

# Understanding Detroit's Post-Construction Stormwater Management Ordinance (PCSWMO) Workshop

Vegetated swale in Michigan Science Center parking lot (top) green roof at Detroit Farm and Garden (bottom).

**Tuesday, April 30, 2019**

**Sign-In Starts at 8:30 am**

**Workshop from 9:00 am - 12:00 pm**

**Southeast Michigan Council of Governments (SEMCOG)  
1001 Woodward Avenue, Suite 1400  
Detroit, MI 48226**

**More location and parking information around SEMCOG is available at <http://semcog.org/about-semcog/location>**

**About the Workshop:** DWSD's Stormwater Management Group will present up-to-date technical and policy information related to understanding and complying with Detroit's PCSWMO that City Council passed on November 13, 2018 and is now in effect. The workshop will address meeting performance standards and developing a post-construction stormwater management plan.

**Intended Audience:** This workshop is open to developers, engineers, and landscape architects who are designing and planning development projects in the City of Detroit that might trigger PCSWMO requirements.

**Registration Requirements:** This workshop is free, but registration is required to allow DWSD to track participation and communicate essential seminar information (e.g., parking info, latest updates, etc.). Due to room capacity limitations, this workshop is capped at the first 85 registered participants.
