RE: **Assessment to mitigate the outstanding existing parking tickets issued prior to the Ordinance Amending Chapter 55-1-6 to modify the definition of residential parking permit area**

-
1. What is the assessment in mitigating outstanding parking tickets for vehicles registered to persons using a City of Detroit address? (Prior to the implementation of the new ordinance offering a 50% reduction of fees if paid within the first five days)
 2. Is there any way the 36th District Court can offer an amnesty program along with the Municipal Parking Department for *all of the outstanding parking tickets written in the City of Detroit*, allowing ticket holders the opportunity to pay reduced fines and clear the tickets from their driving records?
 3. Can the amnesty program be available for more than one day to allow for ticket holders to get the monies into the court? (Perhaps a three day program availability?)
 4. How will the reduced fines for current outstanding parking tickets effect the revenue opportunity for the City of Detroit, if an amnesty program is granted?
