RE: Proposed Calendar and Related Resolutions for the 2026-2027 Budget Development Process

Attached please find the proposed budget calendar for the 2026-2027 budget development process for your consideration, as well as the accompanying resolutions that modify the Council's committee meeting schedules during the budget development process.

We begin with a brief discussion on the history of the city's budget timeline. In the past, the budget timeline was shortened, originally to comport with the state legislation, P.A. 181 of 2014, which amended the Home Rule City Act and states specifically that the Financial Review Commission (FRC) must be given the proposed budget 100 days prior to the beginning of the fiscal year, or March 23rd. However, due to the FRC's resolution number 2018-13, since the City has satisfied the conditions in Section 8 of P.A. 181, the deadline for submitting an approved budget has been extended to April 30th, which permits the budget calendar to be extended to four weeks and the votes to be completed by the Council and the Mayor by Thursday, April 16, 2026.

P.A. 182 of 2014 also amended the Home Rule City Act and states that the city must hold two revenue estimating conferences annually: one in the third week of February and the other in the second week of September. The next conference is scheduled for Friday, February 13, 2026, at 1:00 p.m. via Zoom and in-person (hybrid).

These estimated revenues will be the basis of the proposed budget for the following fiscal year and the Administration is scheduled to present the proposed budget to Council on Monday, March 9, 2026.

The departmental and agency budget hearings in general are scheduled for one-hour increments. Sessions for one hour and a half are suggested for departments and agencies that have many activities or have important service delivery issues that Council may wish to explore further with the department. However, based on the issues that present themselves at budget time especially once Council sees the recommended budget, Council always has the flexibility and may determine at that time to either have a specific hearing extended or choose not to use the entire time. There are so many hearings to get through in such a short time frame that we tried hard to maximize Council's time at the table.

We also recognize that other important policy issues may come up after the calendar is set, and we will work to amend the schedule, if necessary, as we always do each year.

Currently before Council is the Administration's Executive Organization Plan (EOP) submitted on January 9, 2026, and requires Council action by April 7, 2026. The EOP establishes a new Human, Homeless, and Family Services Department; as well as transfers from various functions/activities between departments. The scheduled budget hearings will provide Council an opportunity to obtain more details on the operations of the new department and other EOP changes.

We would like to highlight the following key issues for Council's budget development process.

**1. Mayor's Presentation of the Recommended Budget –**

The Administration has tentatively scheduled the budget be presented to Council on Monday, March 9, 2026. Typically, the Mayor presents the budget to Council via a presentation in the Committee of the Whole.

We propose that Council hold a Committee of the Whole on Monday March 9, 2026, at 2:00 p.m. If Council agrees, Attachment I represent a resolution that would authorize the Committee of the Whole at 2:00 p.m. on Monday, March 9, 2026.

**2. Changing the Standing Committee starting times –**

The Public Health & Safety, Internal Operations, and the Planning and Economic Development Standing Committees would shift to 9:00 a.m. on Monday, Wednesday, and Thursday, respectively during Council's Budget season.

The Budget, Finance and Audit Standing Committee and the Neighborhood and Community Services Standing Committee will continue to meet at 1:00 p.m. on Wednesday and Thursday, respectively.

Attachment II represents a resolution authorizing the Council Standing Committees to begin at 9:00 a.m. and it is combined with the resolution to limit the time of each meeting to one hour.

**3. Time Limit for Council Standing Committee Meetings –**

We propose that while the Council Standing Committees continue to meet, the length of the meeting be contained to no more than one hour. This schedule would begin on Wednesday, March 11, 2026, and continue through Monday, April 6, 2026.

Attachment II represents a resolution authorizing this change to limit the time of the Standing Committees to one hour maximum.

**4. City Council Public Budget Hearing on the Mayor's Recommended Budget –**

It is charter mandated, Section 8-206 that, "A public hearing ... shall be held on the proposed budget before adoption."

We are recommending that the public hearing be held on Monday, March 30, 2026, at 5:00 p.m.

Attachment III represents a resolution setting the public hearing and directing the Clerk to publish the hearing notification within the proper timeframe.

**5. Dangerous Building Hearings –**

We propose that any dangerous building hearings be deferred from Monday, March 9, 2026, through Monday, April 6, 2026, in order to receive the Mayor's budget presentation on March 9th and to permit more scheduling time for departmental and agency budget hearings and executive sessions. The Clerk has been requested to block those days off. Dangerous building hearings would be able to resume on Monday, April 13, 2026.

No resolution is needed for this action.

**6. City Council Task Force Meetings –**

If there are any Council Task Force Meetings scheduled during the recommended scheduled budget hearings and discussions, we would ask if they possibly could be rescheduled.

No resolution is needed for this action.

**7. Enforcement of the Budget Hearing Schedule –**

Finally, Attachment IV represents a resolution outlining the budget hearing scheduling process and institutes a process to try to limit the number of changes the departments and agencies can make regarding budget hearings after they have had a chance to review, and the schedule has been finalized. We give the Administration and the agencies time for feedback and time adjustments, so we should distribute a schedule that satisfies all involved.

- 8. The final date for Council to vote on the budget is Tuesday, April 7, 2026. This will allow the Clerk to transmit the budget to the Mayor on Wednesday, April 8, 2026. The final day for Council to override the Mayor's veto, if any, is Thursday, April 16, 2026. We would assist in reminding Council at the Formal Session prior to these dates to adjourn the Formal Session to the call of the chair, so the session can be reconvened on these irregular dates and if Council wishes to vote on the budget at an earlier time.**

We would request that this entire document be referred at the Formal Session on Tuesday, February 3, 2026, and discussed by the members of the Budget, Finance and Audit Standing Committee on Wednesday, February 4, 2026. If approved by the committee members, the four resolutions attached would be considered for approval by the City Council during the Formal Session on Tuesday, February 10, 2026, to authorize the above action plan as in previous years.

We will then formally submit the proposed budget calendar to the Administration, departments and agencies. We will give them about two weeks to make certain that all department and agency directors will be available for the proposed budget hearing dates and times. Any requested adjustments will be made and then a final budget calendar will be formally submitted to Council and the Administration. At that point, department and agency directors may make a change to the dates and times only if there is an extreme emergency. Attachment IV represents the resolution authorizing this policy.

In addition, Attachment V represents the Proposed Budget Calendar for the 2026 – 2027 budget development process prepared by LPD for your consideration.

We are available to discuss or answer any questions regarding any of these dates or issues. Additionally, if any Council member or Council staff have any questions about the budget process, our staff will be available to answer questions and can set up any informational meetings at any time.
