## **NOTICE OF PUBLIC HEARING**

The Detroit City Planning Commission will conduct a public hearing on a proposed amendment to the Detroit Zoning Ordinance:

### **THURSDAY, FEBRUARY 4, 2021 AT 6:00 PM**

to consider the request of CCA Midtown Detroit, LLC to amend Chapter 50 of the 2019 Detroit City Code, Zoning, by amending Article XVII, Zoning District Maps, Section 50-17-5. District Map No. 4, of the Detroit Zoning Ordinance to modify the development regulations of the existing PD (Planned Development District) zoning classification for the properties commonly identified as 33 Elliot Street, and 3510, 3524 and 3540 Woodward Avenue at the southeast corner of Mack and Woodward Avenues shown in the map below.

The petitioner is proposing to develop a mixed-use development to include three buildings to host residential units, retail space and on-site parking.

The pertinent zoning district classifications are described as follows:

#### **PD Planned Development District**

The PD Planned Development District shall be substantially in accordance with the goals and objectives of the Master Plan, by having a major land use that corresponds to the most general category of land use, which are residential, retail and local services, industrial, mixed use, parks and open space and other, proposed in the Master Plan for the area involved. Such planned developments shall provide a desirable environment for the uses proposed and shall not be out of harmony with their general surroundings. The regulations of the district are designed to accomplish this by permitting flexibility in overall development while ensuring adequate safeguards and standards for public health, safety, convenience, and general welfare and, where applicable, encouraging historic preservation.

A Zoning Ordinance map amendment requires approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Division 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views.
