## SKILLED TRADES FOR EVERYONE

### *Explore the skilled trades*

#### APPRENTICESHIP READINESS

Are you curious about skilled trades work but not quite ready to commit? For those just entering the workforce or with non-construction work experience, apprenticeship readiness programs offer paid training opportunities.

### *Pursue the trade you want*

#### PRE-APPRENTICESHIP

Do you have on-the-job experience in the construction field but want to go deeper? For those who have decided to pursue a career in the skilled trades, opportunities include on-the-spot hiring events and pre-apprenticeship programs.

### *Take your career to the next step*

#### UNION BENEFITS

Already well-established in a STEP-certified skilled trade? It's not too late to enjoy the security that comes with union membership, even for those who have achieved Master or Journeyperson status.
