

DWSD Construction Opportunities Business to Business Workshop

The Detroit Water and Sewerage Department (DWSD) is calling on prime contractors and sub-contractors to learn about 2021 contracting opportunities.

**Tuesday,
January 14,
2020**

**8:30 a.m.
to 12:00 p.m.**

Marygrove College
Madame Cadillac Hall
8425 W. McNichols Rd.
Detroit

This workshop is an opportunity for prime contractors, sub-contractors, and construction-related business owners to hear, first-hand, from leaders of DWSD about projects scheduled for this construction season. The goal of the workshop is to engage more Detroit-based contractors and to encourage overall contractor participation.

Topics will include:

- Overview of the 2021 Construction Season
- Capital Improvement Project Updates
- How to do business with DWSD
- Civil Rights Inclusion & Opportunity Program
- Technical Assistance
- Business to Business Networking
- Contractor Spotlights

Speakers include:

Palencia Mobley, P.E., Deputy Director and Chief Engineer
Detroit Water and Sewerage Department

Monica Daniels, Finance Asset Manager
Detroit Water and Sewerage Department

Kari Farina, Contract Analyst
Detroit Water and Sewerage Department

Arielle Johnson, Deputy Director
City of Detroit - Department of Civil Rights, Inclusion and Opportunity

Michael Kelly, Director
Wayne State University Procurement Technical Assistance Center
