NOTICE OF A PUBLIC HEARING

The City Planning Commission will hold a public hearing in the Committee of the Whole Room, 13th floor of the Coleman A. Young Municipal Center, on

THURSDAY, AUGUST 1, 2019 AT 6:30 PM

to consider a request for a PD (Planned Development) Modification from Jerry Pattah, Timothy Pattah and Rodney Gappy by amending Ordinance No. 30-03 which amended Article XVII, District Map 65 of Chapter 61 of the 1984 Detroit City Code. Zoning, on land bounded on the north by Thatcher Avenue, on the east by Harlow Avenue (extended), on the south by W. Outer Drive and on the west by the Southfield Freeway north service drive. The subject property is indicated on the accompanying map.

The proposed PD modification would modify the previously approved site plans and allow for the establishment of a two-sided monopole digital advertising billboard, measuring 70 feet in height with a total of approximately 1,363 additional square feet of signage.

The zoning district is generally defined by the Zoning Ordinance as follows:

PD – PLANNED DEVELOPMENT DISTRICT

This district will permit planned developments throughout the City and will be particularly useful in urban renewal areas. Such planned developments shall be substantially in accord with the goals and objectives of the Master Plan, by having a major land use that corresponds to the most general category of land use, which are Residential, Public/Civic/Institutional, Retail Service Commercial, Manufacturing and Industrial, and Other, proposed in the Master Plan for the area involved. Such planned developments shall provide a desirable environment for the uses proposed and shall not be out of harmony with their general surroundings. The regulations of the district are designed to accomplish this by permitting flexibility in overall development while ensuring adequate safeguards and standards for public health, safety, convenience, and general welfare and, where applicable, encouraging historic preservation.

The proposed modification is being considered by the City Planning Commission in accordance with the provisions of Article III, Division 4 of the Detroit Zoning Ordinance. A PD rezoning requires the approval of the City Council after a public hearing and after receipt of a report and recommendation by the City Planning Commission.

You may present your views on this proposal by attending this hearing, by authorizing others to represent you, or by writing to this office prior to the hearing: 2 Woodward Avenue, Room 208, Detroit, Michigan 48226 (FAX: 313-224-4336). Because it is possible that some who are affected by this proposal may not have been notified, it is suggested that you kindly inform your neighbors so that they too may express their positions if they so desire.
