Submitting report relative to Proposed Chapter 11-30 of Recodified Detroit City Code. **(For your consideration, the Legislative Policy Division has provided a general overview of the type of amendments that have been made in the proposed chapters 11-30 of the Detroit City Code recodification project. The Home Rule City Act, 117.5b, authorizes the City to amend, rearrange and repeal provisions in the Code through a recodification process. The amendments are being made to update language to reflect changes in State law and to remove unnecessary and duplicative provisions. There are only a few instances where changes are being made because of a City agency’s request for a change of policy, in those instances the request is noted. Although allowed, it has been determined that further changes of policy would be best handled outside of this process.) (REFERRED TO THE INTERNAL OPERATIONS STANDING COMMITTEE ON 10-10-18)**
