DATE: April 29, 2020

RE: OFCPBJ Dangerous Animal Concern

Yesterday, a child and man was mauled by a dog on Rosemount Avenue. Please provide a response to the following questions and concerns within 14-days:

1. Were there any reports regarding the methods used to shelter or enclose the animal?
 - a. If so, what actions were taken by the Department of Animal Care and Control to address the complaint?
2. What is the status of the Dangerous Animal Investigation?
3. Please provide a report on the outcome of the investigation, if the animal has been returned to the owner and any and all penalties and fees that will be issued to the dog owner within 14 days.
