whatsoever.

7. MAINTENANCE AND REPAIRS; DAMAGE AND DESTRUCTION

7.01 Tenant shall keep and maintain the Premises to a level that, at a minimum, meets all laws, codes and regulations. Tenant is responsible for all maintenance work including both the interior and exterior of any and all structures and buildings. This includes, but is not limited to, routine maintenance and major building systems maintenance and repairs. Tenant is also responsible for maintaining the site, including all landscaping, grass cutting, snow removal, trash removal and parking lot maintenance.

7.02 Tenant at its sole cost and expense shall keep the Premises in a clean, sanitary and safe condition.

7.03 Tenant shall promptly give notice to Landlord if, during the Lease Term, the Premises or any part thereof shall be damaged or destroyed by fire or other major casualty, specifying the date, nature and extent of such damage or destruction. Tenant shall take whatever steps as may be necessary to prevent further damage or destruction to the Premises resulting from such fire or other major casualty.

(a) In the event that any or all of the Premises shall suffer damage or destruction at any time during the Lease Term, the respective rights and obligations of the parties hereto with respect to reconstruction, repairing, and/or restoring such damage or destruction and/or with respect to the matter of the continuance or termination of this Lease following any such damage or destruction, shall be controlled by the provisions of this Section.

- (a) In the event the Premises shall suffer damage or destruction then:
 - (i.) Tenant shall perform the reconstruction, repair, and/or restoration of such damage or destruction.
 - (ii.) If, within a reasonable period of time after the date of any damage or destruction, Tenant has not completed the reconstruction, repair, and/or restoration of the damaged/destroyed area, then the City may terminate the Lease by giving an advance written Notice of Termination to Tenant that gives Tenant sixty (60) days to be completely removed from the Premises.
 - (iii.) Tenant shall still pay the full amount of the Rent at all times during the period of any Tenant reconstruction, repair, and/or restoration of such destruction.

8. DEFAULT AND TERMINATION

8.01 Each of the following occurrences shall constitute a default under the Lease ("Event of Default"):

- (a) Tenant's failure to pay Rent when due and such failure is not cured within thirty (30) days of written notice from the Landlord;
- (b) Tenant's failure to pay all taxes when due;
- (c) Failure by the Tenant to perform, comply with, or observe any condition or obligation under this Lease and such failure is not cured within ninety (90) days of written notice from the Landlord;
- (d) the filing of a petition by or against Tenant (1) in any bankruptcy or other insolvency proceeding; (2) seeking any relief under any state or federal debtor relief law; (3) for the appointment of a liquidator or receiver for all or substantially all of Tenant's property or for Tenant's interest in this Lease;
- (e) Tenant fails to maintain or ceases to actually use any portion of the Premises, abandons any portion of the Premises or vacates any substantial portion of the Premises;
- (f) the making by Tenant of an assignment for the benefit of its creditors.

8.02 Remedies. Upon any Event of Default and after any cure periods allowable under this Lease, the Landlord may, in addition to all other rights and remedies afforded it hereunder or by law or equity, terminate this Lease by giving the Tenant written notice thereof, in which event, Tenant shall pay to Landlord the sum of all Rent accrued hereunder up to the date of termination.

8.03 Termination for Convenience by Tenant. Tenant may terminate this Lease at its convenience at any time during the Lease Term by giving Landlord a written Notice of Termination at least six (6) months before the effective date thereof.

8.04 Surrender of Premises on Termination. Notwithstanding anything in this Lease to the contrary and upon termination or expiration of the Lease, Tenant shall surrender the Premises, with all Improvements made by Tenant or Landlord thereon, in good working condition, reasonable wear and tear excepted. Upon any termination or expiration of this Lease, any personal property belonging to Tenant that is left in or about the Premises after such termination or expiration shall be deemed abandoned and either the City or DLBA (depending on whose land the personal property sits) shall have the right to keep said property as its own without any obligation to Tenant for repayment and without any liability for damages to Tenant whatsoever. Any government authority serving a writ of restitution for redelivery of possession of the Premises may rely on this provision. Landlord shall also have the right to discard said property without liability for damages, and Tenant shall reimburse Landlord for the removal of same.

8.05 The Tenant shall pay Landlord for all costs and expenses, including, without limitation, reasonable fees and expenses of attorneys, expert witnesses, architects, engineers and other consultants, incurred by the City in obtaining possession upon expiration or termination of the Lease or in enforcing any obligation of Tenant under this Lease, provided that the Landlord prevails in whole or in part. Tenant is not responsible for the payment obligations under this Section if Tenant completely prevails.

8.06 In the event that this Lease is terminated pursuant to this Section 8, any options to purchase, such as Section 22.01 of this Lease, shall also be terminated and rendered null and void if such options to purchase have not already been executed at the time of termination of this Lease.

9. LIENS

9.01 Tenant shall keep the Premises free from any and all liens arising out of any work performed, materials furnished or obligations incurred by or for Tenant.

9.02 In the event that the Premises or any part thereof or Tenant's leasehold interest therein shall, at any time during the Lease Term, become subject to any vendor's, mechanic's, laborer's, material man's or other lien, encumbrance or charge based upon the furnishing of materials or labor to or for the benefit of Tenant, Tenant shall cause the same, at its sole cost and expense, to be satisfied or discharged within twenty (20) days, or by filing a bond (as provided by statute) within twenty (20) days, after notice thereof to Tenant given by or on behalf of the lienor. Failure to discharge such a lien against the Premises by Tenant shall be considered an Event of Default under the terms of this Lease.

10. ASSIGNMENT AND SUBLETTING

10.01 Tenant shall have no right to assign, mortgage, pledge or otherwise transfer this Lease, either voluntarily or by operation of law, in whole or in part, without the prior written consent of the City and DLBA for their respective properties in each instance.

10.02 Tenant shall have no right to sublease the Premises without the prior written consent of the City and DLBA for their own respective properties in each instance.

10.03 Any approval of any assignment or sublease may be conditioned on Tenant's assignee or subtenant entering into an agreement that contains terms and conditions approved by the Landlord.

10.04 Neither the City nor DLBA shall have no right to assign, mortgage, pledge or otherwise transfer the Premises, in whole or in part, without the prior written notice to the Tenant.

12.01 For so long as Tenant does not own such portion of the Premises, the Tenant shall make no changes, additions, alterations, renovations or leasehold improvements of any nature whatsoever in or to the Premises or any part thereof (herein collectively called "Improvements") without City's prior written consent. Tenant shall adhere to the following procedure prior to making any Improvements:

(a) Prior to making any Improvements, the Tenant shall furnish the City with a written description of the Improvements to be made, including any detailed drawings and specifications that the City may require.

(b) Tenant shall make no Improvements to the Premises without the prior written consent of the City.

All contractors of Tenant must be licensed and insured.

12.02 Tenant hereby assigns to City or DLBA (whichever is applicable) all contractor, material and equipment warranties and guarantees received by Tenant in connection with the performance of any Improvements or of any other work conducted in or upon the Premises.

12.03 Signage. Tenant may erect signs at its sole cost on the Premise. The Tenant must secure prior written approval from City on the size, content and location of such sign prior to the purchase and installation of any such sign. Upon the expiration or earlier termination of this Lease, all signage installed by Tenant on the Premises shall be removed, and any damage resulting from the installation or removal thereof, or both, shall be promptly repaired by Tenant. In the event Tenant fails to remove said signage and/or repair said damage, if any, City may undertake such removal and repair and the cost

12.04 Parking. Any and all Tenant plans for parking areas on the Premises must first be approved by the City in writing prior to use of any such parking area. There shall be no parking on the Premises unless in areas approved by City.

13. RIGHT OF ENTRY

13.01 Upon reasonable written notice to Tenant, Landlord and its authorized representatives shall have the right to enter the Premises at all reasonable times for the purpose of examining or inspecting the Premises to ensure Tenant's compliance with this Lease.

14. CONDEMNATION; EMINENT DOMAIN

14.01 The term "Taking" shall mean a taking prior to or during the Lease Term of all or part of the Premises as the result of condemnation, the exercise of the power of eminent domain or by agreement between Landlord and the condemning authority. The term "Date of Taking" shall mean the date on which title is vested in the condemning authority.

14.02 In the event of a Taking of the whole of the Premises, this Lease shall terminate on the Date of Taking.

14.03 In the event of a Taking of less than all the Premises, Landlord within thirty (30) days after the Date of Taking, may terminate this Lease as to the balance of the Premises effective on the Date of Taking. If Landlord shall not give notice of termination of this Lease within thirty (30) days after the Date of Taking, then this Lease shall remain in full force and effect with respect to the part of the Premises not the subject of the Taking; provided, however, if Landlord shall be compensated for the Taking, the Rent payable from and after the Date of Taking shall be reduced pro rata in proportion to the percentage of the Premises taken as of the date of Taking. Tenant will have the right to terminate this Lease upon thirty (30) days written notice after the Date of Taking, effective on the Date of Taking, in the event of a Taking of more than twenty-five percent (25%) of the usable square footage of the Premises.

14.04 Except as otherwise provided in Section 14.03 above, the Landlord is entitled to receive the entire award for any Taking, (inclusive of the value of any and all fixtures and Improvements) and Tenant hereby assigns to Landlord all its right, title and interest in and to such award. Tenant shall be entitled to make a claim against the condemning authority only for the value of any equipment and/or fixtures of the Tenant and Tenant's moving expenses which may be compensable as a result of the Taking. Nothing contained in this Section shall be deemed to prevent Landlord from settling any threatened or filed condemnation proceeding.

14.05 From time to time during the Lease Term, Landlord may convey title to, or grant easements in, portions of the land included in the Premises to governmental authorities or utility companies for road widening, curb rounding and water, sewer, electrical, communication and other

utility lines. Any such conveyance or grant shall not be deemed a Taking unless Landlord receives compensation therefor, and there shall be no reduction in the Rent payable hereunder.

14.06 In the event that only a portion of the Premises will be taken as hereinabove described and this Lease is not terminated pursuant to the provisions of this Section, then Landlord will, at its sole cost and expense, restore the remaining portion of the Premises to the extent necessary to render it suitable for the purposes for which it was leased, provided that the cost thereof will not exceed the proceeds of its condemnation award.

15. FAIR EMPLOYMENT PRACTICES

15.01 Tenant covenants that it shall not discriminate against any employee or applicant for employment, training, education, or apprenticeship connected directly or indirectly with the performance of this Lease, with respect to his or her hire, promotion, job assignment, tenure, terms, conditions or privileges of employment because of religion, race, color, creed, national origin, age, marital status, handicap, public benefit status, sex, or sexual orientation. This provision shall not apply if it is determined by City's Human Rights Department that such requirements are bona fide occupational qualifications reasonably necessary to the performance of the duties required by employment. The burden of proof that the occupational qualifications are bona fide is upon Tenant. Tenant shall promptly furnish any information reasonably required by City or its Human Rights Department pursuant to this Section.

(a) Tenant further agrees that it shall notify any Associate of Tenant's obligations relative to non-discrimination under this Lease when soliciting an Associate and shall include the provisions of this Section in any contract or subcontract relating to Tenant's performance under this Lease as well as provide City with a copy of any such contract or subcontract upon request. Tenant further agrees to take such action with respect to any such subcontract as Tenant may direct as a means of enforcing the provisions of this Section.

(b) Breach of the terms and conditions of this Section shall be regarded as a material breach of this Lease if such breach shall continue for more than thirty (30) days after receipt of notice of such breach by Tenant. In the event Tenant fails to comply with this Section, City, at its option may utilize such remedies as may be provided by law.

16. WASTE AND NUISANCE

16.01 The Tenant shall not commit or suffer to be committed any waste upon the Premises, and shall not place a load, machinery, or equipment upon the Premises which exceeds the load per square foot area which such area can carry. Tenant shall not commit or suffer to be committed any nuisance or other act or thing which may disturb the quiet enjoyment of any neighbor to the Premises.

17. HAZARDOUS SUBSTANCE

17.01 For the purposes of this Lease, the term "**Hazardous Materials**" shall mean, collectively, (i) any materials, chemicals, materials, substances or wastes which are now or hereafter become defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials", "extremely hazardous wastes", "restricted hazardous wastes", "toxic substances", "toxic pollutants", or words of similar import, under any applicable Environmental Law (as defined below) and (ii) any petroleum or petroleum products and asbestos in any form that is or could become friable.

17.02 For the purposes of this Lease, the term "**Environmental Laws**" shall mean all federal, state, and local laws, statutes, ordinances, regulations, criteria, guidelines and rules of common law now or hereafter in effect, and in each case as amended, and any judicial or administrative interpretation thereof, including, without limitation, laws and regulations relating to emissions, discharges, releases or threatened releases of Hazardous Materials or otherwise related to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials. Environmental Laws include but are not limited to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended; the Resource Conservation and Recovery Act, as amended; the Clean Air Act, as amended; the Clean Water Act, as amended; and their state and local counterparts or equivalents.

17.03 Hazardous Materials. Tenant shall not use, handle, generate, treat, store or dispose of, or permit the handling, generation, treatment, storage or disposal of any Hazardous Materials in, on, under, around or above the Premises during the Lease Term unless the Tenant agrees to follow all Environmental Laws in doing so and agrees to indemnify the City and DLBA from any and all liability that may arise from such activities. Any and all claims, costs, expenses, fines, and losses of any kind (including but not limited to those arising from injury to or the death of any person, damage to or loss of use or value of real or personal property, and costs of investigation, cleanup, and attorneys' and consultants' fees) incurred by City and/or DLBA which arise solely due to the acts, omissions, or failure to act of Tenant, its agents, employees, contractors, and servants and arising out of or are related to Tenant's use of the Premises during the Lease Term shall constitute additional fees and shall be payable within thirty (30) days after receipt of City's and/or DLBA's invoice and supporting documentation.

17.04 Hazardous Materials Remediation. Tenant shall assume the sole responsibility of all environmental response and remediation of Hazardous Materials that are introduced into the Premises by the Tenant, or Associates. In the event Tenant shall discover Hazardous Materials within the Premises, Tenant shall notify Landlord and advise Landlord of its plans for environmental response and remediation of the Hazardous Materials. Except for those Hazardous Materials introduced into the Premises by Landlord, Landlord shall not be responsible for the costs to abate any Hazardous Materials introduced into the Premises by the Tenant, or Associates or any third party.

18. BANKRUPTCY OR INSOLVENCY

18.01 Tenant agrees that if the estate created hereby shall be taken in execution, or by other process of law, or if Tenant shall be declared bankrupt or insolvent according to law, or any receiver, custodian or trustee be appointed for the business and property of Tenant, or if any assignment shall be

made of the Tenant's property for the benefit of creditors, then and in any such events, this Lease may be terminated at the option of the Landlord as an Event of Default by Tenant in accordance with the termination provisions set forth herein.

19. HOLDING OVER

19.01 If Tenant retains possession of the Premises or any part thereof after the expiration or termination of this Lease by lapse of time or otherwise, Tenant shall continue its tenancy from month to month under the same terms and conditions of the lease, except that Rent shall increase by one hundred fifty (150%) percent over the prior year until a new lease or lease amendment is executed between the City, DLBA and Tenant, or until Tenant vacates the Premises. The provisions of this Section shall not be deemed to limit or exclude any of the Landlord's rights of reentry or any other right granted to Landlord according to the terms of this Lease or under law. Tenant shall also pay to the City and DLBA upon demand all costs incurred by the City and DLBA to cure Tenant's default, as well as all actual costs incurred by the City and DLBA to retake possession of the Premises.

20. QUIET POSSESSION

20.01 The Landlord covenants that the Tenant, upon its observing the terms and conditions of this Lease, shall and may peacefully and quietly have, hold and enjoy the Premises during Lease Term free from unreasonable interference by Landlord.

21. AMENDMENTS

21.01 The Tenant or Landlord may from time to time consider it in its best interest to change, modify or extend a term, condition or covenant of this Lease. Any such change, modification or extension, which is mutually agreed upon by and between the parties shall be incorporated in a written amendment ("Amendment") to this Lease. Such Amendment shall require separate approval by Detroit City Council. Such Amendment shall not invalidate this Lease nor relieve or release the parties of any of its obligations under the Lease unless stated therein.

22. ADDITIONAL TERMS

22.01 Option to Purchase. The City and the DLBA each separately grant RecoveryPark Farms, Inc. ("RPF"), a Michigan corporation, which is affiliated with the Tenant, the following:

(a) within the first (1st) thirty-six (36) months of the Lease Term, the option to purchase such of the Premises that each owns within Area 1; and

(b) within the first (1st) forty-eight (48) months of the Lease Term, the option to purchase such of the Premises that each owns within Area 2, provided that at such time (i) there are at least six (6) one-acre greenhouses or high tunnel facilities on the Project Area and (ii) RPF has purchased Area 1; and

(c) within the first (1st) sixty (60) months of the Lease Term, the option to purchase such of the

Premises that each owns within Area 3, provided that at such time (i) there are at least nine (9) one-acre greenhouses or high tunnel facilities on the Project Area and (ii) RPF has purchased Area 1 and Area 2.

In addition to the foregoing, the City and DLBA's obligation to sell such portion of the Premises to RPF is further conditioned on the following: (i) such portion of the Premises' then-applicable zoning allowing the proposed land use under the City's zoning ordinance; (ii) RPF shall have provided reasonable proof to Landlord of RPF's ability to pay the purchase price for the respective Area; and (iii) Tenant shall have otherwise met all of its obligations under this Lease and no Event of Default shall be outstanding beyond any applicable notice and cure period. Area 1, Area 2 and Area 3 are shown on Exhibit B.

The purchase price for the real property in each Area will be an amount equal to the average cash purchase price paid per acre in the preceding year in the applicable geographic area or district, based on the type of land use, as determined by Michigan State University Department of Agricultural, Food, and Resource Economics (or any successor to such department, and if none, then a similar survey or other determination of Michigan agricultural land values and leased farmland rates as may be mutually acceptable to Tenant and Landlord), rounded to the nearest hundred. RPF will pay all transfer costs in connection with each purchase, including (without limitation) title examination, survey, and environmental costs.

This option to purchase shall be approved by Detroit City Council by resolution at the time of approval of this Lease.

Any portion of the Premises sold pursuant to this Lease shall no longer be a part of the Premises for purposes of this Lease, however Sections 22.02 and 22.04 shall survive.

22.02 Right of Reverter. If (1) RPF has exercised any option to purchase any of the Premises and (2) Tenant is in default or fails to satisfy any of Tenant's obligations under this Lease, then the City may exercise a right of reverter and retake title to any of the Premises acquired by RPF that have not been improved with a greenhouse or high tunnel facility and any of the Premises acquired by RPF that have been improved with a greenhouse or high tunnel facility but that is not in actual use for agricultural purposes. For purposes of the City's right of reverter, the Tenant's obligations stated in Section 22.04 shall run with the land and shall survive the termination of the Lease due to RPF's exercise of its options. The City's right of reverter shall expire on the date five (5) years after the commencement of the Lease Term.

22.03 Any additional land within the Project Area which Landlord may acquire through tax foreclosure after the commencement of the Lease may be made a part of the Premises, subject to Detroit City Council approval of an amendment to this Lease. If Detroit City Council approves adding such additional land to the Premises, such additional land shall be subject to the Lease and RPF's option to purchase under Section 22.01 if approved by Detroit City Council by resolution. Landlord may, but is not expressly obligated to, notify Tenant in writing of the acquisition of land within the Project Area through tax foreclosure. Tenant may inquire of Landlord in writing as to whether specific property has come into ownership of Landlord.

22.04 The Tenant is responsible for the following obligations:

(a) Within one hundred twenty (120) days of possession of the Premises, Tenant will maintain the Premises by mowing not less than once every three weeks during the growing season. Tenant will promptly remove all garbage, trash, and debris from the Premises.

(b) Within twelve (12) months of possession of the Premises, Tenant shall (1) relocate its Waterford, Michigan operations to the Project Area; and (2) operate at least one (1) one-acre greenhouse or high tunnel facility on the Project Area; and (3) cause at least 51% of the employees working at the Project Area to be employees who are Detroit residents; and (4) (a) secure or demolish any vacant structures on the Premises to a non-blight condition, and (b) present a plan to Landlord for the future use of any structures on the Premises that are not demolished. Tenant will demolish any structure deemed by Landlord as unsafe or blighted and for which Tenant does not have a future use acceptable to Landlord. All demolitions will be in accordance with the City Code and to standards acceptable to Landlord.

(c) Within twenty four (24) months of possession of the Premises, at least three (3) one-acre greenhouses or high tunnel facilities shall be in operation on the Project Area.

(d) Within thirty six (36) months after commencement of the Lease, at least six (6) one-acre greenhouses or high tunnel facilities shall be in operation on the Project Area.

(e) Within thirty-six (36) months of possession of the Premises, Tenant shall cause at least 60% of the employees working at the Project Area to be employees who are Detroit residents, which obligation shall continue for sixty (60) months from the date of the Lease, and surviving the termination of the Lease.

(f) Within forty eight (48) months after commencement of the Lease, at least nine (9) one-acre greenhouses or high tunnel facilities shall be in operation on the Project Area.

(g) Any portion of the Premises not actively used by the Tenant for agricultural purposes will be landscaped and used in accordance with standards and principles mutually determined by the Landlord's Planning and Development Department and Tenant.

22.05 The Landlord will cooperate in the following manner with respect to Tenant's efforts in the Project Area:

(a) The City's Planning and Development Department will support Tenant's efforts to obtain financing, grants and incentives from third parties.

(b) Landlord will attempt to encourage utility providers to focus on the Project Area with any "right-sizing" programs that may be available.

(c) The City will reasonably cooperate with Tenant in connection with Tenant's requests for street closures and alley vacations within the Project Area, subject to the approval of the City's Department of Public Works and within the sole discretion of the Detroit City Council.

(d) Landlord will use reasonable efforts to attempt to include Tenant-specified structures on the Premises within its demolition program, if any. Tenant shall reimburse Landlord for the cost of such demolition within sixty (60) days of Landlord's invoice therefor.

22.06 Unless otherwise stated herein, the obligations of the City and the DLBA shall be separate and shall pertain only to such properties and portions of the Premises that each respective entity owns.

23. MISCELLANEOUS

23.01 No failure by Landlord or Tenant to insist upon the strict performance of any covenant, agreement, term or condition of this Lease or to exercise any right, power or remedy consequent upon a breach thereof and no acceptance of full or partial Rent by Landlord during the continuance of any such breach by Landlord shall constitute a waiver of any such breach or of such covenant, agreement, term or condition. No waiver of any breach shall affect or alter this Lease, but each and every covenant, agreement, term and condition of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

23.02 The rights and obligations contained in this Lease shall bind and inure to the benefit of Landlord and Tenant and, except as otherwise provided herein, their respective personal representatives, successors and assigns; provided, however, the obligations of Landlord and Tenant under this Lease shall no longer be binding upon Landlord named herein after the sale, assignment, or transfer by Landlord or Tenant, respectively (or upon any subsequent Landlord or Tenant), of its interest in the Premises, as owner or Landlord or Tenant, respectively, and in the event of any such sale, assignment, or transfer, such obligations shall thereafter be binding upon the grantee, assignee, or other transferee of such interest, and any such grantee, assignee, or transferee, by accepting such interest, shall be deemed to have assumed such obligations. A lease of the entire Premises, other than for occupancy thereof, shall be deemed a transfer within the meaning of this Section.

23.03 If any provision of this Lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

23.04 This Lease shall be construed and enforced in accordance with the laws of the State of Michigan. The Tenant agrees, consents and submits to the personal jurisdiction of any competent court in Wayne County, Michigan for any action brought against it arising under this Lease. The Tenant agrees that service of process at the address and in the manner specified in Section 11 will be sufficient to put the Tenant on notice and hereby waive any and all claims relative to such notice. The Tenant and Landlord also agree that they will not commence any action against the other party because of any matter whatsoever arising out of or related to the validity, construction, interpretation, and enforcement of this Lease in any courts other than those in the County of Wayne, State of Michigan unless original jurisdiction can be had in either the Michigan Court of Appeals, Michigan Supreme Court or the U.S. District Court for the Eastern District of Michigan, Southern Division.

23.05 This Lease or any part of this Lease may not be changed, waived, discharged or terminated orally, but only by an instrument in writing.

23.06 This instrument, including the Exhibits hereto, contains the entire agreement between the parties and all prior negotiations and agreements are merged herein. Neither Tenant, the Tenant's agents, Landlord nor the Landlord's agents have made any representations or warranties with respect to the Premises or this Lease, except as expressly set forth herein, and no rights, or remedies are or shall be acquired by Tenant or Landlord by implication or otherwise unless expressly set forth herein.

23.07 The Tenant agrees that neither this Lease nor any memorandum or short form thereof may be recorded without the prior consent of City.

23.08 The relationship between the parties hereto is solely that of landlord and tenant and nothing herein contained shall constitute or be construed as establishing any other relationship between them including, without limitation, the relationship of principal and agent, employer and employee or parties engaged in a partnership or joint venture. Without limiting the foregoing, it is specifically understood that neither party is the agent of the other and neither is in any way empowered to bind the other or to use the name of the other in connection with the construction, maintenance or operation of the Premises, except as otherwise specifically provided herein.

23.09 Unless the context otherwise expressly requires, the words "herein", "hereof" and "hereunder" and other words of similar import refer to this Lease as a whole and not to any particular Section.

23.10 All the terms and provisions of this Lease shall be deemed and construed to be "covenants" and "conditions" as though the words specifically expressing or importing covenants and conditions were used in each separate term and provision.

23.11 The headings of the Sections in this Lease are for convenience only and shall not be used to construe or interpret the scope or intent of this Lease or in any way affect the same.

23.12 Neither party shall be responsible for force majeure events. In the event of a dispute between the parties with regard to what constitutes a force majeure event, the determination of a court with appropriate jurisdiction, in compliance with the terms set forth herein, shall be controlling.

23.13 The obligations of Sections 22.02 and 22.04 shall survive termination of the Lease.

23.14 The Tenant warrants that it is currently authorized to do business in the State of Michigan and is amendable to service of process at the address stated in Section 11.

23.15 This Lease may be executed in any number of counterparts and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Promptly after the execution hereof the City shall transmit to the Tenant a conformed copy of this Lease.

23.16 The parties represent that they have not dealt with any brokers or finders in connection with this Lease. Each party agrees to hold the other harmless from and against any loss, damage, costs, or expenses, including court costs and reasonable attorney fees that the other may suffer as a result of the breach of the foregoing representation made by each party.

23.17 Authority of City. Notwithstanding anything in this Lease or otherwise to the contrary, the City shall not be authorized or obligated to lease the Premises to Tenant until this Lease has been fully executed by the duly authorized representatives of the City, as well as approved by the Detroit City Council, the Mayor of the City of Detroit, the City of Detroit Law Department and any other City financial review board or commission as required by law. Any amendments or modifications must likewise be duly approved by the City Council, the Mayor, and the Law Department.
