HONORABLE CITY COUNCIL  
**RE: RECOMMENDATION FOR DEFERRAL**  
**ADDRESS: 11760 Kenmoor**  
**NAME: Barbara J. Davis**  
**Demolition Ordered: March 27, 2017**

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on November 4, 2019, revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. **This is the 1<sup>st</sup> deferral request for this property.**

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.
2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.
3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:
  - Certificate of Acceptance related to building permits
  - Certificate of Approval as a result of a Housing Inspection
  - Certificate of Compliance, required for all rental properties
4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.
6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

David Bell  
Director

HONORABLE CITY COUNCIL

RE: 20529 Westphalia

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection conducted on **October 15 & November 4, 2019** revealed that the property did not meet the requirements of the application to defer. The property continues to be open to trespass and not maintained.

Therefore, we respectfully recommend that the request for a deferral be denied. We will proceed to have building demolished as originally ordered with the cost of demolition assessed against the property.

Respectfully submitted,

RE: 1433 Woodward  
House of Pure Vin

Honorable City Council:

The Buildings, Safety Engineering and Environmental Department (BSEED) has received a request from House of Pure Vin, located at 1433 Woodward, for a Tavern License or Class C License. The owner Ms. Regina Gaines has obtained her permit and Certificate of Occupancy. She also went through the Special Land Use hearing process, to obtain the land use of SDM (Carry-Out Sale of Beer, Wine) with consumption on the premises. This was a public hearing, where no one from the community.

She is currently operating a wine shop, where customers purchase to take home. Ms. Gaines wanted to come into compliance with the City of Detroit regulations, which she has done. This department here by request that your Honorable Body adopt the resolution to provide a Tavern or Class C License to the House of Pure Vin.

Respectfully submitted,

  
Jayda Philson  
Zoning Manager

Detroit City Council  
2 Woodward Ave  
Suite 1340  
Detroit MI 48226

Dear Members of the Detroit City Council:

The purpose of this letter is to ask a request to be awarded with a DDA liquor license for Laughter in the Sun LLC d/b/a as the House of Pure Vin. The liquor license will be able to extend our product offering and create a retail experience in the guidelines of the law. The following programs are going to be implemented through the store to create a total unique shopping and tasting platform that is simply unrivaled.

1. Tasting on Demand is new to our portfolio. Tasting on Demand will allow customers to reserve a table for a tasting on demand. The following elements are:
  - a. Customers will be able to book a tasting online to hold a table for four or eight people.
  - b. Each table will receive a wine tasting of three wines conducted by a Sommelier/ Wine Experience Ambassador a charcuterie board for the table and an education to the wines.
  - c. The tastings is a 1.5-hour format.
2. Expand our Culinary and Wine Experience by continuing partnering with other minority and women chefs to create 3-4 course meal paired with distinguish wines as one occasion of socially engaging, exploring, and tasting, wine in one sitting in our tasting room.
3. Corporate Events - The various corporate wine tasting programs gives you an opportunity to create a theme, special feature, or topic to deliver a fun and educational tasting that can promote team building or simple enjoyment of wine & food. Our programs convey useful wine knowledge in a non-intimidating way, regardless of prior experience.
  - Program One: Dinner & Wine Pairing
  - Program Two: Reception with Wine Tasting Stations
  - Program Three: Wine Focus Seminars
  - Program Four: Team Building Events
  - Program Five: On-site Corporate Tasting
  - Program Six: Fund-Tastings - (Non-Profit)
4. Wine Cocktails on Woodward Ave - Wine Mixology at House of Pure Vin. Can you picture having a customize drink designated to a Detroit theme while watching the people walk by on Woodward Ave. We want to participate and engage as other local business having its customers enjoy a glass of wine on Woodward.

This opportunity will provide the following for the House of Pure Vin.

1. An opportunity to compete with the other businesses and corporate entities that have expanded their wine listings and experiences since our arrival on Woodward.
2. We will increase our work force by 40% by adding eight people to our staff and promoting two individuals to full time members.
3. House of Pure Vin employees average wage will increase by a minimum of 25% per hour. The average worker will be making between \$15 to \$17 per hour. Our corporate events increase the hourly wages to \$20 hours per hr.
4. We will solidify our position as a destination and landmark in Detroit by continuously providing a service and expanding our business portfolio and making relevant to our culture.

On the behalf of House of Pure Vin and myself, Regina Gaines, I would like to thank you again for the consideration and your vote for yes that will be exactly what our business need to continue to make a social, economical, and cultural contribution to our city's revitalization.

Sincerely,

Regina Gaines

Laughter in the Sun, LLC d/b/a House of Pure Vin

**VIA:** Hon. Brenda Jones, City Council President

**DATE:** 12 November 2019

**RE:** CIOGS ORDINANCE PROPOSED MODIFICATIONS

I would like to propose the following changes to the *Community Input Over Government Surveillance* (CIOGS) Ordinance:

1. The inclusion of a legal definition for the term *surveillance* that identifies its tracking and identification components.
2. Language stating that surveillance technology (equipment, software and hardware) must qualify as such by the legal definition of surveillance and strictly pertain to technology used for surveillance activity.
3. Removal of all clauses which mandate the disclosure of the number of days and times surveillance technology is used by the department or acquired by other entities and/or jurisdictions.
4. Removal of the provision requiring the submission of a written report within 45 days of the initiation of the exigent circumstances.
5. Removal of the deployment specification which requires that departments disclose the factors that determine surveillance technology placement strategies.
6. Removal of the provision mandating the City Council to conduct a public hearing for each surveillance technology procured by a City department.
7. All clauses requiring that the police department provide a copy of the non-disclosure agreement should be amended to protect circumstances where the providing of such will compromise confidentiality.
8. Replacement of the phrase "whichever is sooner" with "whichever is greater" where it pertains to the use of approved surveillance technology in exigent circumstances.
9. All provisions directing City departments to produce confidential writings in the event of non-disclosure agreements should be removed. As privileged and confidential submissions are exclusive to the Law department, the Surveillance Technology Specification Reports may not be precluded from the public domain.
10. Sec. 17-5-454 (b) line 6 should read as:  
"Included in the annual report required under Section 7-806 of the Charter, *Duties of the Chief of Police*, the Police Department must include an Annual Surveillance Technology Procurement Report as part of the annual report of operations."
