RE: Analysis of Neighborhood Revitalization Strategy Areas

On January 27, 2015, City Council authorized the designation of several Neighborhood Revitalization Strategy Areas (NRSAs) designed to be targeted areas in which economically challenged areas are revitalized by using CDBG funds more strategically and with greater flexibility.

Please provide an update on how the NRSAs have been used in that regard since their establishment, a map depicting the current NRSA boundaries, and if adjustments are possible, an analysis of whether adjustments should be made to the existing NRSA boundaries.

If you have any questions or concerns, please feel free to contact DeAndree Watson of my office at (313) 224-0278. Thank you in advance for your prompt attention to this matter.
