P.A. 500 of 1998 provides for the reduction of income tax rates in the City of Detroit over a 10 year period (7/1/99-7/1/08) for residents from (3% to 2%) and for non-residents (from 1.5% to 1%). In December 2003, and every December there after, the City applied for and received from the State Board Administration a suspension of its income tax rate reduction. This is permitted under PA 500 if 3 of 4 conditions are met. The city did not meet criteria for a suspension for 2013. the new tax rate effective July 1, 2012 will be 2.4% for residents and 1.2% for non-residents. To offset this reduction in income tax revenues, the corporate tax rate was increased to 2% in March 2012 by a revision to the city ordinance.

a tax rate of 11.9%. This tax was reduced by 1% upon the opening and certification of the permanent casino. As of this date, all three permanent casinos are opened, certified and taxed at the lower rate (10.9%). On January 1, 2006, the City began receiving an additional 1% of adjusted gross receipts as percentage payment revenues.
