**BY COUNCIL MEMBER CASTAÑEDA-LÓPEZ:**

**RESOLUTION SUPPORTING SENATE BILL 45, *THE EQUAL LANGUAGE ACCESS TO STATE SERVICES ACT***

**WHEREAS,** On January 22, 2019, State Senator Stephanie Chang of Detroit introduced Senate Bill 45, which seeks to create a new State act “to facilitate access to state services by individuals with limited English proficiency; to provide for the powers and duties of certain state governmental officers and entities; to provide for biennial reports concerning equal language access; and to establish a process for submitting complaints and obtaining remedies for lack of equal language access”; and

**WHEREAS,** SB 45 is consistent with the Federal government policy pronounced by Executive Order 13166, signed on August 11, 2000, which “requires Federal agencies to examine the services they provide, identify any need for services to those with limited English proficiency (LEP), and develop and implement a system to provide those services so LEP persons can have meaningful access to them”; and

**WHEREAS,** Equal language access is perhaps the most basic building block for the success of Detroit’s immigrant community and our city as a whole. As stated in the Detroit City Council’s resolution affirming our *Welcoming City* status, “the City of Detroit believes in the innate dignity of all its residents and recognizes the importance of their valuable contributions to the social, religious, cultural, and economic life within the city. The City of Detroit acknowledges, honors, and values our immigrant and migrant roots, and embraces the values of family, faith, and hard work”; and

**WHEREAS,** Advances in language access for all Michigan and Detroit residents will improve our quality of life and benefit everyone. **NOW THEREFORE BE IT**

**RESOLVED,** That the Detroit City Council wholeheartedly supports adoption of Senate Bill 45, *The Equal Language Access To State Services Act*; **BE IT FINALLY**

**RESOLVED,** That copies of this resolution shall be transmitted to the Mayor and the City’s lobbyists, the Governor and the Detroit delegation in the State Legislature.
