1 CHAIRPERSON HOLLEY: Thank you so much. Ms. White.
2 Good afternoon, everyone. Thank you so much for being
3 with us. Jim Holly here, Chairman of the Board of Police
4 Commissioners. This meeting will now come to order. At
5 this particular time Chaplain Willis James is available,
6 invocation will be given at this time.

7 CHAPLAIN JAMES: I am sir. Can you hear me?

8 CHAIRPERSON HOLLEY: Yes, we can. Thank you.

9 CHAPLAIN JAMES: First of all, thank you to the
10 Chair, to the Honorable Chair, Pastor Jim Holly, and to
11 the Honorable Board of Commissioners. Thank you for
12 this...

13 CHAIRPERSON HOLLEY: We cannot hear you, Chaplain.
14 Chaplain James, are you still there? Then let's just, if
15 you don't mind, I can always depend upon the men to stay
16 closer to the Lord, Commissioner Jones, can you give the
17 invocation, please?

18 COMMISSIONER JONES: That's something I'd be happy to
19 do. Through the Chair, we bow our heads. Merciful God, in
20 the name of Jesus Father, God. We thank and praise your
21 holy name for this day. Lord, we thank you for this
22 Board, we thank you for this police department. We thank
23 you for all who support the police department from the
24 [inaudible 1:39] to those who hit the field and risk
25 their lives for us all in the service of the community.

1 Father God, we thank and praise your holy name that
2 wisdom will come through this meeting, Father God, that
3 you will find ways for men to be able to bind together
4 for the complete and for the total agreement or what's
5 going to be good for this community, Father, God. We're
6 here for the community, Father, God, putting our
7 interests or their interests ahead of ours, and Father
8 God, putting your interest above all. Father, we thank
9 you for this wisdom, we thank you for blessing each one
10 of these sisters and their families, Father God, and all
11 these things. We thank you for all these things. We love
12 you, Father God. Amen.

13 COMMISSIONERS: Amen.

14 CHAIRPERSON HOLLEY: Thank you so much, Commissioner,
15 Vice-Chairperson Jones. I wanted to also express my
16 thanks to Chaplain Willis James. I'm sorry about the
17 difficulty and the technology, but I want you to know
18 that on behalf of all of us, we are just grateful and
19 thankful for you to be in here and willing to do this
20 invocation for us. Hopefully, what we would do over time
21 is to invite you back, but I just want to thank you. At
22 this time, Mr. Brown, would you give the mission

17

18 MS. WHITE: Thank you. Again, District 5,
19 Commissioner Willie Burton. Mr. Chair, you do have a
20 quorum.

21 CHAIRPERSON HOLLEY: Thank you so much, and thank you
22 once again for your presence and thank you so much for
23 your commitment to what we do for the City of Detroit. I
24 thank all of you. At this particular time the Chair will

25

1 entertain a motion for approval of the agenda of
2 July 29, 2021.

3 COMMISSIONER BURCH: So moved, sir.

4 COMMISSIONER HERNANDEZ: Support.

5 COMMISSIONER: Discussion.

6 CHAIRPERSON HOLLEY: It's been moving properly
7 second. Any discussion?

8 COMMISSIONER DAVIS: Yes.

9 CHAIRPERSON HOLLEY: It is.

10 COMMISSIONER DAVIS: Yes.

11 CHAIRPERSON HOLLEY: Okay. Yes, sir, what is your..
12 yes, sir, go ahead.

13 COMMISSIONER DAVIS: The agenda, at least the one I
14 received at my home needs to be changed and we should be
15 indicating the fact that we are moving from virtual
16 meetings to in-person meetings, you know, starting next
17 week, and for the second Thursday of the month, we should
18 indicate where are we going to be meeting in the
19 community?

20 CHAIRPERSON HOLLEY: Okay, well we have to do the
21 right, but I just want you to know, we just got that
22 memorandum today in terms of the virtual moving now to
23 personal. The other thing of course is that it is on the
24 agenda for the next community meeting. But if not, we

1 will make sure that we will include it in here,
2 Commissioner Davis. Thank you for pointing it out.

3 VICE-CHAIR JONES: Through the Chair.

4 CHAIRPERSON HOLLEY: Yes.

5 VICE-CHAIR JONES: Would that be actually something
6 that would be done in the announcements?

7 CHAIRPERSON HOLLEY: We could take care of it.

8 VICE-CHAIR JONES: So it is not left off the agenda,
9 but it's actually included if it goes down to the
10 announcements when Mr. Brown discusses the meetings, the
11 next meeting, and he would discuss also at that
12 particular time, where that meeting would take place.

13 CHAIRPERSON HOLLEY: All in favor, say aye.

14 COMMISSIONERS: Aye.

15 COMMISSIONER DAVIS: Aye, with necessary corrections.

16 CHAIRPERSON HOLLEY: Commissioner Davis, what did
17 you say?

18 COMMISSIONER DAVIS: I said, aye, with necessary
19 corrections.

20 CHAIRPERSON HOLLEY: Okay, very good. We will do
21 that. Thank you for that. The minutes of the previous
22 meeting had been distributed on July 22nd, 2021. Are
23 there any corrections to the minutes? Hearing no further
24 corrections and minutes, may I have a motion?

1 COMMISSIONER HOLT: I move that we accept the minutes
2 as presented in writing.

3 COMMISSIONER HERNANDEZ: Support.

4 CHAIRPERSON HOLLEY: Any discussion? Hearing none,
5 all in favor, say aye.

6 COMMISSIONERS: Aye.

7 CHAIRPERSON HOLLEY: Any opposed? Thank you so much.
8 At this particular time, I'll ask the Interim Board
9 Secretary, Ms. White to introduce the staff.

10 MS. WHITE: Through the Chair, the Department of
11 Innovation and Technology is monitoring and recording the
12 Board's meeting today. Our court reporter is Mr. Don
13 Handyside and the following Board staff numbers are in
14 attendance, Ms. Robert Brown, Administrative Specialist,
15 Ms. Teresa Blossom, Community Relations Coordinator, Ms.
16 Jonya Underwood, Administrative Assistant, Investigator

25 Thank you, sir.

1 CHAIRPERSON HOLLEY: Thank you, Ms. White. Thank you
2 Interim Chief White. It's so good obviously to see you
3 and for you to be with us. We thank you so much for being
4 here. Can you just basically let us know who's there with
5 you?

6 CHIEF WHITE: Good afternoon, Honorable Board. Happy
7 to be here today. I have with me today, as far as I can
8 see is Deputy Chief Sims, Deputy Chief Bliss, Director
9 Graveline, Director Reid Wilson, Commander Stewart,
10 Commander Hope, and Captain Johnson. And it looks like
11 I've got Lieutenants McClure, and Coles from recruiting.
12 Lieutenant Lever who will speak later and Lieutenant
13 Firsdon of our Civil Rights Integrity group.

14 CHAIRPERSON HOLLEY: Thank you so much, Interim Chief
15 James White. Thank you so very much. Have we got any VIPs
16 MS. White?

17 COMMISSIONER HOLT: Through the Chair. I was
18 attempting to bring it to our attention that Commissioner
19 Burton is on, but he muted himself. So the noise that was
20 coming from his sign-in has ceased, but he is within the
21 meeting.

22 MS. WHITE: Through the Chair, regarding the
23 specially invited guests this afternoon, DPOA Vice-
24 President, Ron Thomas, Ms. Marie Overall of State
25 Representative Tyrone Carter's Office and Community

1 Advisory Council Chair, Scotty Bowman are present. Thank
2 you.

3 COMMISSIONER BURTON: Mr. Chairman?

4 CHAIRPERSON HOLLEY: Yes.

5 COMMISSIONER BURTON: Hi, this is Commissioner
6 Burton. I was present for the roll call. I heard my name
7 called but for some reason I was having some challenges
8 on the zoom as far as, you know, stating my name for roll
9 call, but I did hear my name called. I just want the
10 record to reflect, sir.

11 CHAIRPERSON HOLLEY: Thank you so much, and it will
12 reflect that of Commissioner Burton. Thank you very much,
13 Commissioner Burton. Are the babies with you,
14 Commissioner Burton; are those your babies?

15 COMMISSIONER BURTON: Say that again, sir?

16 CHAIRPERSON HOLLEY: Is the noise coming from you,
17 all that noise?

18 COMMISSIONER BURTON: No, sir.

19 CHAIRPERSON HOLLEY: Okay. Let me just thank you so
20 much. Let me just give you some brief remarks if you
21 would, please for your information. Commissioners, last
22 week, we discussed several items that we will address
23 today. And these are the following: Chief of police
24 executive search committee. I wanted to give you the next
25 steps. I would entertain a motion at the end of my report

1 to recommend the candidate interviews for the chief of
2 police. The interviews will be open to the public. I'm
3 asking that you pay attention to the fact that it would
4 be at 3 o'clock to accommodate the interviews because we
5 basically will need to have enough time to do that. Also,
6 I want you to know that we'll take up that item at the
7 appropriate time.

8 CHAIRPERSON HOLLEY: We're currently in the process
9 of filling key vacancies on the Board's staff. You
10 received updates as we moved through that process. We
11 have two new investigators who will start with OIC on
12 August 9th, 2021. Today, we look forward to receiving an
13 update from Chief White regarding the findings and
14 recommendations involving the Department's review and
15 evaluation process of key administrative matters. I'll
16 tell you also, we will look forward to receiving a
17 monthly report from the Office of the Chief Investigator,
18 explaining the cases, investigation process, and
19 providing other key data that we receive on an ongoing
20 basis. I want you also to know that I've also put in your
21 package regarding the case assignment rotation. You have
22 received that in your package. OIC has also shared
23 important data reports that normally would be due to
24 inform the Board of trends and patterns involving CCR
25 complaints.

1 CHAIRPERSON HOLLEY: Lastly, you have received other
2 key information in your package this week. I want to also
3 share with you that Chief White and his attendance at
4 last week's Board meeting, and I want to make sure that
5 we correct that because he was here at the last meeting.
6 Chief White has attended primarily all the Board meetings
7 since being appointed. And we have always received
8 notification of his arrival or otherwise when a critical
9 incident or emergency arises. Again, thank you so much
10 for your cooperation with me, and thank you to the DPD
11 executives. Lastly, to try to slow down here, if you
12 would please. Commissioners, please wait to be recognized
13 by the Chair before speaking. You've been doing a
14 wonderful job with that. I want to just remind you, let's
15 continue to do that. Let's continue to refrain from extra
16 comments, discussions during the report presentations and
17 when a speaker has the floor. This will be really good
18 for keeping the decorum in our meetings. The other thing
19 I just wanted to mention to you is that the Board
20 received an update of the BOPC staff report which
21 includes the Commissioner's recommendations and at this
22 particular time I'd really want to have a motion for that
23 recommendation. Let me just say to you as we go through
24 this motion, I want to remind you of the confidentiality
25

1 that's involved in this that we removed... go ahead. I
2 need a motion for this.

3 COMMISSIONER BERNARD: So moved.

4 COMMISSIONER HERNANDEZ: Support. Do we have to read
5 it?

6 CHAIRPERSON HOLLEY: Yes, we do, we really do. I'm
7 going to ask MS. White.

8 MS. WHITE: Through the Chair. The motion is to hold
9 interviews for candidates, A, B, C, D, and E for the
10 position of chief of police, Detroit Police Department at
11 the fourth meeting, during the open session on Thursday,
12 August 12th, 2021.

13 COMMISSIONER BELL: Mr. Chairman.

14 CHAIRPERSON HOLLEY: Yes.

15 COMMISSIONER BELL: I move that we hold interviews
16 for candidates A, B, C, and D for the position of chief
17 of police, Detroit Police Department at the Board meeting
18 during open session on Thursday, August the 12th, 2021.

19 COMMISSIONER HERNANDEZ: Second.

20

21 CHAIRPERSON HOLLEY: Just hold on. I'm getting some
22 advice from my lawyer. Again, I want you to understand,
23 we are recommending five candidates based upon the survey
24 from all Commissioners and because one of the four was a
25 tie. Therefore we are obligated to make sure the other

1 one is also included. So I'm asking you Commissioner Bell
2 to understand from my perspective that the A, B, C, D, E
3 in all five candidates should be interviewed.

4 COMMISSIONER BELL: So my motion is to reflect
5 candidate E.

6 CHAIRPERSON HOLLEY: Thank you so much. It's so nice
7 of you. Do I have the second to that?

8 COMMISSIONER HERNANDEZ: Support.

9 COMMISSIONER HOLT: Second.

10 COMMISSIONER BURCH: Second.

11 CHAIRPERSON HOLLEY: All right. Thank you so much.
12 Let me just give you some key points as we give you a
13 chance to vote on this. All your interviews must be held
14 in open sessions pursuant to the Open Acts MCL 15.268.
15 The other thing I just want to make sure that Mr.
16 Jackson, Deputy Chief Finance Officer, and Chief
17 Procurement Officer and TJA Staff and Services would
18 notify and select the candidates for the interview. Mr.
19 Jackson and TJA Staff and Services would also be in
20 attendance during the interviews held by the Board. The
21 Board of Police Commissioners will hold the interviews to
22 select the candidates for chief of police in an open
23 meeting. After the interviews are held, the Board will
24 select the top three candidates as the Board's qualified
25 list of candidates. The final list of the candidates'

1 names would be adopted by the Board and then submitted to
2 the Board for final consideration. And so you understand,
3 you have all of that in your package, those A, B, C, D,
4 and E. You have that in your package. And so this
5 particular time, the Chair would...

6 COMMISSIONER HOLT: Through the Chair.

7 CHAIRPERSON HOLLEY: Yes.

8 COMMISSIONER HOLT: Thank you, Chair Holley. As I
9 understand we had to modify the motion to include
10 candidate E and you offered an explanation suggesting
11 that candidate E was a tie. May I understand how that tie
12 occurred?

13 CHAIRPERSON HOLLEY: It is by a Commissioner voting
14 that came in late. And that caused the tie. But the
15 motion is correct on all five candidates. That's the
16 motion, and it's been second. And now I'm asking if there
17 are any other discussions. Just remember that also on the
18 12th is a community meeting, and I want to do it at 3
19 o'clock rather than 6 o'clock because we got to have at
20 least 20 minutes for each candidate. And it's going to
21 take us about three hours. So if everybody's hearts are
22 ready and everybody's head feels very comfortable with
23 this, at this particular time I'm ready to vote, all in
24 favor

25 COMMISSIONER BURCH: Wait, Mr. Chair.

1 CHAIRPERSON HOLLEY: Okay. Yes, ma'am.

2 COMMISSIONER BURCH: I just had a question. We'll be
3 on zoom like we are now, August 12th.

4 CHAIRPERSON HOLLEY: We're going to be in person and
5 the candidates will be in person if it's possible. We may
6 have some in-person and some impersonal, based upon the
7 situation, but that's what we are asking the TJA Staffing
8 to handle this for us. But we'll be in person all of
9 August, September, November, October, December, if all is
10 well. Any other questions. If not, the Chair will
11 continue to ask for your support. All in favor?

12 COMMISSIONERS: Aye.

13 CHAIRPERSON HOLLEY: Opposed. Let the work show that
14 we have done something historically. All agreed?

15 COMMISSIONERS: Yes.

16 CHAIRPERSON HOLLEY: I need a Nobel Peace Prize.

17 COMMISSIONER BURCH: Yes, you do.

18 CHAIRPERSON HOLLEY: The next item, if you would,
19 please Miss Holt because you seem to be always ready to
20 do Resolutions. Can you give me the Resolution?

21 COMMISSIONER HOLT: Thank you, Chair Holley. I am
22 honored to share this Resolution. Resolution honoring
23 Sergeant James Metiva. WHEREAS James Metiva was appointed
24 to the Detroit Police Department on October the 28th,
25 1985. Upon graduating from the Detroit Metropolitan

10 COMMISSIONER HOLT: Excuse me.

11 CHAIRPERSON HOLLEY: Commissioner Burton, the
12 technology department is saying that the problem we are
13 having is coming from your medium.

14 COMMISSIONER HOLT: Thank you, Chair Holley. He
15 earned a promotion to the rank of Sergeant, and in
16 September 2004. As Sergeant, he was assigned to the 13th
17 Precinct Investigative Operations Unit and the 6th

7 integrity, and dedication, and is widely respected
8 throughout the law enforcement community as the
9 consummate professional. NOW THEREFORE BE IT RESOLVED
10 that the Detroit Board of Police Commissioners, speaking
11 on behalf of the citizens of the great City of Detroit,
12 recognizes and honors the lifelong contributions and
13 commitment to excellence in public service of Sergeant
14 James, Metiva. His display of courage and unwavering
15 community spirit has improved the quality of life for the
16 citizens of Detroit. We wish you all the best in your
17 future endeavors. We thank and congratulate you, Sergeant
18 James Metiva. Through the Chair.

19 CHAIRPERSON HOLLEY: I moved that we placed this
20 Resolution honoring Sergeant James Metiva into the Board
21 of Police Commissioners archives

22 COMMISSIONER BROWN: Mr. Chairman. I move that we
23 second the motion to adopt this Resolution to place it in
24 the Board of Police Commissioners archives.

1 CHAIRPERSON HOLLEY: Thank you so much. You've heard
2 the motion. All in favor, say aye.

3 COMMISSIONERS: Aye.

4 CHAIRPERSON HOLLEY: Oppose. All right. Thank you so
5 much. Thank you so much, Commissioner Holt as well. Chief
6 White, it's so good once again, to have you put this
7 today. We ask that at this particular time, can you
8 report on the crime updates and any other key events that
9 impact your department.

10 CHIEF WHITE: Through the Chair, thank you very much,
11 and once again, I'm happy to be here. I'll provide you
12 with an update on a number of issues going on in the
13 department, as well as our crime. Not unlike any other
14 major city, we find ourselves with an uptick in violent
15 crime. Talking to my colleagues around the country, we're
16 all facing a number of challenges with gun violence and
17 trying to work through exactly what we can do as a law
18 enforcement body to impact that. With that being said, we
19 are experiencing a 10% increase in homicides over last
20 year at the same time, non-fatal shootings, an 8%
21 increase. Robbery, we actually are seeing a decrease and
22 a 4% decrease in overall part one crime. And I say this
23 often, we don't celebrate that. One crime is what crime,
24 too many. But the facts are we are experiencing a small
25 decrease in overall part one crime, while we are seeing

1 an increase in fatal shootings and non-fatal shootings.
2 Those are the areas that certainly impact us. And we were
3 working very hard to bring that matter under control. The
4 officers were doing an amazing job day in and day out and
5 doing their very best. And I'll highlight a little bit of
6 their work here in a moment I am getting for background,
7 so I do apologize. I will try to talk

8 COMMISSIONER HOLT: Through the Chair Holley.

9 CHAIRPERSON HOLLEY: Yes.

10 COMMISSIONER HOLT: I believe that noise, in this
11 example is coming from the sign-in of Commissioner Brown.

12 COMMISSIONER BROWN: I'm sorry.

13 CHAIRPERSON HOLLEY: Okay, your apology is accepted.
14 Chief, would you continue?

15 CHIEF WHITE: Yes. I thought it was me. So thank you.
16 I'll also provide you with an update on our injured
17 officers. We have five members of the department who are
18 currently disabled and recovering from various injuries.
19 One Sergeant from the 7th Precinct, a police officer from
20 Task Force Administration. I'm sorry, two officers from
21 the 7th Precinct. One officer and one sergeant, a police
22 officer from the 11th Precinct, and a police officer from
23 the 10th Precinct. We are monitoring them and hoping for
24 their speedy recovery. Our COVID stats which are
25 important as well from an injury standpoint, we have 17

1 members who are currently quarantined or isolated due to
2 COVID. Nine of the quarantine isolated members are
3 currently positive. So COVID is not over, we're still
4 seeing COVID positives coming into the Department.

5 CHIEF WHITE: You know, I'm very concerned about our
6 vaccination numbers. I'm going to be working with the
7 unions to talk through that and encourage. We certainly
8 are not at a place at this point where we will be
9 mandating that, not at this time, but we are going to be
10 highly encouraging members of the department to seek
11 vaccination. Moving back into crime, I do want to
12 highlight the drifting ordinance that was passed last
13 week. The officers are putting that ordinance to work. We
14 have year-to-date 1,931 traffic stops for drifting, 2,305
15 citations have been issued, 186 vehicles impounded, 15
16 stolen vehicles recovered, 103 felony arrests made, 9
17 misdemeanor arrests made and 76 weapons recovered. When
18 you look at some of the social media videos and you look
19 at some of the viral videos, you would think that there's
20 really no work going on in that area, but this again
21 continues to be a unique crime trend that's happening
22 around the country.

23 CHIEF WHITE: Atlanta and Memphis are seeing the same
24 problem. Part of the problem is you've got these vehicles
25 that are 700 horsepower and those Dodge Challengers just

1 to provide some context to that, a Mustang GT with a 302
2 engine in the late eighties, and early nineties had 220
3 horsepower. So just put that in context, you're looking
4 at almost three times the car and you've got kids out
5 here driving them in a very risky situation. And we see a
6 lot of injuries, we see a lot of people lose control, you
7 know, injuring themselves, injuring the crowd, and
8 certainly we need the community's support. This is not an
9 illegal sport that people should take lightly. It's a
10 quality of life issue, it's a danger issue for the people
11 that are operating those vehicles. And we're going to
12 continue to enforce, we're going to continue to impound.

13

14 CHIEF WHITE: I make no apologies for that. This is a
15 quality of life and safety issue. You know, I hear from a
16 lot of people that there are other things we could be
17 doing, but if you live in front of one of those locations
18 or someone's drifting in front of your home, losing
19 control of the vehicle and driving into your house, I
20 would ask you, how would you feel about that? So we're
21 going to maintain our work on this area and continue to
22 impound these vehicles and make these arrests if
23 necessary. Don't want to do it but there's one way that
24 you can avoid being arrested - not be there, drag racing,
25 and drifting, watching it or participating in it. Few

1 incidents that I want to highlight are the incredible
2 work of the officers of this department. First incident
3 involved a four-year-old that was shot in the 7th
4 Precinct.

5 CHIEF WHITE: It was first reported that she was shot
6 in Harris Park. The commander himself did the same along
7 with his detective unit and our PDU. They recognized
8 immediately that there was something wrong with the
9 initial complaint, nothing added up. I went to the
10 hospital and talked to the family. The commander and his
11 team went to the park to attempt to locate a crime scene
12 which they were unable to do. That led them to the home
13 that led to some other investigative processes, including
14 search warrants. And we were able to determine, after a
15 lengthy investigative process, that the shooting did not
16 in fact happen at the park, but happened at the residence
17 of the child where she shot herself with an unsecured
18 weapon. Happy to report that the child is likely to make
19 a recovery, a full recovery. So that's a blessing.

20 CHIEF WHITE: The unfortunate reality of the
21 situation as it didn't have to happen. You've got at
22 least two adults in the house, an unsecure weapon, and
23 simply securing your weapon would have been the best
24 course of action, but we've got a young child shot in our
25 city once again. I mean, simply put, it's a tragedy,

1 regardless of whether or not she's fully recovered from
2 this incident, this is a traumatic tragedy that this
3 child should not have to experience and will carry with
4 her for the rest of her life. But I am very happy to
5 report that she is likely to make a speedy, well not a
6 speedy recovery, likely to make a full recovery. And the
7 officer's again made amazing progress and the other
8 unfortunate, but very necessary part of this is that
9 we've placed dad under arrest for a number of offenses.

10 CHIEF WHITE: And again, just very, very tragic.
11 Moving on to another incident that happened Sunday night,
12 and that was an incident that occurred at Asbury Park in
13 six-mile and 8th Precinct, where one hundred plus people
14 were gathered to honor the life of a young man who was
15 killed earlier in the week in an accident while driving a
16 4-wheeler and tragically lost his life. His family was
17 there paying tribute to him during a vigil. Someone drove
18 through that visual, drove past that visual, and fired
19 into the crowd striking eight people. We initially
20 thought six people were struck. We later learned as
21 recently as today that there was an eighth victim and
22 they're all likely to make a full recovery, but yet still
23 you have or even still, the fact that eight people were
24 shot at a vigil where they're paying tribute to some
25

1 young man who had lost his life in a tragic
2 automobile accident.

3 CHIEF WHITE: We continue to ask for the community's
4 help. The community has been fantastic in helping us,
5 these investigations even everything from the young baby
6 that was shot, telling us that, you know, I didn't see
7 the person here that helped, right, every little bit
8 helps. And so we're asking once again for the community
9 to support us. We have recently learned, we are now
10 looking for a dark colored Chrysler Pacifica, and that's
11 a Chrysler Pacifica. I do not believe that vehicle was
12 any longer manufactured, so it should be a distinctive
13 vehicle. If you see any Chrysler Pacificas, dark colored,
14 please let the police department know, and that
15 investigation remains wide open. Another incident, a
16 high-profile incident where the community came through in
17 a big way for us, was a non-fatal shooting and kidnapping
18 that occurred on July 27th at 7:45 pm.

19 CHIEF WHITE: I'll give you the abbreviated version
20 of this 19-year-old female who was shot by an
21 acquaintance of her friend, a female friend. It appears
22 that the suspect and the friend of the victim of the
23 shooting, the suspect and that person were involved in
24 some type of relationship, some type of conflict.
25 Preliminarily, it looks like a type, some type of

1 domestic violence situation where he attempted to kidnap
2 her out of her, well, he actually did, successfully
3 kidnap her from her friend's vehicle. And as he's
4 attempting to escape the victim of the shooting, pursuing
5 him, he shoots out of his vehicle, striking her and takes
6 off with the kidnap victim. The community, the officers
7 put a lot of time and work into this, a lot of tips, and
8 we were able to identify where the suspect was putting a
9 lot of pressure on the suspect.

10 CHIEF WHITE: The victim of the kidnapping was safely
11 released. I'm convinced that this is because of work that
12 the detectives did as well as the work of the community.
13 He knew that we were headed towards him. He knew that we
14 knew who he was. She was safely released and he later
15 turned himself in and he is currently in custody facing a
16 number of charges. So it's been a very busy week as I
17 celebrate my eighth week back with the police department.
18 It's been a lot of work. So tomorrow we celebrate our
19 class of 10 mighty students graduating from the Detroit
20 Police Academy. It's a small class, and this class has
21 been somewhat shortened or made smaller by COVID.

22 CHIEF WHITE: The fact that a number of the students
23 came down with COVID made some different career
24 decisions. So the class obviously didn't start off with
25 10, but we are happy that 10 has made it through. And we

1 thought it was very important to recognize them and in a
2 full in-person graduation ceremony they have been through
3 it. This class started right in the heart of COVID and
4 has had to endure a number of different challenges to get
5 to this point. And we're going to celebrate them as if
6 it's a hundred tomorrow at the Wayne County Community
7 College at 8200 West Outer Drive. And I know that the
8 Honorable Board is saying Wayne County Community College,
9 we're doing a graduation there? Well, there's a reason
10 for that. We are entering a relationship with Wayne
11 County Community College that I will be announcing to the
12 Board very soon that will impact our students and Detroit
13 public schools that will impact our city residents where
14 they will have a dual track of education and becoming a
15 police officer. And as part of that relationship, we
16 wanted to launch that graduation ceremony, and our
17 returned to in-person graduations at that facility
18 tomorrow. So we're very excited about that in the police
19 department we're looking forward to growing that program,
20 we're looking forward to putting education and policing
21 together and graduating a class of degrees with these
22 officers in the near future. And with that, I think that
23 sound I heard was my signal to leave the stage and
24 conclude my report. Thank you very much.

25

1 CHAIRPERSON HOLLEY: Thank you very much, Chief
2 White, thank you very much. That was not that was not
3 meant for you. Before Vice-Chair Jones calls those
4 Commissioners about questioning, remember now, we ask you
5 to take four minutes, but if you'd take the four minutes
6 and do commentary of the four minutes, then you have no
7 time to ask questions. This is a time to ask the Chief
8 questions about his comments, or something that's in the
9 report or anything that's on your heart, the people that
10 you serve. So I want to remind you that as we move
11 through the agenda. And I thank you so much for your
12 patience and your cooperation with me this time, Vice-
13 Chair Jones.

14 VICE-CHAIR JONES: Thank you, Commissioner, Chairman
15 Holley. I'm going to call at this particular time to
16 order and I will have to call the Vice-Chair recognizes
17 At-Large Commissioner Annie Holt. Do you have any
18 questions for the Chief?

19 COMMISSIONER HOLT: Oh, thank you. Yes, I do. Thank
20 you Chief White for your very thorough report. And then
21 adding on that positive note regarding WC3 and DPD. As
22 you're aware your Precincts are having onsite police
23 recruitment. Now, I believe Precinct 9 and 6 have already
24 had their recruitment. And I believe Precinct 5 is
25 scheduled to have its recruitment on August 28th. Now,

1 where is that information whereby perhaps the Board of
2 Police Commissioners through our communications can alert
3 the entire community that these recruitments onsite at
4 the Precincts are being conducted? And thank you again.

5 CHIEF WHITE: Through the Chair. Thank you, ma'am. I
6 will reach out to Commander Hope of Chief Neighborhood
7 Liaison and have her send that information out to the
8 Commission. That program is called 12 by 12 and basically
9 12 Precincts, 12 weeks. We're doing a recruiting push and
10 have great success. And number 10 had one of the best
11 ones so far, but everyone did a fantastic job, but they
12 incorporated it through community engagement work. That
13 was really nice to see, and they gave away bikes and
14 things like that. So we'll be out there again this week
15 and I'll make sure that the commander gets that to you.

16 COMMISSIONER HOLT: Thank you. Thank you, Chair
17 Holley.

18 VICE-CHAIR JONES: The Vice-Chair recognizes Al-
19 Large, Jesus Hernandez. Commissioner, do you have a
20 question?

21 COMMISSIONER HERNANDEZ: Thank you, I do. Through the
22 Chair, I'll start with, with a thank you really big,
23 thank you to the men and women of this department and for
24 your leadership in particular. I submitted an inquiry. I
25 attended a community meeting in the Del Ray area in 4209

1 as well as one in 4210, and I'm receiving concerns from
2 residents that calls, specifically in the midnight hour,
3 911 calls and at the midnight hour, are going to a call
4 center in Canada. So I have submitted a request with one
5 of the DCS. Haven't quite heard back, but I'd like to
6 just learn a little bit more about if that's in place as
7 a process, in particular at that time of night. I know
8 that's overly concerning if true.

9 CHIEF WHITE: Through the Chair. This is the first
10 I'm hearing of that. I know many years ago we recognized
11 a problem at certain times a day when someone called 911
12 close to Jefferson, some would bounce if the system was
13 overwhelmed over into Canada, but I thought we corrected
14 that and I haven't heard of it since, but then the Del
15 Ray area that would be very concerning and surprising. So
16 we will look into that and we'll follow up with you.

17 COMMISSIONER HERNANDEZ: Appreciate that. Thank you.

18 VICE-CHAIR JONES: Thank you, Commissioner Hernandez.
19 Vice-Chair recognizes William Davis. Do you have a
20 question or comment for the Chief?

21 COMMISSIONER DAVIS: Yes, in fact, one of my
22 questions is also dealing with 911 calls. I know recently
23 there was some racing and donuts and stuff up in the
24 Grand River. And then right after that, they went over to
25 district 2 over there in front of a city council person's

1 house. And they were doing that for like 30 minutes or
2 so. And there were supposedly a number of calls made to
3 911, but nobody responded and nobody answered the phone.
4 Are we having problems fully staffing 911? And also I
5 think that each Precinct should also have, not a Facebook
6 page, you know, they could have a Facebook page, but they
7 should also have an individual page on the department's
8 website so we can more easily update citizens of what's
9 going on in that particular Precinct. Those are my two
10 comments.

11 CHIEF WHITE: Through the Chair. With regards to the
12 911 calls, I didn't hear that no one answered the phone
13 and the calls were answered and serviced. The problem
14 with it, and we are looking at it, is the way the calls
15 came in, and you're absolutely correct Commissioner. The
16 response was delayed because it was stated as a priority
17 three. We've talked about this before, where you've got
18 the one, two and three priorities, three being the lesser
19 of the, of the three priorities, obviously. And because
20 of that, the run response was delayed. That process has
21 already been improved, I talked with the deputy chief and
22 the commander over our crime intelligence area and
23 communication, which now includes communications. And one
24 of the decisions that we made is let's bump up the

1 priority of a drag racing call because it's now more than
2 people just congregating.

3 CHIEF WHITE: And that's how they were initially
4 static. The technology didn't catch up with the action
5 until we started seeing what we're seeing now. So those
6 calls are being bumped up to priority ones. We're going
7 to be monitoring it this weekend. Ideally I'd like to
8 stop the drag racing before it happens. I'm asking that
9 we use our intelligence center and, you know, I'll put it
10 out there, undercover officers, you know, I want them out
11 there. I want them to watch and see what's going on so
12 that they don't congregate. And if they feel that they
13 are on the cover, officers are out there, well, hey,
14 don't be there. So we are looking at that this weekend,
15 but to your point, we have bumped that call up. And I'm
16 not opposed to the Facebook page for each Precinct. I'll
17 look into that.

18 COMMISSIONER DAVIS: Well, not just Facebook, but
19 also a separate page on the city's website for each
20 Precinct, you know. So because some of our citizens are
21 not on Facebook. I am, but some people are not.

22 CHIEF WHITE: Right. So you're saying a social media
23 page associated with each Precinct on the City of
24 Detroit's social media page. Is that what you're saying?

1 COMMISSIONER DAVIS: Yes, but you know, also on the
2 city's website, you know, when they go to the Detroit
3 Police Department that each Precinct should be able to
4 have their own page linked to the department's page.

5 CHIEF WHITE: Let me look into that and I will follow
6 up with you on it. Let me see the feasibility of it.

7 VICE-CHAIR JONES: Great. The Vice-Chair recognizes
8 Lisa Carter. Commissioner Lisa Carter, do you have a
9 question for the Chief?

10 COMMISSIONER CARTER: Actually a comment, two
11 comments to be exact. Good afternoon, everyone and good
12 afternoon, Chief White. My first comment is regarding a
13 video that I watched about District 6 and it's on the
14 neighborhood's website for the City of Detroit. And in
15 watching it, I noticed that there was a segment where
16 someone was riding on a mini bike. And to me it seems
17 like we're encouraging people to ride on the mini bikes.
18 And I don't think that's something that we want to
19 encourage. So I don't know who exactly to talk to, but if
20 someone could review that, because I know that at certain
21 times on Fourth Street in District 6, we get bombarded
22 with mini bikes. And I don't think that it's something
23 that the city should have on their videos as something
24 that to do in District 6.

25

1 COMMISSIONER CARTER: So I think that that should be
2 looked into if you have the opportunity or if you can get
3 someone to look into it. I think it might come quicker
4 with you looking into it than me. And the second thing,
5 and especially with us trying to combat the drag race
6 and, and things like that. The second comment is just on
7 the Pacifica that you're looking for. Pacifica is now
8 manufactured as a minivan. So they are manufactured, but
9 it's as the minivan. So they're the older models that
10 were more like the SUV and the newer models are the,
11 yeah. So I just wanted to make that clarification as
12 well. Thank you.

13 CHIEF WHITE: Through the Chair. Thank you for that
14 because we've been saying the older model Pacifica saying
15 that we're looking for that SUV crossover vehicle, but
16 let me make sure with the team that they're not talking
17 about a Pacifica van and I misspoke. So thank you.

18 COMMISSIONER CARTER: No problem. Thank you.

19 VICE-CHAIR JONES: The Vice-Chair recognizes this
20 Commissioner Willie Bell. I'm sorry, Commissioner Willie
21 Burton. Commissioner Burton, do you have a question, a
22 comment for the Chief? The Vice-Chair recognizes a
23 District 4, Commissioner Willie Bell. Do you have a
24 question or comment for the Chief.

1 COMMISSIONER BELL: Just a brief comment. Chief
2 White, I want to thank you for the initiative on each
3 Precinct in terms of recruiting. That is close to the
4 neighborhood, and I just want to commend you on that.
5 Thank you.

6 CHIEF WHITE: Thank you, sir. Thank you very much.

7 VICE-CHAIR JONES: The Vice-Chair recognizes
8 Commissioner Shirley Burch. Do you have a question or
9 comment for the Chief?

10 COMMISSIONER BURCH: Yes, sir, Commissioner, thank
11 you so much. Chief White. I just want to say, as you
12 know, I represent District 3, that's number 9 and 11.
13 First, I want to say thank you to so many of the officers
14 that sir, I literally overworked and you know, underpaid.
15 I know you can do nothing about that, but as Interim,
16 sir, the officers are, like I said, worn out. So if we
17 keep the citizens calling these officers, especially
18 certain ones, certain sergeants and certain officers that
19 are respectful enough to answer the phone. Others do not
20 answer the phone. I can understand why, because they're
21 bombarded and, sir, I'm asking you when I go downtown,
22 what is the purpose of that big blue van? I think it's a
23 paddy wagon. You know what I'm talking about? It's a big
24 blue, and it says Detroit police on it. You know what I'm
25 speaking of?

1 CHIEF WHITE: Through the Chair, not specifically.

2 COMMISSIONER BURCH: Okay. It's a big blue bus. It
3 has Detroit police on it. I'm saying back in the day,
4 they used to be called the paddy wagon where it was
5 available if people got out of order, they could put them
6 in this bus and take them wherever they needed to go to
7 correct them. That's what I see downtown. So if you're
8 not aware of what I'm saying.

9 CHIEF WHITE: I'm aware of it.

10 COMMISSIONER BURCH: Okay. So something like that,
11 even if it's driven around in the neighborhoods might
12 give the idea to the criminals, oh, they may be starting
13 something, maybe to pick us up or whatever. Because I
14 feel like we know where these gangs are, but we've got to
15 not wait till they act. You have to act what I call
16 preventive. So you can't afford to wait to see what they
17 do because I can send an officer or a Sergeant or a DC to
18 a scene that happens at different times of the day,
19 right? They don't act up, it looks like they know when
20 you're coming. So you may not see what the citizens see
21 because they live there 24/7. You see what I'm saying,
22 Chief White? So the citizens, yes, they're experiencing
23 24 hours of not knowing when these criminals act up.
24 That's why I say you need more officers. Whoever has that
25 authority, Detroit needs more officers. Sir, that's my

1 comment, but again, I appreciate you, and we can't do
2 without you.

3 CHIEF WHITE: Thank you. Through the Chair and very
4 briefly. Thank you for your comments. That is the
5 prisoner bus and it's used to move large groups of people
6 from large events that have to go into custody. With
7 regards to our response to crime, we're going to continue
8 to do so constitutionally. We're not going to use threats
9 and intimidation. We're going to use action and we need
10 to also continue to recognize that, you know, well over
11 90% of our community are not causing a problem. So we
12 don't want to victimize those who are not trying to catch
13 those who are. It's that, you know, small percentage
14 that's getting all of our attention, but we've got a lot
15 of great residents in this community that support us,
16 respect each other, and we're going to do everything we
17 can to keep them here. So it has my full attention. We're
18 going to constitutionally police this community. So thank
19 you.

20 COMMISSIONER BURCH: Thank you.

21 VICE-CHAIR JONES: The Vice-Chair recognizes
22 Commissioner Linda Burton. Do you have a question or
23 comment for the Chief?

24 COMMISSIONER BERNARD: Yes, I have three questions,
25 Chief. The first is Chief, can you please request a legal

1 opinion from the Office of Corporation Counsel regarding
2 the issue that we raised last week concerning whether or
3 not the charter can supersede a labor contract regarding
4 the issue of disciplining officers in terms of what we do
5 in OCI. As you know, we refer the cases to you and then
6 the department decides to either proceed or not proceed.
7 But the charter is very clear that disciplinary matters
8 regarding officers are within the purview of the
9 Commission. My second question to you is can you arrange
10 for the Commissioners, the 11 of us to have a priority
11 code for 911 calls? I was at a community event and it was
12 hot and Sherry Gaijin Nagle's mother passed out and I use
13 my phone to try to call 911.

14 COMMISSIONER BERNARD: And it was like... I was put on
15 hold. It was just... I mean, we just couldn't get through.
16 So it was just, you know, everybody there started calling
17 911. So we just need a code, if something's happening to
18 one of us, something that happened to me yesterday when...
19 I mean, I can use it, but I'm just saying, so that at
20 least we can get to somebody. And then the third question
21 relates to, can you also possibly look into reinstating
22 the media program for recruitment? I agree that 12 on 12
23 is a great idea, but it's just so difficult to get people
24 out, get them together, and get people at the right age.
25 I mean, I really think that mass media uses, you know,

1 social media and TV, like 2, 4 and 7. I love those
2 commercials on DPV and I think you'll get more action.
3 That's all I have to say.

4 CHIEF WHITE: Yes, ma'am. Through the Chair, real
5 quick, 12 by 12, yes. It's a start, but it's not all
6 we're doing. We're also partnering with a couple of
7 colleges. On the media piece, yes, city council just
8 approved this week, I believe \$2 million for our media
9 campaign that's going to assist us with recruiting. Very
10 thankful for that. With regards to 911, I'd like to talk
11 to you about that offline. That gives me serious concern.
12 Regardless of who you are, you should be able to get
13 through 911. So I'd like to talk through the actual call
14 that you made and see what happened. So if we could talk
15 offline about that, I'm going to open an investigation
16 into what happened with that. All right. Thank you.

17 VICE-CHAIR JONES: Vice-Chair recognizes the
18 Commissioner, Darryl Brown. Commissioner, Darryl Brown,
19 do you have a question or comment for the Chief? Okay,
20 we're going to move on. I'm gonna see if Commissioner
21 Willie Burton's back on the line. Is Commissioner Willie
22 Burton back on line?

23 COMMISSIONER BROWN: Vice-Chair, excuse me. I did
24 have a comment. I'm just trying to unmute myself.

25 VICE-CHAIR JONES: Okay, Commissioner, go ahead.

1 COMMISSIONER BROWN: Chief, thank you for showing up
2 to address the Board. I'm having some questions, you
3 know, what are we doing about the mini bike situation?
4 Are we going to start having a task force to mitigate
5 that? I'm getting a lot of complaints, specifically from
6 some of the clergy around the city. And secondly, I
7 commend you for everything that you're doing, that you
8 have done so far. And just want to know where are you
9 with the mental health task force, you know, addressing
10 the PTSD with our officers.

11 CHIEF WHITE: Yes, sir. Through the Chair, we start
12 with PTSD, we've got a number of programs with our
13 internal, external relations as you know, just expand it,
14 our CIT program. And the next phase is to talk through
15 bringing in counselors for the officers. And we also have
16 resources that have been made available to the officers
17 through peer support and the city's HR Department. So
18 we're moving along with those programs, expanding them.
19 But I am working towards putting in counseling programs
20 in the Precinct. The officers can avail themselves. We
21 are running into some challenges. And one of the
22 challenges I want to talk to you about offline. I know
23 this is an area that's near and dear to your heart. And
24 that is the confidence in the department that the

25

1 information shared will not be used against the
2 officers in any negative way.

3 CHIEF WHITE: And that's a legitimate concern. So I'd
4 like to be able to stand something up. Well, they have
5 the confidence in the department that, you know, anything
6 that they bring, but basically it's okay not to be okay.
7 And that they're there for the appropriate mental health
8 support and that this is not something that's going to be
9 used in a negative way to impact them professionally. And
10 I know you've got some background in that. So I'd like to
11 talk to you offline about that. We are also in the
12 process of standing up an independent unit through the
13 office of internal, external relations, where the
14 officers will have a place to go away from the department
15 to talk to a healthcare or a mental health professional
16 you know, just to debrief on some things that may be
17 causing them stress and discomfort. So we continue to
18 work in that arena and can provide some good services for
19 the officers for PTSD. And lastly, the mini bike issue,
20 you know, what I don't want to do is everybody that's
21 riding a mini bike, lock them up. I don't want to get
22 into a chase with people on mini bikes. So we're trying
23 to be methodical in how we address it.

24 CHIEF WHITE: We get the complaints, we go out, we
25 secure the area. We go high visibility first, enforcement

1 second, and community involvement third. And if we can
2 pull all those things together, we can get, you know,
3 parental responsibility. If you've got, you know, 12, 13,
4 14-year-old flying up the street on a mini bike, it's a
5 dangerous situation, and we need your help. Once we get
6 involved, you know, once those lights go on those police
7 cars, some of these kids will take off and I don't want
8 these officers, you know, getting into chases with mini
9 bikes because the moment something happens, you know,
10 we've got to explain that we're tracing for traffic, a
11 kid on a minibike. So we're trying to methodically work
12 through all areas. We're not going to allow pandemonium
13 and people to be lawless, but are going to deploy a
14 methodical process that ensures safety, even if the
15 person who's being irresponsible.

16 CHIEF WHITE: We have to do it that way. But I think
17 the emphasis needs to be on parental responsibility. And
18 to be quite candid, that's the angle that we're going. If
19 the parents are allowing this to happen, we're going to
20 issue these parental responsibility tickets, so they can
21 come into court and say, why it's okay for little Johnny
22 or little Jane to be out here, riding a mini bike without
23 even been trained to do so at 80 miles an hour or 60
24 miles an hour in the middle of Jefferson. So that's the
25 angle that we're going, and then when we have these

1 flare-ups in these areas where enforcement is necessary,
2 we're going to take enforcement, but we're doing so very
3 safely, very methodically so that we don't have an injury
4 to kids because most of the folks on these bikes are
5 very, very young, very young kids that are looking for
6 things to do. And it's just, again, a new thing.

7 COMMISSIONER BROWN: Thank you very much.

8 VICE-CHAIR JONES: And Vice-Chair, Martin Jones, I do
9 have a question to comment on. Well, two comments
10 actually for you Chief. First of all, I had a scare with
11 a young fellow in a minibike. I drive an F-150, which is
12 a truck that has a high profile, and I had a young fellow
13 that came through late through a red light. And there was
14 another tall vehicle next to me. And it's just out of the
15 very corner of my eye that I caught this young man
16 blasting through that red light, and I slammed the brakes
17 on just like a light, you know, was turning green. So,
18 something there needs to be done. And like you said, we
19 don't want officers out chasing everybody on the
20 minibike. Secondly, with regards to the prayer vigil that
21 was quite a tragedy that we did suffer in the community
22 with so many people being shot at a prayer vigil.

23 VICE-CHAIR JONES: One of the things that I've
24 noticed because I've conducted many prayer vigils, I've
25 been to many prayer vigils along the way. One of the

1 things that you find is that you have certain people that
2 don't know how to properly conduct a prayer vigil, which
3 adds to the problem that, you know, that we have out
4 there on the streets. And there's been some incidents
5 that have happened in the past also, but I think that's
6 something that's worth addressing. I don't know if we
7 need to put a pamphlet or something about how to properly
8 conduct a prayer vigil, so that way they have some kind
9 of information on how that's done. You need people
10 looking out from the front to rear in all directions
11 doing something like that, not just drinking, not just
12 saying that that was my friend or whatever but you need
13 people that are going to provide some kind of security
14 for a prayer vigil, where you've got people that are
15 looking in all directions while it's going on. So those
16 are my two comments and I do thank you for your
17 presentation, Chief.

18 CHIEF WHITE: Thank you, sir.

19 CHAIRPERSON HOLLEY: Thank you, Chief. My
20 Commissioners, thank you so much for your questions.
21 Chief, I was downtown and saw a young man walking down
22 the street and obviously mental issues and he had his
23 pants down below his legs and was trying to pull them up.
24 So I pulled over and try to see what I could do to really
25 do something to talk to him. Then I realized after I got

1 there and obviously if it wasn't for the grace of God,
2 there goes I but I looked at this particular guy and I
3 realized that mental yes, homeless yes, but what do you
4 do from your experience? The only experience I have in
5 mental health, I didn't hit my intern when I was in
6 seminary at Elgin State Mental Hospital in Illinois. But
7 what do you do for a person that basically, what are you
8 going to do? What are you guys talking about for people
9 like this that basically, perhaps medicine is not going
10 to be helpful? You can't institutionalize them. What is
11 your experience based on where you come from and where
12 you are now? How are we going to deal with this?

13 CHIEF WHITE: Yeah. Through the, well, you are the
14 Chair. So through the Chair, it's an area that continues
15 to give us concern in the police department and, you
16 know, my passion towards mental health, being a therapist
17 myself and seeing it and recognizing how it impacts our
18 community, how it impacts crime rate and recognized, it
19 serves zero purposes to arrest someone who's suffering
20 from mental illness. You're, re-victimizing a victim of a
21 disease that they, number one, didn't want, didn't ask
22 for, and have no power over. And, and so that's why CIT
23 is so important because it allows the officers' number
24 one, to utilize training, which is great training, state-
25 of-the-art training, best practice training. There are

1 white paper studies on it emanating out of Memphis,
2 Tennessee. It's saving lives, and I'm very hopeful that
3 it will save lives in our community as well.

4 CHIEF WHITE: The key takeaway is that you register
5 the mental health patient, right? So you know that if
6 you're seeing Mr. Smith or MS. Smith on a corner in the
7 City of Detroit, for all intent and purposes that is
8 their residence. And so you're able to register them by
9 location if you don't have a name, by description, and
10 then as you build the profile of them, you know, the
11 medication that they're on and you're able to treat them
12 or get them treatment and not incarcerate them. The idea
13 with the program is once you start to become familiar
14 with certain people in certain areas like the gentleman
15 you were talking about downtown, and interestingly, I
16 know exactly who he is, and I can tell you that he is off
17 of his medication, right? And so he can be quite
18 confrontative. And so we have people that work in that
19 area that we'll be able to say, that's Mr.... I'm not going
20 to say his name right now, and recognize how to interact
21 with them and get them the services that he needs,
22 because the next step, in his disease, generally
23 speaking, is violence.

24 CHIEF WHITE: And so you know, it's a problem, not
25 just in Detroit, but in America. I mean, we're not

1 servicing the mentally ill population the way that we
2 should. There's a stigma associated with mental health.
3 People think that you have to be perfect. We all have
4 someone's suffering in our families, and many of us, in
5 our own ways, are suffering, if from nothing else,
6 depression. So we are working, we're excited about the
7 opportunity, but we're going to need more resources.
8 Police departments in this country are going to need more
9 resources. Police officers are going to need this
10 training. And I think, you know, if we want to seriously
11 impact crime, you're not going to be able to do so,
12 unless you impact mental health, because the decision-
13 making metric that's causing people to kidnap folks
14 because they broke up with them, to shoot into crowds of
15 a hundred people to leave a gun unsecured with a four-
16 year-old walking around the house, there has to be a
17 mental health nexus to this poor decision-making because
18 we lock them up, I've got a pipeline of folks willing to
19 make the same bad decision to follow right behind them.

20 CHIEF WHITE: So if you want to disrupt the pipeline
21 to the jail system, you've got to fix the mental health
22 problem, you've got to fix people who are making long-
23 term decisions for short term problems, who don't have
24 impulse control, who don't have anger management? And so
25 when we get to the courts, I'll get off my soapbox in a

1 second. But when we get to the courts, we say, instead of
2 sentencing them to clean up the freeway, sentence them to
3 40 hours of mental health treatment. We will see an
4 impact on poor decision-making. And that's the drum that
5 I'm going to continue to pound, I'm going to continue to
6 meet with the courts and see if we can truly get a mental
7 health court up and running so that we can stop looking
8 at people needing mental health services, cleaner side of
9 our freeway, because they got arrested for disorderly.

10 CHAIRPERSON HOLLEY: Thank you. Thank you very much.
11 Obviously, this is a conversation that all of us probably
12 will have to continue to go forward with this. Without
13 saying anything, Commissioner Linda Bernard, I just want
14 you to know that we had a legal opinion about the binding
15 contracts and the binding legal opinion basically
16 overrides the charter. And we already had an opinion from
17 the law department about that. But we still don't mind
18 talking to them again and give it once more to you. But I
19 thank all of you for your questions. Chief, as we move on
20 ---

21 COMMISSIONER BURCH: Excuse me, please.

22 CHAIRPERSON HOLLEY: Yes. Ma'am.

23 COMMISSIONER BURCH: May I do a follow-up please to
24 Chief White, which involves AC LeValley. In the 11th
25 Precinct and District 3, we have a program, sir, I don't

1 know if you know about it, but it's called beautification
2 where we involve gas station businesses to beautify the
3 area where they are. We have six businesses that signed
4 up to do that. So sir, if we have a program like that,
5 that gives an opportunity for the officers to go by, to
6 encourage those businesses that we appreciate you
7 cleaning up where you live because it makes our
8 neighborhoods safer. So I wish you would check that out,
9 that I really was assisted by a conversation with AC
10 LeValley and also captain Blackwell. If you'd be so kind
11 to see if you would look into that, that if we work
12 together, we do better than if we do separately. I'm
13 about solutions, not just the problem. That's all I
14 wanted to ask. Would you please check with AC LeValley?

15 CHIEF WHITE: Yes, I will.

16 COMMISSIONER BURCH: And Captain Blackwell.

17 CHIEF WHITE: Yes, ma'am, I will.

18 CHAIRPERSON HOLLEY: Thank you very much. Chief, I
19 just want to move on while you're still there and you and
20 your time and everything. I just want to go into this
21 small presentation that you're giving us regarding the
22 disciplinary process. If you could just give a little bit
23 of that without missing any names or anything like that,
24 I think the Commissioners will - I will appreciate it,
25 but I want to make sure that we really get to this and

1 give some information to the community as well as to the
2 Commissioners in regards to the disciplinary process.

3 CHIEF WHITE: Yes, sir. Through the Chair, if we
4 could bring Director Chris Graveline up or over. He will
5 provide an overview of the disciplinary process and he
6 will not be mentioning anyone's name in particular, but
7 he'll be talking about what we recognize, what areas that
8 we need to make some improvements, and our steps going
9 forward from this point. But before we do that, and as he
10 comes over, I do want to bring clarification to something
11 I said earlier, and thank you, Commissioner Carter. It is
12 in fact, a late model Pacifica minivan - a black minivan.
13 And we'll be releasing that to the media if it hasn't
14 already been, but it will be released this afternoon. It
15 is a late model for anyone listening to the Pacifica
16 minivan. So you are absolutely correct and thank you for
17 pointing that out, ma'am.

18 CHAIRPERSON HOLLEY: You'd go, Lisa, you go, girl.

19 COMMISSIONER CARTER: Every now and then I get one
20 right.

21 COMMISSIONER BURCH: Every now and then. When you do
22 speak, it's profound. Very good.

23 CHAIRPERSON HOLLEY: I'm sorry. Go right on.

24 DIRECTOR GRAVELINE: Through the Chair.

25 CHAIRPERSON HOLLEY: Yes. Thank you.

1 DIRECTOR GRAVELINE: Director Chris Graveline. So as
2 everyone was aware last week there was a television
3 report highlighting one of our officers who had a number
4 of citizen complaints through the years. And so we did a
5 deep dive this past week and just took a look at some of
6 our disciplinary procedures and identified what we can do
7 better to identify patterns. Because lots of times when
8 we were talking about alleged misconduct or discipline
9 the people are focused on this particular allegation as
10 opposed to stepping back and maybe taking a look at the
11 forest through the trees, so to speak. And one of the
12 things that Chief White's already identified and is going
13 to be implementing is a risk management unit. That's
14 specifically tailored to do exactly that, to be taking a
15 look at officer's profiles, especially those officers who
16 have a number of citizen complaints doing a deeper dive
17 into some of the risk management factors that go into
18 that, that unit is specifically going to be tasked with
19 coordinating with the Office of the Chief Investigator to
20 identify those officers who have a number of complaints
21 especially those who have a pattern that talks about
22 demeanor. It talks about repeated times of procedural
23 violations.

24 DIRECTOR GRAVELINE: Another thing that Chief White
25 is planning on implementing as well, not implementing,

1 but actually he's going to be hiring a director of
2 diversity equity and inclusion. And that person will also
3 be looking at mass profiles of our officers, specifically
4 tailored to, if there are lots of complaints dealing with
5 race or dealing with sexual orientation, any of those
6 types of things. And so those two entities, both the
7 director of diversity equity and inclusion, along with
8 our risk management unit. We'll be doing what we need to
9 do. And that is to kind of take on that step back of not
10 just focusing on this particular complaint, but what's
11 the larger pattern and identifying those officers, we
12 need to take more of an intervening step with. One of the
13 good things I think that we learned through our review
14 was that there wasn't anyone particular in the system
15 that failed.

16 DIRECTOR GRAVELINE: It was more of identifying how
17 we can better communicate both with the Office of the
18 Chief Investigator and discipline and our own internal
19 commands to make sure that we're catching these types of
20 things. I think another important factor in all of this
21 is, when an officer has not been sustained from the
22 Office of the Chief Investigator. So for example the
23 officer that was highlighted had 85 citizens' complaints.
24 Well, 10 of those were sustained, 75 were not. And so
25 when it's not sustained the facts of that particular

1 incident, don't usually make it over to the department.
2 And so for example, this past week, I reached out to Mr.
3 Akbar and his staff were fantastic. They were able to
4 reach back and find records that go back to 2017. And we
5 started funneling that information over to us.

6 DIRECTOR GRAVELINE: So we could take a better look
7 at what was going on with this particular officer. And so
8 I want to definitely give some kudos to Mr. Akbar and the
9 staff of the Office of the Chief Investigator. They've
10 been very good this past weekend and have been very
11 supportive in everything that we've asked for. And then
12 finally the Chief will be making a recommendation next
13 week, specifically to the officer that was highlighted in
14 that particular newscast to the Board of Police
15 Commissioners and what the department's decision will be
16 going forward with that officer.

17 CHAIRPERSON HOLLEY: Thank you so much, Director.
18 Commissioner Bernard, quickly.

19 COMMISSIONER BERNARD: Yes. I just want to
20 congratulate you, Chief White on doing something that
21 actually should have been done years ago, and that is
22 creating an office, if you will, of diversity, equity and
23 inclusion. I am ecstatic because I am familiar with the
24 history of the racial issues that have existed within the
25 department over the last several years. Congratulations

1 to you. And now someone is going to be responsible for
2 that. It's fantastic. Thank you.

3 CHAIRPERSON HOLLEY: Any other Commissioners have
4 questions, real quick?

5 COMMISSIONER BELL: Yes sir, Mr. Chairman.

6 CHAIRPERSON HOLLEY: You go right on, sir.

7 COMMISSIONER BELL: Thank you. I just want to point
8 out to the Director and Chief, we need to spend an hour
9 in the academy to talk about customer service. I mean
10 there it's always been an issue even when I work at OCI
11 and I don't understand. I thought it would decline when
12 we have cameras, but it hasn't declined. I spoke to this
13 matter about a month ago, but most businesses have
14 customer service. And we need that in terms of insisting
15 on an officer to provide courtesy to people, even under
16 the most difficult circumstances, they can provide
17 courtesy. I know that personally, I know it
18 professionally. So we need to try to incorporate that in
19 terms of our academy curriculum, which I think is sort of
20 crucial. There are no excuses for bad demeaning and bad
21 manners and in most serious cases it doesn't warrant a
22 person to be called out of their name, et cetera, et
23 cetera as you well know. Chief White, you have
24 experienced it, you know that. You have been the
25 commanding officer for quite some time. You've been a

1 line supervisor, so you know what we experienced. These
2 young officers need to know, we're not going to tolerate
3 demeanor. Thank you.

4 CHAIRPERSON HOLLEY: Thank you, Commissioner Bell.
5 Any other questions from the Commissioners and if not,
6 Director Graveline, I just want to thank you so much and
7 Chief, thank you so much for just really getting on top
8 of this and looking forward to your report in a couple of
9 days, in a couple of weeks. And I think behalf of the
10 Board, as well as the community, how your department has
11 really handled this and input someone that you're really
12 concerned about as all of us are, as you are as well,
13 that you handled this, and you're on top of it and not
14 going to be three months or three years, if we talked
15 about two weeks that we'll hear from you about that.
16 We're very grateful and we're thankful, and we look
17 forward to your, to your final report.

18 CHIEF WHITE: Yes, sir. And thank you and just very
19 briefly. I do want to comment on the demeanor. We have
20 issued a very strict policy very recently on demeanor and
21 name-calling and things like that. That is an
22 unacceptable act in our department. Certainly, you know,
23 we have seen instances where someone is under fire and,
24 you know, they make, you know, excited utterances or an
25 extemporaneous type statement when they're under fire.

1 And we look at those situations individually, but the
2 practice of name-calling or making derogatory comments is
3 unacceptable and certainly derogatory comments as it
4 relates to race, sex, and gender. That's a fireable
5 offense. We're going to take those very seriously and
6 regardless of any employee and number of complaints,
7 pattern and practice behavior will be measured, will be
8 looked at, and this diversity equity and inclusion group,
9 as well as our risk assessor, will play a part in our
10 disciplinary process and the overall profile of the
11 officer. The idea is we've got, you know, fantastic
12 police officers here. We want to keep good officers good,
13 and we want to make sure we correct the behavior of
14 those, and they understand the standards of this
15 organization and those that don't meet the standard will
16 not have the benefit and privilege of being a police
17 officer. It is not a right to wear this badge. It is a
18 privilege to wear this badge and in order to avail
19 yourself of that privilege, there will be standards of
20 conduct that you must adhere to. So I just wanted to
21 leave you with that and say, thank you very much for your
22 commentary.

23 CHAIRPERSON HOLLEY: Thank you very much, Chief. It's
24 really a nice way for you right now to come and make your
25

1 report. Akbar, maybe I need to give you the proper
2 introduction. Chief Investigator, Akbar. There he is.

3 MR. AKBAR: Okay, I'm right here. I'm ready to get
4 started. As soon as they get this video going, I will be
5 ready to roll right now, and thank you. Okay. All right.
6 Good afternoon, Honorable Board. I am Lawrence Akbar, the
7 Interim Chief Investigator of the Office of the Chief
8 Investigator and what I'm going to do today, I'm going to
9 present you with a brief synopsis on the OCI process. I'm
10 also going to talk to you about the OCI statistical data,
11 and last but not least give you an update on the OCI
12 staff and case status report. Would you move to the next
13 slide? Office of the Chief Investigator, citizens'
14 complaint process. Citizens' complaints are filed in a
15 CCR form in the mass awareness system. Mass and OCI
16 automated system processes communicate with each other.
17 OCI submits monthly OCI reports and CCRs were received by
18 the Chief of Police and his executive staff. Generally
19 given all the spreadsheet, OCI investigative process.
20 CCRs are assigned to the OCI investigative staff, OCI
21 investigative staff conducts the investigation. Following
22 the supervisory review and approval the chief
23 investigator reviews and approves the complaint reports
24 and submits them to the BOPC for final review and
25 approval.

1 MR. AKBAR: The BOPC approval process. BOPC reviews
2 and approves the OCI client reports. Finding letters are
3 sent to citizens along with a copy of the complaint that
4 they filed. Sustained compliant reports are submitted to
5 the displayer administration and Civil Rights Division.
6 All complaint reports with allegations and findings are
7 submitted to the respective commands. We have a Smart
8 sheet that's in the development stage to file all
9 complaint reports. Final OCI mass process. OCI and mass
10 systems electronically communicate with each other, which
11 includes the complaint allegations and findings. OCI
12 reporting process. Now, all these things that are listed
13 here are our reporting process. Every month we send out
14 the OCI monthly Chief of Police report generally on a
15 spreadsheet. We submit our data to the open data portal
16 report. OCI ongoing monthly reports to the BOPC. And of
17 course, Miss Teresa Blossom puts together our OCI annual
18 report. OCI multiple complaint reports.

19 Mr. AKBAR: Requests for OCI information. We're in
20 the development stage for putting up for the DPD, OCI
21 information requests because a lot of departments and
22 city departments request information from the Office of
23 the Chief Investigator. We're going to get it on the
24 smart sheet so they can actually access that. The
25 statistical part right now, I'm going over as OCI

1 citizens' complaint received for June 20, 2021, versus
2 June 20, 2020. 10% decrease, as you will see in June of
3 2021, 137 complaints were received. And in 2020, 152.
4 Citizens' complaints were received by DPD June to July.
5 And we'll talk about the fiscal year 2020/2021 versus
6 2019/2020, 194 CCRs more than the physical year, which is
7 an 18% increase.

8 MR. AKBAR: Citizens' complaints closed. 65 OCI CCRs
9 were closed in June of 2021, 108 allegations. The top two
10 allegations are demeanor and procedure. Demeanor is, as
11 far as I'm concerned, the most important. It's the
12 interaction between the citizen and the police officer.
13 Negative encounters with the police department with
14 respect to demeanor, we ended up, we ended up having -
15 it's the gateway to all those allegations that is on this
16 particular slide. Now I'm going to give you the OCI staff
17 case status report as of July 29, 2021. OCI Staff on
18 rotation. We have 10 investigators and all my supervisory
19 staff are doing cases. Recent separations. Investigator
20 Carol Nichols, July 16, 2021, retired. Investigator
21 [inaudible 01:27:24] Neely left us on June 23, for new
22 opportunities. Investigator Daniel Calloway's schedule in
23 the near future, August 6, 2021. He's pursuing another
24 opportunity within the employment of the City of Detroit.
25 280 cases are open due to the separation. 142 cases were

1 over 90 days. We are about to have two new hires, August
2 7, two investigators, which I'm very proud to bring on
3 board. I'm going to talk about the OCI statistics as of
4 July 29, 2021. We received 95 citizens' complaints during
5 this month. We closed 62 of them.

6 MR. AKBAR: Now, when we take a look overall from
7 January 1, 2021, the Office of the Chief Investigators
8 received 775 citizens' complaints. We closed 481 of
9 those. And I want to tell you that all of the data that
10 comes to OCI is very essential to oversight and to the
11 department. And I want to thank Director Graveline and
12 also the Chief of Police for their cooperation in terms
13 of working together trying to change the culture and
14 conduct of Detroit police officers. Just listening to the
15 presentation from the Chief of Police, our office, and
16 our team, we're looking forward to working with the risk
17 management team and the quality and diversity inclusion
18 team in terms of trying to make our department better and
19 also save us money in the long run, because remember a
20 lot of these complaints end up being losses, and we want
21 to cut down on losses and lawsuits for the City of
22 Detroit. At this time I've completed my presentation and
23 Honorable Board, it'd be my honor to answer any questions
24 that you have at this time.

1 CHAIRPERSON HOLLEY: Thank you so much, my friend,
2 thank you very much. Vice-Chair Jones?

3 VICE-CHAIR JONES: Thank you so much. Through the
4 Chair. Thank you for your report Deputy Chief Akbar on
5 the CCR. Apparently from what I could see the CCR is
6 something that's taken very seriously in your department.
7 I noticed that in your endeavors to complete these
8 assignments your investigators go through a lot to make
9 contact with the person that's making the complaint. I
10 see where you mail letters, you do visits of the home,
11 and you canvass for witnesses. You, you do a great deal.
12 Can you explain a little bit more about that process that
13 you use to engage the person's complaint and to let them
14 know that it's taken seriously?

15 MR. AKBAR: Well, we do all the things that you've
16 mentioned in addition to, if we haven't been able to get
17 ahold of them within 45 days, we send them an update
18 letter, letting them know that that case is still being
19 looked at. And one thing about our office, even if we
20 don't get in contact with the complainant by
21 investigators, we still do a complete investigation that
22 protects the City of Detroit because a lot of times,
23 sometimes they hire attorneys and file complaints with us
24 and they tell them don't cooperate with us, hoping that
25 we don't do anything with the case. And then when it

1 comes up in court we have to defend why we did not do the
2 investigation. However, we complete all investigations,
3 whether they cooperate with us or not.

4 CHAIRPERSON HOLLEY: Any other question. Commissioner
5 Linda.

6 MR. AKBAR: Well, I think Ms. Burch had her hand up
7 first, but

8 COMMISSIONER BURCH: Thank you, Mr. Akbar, I did. I
9 thank you. May I speak?

10 CHAIRPERSON HOLLEY: But I'm running this meeting.

11 MR. AKBAR: I'm sorry about that.

12 COMMISSIONER BURCH: Excuse me. Excuse me. Don't get
13 mad at me.

14 CHAIRPERSON HOLLEY: I'm going to go with beauty over
15 intelligence. Let's go.

16 COMMISSIONER BURCH: Okay. Thank you, Mr. Chair, Mr.
17 Akbar, I just want to share with you that a demeanor is
18 important to run any organization. So I'm getting to the
19 point of that, like you said, customer service. When
20 things happen with a complaint of a citizen that calls
21 into a Precinct and perhaps they may get hung up on
22 accidentally or whatever. That's one of the complaints
23 that I had Mr. Akbar. Now, if that person is saying, like
24 you said, hung up on, does that officer, whoever answered
25 the phone, will they get the number and call back? Like,

1 is it a receiving number of the number called in, sir?
2 And can that officer or whoever answered the phone call
3 back if they misconnected, that's just one part of the
4 question.

5 MR. AKBAR: Well, that's the police part, however, at
6 the Precincts, just like I have on my phone there's
7 caller ID. So they certainly could accidentally
8 disconnect it or whatever. They could reach out to the
9 person that called, but that's at the Precinct.

10 COMMISSIONER BURCH: Yes, look into that because we
11 do get people that say, I called, they hung up on me or
12 they were rude. So again, that would be that person's
13 word against whoever answered the phone. And then I
14 wanted to say, Mr. Akbar, we need to check when there are
15 visitors in our Precincts, are they allowed to use the
16 phone? Maybe they picked it up and wasn't supposed to
17 pick it up whoever that person was that may pick up a
18 phone in a Precinct because it's kind of loose. And then
19 I wanted to say - I'm talking to everybody, Mr. Akbar. I
20 know that when we worked with the recruiters, the new
21 recruits, we would tell them all the time, would you be
22 intimidated by a senior officer that you saw was rude?
23 Would you be afraid to speak up and say that was not the
24 right demeanor? So again, we have to help our officers
25 help each other. You see what I'm saying Mr. Akbar? Most

1 of those officers would say, I would listen to my senior
2 officer being rude or not.

3 MR. AKBAR: Right. One of the things that we would do
4 when we were at the academy we spoke to that very thing
5 that you're talking about letting the officers know that
6 if a conversation is going sideways with a citizen, for
7 them to politely, you know, step in and take that over
8 and deescalate that situation. So we're telling them that
9 at the academy. I'm hoping that they have de-escalation
10 classes, which I believe they probably do. I'm just not
11 aware of it.

12 COMMISSIONER BURCH: They did when I used to go with
13 Mr. Bell and even the boss. We asked those questions to
14 those recruits. Don't be afraid to speak up. That's what
15 I'm saying.

16 CHAIRPERSON HOLLEY: Thank you very much.

17 COMMISSIONER BURCH: Thank you, Mr. Chair.

18 CHAIRPERSON HOLLEY: You're welcome. Commissioner
19 Bernard, do you have a question? And then after that
20 Commissioner Burton. I can't hear you.

21 MR. AKBAR: You're muted, ma'am.

22 COMMISSIONER BERNARD: How are you? Sorry, Mr.
23 Chairman. Very quickly. As we all know, as for every one
24 complaint you actually get, you may have 20 or 30 people
25 that actually had the same complaint but just didn't take

1 the time to register. So I think that all complaints,
2 whether they're sustained or not, should really be
3 thought about, because we both know people don't have the
4 time these days to come back. But my real comment, Mr.
5 Chairman, and I've spoken to Mr. Akbar about this. I
6 think we should conduct a survey as I did as a lawyer
7 with legal services with our customers. When we settle a
8 case and we let the person know what we did with their
9 case, I want us to send a survey with three to five
10 questions, asking what they felt their experience was
11 like, so we could approve of our service. So, I mean,
12 I've talked to Akbar about this. I'm willing to work with
13 him on this but it was a group paper, so it was
14 different. You didn't think it was ordinary stuff and
15 they sent it back with postage prepaid. So I'd like us to
16 survey our customers.

17 CHAIRPERSON HOLLEY: Thank you so much. Commissioner
18 Burton. Commissioner Burton. I see your hand, but I don't
19 hear your mouth. Commissioner Burton. There you go, come
20 on. You got it. Commission Burton. Okay. Commissioner
21 Bell, is that you?

22 COMMISSIONER BELL: Yes, sir.

23 CHAIRPERSON HOLLEY: Forgive me.

24 COMMISSIONER BELL: No, no, I think, I don't know.
25 Anyway, I just thank you, Chair, for giving me an

1 opportunity to speak. I just want to commend Interim
2 Chief Akbar and his staff. And I would hope that in the
3 next process of opening up to other Commissioners that
4 the Commissioner Jones and Commissioner Holt did an
5 excellent job of reading cases and processing, but they
6 took the time to return cases in person to make sure to
7 get it in a timely manner. So I hope we have to monitor
8 to make sure we continue that. We have worked through
9 COVID as you well know for the last year or so. I want to
10 commend the staff. I think we need to help form a
11 recognition of some of the investigators who did an
12 outstanding job in those areas. So when I look at DPD,
13 they help quarterly or whatever that is. We need to
14 recognize our investigators. That would be a sidebar
15 conversation with the Chair. Thank you.

16 CHAIRPERSON HOLLEY: You want to say thank you, Mr.
17 Akbar. You want to tell him, thank you?

18 MR. AKBAR: I'm thanking him, I'm thanking the whole
19 Commission.

20 CHAIRPERSON HOLLEY: Commissioner Burton, are you
21 still trying to get in here? Commissioner Burton.
22 Commissioner Burton, one more time. Commissioner Burton.
23 At this time we go to the report of the Secretary.

24 COMMISSIONER HOLT: Excuse me. Chair Holley.

25 CHAIRPERSON HOLLEY: Yes.

1 COMMISSIONER HOLT: I'm sorry. You have two hands
2 raised.

3 CHAIRPERSON HOLLEY: Okay, how is it that you see
4 what I can't see. What is it that you got?

5 COMMISSIONER HOLT: I don't know.

6 COMMISSIONER CARTER: It's in the settings.

7 CHAIRPERSON HOLLEY: Okay, go ahead.

8 COMMISSIONER CARTER: I just have one thing to add. I
9 think she's speaking about me raising my hand.

10 COMMISSIONER HOLT: Correct.

11 COMMISSIONER BROWN: And me.

12 COMMISSIONER HOLT: Correct.

13 CHAIRPERSON HOLLEY: Okay.

14 COMMISSIONER CARTER: So I just had a follow-up with
15 Commissioner Bernard's suggestion that we survey
16 everyone. I totally agree with that. And I think that one
17 way we can do it is when they get their results, that
18 there's a QRC code, either put on it so they can scan it
19 right away or a link that they can go to and just let
20 them know that everything is confidential. I think that
21 that's the perfect way to go for us so that we get some
22 feedback from the residents that have submitted
23 complaints. The second thing I wanted to ask Interim
24 Chief Akbar, I know that a while ago, the letter that the
25 residents got after their complaint was investigated, the

1 letter that they received, you did something different
2 with it. You changed something or something like that. Is
3 it possible you can send me a copy of the new letter or
4 what it looks like because I can't remember if...

5 MR. AKBAR: Okay. That's not a problem. It may not be
6 user friendly, but I can send you a copy.

7 COMMISSIONER CARTER: Okay. I'm talking about the
8 letter. They used to give a letter that really was
9 basically nothing. And Interim Chief Akbar changed the
10 letter so that they have more information in the letter
11 that was sent to them. So that's what I'm talking about.

12 CHAIRPERSON HOLLEY: Very good. Okay. Yeah.
13 Commissioner Davis. I see your head, I see your hand. So
14 don't go nowhere and don't get mad at me, but I got to go
15 to Commissioner Brown, okay. Commissioner Brown.

16 COMMISSIONER BROWN: Yes. Thank you, Mr. Chairman.
17 Mr. Akbar, of course, you know, my concern is that these
18 complaints are always over 90 days late. And just going
19 back to reviewing the complaints, I received a complaint
20 that was filed in 2020 and looking at the dates on there
21 that it was already investigated and wrapped up and ready
22 to go. So my question is what is the struggle or the
23 process with getting these complaints out in a timely
24 manner? Because to me that's unacceptable. Secondly,
25 looking at the complaints that I've gotten now that I'm

1 reading, I noticed that the date the complaint was made
2 wasn't given to you or tested again for four months. So
3 what's our timeline for that? Is it 30 days? 60 days, 90
4 days, and when was that set by the Department of Justice?

5 MR. AKBAR: Well, we have 90 days to complete an
6 investigation. But Commissioner Brown, as you well know,
7 during the COVID-19 pandemic people working were working
8 at home. It really made it difficult for investigators
9 with respect to completing their investigation. And I say
10 this not to make an excuse, but that pandemic really had
11 done a job on us. If you look at 36 District Court, if
12 you look at Third Circuit Court, if you look at the State
13 Court, they have a tremendous backlog. Okay. Tremendous
14 backlog in cases. That didn't just affect the Office of
15 the Chief Investigator. It affected all types of entities
16 around the State and the country. We did a heck of a job
17 to keep our office open, to be able to assist citizens.
18 We didn't close up like most businesses did during the
19 COVID. I mean, that's the best answer I can give you,
20 Commissioner Brown, but we are working hard and
21 diligently to complete those backlog cases.

22 COMMISSIONER BROWN: And then one more question, Mr.
23 Chairman, In light of the loss of people, I think we've
24 lost more people than what you stated. I think the number
25 is up about six. That's kind of unprecedented in a time

1 when we need people the most, when we should have been
2 hiring people. What is the main reason people are leaving
3 our department or are they doing exit interviews and
4 already making a statement or anything like that. I'm
5 concerned about that, that we lost this many people in
6 such a short period of time.

7 MR. AKBAR: Commissioner Brown, I know you are well
8 aware that across the country, during this pandemic, it's
9 very difficult for people to field positions. The job
10 market is open and very wide, and people now are looking
11 at moving around and taking other different opportunities
12 in other places. So I don't know what you're trying to
13 imply, but we're working hard. Office of the Chief
14 Investigator, we are at the top of the food chain. The
15 Board of Police Commissioners is a well-respected
16 organization. And with the investigator [inaudible
17 01:44:03] and we're at the top of the food chain. It's a
18 great place to work. You know, just like the sayings that
19 I hear from Commissioners, love your work, great place to
20 work. It's a great place to work. Now, is it difficult
21 work? Yes, it is. It takes a certain type of self-
22 discipline to be able to do that and you should be well
23 aware of that.

24 CHAIRPERSON HOLLEY: Thank you very much, Mr. Akbar.
25 Thank you so much Commissioner Brown. You know, most of

1 these exit polls of an employee had missed a year. You
2 know, better than I do Commissioner Brown, because I
3 learned a lot from you up to a couple of years about
4 this, it's confidentiality, and so the other thing, of
5 course, I've met a couple of people that's leaving. And I
6 just asked them, is it something that I did, can I come
7 in and you want to... they basically got better jobs, and
8 more to their liking to the people that I talked to, but
9 I'm not dismissing your question. I'm just trying to
10 basically let you know that much of the confidentiality,
11 as you know, but I did talk to a couple of people and
12 they seemed not to be a problem with the environment as
13 it was their personal ambition. Commissioner Davis,
14 you've been very patient with me and I want to get to you
15 right away.

16 COMMISSIONER DAVIS: Well, actually Commissioner
17 Brown stated what I was going to raise about the exit
18 interviews. Because I asked about exit interviews like
19 about three or four months ago when it looked like we had
20 a disproportionate amount of our investigators leaving
21 and we still probably shouldn't be receiving some type of
22 update on exit interviews, because I know we were doing
23 exit interviews for over 30 years in the water
24 department, so they shouldn't be that hard and they

25

1 should be available to the Commissioners to review.
2 That's all I have to say.

3 CHAIRPERSON HOLLEY: And this is good, but also
4 remember we have an HR Department that we would also like
5 to get involved in that as well. But I'll do better, in
6 terms of getting somebody to respond to both of you,
7 because I know that it is a concern, but also want to
8 make sure that I'm fair to Chief Akbar. And I went over
9 there and had about an hour and a half meeting with the
10 whole staff just to introduce myself and I was just
11 impressed with the work ethic and the staff that's over
12 there. But again, that's just me, one person. I thank you
13 so much. At this particular time, if there are no other
14 questions, I want to let you all know that Deputy Chief
15 Bliss is representing the Interim Chief of Police White.
16 I thank you for being there, Deputy Chief Bliss. Thank
17 you so much.

18 DEPUTY CHIEF BLISS: Good afternoon. Thank you.

19 CHAIRPERSON HOLLEY: Okay, let's go to the
20 Secretary's report. You've been very kind and patient.

21 MS. WHITE: Good afternoon, Honorable Board and
22 please note the agenda for the incoming correspondence
23 this week. And they are listed as follows: weekly DPD
24 facial recognition report for the week of July 19th
25 through July 25th, 2021. And you also received various

1 staff reports and Honorable Board, please note the
2 following: Ms. Jonya Underwood has shared a memo
3 regarding the processes that we will utilize as the Board
4 returns to in-person meetings starting next week. So
5 please check your email inboxes for that memo and to
6 follow up accordingly with Ms. Underwood. Additionally,
7 please note that the proposed bylaw amendments that we
8 shared just a couple of weeks ago, we have shared that
9 with the parliamentarian Dr. Francis Jackson, if she is
10 reviewing those items and sharing feedback, and we will
11 send further updates in that regard, and also note,
12 Honorable Board that you did receive the updated OCI
13 commissioner's rotation list for reading cases. So please
14 review your email inboxes as well. Thank you, and that
15 concludes incoming correspondence.

16 CHAIRPERSON HOLLEY: Thank you Secretary White. I
17 have also asked that the parliamentarian give me an
18 evaluation of the month that I've been here as Chair and
19 how I can do better. And so I will get an evaluation of
20 that for these first four weeks. But I want to thank you
21 so much for being patient with me at this particular
22 time. I'm going to ask if there is any unfinished
23 business.

24 COMMISSIONER BURCH: Yes.

25 COMMISSIONER BURCH: Yes, ma'am.

1 COMMISSIONER BURCH: Commissioner Bernard was first.

2 COMMISSIONER BERNARD: Just real quickly. I won't be
3 in Detroit next Thursday. How can I participate in the
4 meeting? Melanie can get back to me on it if she likes,
5 but Commissioner,

6 CHAIRPERSON HOLLEY: We will do that, we'll get back
7 to you. I want you to be there. Commissioner Burch?

8 COMMISSIONER BURCH: Yes, Chair Holley and to Chief
9 White and to my fellow Board members. I was the person,
10 and I'm the type that I must, through my demeanor, make
11 an example. I apologize. I'm the one that sighed. So that
12 is never my demeanor, but I put it on the record. If you
13 heard a sigh that was from me. I apologize, okay. To you
14 Chair Bell and everybody else, Chair Holley, that's what
15 I wanted to say.

16 CHAIRPERSON HOLLEY: Thank you, and we accept your
17 apology. Thank you so much. Any new business.

18 COMMISSIONER BURCH: The new business, yes, sir. Mr.
19 Chair, I would like to share that we are recruiting on
20 August 7th at the Belmont shopping center.

21 CHAIRPERSON HOLLEY: Commissioner Burch, that's not
22 new business, that's an announcement.

23 COMMISSIONER BURCH: Okay, I'm sorry.

24 CHAIRPERSON HOLLEY: That's okay. You don't have to.

25

1 I got something for you, Mr. Brown, tell her what I
2 have for her?

3 MR. ROB BROWN: Several announcements.

4 CHAIRPERSON HOLLEY: Announcements.

5 COMMISSIONER BURCH: Yes. Everybody's invited on
6 August 7th.

7 CHAIRPERSON HOLLEY: I got Mr. Brown doing it for
8 you.

9 COMMISSIONER BURCH: Oh, he's going to do it for me.
10 Okay.

11 CHAIRPERSON HOLLEY: Okay. I got somebody to work for
12 you.

13 COMMISSIONER BURCH: Bless your heart. Bless you.

14 CHAIRPERSON HOLLEY: Mr. Brown, announcements.

15 MR. ROB BROWN: Okay, Mr. Chair. The announcements
16 for the next Board meeting August 5th, 2021 at 3:00 PM at
17 Detour Public Safety Headquarters. And our next community
18 meeting is August 12th, 2021. It's going to be hosted by
19 the 5th Precinct. The time and the location would be
20 determined. And Mr. Chair, from there, I got several
21 other announcements I need to make.

22 CHAIRPERSON HOLLEY: Right, but I want to make sure
23 we talked about 3 o'clock. That's the time that has been
24 on the 12th, meeting is 3 o'clock not 6 o'clock. It'd be
25 3 o'clock because we got to do five interviews. So it'd

1 be 3 o'clock. I'm not sure where it will be, but it will
2 certainly be 3 o'clock. Thank you, Mr. Brown, keep going.

3 MR. ROB BROWN: Okay. Thank you, Mr. Chair. Love
4 where you live vision signs. If anyone's interested in
5 getting the sign, there's a donation of \$25 and you can
6 contact Miss Yvonne at (313) 989-8204, Ms. Claudette
7 (313) 320-6462. And Mr. Delmar Shaw (313) -350-9622.
8 Second announcement, Mr. Chair, 8-Mile Boulevard
9 Association, in partnership with the City of Detroit
10 Hazel Park and Warren is having to clean up Saturday, May
11 15, 2021. Volunteers are needed. Volunteers can contact
12 Ms. Patty Rue at (248)-336-4 151 or Commissioner Burch at
13 (313)-350-9622. Also, the 15 annual neighborhood date is
14 going to take place on Saturday, August 7th, from 12 to 3
15 at Dad Butler Park with light refreshments, adult swing,
16 fun giveaways, and with a live DJ. Detroit newest
17 historic tourist attraction. The reservoir mural
18 transformation is calling all artists. So if there's an
19 artist who wants to get involved, please check with
20 Commissioner Burch. And last but not least, the community
21 united for progress has a phase 3 redevelopment in
22 District 3 and is the visionary of Ms. Shirley Burch. You
23 can reach her at (313) 350-9622. If you want to keep the
24 conversation and get involved. Mr. Chair, that's all the
25 announcements.

1 CHAIRPERSON HOLLEY: Commissioner Burch, is that
2 okay?

3 COMMISSIONER BURCH: Yes sir, I accept and I thank
4 you so much.

5 CHAIRPERSON HOLLEY: All right. Any other
6 announcements? I hear none. Let's move on to public
7 comments.

8 MR. ROB BROWN: Okay. Mr. Chair, we currently have 9
9 speakers. First 3 speakers would be CAC Chair, Mr. Scotty
10 Bowman, followed by Ms. Bernie Smith, followed by Ms.
11 Sharon Parnell. Mr. Bowman.

12 MR. BOWMAN: Greetings. First I extend my sympathies
13 to Chairman Bell, since his top contributor is now facing
14 federal charges. Moving on, I was pleased to hear the
15 questions being raised about contracts and disciplining
16 officers, which is one of the primary purposes of the
17 BOPC. In some cases the surfer judges have backed the
18 surfer perpetrators and using contracts to violate our
19 charter. We should appeal every such rule as far as is
20 legally possible. Each new case should be handled with
21 the charter. And we shouldn't not accept arbitrators who
22 have enabled charter violations in the past. This Board
23 can refuse or approve any budget that enables charter
24 violations. This can be corrected, of course, Detroiters
25 past the people's charter. The DPD won't be able to

1 negotiate contracts that violate the charter. Next
2 replace, I'm sorry, released the video of Nickia Wallace,
3 who was put in a choke-hold, at a protest that is
4 unacceptable.

5 MR. BOWMAN: Also, I've talked to people. I'm going
6 to keep hearing about mini bikes, but what about dodging
7 many and large bullets? I've talked to people east of the
8 city airport, where the shooters are actually known to
9 the police. They know where these people are and they're
10 putting you know, filling up the homes with holes like
11 they are Swiss cheese. And I'm talking about the area
12 east of Connor by the city airport. This is a big
13 problem. Maybe you can't install speed bumps, that's a
14 different department, but the City of Detroit's DPD can
15 certainly deal with people who are speeding and
16 endangering children there with their cars. And so
17 besides mini bikes, which I mean, you know, the only
18 problem if driven wrongly and frankly, the scooters are a
19 much bigger problem. We have people racing down the
20 streets with their cars and people shooting their
21 firearms into houses. That's what really needs to be
22 fixed, especially in the 4th District east of city

23 MR. ROB BROWN: Ms. Bernie Smith.

24 MS. SMITH: Good afternoon, Commissioners. I would
25 like very much for you to be aware, we have someone that

1 is a regular listener, and she's very participant in
2 everything that you do down there at the police
3 commission that is Sharon Parnell. Sharon, she's going to
4 get after me about it. Sharon has been going to the
5 various Precincts and taking them, not only one case of
6 water, but two cases of water. I think we should give all
7 kinds of kudos to that young lady, because she is so
8 dedicated to being available to the police department and
9 their Precinct. And I just love her so much about it. She
10 has such a good heart and we should definitely thank her
11 every time we see her that she's doing a good job. Now,
12 the bad part of this conversation is that my son called
13 me this morning. He's all upset because of my
14 participation in the election, and he happened to listen
15 to some people on the air.

16 MS. SMITH: Now, he has stated to me, I shouldn't be
17 doing what I'm doing and blah, blah, blah, which is no
18 concern of his as far as I'm concerned, because I am
19 fully grown. I've told you over time again, I'm 89 years
20 old and the good Lord takes care of me 24 hours a day.
21 And I want everybody, those that are negative against
22 what I'm doing, you cannot stop me because I'm here to
23 speak the truth. Nobody is paying me to do nothing, but
24 to speak the truth, we should worry about the crime
25 that's participating in our city. Don't worry about what

1 I'm doing. Worry about the crime and get the thieves off
2 the street. And as far as that man that you spoke about
3 at Greektown. I've seen him myself also. He is to be
4 supervised because the police do talk to him. I've seen
5 him talk to him during Garcia's attack. And I feel as
6 though we should do something about opening up a
7 hospital. It was over there on 75, near Matt at one time
8 but Governor Ingler closed the deck.

9 MR. ROB BROW: Ms. Parnell:

10 MS. PARNELL: This is Sharon Parnell. I do those
11 things for myself. I don't need anybody to thank me. I
12 helped my police as much as I could. I've done all of
13 them, except three. I'm going to take some to the east
14 side. You know, I'm not familiar with the east side, but
15 my problem is this police officer that got promoted May
16 22nd, 2019, and got all these problems against him. And
17 he still got promoted. What was wrong with that former
18 chief? He was not checking into stuff. That's a shame,
19 but anyway, everybody stay safe and be careful. Bye. That
20 was good.

21 MR. ROB BROWN: Mr. Chair, the next 3 speakers would
22 be Ms. Francis Wilders, Minister Eric Blunt and Mr. Peter
23 Rhodes.

24 MS. WILDERS: Yes. I'd just like to say to the
25 Commissioners, if we don't appoint Chief White to this

1 position, the City of Detroit will be losing another
2 great person. I hope Chief White gets the position. He
3 has exemplered what he can do. And the people of
4 Detroit love him. Thank you.

5 MR. ROB BROWN: Minister. Eric Blunt.

6 MINISTER BLUNT: Can you hear me, Board?

7 CHAIRPERSON HOLLEY: Yes, we can.

8 MINISTER BLUNT: This is Minister Eric Blunt from the
9 Sacred Heart Catholic Church, where our priest and pastor
10 is Father Norman Paul Thomas. Commissioner Bell stated
11 that he thought body worn cameras would drive complaints
12 down but it hasn't happened. This is just further proof
13 that culture trumps policy all day long. So, until body-
14 worn camera violations include suspension without pay and
15 without benefits, these slaps on the hands will forever
16 be ineffective. On the OCI presentation, deep dive into
17 the officer with 88 complaints. It would not be
18 surprising if it reveals that a former officer, an OCI
19 investigator, has been giving passes to active officers.
20 As someone who has filed a complaint against a police
21 officer, it takes a great deal of courage to file a
22 complaint. So all complaints should be included in any
23 analysis of complaints.

24 MINISTER BLUNT: Commissioner Brown's question on why
25 investigators are leaving must include where they are

1 going. To hear that at least one of them is going to
2 another job within the city could lead some to be
3 concerned that their actions or inactions may be
4 rewarded. With the scheduled end of the eviction
5 moratoriums in 4 days here in Detroit, each and every DPD
6 officer must be warned of the extreme penalties of any
7 involvement in any eviction. We all know this is against
8 departmental policy but we all know it has occurred. The
9 end of this moratorium will surely increase criminal
10 activity and Covid infections, hospitalizations and
11 deaths. Is no one surprised that not a single
12 Commissioner questioned the Chief on police misconduct?
13 Many of you may have been misled on the reasons why I
14 have been---

15 MR. ROB BROWN: Mr. Peter Rhodes.

16 MR. RHODES: Yes, my name is Peter Rhodes. I've been
17 before the Board of Police Commissioners before the
18 pandemic but I haven't been before the Board recently.
19 This month I spoke to city council member, Roy
20 McAllister, jnr. and Board of Police Commissioner William
21 Davis about the open Board of Police Commissioner
22 executive secretary position. I was referred to Detroit's
23 website. The position is not posted on the City of
24 Detroit's website. Could you please have a staff member
25 contact me about the position, whether the applications

1 are still being accepted and whether the position was
2 properly posted? Some believe that the Board of Police
3 Commissioners actually doesn't want to fill the position.
4 And I find that hard to believe because this is an
5 extremely important position, and it should be filled in
6 a prompt manner.

7 MR. RHODES: I am interested. Commissioner Davis has
8 my contact information and I'm in the phone book. So
9 please have a staff person contact me. Thank you very
10 much and I yield my time.

11 MR. ROB BROWN: Mr. Chair, your next 3 speakers will
12 be Ms. Brenda Hill, followed by Mr. Bert Johnson,
13 followed by Ms. Michelle George. Ms. Hill.

14 MS. HILL: Yes, can you hear me?

15 CHAIRPERSON HOLLEY: Yes, we can.

16 MS. HILL: I am so grateful that you'll be going
17 back into in-person meetings soon but I am going to start
18 by saying that my family member had an issue with the
19 police department not following up. And I called and it
20 was handled immediately, and I thank the officers who are
21 helping with her case, and especially First Assistant
22 Bettison. And that kind of service should be done for
23 every case but I really appreciate them helping. Also,
24 there is a video that's been viewed thousands of times
25 with several, more than 20, 30 cars in front of Roy

1 McAllister's house, councilperson Roy McAllister house,
2 burning rubber, doing donuts, all that they do, clouds of
3 smoke that you can see it looks like it's on fire. The
4 video is more than 20 minutes long and before the video
5 was there, there were cars there doing it and cars that
6 continue to come throughout the video. And then one
7 police car showed up, and this is right there at Outer
8 Drive and Vassar. The 12th Precinct is less than a mile
9 away and no police cars came. There's nothing that these
10 folks fear because there is a problem with DPD and you
11 all should be the [inaudible 02:05:39] of getting this
12 stuff straightened out.

13 MR. ROB BROWN: Mr. Bert Johnson.

14 MR. JOHNSON: Good afternoon to this Honorable Board,
15 Mr. Chair and the rest of the Commissioners. My name is
16 Bert Johnson and I am a consultant to the Detroit Towing
17 Association. You all will recall in a meeting a mere 2
18 months ago, about 62 days ago, where you extended the
19 current permits under which the towers operate as police
20 authorized towers. You extended those permits for about a
21 period of 120 days and instructed that a work group be
22 formed with the mayor and the Board of Police
23 Commissioner members and the members of the towing
24 community to deal with the idea of a contract that we
25 took exception with that at that time was opened to RFP.

1 And I wanted to simply ask today, to implore the
2 organization here to drive that process and ask for that
3 work group to be, in fact, initiated. We are halfway
4 through that 120-day period of what was supposed to be
5 due diligence. We have received no notice of an
6 opportunity to appear at a work group, and we do not know
7 what is on the horizon. And so I would respectfully renew
8 my request to have that opportunity brought forward so
9 that we can deal with the business that we thought was so
10 very important just 2 months ago. Thank you and everybody
11 have a great day.

12 MR. ROB BROWN: Ms. Michelle George.

13 MS. GEORGE: Yes, can you hear me? Hi, Mr. Brown.

14 MR. ROB BROWN: Yes.

15 MS. GEORGE: Okay. To Chair Holley, it's good to see
16 you, Chair. Congratulations. To the Honorable Board, I
17 wanted to... I know last week I got cut-off. What I was
18 trying to say, the United States subcommittee on crime,
19 terrorism, and homeland security, Mr. Williams testified
20 before that Board on facial recognition in Detroit. So,
21 we need to be cognizant of that. He went to the United
22 States Congress to talk about the facial recognition that
23 he was arrested, wrongfully arrested for. It is on video
24 if you all want to see under that subcommittee. Also,
25 Chairman Holley, I see why you are concerned about those

1 88 complaints. And when I read that article with that
2 officer that was a catastrophe waiting to happen. I do
3 want to thank Chief White. Chief White, thank you so much
4 because that fell under James Craig, I'm sorry, that's
5 under him. The bible talks about... it's not what goes in
6 the heart of men, it's what comes out. So that's in his
7 heart, that's not customer service. He sees black first,
8 he's going to respond that way and I hope he gets fired.
9 I want to talk about that video that Ms. Hill was talking
10 about. Over about 30, 40 cars and one police car comes
11 and there is shooting. It is on social media. That has a
12 lot to do with... the mayor needs to make a press
13 conference.

14 MS. GEORGE: I've been trying to get to the mayor.
15 They don't even answer the phones at city hall. That's
16 how disrespectful they are. We can't even get the mayor.
17 So I'm trying to reach the mayor because this falls on
18 him. This is not all on Chief White. Also, hopefully when
19 I go to DC in September, police officers, we have to get
20 more money. That goes to the top with the mayor. They can
21 give the police officers one money. There shouldn't be \$2
22 million spent on the media. That needs to go for bonuses
23 for officers. Proposal P is lying, we don't vote yet. I'm
24 sorry.

25

1 MR. ROB BROWN; Mr. Chair that was your last
2 speaker.

3 CHAIRPERSON HOLLEY: All right. Thank you so much.
4 Thank you. To all of those who are viewing online and
5 those of you who participated in comments, and those of
6 you basically from the police department as well as
7 Commissioners and all staff. I just want to mention a
8 couple of things, if you don't mind. Mr. Bert Johnson,
9 we'll get something to you to let you know what we're
10 going to do in regards to the request. We will get that
11 to you and just give us a chance to get through this very
12 important agenda that we have to do in terms of the chief
13 business. The other thing I just want to say to our good
14 friend, Minister Blunt is that we're doing everything we
15 can to really give the assurance certainly from
16 Commissioners like Commissioner Davis and Commissioner
17 Brown, who basically are concerned about the same things
18 that you asked about. We have every confidence that the
19 OCI are investigators, as well as investigating. And also
20 the point is that we've got the confidence, but we're
21 doing everything we can to deal with the exit piece, but
22 we have to do it legally. So I'm just saying to you
23 again, we hear you, and we're not just listening to you.
24 We make notes and staff makes notes and we basically want
25 to make sure that the city employees all have their

1 integrity. And so again, I thank all of you and we want
2 to make sure that we get every question answered.

3 CHAIRPERSON HOLLEY: I thank you so much Board
4 members for your time. Remember the next meeting will be
5 in person. I also want to remind you of what we are
6 getting ready to do on the 12th. It'll be a long meeting,
7 so please have lunch and/or bring it with you. We have
8 five interviews to do 20 minutes a piece. And so I'm just
9 asking you to... this is very important to the community,
10 very important to the police department. And I know it's
11 a priority for you as well. So I thank you. Can I have a
12 motion to adjourn?

13 COMMISSIONER BURCH: Yes, sir. Before you do that
14 motion, I'd like to commend you for your leadership,
15 Reverend Holley, as God guides you that you will do a
16 fine job. And I want to wish condolences to my neighbor
17 that passed away suddenly, no name, just pray for these
18 people that are losing their lives. Thank you.

19 CHAIRPERSON HOLLEY: We will do that. Can I have a
20 motion?

21 COMMISSIONER BERNARD: Mr. Chairman, can we have that
22 as the only agenda item for the 12th, since we have to
23 the interviews? We cannot have an ordinary agenda. We can
24 move right into that so that the candidates will be
25 satisfied, and the Board as well.

1 CHAIRPERSON HOLLEY: Probably what we'll do...That's
2 a good idea. I just want to make sure; one, we have
3 public comment and also we'll poll the commissioners and
4 see if they agree with you. And that's a good idea
5 because we want to be thorough and make sure that we are
6 doing everything we can to get the right people to
7 recommend to the mayor. So that's a good suggestion, but
8 I want to poll all the commissioners to see if they feel
9 the way you do, because it will be a good 3 to 4 hours
10 when we get done, so that's a good idea. It will be at 3
11 o'clock not 6 o'clock we'll be in the community. You okay
12 Vice-Chairperson.

13 VICE-CHAIR JONES: Absolutely.

14 CHAIRPERSON HOLLEY: Okay. So again, thank you. I
15 still need a motion to get out of here.

16 COMMISSIONER BELL: So moved.

17 VICE-CHAIR JONES: Meeting adjourned.

18 COMMISSIONER HERNANDEZ: Support.

19 CHAIRPERSON HOLLEY: All in favor, say aye.

20 COMMISSIONERS: Aye.

21 CHAIRPERSON HOLLEY: Oppose. Thank you so much.
