2 will introduce or share the Board's Chairperson's report.  
3 On March the 30th, 2021, the City's Public Health  
4 Director, Denise Fair declared a local state of emergency  
5 due to recent public health concerns surrounding the  
6 increase in COVID-19 cases. Therefore the Board's remote  
7 meetings have been extended through May 31st, 2021, or

9 Board has received a copy of the emergency order for  
10 control of the epidemic. It is also available on the  
11 city's website. For more information, please visit the  
12 city's website or review the email attached.

13 The Board will continue holding its regular weekly

16 information. City Council. The Board's budget hearings,  
17 executive hearings. The City Council is now holding  
18 executive hearings.

19 CHAIRPERSON HOLT: Information is forthwith coming on  
20 the Board's scheduled executive session for staff vacant  
21 positions. The city's human rights department is  
22 currently reviewing posting and screening application  
23 resumes based on the Board's current vacancies. We will  
24 receive further updates as this process continues.  
25 Presentations today will be a vice presentation led by

1 Commander Jacqueline Pritchard when she will also make a  
2 slideshow presentation on human trafficking. We will  
3 entertain two motions under unfinished business. One will  
4 have to do with the applicant appeal of Max Pedro, as  
5 well as the Board's position the DPD revised manual  
6 directive 203.7, search warrant, and execution.

7 CHAIRPERSON HOLT: Mrs. White.

8 MRS. WHITE: Yes. Ma'am.

9 CHAIRPERSON HOLT: Oh, I went ahead. I went ahead.  
10 Oh, thank you for being so polite though. Would you now  
11 introduce our Board staff, Chief of Police, and elected  
12 officials for representatives?

13 MRS: WHITE: Yes. Through the Chair, Honorable Board  
14 and DPD executives, and attendees. Good afternoon again.  
15 The department of innovation and technology is monitoring  
16 and recording the Board's meeting today. Our court  
17 reporter is Mr. Don Handyside and the following Board  
18 staff members are in attendance today. Mr. Robert Brown,  
19 Administrative Specialist, Ms. Jonya Underwood,  
20 Administrative Assistant, Investigator Tiffany Stewart,  
21 Director, Katrina Patillo, representing Police HR  
22 Division, Interim Chief Investigator Lawrence Akbar,  
23 Supervising Investigator Ainsley Cromwell, Supervising  
24 Investigator LiSonya Sloan, Senior Investigator Rosalie  
25 Madrigal, and Assistant Corporation Counsel, Ericka

1 Savage Whitley. And that concludes the Board staff  
2 members introductions today, Madam Chair,

3 CHAIRPERSON HOLT: Thank you for the introduction.  
4 So, in your introduction then we assume that there are no  
5 elected officials or representatives.

6 MRS. WHITE: The notification that I have just  
7 received through the Chair, Ms. Marie Overhaul of State  
8 Representative Tyrone Carter's Office DPO, Vice-  
9 President, Ronald Thomas is also present and Community  
10 Advisory Council Scotty Bowman of District 4 is also  
11 present. Thank you, Madam Chair.

12 CHAIRPERSON HOLT: And thank you, Ms. White. Now  
13 we're going to have Chief Greg's report. Do we know who  
14 is present to extend that report?

15 MRS. WHITE: Yes. Through the Chair, Assistant Chief  
16 Todd Bettison is attending and representing Chief Craig  
17 today.

18 CHAIRPERSON HOLT: Oh, good. So Assistant Chief Todd  
19 Bettison, you're on.

20 ASSISTANT CHIEF BETTISON: Yes. Ma'am. Well, I'll  
21 start out by introducing our folks that are on the line  
22 as well. So we have Lieutenant Guntzviller with us.  
23 Captain Tosqui of our Real-Time Crime, going down the  
24 list, we have Lieutenant John Kennedy on the line,  
25 Lieutenant Coles from recruiting Lieutenant Sharon

1 McClure, from CNL, Chief Neighborhood Liaison, and  
2 Captain Ryan Carter from Narcotics Major Violators. And  
3 we have various other sergeants on as far as recruiting  
4 as well. And it looked like I think a lot of folks  
5 probably had Opening Day for the holiday. You know, I  
6 think that's where a lot of folks are. So, I wish I was  
7 there. So I'll jump right into the report in regard to  
8 our Coronavirus update, as you alluded to, as far as the  
9 numbers going up. There's no difference within the police  
10 department.

11 ASSISTANT CHIEF BETTISON: We've seen an uptick in  
12 our numbers as well, nothing like last year. So we know  
13 that master is of course, working and many of our members  
14 have been vaccinated. But currently, we're sitting at 38  
15 members that are quarantine or isolated, and we have 33  
16 members who have recently tested COVID positive. And the  
17 area where we see the most numbers out is the 7th  
18 Precinct with 7 members out. So with these numbers at  
19 this time it's not impacting our operations. So we're  
20 okay in that regard. And we're going to closely continue  
21 to monitor that in regards to crime, our homicides are up  
22 compared to this time last year, sexual assault up 1%, in  
23 regards to aggravated assault, which includes the  
24 category of non-fatal shootings that is 33% or not being  
25 a shooting category. When you extrapolate that out of

1 33%, it's up 52% compared to last year, robberies  
2 continue to be the knobbly as far as being down, our  
3 robberies are down 33%, and carjackings are up 31%.

4 ASSISTANT CHIEF BETTISON: That's for our total part  
5 one violent crime that is up 18%. And when we moved to  
6 property part one crimes in all categories that is down,  
7 burglary down 37%, larcenies 31%, and motor vehicle  
8 deaths 14%. So total property crimes 28% down. And when  
9 you average the two the property crimes with the violent  
10 crime part one. Our total part one crime is down 14%. So  
11 in regards to enforcement efforts, what are we doing  
12 constantly to eradicate violence in our city, our  
13 officers are still out there. They're still responding.  
14 Going into our response time last week, the prior week,  
15 we had an average response time of below 12 minutes for  
16 priority one. So that was to be exact 11 minutes and 43  
17 seconds. And for part two, looking at part two that was  
18 34 minutes and 18 seconds for a part, two response.

19 ASSISTANT CHIEF BETTISON: One of the many complaints  
20 that we continuously get from our citizens is marijuana,  
21 you know whether it's around marijuana houses, where  
22 dispensaries are just the black market when it comes to  
23 marijuana. So that has been a top priority for the Chief,  
24 as well. And so our units, our Precincts continue to  
25 based off of narcotic complaints give special attention

1 and go after the individual customers, et cetera, at  
2 those locations that frequently affect the quality of  
3 life for residents of that area. So last week we had 120  
4 felony arrests in that area from our Precincts for  
5 violation controlled substance act CCWs, et cetera, from  
6 traffic stops and other stops. We had 40 felony arrest  
7 for probation violation, stolen vehicles are and other  
8 crimes in those areas, 76 misdemeanor arrest. We  
9 recovered 101 handguns, one long gun was recovered.

10 ASSISTANT CHIEF BETTISON: We conducted 1,354 traffic  
11 stops. We impounded 147 vehicles. 8 vehicles were  
12 recovered and the narcotic proceeds were 43 grams of  
13 cocaine. 5,469 grams of marijuana, 8.4 grams of heroin.  
14 We recovered 265 by pills which included Xanax and  
15 Adderall and the total currency recovered by our  
16 Precincts was \$18,215. We executed two search warrants at  
17 illegal grow operations. One of the things that the Chief  
18 has touted and talked about as well is our neighborhood  
19 traffic NPOs. So just want to kind of give you an idea of  
20 what they do. They definitely are complaint-based from  
21 the community. We put them in strategic areas around the  
22 city and as a result, the neighborhood police officer on  
23 the Westside of NPO Shabazz. Last week, he issued 44  
24 movers, 23 sets 44 movers. He did 23 traffic stops and  
25 impounded one vehicle and he ended up having one

1 misdemeanor arrest for OWI, and on the Eastside.

2 ASSISTANT CHIEF BETTISON: And I'm going to give out  
3 the injured and critically officer in a second but  
4 Officer Mark Robbins had been on that roster for a while.  
5 So he returned maybe about a month ago. So he's back out  
6 there on the Eastside and in the neighborhood that's  
7 doing traffic enforcement. So last week his stats  
8 included 120 movers. Traffic stops he did 33 and he's out  
9 there doing accident reports as well. So welcome back,  
10 Officer Robbins, and jumping into our critically injured  
11 officers. This past week Police Officer Gregory Bentley  
12 assigned to the 7th Precinct on March 27th, he was in the  
13 area of Holcomb and Gratiot and he was chasing a suspect  
14 for carrying a concealed weapon while running, he fell  
15 and sustained an injury to his left ankle. And I can tell  
16 you that he tore his Achilles heel. So he'll be out and,  
17 you know, just many prayers for him as he recovers, and  
18 Police Officer Jusuf Mannah was assigned to our task  
19 force administration. He suffered from a motor vehicle  
20 accident, so he's out due to that. And then if we go back  
21 to May 31st, 2020 of last year, Sergeant Michael Bailey  
22 was injured during one of the protests and he still out  
23 and we are praying for his speedy recovery as well. So he  
24 sustained the injury during the protest. And I'll take  
25 any questions the Board may have at this time.

1 MRS. WHITE: Yes. Through the Chair. I do see where  
2 Commissioner Willie Burton has joined the line and also  
3 Captain Lena Liddell is also present. I just wanted to  
4 note that for the record. Thank you, Honorable Board.

5 CHAIRPERSON HOLT: And thank you, Ms. White. I'm  
6 sorry. AC Bettison. Commissioners, you have questions for  
7 AC Bettison.

8

9 COMMISSIONER DAVIS: I have a question.

10 COMMISSIONER BERNARD: And I have a question. Go  
11 ahead Commissioner, gentlemen first.

12 COMMISSIONER JONES: Open day.

13 COMMISSIONER DAVIS: It's a new day.

14 COMMISSIONER BROWN: March is over with.

15 COMMISSIONER DAVIS: Sir, I have a question. Has the  
16 park patrol started yet?

17 ASSISTANT CHIEF BETTISON: No, the park patrol hasn't  
18 started. We intend to launch that within the next two  
19 weeks. So I'm waiting on the list of requests for folks  
20 that they want assigned out. We did put out a request for  
21 individuals that wanted to volunteer for that detail. So  
22 we definitely have that going very shortly within two  
23 weeks.

24 COMMISSIONER DAVIS: Because I know of in the 7th  
25 District, I've been getting a lot of complaints about

1 people driving up on playgrounds and parks and stuff, and  
2 even moving boulders and doing things and doing a lot of  
3 racing around parks and playgrounds and donuts and  
4 everything. Because I know it's a big concern over in the  
5 7th District. It's a concern across the whole city.

6 ASSISTANT CHIEF BETTISON: Yes, absolutely. And now  
7 that you brought that up too we definitely beefed up our  
8 traffic enforcement when it comes to the Jefferson beat  
9 and some of the other beats. So I have our traffic units  
10 out there and we're going to be offering overtime for  
11 other officers as well to really target traffic. That is  
12 a huge concern. So even when we look at our top hotspots  
13 around the city, those dangerous intersections, we pull  
14 that data. So we're going to have the Precinct actually  
15 assigning traffic cars to do special enforcement along  
16 those intersections. But in regards to the parks  
17 detailed, there'll be starting soon. And with our  
18 drifting and drag racing detail that we run on the  
19 weekends, I have those stats too. Over the weekend we had  
20 basically inclement weather, it rained most of the  
21 weekend, so we didn't have a lot of activity, but with  
22 the detail being out there, they conducted at 137 traffic  
23 stops.

24 ASSISTANT CHIEF BETTISON: They issue 171 tickets and  
25 impounded 7 vehicles. They made 5 arrests that wasn't

1 included in the other stats that was from that detail.  
2 And two of them, they ended up getting persons carrying  
3 concealed weapons. And also we're utilizing our aviation  
4 and our pilots. Just yesterday I got a complaint of a  
5 large number of ATVs out and about. And they were over on  
6 the Southwest side. So I immediately got on the horn  
7 called aviation, got the pilot up and we would track it  
8 with the helicopters. They all split up and went on  
9 different routes. But we're still going to be utilizing  
10 that as a method. And we will, when we can, when the  
11 vehicle is not operable, because we're not involved, we  
12 definitely won't chase, but we can box in and we do plan  
13 to confiscate those, whether it be ATVs, mini bikes, dirt  
14 bikes, et cetera. It's for the safety of the youth and  
15 it's for the safety of the community in general.

16 COMMISSIONER DAVIS: Thank you.

17 CHAIRPERSON HOLT: Thank you AC Bettison.

18 Commissioner Bernard.

19 COMMISSIONER BERNARD: Thank you, Madam Chair.

20 Several things Commander Bettison. The first is that when  
21 you report your stats on the increase in crime from last  
22 year, I think that we should remind the public that last  
23 year, at this time you could roll a bowling ball down the  
24 Lodge Freeway. There was no traffic. No one was out of  
25 their house. There was no crime. There was nothing. So

1 when we are comparing last year to this year, you have to  
2 go through that period when, when Detroit was a ghost  
3 town. Actually similar to the way it was today when I was  
4 downtown. I was downtown to go to the city County  
5 building and the flyover was coming over for the blue  
6 angels for the game. And there was nobody downtown. I  
7 thought it was terrible on Opening Day.

8 COMMISSIONER BERNARD: I mean, there were no cars, no  
9 people, because you guys put out all this stuff about you  
10 were going to arrest anybody who had more than five  
11 people in a place. I'm just making that part up, but you  
12 know what I'm saying? There was nobody downtown. It was  
13 just disgraceful. But anyway you should couch your  
14 statistics with the reality of the situation for 2020,  
15 where there was no traffic actually until probably just  
16 this year. So, our stats are way off in terms of violent  
17 crime and other crimes, because nobody was going anywhere  
18 or doing anything. Secondly, last year, I mean last week,  
19 pardon me, you indicated, I think it was LeValley that  
20 was reporting stated that you had called on the State  
21 police to come in and help patrol Detroit, starting in  
22 May. Just for the record, I'm unalterably opposed to  
23 that. I think our police officers, our neighborhood  
24 police officers, our sheriffs can handle Detroit.

25 COMMISSIONER BERNARD: We don't need Michigan State

1 Police from all over the State who have no familiarity  
2 with Detroit or Detroiters beat coming in, to me anyway,  
3 and being an additional heavy hand with respect, even  
4 with the donuts and everything else, we got this. No  
5 other city in the State has requested the State police to  
6 come in and do routine traffic work. I think we can  
7 handle this. They handle the freeways, we can handle our  
8 city streets. We don't need them to do that. And frankly,  
9 I was embarrassed by the request. Thirdly, last week we  
10 talked, you talked about it a little bit today, too,  
11 about the forfeiture of vehicles. You and I both know  
12 that when a vehicle is forfeited - I don't know about the  
13 ATV stuff about vehicles, because I actually, and this  
14 was true.

15 COMMISSIONER BERNARD: This was a woman's grandson  
16 who had her car. He had weed in the car. You arrested him  
17 in Puritan and Wyoming. They took the car, it was a  
18 Charger. It cost her. The forfeiture fee was 10% of the  
19 value of the car. I was in the prosecutor's office,  
20 myself in the Frank Murphy Building with her. So she  
21 could pay the 20 because the car was worth 27,000,  
22 according to the blue book value. She had to pay \$2,700  
23 to get her car, her car that her grandson was driving out  
24 of forfeiture. It is a serious problem. And I would have  
25 request on my behalf anyway, that you guys address the

1 issue and probably report to the Board on the issue of  
2 forfeiture. And it's done in conjunction with the  
3 prosecutor's office. This is not fake. This actually  
4 happened. I was there.

5 CHAIRPERSON HOLT: Thank you Commissioner Bernard. We  
6 are looking for a response from AC Bettison.

7 ASSISTANT CHIEF BETTISON: So I'll respond to it. I  
8 think that you know, she definitely deserves a response  
9 to the question. So I'll start at the beginning. The  
10 first one was as far as the stats in comparing apples to  
11 apples. So we report the stats as they are. And I think  
12 that when you look back at 2020 the stats revealed across  
13 the country, you had the pandemic. And then you also  
14 starting in May across the country, the George Floyd  
15 effect with the protest, the civil unrest, just what  
16 happened. So 2020 was a year like no one had seen. And  
17 when you look at the stats that I reported out and even  
18 looking at last year what we did see is, even though  
19 there wasn't as much traffic, we saw a lot more folks  
20 when they took to the freeways, because it wasn't cars,  
21 they went a lot faster.

22 ASSISTANT CHIEF BETTISON: So that was an anomaly.  
23 You know you got people just speeding, flying because  
24 it's even hard to judge your own speed when you don't  
25 have another vehicle to judge it against. So, I

1 definitely give that to you, but we saw some interesting  
2 things, and those things are still trending out when it  
3 comes to the crime because the pandemic is not over. One  
4 of the things, I've never in my 25-year career, seeing  
5 property crime down, the levels that it is in all  
6 categories. And then in contrast, what occurred was the  
7 violent crime went up. So when you look at what happened  
8 in 2020, and I know we gave an end of year report, and we  
9 compared it to other comparable cities as well. In all of  
10 those cities, violent crime increased 200% in some, and I  
11 don't have that in front of me, but I could definitely  
12 bring it back as a refresh, but it went up.

13 ASSISTANT CHIEF BETTISON: So, you know, with  
14 individuals being out of work, disconnected, I definitely  
15 believe, and I'm not a clinician, but I believe in, and  
16 I've heard it looked at the research and seen the TV  
17 reports as well, is that mental illness, you know, folks  
18 can get treatment. It definitely had an impact. And then  
19 you have folks that don't have anywhere to go that are in  
20 the house. So personal disputes, the prevalence of guns  
21 folks had stimulus money. And when you look at the number  
22 of people purchasing firearms that went through the roof,  
23 and it was very difficult to buy bullets. So as a result  
24 you've had just the uptick in individuals resorting to  
25 gun violence. So even now that's continuing to play out

1 and with the gun arrest that we've made, it has been  
2 higher than in previous years. So I would just put that  
3 out to put it in perspective. And the next point was, and  
4 we talked about that.

5 CHAIRPERSON HOLT: You are talking about the  
6 impounding of cars, and the State police.

7 ASSISTANT CHIEF BETTISON: So with the State police,  
8 when it comes to speeding, one of the number one  
9 complaints in our community is traffic. And also we've  
10 seen an uptick in violence on the freeways. We just saw  
11 various freeway shootings and road rage incidents. So  
12 we're definitely asking the State police to increase  
13 their numbers on our State thoroughfares. I didn't attend  
14 last week's meeting, but I definitely I've heard the  
15 Chief say as well, he's made the request for an increase  
16 in troopers to patrol the freeways. I think that we  
17 definitely need them I mean, DPD, we have top side, we do  
18 work in conjunction with them. We'd asked for airport  
19 aviation support from the State police. So even during  
20 the protest, it was all DPD. We didn't request an extra  
21 anything from outside entities except for like air  
22 support or something like that.

23 ASSISTANT CHIEF BETTISON: But when it came to  
24 actual, our officers on the ground are handling that. We  
25 did it on our own. We didn't even ask for support from

1 Wayne County Sheriff. So we love our community, our  
2 citizens, and we believe that we are definitely  
3 connected. And if this is going to be a response DPD  
4 takes great pride and ownership and being able to handle  
5 that response with our community. So we do Commissioner  
6 Bernard, as you say, we do have this, we got this, but  
7 when it comes to aviation support because we only got so  
8 many helicopters. And then also when it comes to the  
9 freeways, I don't think you want to see Detroit police  
10 officers diverted from the neighborhoods onto the  
11 freeway, when our citizens are traveling the freeways.

12 COMMISSIONER BERNARD: I agree.

13 ASSISTANT CHIEF BETTISON: And then with the  
14 forfeiture piece you know, it has to be teeth when it  
15 comes to some of the things that we see. The forfeiture  
16 law is there and the Wayne County prosecutor, in this  
17 case, they set the rules of the terms when it comes to  
18 forfeiture and the fees. So you know, we can have a  
19 single purpose of the meeting or I can circle back around  
20 with you, but when it comes to that regard I'm not  
21 prepared to be able to respond in totality to it. But I  
22 do know that it's the Wayne County prosecutor. It sets it  
23 for not only the City of Detroit with those rules and  
24 regulations are set for all the municipalities in Wayne  
25 County.

1 CHAIRPERSON HOLT: Thank you. AC Bettison.

2 Commissioners, are there other questions?

3 COMMISSIONER BURTON: Though the Chair.

4 COMMISSIONER JONES: Through the Chair.

5 CHAIRPERSON HOLT: Wait a second. I believe

6 Commissioner Jones, I don't know. I was looking down but

7 I believe I heard Commissioner Burton.

8 COMMISSIONER BURTON: Yes.

9 CHAIRPERSON HOLT: And then you Commissioner Jones  
10 and thank you.

11 COMMISSIONER BURTON: Thank you, Madam Chair. I have  
12 a few concerns. I will be short and brief when it comes  
13 to MSP policing in Detroit, it really sends the wrong  
14 message to our native Detroiters, and I'm looking at how  
15 they didn't value the life of a child on an ATV Willard  
16 by the name of Damon Grimes. And so it really sent the  
17 wrong messages right here in America's blackest poorest  
18 city, Detroit, Michigan. So Detroiters that I have talked  
19 to so far do not want to see MSP patrolling in the City  
20 of Detroit or through their community. Enough said I do  
21 have some concerns from concerned citizens over at River  
22 Towers. They are the same concerns from 8 years ago. It  
23 still is some of the same concerns to this day. They  
24 would like to see the dope peddling from guys coming in,  
25 peddling dope in their buildings.

1 COMMISSIONER BURTON: They want to see that stop.  
2 They want to see more of a police presence over at River  
3 Towers. There are many different concerns that this  
4 building has. I am concerned about how many calls were  
5 made from the building asking for seek and service versus  
6 the calls that actually went to service. I'm really  
7 concerned about that because my understanding, River  
8 Tower senior building actually are calling, not dialing  
9 911 pretty frequently. And I'm not sure what the police  
10 response times are with that building, but it is a  
11 concern of mine because this building happens to fall in  
12 the 5th District. Also, I like to see how many calls were  
13 made for request and service and how many calls were per  
14 service. In addition to other concerns from my  
15 constituents in the district ended with this. My  
16 constituents want to know in the 5th District, how many  
17 women have gone missing in Detroit this year and how many  
18 haven't been found? I'm not sure AC Bettison, if you have  
19 any of these answers to any of these with you now, but if  
20 not, can I have these provided by the next meeting,  
21 because it's a concern of mine when Detroit reach out.

22 ASSISTANT CHIEF BETTISON: Commissioner Burton,  
23 absolutely. So with River Towers, you know, I will  
24 definitely pull the data when it comes to the cost of  
25 service at that location. Where is River Towers, exactly?

1           COMMISSIONER BURTON: Good question. It's located at  
2   7,800 Jefferson. Actually, I've received about four calls  
3   yesterday just from River Towers alone. I think AC  
4   Bettison, one of the things that will be very helpful for  
5   River Towers, if we can have them to - something is wrong  
6   with my screen, sorry: thank you for being patient. I  
7   think one of the things we have to do, I know COVID has  
8   played a big part with residents over at 7,800 Jefferson  
9   which is River Towers really working with the 7th  
10   Precinct because they do fall in the 7th Precinct. I  
11   think it would be very helpful if we can have perhaps  
12   maybe someone from the seventh Precinct just to go by  
13   there every now and then not to throw anyone under the  
14   bus or anything. I think a lot of their concerns it's  
15   really more so you know, are really old concerns and it's  
16   really based off of management over at River Towers. But  
17   there are a lot of guys are coming in peddling drugs on  
18   the building, but they will actually go back over to  
19   Sheridan 1 and 2, which just happens to be a Greenlight  
20   location. So it seems like the guys are coming from  
21   across the street back over on the other side is what I'm  
22   hearing from residents and they actually have pictures  
23   too, by the way.

24           ASSISTANT CHIEF BETTISON: So Commissioner Burton,  
25   thank you for that. We'll definitely jump on it. And just

1 so you know I've gotten complaints from other senior  
2 complexes and we have addressed it along with our major  
3 violators. We work with management, actually had  
4 undercover operations conducted where they would you  
5 know, allow our officers their video footage, even other  
6 access. And we've actually made arrests of some of the  
7 residents who live there. So it's a lot but I will tell  
8 you that our officers are very skilled, so we'll get to  
9 the bottom of it. I'll get you that information. And we  
10 will meet with as early as next week the management team  
11 from River Towers and get you a report back because this  
12 was very important to us.

13 COMMISSIONER BURTON: I appreciate that.

14 CHAIRPERSON HOLT: Thank you AC Bettison.

15 Commissioner Jones, you still have questions, please.

16 COMMISSIONER JONES: Yes. I just got just one or two  
17 things really quickly. First of all, thank you, AC  
18 Bettison for sitting in for the Chief. With regards to  
19 the subject of the State police coming into the City of  
20 Detroit to help assist with the traffic problems that we  
21 having. I'm definitely, and people that I've spoken to  
22 are definitely favorable to have that extra access to law  
23 enforcement. So we can try to restore some of the law  
24 enforcement on the streets. Our streets have become  
25 freeways. I witnessed so many things personally. I

1 witnessed the guy sitting on the window sill of the  
2 driver's side of his car, going down, Livernois, Sunday  
3 with two police officers that were watching a vehicle  
4 that had been shot up. This guy's coming down Livernois  
5 you can and see the lights and everything.

6 COMMISSIONER JONES: He drove right past them sitting  
7 on the window sill. And then when he got past them,  
8 because one of the officers, it is lights and sirens. He  
9 took off, he hit the gas, he flew down Livernois, trying  
10 to get away. And then of course they couldn't chase under  
11 those circumstances, however, but I could definitely see  
12 people running red lights, which makes it dangerous for  
13 our citizens driving down the street. I went over through  
14 the neighborhood where that child was hit on an ATV. I  
15 went through that neighborhood because I needed to see  
16 what was going on in that neighborhood. It was something  
17 that shouldn't have happened. He was driving the wrong  
18 way down the one-way street and he was speeding at the  
19 same time. Now you can say what you want to about hitting  
20 that child, being supplied with an ATV at his age, where  
21 he did not know the rules of the road, how to drive or,  
22 or even probably recognize a stop sign, but yet, and  
23 still we need that additional law enforcement on our  
24 streets because I see so much, I witnessed so much while  
25 I'm out here driving back and forth through the streets,

1 myself. People are calling in about the drag racing and  
2 the donuts and everything. They want to see whether it's  
3 the FBI, CIA, whoever state police, would like to see  
4 updated or strengthen law enforcement on our streets.

5 COMMISSIONER JONES: So it can make it safer for  
6 their children to be able to play outside. And I fear for  
7 our children that to play outside and ride their bikes in  
8 the streets because of the people that don't know how to  
9 regard, I have any regard for where they're at and  
10 they're driving these high-powered vehicles. So I want  
11 the opportunity to have the State police come into our  
12 city to see what they can do to help us to restore some  
13 order and take the lawlessness out of driving down the  
14 city streets of the City of Detroit.

15 COMMISSIONER BURTON: Madam Chair, one question.

16 CHAIRPERSON HOLT: Okay, Commissioner Burton. Quick  
17 statement.

18 COMMISSIONER JONES: I'm sorry, I didn't get an  
19 answer in reply to my statement.

20 CHAIRPERSON HOLT: Excuse me, gentlemen. May I  
21 please? Okay. Commissioner Burton, your last comment.

22 COMMISSIONER BURTON: Thank you. Quick statement to  
23 my colleague Martin Jones. I'm very confident that  
24 Detroit Police Department can police the streets in  
25 Detroit. I stand with those brothers and sisters that are

1 on patrol and I bet you, they can get the job done, not  
2 MSP. Thank you very much. I'm confident that the guys  
3 that we have right here on patrol can get the job done as  
4 far as policing our streets. Not MSP.

5 CHAIRPERSON HOLT: Thank you, gentlemen. Any other  
6 questions, Commissioners?

7 COMMISSIONER BROWN: Yes, through the Chair. I think  
8 Commissioner Davis had a question. I just have a couple  
9 of comments. That's all.

10 ASSISTANT CHIEF BETTISON: I would just like to  
11 respond to this Commissioner Brown.

12 CHAIRPERSON HOLT: Well, where are we with this,  
13 Commissioner Brown?

14 COMMISSIONER BROWN: Yes. Okay. So AC Bettison, I  
15 just always thank the men and women of Detroit police to  
16 come out and do their jobs. I am in agreement with my  
17 colleague Martin Jones, and I'm kind of somewhere along  
18 the side with my other colleagues, but we do need the  
19 assistance, and the assistance of Michigan State Police  
20 will show more of a presence on the freeways and the city  
21 limits. I think it would help, and if we could focus on  
22 other things because we have more problems up here. The  
23 DPD is dealing with homelessness, poverty squatters, all  
24 types of things and I know we're stretched. So, I would  
25 welcome the help to an extent with other law enforcement

1 agencies because I mean, it's no different than somebody  
2 saying the County should stay out in the County because  
3 they don't, they don't police the streets of Detroit, but  
4 they're coming out to help as well.

5 COMMISSIONER BROWN: So, it's just no different than  
6 welcome in help from other law agencies. Because as my  
7 colleague Martin Jones said, there is a lot of  
8 lawlessness out here and I'm driving out here every day,  
9 every day, I sit at a traffic light and I think that  
10 there's something wrong with me for sitting at a red  
11 light now. So, I agree with him with things that are  
12 going on. The other question I have was along the lines  
13 of the forfeitures, and these are just comments, just  
14 with the forfeitures. That's an issue that's out there on  
15 the card. Well, you can answer this one. What are we  
16 doing about cars? I noticed a number of cars being taken  
17 from drivers that are not registered vehicle, but they're  
18 buying them and it not getting their plates and  
19 everything and being taken. Are these cars being  
20 forfeited or are they being allowed to get them back once  
21 they have proper registration, and thirdly Commissioner  
22 Holt, if my colleague Commissioner Burton will agree to  
23 that. We have a presentation with vice-squad today and  
24 they're going to talk about human trafficking. So those  
25 numbers should probably be in there to answers these

1 questions that he posed to AC Bettison.

2 ASSISTANT CHIEF BETTISON: Through the Chair. If I  
3 could respond to a couple of those. I wanted to respond  
4 about the Michigan State Police, as far as their  
5 assistance. With them being the State police, they have  
6 jurisdiction Statewide. So the Detroit Police Department  
7 does not have the authority to tell them when where, and  
8 how they patrol. It's one of those courtesies. We  
9 definitely would love this assistance as far as an  
10 additional presence on the freeways, but I don't want it  
11 to be construed that DPD has the power. I mean, they are  
12 the State police and they will go and patrol as they see  
13 fit. That's just the reality of it. So does Wayne County  
14 Sheriff, and we work very closely with them as well. You  
15 know, I got a lot of respect for the new Sheriff Rafael  
16 Washington.

17 ASSISTANT CHIEF BETTISON: So, he has committed  
18 sheriff resources to help in DPD with the drag racer  
19 drifters. And he did assist with some sheriffs last year,  
20 helping as well because he gets those same type of  
21 complaints that said he's getting it from Rouge, E-course  
22 in that this drifting thing and traffic issues, it's not  
23 just the City of Detroit issue. It's an issue across the  
24 whole country, but also in our suburban communities, it's  
25 an issue too. So, I just wanted to add that piece of it

1 and Commissioner Brown, as far as the unregistered  
2 vehicles, this is kind of my first time hearing about  
3 your concerns. So, we could talk offline, you could bring  
4 me up to speed because I definitely want to be able to  
5 answer your question and get you the right information in  
6 a thoughtful way to really understand the scope of what  
7 it is that you're saying.

8 COMMISSIONER BROWN: Okay. Thank you.

9 CHAIRPERSON HOLT: Thank you, AC Bettison.  
10 Commissioners are we finished with our questions to AC  
11 Bettison?

12 COMMISSIONER DAVIS: Yes, let's move to the agenda.

13 CHAIRPERSON HOLT: Thank you, AC Bettison, as always  
14 you come prepared to have those more educated than we  
15 were for, at least in my example, than before you first  
16 came. So again, thank you. Oh, well I guess we are on to  
17 the vice- enforcement presentation, Miss White?

18 Mrs. WHITE: Yes. Through the Chair. Sergeant Otha  
19 Craighead and Sergeant Jordan Grace will be presenting  
20 out today on behalf of Commander Jacquelyn Pritchard and  
21 Lieutenant Guntzviller but all parties are at this time.

22 CHAIRPERSON HOLT: Thank you, Ms. White.

23 MRS. WHITE: Sergeant Craighead. Okay. We are still  
24 working to make sure that his microphone and video is  
25 enabled and if staff co-hosts could assist with that,

1 please.

2 SGT. CRAIG: Okay. There we go. Can you hear me now?

3 MRS. WHITE: Yes, sir.

4 CHAIRPERSON HOLT: Yes, sir.

5 SGT. CRAIG: Okay. Good afternoon, Commissioners.

6 CHAIRPERSON HOLT: Good afternoon.

7 COMMISSIONER JONES: Good afternoon.

8 SGT. CRAIG: Glad to be here. I'm Sergeant Otha  
9 Craighead from Detroit police vice. With me is my partner  
10 Sergeant Jordan Grace. We appreciate the opportunity to  
11 present the slide show to you. And we're ready to begin  
12 when you're ready. So the first slide we're presenting a  
13 presentation on human trafficking. We put a low about 9  
14 slides together to help to explain human trafficking as  
15 it pertains to Detroit police bikes. The first slide the  
16 really.

17 SGT. CRAIG: The first slide really describes what  
18 Vice does. We have 10 officers, 2 sergeants'. Our primary  
19 duty is to enforce some morality laws, and liquor laws in  
20 the City of Detroit. Currently, we have 3 officers  
21 assigned to a federal task force. It's called SEMTEC -  
22 Southeast Michigan Trafficking Exploitation Crimes.  
23 Basically, it's a federal task force headed by the FBI  
24 that also deals with human trafficking on a federal  
25 level. Go to the next slide. What is human trafficking

1 basically? It's modern-day slavery. It's not necessarily  
2 sex-based, but sex trafficking is a large component of  
3 it. Exportation of a person through force fraud. Coercion  
4 is happening everywhere in the United States. We see some  
5 in Detroit not as much as probably on the Westside or  
6 down in the Western lower half of the United States.

7 SERGEANT CRAIGHEAD: The next slide. Thank you.

8 Whereas human trafficking commonly encountered, this is  
9 pretty informative. It spells out, hotels and motels are  
10 our biggest shelters, schools, hospitals mass transit,  
11 meaning stranded travelers, people being forced from  
12 transit on the street, sex workers is what we commonly  
13 see. Whereas human trafficking commonly encountered human  
14 trafficking victims can show up anywhere, anytime. It's  
15 up to the first responding officers to distinguish the  
16 signs of a person being trafficked and they take  
17 appropriate action. The appropriate action would be to  
18 make notifications to the Vice Enforcement where we  
19 either respond to or follow up depending on when we get  
20 the information. But the first part would be a police-run  
21 or a patrol officer will encounter what they believe to  
22 be trafficking. Not that some things just aren't  
23 trafficking. Some things are a common streetwalker  
24 prostitute that necessarily being trafficked, not  
25 everything is human trafficking. But it's up to that in

1 that initial officer to let us know, and we will vet it  
2 and respond accordingly. Okay. We go to the next slide,  
3

4 SERGEANT CRAIGHEAD: Who were the victims of domestic  
5 miner trafficking? So what we see is part of the job that  
6 SEMTE, officers working with SEMTEC, part of their  
7 responsibility is to really aggressively go after the  
8 minors that are in the sex trafficking world. So who are  
9 the victim of domestic minor sex trafficking use of any  
10 ethnicity, ethnicity, race, religion, use of any social-  
11 economic class, female, male, trans transgender use of  
12 all ages vulnerable use our homeless runaways to throw  
13 away if you will use of foster care systems. The higher,  
14 the vulnerability, the higher, the chance of  
15 victimization. So basically we see minors, unfortunately,  
16 you know, in a sex world. We instantly moved to you know,  
17 they are a victim, whatever they're doing, they're  
18 classified and we consider them victims. So we remove  
19 them from whatever situation that they find themselves  
20 in.

21 SERGEANT CRAIGHEAD: Okay, I'll go to the next  
22 slides. It's sex trafficking. The things that we see that  
23 alert us to sex trafficking when we encounter subjects  
24 with numerous hotel room keys that's a telltale sign,  
25 false IDs when they lie about their age. There are a lot

1 of sites that advertise and advertise sex basically. And  
2 we see the pictures, I'm sorry, an incoming call came in.  
3 We see the pictures of them, and we move to eradicate  
4 that. So anyway, signs of sex trafficking would be  
5 numerous hotel keys, prepaid money cards, false IDs, a  
6 large amount of money on their person a frequent runaway  
7 disappearing for long periods of time. Tattooing  
8 branding. A lot of kids have tattoos on them marks from  
9 violence from maybe persons that are, are pressing them  
10 or exploiting them. That's where we see the tattoo and  
11 then the Brandon and consistencies in their story. When  
12 we interview alum lack of knowledge of the area that  
13 they're in cell phones, there's not an appearance name.  
14 So these are some of the things that we see that alert us  
15 law enforcement to sex trafficking.

16 SERGEANT CRAIGHEAD: So the next slide would be how  
17 are Detroit Police Vice Enforcement works to combat human  
18 trafficking? So Vice respond to tips received by police  
19 officers, citizens' crime, the crime stoppers. When we  
20 get these tips, we determine that the human trafficking  
21 is present and follows up on an investigation through  
22 interviews, through surveillance through talking to the  
23 officers because the officers are the first responders,  
24 but a lot of how we combat it is to try and develop the  
25 case with our person that we believe is, is being

1 trafficked. Surveillance is a large part of it. Vice  
2 conducts operations, such as online statistics,  
3 solicitations, opportune to engage operations costing of  
4 soliciting operations, which are all specific to sex  
5 offense crimes. Oftentimes, the offenders of those  
6 offenses are actually being trafficked. Not so much, you  
7 know, it's not a large number but when we find the  
8 trafficking is through those types of Vice operations.  
9 Vice works in conjunction with SEMTEC, I explained on  
10 certain operations specific to human trafficking, Vice  
11 currently has those officers that are working with our  
12 federal partners.

13 SERGEANT CRAIGHEAD: So all Vice operations are  
14 concluded with interviews with the victim, which is  
15 sometimes considered the suspect in order to determine if  
16 human trafficking is occurring. Next slide. Human  
17 trafficking investigations in 2020, Vice Enforcement and  
18 SEMTE. We closed 94 investigations in 2020, which were  
19 related to human trafficking or exploitation of children,  
20 and included seven recoveries of missing persons, 29  
21 placements into shelter programs, and 34 arrests. I  
22 believe that concludes my slide presentation. If you have  
23 any questions, myself and Sergeant Grace would be glad to  
24 answer.

25 CHAIRPERSON HOLT: Thank you, Sergeant Craighead.

1 Commissioners, I know we have questions.

2 COMMISSIONER BROWN: Through the Chair.

3 CHAIRPERSON HOLT: Yes, Commissioner Brown.

4 COMMISSIONER BROWN: I get first on this one. Thank  
5 you for the presentation. I appreciate the information  
6 and all the work you guys are doing.

7 SERGEANT CRAIGHEAD: You're welcome.

8 COMMISSIONER BROWN: I think it's great because this  
9 has been a subject that's been close to me with  
10 everything that's going on. Just a quick question. As  
11 regards to the number of young women and men that - we  
12 get those lists of them missing on a daily or weekly  
13 basis, something like that. Is that information  
14 communicated to your unit as well?

15 SERGEANT CRAIGHEAD: No, not the missing per se. If  
16 there's a belief that that person, that missing child is  
17 being exploited, then yes, it will come to us as a  
18 notification, but the general missing children recent  
19 reports that you find that they're usually handled in a  
20 Precinct Detective Bureau.

21 ASSISTANT CHIEF BETTISON: Let me jump in real quick  
22 with that too. So, Commissioner Brown, I definitely see  
23 where you're going and see your point and have heard and  
24 been asked this question many, many, many, many times. So  
25 the missing report is definitely made it the Precinct and

1 the detectives when you see them on TV because we all see  
2 constantly reports of missing youth on channels 2, 4, and  
3 7. And that's one of the things that DPD does very well.  
4 The detectives and the PDU communicates with Sergeant  
5 Nicole Kirkwood from media relations. And even though it  
6 doesn't meet the standard of an Amber alert because  
7 that's regulated by the State, what the Detroit Police  
8 Department does is we want to make sure that we recovered  
9 this child ASAP. So we'll blast it out. Now, you're  
10 seeing it coming from Detroit because, in many other  
11 cities and departments, they don't push it out as we do.

12 ASSISTANT CHIEF BETTISON: We get a missing person,  
13 we get a youth, whether it's elderly or whomever, and we  
14 get it to the media and enlisted the community that helps  
15 us. Here's the downside. When the person is recovered one  
16 day, two days, sometimes eight hours, we notify the  
17 media, but it's not pushed out the same way. It's a  
18 little blurb, but what we do is we take that information  
19 and we put it on our department website also, on our  
20 Facebook page. If you would go to our Facebook page, you  
21 will be able to click on there and you will be able to  
22 see recover, missing. Nicole, from our Media Relations,  
23 keeps that up. So when it goes out there missing is big,  
24 but when their recovery is not as big of a story. And so  
25 we're trying to figure out how exactly to reconcile that

1 piece and with the conversations that we have, I've said  
2 that if we didn't recover all those missing girls, where  
3 are all those missing young folks, it will be families  
4 lined up all the way or Woodward from downtown to 8-mile  
5 saying, where's my loved one. They come home. So the  
6 majority of them have reunited back with their families  
7 ASAP, but the community is left hanging. So that is the  
8 question.

9 COMMISSIONER BROWN: And I know Sergeant Kirkwood and  
10 her team does a marvelous job with handling the volume of  
11 information that they have to keep up with. All right.  
12 Thank you very much. Sergeant Craighead and AC Bettison.  
13 Appreciate it.

14 CHAIRPERSON HOLT: Thank you. Other questions by  
15 Commissioners, please?

16 COMMISSIONER DAVIS: I have a question.

17 CHAIRPERSON HOLT: Commissioner Davis.

18 COMMISSIONER DAVIS: Yes, it's a good presentation.  
19 As it relates to some of those facilities that you have  
20 taken them to, I know I was in our all pack meeting  
21 recently and there was some concern raised that some of  
22 those facilities may have people just helping to traffic  
23 young people. Do you know anything about that?

24 SERGEANT GRACE: There are certain facilities we've  
25 received tips or complaints about that might be specific

1 to that obviously, we have to vet those and make sure we  
2 actually did an interrogation at one of those facilities  
3 just recently to make sure none of the additional  
4 offenses were occurring there, but we're also constantly  
5 reaching out to, or searching through the community for  
6 new shelters that we can place victims at.

7 COMMISSIONER DAVIS: Okay. Thank you, because that  
8 was very troubling information.

9 CHAIRPERSON HOLT: Thank you. Any other questions  
10 from the Commissioners?

11 COMMISSIONER JONES: I have a question.

12 CHAIRPERSON HOLT: Commissioner Jones.

13 COMMISSIONER JONES: Thank you for your presentation.  
14 Now, one of the things I wanted to ask is if - does your  
15 - because you're Detroit, but does your investigations  
16 take you across 8-mile road because I've received  
17 information in the past about some of these other  
18 transient hotels along the 8-mile corridor and some of  
19 the transient hotels that are on that Dequindre Corridor  
20 out in like areas like Warren. Does your investigation  
21 take you to places like that?

22 SERGEANT CRAIGHEAD: That's a great question, and the  
23 answer is yes, absolutely. So with our federal partners  
24 and Sergeant Grace and I just had a meeting with our  
25 federal partners at the fed building, regarding that

1 very, very question. We do have some troubling motels  
2 that we have identified in Warren East point along that  
3 8-mile area that we are investigating. We found that  
4 we're investigating their involvement but we have  
5 identified a few.

6 CHAIRPERSON HOLT: Thank you, sir.

7 CHAIRPERSON HOLT: Any other questions,  
8 Commissioners?

9 COMMISSIONER CARTER: I have a question. I'm sorry, I  
10 have a question.

11 CHAIRPERSON HOLT: Sure:

12 COMMISSIONER CARTER: Sergeant Craighead, through  
13 your investigations, do you find that most of the women  
14 that you recover are from the area or are they brought in  
15 from another different part of the country?

16 SERGEANT CRAIGHEAD: As far as the trafficking goes,  
17 it's not just one way to look at it. It's hard to say,  
18 you know, where they're coming from, but the ones that we  
19 have investigated as far as recently have been from the  
20 Detroit area. Now, as far as prostitution goes, that can  
21 be from all over, you know, but as far as the trafficking  
22 cases that we've had recently, they were from the Detroit  
23 metropolitan area.

24 CHAIRPERSON HOLT: Thank you.

25 COMMISSIONER CARTER: Thank you.

1 CHAIRPERSON HOLT: Any other questions Commissioners.

2 Okay. I'd like to bid in

3 COMMISSIONER BURTON: Question, Madam Chair. My hand  
4 was up. I'm sorry.

5 CHAIRPERSON HOLT: Commissioner Burton.

6 COMMISSIONER BURTON: Thank you, Madam Chair.  
7 Question for the gentlemen that presented out, a question  
8 for you. How many women have gone missing in Detroit this  
9 year and how many have been found? In addition, how long  
10 does it take to investigate a missing person and what are  
11 the targeted age groups?

12 LT. GUNTZVILLER: I can address that question through  
13 the Chair Lieutenant Andrew Guntzviller. I'm the  
14 Lieutenant over the Vice in the Major Violators Unit.  
15 This is a point of clarification, we have a separate unit  
16 that handles missing persons. We have a component of our  
17 homicide unit that handles that, and then each individual  
18 Precincts Detective Bureau handles missing persons in  
19 their Precincts of occurrence. The only time that Vice  
20 would really become involved in a situation like that is  
21 if there was a human trafficking nexus with it. So  
22 unfortunately we don't have the statistics that you're  
23 requesting right now. That would have to come from a  
24 different unit within the department, sir.

25 CHAIRPERSON HOLT: Thank you. Would it be possible

1 for Ms. White to receive that information from you?

2 ASSISTANT CHIEF BETTISON: Absolutely. This is AC  
3 Bettison chiming in. Absolutely, our missing person unit  
4 keeps track of that, and our subject matter expert is  
5 Sergeant Shannon Jones. And so there are so many  
6 different buckets when it comes to missing persons. And I  
7 remember reviewing a report not too long ago, and it had  
8 a great synopsis, so I'll make sure I get that to Ms.  
9 White, and she'll be able to get that to the Board. And  
10 then I love these conversations because it gives the  
11 department a chance to really explain the barriers  
12 aspects of missing persons. But like I said, the majority  
13 are - they leave and they come back rather quickly. And  
14 then you have the other category of our seniors who are  
15 suffering from dementia. So we put those out as well on  
16 TV as well, as far as missing persons. And those are  
17 vulnerable individuals and we have an all-out extensive  
18 search depending on the level of danger the person is,  
19 whether or not they can care for themselves also.

20 CHAIRPERSON HOLT: Thank you AC Bettison.

21 COMMISSIONER BURTON: To the Chair, real quick, AC  
22 Bettison, you guys can email me personally at my  
23 department's email address. So whatever you send to the  
24 Board Secretary, you can also send that to me, the part  
25 of what I requested personally to my email.

1 ASSISTANT CHIEF BETTISON: I will do that, sir. Thank  
2 you.

3 CHAIRPERSON HOLT: Thank you.

4 COMMISSIONER DAVIS: I have one more question, Madam  
5 Chair.

6 CHAIRPERSON HOLT: Commissioner Davis:

7 COMMISSIONER DAVIS: Also, I was wondering, I also  
8 recently was hearing that there was a rise in seniors  
9 being on trafficking. Do you know anything about that?

10 SERGEANT CRAIGHEAD: No, that information hasn't been  
11 brought to the Vice Unit as yet. It's something that  
12 we'll keep an eye on, but right now we haven't heard any  
13 seniors being trafficked.

14 SERGEANT GRACE: Also through our investigations and  
15 operations that we've conducted we haven't been  
16 encountering any rise in seniors being trafficked.

17 COMMISSIONER DAVIS: Okay.

18 COMMISSIONER HOLLEY: So, you don't have to worry,  
19 Davis.

20 CHAIRPERSON HOLT: If there are no more questions  
21 from the Commissioners, Sergeant Craighead.

22 SERGEANT CRAIGHEAD: Yes, ma'am.

23 CHAIRPERSON HOLT: You use sex trafficking and then  
24 you use human trafficking. Are you using the two terms  
25 interchangeably or are the behaviors different?

1 SERGEANT CRAIGHEAD: Interchangeably, true, but  
2 they're not all trafficking or sex trafficking. That's  
3 what I, what I wanted to explain. We are familiar with  
4 sex trafficking, but we haven't really talked about human  
5 trafficking where maybe a migrant might come - someone  
6 might be illegal in the City of Detroit that maybe is  
7 being forced to work or forced to do something that is a  
8 form of trafficking as well. But for this presentation,  
9 we limited it to sex trafficking.

10 CHAIRPERSON HOLT: Thank you for that clarification  
11 also you know, when you drive through the city, you see  
12 those, see something, say something billboards. Have you  
13 ever had the opportunity to say perhaps to approach a  
14 nonprofit so that we could have the same kind of alert as  
15 it relates to human sex trafficking, whereby the person  
16 who would be making the report, uses the human  
17 trafficking hotline? Have we ever had a billboard posted  
18 specifically to human trafficking, sex trafficking?

19 SERGEANT CRAIGHEAD: I don't believe so. I have seen  
20 the 1-800-speak up for Crime Stoppers. If you see  
21 something say something campaign that was publicized, but  
22 as far as human trafficking, per se, I don't recall  
23 seeing any billboards to that.

24 CHAIRPERSON HOLT: And I think the numbers are  
25 probably different.

1           SERGEANT GRACE: We do receive a lot of tips from  
2 crime stoppers or regarding human trafficking. We do get  
3 a lot of information from those tips.

4           CHAIRPERSON HOLT: Thank you so much. AC Bettison,  
5 you were going to ---

6           ASSISTANT CHIEF BETTISON: I was just going to chime  
7 in that, you know, with this is a collective effort, as  
8 far as educating the community and our Vice Unit has met  
9 with various hotels and motels, but particularly our  
10 hotels where a lot of the sex trafficking takes place.  
11 And so in many of the hotels around the metropolitan area  
12 and even around the country, there's a campaign where  
13 they have various things in the hotel room that  
14 discreetly gives individual information about human and  
15 sex trafficking so that they can get the little cards,  
16 it's even on soap and other things where they can call a  
17 number to let somebody know.

18          CHAIRPERSON HOLT: Thank you, AC Bettison. And I have  
19 to put the plugin one of the last auto shows the Delta  
20 Sigma Theda. We were housed out like at Joy Road. And I  
21 mean, not Joy Road - John R and I don't know, 14-miles.  
22 And that was the canvassing we did AC Bettison the  
23 Delta's went about the community, Sterling Heights,  
24 Warren, and we did approach the various hotels and back  
25 in - and in one example, we went to an apartment complex.

1 I mean, they're pristine, looked sort of a wealthy  
2 complex. And we were attempting to gain access and the  
3 objective was to leave some of those subtle items whereby  
4 folks if they were involved in, or if they were  
5 victimized by human trafficking, sex trafficking, they  
6 could use that information on those soap bars to contact,  
7 to use the hotline number, and it was interesting that  
8 some hotel managers were resistant to us leaving those  
9 items in that community. But again, it's a very heated  
10 contentious. I think we discovered the Deltas did, that  
11 human trafficking - the industry itself has somewhere  
12 around a billion dollars of money that comes into their  
13 business, which to some degree competes, what, how much  
14 money even drug traffickers get. So it is a very serious  
15 matter obviously. And I'm sure, like you said, AC  
16 Bettison, we need to work together as a community, so.

17 ASSISTANT CHIEF BETTISON: I'll make sure that I get  
18 the Board some information so that when you're out with  
19 your constituents and you're out with the citizens, that  
20 you will have those hotline numbers and that you will  
21 have even as little pamphlets and stuff to give to  
22 citizens you know I'll get you a copy and we'll figure  
23 out how to get more, but that you could even help us  
24 educate the community as to what to look for and how to  
25 report it because that can help save lives and get folks

1 out of modern-day slavery.

2 CHAIRPERSON HOLT: Thank you again AC Bettison.

3 Commissioners, we have the 2020 Human Trafficking Report  
4 from the State, which is very interesting and it's very  
5 informative. And it has the 2020 date indicator because  
6 obviously with COVID the Commissioners for human  
7 trafficking were not able to really get their commissions  
8 implemented. So we might want to look at how the State of  
9 Michigan is, as well as the human trafficking.  
10 Commissioners are trying to effectively impact the  
11 negative numbers that that business unfortunately is  
12 holding onto. So again, thank you DPD for making this  
13 presentation, AC Bettison. We look forward to those  
14 materials that you have generously extended to us so that  
15 we, as a community, can go about and alert people on how  
16 to see something, say something.

17 COMMISSIONER BERNARD: Madam Chairperson, just one  
18 quick

19 CHAIRPERSON HOLT: Commissioner, Bernard.

20 COMMISSIONER BERNARD: Thank you, Madam Chair,  
21 Commander Bettison if you have materials on that, that  
22 you'd like to distribute, of course, I want some, and I  
23 want to be able to distribute them, but I just wanted to  
24 call to your attention, so you can call it to the  
25 attention of your colleagues in our surrounding

1 communities. It's my understanding that a lot of human  
2 trafficking is actually going on within the Vietnamese  
3 community, which is out there near 14-mile and 12-mile,  
4 where Vice-Chair Holt was. That's a huge issue as you  
5 know, Vietnamese community and I believe it's also  
6 happening in Southwest Detroit among the Hispanic  
7 community. So if we could have materials, like I probably  
8 just need American, you know, English speaking materials,  
9 but those communities I know for a fact would probably  
10 benefit from having materials in foreign languages. So  
11 when you talk to your fellow chiefs and so forth.

12 CHAIRPERSON HOLT: Thank you, Commissioner Bernard.  
13 That's a perfect example. That's a perfect suggestion.  
14 Thank you so much. So again, we're going to move the  
15 agenda. DPD, thank you.

16 SERGEANT CRAIGHEAD: Thank you, ma'am. We appreciate  
17 it.

18 CHAIRPERSON HOLT: Commissioners, your quality  
19 questions are helping us to better understand this  
20 industry of human trafficking. The next thing on the  
21 agenda Mrs. White, your report.

22 MRS. WHITE: Yes. Through the Chair, Honorable Board  
23 and our meeting attendees and DPD executives, please note  
24 the agenda for the following incoming correspondence for  
25 this week, and they are as follows: Number one, weekly

1 DPD facial recognition technology report for the week of  
2 March 22nd, 2021 through March 28th, 2021. The Honorable  
3 Board also received the RFP towing and recovery services  
4 from the DPD tow monitor, Captain Michael Parrish. Number  
5 three, Public Health Order regarding the Open Meetings  
6 Act dated March 30th, 2021. The panel discussion event  
7 flyer which will be held by Wayne State University  
8 Department of Criminology and Criminal Justice and 11th  
9 Center will be held on April nine, 2021 regarding  
10 corrections and reentry. Number five, the resignation  
11 letter of senior investigator Del Veda, Moses. Number  
12 six, Chief of Police James E. Craig's letter of  
13 recommendation to promote detective Eric Flesh to the  
14 rank of Sergeant. Number seven, the correspondence from  
15 Captain Michael Parrish and our office memorandum  
16 regarding proposed revisions to the rules of police  
17 authorized towers. And also you received various staff  
18 reports, including, but not limited to the research  
19 material previously discussed on human trafficking and  
20 the Vice Enforcement Unit. Also, the Vice Enforcement  
21 presentation was also shared earlier this week. Also,  
22 this just came in was the project Greenlight Detroit list  
23 of participants, which has recently been forwarded to  
24 your email address. And that concludes the incoming  
25 correspondence for this week.

1 CHAIRPERSON HOLT: Thank you, Ms. White. So now we  
2 will go into unfinished business. Search, warrant and  
3 execution policy, 202.03 and that is the presentation,  
4 Ms. White?

5 MRS. WHITE: Through the Chair. That is not a  
6 presentation at this time. We have already provided the  
7 Honorable Board and the community with the presentation  
8 on search warrant and execution policy. And so at this  
9 time it is a motion or a vote that is scheduled to occur.  
10 Also Assistant Chief Bettison and Director Branche-Wilson  
11 are available on the line if there are any additional  
12 questions regarding that policy, but it's scheduled for a  
13 vote today,

14 CHAIRPERSON HOLT: Right. And I see you have provided  
15 us with a synopsis of the search warrant policy. So we  
16 can move on. Is there a motion?

17 COMMISSIONER JONES: Through the Chair: Absolutely.

18 CHAIRPERSON HOLT: Commissioner Jones.

19 COMMISSIONER JONES: All right. Thank you. Based on a  
20 thorough review and announcement of the department's  
21 policy on search warrant and execution manual directive  
22 202.3 and the department's inclusion of the following key  
23 updates presented on February 25th, 2021, which are as  
24 follows: Increase in supervisory presence on all search  
25 warrants, reducing allowable circumstances for no-knock

1 warrants. Members shall only conduct no-knock warrants in  
2 the incidence of imminent threat of loss of life or  
3 serious injury or a national security risk, and any no-  
4 knock warrants must be approved by the Chief of Police or  
5 his designee. I move that we approve the department's  
6 policy on search warrant and execution manual directive  
7 202.3.

8 CHAIRPERSON HOLT: Do I hear a second?

9 COMMISSIONER BURTON: I call that we table it until  
10 next week.

11 CHAIRPERSON HOLT: That motion is out of order.

12 COMMISSIONER BURTON: You can always table a motion,  
13 Madam Chair.

14 CHAIRPERSON HOLT: The motion Commissioner Burton is  
15 out of order, and I need to take it under advisement. Is  
16 there a motion? Are we going to vote to support the  
17 warrant and execution policy?

18 COMMISSIONER CARTER: I said second.

19 COMMISSIONER BERNARD: Pardon me? There was no second  
20 on your motion.

21 COMMISSIONER CARTER: I said second, a couple of  
22 times.

23 COMMISSIONER BERNARD: I didn't hear. I'm sorry.

24 COMMISSIONER BURTON: I called to table it because of  
25 the

1 CHAIRPERSON HOLT: Okay, question. Is there a  
2 discussion?

3 COMMISSIONER BURTON: Discussion.

4 COMMISSIONER BERNARD: I second the motion to table  
5 the policy.

6 CHAIRPERSON HOLT: I'm sorry. I didn't hear that  
7 Commissioner Bernard?

8 COMMISSIONER BROWN: Madam Chair.

9 CHAIRPERSON HOLT: Excuse me, Commissioner Brown. Ms.  
10 White, I need to see. Where are we with the second of  
11 this motion that was introduced by Commissioner Jones?

12 MRS. WHITE: Yes. Through the Chair, Commissioner  
13 Carter, I have recorded where she seconded the motion and  
14 that is the information that I have. I did hear  
15 Commissioner Burton moved to table and then a later  
16 second, but the previous motion was properly made and  
17 seconded.

18 CHAIRPERSON HOLT: Thank you, Ms. White, for that  
19 information. So we're at the second. Is there a  
20 discussion?

21 COMMISSIONER HOLLEY: Chairperson?

22 CHAIRPERSON HOLT: Yes. Commissioner Holley.

23 COMMISSIONER HOLLEY: I'd like to ask Commissioner  
24 Linda, why do you want this table?

25 COMMISSIONER BERNARD: Commissioner Holley, it's a

1 big step forward and I agree with most of it. The only  
2 thing that I disagree with, is that they can come in  
3 after 30 seconds, but that somebody comes to your door  
4 with a warrant. And if you're not at that door in 30  
5 seconds they can break down the door. That's a problem  
6 for me. That's the only part, the rest of it is pretty  
7 good. You know, I like the fact that the Chief has to  
8 approve a no-knock warrant, and I hope he does that  
9 judiciously and not just performer. I mean, it's a good  
10 policy other than that, but that 30 seconds, I can't move  
11 that fast. And I know I can't from upstairs. So that was  
12 my problem. And I can't forget about that, man that they  
13 broke the door in. I think it was right here in Northwest  
14 Detroit, an older man, and he busted the door and they  
15 had the warrant and he had a (Audio Distortion). They  
16 didn't know he was an old guy, and they shot him and  
17 killed him. The 30 seconds is giving me a problem.

18 COMMISSIONER HOLLEY: I got you. I got you.

19 COMMISSIONER JONES: Through the Chair.

20 CHAIRPERSON HOLT: Commissioner Jones.

21 COMMISSIONER JONES: As I understand it, even in  
22 approving this motion, I mean approving the policy that  
23 the policy is amendable. So it's not something that's set  
24 in stone. It is actually amenable at a later date in the  
25 event that some concerns observed by DPD, like the one

1 expressed by Commissioner Linda Bernard, that those  
2 concerns can be addressed at a later date. But at this  
3 particular point, it's about adopting the policy and  
4 moving it forward with the ability to be able to amend it  
5 at a later date.

6 COMMISSIONER BERNARD: We can amend it to that right  
7 now.

8 CHAIRPERSON HOLT: Okay. Thank you. Thank you.  
9 Commissioner Jones and Commissioner Bernard.

10 COMMISSIONER BURTON: Madam Chair. For discussion.  
11 Madam Chair.

12 CHAIRPERSON HOLT: Okay, we're going to take a vote  
13 on it.

14 COMMISSIONER BURTON: Madam Chair, District 5 has to  
15 weigh in for discussion as well. Madam Chair.

16 CHAIRPERSON HOLT: We're going to take a vote on the  
17 motion to approve.

18 COMMISSIONER BROWN: Madam Chair, I have a question,  
19 under discussion, also.

20 COMMISSIONER BURTON: You are going to  
21 disenfranchised 200,000 people in the 5th District?

22 COMMISSIONER BROWN: And in the 2nd and 1st District.

23 CHAIRPERSON HOLT: We are going to take a vote on the  
24 motion to approve.

25 COMMISSIONER BROWN: I tell you, you are out of order

1 now we are in discussion.

2 COMMISSIONER BURTON: You are going to violate our  
3 civil liberty? You are going to violate the citizens of  
4 Detroit and District 5 and District 2 and District 1.

5 CHAIRPERSON HOLT: We're going to move on and vote on  
6 the motion.

7 COMMISSIONER BROWN. Commissioner Bernard, what's  
8 your

9 CHAIRPERSON HOLT: You can either vote the motion up  
10 or vote the motion down. Commissioner Brown.

11 COMMISSIONER BURTON: You are going to shut the door  
12 on democracy, right Madam Chair?

13 CHAIRPERSON HOLT: Commissioner Brown.

14 COMMISSIONER BROWN: I moved to amend the motion I  
15 like to make.

16 COMMISSIONER DAVIS: Support.

17 COMMISSIONER BURTON: Support.

18 COMMISSIONER BROWN: And that amendment is that we  
19 amend the timeframe as to when they can go in after a  
20 knock to be - is it, 30 seconds to 30 seconds?

21 COMMISSIONER BERNARD: It is 30 seconds.

22 CHAIRPERSON HOLT: Commissioner Brown.

23 COMMISSIONER BROWN: To a minute.

24 CHAIRPERSON HOLT: Commissioner Brown, there's a  
25 policy with us - how long Ms. White, how far can we go

1 back in terms of having this policy whereby we could have  
2 previewed it and made our comments at that time?

3 COMMISSIONER BROWN: That's irrelevant.

4 MRS. WHITE: Through the Chair, the policy is,

5 CHAIRPERSON HOLT: Excuse me, Mr. Brown.

6 MRS. WHITE: The policy was originally transmitted  
7 from the department, the early part of December 2020.

8 CHAIRPERSON HOLT: Thank you, Ms. White. So at that  
9 point, I see no reason for us to try to hold this out any  
10 longer. And again, Commissioners, if you choose to vote  
11 the motion out on down, that's your choice. So, Ms.  
12 White, we're going to vote on the motion. We're going to  
13 have a vote on the motion.

14 COMMISSIONER DAVIS: Point of information.

15 MRS. WHITE. Madam Chair,

16 CHAIRPERSON HOLT: We're going to have a vote on the  
17 motion. And I'll start with.

18 COMMISSIONER HOLLEY: What are we voting on?

19 CHAIRPERSON HOLT: We are voting to approve the  
20 policy as it is presented to us today.

21 COMMISSIONER HOLLEY: You can't do that. You got to,  
22 I'm sorry Madam Chairperson. I'm not a parliamentarian  
23 but I do know the policy from experience. But you got to  
24 wait. You got to vote on the second motion first up or  
25 down and then go through the first motion.

1 COMMISSIONER DAVIS: Yes.

2 CHAIRPERSON HOLT: Commissioner Holley.

3 CHAIRPERSON HOLT: Yes. Ma'am. I know I'm not a  
4 parliamentarian, but I'm good.

5 CHAIRPERSON HOLT: I'm not challenging your skills,  
6 Commissioner Holley, but from what I recall, the only  
7 motion that is legal is the motion that was introduced by  
8 Commissioner Jones.

9 COMMISSIONER DAVIS: No.

10 CHAIRPERSON HOLT: That's the motion that was second.

11 COMMISSIONER JONES: No. There was a motion put on  
12 there to amend it, and there was a motion put on there to  
13 table it and those motions have to be voted on Madam  
14 Chair.

15 COMMISSIONER DAVIS: Before the main motion.

16 COMMISSIONER BROWN: Before the main motion.

17 COMMISSIONER BERNARD: Then we'll second it. The  
18 friendly amendment will second it. That was seconded.

19 COMMISSIONER BROWN: So we have to vote the amendment  
20 up or down, and then we vote on the table. Then we vote  
21 for the main motion, Madam Chair. And I like Commissioner  
22 Holley, I'm not a parliamentarian, but I think I'm pretty  
23 good.

24 MRS. WHITE: Through the Chair, if I may. Please know  
25 Honorable Board that according to Robert's Rules of

1 Order, the Chairperson has the discretion, and the  
2 wherewithal to determine whether a motion is out of order  
3 at any particular time. And so that is also to be  
4 considered, but Madam Chair, it is up to you at this  
5 time. If you want to pursue the amendment, the friendly  
6 amendment that was made to the original motion, and then  
7 vote on the main motion, it is within your discretion as  
8 to the Chairperson. And that is information that is  
9 verified again in Robert's Rules of Order, newly revised  
10 edition, 12th edition, and also it's verified through the  
11 City of Detroit Law Department attorney, who is also on  
12 the call. Thank you.

13 CHAIRPERSON HOLT: So, let me see,

14 COMMISSIONER BURTON: Madam Chair.

15 CHAIRPERSON HOLT: Excuse me, Commissioner Burton.

16 CHAIRPERSON HOLT: So let me see if I understand Ms.  
17 White. We are now not supporting Commissioner Jones'  
18 motion?

19 MRS. WHITE: Though the Chair is not, not supporting,  
20 but there was a friendly amendment made to Commissioner  
21 Jones' original main motion, and that friendly amendment  
22 was to change or adjust the timeframe in which DPD can  
23 enter a home with a valid search warrant. So I think  
24 Commissioner Brown can attest to him indicating that it  
25 should be extended to one minute versus the 30 seconds

1 that's in the existing policy directive or in the revised  
2 policy directive. So that's the friendly amendment that's  
3 on the table at this time. But again, it is up to the  
4 Chair if you would like to pursue and entertain that  
5 motion versus the main motion

6 COMMISSIONER HOLLEY: Madam Chairperson for the  
7 spirit of the meeting, which I know you want. I think you  
8 ought to do what is right. And I'm just saying to you is  
9 that let's do it right? I don't know what the book says.  
10 I know what the spirit says. I'm just saying to you let's  
11 go with Brown and go back up to the other one. And we are  
12 out of here.

13 COMMISSIONER BROWN: Madam Chair, I will withdraw my  
14 motion.

15 CHAIRPERSON HOLT: Thank you, Commissioner Holley.

16 CHAIRPERSON HOLT: Excuse me Commissioner Brown.

17 CHAIRPERSON HOLT: So now we're entertaining the  
18 motion to amend the time and the original discussion

19 COMMISSIONER BROWN: Madam Chair. I just told you I  
20 withdraw the motion.

21 CHAIRPERSON HOLT: Are we going to second on the  
22 motion?

23 COMMISSIONER BERNARD: Madam Chair, he withdrew his  
24 amendment. So you only have your original motion now.

25 CHAIRPERSON HOLT: You know, the games that we're

1 playing are interfering with how much progress we can  
2 make as a body. So do I understand now we're dealing with  
3 the main motion?

4 COMMISSIONER JONES: Yes.

5 CHAIRPERSON HOLT: Thank you. Thank you, Commissioner  
6 Bernard. So we have a second on the main motion.

7 MRS. WHITE: Commissioner Carter previously seconded  
8 the main motion.

9 CHAIRPERSON HOLT: And so now we will vote?

10 MRS. WHITE: Yes, ma'am.

11 CHAIRPERSON HOLT: Commissioner Brown.

12 COMMISSIONER BROWN: Yes.

13 CHAIRPERSON HOLT: Commissioner Bernard.

14 COMMISSIONER BERNARD: Abstain.

15 CHAIRPERSON HOLT: Thank you. Commissioner Burton.  
16 Commissioner Burton, Commissioner Burton.

17 COMMISSIONER BERNARD: He can't hear you.

18 MRS. WHITE: Commissioner Burton.

19 COMMISSIONER DAVIS: He's not muted. He doesn't have  
20 to hold up a note. He's not muted.

21 COMMISSIONER BURTON: I want to make it clear, the  
22 Vice-Chair Annie Hope is not allowing me to weigh in on  
23 discussion. She shutting down the door on democracy for  
24 the citizens that live in the 5th District.

25 COMMISSIONER JONES: Through the Chair, that's

1 improper.

2 COMMISSIONER BURTON: I'm going to have to vote no on  
3 this right now.

4 CHAIRPERSON HOLT: Thank you, Commissioner Burton.  
5 Thank you very much for your vote.

6 COMMISSIONER BURTON: But I want to be able to speak  
7 for discussion. And I was told by the Vice-Chair today  
8 that I cannot speak during discussion. This is slamming  
9 the door on democracy on a hundred thousand people that  
10 live in the 5th District.

11 COMMISSIONER JONES: Madam Chair, that's improper. We  
12 are voting right now.

13 CHAIRPERSON HOLT: Thank you Commissioner Jones.

14 COMMISSIONER BURTON. And I had my hand up and I  
15 weighed in to speak for discussion.

16 CHAIRPERSON HOLT: Thank you Commissioner Burton.

17 COMMISSIONER BURTON: Vice-Chair Annie Holt told me I  
18 couldn't speak. She told me I couldn't speak.

19 CHAIRPERSON HOLT: Thank you Commissioner Burton for  
20 your no, vote. Commissioner Carter.

21 COMMISSIONER CARTER: Yes.

22 CHAIRPERSON HOLT: Commissioner Davis.

23 COMMISSIONER DAVIS: No, insufficient time.

24 CHAIRPERSON HOLT: Thank you. Commissioner Jones.

25 COMMISSIONER JONES: Yes.

1 CHAIRPERSON HOLT: Commissioner Holley.

2 COMMISSIONER HOLLEY: Yes.

3 CHAIRPERSON HOLT: Commissioner Holt. Yes. Mrs.

4 White, what's the outcome of that vote?

5

6 MRS. WHITE: Through the Chair. Madam Chair, you have  
7 5 yes votes, 2 no votes, and 1 abstention that's counted  
8 as a no vote. The motion passed.

9 CHAIRPERSON HOLT: Thank you. The games that we play  
10 are wasting time and I'm sure the public come to these  
11 meetings to get the true essence of why we're engaging as  
12 civilian oversight. Okay. The next thing on the agenda on  
13 Ms. White is the applicant appeal of Max Pedro. And he's  
14 going to be represented by the attorney our corporation  
15 council person. She's going to.

16 MRS. WHITE: Yes. Through the Chair, Honorable Board,  
17 the applicant appeal is on the schedule. Mr. Max Pedro  
18 will be speaking for himself during this open session.  
19 The assistant attorney assistant prosecuting, excuse me,  
20 Assistant Corporation Counsel Savage Whitley is available  
21 on the line as well to speak with regards to her  
22 recommendation. And also the Department of Human  
23 Resources is available, Director Patillo and Lieutenant  
24 James Coles, and Madam Chair. If it is your pleasure and  
25 Honorable Board if the attorney can go first with her

1 synopsis and recommendation?

2 CHAIRPERSON HOLT: Thank you, Mrs. White.

3 ASSISTANT CORPORATION COUNSEL WHITLEY: Good  
4 afternoon to the Honorable Board.

5 ALL: Good afternoon.

6 ASSISTANT CORPORATION COUNSEL WHITLEY: I believe you  
7 all received the privileged and confidential  
8 correspondence that I sent. If there are any questions,  
9 please let me know. I would recommend that you just go  
10 along with the presentation or the comments that you may  
11 have from the candidate, and if there are any particular  
12 questions as it relates to the opinion I can provide, but  
13 I would prefer to let the opinion stand on its own.

14 CHAIRPERSON HOLT: Thank you. Candidate Pedro is  
15 going to speak now, Ms. White.

16 MRS. WHITE: Yes.

17 CHAIRPERSON HOLT: Thank you.

18 MR. PEDRO: Yes. Hello. Good afternoon, everyone.  
19 Thank you for hearing me. Can you all hear me?

20 CHAIRPERSON HOLT: Yes, we can.

21 MR. PEDRO: Okay. Thank you. I just wanted to, first  
22 of all, say thank you for taking the time to hear my  
23 appeal and allow candidates the opportunity to appeal the  
24 hiring process. If they feel that you know, they should  
25 be moved forward and I wanted to make myself available

1 for any of you to ask me any questions that may be  
2 pertinent to the hiring process that would potentially  
3 give me the opportunity to move forward.

4 COMMISSIONER BERNARD: I asked some questions.

5 CHAIRPERSON HOLT: Thank you, Commissioner Bernard.

6 COMMISSIONER BERNARD: And I want to thank the  
7 Corporation Counsel for providing us that very brief two-  
8 page summary that I can't put my hands on right now, but  
9 I want to ask you Mr. Pedro, all of the issues that have  
10 been raised concerning your candidacy, first of all, they  
11 have recommended that you not be able to be a candidate  
12 for three years from now and the four or five things that  
13 they raised were very, very minor things. As I recall.  
14 You had alcohol, before you were 21, you bought alcohol  
15 for your fellows. They were, I guess, under 21, but I  
16 assume they were over 18.

17 COMMISSIONER JONES: Excuse me. I apologize through  
18 the Chair. And also with Counsel Whitley. Are we free to  
19 openly discuss the items that were mentioned inside of,  
20 and I'm just doing this for the protection of the Board  
21 and also of the police department as well. Is the  
22 discussion open as far as the items that were listed on  
23 that page that we received as far as Intel on this  
24 particular candidate

25 COMMISSIONER BERNARD: Mr. Pedro, is it open because

1 it's up to you?

2 COMMISSIONER JONES: Excuse me. I'm asking Mrs.  
3 Whitely, please. Thank you.

4 COMMISSIONER BERNARD: It's not up to her.

5 ASSISTANT CORPORATION COUNSEL WHITLEY: Through the  
6 Chair. The Open Meetings Act provides the right for the  
7 candidate to request a closed session if he desired. Is  
8 my understanding from Mrs. White, that he was comfortable  
9 with an open session. So he should feel comfortable to  
10 proceed with any questions that you all may have. I just  
11 wanted to err on the side of discretion as it relates to  
12 my recommendation and going through the facts, but as he  
13 sees fit to answer questions because this is his hearing.

14 COMMISSIONER JONES: Okay. Through the Chair. I  
15 apologize to Commissioner Linda Bernard for interrupting  
16 her but I just wanted to make sure we are protected.

17 CHAIRPERSON HOLT: Commissioner Jones, thank you so  
18 much. Commissioner Bernard.

19 COMMISSIONER BERNARD: Just quickly. Can you just  
20 explain the things that are in the summary that are the  
21 reasons for the department deciding not to recommend you  
22 go to the Academy? They're not serious or grievous things  
23 and perhaps you can explain them to the Board members?

24 MR. PEDRO: Absolutely. So, I actually wasn't able to  
25 read exactly what the reasons were why I was removed. So

1 I can assume that it was what I put down on my background  
2 investigation sheet and what they discovered about me.  
3 And it is true that I did consume alcohol before I was  
4 21. I did provide under 21-year-olds with alcohol at a  
5 time. Early on in college, I did have a fake ID that I  
6 did get caught with. And I just want to point out - and  
7 I'm not going to sugar coat it. It absolutely was the  
8 wrong decision that I made at the time. But I've grown as  
9 a person. I recently graduated college and I'm going to  
10 be attending an online master's program soon. And I know  
11 that people do make mistakes, but I hope that you guys  
12 can look at me as a whole person instead of just what's  
13 the background investigators recommended in terms of the  
14 removal from the process.

15 CHAIRPERSON HOLT: Other questions from the  
16 Commissioners, please?

17 COMMISSIONER BERNARD: I would just like to remind  
18 the Commissioners that it's interesting when you - all of  
19 us recruit people to come to the police department. And I  
20 tell them all the time, because, you know, during the  
21 process and everything, you're sort of encouraged, well,  
22 have you ever done this? Have you ever done this? Have  
23 you ever been in a fight? Have you ever anything like  
24 this? You know, what would your neighbors say about you?  
25 So you start talking and thinking that the recruiter is

1 your friend, and in reality, the recruiter is gathering  
2 information that can later be used to punish you. No one  
3 would even know that he drank underage, which most people  
4 have done, had he not told on himself, no one would ever  
5 know that when he was 21, he bought beer for some 20-  
6 year-olds. I mean, I just want the Commissioners to  
7 understand what it's like when you're trying to be really  
8 forthright and you're just bearing your soul, but you  
9 don't realize that it can come back to haunt you. And  
10 that's what's happened here, I think in his case. I read  
11 your comments. Congratulations on finishing college and  
12 congratulations on being in a master's program. Do you  
13 speak Spanish?

14 MR. PEDRO: I do not, but I am, I am half Puerto  
15 Rican.

16 COMMISSIONER BERNARD: Okay. All right. That's the  
17 only other question I had because I thought you [01:35:12  
18 inaudible] as a Spanish person.

19 CHAIRPERSON HOLT: Yes, Commissioner Holley.

20 COMMISSIONER HOLLEY: Madam Chairperson. I have  
21 attorney Whitley, can you just give me two or three  
22 minutes why you, based on everything that [01:35:25  
23 inaudible], and can you give me why you basically  
24 recommended for him not to be [01:35:33].

25 ASSISTANT CORPORATION COUNSEL WHITLEY: I basically

1 reviewed the report prepared by the staff and it was more  
2 of a concurrence once I saw their concerns. I will say  
3 the one area where I differ from the staff was regarding  
4 the time limit there. The standard could be a minimum of  
5 two years. They recommended three. So I put in my  
6 recommendations that I thought two would be fine. But  
7 that would be the minimum. But for me personally, it was  
8 more of a proximity issue. It wasn't necessarily that it  
9 needed to be anything that was a permanent strike on his  
10 candidacy. It was because it was such close proximity to  
11 when he was applying for all the various departments and  
12 the activity that was overlapping. So if you look at the  
13 timeline of the different polygraphs and applications and  
14 things, and then when he applied to the City of Detroit,  
15 that was all within a matter of months. And for me, that  
16 was a bit concerning. I would have liked to see a little  
17 bit more time passed from these, what we would like to  
18 call youthful mistakes, and to see that maybe that would  
19 not be ongoing behavior. So if there had an even at least  
20 once a year, maybe of time that had lapsed, I probably  
21 would have felt comfortable to deviate from the staff's  
22 recommendation. So from where I stand is I was at two  
23 years, and that was basically at the end of my  
24 recommendation.

25 COMMISSIONER HOLLEY: Thank you Madam Chair.

1 CHAIRPERSON HOLT: Thank you Commissioner Holley.

2 Other Commissioners, you have questions?

3 COMMISSIONER BROWN: Through the Chair.

4 COMMISSIONER JONES: Through the Chair.

5 CHAIRPERSON HOLT: I thought I heard Commissioner  
6 Brown.

7 COMMISSIONER JONES: Okay. He can go first. I'm  
8 alright.

9 CHAIRPERSON HOLT: I heard Commissioner Brown.

10 COMMISSIONER BROWN: Attorney Whitley, thank you for  
11 the way you laid everything out. I really appreciate that  
12 information. My other question is just to Lieutenant  
13 Coles why three years, as opposed to a year?

14 LIEUTENANT COLES: Through the Chair. The reason I  
15 picked three years is because it gives us enough time to  
16 establish a good frame of him actually doing things the  
17 correct way. And just not having any violations again, as  
18 the attorney said for the proximity to us, it was very  
19 close. You know, he was still doing the things in 2019 as  
20 he applied for the department. So our estimation is that  
21 he needed some time for us to give him, to really be able  
22 to evaluate his behavior after that.

23 COMMISSIONER BROWN: Okay. Thank you.

24 COMMISSIONER JONES: Through the Chair.

25 CHAIRPERSON HOLT: Yes, Commissioner Jones.

1 COMMISSIONER JONES: I just I've got one question  
2 because I did read through that entire report, and first  
3 of all, I'm going to say, Pedro, I do appreciate your  
4 desire to become a part of the finest police department,  
5 we feel in the country and it is a privilege to be able  
6 to put that uniform on and be a part of this kind of a  
7 team. I noticed that in my reading of your report, we had  
8 multiple failures on the polygraph examinations, which in  
9 most circumstances, most of us would probably go through  
10 most of my lifetime without ever having to be subjected  
11 to a polygraph examination, but you've got multiple  
12 failures where the polygraph examination is concerned,  
13 which is a direct indication of a person's truthfulness  
14 under a number of circumstances. And we're dealing with  
15 an entire community here. You know, we're not trying to  
16 single you out for anything or whatever, but we  
17 definitely need officers that have the propensity to be  
18 truthful in their testimony against one of our citizens  
19 If that becomes the outcome but you've got multiple  
20 failures. Can you tell me why you think or why the Board  
21 should possibly change their mind about your candidacy  
22 given such information about yourself and I thank you for  
23 appearing before the Board?

24 MR. PEDRO: Absolutely. So, to answer that question,  
25 I've taken four polygraphs. So the first one I took in

1 2019 and I did pass that one. Absolutely no problem. And  
2 that was not located in the State of Connecticut. The  
3 other three that I did were located in the State of  
4 Connecticut, which is known to have a very high failure  
5 rate for those tests and you know, the departments, do  
6 not give them details on what happened to the candidates.  
7 You're just removed from the process due to the failures.  
8 And based on my experience with them, they're very  
9 hostile - hostile situations when you're in the room with  
10 them. And they're very tough on you and I understand  
11 absolutely that they want to get the truth out of you and  
12 they want to find discrepancies in your story. But, you  
13 know, I always absolutely was a hundred percent truthful  
14 with them as the first examiner that I sat with would  
15 tell any of you. And I think they could be good tools in  
16 the right although, unfortunately for me, they didn't end  
17 up in my favor, most of them.

18 CHAIRPERSON HOLT: Thank you, Commissioner Jones. Are  
19 there other questions Commissioners?

20 COMMISSIONER BERNARD: I would just like to point out  
21 that as Counsel knows polygraph tests are not admissible.  
22 And if they were truly reliable, they would be  
23 admissible, which they are not.

24 CHAIRPERSON HOLT: Thank you, Commissioner Bernard.  
25 I'd like to have Commissioner Carter.

1 COMMISSIONER CARTER: Yes, Madam Chair. I move that  
2 we adopt the recommendation from the court counsel and  
3 temporarily disqualify, Mr. Pedro for three years.

4 COMMISSIONER DAVIS: Second.

5 CHAIRPERSON HOLT: It's been moved and second. Are  
6 there questions? In that event, we'll take the vote.  
7 Those in favor of the Board's recommendation that

8 COMMISSIONER HOLLEY: Roll call. I'm asking for a  
9 roll call.

10 CHAIRPERSON HOLT: Okay, good. Thank you.

11 ASSISTANT CORPORATION COUNSEL WHITLEY: Madam Chair,  
12 may I just have a point of clarification?

13 CHAIRPERSON HOLT: Yes, attorney Whitley.

14 ASSISTANT CORPORATION COUNSEL WHITLEY: I just want  
15 to clarify for the record the staff recommended three  
16 years. I basically would allow two years to three years.  
17 So I just wanted to be clear, crystal for the record. I  
18 was okay with two years.

19 CHAIRPERSON HOLT: Okay.

20 COMMISSIONER JONES: Through the Chair. The motion is  
21 for three years so that we're all on the same page?

22 CHAIRPERSON HOLT: Well, based on the motion and  
23 thank you Whitley for sharing that information. Our  
24 motion has to do with having Mr. Pedro on suspension for  
25 three years. So, and thank you, Reverend Holley, we're

1 going to have a roll call vote to support the Board's  
2 recommendation that Mr. Pedro is on suspension for three  
3 years. Commissioner Brown.

4 COMMISSIONER BROWN: Yes.

5 CHAIRPERSON HOLT: Commissioner Bernard.

6 COMMISSIONER BERNARD: No.

7 CHAIRPERSON HOLT: Commissioner Burton.

8 COMMISSIONER BURTON: No.

9 CHAIRPERSON HOLT: Commissioner Carter.

10 COMMISSIONER CARTER: Yes.

11 CHAIRPERSON HOLT: Commissioner Davis.

12 COMMISSIONER DAVIS: No.

13 CHAIRPERSON HOLT: Commissioner Jones.

14 COMMISSIONER JONES: Yes.

15 CHAIRPERSON HOLT: Commissioner Holley.

16 COMMISSIONER HOLLEY: No.

17 CHAIRPERSON HOLT: And I vote to support the Board's  
18 recommendation of the three years. So that's a, yes. Mrs.  
19 White, where are we?

20 MRS. WHITE: Through the Chair. There were 4 yes  
21 votes and 4 no votes resulting in a tie. The motion  
22 failed.

23 CHAIRPERSON HOLT: Okay.

24 COMMISSIONER JONES: I'm sorry. Through the Chair,  
25 but I looked like I wrote down 5 yes votes. Am I just

1 off?

2 COMMISSIONER HOLLEY: You're off.

3 COMMISSIONER BROWN: So what does that mean for him?  
4 Lieutenant Coles, Madam Chair, if you don't mind me  
5 asking that question.

6 CHAIRPERSON HOLT: No, I do not mind you ask him the  
7 question, Commissioner Brown. As long as you let me know,  
8 I am supposed to be listening by calling me Madam Chair.

9 COMMISSIONER BROWN: I apologize. I apologize, Madam  
10 Chair.

11 CHAIRPERSON HOLT: To my understanding,

12 COMMISSIONER BERNARD: I move, Madam Chair, that Mr.  
13 Pedro be admitted into the Academy.

14 COMMISSIONER BURTON: That's right. That's right.

15 CHAIRPERSON HOLT: Wait a minute. Commissioner  
16 Bernard, you issued a motion.

17 COMMISSIONER BERNARD: Yes. The only motion I've ever  
18 made, right? That he be admitted into the Academy.

19 COMMISSIONER BURTON:: I second.

20 MRS. WHITE: Through the Chair. If I may just kind of  
21 clarify something and then also DPD HR Division Director  
22 Patillo and Lieutenant Coles can clarify as well. This is  
23 a motion or this circumstance is to entertain whether he,  
24 Mr. Max Pedro can reapply to the Detroit Police  
25 Department. This is not to automatically enter or accept

1 him for the DPD recruitment Academy. This is not what  
2 that is, is to

3 COMMISSIONER BERNARD: Thank you, Melanie. Then I  
4 move that he'd be allowed to reapply immediately.

5 COMMISSIONER HOLLEY: It's been move. I support.

6 CHAIRPERSON HOLT: It has been moved and supported.  
7 Is there a discussion?

8 COMMISSIONER HOLLEY: Madam Chairperson.

9 CHAIRPERSON HOLT: Yes. Lieutenant Coles.

10 LIEUTENANT COLES: I'm sorry ma'am. I don't know if  
11 it's appropriate for me to ask the question at this time?

12 CHAIRPERSON HOLT: I would appreciate you asking a  
13 question.

14 COMMISSIONER BERNARD: No, it is not. The Board is in  
15 the middle of a vote. It is not appropriate.

16 LIEUTENANT COLES: Madam Chair, do I speak or no?

17 CHAIRPERSON HOLT: Wait a second. Lieutenant Coles.  
18 Thank you. Yes. Ms. White.

19 MRS. WHITE: Yes. Through the Chair. Honorable Board.  
20 If you could please excuse me. My next statement, after I  
21 clarify the record was to ask Director Patillo and  
22 Lieutenant Coles to weigh in on that item, because that  
23 is important to clarify on the record.

24 COMMISSIONER BERNARD: Melanie that is not your  
25 purview. That's the Chair's in charge of the meeting. She

1 decides who weighs in and who doesn't.

2 MRS. WHITE: I understand, but Through the Chair, I  
3 just wanted to indicate that Director Patillo and  
4 Lieutenant Coles are here for that very reason to address  
5 what will be proper as it relates to the applicant appeal  
6 and whether they would be applying to reapply or applying  
7 to the Detroit Police Department for the training  
8 Academy. So, that Chair is your decision.

9 CHAIRPERSON HOLT: Thank you. Ms. White, and thank  
10 you, Commissioner Bernard. So because of the ignorance of  
11 the Chair, I'm going to ask Lieutenant Coles to be in, on  
12 this discussion, please.

13

14 LIEUTENANT COLES: Through the Chair. Thank you,  
15 Ma'am. What I was going to say is that if we accept him  
16 at this time to be put back into the process, then the  
17 things that we found that we disqualified him for would  
18 be things that we would not disqualify him for again. So  
19 the things that we have that were on the record on his  
20 file, we couldn't re-disqualify him for that. So he  
21 wouldn't go directly into the Academy. But my  
22 understanding is, this is how I see it, is that he would  
23 be able to move forward. And the next stage would  
24 probably be his testing portion. And I'm sorry for being  
25 a sticker, but I did have one other question, and it was

1 to do with the attorney. It was saying on the  
2 recommendation she said for a minimum of two years. The  
3 minimum of two years would only apply in my understanding  
4 if the Commission was the one that denied the candidate,  
5 not for the department. So it never got to the Commission  
6 for the Commission to deny him for a minimum of two  
7 years. It's only on our portion. So, for us, there was no  
8 minimum, it was just the disqualification and the years  
9 were picked by DPD recruiting.

10 CHAIRPERSON HOLT: So, again, I mean Lieutenant  
11 Coles.

12 LIEUTENANT COLES: Yes.

13 COMMISSIONER BERNARD: He could move forward, Madam  
14 Chairman, Madam Chairwoman.

15 CHAIRPERSON HOLT: Yes, Commissioner. So, Lieutenant  
16 Coles, I know the position that you take as being the  
17 person in charge of the Academy and standards. Now, the  
18 thing that I noticed about Mr. Pedro, honestly, he did a  
19 yeoman's job on the AMCOS test. I mean, he did a B and an  
20 A-minus and, even passed the agility test. But I too  
21 would like to and I'm probably breaking the rules, I  
22 would like to ask Mr. Petrella, why is it he could not  
23 wait because I think the descriptor was so that he could  
24 mature. Why is it he could not wait for two, three years  
25 before reapplying to the DPD? Mr. Petrella?

1 COMMISSIONER BROWN: Isn't that out of order?

2 COMMISSIONER DAVIS: It is.

3 CHAIRPERSON HOLT: Yes, we are out of order.

4 ASSISTANT CORPORATION COUNSEL WHITLEY: Through the  
5 Chair are you asking me or Director Patillo?

6 CHAIRPERSON HOLT: I'm sorry. I'm asking Mr. Pedro.

7 MR. PEDRO: Oh, why is it that I cannot wait two or  
8 three more years?

9 CHAIRPERSON HOLT: Correct.

10 MR. PEDRO: Well I just want to point out that it has  
11 been 13 months since I first applied to the department  
12 actually. And in that year is when I did finish you know,  
13 college and, and apply to my master's program. So since I  
14 first applied, it has already been over a year. So  
15 waiting another year, I believe that it would just be,  
16 like, I guess, due process where if I was to do that,  
17 just go through the process again. And I mean, I don't  
18 know how much would change. I've matured a lot, I don't  
19 do I guess the immature things I used to do. So I don't  
20 know if much would change other than just more background  
21 history to fill out.

22 COMMISSIONER DAVIS: I call the question, Madam  
23 Chair.

24 CHAIRPERSON HOLT: Okay. Roll call vote.

25 COMMISSIONER HOLLEY: What are we voting on?

1 COMMISSIONER JONES: What's the motion?

2 CHAIRPERSON HOLT: Commissioner Bernard, will you  
3 please recite your motion?

4 COMMISSIONER BERNARD: My motion based on, I guess  
5 the Captain's statement is that he'd be allowed to enter  
6 the Academy because there is no reason not to, based on  
7 what he said in terms of DPD. So that he'd be allowed to  
8 proceed and enter the Academy. And if he fails out, he  
9 fails out. He has to meet the criteria. He's not a  
10 police officer. He's got a whole year of training.

11 COMMISSIONER JONES: Through the Chair.

12 CHAIRPERSON HOLT: Commissioner Jones.

13 COMMISSIONER JONES: I would say, I don't think at  
14 this particular point is up to the Board to vote in  
15 whether or not a person can be a candidate for Detroit  
16 Police Department or not. They have a hiring process,  
17 that's regimented. He's gone through that process. It's  
18 the recommendation of the training Academy, and  
19 Lieutenant Coles that he is not a candidate for a police  
20 officer position at this particular time, but it gives  
21 him the option to be able to reapply in the event that  
22 this circumstance change in at least two or three years.  
23 I don't think it's in our place to be able to vote a  
24 person into the Academy or not because he has to follow  
25 the guidelines, which we're not familiar with ourselves.

1 COMMISSIONER BERNARD: It is not

2 COMMISSIONER JONES: If I can finish my point, please  
3 Commissioner.

4 COMMISSIONER DAVIS: The question was called, the  
5 question was called. He's out of order.

6 COMMISSIONER JONES: I'm taking the opportunity to be  
7 able to join the discussion, okay. It's not up to us to  
8 take a vote a candidate -

9 COMMISSIONER DAVIS: The question was called.

10 COMMISSIONER BURTON: You don't have permission to  
11 speak from the Chair. Point of order. You do not have  
12 permission, you have not been recognized by the Chair.

13 COMMISSIONER JONES: Commissioner, I had permission,  
14 but I was cut off.

15 CHAIRPERSON HOLT: Gentlemen, the Chair. Okay. Ms.  
16 White.

17 COMMISSIONER BERNARD: Chairperson, if I may. The  
18 department has denied him the ability to move forward.  
19 His appeal is before the Board. So for the purpose of him  
20 being able to move forward, that's all this is. And  
21 that's all the Commission does. It can approve him moving  
22 forward in the process, or they can deny him moving  
23 forward in the process. That was the point I was trying  
24 to make. Commissioner Jones, I apologize if I was  
25 inappropriate. I didn't mean to be, but that's the only

1 thing we're saying he's allowed to move forward in the  
2 process. That's within our purview and we'll have a lot  
3 of these. I mean, we used to do five of these all the  
4 time. I mean, this is going to happen. They're going to  
5 be other people that are going to appeal. They appeal the  
6 decision of the department to the Commission. That's all  
7 it is.

8 CHAIRPERSON HOLT: Okay, thank you Commissioner  
9 Bernard. Okay. Commissioner Brown.

10 COMMISSIONER BERNARD: To be able to move forward in  
11 the process.

12 COMMISSIONER BROWN: Yes.

13 CHAIRPERSON HOLT: Commissioner Bernard.

14 COMMISSIONER BERNARD: Yes.

15 CHAIRPERSON HOLT: Commissioner Carter.

16 COMMISSIONER CARTER: No.

17 CHAIRPERSON HOLT: Commissioner Davis.

18 COMMISSIONER DAVIS: Yes.

19 CHAIRPERSON HOLT: Commissioner Jones.

20 COMMISSIONER JONES: No.

21 CHAIRPERSON HOLT: Commissioner Holley.

22 COMMISSIONER HOLLEY: Yes.

23 CHAIRPERSON HOLT: I vote no.

24 COMMISSIONER BURTON: You still failed to call on  
25 Burton.

1 CHAIRPERSON HOLT: I'm sorry. Wait, wait.

2 COMMISSIONER BURTON: You're still trying to  
3 silencing Commissioner Burton. You're shutting down  
4 democracy. The 150,000, people that live in the fifth  
5 district.

6 COMMISSIONER JONES: Madan Chair, you're giving him  
7 an opportunity to calm down but he wants to run his mouth  
8 instead of --.

9 COMMISSIONER BURTON: You did not allow me to speak  
10 during discussion early on a business motion, you're not  
11 allowing me to weigh in on a vote on this motion.

12 CHAIRPERSON HOLT: May we have Commissioner Burton's  
13 vote.

14 COMMISSIONER BURTON: District five needs  
15 representation.

16 CHAIRPERSON HOLT: If we can have Commissioner  
17 Burton's vote and I apologize.

18 CHAIRPERSON HOLT: What's your vote Commissioner  
19 Burton?

20 COMMISSIONER BURTON: I'd like it if you apologize to  
21 the District 5 residents.

22 COMMISSIONER JONES: You are not going to get that.

23 CHAIRPERSON HOLT: I apologize. Now, what's your  
24 vote?

25 COMMISSIONER BURTON: My vote right now that right

1 now that I'm weighing in, will be absolutely, yes.

2 Absolutely, yes.

3 CHAIRPERSON HOLT: Thank you. Okay. Miss White,  
4 what's the vote. what's the outcome?

5 MRS. WHITE: Through the Chair, there were 5 yes  
6 votes and 3 no votes. The motion passed.

7 CHAIRPERSON HOLT: Oh, thank you.

8 COMMISSIONER HOLLEY: Madam Chair, person.

9 CHAIRPERSON HOLT: Yes, Commissioner Holley.

10 COMMISSIONER HOLLEY: I know you're mad --

11 CHAIRPERSON HOLT: No, I'm not angry.

12 COMMISSIONER BURTON: Congratulations to the  
13 [01:57:08 inaudible]

14 COMMISSIONER HOLLEY: But we have.

15 CHAIRPERSON HOLT: The standards of the DPD are  
16 really high and we worked for that. And even though the  
17 young man did show in terms of the academics and the  
18 agility, there are other things that, you know, I'm  
19 looking at, but - yes, sir. Yes, sir.

20 COMMISSIONER HOLLEY: The HR lady that we just hired,  
21 let us know she's here. You hadn't said anything. HR  
22 lady. I can't say her name.

23 MRS. WHITE: Director Patillo.

24 CHAIRPERSON HOLT: The vote is

25 COMMISSIONER HOLLEY: Let her have the benediction or

1 something. I mean, she's been there for three hours.

2 DIRECTOR PATILLO: Through the Chair. If you just  
3 want my comments.

4 CHAIRPERSON HOLT: Yes, please.

5 DIR PATILLO: I read the information. I also read  
6 what the attorney stated, and I would have stood by  
7 Lieutenant Coles' recommendation of three years. And here  
8 are the reasons why. When you look at the timeframe that  
9 the candidate applied, he applied to several different  
10 police departments, not just the Detroit police. He was  
11 disqualified from pretty much all of them or not  
12 selected. In addition to that, the failure of the  
13 polygraph, the overlapping of the incident, the  
14 immaturity with the drug, not the drugs, but the alcohol  
15 and giving alcohol to the youth. So even though he  
16 submitted the application in 2020, the incidents were  
17 from 2019, 2015, 16, and 17. One year would not have been  
18 enough to demonstrate that he had the moral character to  
19 move forward to the police department. Two years might  
20 not have worked as well. So three years would have given  
21 him the opportunity to prove that he has done self-  
22 improvement and that there are no more incidents. So yes,  
23 people make mistakes all day long, all the time. But in  
24 this case, my recommendation would have been three years.

25 CHAIRPERSON HOLT: Oh, thank you, Ms. Patillo, for

1 your comments, and thank you, Reverend Holley,  
2 Commissioner Holley for suggesting. Now we can move on to  
3 new business.

4 COMMISSIONER BURTON: I got something under  
5 unfinished business.

6 CHAIRPERSON HOLT: To new business. Commissioner  
7 Burton.

8 COMMISSIONER BURTON: I move. I got a few things.  
9 First motion. I move that we.

10 CHAIRPERSON HOLT: Let me suggest that Commissioner  
11 Burton, Commissioner Burton. May we ask for two motions  
12 from you so that we can get to public comments?

13 Madam Chair, I'm duly elected. I've already been  
14 silenced twice in this meeting today. I'm here to do the  
15 business of District 5 residents, on behalf of the  
16 citizens of Detroit. We will not stand down. We will not  
17 be put out any more meetings. What you have done today -  
18 you have shut down democracy by silencing District 5  
19 elected official from speaking during discussion on the  
20 first motion early today. And you're shutting me down by  
21 not really allowing me to speak during a later motion.  
22 And then, later on, you allow me to speak. You know,  
23 District 5 has had enough of this, but anyway, moving on  
24 with my motions on the behalf of my constituents in the  
25 5th District is that I move that we post the Board

1 attorney positions, that the Board of Police Commissioner  
2 to post the Board's attorney position.

3 COMMISSIONER BROWN: Second.

4 CHAIRPERSON HOLT: Discussion, discussion.

5 COMMISSIONER BROWN: Commissioner Jones.

6 CHAIRPERSON HOLT: Yes. I'm sorry. Commissioner  
7 Jones.

8 COMMISSIONER JONES: Okay, good. This motion comes up  
9 on a weekly basis. I move that we table this discussion  
10 for its repetitiveness because it continues to be a  
11 subject and it's already been ruled in previous meetings.

12 COMMISSIONER BURTON: Point of order. He should have  
13 brought it up under new business every week. Point of  
14 order.

15 COMMISSIONER JONES: You don't want your District  
16 disenfranchised, but you want --.

17 CHAIRPERSON HOLT: Commissioner Burton.

18 COMMISSIONER BURTON: Learn how to serve the people.

19 COMMISSIONER JONES: You know what, through the  
20 Chair, can you silence him so I may speak? I have the  
21 floor.

22 CHAIRPERSON HOLT: Commissioner Jones.

23 COMMISSIONER JONES: Yes.

24 CHAIRPERSON HOLT: Would you proceed with your  
25 motion?

1 COMMISSIONER JONES: I move that we table that  
2 particular motion, simply because it is a repetitive  
3 motion. It comes up and gets voted down week in, week  
4 out. We've already gone through all the dynamics of it  
5 and everything. And it's already been found that the  
6 motion is not sustainable. So I move that we table the  
7 discussion.

8 CHAIRPERSON HOLT: Is there a second?

9 COMMISSIONER BROWN: I did second. I don't second his  
10 motion for tabling. I second Commissioner Burton's  
11 motion.

12 CHAIRPERSON HOLT: Is there a second to table?

13 COMMISSIONER CARTER: I'll second.

14 CHAIRPERSON HOLT: Okay. So we vote. Commissioner  
15 Brown.

16 COMMISSIONER BURTON: Hold on. Which motion are we  
17 voting on Madam Chair?

18 CHAIRPERSON HOLT: We are voting to table your  
19 motion, Commissioner Burton.

20 COMMISSIONER BROWN: My vote is no.

21 CHAIRPERSON HOLT: Commissioner Bernard.

22 COMMISSIONER BERNARD: I pass right now. I'm coming  
23 back in a minute.

24 CHAIRPERSON HOLT: You abstain?

25 COMMISSIONER BERNARD: No. I said I pass for the

1 moment. I just want to think about it for a minute. Go to  
2 the next Commissioner.

3 CHAIRPERSON HOLT: Thank you. Commissioner Burton.

4 COMMISSIONER BURTON: No.

5 CHAIRPERSON HOLT: Commissioner Carter.

6 COMMISSIONER CARTER: Yes.

7 CHAIRPERSON HOLT: Commissioner Davis.

8 COMMISSIONER DAVIS: I vote no on this. We should  
9 have been able to vote on all the table motion that this  
10 is improper.

11 CHAIRPERSON HOLT: So you're voting, what was your  
12 vote I missed it?

13 COMMISSIONER DAVIS: I'm voting against that  
14 unreasonable table by Jones.

15 CHAIRPERSON HOLT: You are voting no, on the table.

16 COMMISSIONER DAVIS: Yes. I'm voting no on the table.

17 CHAIRPERSON HOLT: Thank you. Commissioner Jones?

18 COMMISSIONER JONES: Yes.

19 CHAIRPERSON HOLT: Commissioner Holley.

20 COMMISSIONER HOLLEY: Yes.

21 CHAIRPERSON HOLT: And Commissioner Holt, votes yes  
22 to table? Where are we with that outcome Ms. White,  
23 please?

24 COMMISSIONER BURTON: Commissioner Bernard needs to  
25 weigh in.

1 MRS. WHITE: Excuse me.

2 CHAIRPERSON HOLT: Commissioner Bernard, you want us  
3 to come back to you?

4 COMMISSIONER BERNARD: I don't think it's a good idea  
5 to post it right now. So I guess I vote to abstain.

6 CHAIRPERSON HOLT: Commissioner Holley, you vote to  
7 table as well?

8 COMMISSIONER HOLLEY: Yes. So what's the outcome, Ms.  
9 White?

10 MRS. WHITE: Okay. So I've recorded Commissioner  
11 Bernard's vote as a yes. Is that correct? And if so,  
12 there are 5 yes votes and 3 no votes. The motion to table  
13 passed.

14 CHAIRPERSON HOLT: Thank you.

15 COMMISSIONER HOLLEY: Same thing though,

16 COMMISSIONER BURTON: The vote was to abstain.

17 COMMISSIONER HOLLEY: Same thing.

18 CHAIRPERSON HOLT: The vote is to table. Can we move  
19 on, please?

20 COMMISSIONER BURTON: Madam Chair. I have another  
21 motion I'd like to place on the record, under new  
22 business.

23 COMMISSIONER BERNARD: I have one comment?

24 CHAIRPERSON HOLT: Yes. Commissioner Burton.

25 COMMISSIONER BURTON: I'm going to yield to my lady

1 Commissioner, which is Commissioner Bernard, and then I  
2 will come back because she had something she wanted to  
3 say.

4 COMMISSIONER BERNARD: Madam Chair, it's that I  
5 noticed on our agenda that we have the towing and  
6 recovery services contracts. And I guess there's a  
7 separate memo from attorney Parrish for the Chief's  
8 Office. I want us to thoroughly deal with that. I'm going  
9 to write you something about it because we got the notice  
10 this week. I haven't had a chance, but I want the Board  
11 to know that I want us to take back control and power  
12 over towing. We should never have given it up. It's in  
13 the charter that it's our responsibility. We have the  
14 ability to do this. You guys are smart people, business  
15 people. And so we have the ability to evaluate towing in  
16 the City of Detroit. We have the ability to issue our RFP  
17 and for the department, of course, to help us with that  
18 evaluation. I don't want it in the purchasing department  
19 of the City of Detroit. We can do this. It's our job.

20 CHAIRPERSON HOLT: Thank you Commissioner Bernard.

21 COMMISSIONER BURTON: Madam Chair, I yield for a  
22 fellow Commissioner.

23 CHAIRPERSON HOLT: You want to pose another motion,  
24 correct?

25 COMMISSIONER BURTON: Yes. Before I post that motion,

1 I just want to make it clear that when a Commissioner  
2 abstains, it counts as a no vote. So that previous motion  
3 actually failed to table.

4 COMMISSIONER BERNARD: No, it didn't.

5 CHAIRPERSON HOLT: Thank you for the enlightenment.  
6 I'm sure Ms. White.

7 COMMISSIONER BURTON: It is under Robert's Rules of  
8 Order. You can

9 CHAIRPERSON HOLT: Thank you, Commissioner Burton. I  
10 think Ms. White will do research and we need to come  
11 back.

12 COMMISSIONER BURTON: My motion is that the Board,

13 CHAIRPERSON HOLT: if you need to come back with.

14 COMMISSIONER BURTON: My motion that I'm putting out  
15 here right now is that I move that we post for a  
16 parliamentarian for this Board.

17 COMMISSIONER DAVIS: Second, Lord.

18 CHAIRPERSON HOLT: Discussion.

19 COMMISSIONER BROWN: Yes, Madam Chair, under  
20 discussion. So that was one of the comments I was going  
21 to raise. I know it was an ongoing issue that I did ask  
22 for the research and contracting for a parliamentarian  
23 back in October of 2020, and the Board staff has not  
24 brought any information back to the research or the  
25 contract or anything like that. I believe that's why this

1 motion is going forward. If we have any research on that  
2 on establishing a contract for parliamentarian. And also  
3 I asked at the last meeting where are we at with  
4 providing special needs for the hearing impaired, with  
5 the transcribing at the bottom of the captions at the -  
6 thank you, Commissioner.

7 CHAIRPERSON HOLT: Okay. Commissioner Brown. I'm  
8 going to ask you to not put that very serious discussion  
9 with this parliamentarian but we do need to revisit that  
10 discussion about providing access for the hearing  
11 impaired.

12 COMMISSIONER BROWN: So then that other stuff that I  
13 talked about was presented to this Board in October, and  
14 I've heard nothing back yet from the staff as to the

15 CHAIRPERSON HOLT: Are you talking parliamentarian or  
16 accidents with the hearing impaired?

17 COMMISSIONER BROWN: Parliamentarian.

18 CHAIRPERSON HOLT: Okay. Ms. White.

19 COMMISSIONER BROWN: October.

20 CHAIRPERSON HOLT: Thank you.

21 MRS. WHITE: Yes. Through the Chair, Honorable Board.  
22 I have just received some additional information today.  
23 For some reason, the National Association of  
24 Parliamentarians has been very busy and they have just  
25 gotten back to me today regarding whether or not someone

1 would be available for that, for the question that you  
2 pose during October. So I will definitely share that  
3 information with you and with the rest of the Board so  
4 that you have that information to make the proper  
5 decision. But I just received the information just before  
6 the meeting. So I hadn't had a chance to share it with  
7 you. Thank you for your patience.

8 COMMISSIONER BROWN: Okay. Thank you. Madam Chair,  
9 just one more thing. With that being said, I would like  
10 to ask my colleague Commissioner Burton, would he  
11 consider withdrawing his motion.

12 CHAIRPERSON HOLT: Are you saying you want

13 COMMISSIONER BURTON: No. No.

14 CHAIRPERSON HOLT: Okay. All right. Any other  
15 questions about hiring a parliamentarian?

16 COMMISSIONER JONES: Through the Chair?

17 CHAIRPERSON HOLT: Commissioner Jones.

18 COMMISSIONER JONES: As is widely known already, we  
19 are already in the middle of budget talks with the City  
20 Council. We don't know at this particular point if  
21 they're going to restore a budget for the Board of  
22 Police, Commissioners if they're going to add to it if  
23 we're going to be able to fill the positions that we  
24 would say that had not been filled. People have been not  
25 officially assigned to certain positions, but they've

1    been officially doing the work for a long time right now.  
2    So I think at this particular time, it's improper to have  
3    a discussion about a parliamentarian until such time we  
4    can get an answer with City Council about where our  
5    budget is going to be at, so we know where we can go with  
6    this thing?

7           COMMISSIONER BERNARD: Madam Chairperson, no one's  
8    suggesting that we have a full-time parliamentarian.  
9    Parliamentarian like Fletcher Bland, many of you know him  
10   as a minister and everything he's a renowned  
11   parliamentarian in this area. He comes in for the  
12   meeting, he sits through the meeting, that's it. It's  
13   just a contract issue, a few hundred dollars. It's no big  
14   deal.

15          CHAIRPERSON HOLT: I'm familiar with it.

16          COMMISSIONER BERNARD: He's really good.

17          COMMISSIONER BURTON: Let's call for the vote, Madam  
18   Chair.

19          COMMISSIONER JONES: Based on the same information I  
20   would table, I'll make a motion table that discussion  
21   right now, until such time, we can find out about the  
22   budget that's sitting before City Council right now.

23          CHAIRPERSON HOLT: Is there a second?

24          COMMISSIONER CARTER: Support.

25          CHAIRPERSON HOLT: Okay. We'll take a vote, and we

1 are voting on tabling the motion to hire a  
2 parliamentarian. We are tabling that motion.

3 COMMISSIONER BERNARD: No employee.

4 COMMISSIONER BROWN: It's just a contract.

5 CHAIRPERSON HOLT: Okay.

6 COMMISSIONER BERNARD: For me.

7 COMMISSIONER JONES: And does the volunteer specify  
8 that they are going to volunteer for the possession.

9 CHAIRPERSON HOLT: Well, excuse me, I believe we are  
10 talking to the contrary. So we're going to move on and  
11 take the vote. Thank you. Commissioner Jones.  
12 Commissioner Brown.

13 COMMISSIONER BROWN: No.

14 CHAIRPERSON HOLT: Commissioner Burton.

15 COMMISSIONER BERNARD: No.

16 CHAIRPERSON HOLT: Commissioner Burton.

17 COMMISSIONER BURTON: No.

18 CHAIRPERSON HOLT: Commission Carter.

19 COMMISSIONER CARTER: Yes.

20 CHAIRPERSON HOLT: Commissioner Davis.

21 COMMISSIONER DAVIS: No.

22 CHAIRPERSON HOLT: Commissioner Jones.

23 COMMISSIONER JONES: Yes.

24 CHAIRPERSON HOLT: Commissioner Holley.

25 COMMISSIONER HOLLEY: Yes.

1 CHAIRPERSON HOLT: and I vote, yes. So where are we  
2 on the table, Ms. White?

3 MRS. WHITE: There were 4. yes votes and 4 no votes.  
4 The motion failed.

5 CHAIRPERSON HOLT: So the motion to table failed. So  
6 we're back to contracting a parliamentarian.

7 MRS. WHITE: Yes, ma'am.

8 CHAIRPERSON HOLT: Okay. Thank you for that. Okay.  
9 Let's vote on contacting a parliament.

10 COMMISSIONER CARTER: Can I have clarification of the  
11 motion. Is it's a post or a parliamentarian?

12 COMMISSIONER BERNARD: Lisa would not require a  
13 posting. It's just like the guy who was our court  
14 reporter.

15 COMMISSIONER CARTER: I'm talking about what  
16 Commissioner Burton said - his motion.

17 CHAIRPERSON HOLT: We're following his motion, and  
18 thank you former Vice-Chair Carter for that  
19 clarification. So what we're voting on is the posting of  
20 the parliamentarian position.

21 COMMISSIONER BERNARD: You're saying as a job,

22 MRS. WHITE: Burton.

23 CHAIRPERSON HOLT: We are voting on the  
24 Commissioner's motion to post for parliamentarian.  
25 Commissioner Brown.

1 COMMISSIONER BROWN. Yes.

2 CHAIRPERSON HOLT: Commissioner Bernard.

3

4 COMMISSIONER BERNARD: Yes. If it's just for the  
5 meetings for the 50 meetings a year, they come in and  
6 they go out. Right. I don't have a problem with that, a  
7 few hundred dollars.

8 COMMISSIONER HOLLEY: It's posting, Linda, he's  
9 talking about posting, not a contract.

10 COMMISSIONER BERNARD: Then I won't have any money.  
11 Then I vote no. I'm sorry. I misunderstood. I thought we  
12 were talking apples and oranges, I was.

13 MRS. WHITE: Through the Chair.

14 CHAIRPERSON HOLT: I'm sorry, Ms. White.

15 MRS. WHITE: Okay. Honorable Board. If I may ask if  
16 at all possible if only one speaker can speak at a time  
17 so that we can make sure we're properly recording the  
18 exact wording of the motion. And so what we have  
19 recorded, Commissioner Burton's motion was to post for  
20 the position of a parliamentarian. And that would require  
21 a full-time status versus contracting. So that's the  
22 motion on the table at the time to post for the position  
23 of parliamentarian, which there is no position, but that  
24 was his motion.

25 CHAIRPERSON HOLT: Are we clear on the posting, are

1 we clear?

2 COMMISSIONER BERNARD: Yes, ma'am.

3 COMMISSIONER DAVIS: Friendly amendment.

4 CHAIRPERSON HOLT: We are into voting. We have got a  
5 no from Commissioner Brown. A yes from Commissioner  
6 Bernard.

7 COMMISSIONER BERNARD: A no.

8 CHAIRPERSON HOLT: You want a no.

9 MRS. WHITE: Through the Chair, there was a yes from  
10 Commissioner Brown and a no from Commissioner Bernard.

11 CHAIRPERSON HOLT: Well, I need to get the tally.  
12 Okay.

13 COMMISSIONER BURTON: Can we start this voting  
14 process over?

15 CHAIRPERSON HOLT: Commissioner Burton? Commissioner  
16 Burton. What's your vote on posting the position?

17 COMMISSIONER BURTON: Yes, to post.

18 CHAIRPERSON HOLT: Commissioner Carter.

19 COMMISSIONER CARTER: No.

20 CHAIRPERSON HOLT: Commissioner Davis.

21 COMMISSIONER DAVIS: Yes. You should have a contract  
22 service for parliamentarian.

23 COMMISSIONER HOLLEY: Is not the motion, man? It's  
24 not the motion.

25 COMMISSIONER DAVIS: I know --

1 CHAIRPERSON HOLT: Alright, gentlemen. Let's move on.  
2 Commissioner Jones.

3 COMMISSIONER JONES: No.

4 COMMISSIONER DAVIS: Surprise.

5 CHAIRPERSON HOLT: Commissioner. Holley.

6 COMMISSIONER HOLLEY: Another surprise, no.

7 CHAIRPERSON HOLT: Surprise. Surprise. What's the  
8 vote outcome?

9 COMMISSIONER HOLLEY: The same thing.

10 MRS. WHITE: Through the Chair. There were 3 yes  
11 votes and 5 no votes. The motion failed.

12 CHAIRPERSON HOLT: Thank you.

13 MRS. WHITE: Madam Chair.

14 COMMISSIONER BURTON: My last motion of the day,  
15 Madam Chair, my last motion of the day.

16 CHAIRPERSON HOLT: Commissioner Burton, we're going  
17 to move on.

18 COMMISSIONER BURTON: Madam Chair, I'm going to do  
19 the business of District 5 residents. I'm putting motions  
20 out here on behalf of the concerns of the citizens that  
21 live in the 5th District.

22 COMMISSIONER HOLLEY: Then you need to go to City  
23 Council.

24 CHAIRPERSON HOLT: Commissioner Burton, there are a  
25 lot of persons who are waiting to express themselves

1 about this meeting.

2 COMMISSIONER BURTON: Madam Chair.

3 CHAIRPERSON HOLT: And Commissioner Burton, we're  
4 going to go on, we're going to go on.

5 COMMISSIONER BURTON: Madam Chair, I call that we

6 CHAIRPERSON HOLT: Announcements.

7 COMMISSIONER BURTON: That we ban the facial  
8 recognition software technology.

9 CHAIRPERSON HOLT: And now we're going to move on.

10 COMMISSIONER JONES: Through the Chair, I have an  
11 announcement.

12 CHAIRPERSON HOLT: Yes. Thank you.

13 COMMISSIONER JONES: Thank you, Chair. Fellow  
14 Commissioners and our public listening audience or  
15 whatever. I have a walk that's supposed to take place.  
16 It's a walk for justice that's going to be this Saturday  
17 at 9:00 am down on the Riverwalk. This is right at  
18 Atwater and Rivard by the Merry go Round. This basically  
19 has to do with families of victims that have to succumb  
20 to gun violence in the City of Detroit. So if you've lost  
21 a loved one through gun violence or whatever, you're  
22 going to be able to come down, you're going to be able to  
23 walk. You're going to have homicide detectives that are  
24 going to be able to be there and maybe have, perhaps be  
25 able to answer some of the questions that you might have

1 in the event that your case is not closed, it's still  
2 open.

3 COMMISSIONER JONES: So we are going to have people  
4 available for you to talk to. We're going to have other  
5 parents and family members that understand your story.  
6 They understand the pain that you've been in for the  
7 past, how many ever years has it been since you lost your  
8 loved one? So we would like to invite you to come down at  
9 9:00 am on the Riverwalk, right at Rivard and Atwater to  
10 be able to come, participate, talk to other persons that  
11 have suffered the same kind of issues in the City of  
12 Detroit. We want you to come down, we are going to have  
13 homicide detectives that are going to be available for  
14 you to speak with, and I'm going to be speaking myself  
15 personally. This is sponsored through Ms. Ringle. This is  
16 in honor of the Natalia Ringle Foundation, which she's  
17 established for her son who was murdered not too long  
18 ago, probably about a year and a half.

19 COMMISSIONER JONES: So we invite you to come down.  
20 We want you to bring your masks. Social distancing has to  
21 be a must because we're want to stay safe for everyone,  
22 but we want to give you the opportunity to be able to  
23 reach out and also get the information that you need.  
24 We're going to have information on counseling. We're  
25 going to have information on other resources that you

1 might need to help you with your grief and your pain. So  
2 again, I invite you on April 3rd, Saturday morning,  
3 Atwater and Rivard right by the Merry go Round and  
4 refreshment, stand and on the Riverwalk in Detroit. And I  
5 thank you for your participation.

6 CHAIRPERSON HOLT: Thank you, Commissioner Jones.

7 COMMISSIONER DAVIS: Announcement.

8 CHAIRPERSON HOLT: Yes, Commissioner Davis.

9 COMMISSIONER DAVIS: Tomorrow morning, I'll be at the  
10 Sam River show, 9:10 am from 9 to 11. Tune in. We'll be  
11 talking about many topics.

12 CHAIRPERSON HOLT: Thank you. If there are no more  
13 announcements, Mr. Brown.

14 MR. ROB BROWN: Yes, Madam Chair. These are the times  
15 and dates for your next BOPC virtual meetings. April 8th,  
16 2021 at three o'clock with the 11th Precinct being the  
17 presenter, and the following week, the next meeting would  
18 be April 15, 2021 at 3:00 pm. And with that Madam Chair,  
19 I go right into public comments. I currently have 10  
20 speakers. I'll call them by 3. Your first speaker will be  
21 District 4, Community Advisory Chairman Scottie Bowman,  
22 followed by Ms. Bernice Smith, followed by Ms. Parnell.  
23 Mr. Bowman.

24 MR. BOWMAN: Hello?

25 MR. ROB BROWN: Yes sir, I can hear you.

1 MR. BOWMAN: Hello.

2 COMMISSIONER HOLLEY: We can hear you.

3 MR. BOWMAN: Okay. I start, okay. A warrant is a  
4 permission slip to enter the home. The person being  
5 served must have an opportunity to inspect the warrant  
6 before an officer may lawfully enter. We don't need the  
7 MSP coming into neighborhoods and killing more of our  
8 youth for traffic violations.

9 MR. BOWMAN: What's Chairman Bell's excuse for  
10 telling a resident he can only make one complaint against  
11 the DPD. I see Chairman Bell's puppet, Annie Holt has  
12 made her authoritarian mentor proud by silencing the  
13 voice of the 5th District. It looks like the DPDs  
14 favorite violent criminal Duane Jones is finishing his  
15 probation. On March 23rd a motion in order for discharge  
16 from probation was generated. What's up with his motion  
17 for a hearing with Vanessa Bryant on Monday, April 12th  
18 at 11:30 am. Jones should have been in jail and fired,  
19 not rewarded with a promotion. Is it better to beat up a  
20 hospital patient than violate the unconstitutional  
21 drinking age? Since the felony charges were dismissed  
22 without prejudice, let's go back to those. Meanwhile, his  
23 victim Shelley Smith lives as a 21st-century slave she's  
24 kept prisoner and kept away from her family to land the  
25 pockets of serial guardianship abuser. Mary Rowan.

1 Justice for Shelby. Detroit lives matter.

2 MR. ROB BROWN: Ms. Bernie Smith.

3 MS. SMITH: Good afternoon to the Commissioners.

4 Today was the most horrible day or one of the most  
5 horrible days that the Commissioners have come before the  
6 public. I can't even get upset because it is so horrible  
7 that you were supposed to be intelligent people that  
8 represent the Detroit Police Commission. You're the worse  
9 you and 5. I'm going to make it my business to see how  
10 the District of 5 is. I was in 6, but I think I'm going  
11 to move in 5 so I can help the people get a decent  
12 representation when they come before the Board meetings.  
13 It is horrible. And I cannot imagine that it can continue  
14 to go on the way it's going on. You don't let anybody  
15 speak. You're disrespectful to each other, and you cannot  
16 possibly think that you're doing a good thing when you  
17 represent the people here in Detroit. It's horrible and  
18 it's not getting any better each week it gets worse and  
19 worse. And your representative from 5, I'm going to see  
20 where the boundary is, because if you're going to run  
21 again, I'm going to make sure somebody runs against you  
22 because I don't want you to represent us anymore. Whether  
23 we in 5, 6, or whatever, because you are a disgrace to  
24 this Commission and no way in the world that we should  
25 tolerate how you have outbursts, you disrespect each

1 other, and it's just terrible. You need to get off. You  
2 don't know how you sound. You need to get off. Again, get  
3 your shots and take care of yourselves because we need to  
4 be healthy. We need to wear our masks. I bless all of you  
5 because you need blessings. Holley, you need to pray more  
6 about the members of your Board, because they need the  
7 prayers. You do not respect each other like decent,  
8 respectful people. And it's a dishonor to listen to you  
9 each week. Take care. Bye.

10 MR. ROB BROWN: Miss Parnell.

11 MS. PARNELL: Oh, I don't have anything to say today.  
12 Thank you.

13 MR. ROB BROWN: Okay. Madam Chair, your next three  
14 speakers will be Minister Eric Blunt, followed by a POW  
15 Morrison, followed by Overwhip.

16 CHAIRPERSON HOLT: Thank you, Mr. Brown.

17 MINISTER BLUNT: Can you hear me, Board?

18 COMMISSIONER HOLLEY: Yes we can.

19 MINISTER BLUNT: Yes. I am Minister Eric Blunt from  
20 Sacred Heart Catholic Church in Detroit. Again this week,  
21 at least the first hour is used for crime and crime  
22 prevention discussion. If not elected to this Board, I  
23 would request a Sergeant of arms with the ability to stop  
24 the progress of this meeting. If any comment or question  
25 is not directly related to police misconduct. In this

1 role, I will stop the Chief of Police from speaking on  
2 crime or crime prevention and only be able to speak on  
3 police misconduct. Last week, the obvious corruption of  
4 voting was maddening. When appointee Holt had to remind  
5 appointee Jones that he did not vote as instructed.

6 MINISTER BLUNT: I hate to describe it this way, but  
7 in the 5 years, I've regularly attended these meetings. I  
8 have never witnessed the Chairperson of this Commission,  
9 in this case, an appointee, ask another Commissioner, in  
10 this case, an appointee if they voted as they intended.  
11 And when Commissioner Davis called out this corruption,  
12 he was ignored and shut down. I do agree with Twanda  
13 Petty's analysis that this city does not allow any other  
14 opportunity for citizens to express their concerns of  
15 crime to DPD leadership. So citizens and Commissioners on  
16 this Board are basically forced to hijack the purpose of  
17 this Board to express their concerns about crime. In  
18 regards to the warrant policy Commissioner Bernard had  
19 stated clearly previously that the police word is always  
20 accepted as the truth. With that in mind, all warrants  
21 should be very, very suspicious. Lastly, the lack of a  
22 parliamentarian is a major problem with the function of  
23 this Board, Mrs. White is not a certified  
24 parliamentarian. So her opinion is only an opinion and  
25 should not be accepted as an official statement. The

1 motions to post an attorney position is repetitive but  
2 necessary. Again, the city's corporate counsel cannot be  
3 prosecuting attorneys and defense attorneys. This is a  
4 clear conflict of interest in clear and present danger to  
5 this society. I yield my time.

6 MR. BROWN: Over With.

7 OVER WITH: Yeah, Chairman Willie Bell, this is  
8 Reuben Crowley calling you. Lawrence Akbar is trying to  
9 reach you to determine whether or not he can accept some  
10 complaints from me over the OCI. I kind of inform him  
11 that he doesn't have action as to whether or not to make  
12 a complaint, but he feels as though he needs to get  
13 approval from his bosses over the - sir, we're not taking  
14 any more complaints from you, that's period. Why not, is  
15 there a reason? Yes, sir. There are no more complaints  
16 that we can take from you. I have three other complaints  
17 that are separate and aside and aside from the complaints  
18 that I previously filed. Thank you. You can't just do  
19 this Willie Bell, who do you think you're dealing with,  
20 man. I ain't no joke, jack. I'm the real deal, man, With  
21 all due respect, sir, I'm going to ask you to stand down,  
22 to move out the way. Kenesha Coleman's murder is going to  
23 be addressed, sir. I don't know what you guys think that  
24 you're going to do, but I'm not --, I'm different. I have  
25 means, resources, and ways of dealing with situations

1 like this, and what I'm saying is, hey, let the OCI do  
2 it's mandated charter jobs - Sir, there is nothing else  
3 that I say to you, so I'm going to end this call, thank  
4 you. You can tell the truth.

5 MR. ROB BROWN: Madam Chair, your next three speakers  
6 will be Ciera Garrett followed by Brenda Hill, followed  
7 by Vanessa, Bryant, followed by the Miscellaneous.

8 CHAIRPERSON HOLT: Thank you, Mr. Brown.

9 MR. ROB BROWN: Ms. Garrett.

10 MR. CROWLEY: Give me the phone. Hey, what' you just  
11 heard was it tape of Willie Bell.

12 MR. ROB BROWN: That was Mr. Crowley again, Madam  
13 Chair. We'll go to Ms. Hill.

14 CHAIRPERSON HOLT: Thank you.

15 MS. HILL: Hello.

16 MR. ROB BROWN: Yes.

17 MR. CROWLEY: You don't need to mute me. You need to  
18 listen to what I'm talking about and everybody.

19 MR. ROB BROWN: Ms. Hill?

20 MS. HILL: Yes.

21 MR. CROWLEY: You don't need to mute me. You need to  
22 listen. It's clear that you people are on to --

23 COMMISSIONER BURTON: Madam Chair. I called that we  
24 listen to what the gentleman has to say. This is what  
25 these Board meetings are all about, hearing from our

1 constituents.

2 CHAIRPERSON HOLT: Mr. Brown.

3 MR. ROB BROWN: Yes.

4 CHAIRPERSON HOLT: Are we having one person come in  
5 at 3 different times?

6 MR. CROWLEY: You keep muting me and I'm still going  
7 to come. At some point, you're going to have to deal with  
8 the fact that the court is being ruled by.

9 COMMISSIONER BURTON: Can we please let this  
10 gentleman speak, Madam Chair.

11 CHAIRPERSON HOLT: Okay. Mr. Brown has not that  
12 person spoken twice.

13 MR. CROWLEY: No, I have not spoken.

14 MR. ROB BROWN: Yes, he spoke already.

15 COMMISSIONER BURTON: Can we hear what he has to say,  
16 Madam Chair.

17 MR. CROWLEY: I haven't spoken.

18 CHAIRPERSON HOLT: Mr. Brown.

19 MR. ROB BROWN: Yes.

20 CHAIRPERSON HOLT: Can we move on, please?

21 MR. CROWLEY: I haven't spoken. That was someone else  
22 using my device. Please do not mute me again.

23 COMMISSIONER BURTON: Let's please hear from this  
24 gentleman, Madam Chair.

25 COMMISSIONER JONES: Through the Chair. He's had his

1 two minutes. We listened to his recordings and we  
2 listened to his voice. Can we please move on.

3 MR. CROWLEY: I demand to be heard.

4 CHAIRPERSON HOLT: Mr. Brown.

5 MR. ROB BROWN. Yes Ma'am. I can't control his mike.

6 MR. CROWLEY: It's only proper that I be allowed to  
7 speak.

8 CHAIRPERSON HOLT: Mr. Brown, can you hear me.

9 MR. ROB BROWN: I can hear you, Madam Chair.

10 MR. CROWLEY: What I'm saying is words. Again, please  
11 allow me to speak. What I'm trying to do is put it out  
12 there, sort of public knows. Can I be heard? I want to  
13 put it out there so the public knows what's been going  
14 on. None of the Board members have received any of the  
15 hundreds of messages that I sent to them. Melanie White,  
16 if you go to the Detroit Unity's Facebook page, you will  
17 listen to the conversations that I've had with Tiffany  
18 Stewart, Melanie White, Jonya Underwood, Willie Bell, and  
19 you, it's disturbing, what is going on, on the Board of  
20 Police Commissioners is reprehensible. Todd Bettison, you  
21 are here now, you're present. The question I've been  
22 trying to get to you and ask you. You won't accept my  
23 phone calls, but the thing I want to know is what date  
24 the matter was of deemed civil for case (191) 111-0221.  
25 You have dodged me now enough. Please answer the question

1 before this meeting is ended. What date was the matter,  
2 deemed civil? That's the one question I need to know that  
3 will conclude my investigation into the DPD, the OCI, and  
4 the BOPC. And a minute to answer that question, it will  
5 be demonstrated that you know, what's going to be  
6 demonstrated. Please answer the question. You know the  
7 date because you've been avoiding the issue.

8 CHAIRPERSON HOLT: Mr. Brown.

9 MR. BROWN: Yes. Ma'am.

10 CHAIRPERSON HOLT: Do we have a clock on him, I  
11 didn't see the clock.

12 ASSISTANT CHIEF BETTISON: Ms. Holt.

13 CHAIRPERSON HOLT: Yes, sir.

14 ASSISTANT CHIEF BETTISON: Just for the community  
15 with Mr. Crowley. His case is civil. We sent him a letter  
16 and Mr. Crowley is upset because.

17 MR. CROWLEY: No, I am not upset.

18 ASSISTANT CHIEF BETTISON: We looked into it. When we  
19 looked into it, it was deemed civil and he wants us to  
20 take something to the civil and move it into the criminal  
21 arena. I do not have the power to do it and know that our  
22 people have looked into it. They will deemed it civil as  
23 well. So if the AG looks into it, or whoever looks into  
24 it, it's civil. And that's what it is.

25 CHAIRPERSON HOLT: Thank you, AC Bettison.

1 CHAIRPERSON HOLT: Mr. Brown, are you having problems  
2 muting him because he has his two minutes.

3 MR. ROB BROWN: Yes. I'm having problems.

4 COMMISSIONER BURTON: Madam Chair. I do have a  
5 concern. If the gentleman said he wrote all these letters  
6 to all the Commissioners, how come we have not received  
7 these letters? This gentleman said he has written to the  
8 Board.

9 CHAIRPERSON HOLT: Commissioner Burton. I think we  
10 heard what he said. So we can, if you feel necessary, we  
11 can explore the accusations that he's making. Now. Mr.  
12 Brown, can we move on?

13 MR. ROB BROWN: Yes, ma'am.

14 CHAIRPERSON HOLT: Thank you.

15 MR. ROB BROWN: Ms. Hill.

16 MS. HILL: Yes, I mean this whole piece with Mr.  
17 Crowley is a big, big problem. You all need to get  
18 together and get it together because this is becoming a  
19 nuisance as well as a problem. And if you all can't mute  
20 or unmute people, I mean, that's a problem as well. I  
21 just wanted to talk about a story with - it's something  
22 going on with the screen. Yes, about the sex trafficking  
23 and AC Bettison. About two years ago, I'm with a group  
24 that mentors girls, we have a broth on. It was well over  
25 200 young ladies under the age of 17 at Don Bosco Hall.

1 And another lady who is in her twenties came in and said,  
2 she's been sex trafficked. And so I called AC Bettison.  
3 He sent over some police officers and ultimately an  
4 officer from the State came - Officer Williams.

5

6 MS. HILL: But these guys came to that event and they  
7 came with guns, they came with several people to try to  
8 get this girl out, which put our girls that were there at  
9 that event at risk. They were going to these lengths. And  
10 since we would not allow them in, they sent in an older  
11 lady - they went and got an older lady to come into the  
12 event to try to get this lady out of here. And I'm  
13 telling you this story and the police officers who  
14 ultimately came did not have the training to handle a sex  
15 trafficking event, a situation because they ended up  
16 dropping the lady taking her away, but dropping her off  
17 at a bus stop. And then the officer from the State came  
18 and explained to us. And so, you know, I always think, AC  
19 Bederson, and I'm glad to see your face after this long  
20 period of time that this could happen anywhere. And they  
21 sent out so many people to try to get this girl out of  
22 here. And this was a four-hour event and on and on and  
23 on. So sex trafficking is not something that does not  
24 need our attention. It absolutely does need our  
25 attention. We had over 200 girls that were at risk. These

1 people had no problem. They were not scared to do what  
2 they

3 MR. ROB BROWN: Miscellaneous.

4 VANESSA BRYANT: Hello. My question was answered  
5 during the discussion on human trafficking. But I would  
6 like to say that I recognize that Ashton's run. I, and as  
7 a representative of District 5, I think we should all try  
8 to refrain from taking these things personally. You can't  
9 discuss issues that are important to the citizens of the  
10 City of Detroit if it keeps degenerating into the  
11 personal, and that's all I wanted to say. Thank you very  
12 much for your time Commissioners and you all have a good  
13 day.

14 MR. ROB BROWN: Madam Chair, your next two speakers  
15 would be Lenovo followed by Mac Farr. Lenovo. I'll go to  
16 Mac Farr.

17 MR. FARR: Thank you. Yes. My name is Mac Farr. I  
18 would like to take this opportunity to thank Assistant  
19 Chief Todd Bettison for his work with the Pingree Park  
20 Association to begin reducing drag racing. Their actions  
21 have contributed to a noticeable decline in the number of  
22 drag racing incidents. While there is still a lot to do,  
23 this is at least the beginning. Additionally, I would  
24 like to continue to impress upon the Detroit Police  
25 Department, the Board of Police Commissioners, the need

1 for the approval of, in particular, have stop sticks, a  
2 tactical demobilization device that can help deter the  
3 greatest number of illegal racing vehicles, particularly  
4 as it gets warmer. Further, the last time I appeared at  
5 this meeting, Commissioners Holley and Burch directed  
6 Commission staff to reach out to the Pingree Park  
7 Association. Unfortunately, that never happened.  
8 Additionally, despite having reached out to the Board of  
9 Police Commissioner staff, asking for that to happen in  
10 addition to asking staff, to connect us with our own  
11 Commissioner Willie Burton that has also not happened. To  
12 summarize, we thank the Detroit Police Department for  
13 their initial response to our request, to reduce drag  
14 racing.

15 MR. FARR: And we look forward to working with the  
16 Board of Police Commissioners and the Detroit Police  
17 Department to roll out our stop sticks this summer.  
18 Lastly, I would like to speak to the conduct of my own  
19 Police Commissioner, Willie Burton. Sir, you do not  
20 represent District 5. You do a very poor job of making  
21 our voices heard. Your own tactics, the tone, your own  
22 apparent instability makes it clear that you do not serve  
23 District 5 well. If there is anybody that is doing  
24 District 5, a disservice, it is you. Thank you.

25 MR. ROB BROWN: Madam Chair, We are going back to

1     Lenovo and see if that person is there.

2             COMMISSIONER BERNARD: Madam Chair, if they're not,  
3     may I ask Reverend Holley to come on right now, this is,  
4     I just have a comment it's Holy week, obviously, and Good  
5     Friday is tomorrow.

6             CHAIRPERSON HOLT: Thank you Commissioner Bernard  
7     What were you saying, Mr. Brown?

8             MR. ROB BROWN: I have one more speaker, but that  
9     person is there, but they won't unmute themselves. So  
10    it's your call? That was going to be your last speaker.

11            CHAIRPERSON HOLT: Okay. Thank you. Mr. Brown.

12            COMMISSIONER BERNARD: Madam Chair.

13            CHAIRPERSON HOLT: Yes, Ma'am.

14            COMMISSIONER BERNARD: Just in the spirit of this  
15    season, Reverend Holley, I'm asking for your blessing for  
16    all of us, if that's okay with the Board. It's very  
17    important. This is Holy Week and it's important to me.  
18    I'm Catholic, but that's irrelevant. And I just want to  
19    wish everyone, a very happy Easter and a joyful Easter  
20    and a wonderful time with your family. And tomorrow, of  
21    course, Good. Friday is a day that I'm depressed, at  
22    least from 12 to 3. So if you don't mind, Madam Chair, if  
23    that's okay with the rest of the Board, I just think we  
24    should acknowledge Easter Week, Good Friday, and Holy  
25    Week.

1 CHAIRPERSON HOLT: Thank you, Commissioner Bernard.

2 Commissioner Holley, how do you feel?

3 COMMISSIONER HOLLEY: I'm fine, thank you.

4 COMMISSIONER DAVIS: How about doing the prayer?

5 COMMISSIONER HOLLEY: I'm sad.

6 CHAIRPERSON HOLT: I think he understood my comment.

7 Commissioner Davis. Thank you Commissioner Holley.

8 COMMISSIONER HOLLEY: You ready?

9 CHAIRPERSON HOLT: Yes, sir.

10 COMMISSIONER HOLLEY: Eternal God, we are so grateful

11 and so thankful. You've been so good to each and every

12 one of us. We thank you for what you have done and we

13 recognize this Holy Week. We thank you so much for what

14 you've done for humanity. The dying, going to the cross,

15 dying, and rising again on Easter Sunday is a

16 resurrection weekend. We thank you for reconciling this

17 relationship with God and mankind. We ask in the mighty

18 name of Jesus that we go forward in unity and look back

19 over our lives and to see how grateful we are to be

20 coming through this pandemic, and we are still here. For

21 that we say, thank you. Thank you for just allowing us to

22 recognize this Holy Weekend. Let us do everything we can

23 to be Holy and to be loving and to be supportive of each

24 other in the precious name of our Lord and Savior, Jesus

25 Christ. Amen.

1 CHAIRPERSON HOLT: Thank you, Commissioner Holley.

2 Was there a motion to adjourn?

3 COMMISSIONER JONES: Motion to adjourn.

4 COMMISSIONER BERNARD: So moved.

5 COMMISSIONER CARTER: So moved
