

Fire Escape Plans

Keep your smoke alarms up to date

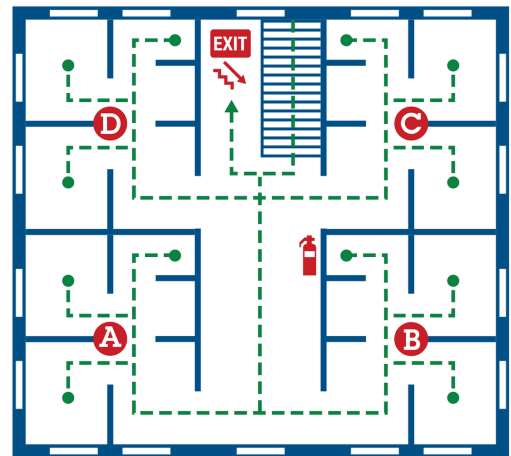

1

Make a fire escape plan and practice

2

- Practice fire drills so everyone knows what to do.

Escape Plan Level 3

Select a Rally Point

3

- A place outside the home to meet up with others in the home.
- Choose a spot down the street without having to cross the road.
- Make sure kids know where this spot is located.

If you cannot get out, shelter in place

- Call 911
- Close doors and place wet towels at the bottom of them.

Feel

If there is a fire or smoke...

Get low and go!

- Alert family.
- Have at least 2 ways out of each room if possible.
- Don't block windows and doors with furniture.
- Keep exit paths clear of clutter and debris.
