**HONORABLE CITY COUNCIL**

**RE: Troy and Michael Karpovich vs City of Detroit  
Civil Action Case No: 18-cv-12247**

Representation and indemnification by the City of Detroit of the City employee(s) or officer(s) listed below is hereby **not recommended**. We agree with the recommendation of the Head of the Department, and believe that the City Council should find and determine that the suit against the Defendant(s) does not arise out of or involve the performance in good faith of the official duties of such Defendant(s). In addition, the purposes to be served by representing and indemnifying police officers (protection of officers and their families against litigation costs and damage awards) will not be met by representing and indemnifying **Commander Timothy Leach and Detective Frederick Person** in this case. We, therefore, recommend a "NO" vote on the attached resolution.

As such, pursuant to Section 13-11-5 of the 1984 Detroit City Code, City Council shall hold a hearing for police officers who have been denied representation. A request for such a hearing is being made at this time.

Honorable City Council

Subject: **Request to Amend the Official Compensation Schedule**

Recommendation is submitted to amend the 2018 – 2019 Official Compensation Schedule to include the pay range of \$75,333 - \$98,804 for the classification of Recruitment Manager I (13-119936).

**Request:**

The above recommendation is at the request of Daryl Conrad, Recruitment Officer for the Human Resources Department.

**Rationale:**

The above request and recommendation is based on the need for a manager position to be allocated to the Recruitment Division. The position of Recruitment Manager I will manage all recruitment functions and employees servicing each city department. This will allow for improved direction, communication, decision making and customer service while allowing the Chief Recruitment Officer to set recruitment strategy and interact with departments to improve city-wide services.

Survey data of other government entities within Michigan was obtained from the American Society of Employers (ASE) and CompAnalyst for market pricing purposes. The final recommendation is based upon the market pricing results as well as comparable positions internally.

Based on the survey data Classification and Compensation recommends the above proposed salary. Subject to City Council approval.

Respectfully submitted,

A handwritten signature in cursive script that reads "Denise Starr".

Denise Starr  
Human Resources Director
