

DETROIT CHARTER REVISION COMMISSION

Notice of Meeting Cancellation

Greetings Detroit!

The Governor's state of the state address has been rescheduled for this Tuesday, February 12, 2019. Detroit activists worked hard on her campaign and have expressed an interest in watching her first address, a number are even attending.

For that reason, there will be no Detroit Charter Revision Commission meeting on February 12, 2019. The next meeting will occur on February 23rd. You will soon be given the details of that meeting, and the Committee meetings that will occur in the interim. Thank you for your involvement!

Signed,

The Detroit Charter Commission
