RE: AMERICAN RESCUE PLAN ACT (ARPA) FUNDS STATUS AS OF APRIL 30, 2025

This report is intended to give your Honorable Body an appropriation level status as of April 30, 2025, of the American Rescue Plan Act (ARPA) funds that the City of Detroit was awarded by the U. S. Department of Treasury.

As your Honorable Body knows, City of Detroit was awarded \$826.7 million¹ allocation from the U. S. Department of Treasury. This was part of the \$350 billion emergency funding for eligible state, local, territorial, and tribal governments as part of the American Rescue Plan Act (ARPA) of 2021 that congress passed and President Biden signed into law on March 11, 2021.

On June 29, 2021, the Administration presented a budget amendment to the City Council and the Council approved it. This was a collaborative effort between the Administration and City Council and funds were appropriated into 15 different appropriations to ensure citizens of Detroit receive the best possible benefits from these funds in order to alleviate the COVID-19 economic challenges our residents have been experiencing since start of the Pandemic.

In accordance with the requirements of the American Rescue Plan Act of 2021, the city obligated as a December 31 2024 \$826.7 million . In addition, the City is required to spend all the ARPA dollars by December 31, 2026, per the Act. As of April 30, 2025, the City has spent \$543.9 million (including \$29.3 million spent in FY 2022, \$97.4 million spent in FY 2023, \$245.5 million spent in FY 2024, and \$171.7

¹ ARPA funds allocation for Metropolitan Cities is available at U.S. Department of Treasury website:

million spent in FY2025): \$84.7 million on payroll and another \$459.2 million on contractual services. We should note that through April 30, 2025, City of Detroit spent 65.79% of the \$826.7 million ARPA funds, while 34.21% of these funds are available for use. Below is a summary of the total allocation of the \$826.7 million in ARPA dollars by appropriation, obligations, actual expenditures, and funds available as of April 30, 2025.
