24 CHIEF CRAIG: Through the Chair. Thank you, Ms.

1 me today. Thank you.

2 CHAIRPERSON BELL: Thank you, Chief. Ms. White, do we
3 have any VIPs, we all VIPs but do we have any outstanding
4 or official elected or representative of officials.

5 MRS. WHITE: Yes. Through the Chair. First, I do see
6 where Commissioner Willie Burton and Commissioner Darryl
7 Brown have joined the meeting and also DPO Vice President
8 Ron Thomas is here and Ms. Maria Overall of State
9 Representative Tyrone Carter's Office is here. Thank you.

10 CHAIRPERSON BELL: Thank you for the attendance. The
11 next item would be my report and I'm going to move to
12 that area. The verdict rendered in the criminal case of
13 the State of Minnesota, I'm just going to say to the
14 former police officer, I'm not going to dignify, you know
15 exactly what I'm speaking of, the former police officer
16 with Minnesota PD, bringing measure accountability for
17 George Floyd's death. We hope his family finds some
18 comfort in the jury of affirmation that Mr. Floyd's life
19 mattered and still does. Today also show that a court of
20 law can and should hold Police Officers accountable for
21 unprofessional, unnecessary, and deadly act of violence
22 that violates the law and oath to protect and serve and
23 human decency. America has still a lot of work to do to
24 stop the pattern of excessive and fatal force use by
25 Police Officers, especially against people of color in

1 case of minor offenses.

2 CHAIRPERSON BELL: Law enforcement has many fine
3 professional, but the lack of consistency standards,
4 accountability, and objective review means that we
5 continue to see Traumatic death like Mr. Floyd in
6 resounding calls for police reform. National action
7 remains essential to any police practice that is biased
8 and unfair in every community. And I want to really speak
9 to Chief Craig. He's one of the first police chiefs to
10 speak out on this matter that it leaves a whole lot to be
11 desired. I think this was something less and proper
12 conduct, this was murder. So I just want to commend Chief
13 Craig and I also want to commend, I think the Acting
14 Chief in Minnesota took the stand to condemn this type of
15 behavior. I think that's unique when the police chief
16 responds appropriately, what they have witnessed on black
17 and white in terms of the cameras.

18 CHAIRPERSON BELL: Resolution. We have a Resolution
19 supporting the US Congressional approval of the George
20 Floyd Justice and Policing Bill to ensure the Board
21 continues to support these and other policy forums. I
22 think we sent out copies of that's pending now, passed by
23 the House, but it's still stuck in the Senate that we
24 know. We have a presentation from drug forfeiture,
25 Captain Michael Parish, and his team was scheduled on our

1 Board's calendar. Unfinished business. We take up the
2 matter of MARS, Michigan Auto Recovery Service, DPD
3 towing monitor. Captain Parish will be reporting out on
4 that. And attorney Jermaine Wyrick who represents MARS
5 will be in that process. We also have Assistant
6 Corporation Counsel, Ms. Ericka Whitley, who will also
7 provide a legal opinion to the Board for consideration.
8 Today's towering matters only regard MARS towing. We are
9 scheduled to receive other updates next week regarding
10 towing and general update regarding the RFP process,
11 which again will take place next week.

12 CHAIRPERSON BELL: Today we're scheduled to go into a
13 closed session this afternoon to discuss personnel
14 matters. In new business, Article 11 speaks of conduct at
15 a meeting. As a reminder, we adhere to the Board's bylaws
16 and conduct a meeting, Article 11. Commissioners waiting
17 to be recognized to speak must raise their hand. You may
18 physically raise your hand or use the zone control on
19 your computer screen - the raised hand. I will knowledge
20 you to speak. Vice-Chair Holt will be the primary
21 responsible person for that because I cannot see you
22 collectively. Please remember, you must wait to be
23 recognized by the Chair. You must speak to the Chair. If
24 there are any violations of the Board bylaws, I would
25 move forward with the proper procedure providing warnings

1 and entertaining motioning alignment with Article 11
2 about conducting a meeting. Also, Board members have
3 received copies once again, a Robert - I'm sorry, the
4 Board bylaws, Robert rules of order in a document
5 speaking of meeting forum. Hopefully that we can abide by
6 - if you have questions for any panel, you can restrict
7 your marks to a question and within that three minutes
8 timeframe, if we can abide by that.

9 MRS. WHITE: Through the Chair, Madam, if I can, for
10 the record I do have indication and I intended to
11 indicate this earlier. Deputy Chief Mark Bliss, Deputy
12 Chief, Elaine Miles and Captain Derek May are also in
13 attendance. Thank you.

14 VICE-CHAIR HOLT: Thank you, Ms. White.

15 VICE-CHAIR HOLT: Chair, Bell, are you ready? Who's
16 on mute? Chair Bell, you on you're on mute.

17 CHAIRPERSON BELL: Are we good now?

18 VICE-CHAIR: Yes, sir.

19 CHAIRPERSON BELL: I apologize for that. I guess I
20 didn't hear Ms. White silence your phone. We move on to -
21 I think this will finish my point. I just want to -
22 hopefully we can do a two-hour meeting and we can do it
23 in a timely manner. We can do it in a prophet manner. So
24 I just ask for your cooperation, your support. So we move
25 on to the next item would be for Chief Craig.

1 CHIEF CRAIG: Thank you, Chairman Bell. And I'm going
2 to give you a special thank you for not just your
3 support, but your acknowledgment. As many of you know, I
4 was one of the first police chiefs, if not the first
5 police chief in a nation that came out and explicitly
6 said that Mr. Floyd's killer should have been arrested by
7 the agency he worked once they became aware of the events
8 that we now know unfolded. And so again, I thank you for
9 that. I start with crime and then I'll get an update on
10 two of our officer-involved in shootings and then closing
11 it out with a very short video. So in terms of our
12 violent crime, starting with homicides, we're now at a
13 17% increase. It's been fluctuating since the beginning
14 of the year between 15 to 25%. And Detroit is,
15 unfortunately, no different from most major cities that
16 have all seen up crease except on our up crease, uptick
17 hasn't been quite as high as some cities have experienced
18 in 30, 40, 50% increase in homicides. Our sex assaults
19 were up 7%, aggravated assaults were up 38%, non-fatal
20 shootings, 44%, and robberies we are down 33%.
21 Carjackings are up 31% with an overall violent crime
22 increase of 22%. Our property crime, on the other hand,
23 we're down 26%. So our overall part one crime in the City
24 of Detroit is down 11%.

25 CHIEF CRAIG: So I'll go right into the two

1 shootings. As you know this has been a very tough week
2 for the department. Two officer-involved shootings both
3 resulting in fatalities. You've heard me report out in
4 recent weeks about the aggressive behavior by some
5 suspects we've had. One week where there were four
6 instances where our Police Officers were either shot at
7 and then I think it was a fourth incident a suspect was
8 approaching an officer with a long rifle. But starting
9 with the first one, 8- mile in Mohegan. So on April 18th
10 in the evening at 10:50, officers were on West McNichols
11 and Ward Street. They were investigating a non-fatal
12 shooting involving five victims. Connected to that non-
13 fatal shooting, there was a vehicle accident that
14 resulted in a fatality of a 64-year-old male.

15 CHIEF CRAIG: So as the officers arrived at the scene
16 both from the fatal squad, and also from the Precinct to
17 do the investigating involving shootings, roughly around
18 2:38 in the morning, the officers were still blocking the
19 streets, conducting their investigations when a 27-year-
20 old driving a late model, Yukon SUV drove up into the
21 crime scene, firing one shot in the direction of the
22 officers. The round did strike one of the scout cars and
23 he continued to travel through the crime scene. Officers
24 initiated a high-speed pursuit based on the suspect's
25 actions the pursuit traversed from the Westside into the

1 downtown area, and then on the Eastside and culminated at
2 Gratiot and 8-mile. Just a note, there were points during
3 this pursuit that the vehicle reached in excess of a
4 hundred miles an hour. Fortunately, it was the middle of
5 the night, so it was very little traffic, pedestrian, or
6 vehicle traffic on the street at that hour.

7 CHIEF CRAIG: But needless to say, it was clear that
8 this was armed and dangerous suspect who was focused on
9 taking the life of a police officer. At some point when
10 his vehicle came to arrest, it was because he had damaged
11 the vehicle. The suspect pulled into a parking lot as he
12 got out of the car, he began to fire rounds at the
13 officer. The officers returned fire at that point. There
14 was a brief exchange of gunfire, the suspect then began
15 to run a short distance, maybe a half-mile or less, an
16 officer pursuing him ended up - another exchange of
17 gunfire, and it was at that point that we believe the
18 round fire was the fatal round. That individual was
19 pronounced at the hospital. Officer's quickly went into a
20 life-saving mode. In fact, the officer's transported.
21 They didn't wait for EMS, transported, the subject to the
22 hospital. We don't really know a motive. The one thing
23 that we did find out that on the day prior his 21-year-
24 old friend by the name of Malik Douglas was killed in a
25 dice game. He was deeply depressed over that incident,

1 according to his family and this 21-year-old was one of
2 three victims in that shooting in the 10th Precinct.

3 CHIEF CRAIG: And so a month before that he had
4 another loss he had a loss of a five-month-old cousin,
5 not sure what that was. There was no indication that he
6 had any history of mental illness, but his mother did
7 indicate that he did have bouts with depression at times.
8 So that's that first shooting. The second shooting, which
9 happened a couple of days ago in the 2000 Block of
10 Hannah, officers around 4:30 on April 20th responded to a
11 male having a violent mental crisis in the 11th Precinct.
12 Four officers arrived at the location. I spoke with a
13 caller who stated that the subject, a 32-year-old white
14 male had locked himself in the bathroom and had inflicted
15 serious injury to himself with a very large knife. It
16 appeared more to be like a butcher knife. As the officers
17 made entry into the house they wanted to make sure to get
18 anybody in the house safely to the front so that there
19 would be no injury. As the officer traverse through the
20 house, a very small space and went into the restroom
21 area. I mean, it's hard to describe this was a - and let
22 me just say this - this was a very horrific scene. This
23 suspect had self-inflicted a number of injuries,
24 including it appeared as if his intestines were coming
25 out of his midsection.

1 CHIEF CRAIG: They were self-inflicted wounds to his
2 neck. And so as the officers made entry, he was not
3 holding a knife at that point. In fact the officers, you
4 could see, I had a chance to review the video several
5 times. You could see the officers trying to pull him up
6 and they did get him standing up. He was in a bathtub
7 that was full of blood and he was resisting. The officers
8 continued to try to help him, they continued to
9 communicate with him that we just want to help you, we
10 don't want to hurt you. And he would say, I just want to
11 die, shoot me now, just kill me. And the officers kept
12 the conversation going. It was clear that he seemed to be
13 under the influence of something. He was not very
14 responsive. So as they assisted him from getting out of
15 this bathtub, as he got out, he quickly reached down on
16 the floor and retrieved the knife that he had used to
17 inflict injury. As he did that one officer went into
18 approach in an effort to try to disarm him. There was a
19 struggle. And during that struggle, the officer was
20 stabbed in the upper thigh. And the struggle continued
21 one of the officers at the scene in a very small space
22 initially fired several shots. But unfortunately, it
23 appeared that that first or second shot struck the
24 officer who was in the struggle with this officer. As the
25 officer was continuing to struggle on the ground fighting

1 over the knife at this point an officer fired several
2 more shots striking the suspect. And from that, he then
3 succumbed to his injuries. I know there have been some of
4 those questions that well, let me stop and say this, in
5 talking to the mother and the girlfriend they indicated
6 that the subject was suffering mental illness, but was
7 also a drug abuser.

8 CHIEF CRAIG: So out of respect for the family, and I
9 don't know if I made it - because it was in such a
10 horrible scene, we did not release the video. The subject
11 was also nude and bloody, and it was probably one of the
12 worst things I've seen in some time. So again, we're not
13 sure, I guess the medical examiner will rule as to
14 whether or not he succumbed to his self-inflicted
15 injuries or from the shots that we fired. And so before I
16 open it up for questions if I could have Sergeant Quinn
17 start the video, and this is a video depicting, just so
18 you know, in advance, some of the events of last summer,
19 including the Hakim Littleton, I think it's important to
20 show you in some level of detail, what our officers
21 experienced on those few days where there was violence.
22 And so with that, Sergeant Quinn, if you could roll the
23 video.

24 VIDEO PLAYED.

25 CHIEF CRAIG: Thank you, Sergeant Quinn. And so I

1 just want to make one note before opening it up for any
2 questions the Board might have, that one officer that was
3 given a description of the injuries he sustained, he is
4 still off work, hoping to return and to recover from
5 those injuries. So with that, I'll take any questions you
6 might have.

7 COMMISSIONER BURCH: Ms. Annie, can you see my hand?
8 Oh,

9 CHAIRPERSON BELL: Commissioner Burch, go ahead.

10 COMMISSIONER BURCH: Thank you, Chief Craig. Sir, I
11 appreciate you showing the past, in the 20 the
12 protestors, myself, I've seen all of those videos that
13 you've seen. Sir, I'm asking you today, what's going on?
14 And I'll say, where I live. In 11th Precinct it
15 continuously keeps on getting worse and worse. With the
16 gentleman that got killed on Hanna, I'm asking if the
17 officers were there as they helped him to get out of the
18 bathtub, right? So at that time, while they had him under
19 control wouldn't, they have handcuffed him. So he
20 couldn't reach the floor to get the knife. And so I'm
21 just looking at how our police are trained to take care
22 of themselves, but look like the trigger happy gun, just
23 like the young girl, 16-year-old. She had a knife too,
24 Chief, and they shot her.

25 COMMISSIONER BURCH: So I'm looking at how there are

1 other ways to stop these people that have issues. And,
2 and so it looked like the gun is the first thing they
3 use. They don't taser. They don't shoot in the leg or the
4 arm because they're trained to be SpotShotters, Chief
5 Craig. So in number 11, we have more issues with
6 speeding. And I know you hear about it, but what's going
7 to happen with ordinary citizens like myself and others
8 that don't have the opportunity to speak with you. And
9 they speak to their commanders, their captains, and all
10 of these people, but nothing is changed. I'm just asking
11 you, what is your plan to stop the lawlessness of what
12 these people are trying to take over Detroit? I thank you
13 for your answers.

14 CHIEF CRAIG: Through the Chair. Two parts, and let
15 me deal with the issue of the officer-involved shooting.
16 It's so sad to hear you focus on what we didn't do when
17 if you had seen the video, these officers were struggling
18 with a very violent male mental, full of blood, self-
19 inflicted. You can only imagine what that scene looked
20 like. Those officers came in there, not trigger happy as
21 you would describe, but when they saw the condition that
22 he was in an officer quickly went out to the police
23 vehicle to retrieve a medic kit so he could start
24 applying pressure to stop the bleeding. He was bleeding
25 profusely. Unfortunately, because he was aggressive. And

1 if you've ever had a chance to deal with someone who is
2 under psychosis or under the influence of some type of
3 intoxicant, sometimes they have tremendous strength.

4 CHIEF CRAIG: This individual was very strong and
5 violent. And yes, as I said, in my opening remarks, the
6 officer got stabbed, not by a pocket knife. So in a
7 perfect world, we would have been able to gain control.
8 And certainly, that was the officer's intent, get him
9 medical aid and apply whatever medical treatment they
10 could apply as he was being transported to the hospital.
11 Unfortunately, that didn't happen. In terms of an [28:51
12 inaudible] report out every week. Every week, we run a
13 drag racing, drifting detail. The officers are out to
14 early mornings of the hours. They put in tremendous
15 effort, we're using the helicopter, we're using
16 undercover cars so that we can stop the reckless
17 behavior. And to the violence, specifically to the
18 violence, as I reported out, the violence is going up all
19 over, but let me just say this. This is not just a police
20 issue is a reason why violence is up in all of these
21 major cities, around America, and not an excuse, but just
22 fact. These officers who are still engaged, who feel
23 supported in this department, because if you look around
24 this country, places like New York, Chicago, Los Angeles,
25 because of the lack of support, those officers are taking

1 a position of not wanting to engage. What these officers
2 do every day, they are putting themselves in harm's way,
3 they're making anywhere between 60 to 100 carrying
4 concealed weapon arrest a week, because we know more
5 times than not the violent crime, the suspect has a gun.
6 And on this last week we saw, we saw more incidents who
7 had these shooting scenes, there were multiple incidents.
8 So I would hope that you would say to these men and women
9 who go out every night, thank you for putting your lives
10 on the line for me, my neighbors, and the city. And I'll
11 conclude on that point.

12 COMMISSIONER BURCH: Can I respond to what she just
13 said, Mr. Bell?

14 CHAIRPERSON BELL: No, ma'am, we're going to move on
15 to the next question. If you don't mind.

16 VICE-CHAIR HOLT: I believe Chair Bell, Commissioner
17 Davis, then Commissioner Bernard, and then Commissioner
18 Hernandez.

19 CHAIRPERSON BELL: Thank you. In that order, please.

20 COMMISSIONER DAVIS: My question, sir, is this, I
21 keep hearing about a lot of hits and runs, and do you
22 know if the hit and runs are up; because that's what it
23 sounds like, and are we investigating hit and runs. and
24 have we closed any cases dealing with some of these hits
25 and runs?

1 CHIEF CRAIG: Through the Chair, Commissioner Davis,
2 I can't specifically tell you how many hit and runs. One
3 of the things I'm deeply concerned about that I've seen
4 an increase in, many of you probably saw the recent high
5 powered charger that had an accident at the intersection
6 of Jefferson and Connors and the young man. I think he
7 was 21 years old. It was a fatal traffic accident. We
8 investigated. It started because it was a pursuit coming
9 out of Grosse Pointe Park that ended in our city when he
10 hit a tractor-trailer truck. After looking at that we've
11 seen other reports of these individuals driving through
12 our streets at very high speeds and we don't chase for
13 misdemeanor or traffic infractions. So in addition to the
14 efforts, we're making to abate the drag racing and this
15 other foolishness, that's going on with these drivers, we
16 deployed a helicopter up, we've gotten a commitment from
17 Michigan State police to assist us in the air.

18 CHIEF CRAIG: And we will deal with the activity on
19 the ground. We are deploying anywhere roughly on an
20 average of 64 officers on those nights to abate this kind
21 of behavior. But we can certainly get the hit-and-run
22 information. One of the things I'm going to direct my
23 staff to do, I am very curious. I know traffic accidents
24 are up year-to-date that I'm aware, but I want to know
25 how many of them end in fatality. We've seen more and

1 more this year. I don't know if some of it's pandemic-
2 related because of the mental health piece associated
3 with the pandemic, but certainly, we have had an
4 increase.

5 COMMISSIONER DAVIS: Also is home invasions up,
6 because I heard about a home invasion this morning?

7 CHIEF CRAIG: Right now year-to-date our burglaries
8 are down 37%. Property crimes overall down with a 26%
9 reduction in property crimes. So that's not - and then
10 the crime of robbery of violent crime is down 33%. Our
11 areas of concern right now certainly are the criminals
12 with guns, people who can't settle disputes, domestic-
13 related type situations.

14 CHAIRPERSON BELL: Thank you.

15 CHIEF CRAIG: You're welcome.

16 VICE-CHAIR HOLT: Commissioner Bernard.

17 COMMISSIONER BERNARD: I thank you, Vice-Chair Holt.
18 First of all, thank you for the video and the report
19 Chief, but I did want to follow up on about three
20 different little things. First of all, with respect to
21 Commissioner Burch, I don't think that she was saying
22 that the officers were trigger happy or anything else
23 like that. The point of her comments was that in a closed
24 bathroom situation where a person is naked, and as you
25 say, had a knife and they didn't have a knife, actually,

1 it was on the floor and as they got him out, he had the
2 knife and the officer was injured, of course, with the
3 knife, but he was actually shot by his fellow or sister
4 police officers. As you said, he was shot by friendly
5 fire. So his injuries appear to be more related, I'm sure
6 to gunfire than to the leg wound that you say he incurred
7 with the knife. And I think her point was that in a
8 situation like that, why would you have your gun drawn at
9 all and fire five or six shots or whatever number shots
10 there were and not just use a taser. The person's right
11 in your face. I think that was the import of her
12 statement that there's just too much gunfire in general.
13 Secondly, you indicated, in terms of the video, I would
14 be interested in receiving a copy of the after-action
15 report that the department actually filed in this issue,
16 as well as probably a copy of the training manual. I
17 think that the issues that we've seen nationally of
18 course relate directly. They can talk about training and
19 training and training, and even the new George Floyd Act
20 has all this money for training.

21 COMMISSIONER BERNARD: So I just am interested in and
22 what our training is. And then finally, we, of course,
23 are very supportive of our officers. I think that
24 Commissioner Burch is. I know that all the Commissioners
25 are supportive of our officers, but that doesn't mean

1 that we don't have a different point of view regarding a
2 particular, you know, facts or circumstances, but it's
3 not meant to be not supportive of our officers. I
4 personally, and I think you would agree with this Chief
5 Craig, am committed to our Police Officers being peace
6 officers and safety officers. The whole word police now
7 have such a negative connotation in general, because you
8 know, all you can think of is billy clubs and guns and
9 bulletproof vest, but the role of the sheriff and
10 certainly the role of the police department has
11 traditionally been that of peace officers, and as you
12 say, public safety officers to keep us safe. And I know
13 that sometimes that's a difficult situation. Like you
14 say, it was the other night on 8-mile when the guy went
15 crazy, who commits a murder and then returns to the
16 scene. I mean, that was unbelievable. I couldn't believe
17 it, but I'm so glad that you were able to address that
18 situation, and unfortunately, we'll never know what
19 really caused it, but I'm glad that our officers are safe
20 from all of these encounters. No one has been killed and
21 not in terms of our police force, but I just wanted to
22 make those points regarding certainly the community at
23 large.

24 CHAIRPERSON BELL: Thank you. Report to chief answer.
25 I guess I'm going to have to monitor the three minutes

1 remark. I'm not doing it to help in that area. We have
2 been talking in extensive timeframes. So if we abide by
3 it, that would help us out. I know you've got a broad
4 state, but hopefully within that three minutes. Chief
5 Craig.

6 CHIEF CRAIG: I kind of touched on it before,
7 officers and I appreciate a difference of opinion. You
8 know, officers sometimes have a hair of a second to make
9 a decision whether or not to use fatal force. This
10 certainly was that incident when he was in the bathtub,
11 as you appropriately indicated Commissioner Bernard. He
12 was not armed, he was overpowered; they didn't even know
13 where the knife was at the time. They knew he had self-
14 inflicted knife wounds, and clearly with the nature of
15 the injury without being too descriptive he might've
16 succumbed to his injuries. We as yet don't know and that
17 will be up to the medical examiners to make that
18 determination. It was a very small space you indicate but
19 he was able to retrieve his knife and he was able to
20 injure the officer. And as you point out, yes, the
21 officer was shot by friendly fire, but it was a very
22 aggressive encounter that happened very quickly. And so
23 I'll end on that.

24 CHAIRPERSON BELL: Thank you,

25 VICE-CHAIR HOLT: Commissioner Hernandez.

1 COMMISSIONER HERNANDEZ: I appreciate the time, I
2 appreciate your report out today, Chief Craig. A very
3 quick question just the NPO program has received quite a
4 bit of coverage recently in terms of its success in the
5 community. Curious if you could share any insights into
6 plans that you might have to enhance that program and
7 continue to strengthen just the relationship with
8 policing in the community.

9 CHIEF CRAIG: Thank you. Through the Chair. I thank
10 you, Commissioner Hernandez, for that. I'm very proud of
11 the work that those men and women do. I just had a
12 meeting with all of them and thank them for the bridge-
13 building they do. I mean, if I were in a perfect world I
14 would enhance the program. We had one enhancement. I
15 think we started out with something like 42 and we're now
16 up to 56. And it's based on redefining or divide the city
17 up by geographic area. And if we were to expand it, it
18 would give those officers a smaller footprint thereby
19 they could have spent more time in a more effective way.
20 I'm very satisfied with what they're doing now but it
21 doesn't mean they're not things we could do. Of course,
22 they are budgetary constraints. And so trying to expand
23 right now probably would be difficult.

24 CHIEF CRAIG: But that's one of the programs that I
25 very seldom get any cause of complaints of quality of

1 life issues because they handle them. As you, you might
2 also know last year in response to a lot of the
3 complaints on traffic. I know Commissioner Burch has
4 brought up a lot of traffic complaints. So what we did in
5 response to that, we initiated two traffic neighborhood
6 police officers. One for the West and one for the East
7 and their sole purposes is to go out and just address
8 traffic. So that's a big focus for us because most of the
9 complaints we get, even though violence is up, we are
10 never ignore traffic. And certainly, we are putting a
11 real substantial focus on it. In addition, I mean, in
12 addition to the NPO program, I would love to have funding
13 to really expand our traffic enforcement unit as well.

14 CHAIRPERSON BELL: Thank you. Commissioner Jones.

15 VICE-CHAIR HOLT: Excuse me Chair Bell.

16 CHAIRPERSON BELL: I saw Commission Jones hands up,
17 go ahead.

18 COMMISSIONER JONES: Good afternoon, Chief and thank
19 you for reporting up. I did actually was able to make
20 that scene on Hanna and 8-mile. And then talk with some
21 of the officers right there and one of the things you
22 have to realize is that when a suspect is nude and he's
23 bloody and he's sweaty, You have to understand that it
24 would be extremely difficult to try to bring somebody
25 like that under control, especially if they were on some

1 kind of a street pharmaceutical as they say to begin
2 with. So I imagine the officers pretty much had their
3 hands very full in trying to even contain and control
4 that suspect, especially not knowing where the knife is.
5 So it seems to me that that would be understandable
6 circumstances trying to hold somebody that's sweaty and
7 bloody, especially with them looking at his injuries.
8 They would probably think that he probably would not even
9 represent a danger at that point. Is that correct?

10 CHIEF CRAIG: Through the Chair, Commissioner Jones.
11 That's absolutely correct. You know, there's certainly a
12 lot of concern when you're talking about dealing with
13 blood. And so again, having seen the video and it was
14 like I said, it was horrific. Many of the officers were
15 traumatized by the encounter because of what they saw,
16 and I don't know if I articulated it throughout, as he
17 stood in the bathtub, as they were assisting him. He
18 said, several times, please just shoot me, shoot me,
19 shoot me in the head. It was not a situation - the
20 officers again, went into the situation, knowing that at
21 one point he had a knife. They didn't know where the
22 knife was. And so when we make statements like trigger
23 happy it is concerning. This is not trigger happy, these
24 officers went into preserve life, and even when we talk
25 about the incident from a couple of days prior, when that

1 suspect had just shot at police officers, not once, but
2 three separate occasions they very quickly transitioned
3 into a life-saving mode to that young man and then
4 transported him to the hospital.

5 COMMISSIONER JONES: Thank you, Chief.

6 CHAIRPERSON BELL: Vice-Chair Holt.

7 VICE-CHAIR HOLT: Yes, Commissioner Brown and
8 Commissioner Burton.

9 CHAIRPERSON BELL: In that order. Thank you.

10 COMMISSIONER BROWN: Good afternoon, Chief, it's a
11 pleasure having you before us today. And I just want to
12 just express my thanks and just happy that none of the
13 officers were hurt fatally. I know it's a tough job that
14 they're doing today, but on a happier note, I was just
15 wanting to ask you a question about the MSU report on
16 Greenlight studies. And I was reading it, and I saw some
17 of the things that I thought were not in the report. The
18 question was what, if you know off the top of your head,
19 or may have it in the data before you, is what were our
20 numbers on carjackings at gas stations before Greenlight
21 and the expansion of the program and what it is today,
22 and the same thing with arm robberies and things like
23 that. You know, if we have those numbers, I think that
24 was something that they really missed to capture in their
25 study.

1 CHIEF CRAIG: Through the Chair. Thank you,
2 Commissioner Brown. I don't have those numbers with me,
3 but I can tell you, one of the things I thought to report
4 missed. I didn't review it probably in the level of
5 detail that you did. You know, it's hard for anybody to
6 say how much crime was prevented. You can show where when
7 crime goes down and as you all know, the Greenlight was
8 birthed, because when I got here it just seemed that the
9 carjackings were out of control. The department, the
10 community was kind of desensitized to it. In other cities
11 I've worked carjacking was a big deal. I mean, we talked
12 about people going to get gas or going to a variety store
13 having guns pointed at them and snatch out of cars, it
14 was horrific. So I thought if we could find a way to make
15 these locations safe havens, then it be less likelihood
16 of a violent crime by carjacking, I can tell you without
17 having the data that and up until just recently, but the
18 carjackings are not happening at Greenlight locations
19 because suspects know. Early on, when we made a few high-
20 profile arrests associated with Greenlight locations,
21 whether it was a shooting people respond. So what a
22 police chief or a police department, or a criminologist
23 can say is how much crime did we prevent? I mean, nobody
24 can really say definitively. So how many carjackings did
25 we prevent at Greenlight locations? These scientists

1 can't tell you that, chief can't tell you that. But we
2 know that crimes have been prevented. So when I talk
3 about the 60 to 100 carrying a concealed weapon arrests
4 that we make, how many shootings have we prevented or
5 murders? Nobody can tell you.

6 CHIEF CRAIG: We just know that if we certainly go
7 out and focus on individuals who are illegally carrying
8 guns, that certainly can have an impact. And I didn't
9 really articulate this very well in one of my earlier
10 responses, but the other concern is once we arrest them
11 and understand bail reform, and there is a need for bail
12 reform, but we have to be thoughtful because if we're
13 arresting say a violent criminal who is illegally
14 carrying a gun, he laughs at our officers and says, no
15 big deal, I'd be out before you get off work today. That
16 would be a problem, but there was no incentive not to
17 carry a gun, no incentive to prevent a shooting if there
18 are no consequences. That's just my view, my opinion
19 based on my years as a practitioner. But thank you for
20 the question.

21 COMMISSIONER BROWN: Thank you, Chief.

22 CHAIRPERSON BELL: Thank you.

23 COMMISSIONER BURTON: Yes. Good afternoon, Chief. Few
24 questions real quick. Pertaining to the situation that
25 took place on Hanna Street, is DPD going to look at

1 providing mental health training to our members in our
2 community. I know that you mentioned something in the
3 past about COVID, how a lot of crimes are being committed
4 here in the City of Detroit since the start of the
5 pandemic, but we know that officers have training when it
6 comes to crisis intervention, but our community has zero.
7 I just want to know, is there any discussion for, later
8 this summer to provide training to residents, whether
9 it's by Zoom or within the Precincts with neighborhood
10 police officers or anything of that nature?

11 CHIEF CRAIG: Through the Chair, Commissioner, Burton
12 that's a great question. As you know, I know we both are
13 passionate relative to how do we fix this mental health
14 crisis? And believe me, it's a crisis. it's exacerbated
15 since the pandemic. I think it ties into the violence. It
16 ties into the way people drive, but you're absolutely
17 correct. And I like what you just said. And certainly, I
18 know that Commander Hope is on the line, and who oversees
19 our neighborhood police officers. But I think this is a
20 great opportunity to host a form, a community forum,
21 talking about mental health and what can community
22 members look out for? How can they be helpful? You know,
23 I do believe with the number of crisis calls we receive
24 and the fact that on some occasions, our special response
25 team responds out.

1 CHIEF CRAIG: What would it be like if a family
2 member or community member knows that someone is going
3 through a crisis? And if we can proactively work with
4 this new co-respond work that we're doing with DWIHN and
5 the Detroit Police Department, what can we do
6 proactively? So I think this is a great opportunity. I
7 will have Commander Hope and Captain Leonard Gilbert, who
8 oversees this new initiative we're launching and see if
9 we can't put together a community forum and maybe
10 Commissioner Burton, you can assist us in hosting that
11 effort. I think we might have to do several forums like
12 that. I think it would be a great, great first start if
13 you will.

14 COMMISSIONER BURTON: Sure. I'll be honored. Thank
15 you.

16 CHIEF CRAIG: Thank you.

17 VICE-CHAIR HOLT: Commissioner Holley.

18 COMMISSIONER HOLLEY: Thank you, and through the
19 Chair, and Chief, thank you so much for all you do. I
20 know people, get on us about the fact that we support you
21 but we should. You represent us very well nationally, and
22 I want to thank you.

23 CHIEF CRAIG: Thank you.

24 COMMISSIONER HOLLEY: My concerns are two little
25 things. Can you let the community know how do you guys

1 tell the difference between a gun and a taser? Is it
2 uniformly across the country the same way? Is it yellow,
3 red, blue, and black? Just help us with that in a brief
4 way. The other thing, I hope you got my message about the
5 old roll call and how you handling this stuff that goes
6 on all over this country now. And because our guys have
7 to know they have capital punishment on their side, their
8 gun is capital punishment, and when they use it, that's
9 what it is. I want to hope that you got my message and
10 somehow you'll come back at a later date with the Chair's
11 permission to talk about the roll call and how you deal
12 with this with the officers and you see what's going on
13 out there so that we might get an understanding what
14 you're saying to them. Thank you so much. Mr. Chairman,
15 can I be responded to, sir?

16 CHIEF CRAIG: Okay. Through the Chair. Thank you,
17 Commissioner Holley. You know this is a very serious
18 issue that I personally take very seriously. I know my
19 executive and command team we're reinforcing constantly
20 the importance of when deadly force is used. And I will
21 tell you what's alarming to me is the number of very
22 dangerous encounters our officers are facing today. I use
23 the illustration of the 60 to 100 plus guns that we take
24 off of people carrying illegally, and it happens without
25 incident. And when you really break it down to the number

1 of calls that we go on each and every day and broaden it,
2 even in this country, the vast majority of police
3 officers get it right. And so you know, one shooting
4 that's classified as a criminal act is one too many. But
5 what we oftentimes miss out on in this conversation is
6 when an officer uses deadly force, it's not always
7 considered criminality.

8 CHIEF CRAIG: It's just not. No officer wants to use
9 it, but it has happened, but that's a very small
10 percentage where it's determined that the officer's use
11 of deadly force was criminal. And as I pointed out
12 earlier in my remarks that Mr. Floyd's killer was a
13 criminal and justice was served. But now going to your
14 specific point about the difference between a firearm,
15 handgun, and a taser. Our officers like most departments,
16 you know train for that. There's a reason why the taser
17 and so out in Minneapolis or Battle, known as Buffalo
18 Center, if you notice the video, the taser was on the
19 opposite side it was inverted, not in a holster like a
20 handgun, and that's done for a reason because once you're
21 trained, you understand and know when you reach, you
22 know, if you're reaching for a firearm or you reaching
23 for your taser. If you reach for your taser, you've got
24 to cross your body. Instinctively you know that. When you
25 reach for your handgun, you're going on your strong side,

1 you instinctively know that. And so training does play a
2 key role. I know there's a lot of conversation about it
3 being an accident is certainly gross neglect. The other
4 thing when you pick up a taser, the taser's weight in
5 comparison to a firearm is significantly different. And
6 so when you take your firearm out of your holster, you
7 are acquiring a target. You're looking at your sites
8 unless you're point shooting, but you should know that
9 you're holding a firearm and not a taser. But the one
10 question I had, and I talked about this on national news.
11 When I saw the video, and I know, I don't know all the
12 facts, but just based on the video I saw, I even had a
13 concern. Why we even deploy a taser, now.

14 CHIEF CRAIG: Granted the young man was walking away.
15 I don't know if at the time they knew he had a felony
16 warrant, they said he had a felony warrant for robbery
17 but did they know it at the time? Probably not. I mean,
18 you're not going to approach a car in that fashion, and,
19 you know, someone has a felony warrant, at least by
20 training, you shouldn't. But that said, the resistance
21 was to a point, why didn't they just handcuff him or the
22 other officer walk around the car and put hands on him,
23 take control of him and handcuff him. Those I don't have
24 the answer to, but it just seems like common sense. I
25 want to divert for a minute, and then I think it was

1 Commissioner Bernard that had this question. I did see in
2 the video initially I'm going back to the Hanna incident.
3 The officers did have the handcuff out and they were
4 making an effort to put the handcuffs on him. He was
5 bloody, they couldn't secure a cuff and he was still in
6 the bathtub when they were doing this. And then because
7 of how aggressive he was moving, he obviously knew he
8 needed to get to that knife. It's just the officers
9 didn't know, but I'm glad I was able to remember it and
10 touch on that. So I hope Reverend Holley, I answered your
11 question.

12 CHAIRPERSON BELL: Thank you, Chief. We're going to
13 call close this session out. We have about 19 speakers
14 who want to do public comment. As you see, we have a long
15 agenda, but I think the Chief needs to make one more
16 statement. I want the Board to know that we work with the
17 Chief in terms of recommending a yellow taser, which is
18 different from the gun color. But I think that people
19 need to know, the Commission needs to know, it is not our
20 job to try to scrutinize what all took place. That is not
21 our role, but I think the Chief needs to speak to what
22 happened after the shooting. There's an internal
23 investigation, the second investigation if I might be
24 using my past, but you speak to how you, in reviewing
25 these particular matters. And the Chief stated the 1,001

1 instance where there is no gun used that they handled
2 this job, whether you hear about the highlights all the
3 time. So Chief Craig, could you speak to what takes place
4 after the shooting by a police officer.

5 CHIEF CRAIG: Right. Thank you Chairman Bell for
6 bringing that up because it is a process. You know,
7 certainly, we started our investigation. What we do, we
8 have the good fortune of having the Michigan State Police
9 embedded. And one of our teams when we have an officer-
10 involved shooting as by protocol, the Michigan state
11 police takes the lead on that officer-involved shooting
12 investigation. And so that's important to know. Once we
13 get through our investigation or just before we complete
14 it, I have instituted something that didn't exist before
15 you may have heard me mention it, but we do something
16 called a 72-hour briefing and what we do at that
17 briefing, we call and tactical experts. We call them the
18 commanding officers of the officers involved in the
19 shooting. Our executive team is present.

20 CHIEF CRAIG: And what we're also doing now is we're
21 bringing in new sergeants like on this one we're
22 conducting on Monday. We're bringing in the entire new
23 lieutenants and sergeants class. It's important for them
24 to understand the issues. So we don't wait until there's
25 a complete investigation that happens several months down

1 the line. In 72-hours, we have enough information to get
2 an assessment. What I want to know is were the tactics
3 used in that situation appropriate, and if not, why not?
4 And if they weren't used appropriately, do we have
5 misconduct; is it a practice that we're teaching or
6 that's improper? I'll give you an example. And this is
7 why the 72-hour briefing is so important. Before I was
8 appointed as Chief here, you may remember one of our
9 officers, he was affectionately known as Wolverine.

10 CHIEF CRAIG: Wolverine was working a high-profile
11 unit that went after murder suspects. They were going
12 after a murder suspect and what they did, tactically they
13 boxed in the suspect. Now boxing in is where a police car
14 comes up behind, and a police car comes to the front.
15 That is horrible and very dangerous tactics because what
16 you create is what we call a crossfire situation. So if
17 that suspect who's boxed in decides to shoot it out with
18 the police, which in this case it did happen. The
19 officers in front are shooting, officers in the rear are
20 shooting, and now you expose these officers to friendly
21 fire. Wolverine was killed by friendly fire. So when we
22 have this 72-hour briefing and again, that predates me,
23 is so that we can look at and scrutinize whether or not
24 this was a proper shooting, were the tactics used. And
25 even though the investigation may not be complete, I want

1 to be able to in a very swift way, assess whether or not
2 we need to retrain those officers or retrain the entire
3 department. And so we put in place so much scrutiny on
4 the situation that happened where the individual drove
5 through our crime scene. Again, we'll be examining the
6 issues in that one to see if the tactical response was
7 appropriate. And then like this one involving the bathtub
8 and the subsequent shooting, we'll be examining that very
9 thoroughly and certainly render whatever training if we
10 determine training as appropriate. And then lastly, after
11 the actual investigation is complete that then goes over
12 to the Wayne County Prosecutor, and this is an all
13 officer-involved shooting incident. It goes to the
14 Prosecutor, the Prosecutor then conducts an independent
15 review and investigation and her office will determine
16 whether or not the actions by the officers represented
17 criminality. And so there are a number of layers that are
18 in place that frankly just don't exist in every
19 department.

20 CHAIRPERSON BELL: Thank you, Chief Craig.

21 CHIEF CRAIG: You're welcome.

22 CHAIRPERSON BELL: And thank you for reporting out
23 and entertaining and all the questions and concerns.
24 We're going to have the George Floyd Justice Bill read by
25 Assistant Chair, Vice-Chair Holt. Thank you.

1 VICE-CHAIR HOLT: Thank you, Chair Bell. Draft
2 Resolution supporting US Congressional approval of the
3 George Floyd Justice in Policing Bill. WHEREAS the
4 residents of the City of Detroit created the Board of
5 Police Commissioners through the 1974 City Charter for
6 civilian oversight and control of the police department
7 to help public transparency and accountability; and
8 WHEREAS one of the Board's mandates include the review
9 and approval of policy directives integral to the best
10 organizational practices, procedures, and culture, by the
11 core community, policing, crime reduction, and public
12 safety. In this role, the Board routinely suggest
13 revisions to policy directives and frequently is at the
14 forefront of police reform; and WHEREAS, the Minneapolis
15 police killing of George Floyd on Memorial Day 2020
16 caused global outrage and led to protests against police
17 brutality. As a mature oversight Board, the Board quickly
18 took action to ban strangleholds and to require a duty to
19 intervene among other vital policy updates that help
20 Detroit provide concrete changes very quickly and
21 reassure the public that its voices were heard; and
22 WHEREAS, the Board of Police Commissioners have called
23 for federal action to provide consistent standards,
24 accountability, and objectives, and objective reviews of
25 all law enforcement agencies. The Board has supported

1 that all actions as vital to stopping fatal police
2 encounters, like the one that killed Mr. Floyd and ending
3 non-fatal patterns of racial profiling and police
4 brutality and racial profiling; and WHEREAS, the George
5 Floyd Justice and Policing Bill has supported by the US
6 Representative Karen Bass on June 8, 2020, and approved
7 by the House on March the 3, 2021, will achieve many of
8 the Board's goals. House Bill 7120 will increase
9 accountability for law enforcement misconduct, enhance
10 transparency and data collection and help eliminate
11 racial profiling and other discriminatory policing
12 practices. The Bill also facilitates federal enforcement
13 of constitutional violations like excessive use of force
14 by state and local enforcement. Among other things, the
15 Bill limits qualified immunity as a defense in civil
16 cases against a law enforcement officer or a state
17 correctional officers, and authorizes the Department of
18 Justice to issue subpoenas in an investigation of the
19 police department, for a pattern or practice of
20 discrimination. HB 7120 also creates the National Police
21 Misconduct Registry to compile data on complaints and
22 records of police misconduct; so THEREFORE BE IT RESOLVED
23 that the Detroit Board of Police Commissioners support
24 Congressional passage of House of HB 7210 known as the
25 George Floyd Justice and Policing Bill as vital to 21st

1 Century Policing and to help ensure the federal
2 standards, accountability, and review for law enforcement
3 agencies.

4 CHAIRPERSON BELL: Thank you Vice-Chair Holt, and
5 Mrs. White, and the team. Commissioners, what is your
6 pleasure?

7 COMMISSIONER BERNARD: So move.

8 COMMISSIONER JONES: Support.

9 COMMISSIONER HERNANDEZ: Support.

10 CHAIRPERSON BELL: It has been properly moved and
11 supported. Discussion. Those in favor, Aye.

12 ALL: Aye.

13 CHAIRPERSON BELL: Thank you. The motion pass. We
14 move on to Captain Parish, doing forfeiture.

15 MRS. WHITE: Yes. Through the Chair, Captain Parish
16 is present, and also Sergeant Darchell Brown, who will be
17 presenting out on forfeiture. Captain Parish. Thank you.

18 CHAIRPERSON BELL: Thank you.

19 CAPTAIN PARISH: Through the Chair. Thank you for
20 having me. Sergeant Darchell Brown is the officer in
21 charge of the forfeiture section and she did an
22 incredible job during forfeitures, the last presentation
23 on forfeitures. So we are having her back again and I
24 trust her presentation is going to be just as good as the
25 last one. Sergeant Brown. Go ahead.

1 CHAIRPERSON BELL: Thank you.

2 SERGEANT BROWN: First of all, let me say - can you
3 guys hear me?

4 VICE-CHAIR HOLT: Very well.

5 SERGEANT BROWN: Okay. First of all, let me say last
6 time I did this presentation, Commissioner Holley
7 corrected me on my terminology and I just want to say
8 thank you so much. We no longer use prostitute, we use
9 sex worker. So again, thank you so much. I and my team
10 has changed our vocabulary. We do want to be politically
11 correct. Can we bring up the PowerPoint, please?

12 MRS. WHITE: Yes, we can. We have designated both you
13 and Captain Parish as co-hosts, but we can bring it up at
14 this time. Thank you.

15 SERGEANT BROWN: Okay. First slide. Actually, can we
16 go to the second slide, please? Forfeiture is a
17 recognized method of combating illegal drug trafficking
18 and curbing lewd and other wanton behavior. It should be
19 noted that this is a form of deterrence. This should
20 never be used as harassment. Next slide, please. This is
21 just a slide to show where forfeiture falls in the
22 hierarchy of the department. Of course, we are led by our
23 Chief of Police, James E. Craig. Then it falls on the
24 support side of the house under David, correction,
25 Assistant Chief David LeValley. Under AC LeValley is

1 special services led by Commander Samina Russel. Under
2 Commander Russel, we have management services led by
3 Captain Michael Parish, which forfeiture falls under led
4 by myself. Can we go to the next slide, please?

5 SERGEANT BROWN: The role of the forfeiture section.
6 Forfeiture is responsible for receiving and processing
7 all forfeiture petitions. So we ensure that all reports
8 and forms are completed are accurate before we submit the
9 petitioners to the Wayne County Prosecutor's Office.
10 Next, we serve as a liaison between the Detroit Police
11 Department and the Wayne County Prosecutor's Office or
12 any other prosecuting agency. So if anything is needed to
13 make sure we can move forward with the case, we make sure
14 that that prosecuting agency has everything that they
15 need. For an example, if they need a body cam we will
16 make sure that they have the body cam to move on with the
17 case. Next, we track the status of all forfeiture cases.
18 We maintain statistics that's required by law and
19 department policy. So that also entails us completing
20 state and departmental audits. We serve as the final
21 repository for all forfeiture case files and we provide
22 information, guidance, and training in all matters
23 pertaining to civil asset forfeiture. Next slide, please.

24 SERGEANT BROWN: So what is civil asset forfeiture?
25 It's a legal process that involves divestiture without

1 compensation of property that was used in a manner
2 contrary to local state and federal law. So in other
3 words, to break it down, it's the illegal taking of
4 another's property without compensation because they use
5 that property illegally. The types of civil asset
6 forfeiture, the drug asset forfeiture an example of that
7 would be a narcotic case. A vehicle used to carry illegal
8 drugs. The nuisance abatement. An example of nuisance
9 abatement would be the offer to engage case where someone
10 would try and pick up a sex worker in that vehicle. Of
11 course, the crime is against the property and not the
12 person, but this is to protect public health. Next, we
13 will have the OWI repeat offenders. So a person
14 previously convicted or has entered a guilty plea.

15 SERGEANT BROWN: Next we have the drag racing
16 forfeiture, which is so popular right now because it is
17 so dominant in our city. And I'm going to touch on that
18 in my next slide. So next would be the felony identity
19 theft. Then we have the omnibus forfeiture. The omnibus
20 forfeiture is special because it's so many different
21 crimes that fall under it. So just to name a few home
22 invasion, criminal sexual conduct, dogfighting, robbery,
23 larceny that's just to name a few, but we have a lot of
24 crimes that fall under the omnibus forfeiture but
25 regardless of what type of forfeiture it is, the goal is

1 deterrents. Next slide, please.

2 SERGEANT BROWN: So in November of 2020, the Wayne
3 County Drag Racing Ordinance was amended to include the
4 drifting. If you look at just the yellow part, I'm not
5 going to read the whole thing because I know I have only
6 10 minutes, but it includes things such as drifting,
7 sliding or donuts involving loss of traction and or
8 repeatedly driving the vehicle in circles or figure
9 eights or in a sideways motion in circles or figure
10 eights. So this was amended, so it would be easier for
11 the Wayne County Prosecutor's Office to fight these types
12 of cases. Next slide, please.

13 SERGEANT BROWN: The process of forfeiting property.
14 So the first thing is the investigation. The officer
15 comes in contact with a subject while he's doing his
16 investigation, he has probable cause to believe that the
17 property was used illegally. Again, it's the property,
18 not the person. Be it the proceeds of a crime, the
19 substituted proceeds of the crime, or an instrument of
20 the crime. Once that probable cause is established, then
21 the property seizure and notice of intent to forfeit is
22 completed at the scene and serve to the person who
23 initially possessed the seized property. Once the
24 forfeiture office receives all the paperwork the
25 department will petition the Wayne County Prosecutor's

1 Office to bring the appropriate forfeiture action against
2 the property. If a person's property is no longer subject
3 to forfeiture we're put on notice, we take prompt action,
4 and we release that property according to DPD protocol
5 and under normal circumstances it usually takes place
6 within a 14 day period.

7 SERGEANT BROWN: Forfeited cash assets are deposited
8 into the Department's forfeiture account. This account is
9 managed by the Office of Departmental Financial Services.
10 Tangible Property is sold at auction. The funds are
11 subsequently deposited into DPD forfeiture account.

12 Commissioner Bernard, I know that you were particularly
13 interested in the drag racing portion of the process, so
14 break it down, the investigating officer observes someone
15 drag racing. Once he makes his observation, that's the
16 probable cause right there that the property is used to
17 facilitate the crime. Then the officers prepare the case,
18 it's brought over to the Forfeiture Office. Everything is
19 checked by my team and then everything is checked through
20 supervision. I take a look at everything and then it's
21 submitted to the Wayne County Prosecutor's Office. But
22 ultimately it's up to the Prosecutor's Office to move
23 forward to set or waive redemption fees. It's up to them,
24 what cases they want to move forward with again. But even
25 though we do get a lot of forfeiture cases submitted to

1 us, there's no guarantee that we're going to win all
2 forfeiture cases. Next slide, please.

3 SERGEANT BROWN: Are forfeiture dollars used for. As
4 a general matter, they are used for anything that can
5 help us enforce the law. So training, equipment,
6 facilities supplies, or other programs that may help us
7 combat crime. Prohibit uses would include general
8 government uses, personal gain, or place law enforcement
9 budgeted allowance. Next slide, please. How does - I'm
10 sorry, I'm lost here. How does civil asset forfeiture
11 help the community? Once again it's a form of deterrent.
12 It dissuades criminals from committing crimes and
13 disrupts the illegal enterprise. Civil asset forfeiture
14 is helpful by removing property used to facilitate
15 illegal conduct and placing it back into a legitimate
16 stream of commerce. So for example, if a vehicle was
17 forfeited for transporting illegal drugs and that vehicle
18 is forfeited, then we auction it off to someone who uses
19 that same vehicle to get back and forth to work every
20 day, or that vehicle could go into our fleet and be used
21 as an undercover vehicle, which also helps combat crime.
22 Next slide, please. Some significant events. In 2019,
23 there were some changes in the forfeiture laws where it
24 prohibited forfeiting a person's property unless the
25 owner was convicted or enter a guilty plea. The marijuana

1 laws changed in Michigan, made it legal to possess no
2 more than 2.5 ounces in public, 10 ounces, or 12 plants
3 in your home. And then once again, in November 2020 the
4 Wayne County Drag Racing Ordinance was amended to include
5 drifting. Next slide, please.

6 SERGEANT BROWN: The forfeiture stats I included
7 three years on these stats because we are still in our
8 current fiscal year. And in fiscal years, 2018 and 19, we
9 seized a little over 1.6 million in currency, seized
10 1,059 vehicles, file 1,742 forfeiture petitions, and the
11 F case and DET that you see down there is just a
12 breakdown of that 1,742 cases. The F cases will be the
13 drug cases and the DET would be the nuisance abatement.
14 And in the fiscal year 2019 to 20, we seized almost
15 \$800,000 in currency, seized 372 vehicles, and file 658
16 forfeiture petitions. Next slide, please. Again, this is
17 our current fiscal year. So this goes from July
18 correction, yes, July 1, 2020, to current. So, far we
19 have seized 724,000 in currency, seized 301 vehicles,
20 file 768 forfeiture petitions. And again, that's the
21 breakdown. The F cases, drug cases, DET will be the
22 nuisance abatement. The 18 would be the omnibus again,
23 that's the statute where a lot of different crimes can
24 fall under and one OWI case. And that will complete my
25 presentation. If anyone has any questions feel free.

1 CHAIRPERSON BELL: Any questions for Sergeant Brown?

2 VICE-CHAIR HOLT: Commercial Bernard.

3 COMMISSIONER BERNARD: Thank you for your report. It
4 was an excellent report. Just a couple of really quick
5 questions. When you said in your initial remarks that
6 this process is not to be used for harassment. If people
7 have complaints about the forfeiture process, they would
8 bring that to our office, to the OCI, or to you?

9 SERGEANT BROWN: Well, no. The forfeiture process is
10 set in place by law. So we only go by what is legally
11 deemed for us to do.

12 COMMISSIONER BERNARD: As filing an impoundment?
13 Correct. You impound the vehicle, correct, at the scene
14 and then you start the forfeiture?

15 SERGEANT BROWN: Correct.

16 COMMISSIONER BERNARD: And finally, do you have any
17 houses or other property? I mean, I know you have a lot
18 of personal property jewelry, things like that, but do
19 you also forfeit houses?

20 SERGEANT BROWN: Houses? Yes, we do. We have been
21 working with the Wayne County Prosecutor's Office to go
22 after more real property because it has been so many drug
23 houses that have been hit time and time and time again,
24 and it's a real nuisance. So we've been working closely
25 with the Prosecutor's Office to move forward with some

1 real property cases.

2 COMMISSIONER BERNARD: Thank you.

3 CHAIRPERSON BELL: Thank you. Sergeant Brown,
4 outstanding.

5 SERGEANT BROWN: Thank you.

6 CHAIRPERSON BELL: We move on to the Interim Board
7 Secretary report, Ms. White.

8 MRS. WHITE: Chair, Honorable Board, if you could
9 please refer to the meeting agenda today for the incoming
10 correspondence and they are as follows. The weekly DPD
11 facial recognition technology report for the week of
12 April 12th, 2021 through April 18, 2021, Detroit alumni
13 chapter of Delta Sigma Theta Sorority Incorporated
14 submitted their flyer regarding the children's mental
15 health awareness for the date of April 28, 2001, from,
16 excuse me, 2021 from 7 to 9:00 pm. Also, the Board
17 received the Detroit news article entitled; Has Detroit
18 Controversial Project Greenlight Work Findings and Study
19 Offer Clues. And the date was for April 18, 2021.

20 MRS. WHITE: The Board received chief James E. Craig
21 letter of recommendation to promote police officer
22 Bashawn Gaines to the rank of Sergeant also the National
23 Prescription Drug take-back day 2021 flyer is included in
24 this week's packet for the date of April 24th from 10:00
25 am until 1:00 pm at the 2nd Precinct memorandum on behalf

1 of MARS and the request for oral testimony dated April
2 20, 2021. Also, the Board received a letter from the law
3 offices of Jerome and McLean on behalf of the Detroit
4 Towers Association dated April 21. Also, correspondence
5 from the City Law Department regarding the recommendation
6 concerning the MARS Tow Company and the Honorable Board
7 also received written correspondence from Director
8 Katrina. Patillo from the DPD HR Bureau regarding written
9 responses and responses to the Board's questions posed
10 during the human resources presentation and the Honorable
11 Board. We see various other staff reports for your
12 consideration, and that concludes this week's incoming
13 correspondence. Thank you.

14 CHAIRPERSON BELL: Thank you, Ms. White.

15 VICE-CHAIR HOLT: Mr. Chair.

16 CHAIRPERSON BELL: Yes ma'am. Could you pause for a
17 second? I'm going to ask the Board to modify the agenda
18 for the Chief Craig letter, speaking to the promotion of
19 Officer Bashawn Gaines to the rank of Sergeant, a person
20 that you all know but the letter dropped out. That person
21 has been added to the class, and that class is crucial to
22 processing to the rank of Sergeant. So Vice-Chair Holt,
23 now you can entertain.

24 VICE-CHAIR HOLT: Thank you Chair Bell. Yes, I move
25 to approve.

1 COMMISSIONER BURCH: Excuse me. Mr. Bell, Pastor
2 Holley had his hand up.

3 CHAIRPERSON BELL: Okay. You have a question for
4 Sergeant Brown?

5 COMMISSIONER HOLLEY: No, sir Mr. Chairman. There was
6 a mistake in the report for Ms. White. She's using word
7 tours other than towers. Okay.

8 CHAIRPERSON BELL: Okay. Thank you. Vice-Chair Holt.

9 VICE-CHAIR HOLT: Thank you. Again, I move to approve
10 Chief Craig's recommendation to promote to the rank of
11 Sergeant Police Officer Bashawn Gaines.

12 COMMISSIONER HOLLEY: Second.

13 CHAIRPERSON BELL: It has been properly moved and
14 second. Discussion.

15 COMMISSIONER BERNARD: Madam Vice-Chair, would you be
16 willing to entertain a friendly amendment to add to your
17 motion, to put that on the agenda that we postpone to
18 next week the personnel item, since the Chief's report
19 was about an hour, and this meeting is going to last a
20 lot longer than usual.

21 CHAIRPERSON BELL: Could you elaborate; what are you
22 saying?

23 COMMISSIONER BERNARD: Oh, you had mentioned Mr.
24 Chairman, when you initially opened the meeting that we
25 were going to have an executive session today, and you

1 also stated you want to leave the meeting to two hours. I
2 was six simply suggesting that maybe we would move the
3 executive session to next week because it's because
4 you're already at almost two hours and we're not there
5 yet.

6 CHAIRPERSON BELL: Well, let us pause on that, and
7 let's move on to the promotion of the Sergeant.

8 COMMISSIONER BERNARD: Well, I said that but it's not
9 that. I don't have any problem with promoting the
10 Sergeant. I mean, I agree with that, Mr. Chairman, I'm
11 saying amending the agenda. I'm saying why don't you
12 amend the agenda for both reasons?

13 CHAIRPERSON BELL: I'm not ready at this time because
14 we have people prepared to come before us on that
15 session. So I don't want to postpone that. The motion's
16 on the floor, the motion of rank of Sergeant. Any
17 discussion?

18 COMMISSIONER BROWN: So moved.

19 CHAIRPERSON BELL: It's been properly moved and
20 supported. Those in favor, Aye.

21 ALL: Aye.

22 CHAIRPERSON BELL: The motion carries. Thank you,
23 Vice-Chair Holt. We move on to any unfinished business
24 Michigan Auto Recovery, sir. Is that Ms. White?

25 MRS. WHITE: Yes, sir. To the Chair. Captain Michael

1 Parish will be presenting the Department's position and
2 recommendation on that item. Also, attorney Jermaine
3 Wyrick is present to represent his client the Michigan
4 Auto Recovery Services and Assistant Corporation Counsel,
5 Ericka Savage Whitley is also present from the Law
6 Department and has also provided her legal opinion to the
7 Honorable Board for your consideration.

8 CHAIRPERSON BELL: Yes ma'am. Thank you.

9 MRS. WHITE: Captain Parish, to the Chair, I believe
10 you are muted.

11 CAPTAIN PARISH: Can everyone hear me?

12 VICE-CHAIR HOLT: Yes, sir.

13 CAPTAIN PARISH: I thank you. Through the Chair,
14 thanks for having me back just moments later from the
15 forfeiture presentation to discuss this important matter.
16 As the Board is well aware the department filed a very
17 extensive referral investigation that contains 4 grounds
18 for termination against Michigan Auto Recovery, the tower
19 ad issue. I'm not going to reiterate the investigation in
20 its entirety. I'm going to go through the charges that we
21 believe are points of referral to this Board are grounds
22 for termination and just highlight the most key elements
23 associated with those points of referral. The first point
24 of referral and ground for termination is that MARS had
25 towed vehicles without authorization from the DPD's

1 Dispatch Center. Let me just talk about why this is
2 important for a moment.

3 CAPTAIN PARISH: Okay. The Board passed rules in
4 2010. One of those rules was that vehicles would not be
5 towed by private towers unless those towers were properly
6 filtered through the authorized tow rotation. And that
7 was also to prevent officers from calling their friends
8 to tow vehicles for them. Towing opportunities were to be
9 equitably distributed amongst private towers. So the
10 Board created a rule to ensure that that happened in that
11 rule is simply this no vehicle shall be towed without
12 authorization from the Detroit Police Departments
13 Dispatch Center. They are the keepers of the towing
14 rotation. In 2019, the DPD received information
15 suggesting that an officer assigned to the 6th Precinct
16 was contacting tow companies directly for tows. The two
17 tow companies were V&F, which this Board already issued a
18 decision on back in 2020 and the other tow company was
19 MARS. The Board will recall that V&F received a 45 day
20 suspension for its violations. Following receipt of the
21 information, the DPD commenced as required an
22 investigation into the activities of the towing company.

23 CAPTAIN PARISH: This involved an investigation of
24 the officer by personnel assigned to Internal Affairs.
25 Officer Tonti was interviewed. He was the Officer that

1 was reaching out directly to the tow companies. The
2 officer came clean, he specifically stated, made it very
3 clear that he was contacting the tow companies directly.
4 He was friends with the owners of the tow company,
5 including the owner of MARS. You would call them directly
6 for tows. And he had a relationship with them that
7 spanned for quite a while. Okay. Officer Tonti was later
8 issued a suspension for his role in these violations. The
9 suspension was a three-day suspension and that was in
10 part due to the fact that the officer came clean was
11 honest from the get-go. As part of the investigation, the
12 owner of MARS, Mr. Gregory Rdio was called in for an
13 interview. And to be honest, I thought during the course
14 of the interview, that MARS would simply state that it
15 made a mistake, acknowledged that it made a mistake, and
16 this referral would have looked much different.

17 CAPTAIN PARISH: That is not the case. MARS denied
18 any knowledge that it was receiving calls directly from
19 officer Tonti, despite the fact that there was an
20 incredible amount of evidence to that fact. So this was
21 somewhat shocking, but it was revealing. In the OIGs
22 because as I stated to the Board in a prior referral,
23 when a tow company is being investigated by the DPD, we
24 also turn over investigative material to the OIG because
25 the tow companies that tow for us may also tow for other

1 entities [01:34:36 inaudible] over those forms and
2 independent finding the OIG noted that MARS contradicted
3 itself, contradicted it's statements that it had given
4 the DPD and found that the inconsistent statements were
5 made to hide the tow company's involvement in these
6 activities. The second ground for termination is the
7 improperly assessed rates. One of the deepest concerns of
8 towing.

9 CAPTAIN PARISH: And again, this is just by way of
10 background, why we think this is important, why the
11 referral to the Board. One of the deepest concerns is to
12 make sure that when people do have to go and get their
13 vehicles or their insurance companies have to go and get
14 their vehicles that the towing charges itself are fair.
15 And in fact, represent services that were in fact
16 rendered. There were several incidents that gave rise to
17 adding this to the referral. The first incident involved
18 a rental company that attempted to pick up a car from
19 MARS. We have the recording of the telephone call that
20 was provided by the rental company. We know exactly what
21 happened. Okay. The rental company called to get the
22 rates that it would need to pay in order to pick up the
23 vehicle. And a representative from MARS, not only charged
24 the authorized rates but added fees that were a
25 prerequisite to be a rental company, picking up the

1 vehicle.

2 CAPTAIN PARISH: In other words, not only had to pay
3 the standard fees, the authorized rates, but it also had
4 to pay fees that MARS unilaterally imposed. This is a
5 clear violation of the rules, my office intervened. And
6 we were able to get that situation corrected. MARS
7 attributed the issue to employee error, but what the
8 owner of MARS didn't realize was that we had already
9 talked to the employee and the employee had told us that
10 the order to add the additional unauthorized fees had
11 come from Mr. Rdio, the owner of MARS. DPD responded by
12 conducting an audit of invoices to see if there were any
13 similar situations. We found at least several that had
14 charges that appeared to be out of the ordinary. A deeper
15 look into those invoices revealed that there were charges
16 on the invoices reflecting services that, in fact, had
17 not been rendered.

18 CAPTAIN PARISH: For example, we have a situation
19 involving a young lady. I won't quote her name out on the
20 record. It is contained in the referrals, so the Board
21 can review it at its leisure. We had a young lady whose
22 vehicle was impounded and on the invoice attached to that
23 vehicle, there was a quote personal belongings fee. Now,
24 this fee was added, the assumption being that this person
25 had the ability to go and get their personal belongings

1 from the vehicle. That was why the fee was added. So that
2 activity should have in fact taken place. But when we
3 talked to the lady, she made it clear that she, in fact,
4 had never gone to the tow company to pick up the personal
5 belongings. And there were several instances that
6 involved unusual assessment of charges, such as the one I
7 just stated. And those are contained in the referral,
8 which the Board may review at its leisure. The third
9 ground for termination is MARS' use of unapproved
10 subcontractors to carry out, work for the DPD. Again, by
11 way of background. Let me say why this is important. The
12 Board issued permits to specific towers to perform
13 services on behalf of the DPD. It did not issue permits
14 for other towers to perform towing and recovery services
15 on behalf of the DPD. A provision of the towing permit, a
16 term, and condition of the towing permit, which was
17 established in the application packet, published by the
18 department when the permits were the first issue made it
19 very clear. And Mr. Rudio signed off acknowledging that
20 any subcontracting relationship had to be approved by the
21 Detroit Police Department in order for that
22 subcontracting agreement to be lawful. Again, why is this
23 important?

24

25 CAPTAIN PARISH: Because we want to know who is going

1 to be towing vehicles for the Detroit Police Department.
2 We want to make sure that is not a tower in disrepute. We
3 want to make sure it's not a tower that was debarred from
4 performing services for the city, by the Office of the
5 Inspector General. And we assuredly want to make sure
6 that it was not a tow company that this Board said could
7 not tow any longer. We also need to know who was towing
8 the vehicles because of the towers that tow vehicles for
9 the DPD in part, represent the DPD. We want to know in
10 advance, who we're employing to perform these services.
11 That's why it's important. And that's why the rule was
12 created. In October 2019, evidence surfaced that MARS had
13 utilized the subcontractor Shatila Towing to perform DVD
14 towing services. When we found this out, we issued a
15 warning letter. We warned MARS. This is a violation, you
16 cannot do this. Not only that, but the DPD invited MARS
17 to submit a subcontracting agreement. Subcontracting is
18 not prohibited. We just need to know about it, and we
19 have to approve it. We have to vet the tower that you
20 intend on hiring to perform services.

21 CAPTAIN PARISH: We never received a subcontracting
22 agreement, at least not at that time, and we assumed that
23 MARS had just decided not to subcontract. Two months
24 later, MARS was dispatched to 15777 Dolphin Street to
25 provide towing and recovering services. This was on the

1 midnight shift. The scout observed Four Kings towing,
2 respond to the scene, and provide the requested services.
3 Four Kings Towing was not an authorized tower and we had
4 no subcontracting agreement on file authorizing MARS to
5 use Four Kings Towing to perform towing and recovery
6 services. This was an unauthorized use of a subcontractor
7 despite the fact that just a couple of months earlier,
8 the DPD warn MARS don't do this and gave MARS an
9 opportunity to get a subcontracting agreement on file.

10 CAPTAIN PARISH: Several months later, it was also
11 discovered that Goch & Son's Towing had towed the DPD
12 vehicle on behalf of MARS. Goch & Son's is not an
13 authorized tower, and there was no subcontracting
14 agreement on file authorizing MARS to utilize Goch & Sons
15 to tow vehicles. The detective involved in the case,
16 Detective Katherine Gilman contacted MARS and infer
17 matter order the company to stop using unauthorized
18 subcontractors. You assume MARS would in fact simply
19 acknowledge the fact that it did and apologize, but in
20 fact, MARS had claimed that it was not using
21 subcontractors. That was its response. This was very
22 concerning. Now, at the same time MARS was saying it
23 doesn't use subcontractors there's an email to a
24 subcontracting agreement that was dated months earlier.
25 So that is very critical evidence to let us know that

1 MARS had been using subcontract agreements on
2 unauthorized, despite the fact that the DPD had warned it
3 not to do this. The OIG conducted an independent
4 investigation of this and the OIG confirmed that MARS had
5 been using subcontractors without proper authorization.
6 According to its report, and this is a quote MARS
7 repeatedly violated the terms and conditions of its tow
8 permits and in doing so, it noted that MARS had provided
9 false statements to the OIG.

10 CAPTAIN PARISH: The final ground for termination is
11 the fact that throughout the investigation, MARS was not
12 being forthright, it was not being honest. Two
13 departments noted false and consistent at the very least
14 misleading statements issued to the respective
15 departments, the DPD and the OIG. So to emphasize MARS
16 was investigated by two departments. The findings of the
17 two departments were substantially similar and only - I'm
18 sorry, excuse me. The two findings were substantially
19 similar and both recommended discipline. In DPDs case
20 referral to the Detroit Board of Police Commissioners.
21 The penalty. DPD believes that these grounds constitute
22 grounds for termination. First, the offenses are serious
23 and they took place over a long period of time. Moreover,
24 the activities had a direct connection to the owner of
25 the company and not merely an employee. The owner was

1 involved in these activities and that's important because
2 the owner above all, it's expected to know the rules and
3 procedures of the DPD, and it's supposed to have the
4 highest interest in respecting those rules as issued by
5 the Board.

6 CAPTAIN PARISH: Moreover and perhaps the most
7 important is MARS' failure to be honest and forthright
8 during the course of an investigation, I read Mr.
9 Wyrick's brief, and he noted that Officer Tonti only
10 served a three-day suspension and that should have a
11 bearing but the reason why Officer Tonti only got a
12 three-day suspension was because he came clean from the
13 very beginning, which limited the amount of charges that
14 could be levied against them. MARS did not. Both the DPD
15 report and the OIG report noted MARS' lack of candor
16 during the investigation MARS did much worse also than
17 V&F. The Board will remember being, I've got a 45-day
18 suspension if that case did not involve false statements.
19 There was a point where V&F refused to answer questions.
20 They didn't provide false statements during the
21 interview, at least those weren't cited as points of
22 referral. What MARS did was worse, they issued false
23 misleading, contradictory statements. This would not be
24 tolerated by an officer, the DPD, nor should it be
25 tolerated by a contractor, working for the DPD. Based on

1 this, I'm asking the Board to resolve today to terminate
2 MARS permit, to tow for the Detroit Police Department
3 subject, any rebuttal comments that I may feel are
4 appropriate at this point, our Department rests its case.

5 CHAIRPERSON BELL: Thank you.

6 VICE-CHAIR HOLT: Attorney Wyrick has his virtual
7 hand raised.

8 CHAIRPERSON BELL: Pause for a minute. Ms. White, is
9 there any other reporting out before we entertain
10 concerns or the attorney?

11 MRS. WHITE: Also Assistant Corporation Counsel
12 Whitley is on the line through the Chair. So excuse me,
13 attorney Wyrick and Ms. Whitley are still part of this
14 presentation or this report.

15 CHAIRPERSON BELL: We'll take Ms. Whitley's reporting
16 out before we go to the attorney.

17 MRS. WHITE: Yes, sir.

18 ASSISTANT CORPORATION COUNSEL WHITLEY: Good
19 afternoon to the Board. I didn't actually have the
20 reports, forgive me. I have a lot of them right here. I
21 was actually just listening to the presentation along
22 with the Board. I issued the [01:46:25 inaudible]
23 confidential correspondence to the Board after receiving
24 attorney Wyrick's memorandum. There was a recommendation
25 at the end of the memorandum. So therefore I'm just here

1 to provide any answers to questions as they come up
2 illegally. I do have some questions regarding the prayer
3 for relief from MARS at this time, and I expressed my
4 concern in the correspondence. So I will address any
5 questions as it relates to the legality of what the Board
6 does as they arise. But I would suggest we go forward
7 with Mr. Wyrick's presentation.

8 CHAIRPERSON BELL: Thank you. We'll hear from Mr.
9 Wyrick.

10 VICE-CHAIR HOLT: You're muted attorney Wyrick.

11 ATTORNEY WYRICK: Oh, thank you, Vice-Chair person
12 Holt for noting that. Good afternoon. May it please this
13 Honorable Board. I will speak to you all this evening
14 from basically two different themes here. No harm, no
15 foul, and quite frankly, the Department is making a
16 mountain out of a molehill here. There's a saying in life
17 that to err is to be human, we all make mistakes. MARS
18 has made some mistakes in the past, but to warrant
19 termination in this matter is tantamount to George Floyd
20 being killed for having a counterfeit bill. The
21 punishment does not fit the mistakes that MARS has made
22 in the past in terms of how they have run their business,
23 all of which has been rectified, corrected and are no
24 longer a problem whatsoever, as noted in my writing, and
25 most importantly, as noted in the Inspector General's

1 report. Very specifically, MARS has been towing honorably
2 in the City since 1983, as part of their honesty as part
3 of their efficiency as part of their effectiveness in
4 towing here they've received commendations from Detroit
5 City Council, from great individuals, like Mayor Coleman
6 Young and Rosa Parks, because they tow honorably, and
7 honestly, not dishonestly, as previously stated. I also
8 want it to be noted as well, this is not a case in which
9 MARS has been accused of any fraud or any criminal
10 conduct whatsoever, which would automatically warrant
11 termination. This is a case whereby, as I said, they made
12 a few mistakes that they have corrected. And very
13 specifically, I would note that when Captain Parish
14 references this relationship between officer Tonti and
15 MARS Towing very specifically, and I've noticed in
16 Provision 13 page 3 of my response. Officer Tonti stated,
17 and I quote this, his motive for contacting them- about
18 them, he means my client MARS directly was limited to the
19 company's quick response time. He went on to say that if
20 he notified dispatch - this is Officer Tonti, it would
21 take about an hour and a half usually, or two for a tow.

22 ATTORNEY WYRICK: It took over an hour for a tow to
23 arrive. So our company was contacted by Tonti, not
24 because of a friendship, there's no indica here of a
25 bribe or any graft or corruption or anything of this

1 nature. They were contacted because they do the job
2 quickly and effectively consistent with even the Detroit
3 City Ordinance on this, which calls for functional
4 operational streets that are safe for all the citizens of
5 Detroit. That's why they were caught not based upon any
6 friendship or relationship. And part of the reason
7 Officer Tonti didn't receive an excessive fine or
8 punishment as some in the past have [01:50:18 inaudible]
9 matters including within the Detroit Police Department is
10 because there was no indication of a bribe whatsoever. I
11 would also note that one of the things, interestingly,
12 the Captain Parish mentioned and wants this Board to
13 penalize MARS for is based upon a BOPC Resolution.

14 ATTORNEY WYRICK: He mentioned the fact that my
15 client MARS had charged the citizen for retrieving
16 personal belongings. That's true. But what he didn't tell
17 you about that is that the reason that my client charged
18 an individual for personal belongings is based upon a
19 BOPC Resolution that actually authorized that back in
20 2013. And I referenced that in page 5, paragraph 27 of my
21 writing, and based upon that Resolution that was passed,
22 my client was then misinformed by a member of the CCR
23 Unit, Ms. Bridgette Gray, that he could charge \$75 for
24 personal belongings. It took that situation that'd be
25 sorted out beyond my client's control for him to rectify

1 that. So he shouldn't be penalized for something that he
2 was told to do that was actually a mistake within the
3 TCRU based upon the BOPC Resolution. Also notably, one of
4 the things that Captain Parish did mention was very much
5 in favor of my client, I would say that there are two
6 things here from OIG and I listed this in paragraph 28 on
7 page 5, the OIG, the Office of Inspector General found
8 that all, and I emphasize, I'm going to say this very
9 slowly.

10 ATTORNEY WYRICK: If you're not reading it, and I
11 hope you are. All non-authorized fees were for private
12 toll services distinct from the DPD tows and not charged
13 in an effort to inflate the DPD tow fees. That's
14 favorable for the Inspector General on my client's
15 behalf, moreover, on paragraph 29, the very next
16 paragraph, same page, page 5. On September 4, 2020. This
17 was from the Office of Inspector General. MARS informed
18 the OIG of the specific policy changes it made to ensure
19 compliance with the ordinances and rules governing toll
20 rates. MARS now issues separate invoices for police
21 authorized tows and with implacable private towing and or
22 recovery transactions.

23 ATTORNEY WYRICK: I would also find very disturbing
24 and troubling and Captain Parish's contention that MARS
25 is just as bad, if not worse than V&F. That's not even

1 true. You have even in his memorandum undisputed and
2 uncontroverted that when Officer Tonti was calling from
3 the 6th Precinct violating the policy and dispatch in
4 each and every instance, and I even delineate them on
5 page 3, at the bottom of my brief on page 17, V&F got far
6 in excess of the number of tows that MARS got. It was at
7 least 3 times and each year delineated between 2017 and
8 2019. So the real favoritism here was not going to MARS.
9 The real favoritism was going to V&F.

10 ATTORNEY WYRICK: Our client in good faith realizes
11 the mistakes. They have been towing in this City for
12 almost 40 years now, and quite frankly, want to continue
13 to offer efficient and effective service in this regard
14 to rectify the situation. We did propose a solution. We
15 have not seen a copy of the Law Department
16 recommendation, so we can't speak to what we haven't
17 seen, even though that may be somewhat of a due process
18 violation as it relates to my client. But we would submit
19 that this Board issue a minor discipline for situations
20 that are now in the past. And we propose that a minor
21 discipline in your discretion, be it some type of
22 community service requirement where my client would be
23 willing to tow free for a specified period of time that
24 you all would come up with. And we also asked that my
25 client be fine in addition to that community service

1 requirement. Thank you for your time and your attention
2 this afternoon.

3 CHAIRPERSON BELL: Thank you, attorney Wyrick.
4 Commissioners.

5 CAPTAIN PARISH: I'm sorry. May I respond just
6 briefly?

7 CHAIRPERSON BELL: Yes, sir.

8 CAPTAIN PARISH: I think I have the final opportunity
9 to respond. First of all, I am taken aback by Mr.
10 Wyrick's attempt to compare this to the George Floyd
11 incident, which was a truly, truly tragic incident. And I
12 think the Board should admonish Mr. Wyrick for making any
13 attempt to draw a parallel between this and the George
14 Floyd incident, which, thank God we've received at least
15 some closure on. But that aside, first of all, Mr. Wyrick
16 stated that remarked that that Officer Tonti was only
17 contacting MARS and V&F because of their quick response
18 time. First of all, I think that there are about four
19 other towers on that rotation that would disagree that
20 their response time is that bad. I know that I would
21 disagree with it because I know those other towers and I
22 don't believe they're taking an hour an hour and a half
23 on one run's, save any very special or unique
24 circumstances.

25 CAPTAIN PARISH: And I'm sure that if they were on

1 the line, they would dispute the point that Officer Tonti
2 was trying to make. Bottom line, Officer Tonti identified
3 these people, his words as his friends. The Board will
4 need to decide how much credence it is to give. With
5 respect to the personal belongings Mr. Wyrick totally
6 dodged the point that I was making. The OIG found and the
7 Department's not going to dispute that at the time, it
8 was acceptable to charge a \$75 personal belongings fee,
9 but that's when the personal belongings are actually
10 picked up. The issue here is that we had a citizen who
11 never picked up her belongings, and yet the bill recorded
12 a \$75 personal belonging fee. So it wasn't the fee on its
13 face, it was the fact that the fee represented a service
14 that was in fact never performed. And that was something
15 that was not addressed by the OIG in its report. We're
16 not exonerating MARS, it was an area that they didn't
17 address. And it was something that the department
18 addressed and that's when it found additional evidence of
19 it. Okay. With respect to the specific policy changes
20 that were enacted by MARS, these were policies that
21 should have been in place in due recognition of the
22 Board's rules from the very get-go. Okay. And again, if
23 MARS had come to its interview, had come clean, the
24 referral would probably have been drafted much
25 differently, and we would have a much different case

1 before the Board, but both the OIG and the DPD noted
2 false misleading or at least inconsistent statements on
3 the part of MARS. The OIG issued a scathing report. Mr.
4 Wyrick highlighted only parts of the report that
5 benefited MARS. I would encourage the Board to review the
6 OIGs report in its totality, even the OIG recommended
7 discipline and stated that MARS had issued false
8 statements. That's all I have in rebuttal.

9 CHAIRPERSON BELL: Thank you, Captain. We are going
10 to close this out. We have confidential information from
11 Corporation Counsel Whitley on this matter, so the floor
12 is open to entertaining a motion.

13 VICE-CHAIR HOLT: Through the Chair.

14 CHAIRPERSON BELL: Oh, yes, ma'am. Hold on. I think
15 Commissioner Holley had a question first.

16 VICE-CHAIR HOLT: Alright, I'm sorry. Yes, Chair
17 Bell. His hand has been raised a long time.

18 CHAIRPERSON BELL: Thank you.

19 COMMISSIONER HOLLEY: Mr. Chairman, is it okay for me
20 to ask a question to the attorney?

21 CHAIRPERSON BELL: Yes, sir.

22 COMMISSIONER HOLLEY: Mr. Wyrick, are you saying to
23 us that Captain Parish, all seven things he's saying are
24 lies?

25 ATTORNEY WYRICK: No, I mean, respectfully, you know,

1 as an attorney and I believe Captain Parish is one at
2 this point, we disagree on the facts. I'm not the type of
3 person that calls people chronicle liars.

4 COMMISSIONER HOLLEY: I'm sorry. Maybe I use the
5 wrong word. I know you've got to explain things, but are
6 you saying these are accusations are not true?

7 ATTORNEY WYRICK: The way I would characterize it,
8 Commissioner Reverend is, I would say that certainly
9 there are disputed facts here. And the facts that we
10 delineate in our favor are controverted facts. The fact
11 of the matter is V&F for example received three times the
12 number of tows that MARS has. I don't think Captain
13 Parish disagrees with me on that.

14 COMMISSIONER HOLLEY: Thank you, sir. Thank you, Mr.
15 Chairman.

16 VICE-CHAIR HOLT: Through the Chair. Commissioner
17 Bernard.

18 COMMISSIONER BERNARD: My colleagues on the Board, I
19 would recommend that we support attorney Wyrick in terms
20 of his recommendations concerning this. And I'll tell you
21 why. Number one, and with all due respect, Captain
22 Parish. You're a hard worker. I knew you when I worked
23 with the Board and we met when you were in law school.
24 But you have attempted now more recently to dispossess
25 the Board of all of its authority regarding towing. In

1 terms of the new RFP that you have worked with the
2 Department of Procurement concerning and trying to take
3 the Board out of the process. I can't support your
4 recommendation on this - yes you are, and any other
5 recommendation, because I read, so yes, any other
6 recommendations. Secondly, the fact that Mayor Young had
7 endorsed this tower and Rosa Parks is enough for me,
8 right there. And thirdly, I'm opposed to you imposing or
9 had there been an imposition of a 45-day fee, I mean,
10 excuse me, a period during which he would be suspended so
11 that he could not respond to the RFP that you've
12 initiated, which incidentally, I think should be
13 suspended and extended. I think all the permits should be
14 for six months and the RFP put on hold until the Board
15 can address this issue systemically.

16 COMMISSIONER BERNARD: Because your position here has
17 totally compromised the Board of Police Commissioners and
18 all you have to do is read the RFP and this, your
19 recommendation, even here takes this tower out of the
20 rotation. These are minuscule things. This is nitpicking,
21 it wasn't a fraud. It wasn't illegal. It wasn't immoral.
22 It wasn't fattening. So I mean, he made some mistakes.
23 He's corrected those mistakes on the record. He's
24 corrected those mistakes. So I cannot support your
25 recommendation that this tower be - if you are barred

1 from continuing in our toll rotation after 40 years.

2 VICE-CHAIR HOLT: Through the Chair, Commissioner
3 Brown hand is raised, and then Commission Burch.

4 CHAIRPERSON BELL: We're going to take the motion,
5 please go ahead, then we're going to entertain
6 discussion.

7 VICE-CHAIR HOLT: I move that we accept attorney
8 Ericka Savage Whitley's recommendation that MARS be
9 suspended for the remainder of the term of its tow
10 permit, which is 39 days.

11 COMMISSIONER BERNARD: That eliminates him from being
12 able to tow for 5 years. That eliminates him permanently
13 from our rotation until 2026. So that's why I can't
14 support that recommendation.

15 COMMISSIONER BURCH: We cannot speak anymore, we
16 cannot speak about it.

17 CHAIRPERSON BELL: I'm sorry. Commercial Holt, finish
18 your statement and then I'll go to -

19 VICE-CHAIR HOLT: I don't recall receiving a second.
20 I don't, I don't know.

21 COMMISSIONER BURCH. You didn't get a second. You did
22 not.

23 VICE-CHAIR HOLT: Okay.

24 CHAIRPERSON BELL: Okay. Commissioner Burch.

25 COMMISSIONER BURCH: I just like to say that this

1 company has been in existence. I think - what that they
2 say, 38 years. The part that I appreciate that the way to
3 punish them, I think would be community service. Mr.
4 Wyrick did say they wouldn't be willing to do that. Am I
5 right? Is that what you said, Mr. Wyrick that we could
6 give him community service?

7 ATTORNEY WYRICK: Yes, Commissioner Burch, and not
8 only that. We would leave it to this Honorable Board's
9 discretion in terms of the amount of community service
10 and amount of a fine.

11 COMMISSIONER BURCH: Thank you.

12 ASSISTANT CORPORATE COUNSEL WHITLEY: Through the
13 Chair.

14 CHAIRPERSON BELL: Yes, ma'am.

15 ASSISTANT CORPORATE COUNSEL WHITLEY: So I just
16 wanted to clarify a couple of things. So, first and
17 foremost, this isn't like a court. So it's the Tow rules
18 are governing the proceedings today and the Tow rules
19 give the Board's discretion for the tow permits and
20 disciplining the companies regarding the tow permits.
21 There are two different areas where it says the Board can
22 have a hearing and there is one for the breach of the tow
23 permit. And then the second one that's been referenced as
24 it relates to fraud and criminal conduct. So I don't
25 believe that there have been any allegations of criminal

1 conduct. However, there may be, you know, there are a
2 couple of allegations of dishonesty, misleading
3 statements. I'm not certain if we want to get into the
4 areas of fraud, but that's a matter of the police. So
5 then if we take that one out of contention, we get into
6 the other cause for hearing, which is a breach of the
7 terms of the tow permit, which gives this Board an
8 opportunity to have a hearing and to see whether there
9 should be any full termination or any suspension or any
10 shorter term.

11 ASSISTANT CORPORATE COUNSEL WHITLEY: So I just want
12 to make it clear that there is no legal authority
13 whatsoever to give fines or community service as in a
14 court hearing. That's not imposed on any of the rules,
15 laws, or regulations of the Board. So that was my only
16 issue when reading it. I noted that to the Board. There
17 are no alternative sanctions. The Board's purview was
18 pretty black and white. So the Board can affirm what the
19 DPD is recommending they can rescind what the DPD is
20 recommending, or they can provide a suspension time.

21 CHAIRPERSON BELL: Thank you for that clarity.

22 VICE-CHAIR HOLT: Chair Bell, we still have
23 Commissioners that are asking to speak on this matter.
24 Commissioner Brown, Commissioner Davis and Commissioner
25 Jones.

1 CHAIRPERSON BELL: Go ahead.

2 COMMISSIONER BROWN: Thank you. Vice-Chair, Holt. I,
3 like my colleague, attorney Wyrick was very disappointed
4 to hear you compare the issue with George Floyd to this
5 towing incident. That was a very poor choice of words and
6 comparison situations. But along with my colleague,
7 Captain Parish, I did read all the information and I
8 believe she is correct and on point and there are
9 discussions that we need to have about everything. I
10 think the guidelines and what you're proposing are just a
11 little too strict. And I believe that the recommendation
12 of attorney Wyrick needs to be looked at. And that's all
13 I have to say.

14 CHAIRPERSON BELL: Thank you.

15 COMMISSIONER DAVIS: Well, Corporation Counsel, she
16 basically asked what I was going to ask. I would think
17 perhaps we should propose a very limited suspension maybe
18 three days. That's my comment.

19 CHAIRPERSON BELL: Thank you.

20 VICE-CHAIR HOLT: Commissioner Jones and, and I saw
21 Commissioner Burton. Commissioner Jones.

22 COMMISSIONER JONES: Thank you. Through the Chair, I
23 too was rather disappointed that it had been an issue
24 like the George Floyd case would find its way on the
25 table on this Board being used by a former attorney of

1 the Board to try to justify his findings for a company
2 that he's working for. I was really disappointed to hear
3 that. I think they're reaching back also to bring up
4 Coleman Young and to bring up Rosa Parks was improper as
5 well. I did not find that favorable at all. I took notes
6 on all of the violations that Captain Michael Parish had
7 delineated in his presentation to the Board, whatever,
8 and I would go with the findings of DPD as far as what
9 they seek as an alternative; nor have I heard anybody
10 offer what their punishment should be, as opposed to what
11 the punishment would be from this Board or from DPD. I
12 found that to be rather kind of bizarre myself also. So I
13 would go with the recommendation from DPD about
14 terminating the contract.

15 VICE-CHAIR HOLT: Commissioner Burton.

16 COMMISSIONER BURTON: Yes, madam Chair. I call to
17 table this until next week to the next meeting.

18 CHAIRPERSON BELL: Commissioners, there is no second,
19 so the motion is not on the table. What I'm going to do
20 is for the sake of time and clarity, we would post this
21 and take it away next week. So we're going to move on.
22 Thank you.

23 VICE-CHAIR HOLT: Thank you Chair Bell.

24 CHAIRPERSON BELL: Thank you, Vice-Chair Holt.

25 COMMISSIONER BERNARD: Thank you Mr. Chair.

1 CHAIRPERSON BELL: Any new business?

2 COMMISSIONER HOLLEY: Can I go to the bathroom?

3 COMMISSIONER BURCH: Yes. That's an announcement. You
4 said, announcement.

5 CHAIRPERSON BELL: Announcement, and then we're going
6 to take a break. Hold on a second. Announcement.

7 COMMISSIONER BURTON: Mr. Chair.

8 COMMISSIONER BURCH: Okay. It's okay to speak?

9 COMMISSIONER BURTON: Mr. Chairman.

10 CHAIRPERSON BELL: Commissioner Burch, you've got the
11 floor. Announcement.

12 COMMISSIONER BURCH: Oh, okay.

13 VICE-CHAIR: Commissioner Burch, yes, Commissioner
14 Burch.

15 COMMISSIONER BURCH: Thank you, Ms. Annie. Thank you.
16 I just want to share this, and we do need a break, but
17 the good news is that I was awakened by construction
18 trucks at 8:00 am this morning, and they were installing
19 a new fire hydrant. We thank God, because all that time
20 that fire hydrant has been broken at the corner of
21 Dequindre and State Fair. I mean Dequindre and Lance. It
22 could have been a fire so that the fire trucks wouldn't
23 have anything to hook it to. Do you see what I'm saying?
24 So, because of Gary Brown's Office, we're painting all of
25 the fire hydrants for Motor City make-over. That means

1 that now Mr. Brown has to send a crew out to check the
2 fire hydrants before we can paint them. Okay. That's one
3 thing, and the other thing I wanted to say is that we
4 need to go back to just being neighbors, and what I mean
5 by that one person called me and said, Ms. Burch, do you
6 know anybody that would donate a wheelchair? I did -
7 maybe 10 people. I got back a wheelchair the same day.
8 That's what we used to do back in the day Commissioner
9 Bernard. You called your neighbor, if you needed
10 something, you got it. We had to go through all these
11 departments to get one thing done. When all we got to do
12 is call your neighbor. So I just want us to remember old
13 days are good days. I'm a person that believes in going
14 forward, but you cannot forget your past. I thank you,
15 Mr. Bell.

16 CHAIRPERSON BELL: Any other announcements?

17 COMMISSIONER BURTON: To the Chair.

18 VICE-CHAIR HOLT: Commissioner Burton.

19 CHAIRPERSON BELL: Yes, sir, go ahead.

20 COMMISSIONER BURTON: Thank you. Madam Chair. Mr.
21 Chairman, I want to put something out there for new
22 business. You did call for unfinished business, and we
23 were into a discussion and then you didn't call for new
24 business. And then one of our colleagues said, are you
25 going to call for any more new business or whatever? I

1 have something on the table. I like to put on there for
2 new business, Mr. Chairman.

3 CHAIRPERSON BELL: Well, I'm going to pause on that
4 because we need a break sir. We are going to take a 5-
5 minutes break.

6 COMMISSIONER BURTON: Mr. Chairman, I'm here on the
7 behalf of the residents.

8 CHAIRPERSON BELL: Sir, we are going to take a 5-
9 minutes break.

10 COMMISSIONER BURTON: You did not call new business.
11 But you did call for unfinished business and I have
12 something that I'd like to weigh in on the behalf of
13 Detroit residents.

14 CHAIRPERSON BELL: We are going to take a 5-minute
15 break.

16 COMMISSIONER BURTON: Are you denying our voices at
17 this time?

18 CHAIRPERSON BELL: Yes, sir. We're going to take a 5-
19 minute break. I'm denying it. We're going to take a five
20 break. We are taking a 5-minute break. What I'm going to
21 do is take a Chairman privilege. We're going to go to
22 those 19 people to give them an opportunity to speak
23 before we continue the rest of the agenda. The time now
24 is 5:30 and that's one of the biggest complaints. We go
25 on and on and they have an opportunity not to drop off

1 the call.

2 COMMISSIONER BROWN: Okay, Mr. Chairman.

3 COMMISSIONER BERNARD: Good idea. Mr. Chairman.

4 CHAIRPERSON BELL: Thank you, Commissioner Bernard. I
5 think it's only fair to give these people the opportunity
6 to speak.

7 COMMISSIONER DAVIS: Mr. Chair, I second your motion
8 to move to public comment.

9 CHAIRPERSON BELL: Thank you, sir. I appreciate that.

10 (SHORT RECESS WAS TAKEN)

11 MRS. WHITE: Excuse me, Mr. Chair. it appears that
12 all of the Commissioners are back. And also for your
13 information, Deputy Chief Mark Bliss will be representing
14 Chief Craig. Chief Craig had to leave the meeting.

15 COMMISSIONER HOLLEY: Oh, he did.

16 CHAIRPERSON BELL: Thank you. Mr. Brown?

17 MR. ROB BROWN: Yes, sir.

18 CHAIRPERSON BELL: We're prepared to do public
19 comments at this time.

20 MR. ROB BROWN: Yes, sir.

21 CHAIRPERSON BELL: Thank you.

22 MR. ROB BROWN: Mr. Chairman is currently 19
23 speakers. Your first three speakers would be District 4,
24 Community Advisor Council President Mr. Scotty Bowman,
25 followed by Ms. Bernie Smith followed by Minister Eric

1 Blunt.

2 CHAIRPERSON BELL: Thank you.

3 MR. ROB BROWN: Mr. Bowman.

4 MR. BOWMAN: Thank you. I was here when the meeting
5 started, but I was not acknowledged until now as the
6 District 4 Community Advisor Council Chairperson. This is
7 a slap in the face to the 20,357 District 4 residents who
8 elected me, onward. The DPD counter lawsuit has alleged
9 that protestors were part of a civil conspiracy and
10 should be held collectively liable for the alleged acts
11 of violence and vandalism committed by a few individuals.
12 Collective punishment is anathema to civil society. I
13 wouldn't paint all other police officers with the same
14 broad brush that I would use to characterize the likes of
15 Dwayne Jones or Derrick Chauvin. That would be unfair, a
16 few bad apples don't justify taking down the orchard.
17 Stop this bigoted profiling and shame on the DPD for
18 using our tax dollars to propagandize this meeting with a
19 movie, designed to push an anti-trans formation agenda.

20 MR. BOWMAN: We need to look to Minneapolis, as an
21 example of what accountability looks like. If they follow
22 Detroit's lead, they will give Chauvin probation and a
23 promotion. Thankfully, I don't think they will. We need
24 to hold officers accountable when they do wrong, and we
25 need to give those who are doing right, which is pretty

1 much everyone else. The big juicy rays we need to make
2 good on those pensions that were lost or those retirement
3 benefits that were lost in the bankruptcy deal. Okay. We
4 need to reward the good actors and we need to punish the
5 bad actors we needed the carrot and the stick. That is
6 the way that true accountability works, reward and
7 punishment. Recognition of good deeds, condemnation of
8 bad deeds. Thank you for your time.

9 MR. ROB BROWN: Ms. Bernie Smith.

10 MS. SMITH: Good evening. I'm not going to be long.
11 I'm just going to be very brief. I want to let you know
12 that what I feel about our Detroit police compared to
13 what happened recently and what we've all seen on the
14 news. I think we can say, God bless our Detroit police
15 because of the fact that they do know how to police us. I
16 don't find that there's too much of a dispute about them.
17 And I just want to let them know that I appreciate them.
18 And I want them to continue to do the things that they're
19 doing and respect the people in the way that they're
20 doing it. Why the police are not using this taser? I
21 cannot imagine. And it's sad. It's really sad, but we can
22 say hello, and God bless our police department here in
23 Detroit. And Chief, next time you come out in the air
24 with all that snow hanging down on your head, you better
25 put a hat on because I'm going to tell you when I see

1 you. Take care of everybody, I'm gone. Be safe. Bye.

2 MR. ROB BROWN: Minister Eric Blunt.

3 MINISTER BLUNT: Yes, can you hear me, Board?

4 COMMISSIONER HOLLEY: Yes, we can.

5 MINISTER BLUNT: Yes, this is Minister Eric Blunt.

6 Again, this week, this meeting's purpose is diabolically
7 intended to avoid police misconduct and today's video
8 from the Chief was another one-sided false narrative. As
9 it never came close to including police officer's
10 chokehold on Detroit Will Breathe Leader Ma'kia Wallace.
11 Again, if the countersuit against Detroit Will Breathe
12 case was thrown out by a federal judge as lacking
13 criminal evidence. Chief Craig, are you trying this case
14 in the court of public opinion? If so, this will not
15 work. In the case of Mr. Littleton, when black men do
16 comply, we are killed when we don't comply, we're killed.
17 So although it is always wrong to shoot at the police,
18 many can understand some of the possible thoughts that
19 may have been going through Mr. Littleton mind being in a
20 surprising situation.

21 MINISTER BLUNT: This case does reveal how body-worn
22 camera footage can be released within hours. So each
23 minute that goes by and Chief Craig does not release the
24 footage. The lack of trust of DPD in the community leads
25 everyone to assume that you are hiding and or editing the

1 video for your benefit. At the 2019 NICOLE'S conference
2 here in Detroit, we were taught how videos can be edited
3 by highly trained professionals to falsely present a
4 recorded situation. The session was entitled: Unmasking
5 the Truth Behind Video Driven Investigations. I yield my
6 time.

7 MR. ROB BROWN: Mr. Chair, your next three speakers
8 will be - I don't see, Miss Angela Hattaway, Yvonne Jones
9 followed by Ms. Lory Parks followed by Northend resident.

10 MR. ROB BROWN: Ms. Jones.

11 MS. JONES: Yes, I am really appall at this meeting.
12 The Board of Police Commissioner is supposed to be an
13 independent body to make sure that we have police
14 transparency and accountability. And yet it seems like it
15 is a dog and pony show for police Craig. I want to ask
16 this Board, did you investigate the killing of Hakim
17 Littleton; Did you investigate the police treatment of
18 the protestors this summer and the fact that they were
19 counter suing the protestors causing us more money to be
20 spent; Did this body investigate that? Until the two
21 young men who were killed this week, both had serious
22 mental health issues. Are you going to investigate those
23 killings? Because it seems to me that there are some
24 wrongdoing by the police, some missteps by the police. If
25 the police were called to the site for the man in the tub

1 with a knife, the first thing basic training would have
2 been to look for the weapon. So I just think that this
3 Board needs to review your mission. And I think we need
4 to call for Craig's resignation because he does not know
5 what the people need or want. And I think we need to look
6 into defunding the police.

7 MR. ROB BROWN: Ms. Lori Parks.

8 MS. PARKS: Thank you. Listen. I don't know, but we
9 have asked several times for the Board of Police
10 Commissioners to give us their duties, what they are
11 supposed to be doing, not on a slide show, not on any - I
12 need to hear from each and every one of the Board of
13 Police Commissioners, what their duties are on the police
14 commissioner. Also, I would like to know from Chief
15 Craig, have any of those officers had mental first aid
16 training, also a social diversity training and Chief, you
17 may have been the first one to say that the George Floyd
18 homicide was a homicide, but here in the City of Detroit,
19 we know that you are now trying to sue the Black Lives
20 Matter protestors for exercising their right to protest
21 because of the George Floyd killing. Also, I think that
22 Chief Craig asked for representative Maxine Waters,
23 resignation. What we need to do here with that statement
24 is you need to examine why what (Audio distortion)
25 through the Chairperson, Maxine Waters, for our

1 demolition funds that we got. That's the committee that
2 she sits on. So when you ask for her resignation, you're
3 asking her to take money away from the City of Detroit.
4 So I thank you for taking my call.

5 MR. ROB BROWN: North end.

6 NORTH END: Can you hear me?

7 MR. ROB BROWN: Yes.

8 NORTH END: Okay. Great. Thank you. Well, so I wish I
9 had to hear a vigorous debate about the promotion of the
10 officer who beat the lady at the hospital. Anyway, I
11 support what was discussed of working with Commissioner
12 Burton and talking about mental health and the police
13 force. That's great. But I do want to say I'm
14 disappointed that the police apparently was working with
15 the Detroit Wayne Integrated Health Network and probably
16 the city to put a crisis center in my neighborhood. And
17 people are not opposed necessarily to having a crisis
18 center, but the location is the issue. It was the
19 library. And I think if we have libraries everywhere and
20 lots of things for the children and really invest in
21 them, it'll be the teacher's jobs, and the police
22 officer's job should be easier. I'm concerned because
23 people that were students, when I taught in a public
24 school in the mid-nineties, they're adults now. And now
25 I'm concerned because they didn't even have a playground

1 at their school. So our neglect, our not having things to
2 fulfill their lives, to make them enriching. It's coming
3 back to haunt us, people litter. Anyway, so we need to
4 get back to investing in people and do things like that
5 and please move out of eventually out of the crisis
6 center, let it become a library in the North end. Thank
7 you.

8 MR. ROB BROWN: Mr. Chair, your next three speakers
9 would be Over with, followed by a caller with the last
10 three numbers, 534, and a caller with the last three
11 numbers are 915. Over with.

12 OVERALL: Can you hear me?

13 MR. ROB BROWN: Yes, sir.

14 OVERALL: Am I coming in clear?

15 MR. ROB BROWN: Yes.

16 OVERALL: Okay. We've been listening to all this
17 nonsense all these days going back and forth.

18 PLAYED RECORDING

19 I see Chief Craig he's not going to hear this but
20 everybody on the Board needs to hear this and listen to
21 it carefully. Why, a reason, a real good reason is what
22 I'm looking for. A truthful answer. It's against the city
23 charter to not accept the complaint from the citizen when
24 they got a legitimate complaint to file. Now, this is
25 Lawrence Akbar with his BS and you all don't know

1 anything None of you Board members don't know nothing but
2 Willie Bell, Melanie White, Jonya Underwood, Tiffany
3 Stewart. They got us all in the dark, all of them. You
4 need to round them and get rid of all of them. You all
5 ain't been heard nothing about none of this. And I sent
6 you all, all kinds of emails recounting the whole
7 situation. Check it right now before you all get off the
8 call. Don't adjourn the meeting, talk about this. Willie
9 Bell, where your answer Lawrence Akbar? Melanie White.

10 MR. ROB BROWN: Caller with the last three numbers,
11 534. Caller with the last three numbers 534. Mr. Chair, I
12 go to, I don't see caller 915. Your next speaker would be
13 three speakers. Jimmy Ratliff followed by Kenya followed
14 by my phone. Mr. Ratliff, Mr. Ratliff. I go to Kenya
15 next. Mr. Chair. Kenya.

16 KENYA: Hello. Hi.

17 MR. ROB BROWN: First, I would like to start by
18 saying the video that was played at the beginning of this
19 meeting. What's hilarious? Chief Craig has a way to
20 confess what we know to be a fact, it's all lie. He has a
21 way with words. He made the video and edit it to his
22 benefit in order to make himself look good. This is why
23 they call him Chief Hollywood Craig. He spends more time
24 on TV and on CNN than he does his job. My question is, do
25 we pay him to be on TV, CNN bashing people that stand up

1 for Black Lives and fighting for us. He had no business
2 commenting on what Rashida Tlaib said. Why do we have
3 anything to do with politics now? You know you guys say
4 that you are for the community when Chief Craig, has told
5 lies numerous times over and over saying that the
6 community backs him when none of us backs him. I would
7 like to see a list of how many communities actually back
8 this man. The City of Detroit, the police department has
9 so many complaints against them that we don't even talk
10 about that. I call for Chief Craig's resignation. Thank
11 you.

12 MR. ROB BROWN: The next caller would be my phone.

13 MY PHONE: Okay. I would just like to say, James
14 Craig get on TV and he keeps wanting to say that the
15 community doesn't want us here. When we marched the
16 community embraces us and they're happy to see the change
17 that we are bringing. When he say the community, he means
18 the police community, the police community does not want
19 us here because we are here to hold them accountable. We
20 seeing and not just seeing, we are the people that James
21 Craig let come down there, let the police come down here
22 and beat in tear gas because we were peacefully
23 protesting. One of our leaders was hit by a DPD police
24 officer and he went on TV and misled the public. And told
25 the public that the protestors had broken out a window

1 with a hammer. Now we have been doing this for close to a
2 year and we have always been peaceful.

3 MY PHONE: James Craig has yet to come down there and
4 talk to us and to see what the problem is. But he's for
5 the community. You can't be for the community if you're
6 not in the community. James Craig and the police force do
7 not want this movement to continue. And once they beat us
8 tear gas us and we continue to come out there. Now they
9 are trying to antagonize us and intimidate us. And to get
10 us to stop with this lawsuit. You cannot sue protesters.
11 It's democracy. This is how this work. The system is
12 doing something we don't like. We're going to protest
13 against it. That's how it works. You cannot sue
14 protesters. So if that goes through that means that you
15 are not saying that democracy is not practiced in
16 Detroit. James Craig won the site time and time again,
17 the community is for him and he is for the community. No,
18 you're not. Because if you were for the community, you
19 wouldn't leave and let that much money go to the police
20 budget. You would know that we need libraries, we need
21 rec centers, we need tutoring programs, we need places
22 for kids to go so they not in trouble. So when they do
23 bump into your police officer, they not getting murdered.
24 You are running the police in Detroit, like y'all
25 straight out of GTA. These are our lives. We all are

1 calling for James Craig's resignation. We don't back down
2 from bullies with shields.

3 MR. ROB BROWN: Mr. Chair, your next three speakers
4 would be Ms. Sarah Torres, followed by the caller with
5 the last three number 402, and Ms. Brenda Hill., Ms.
6 Torres.

7 MS. TORRES: Hello, can you hear me?

8 MR. ROB BROWN: Yes.

9 MS. TORRES: I demand the resignation of Chief James
10 Craig. Chief Craig had the audacity to speak out and
11 demand the resignation of Representative Rashida Tlaib.
12 Representative Rashida Tlaib is an elected official while
13 Chief Craig is not. Chief Craig was appointed by the
14 emergency manager, Kevin Orr. Chief Craig does not
15 represent Detroiters. He is using resident's tax dollars
16 to attack an elected official. Chief Craig and his police
17 department, he commands, his policies and his
18 department's actions harm black and brown residents of
19 Detroit. People suffer and are killed by the hands of
20 Detroit police under Chief Craig's leadership,
21 specifically people in mental health crisis. The DPD does
22 not know how to handle mental health crises and under
23 Chief Craig's leadership, the police in Detroit fail its
24 residents resulting in Detroiters' deaths at the hands of
25 the police. Poverty is directly linked to crime. We don't

1 need more police. We don't need more money for the police
2 and we don't need a chief of police unethically using
3 public resources to attack our elected officials. We need
4 universal health care, community-based mental health
5 services, good jobs, and education for the people. Chief
6 Craig must resign. All power to the people. Thank you.

7 MR. ROB BROWN: Caller with the last three numbers
8 402.

9 CALLER 402: Can you hear me?

10 MR. ROB BROWN: Yes.

11 CALLER 402: Yes. Welcome Board members. You're much
12 appreciated, each one of you. (Audio Distortion) They
13 will contact you at a convenient date and time. We have
14 your phone numbers and follow up with you regarding your
15 main cause and your concerns regarding DPD's conduct as
16 (Audio Distortion) made to your alleged crime.

17 MR. ROB BROWN: Okay. Mr. Chair, your next speaker
18 would be Ms. Brenda Hill. Ms. Hill.

19 MS. HILL: Yes, good afternoon or evening. We're
20 going into the evening, but there is a day of reckoning
21 coming with police departments. We have a policing issue.
22 Detroit is rare because they have this police oversight,
23 one of the few in the country, but right now, police and
24 deputy sheriffs are running the show and appointees are
25 running the show, we are getting policies that are

1 against the people, such as facial recognition
2 technology. I hope the US Attorney General comes in and
3 starts with you all. This is an abomination of what this
4 Board was supposed to be, and you all continue to vote
5 against the people. Also, we do need policing reform.
6 That's not a dirty word. There are issues in Detroit
7 police, as in all policing. I mean, we were promised that
8 neighborhood police officers would be the eyes and ears
9 of the neighborhoods. That is not true.

10 MS. HILL: And that's not to say those are not nice
11 officers. They make salad real nice, right? But knowing
12 where the problems are in the neighborhood and handling
13 those problems is not happening. And so that's where this
14 Board can come into place. We have several police
15 officers, not the vast majority, but several police
16 officers that need to go. But we go around yelling at
17 Burden and we're not addressing what we need. This Board
18 of Police Commissioners should be the gold standard for
19 this country. The reckoning is coming. You need to get it
20 together.

21 MR. ROB BROWN: Mr. Chair, your next two speakers
22 will be Ms. Michelle George, followed by Ms. Brooke
23 Harris. Ms. George.

24 MS. GEORGE: Yes, sir. Mr. Brown, you can hear me and
25 the Board.

1 MR. ROB BROWN: Yes ma'am.

2 MS. GEORGE: Yes, sir. To Chairman Bell, and to the
3 Honorable Board, what we're finding here, and this
4 policing problem. I was driving the other day and this
5 officer stopped this young black male, but before he got
6 to the car, the African-American male was so afraid. It
7 was like he was praying and I pray for him. And that,
8 hopefully, just the encounter with policing in black
9 communities. That is the burden that has happened with
10 the shooting of unarmed African American men and women
11 are that every time a law enforcement officer stops a
12 motorist rather than myself or anybody, we're going to be
13 terrified. So that's something policing needs to take
14 care of that because when you see the lynching as Ida B.
15 Wells said in the 1800s a man was lynched to today.

16 MS. GEORGE: That's what we saw with George Floyd and
17 what we're seeing. So hopefully the policing I went after
18 the National Associates of Black Police Officers because
19 I totally don't think they shouldn't exist anymore. Also,
20 I disagree with a lot of things, Chief Craig, what he
21 does. I do pray for the Chief. I'm praying for the
22 officer that was shot the other day, but the caller was
23 right. Chief Craig was brought in by Kevin Orr. So if you
24 want a chief of police out, you have to change the Mayor.
25 You have to vote the Mayor out. That's the only way

1 you're going to get a new chief of police also. I'm just
2 hoping that, and with this Honorable Board and with the
3 policies that have hurt black and brown people, when the
4 city council spent that money to go after a movement, you
5 don't go after a movement that you go after the
6 individuals, but not the movement. So I'm just hoping and
7 praying in this time of policing, even I have to talk
8 with Chief Duasi from Sterling Heights to talk with me
9 for 50 minutes, dealing with the issue, what that officer
10 posted on Facebook. And we talked to the Mayor and he
11 reached out to me. So I'm just hoping we can do better.

12 Chief Craig need to listen to the callers and do better
13 because they let the white nationalist March downtown,

14 MR. ROB BROWN: Ms. Brooke Harris, Ms. Harris, Ms.
15 Harris. Mr. Chair, there is no response. Seems like Ms.
16 Michelle, George was your last speaker.

17 CHAIRPERSON BELL: Thank you, Mr. Brown. Commissioner
18 Bernard.

19 COMMISSIONER BERNARD: Yes, Mr. Chairman.

20 CHAIRPERSON BELL: You are correct. Two hours went
21 out the window, right after I said it. So we need to
22 stand for adjournment at this particular time because we
23 can't continue.

24 COMMISSIONER BERNARD: So moved.
