23 but specifically for the Detroit Police Department. So
24 God, being that you are the same yesterday, today and
25 forever continuously do so. And now God, we just ask your

15 birthday to Joan Robinson Cheeks, who will be 85 this
16 Saturday. She's over in District 5 but she's very active
17 in the community and she serves on our Board, with Ms.

20 MS. WHITE: Commissioner Jesus Hernandez.

21 COMMISSIONER HERNANDEZ: Good afternoon, everyone.

1 CHIEF WHITE: Yes, sir. Through the Chair, I have
2 Deputy Chief DeShaune Sims who will be taking over from
3 me this afternoon. At this time we will try to pull the
4 rest of the staff up. Ms. White, if you could help me

6 MS. WHITE: Okay. Yes, sir. Through the Chair, in
7 reviewing the attendees' list, I do see Captain Jevon
8 Johnson, Captain Lena Liddell, Director Christopher
9 Graveline, Commander Kyra Joy Hope, Sergeant Darshelle
10 Brown, Deputy Chief Charles Fitzgerald, Deputy Chief
11 DeShaune Sims, Director, Katrina Patillo, Lieutenant

13 Lieutenants and Sergeants Association, Commander Michael
14 McGinnis, Director, Reid Branch Wilson, Lieutenant
15 Richard Firsdon, Lieutenant Rodney Sizemore, Sergeant
16 Glenn Anderson. And that concludes the DPD introductions.

17 VICE-CHAIR JONES: Alright, thank you as much as why
18 do we have any special guests or elected officials in
19 attendance with us today?

20 MS. WHITE: Yes, sir. Through the Chair, Ms. Marie
21 Overall of the Office of State Representative Tyrone
22 Carter, and that concludes the special VIP elected
23 officials introduction. Thank you.

24 VICE-CHAIR JONES: Thank you so much, Ms. White.
25 Again, thank you for joining our meeting today. Many

1 Board members have expressed concerns about retaining
2 department members once they receive expert DPD police
3 academy training and recouping DPD training costs. Many
4 in the Detroit leadership are concerned are hard at work
5 on the solution. We received updates from Senator Sylvia
6 Santana's Office regarding her efforts. Her office wanted
7 us to know that form HB 4747 on recouping fees from
8 Detroit police training costs is now SB 375. The Senate
9 has a bill under consideration and Senator Santana
10 expects it will pass and be sent to the House for
11 committee to that end, Senator Santana's Office is
12 requesting the Board to update 221 BOPC approved the
13 resolution to reflect a new bill before the legislature
14 SB 375 prior to advancing to the house that the
15 appropriate time we'll entertain a motion to amend the
16 resolution to reflect SB 375 immediately after my
17 remarks.

18 COMMISSIONER BERNARD: So moved.

19 VICE-CHAIR JONES: We've got the approval of the
20 agenda, that's on the list next for October 5th. The move
21 has been made. Is there a second?

22 COMMISSIONER HOLT: Second.

23 VICE-CHAIR JONES: All in favor of that agenda, say,
24 aye.

25 COMMISSIONERS: Aye.

1 VICE-CHAIR JONES: All opposed. The motion carries.
2 Introduction of the BOPC staff of police elected
3 officials. Approval for the minutes was September 30th,
4 2021. Are there any corrections that need to be made to
5 the minutes?

6 COMMISSIONER BERNARD: So moved.

7 VICE-CHAIR JONES: No corrections?

8 COMMISSIONER BERNARD: Move to approve.

9 VICE-CHAIR JONES: Okay. Thank you then. If there are
10 no amendments to the minutes that need to be made, we're
11 going to move right on to the officer's report. Oh, did I
12 miss something?

13 MS. WHITE: No.

14 VICE-CHAIR JONES: Okay, good.

15 COMMISSIONER BERNARD: I have a question, Mr.
16 Chairman, about your report.

17 VICE-CHAIR JONES: What is your question Commissioner
18 Bernard?

19 COMMISSIONER BERNARD: It's just that you mentioned
20 what was happening with the legislature and concerning
21 this matter. I would ask, I know that we're relying on
22 the state to do this and so forth, but I really think
23 that we need to re-examine this in our materials today.
24 There are nine people who did this again, we can't afford
25 this to continue to occur. We've got to come up with a

1 better option. And one of the options that were
2 recommended last night, when Commissioner

3 VICE-CHAIR JONES: Commissioner Bernard, excuse me
4 for interrupting you, but we're actually going to come
5 back to that and we are going to have a full discussion
6 about that.

7 COMMISSIONER BERNARD: Okay.

8 VICE-CHAIR JONES: I do thank you for bringing up
9 that question. Hold on to that question, we're going to
10 be addressing it a little bit later.

11 COMMISSIONER BERNARD: Thank you.

12 VICE-CHAIR JONES: As it stands right now, we're at
13 the BOPC's Officer's report with Vice-Chair Martin Jones
14 and the Chief of Police report by Chief White. Okay,
15 good. Thank you. Revised bylaw amendments, the Board's
16 staff distributed revised draft, the proposed bylaw
17 amendments we reviewed. We would take up those proposed
18 amendments during next week's Board meeting. Please send
19 items in writing to the Board staff. We look forward to
20 the Chief's presentation today and any reports on
21 critical incidents or events impacting the department and
22 the community. We also look forward to any updates
23 regarding the 2020 summer protests and any forthcoming
24 information to the Board. The last thing for the
25 department is in collaboration with the Detroit Public

1 Safety Foundation and other community stakeholders to
2 have several upcoming events and initiatives. And we look
3 forward to hearing that information. Today, we'll have
4 presentations from the Departments of Fleet Management
5 Services with Captain Jevon Johnson, and we're going to
6 have a presentation by OCI Chief Investigator Akbar.
7 Thank you very much. And we're going to go over to the
8 Chief's report. Alright, go ahead. I believe we have a
9 Resolution on that house bill that was just under
10 discussion. I believe that Commissioner Holt was going to
11 read that Resolution for us. Commissioner Holt, are you
12 prepared.

13 COMMISSIONER HOLT: Thank you, Chairman Jones. And I
14 am excited about this honor and this opportunity and the
15 fact that this is actually getting some traction.
16 Resolution to support Michigan Legislative action for
17 recouping police training costs.

18 WHEREAS as the supervisory oversight body by the
19 Detroit Police Department, the Board of Police
20 Commissioners has vested charter mandated authority to
21 ensure effective law enforcement certified and fair
22 policing for all; and,

23 WHEREAS the Michigan Commission on Law Enforcement
24 Standards, commonly known as MCOLES serves as the
25 licensing agency for all municipal law enforcement

1 officers in the state. MCOLES mandates and requirements
2 are the foundation for anyone seeking to become police
3 officers. Its criteria for licensing serve as the basis
4 for recruiting training and employing new law enforcement
5 professionals. State estimates range from 6,000 to
6 \$10,000 for the cost of basic police training, and
7 WHEREAS the Detroit Police Department has long held the
8 status of a state-certified policing agency authorized to
9 provide training certification and licensure based on
10 MCOLES and DPD requirements.

11 The department pays cadets doing training as part of
12 its commitment to recruiting and retaining the best
13 candidates. The Detroit Police Academy is recognized as
14 one of the top tier law enforcement training programs in
15 the state and nation; and,

16 WHEREAS the city and department have experienced
17 continued challenges with academy cadets seeking other
18 agency employment immediately, after a short time after
19 graduation. Over the years, we have observed a pattern
20 whereby Detroit free training, may be used unfairly. City
21 of Detroit records shows that 19% of academy graduates
22 continue to leave the Detroit Police Department within
23 five years. Such high turnover results in the loss of
24 investment of millions of public taxpayer dollars,
25 including the loss of personnel time and resources; and.

1 WHEREAS in recent years, Michigan Legislators have
2 introduced bills to help in this pattern by allowing
3 cities like Detroit to recoup training fees and costs.
4 During the 2019 and 2020 legislative session, the Board
5 supported Senator Sylvia Santana's bill to allow cities
6 to have some training costs repaid by police academy
7 graduates who leave within three years. On April 29th,
8 2021 Representative Tyrone Carter introduced house bill
9 4747 with the same intent. As proposed, the bill also
10 will require reimbursement training costs to law
11 enforcement agencies that fund police training it bases
12 reimbursement amounts on the period of employment after
13 training.

14 THEREFORE BE IT RESOLVED the Detroit Board of Police
15 Commissioners supports Michigan Legislatures action as
16 needed any central state policy to assist the
17 municipality with the effective use of public funds for
18 police training and retention. The Board urges passage of
19 house bill 47 47 to assist greatly with the Board's duty
20 to ensure effective use of limited public and taxpayer
21 dollars and to preserve adequate funding for programs,
22 initiatives, projects, and human resources that enhance
23 the Detroit Police Department and public safety in
24 Detroit.

25

1 COMMISSIONER HOLT: Through the Chair, I move that we
2 approve of this resolution and we place it in the
3 archives of the Board of Police Commissioners.

4 COMMISSIONER BURCH: I second that.

5 VICE-CHAIR JONES: Okay. Thank you. The motion has
6 been properly supported and seconded. What I want to
7 remind the Commissioners of is that we actually had taken
8 a vote on this issue already. The only thing that's
9 changed in regards to this motion is that they've changed
10 some of the wording as far as how the bill number that
11 it's under. So that it's in the record. We just have to
12 vote on it again, and we previously passed it, but we
13 just got to vote on it again to make sure it was entered
14 into correctly. Do we need a roll call, vote on this?

15 COMMISSIONER BURCH: Yes.

16 VICE-CHAIR JONES: Okay. Alright. Ms. White's going
17 to do a roll call.

18 MS. WHITE: Yes, sir. Commissioner Daryl Brown.
19 Commissioner Linda Bernard = Yes.

20 MS. WHITE: Commissioner Shirley Burch = Yes.

21 MS. WHITE: Commissioner Willie Bell = Yes.

22 MS. WHITE: Commissioner Willie Burton. Commissioner
23 Lisa Carter = Yes.

24 MS. WHITE: Commissioner William Davis = Yes.

25 MS. WHITE: Commissioner Jesus Hernandez = Yes.

1 MS. WHITE: Commissioner Annie Holt = Yes.

2 MS. WHITE: Mr. Chair = Yes.

3 MS. WHITE: There were 8 votes. The motion passed.

4 VICE-CHAIR JONES: Good. Thank you so much, Ms.
5 White. That's something that's very important that we've
6 been asking about wanting to get done for quite a long
7 time. So it looks like now, it's coming to pass. Chief
8 White. Good afternoon to you, sir.

9 CHIEF WHITE: Good afternoon.

10 VICE-CHAIR JONES: There we go. Welcome to the
11 meeting here. We are looking forward to the report that
12 you have to give. I know you spent quite a little time on
13 the news addressing certain concerns or whatever. So
14 we're looking forward to your report, sir.

15 CHIEF WHITE: Yes, sir. Before I get started, let me
16 extend congratulations to Commissioner Davis on the
17 wedding. That's fantastic. I too will be hopefully
18 celebrating in the next year with my daughter who is
19 getting married, so that's fantastic and very expensive I
20 might add. I will get started with the update on our
21 injured officers. We currently have six members of the
22 department who are currently disabled or recovering at
23 home due to an injury. That's one sergeant from the
24 Seventh Precinct one police officer from the Seventh
25 Precinct, one police officer from the Eleventh Precinct,

1 one from Tech Services, which is TSS, and two police
2 officers from the Eighth Precinct.

3 CHIEF WHITE: Sadly, I want to bring to the Board's
4 attention the untimely death of two members, one, a
5 retired member, and one an active member. Don Hollands,
6 who the Board will remember as our facilities maintenance
7 supervisor. He's a retired lieutenant who I brought back
8 many years ago to run Facilities Management, who later
9 separated from the department before his death died last
10 week. His service was last weekend and this one just has
11 the entire Homicide Division in mourning and sadness. And
12 that is Mr. Walter Brown. He's the victim advocate
13 assistant that's been with Homicide for a number of years
14 and his death was not only tragic but just unexpected and
15 sad. It's my understanding that he was dealing with
16 COVID. I don't have all the details, but it was just a
17 surprise to everyone.

18 CHIEF WHITE: Speaking of COVID, we have 21 members
19 who are currently quarantined or isolated and 11 of those
20 members are currently positive. So we continue to see a
21 slight uptick. We're happy that is not where it could be,
22 what some agencies are experiencing, but as the Board is
23 aware, our vaccination numbers are relatively low just
24 about half the department. And though we don't mandate
25 vaccinations, we highly encourage vaccinations and hope

1 that the department becomes fully vaccinated and
2 inoculated against this horrible situation that we find
3 ourselves in. But again 11 members are currently
4 positive. Getting over to crime data, I'll start with our
5 homicide numbers, which were up 6% in homicides. And just
6 to provide some context to that number, it actually is an
7 improvement. However, as I always say, one homicide is
8 one too many, but we do have to look at the data to see
9 how we're trending.

10 CHIEF WHITE: At one point in May of this year, May
11 12th, we were up 31% in homicides, we are now up 6% in
12 homicides. So we are experiencing a decrease. Our non-
13 fatal shooting numbers for the first time in 18 months
14 are down 1% in non-fatal shootings, which I'll talk about
15 a little bit more in a moment. Robberies are down 18%, so
16 we're certainly are turning in the right direction there.
17 The officers are doing an amazing job with the homicides,
18 from the standpoint of what we can impact, and certainly,
19 our impact starts at the weapons and getting the violent
20 offenders off the streets. I want to talk about the
21 sexual assault numbers. We are up 9% in sexual assaults.
22 We continue to look at that information and really try to
23 understand it. So for contacts, the numbers between 2019
24 and 2020. 2020 there was a 36% increase over 2019. And
25 currently, we have a 19% increase. The problem with 2020

1 is as a baseline for us to compare against it's very
2 difficult because so many things were different due to
3 COVID in 2020. So the behavior patterns of victims from
4 the standpoint of being able to report, and I've said
5 this before being able to report having the opportunity
6 to report and just the conditions at many homes were so
7 unique that 2020 does not truly serve from a benchmarking
8 standpoint of what the data looks like. So we look back
9 to 2019 to at least attempt to get a normal baseline, to
10 see what our numbers were in comparison to 2019 and 2021,
11 we had almost 700 rapes at this time or criminal sexual
12 misconduct at this moment in time as compared to 600.

13 CHIEF WHITE: So as you can clearly see, the numbers
14 are trending to the norms, but it still doesn't tell the
15 whole story. So we continue to do the work to try to
16 identify exactly why we're experiencing the uptick. And
17 as I indicated, we will have a more comprehensive
18 analysis for the Board with some informed data where we
19 can talk with a high level of understanding as to the
20 uptick but what it appears to be preliminarily is that
21 2020 was such an anomaly that the uptick is based on just
22 the behavior patterns and reporting. What we do see is
23 that we don't have one predator which is a good thing. We
24 don't have circumstances that we can control what regards
25 predatory behavior. Now, you know, anytime you have a CSC

1 that happens, you still have a problem. And I'm confident
2 in the work that our Special Victim Unit is going to
3 provide the services to our victims as appropriate. So
4 we're going to continue to monitor it. And as I
5 indicated, we'll have a report prepared for the
6 Commission at a later date, but very soon. Our drag
7 racing detailed getting back to crime, we had very little
8 activity last weekend aided by the weather, and we've
9 been doing some pretty solid work with the commercial
10 auto theft team. Our Commander Pritchett and our Captain
11 Johnson that's running that detail of phenomenal work.
12 We've been confiscating, impounding vehicles, and issuing
13 a lot of tickets. I will bring a few incidents to the
14 Board's attention that I'd like to talk through. Incident
15 No. 1, occurred on September 30th at approximately 1:30
16 on Fort and Cass.

17 CHIEF WHITE: This is a highly publicized one.
18 There's a construction crew that was digging with heavy-
19 duty machinery when they unearth human sculpture remains.
20 The remains were transported to the Wayne County Medical
21 Examiner's Office and anthropologists, and archeologists
22 are involved. And they will examine the remains to
23 attempt to identify the period or the remains from, and
24 also identify if there was any foul play. And they'll be
25

1 reporting back to us very soon, and I'll be
2 updating you on that incident as well.

3 CHIEF WHITE: Some really good police work I'm going
4 to talk about here on Friday, October 1st, Commercial
5 Auto Theft responded to a reported carjacking of a Dodge
6 Journey in the area of 9645 East Jefferson and that's at
7 that Citgo gas station over there in the Seventh
8 Precinct. The crews arrived and began to investigate and
9 had a complainant that basically indicated that they were
10 carjacked. Leveraging our video assets and good old-
11 fashioned police work knocking on doors and canvassing
12 crews were able to observe the carjack Dodge Journey
13 being followed by another vehicle, which happened to be a
14 Dodge Challenger, which was another carjacking. The crews
15 started surveilling them, started following them,
16 attempted to stop them in the Fifth Precinct. They both
17 fled in both vehicles, a short chase ensued, and both
18 vehicles were stopped, and no injuries to the officers or
19 to citizens.

20 CHIEF WHITE: And both suspects were taken into
21 custody. A live lineup was conducted with the victim from
22 the Dodge Journey to identify his name, however, it's up
23 here. And they were picked out of the lineup. The FBI has
24 adopted the case in both subjects are in federal holding,
25 awaiting a hearing and a trial. So that was just

1 outstanding police work good partnership with our federal
2 partners who are taking a lot of our cases now which is
3 fantastic. We want people to be aware of that so they
4 will make better decisions. And these two will be put
5 away for a very long time. Switching gears to some
6 positives throughout the department, as I indicated, as
7 of October 1st or 4th, for the first time in 18 months,
8 we saw an overall reduction in nonfatal shootings which
9 is absolutely incredible.

10 CHIEF WHITE: When you look at what's trending around
11 this country, statistically would non-fatal shootings in
12 cities like Chicago to have even a 1% reduction
13 statistically means a lot, one less person shot.
14 Certainly, shootings are nothing more than filled
15 homicides. So we've got a situation where literally lives
16 are being saved and that's attributed to the hard work of
17 the men and women that do this work every single day. So
18 I'm very, very proud of those numbers. We are not taking
19 a victory lap, we've got a whole lot of work to do but we
20 have to start somewhere, and to see that number where it
21 is, is a good thing. On October 4th as well, we had our
22 all command meeting. We hosted that at the auditorium at
23 the Eighth Precinct. If COVID cooperates, we're about to
24 continue to move our all command meeting around the city
25 to engage with different Precincts, engage with different

1 businesses because that's the one opportunity where all
2 the command team is together. And after our work is done
3 with our meeting on crime, it is my hope is that we are
4 able to engage with the community as well as engage above
5 whatever business that we're at. So that was a good
6 meeting and a lot of information. On October 5th and 6th,
7 strike that. On October 5th, the Sixth Precinct hosted an
8 outdoor roll call in an area of Evergreen and Finkell, a
9 very large community turnout for that event, which was
10 surprising. I was there, Commander Williams, Captain
11 Desinco was there as well as their special ops and our
12 patrol units. It was a welcome event and it was very
13 surprising, the number of people that attended just too
14 simply watch the roll call. Commander Williams took it
15 upon himself to do that and was innovative. The community
16 understood that we were there to patrol and work and not
17 to antagonize or so-called take over the block. It was
18 more or less, we are here, we've heard your complaints
19 and we're here to do our work and we did that and it was
20 a good effort, so I'm very proud of that.

21 CHIEF WHITE: There were a couple of media events.
22 One had to do with the crime statistics. Simon Shaykhat
23 did in fact cover the roll call in the Seventh Precinct.
24 On Wednesday, which was yesterday we did our walk-a-mile
25 Wednesday. That concluded our walk-a-mile series. We'll

1 be bringing those back in early spring. We tried to push
2 it to November, but the weather just simply wasn't
3 cooperating. Tremendous turnout in the 11th Precinct, a
4 lot of community engagement, and simply all those are
5 just an opportunity for myself, my staff, for us to go
6 into the communities, walk-a-mile with the community get
7 out, get some oxygen and some exercise and talk about
8 safety in the community. It was well-received and very,
9 very positive. On Friday through Sunday, we are hosting
10 the faith and blue events, which will be in every
11 Precinct.

12 CHIEF WHITE: Each Precinct will join with the faith-
13 based organization in their community to put on a variety
14 of events for the community. I have a listing I'll send.
15 In the interest of time, I won't read all of them, but
16 every Precinct will have a participation in that. On
17 Saturday, October 9th, we will have the walk, run, the D.
18 This will take place at Brush Mall. Registration is at
19 8:00 AM. We'll step off at 9:00 AM. This is a DPD DMC
20 Detroit Medical Center venture to support our DPD fit
21 programming and to make sure our officers stay fit and
22 keep moving. I'm going to get out there tomorrow or
23 Saturday and try to run the 5k. We'll try to win it for
24 my age group. But we'll see how that goes.

25 CHIEF WHITE: And then lastly I just wanted to bring

1 to the Board's attention as we talk about education
2 before I take any questions. I know the Board is big on
3 education. Cleary University, as of Tuesday of this week,
4 we welcomed our 100th member to the Cleary University
5 family for the purpose of obtaining their undergraduate
6 degree. You talk about a room full of proud, ambitious
7 people, and this would not have been possible without
8 Lieutenant Mark Young of the Lieutenant and sergeants
9 association, who you should know is a tremendous advocate
10 of education and making sure that our members are
11 educated. I don't think I had set my box down as interim
12 chief before Mark was knocking on my door, asking what
13 are we going to do to help our people get educated? And I
14 am happy to announce just four months after that
15 conversation, we have a hundred people that'll be
16 obtaining their bachelor's degree. Next week. We will
17 sign an agreement with Cleary University for an MBA
18 program for our officers and we're going to do everything
19 we can to make our facilities available to them; so when
20 they get off of work, they don't have to travel. They'll
21 be able to come right to headquarters and take those
22 classes or right to the police academy and take those
23 classes. So we're very excited, very happy about that
24 program. And with that, I will take any questions that
25 you may have.

1 VICE-CHAIR JONES: Thank you very much, Chief. That's
2 quite an outstanding report that you gave. Of course, we
3 wish that you know, certain news was better news, you
4 know having to fight this level of crime. And as you
5 mentioned is not something exclusive to this Detroit
6 area, but it's something that's happening nationwide. But
7 the important thing to our residents is what are we going
8 to do about it here? And I'm sure you're making the very
9 best efforts to try to get a handle on this thing, along
10 with your top executives. I need to stop and take a
11 minute and acknowledge Commissioner Burton who has been
12 trying to get on. He's having some technical difficulties
13 and staff is trying to get those items resolved for him.
14 Alright, we're going to move right into questions for the
15 Chief. The Vice-Chair recognizes Commissioner Annie Holt,
16 At-Large. Do you have any questions for the Chief?

17 COMMISSIONER HOLT: Thank you, Chair Jones, and thank
18 you Chief White for being in attendance and no, I have no
19 questions.

20 VICE-CHAIR JONES: Okay, the Vice-Chair recognizes
21 Commissioner Jesus Hernandez. Do you have any questions
22 for the Chief?

23 COMMISSIONER HERNANDEZ: Thank you. Through the
24 Chair, brief comment. Just want to further lift the
25 higher education pursuit that you're leading, Chief

1 White. We can't leave that by the wayside or go under the
2 radar. We have to continue to put that in front of the
3 public so that they know the great work that's going on.
4 I know that I often have commentary and accolades for you
5 and your team, and that's simply because the work is
6 being done behind the scenes. So it's my job on this
7 Board and for the community for them to be aware that
8 that's going on. So nothing but praise and kudos on that
9 initiative.

10 CHIEF WHITE: Thank you.

11 VICE-CHAIR JONES: Okay. The Vice-Chair recognizes
12 Commissioner William Davis. Do you have any questions for
13 the Chief?

14 COMMISSIONER DAVIS: Oh, yes, I do. The question is,
15 are officers still required to wear masks when they
16 interface with people because I know I've heard some
17 people say that they don't see that. And also as it
18 relates to that, do you have any offices that are
19 refusing to be vaccinated?

20 CHIEF WHITE: Oh, your first question. When COVID
21 numbers dropped, we did review our mass mandate, then
22 made the mask optional, but highly encouraged the members
23 to wear the mask when interacting with citizens and
24 certainly if requested by a citizen. And so that's where
25 we are with that. Refusal to be vaccinated, I think to

1 answer that question, we don't mandate vaccinations. So
2 with regards to whether or not they've refused that I
3 wouldn't have that information. But we certainly make
4 sure that they're aware that they're available and that
5 they're not mandated by the department at this time.

6 COMMISSIONER DAVIS: I have one more question, if you
7 don't mind. I know that there are a couple of high
8 schools that we have programs for young people to
9 introduce them to the Detroit Police Department, perhaps
10 to encourage them to join the department. Do you know how
11 many high schools that it's active in now, and are there
12 any plans to expand that because I especially want to see
13 more Detroiters in the police department?

14 CHIEF WHITE: Yes, sir. Through the Chair, we have a
15 program. I do not know the numbers of how many schools
16 are involved in that program. We have obviously the
17 Explorer program. We are getting ready to expand the
18 Explorer program. In fact, there were a number of
19 explorers on the 1-mile walk yesterday in the 11th
20 Precinct. We are going to be announcing something next
21 week with the public safety foundation and a donor to
22 expand the Explorer program. But in addition to that, we
23 are working on a program through Detroit public schools
24 now that will do the very thing that you just brought to
25 my attention. And that is increasing the number of

1 recruits from the City of Detroit, as well as from the
2 Detroit public school system. And it's a dual-track
3 program, which will allow 12th graders to obtain an
4 associate's degree while working through being hired by
5 the Detroit Police Department.

6 CHIEF WHITE: We have not finalized it yet. It's with
7 the lawyers reviewing the MOU and I'm hoping by next week
8 to have that finalized. There are some things that we're
9 looking at doing for post-high school, as well as it
10 relates to that. And that would be a certificate program,
11 which is pretty easy for us to work through the most
12 complicated one is what the senior program looks like
13 because they have to obviously finish their senior year
14 and they could not start the police academy while
15 obtaining a high school diploma. However, there are
16 certain components of the police academy that we can
17 complete while they're in high school. And we're noodling
18 through that right now, and we should have an answer as
19 well as a request for the Commission to stand with us at
20 the signing early next week.

21 COMMISSIONER DAVIS: I would like to be involved with
22 that. Contact me.

23 CHIEF WHITE: Yes, sir.

24 VICE-CHAIR JONES: Thank you, Commissioner Davis.

25 Commissioner Vice-Chair recognizes Commissioner Lisa

1 Carter. Do you have any questions for the Chief?

2 COMMISSIONER CARTER: Thank you, Vice-Chair Jones.
3 Just one follow-up question. You made a comment, Chief,
4 and good afternoon to you. You made a comment that the
5 Feds are taking a lot of our cases now. Is that as a
6 result of the situation with the prosecutor's office or
7 is that just something that they are just doing?

8 CHIEF WHITE: Through the Chair. I wouldn't say it's
9 because of the prosecutor's office. We have some violent
10 offenders and the type of offense, coupled with the
11 relationship that we have with the Feds. You know, we can
12 and we've asked that they take the cases that they can,
13 that meets their jurisdiction and this is one of those
14 cases, but it really has nothing to do with any failures
15 or anything like that with the prosecutor's office.

16 COMMISSIONER CARTER: Thank you.

17 VICE-CHAIR JONES: Thank you, Commissioner Carter.
18 The Vice-Chair recognizes Commissioner, Willie Burton.
19 The Vice-Chair recognizes Commissioner Willie Bell. Do
20 you have any questions for the Chief?

21 COMMISSIONER BELL: Thank you, Vice-Chair Jones.
22 Briefly, Chief, good afternoons, it's good to see you as
23 always. I just don't have a question; I just have a brief
24 comment. Commissioner Hernandez, sort of spoke to the
25 issue. We have one or two critics of the public

1 constantly talking about. We should not lift police
2 officers, we should not commend them for outstanding
3 work, but I want to echo what he said that we appreciate
4 the outstanding work of the Detroit Police Department.
5 These offices on the city streets are doing a fantastic
6 job. Thank you.

7 CHIEF WHITE: Thank you, sir.

8 VICE-CHAIR JONES: Thank you, Commissioner Willie
9 Bell. The Vice-Chair recognizes Commissioner Shirley
10 Burch. Do you have any questions for the Chief?

11 COMMISSIONER BURCH: Yes. Good afternoon. And thank
12 you. Co-Chair Jones. Hello, Chief White, how are you?

13 CHIEF WHITE: Good, ma'am.

14 COMMISSIONER BURCH: I just want to thank you for
15 your presence at No. 11. I'm sorry, I could not make it
16 personally, but I did hear of the turnout of the walk,
17 walk-a-mile, right?

18 CHIEF WHITE: Yes, ma'am.

19 COMMISSIONER BURCH: And I wanted to piggyback on
20 what Commissioner Davis said regarding the high schools
21 in the area, especially No. 11, which would be Persian
22 High School. Is there a liaison at No. 11 that directly
23 works with the students in the school that when things
24 are going on in the neighborhood, they are aware with our
25 police department, as you were saying, to help them

1 perhaps to be in also one day, but who is the liaison to
2 contact Persian or even Osmo because that's in No. 9?
3 Could you answer those for me, please?

4 CHIEF WHITE: Through the Chair, we don't have one
5 liaison. What we have are the NPOs. As the Board is aware
6 of the school ranger program ended many years ago as the
7 Detroit public school system has its police department
8 inside. But we do work with them when problems arise. In
9 fact one of our commanders today, Commander Szilagy was
10 talking about the safe routes to school program that he
11 will be overseeing from the police standpoint providing
12 you know, patrols and things like that as our students
13 hit the school. However we don't have one ranger any
14 longer that reports to that school, but this program that
15 we're working through now out there will be liaisons,
16 maybe not at each school, but we'll be responsible for a
17 number of schools so that we can make sure that we get
18 those students funneled into this new program that we're
19 so excited about.

20 COMMISSIONER BURCH: Co-Chair, one more statement
21 please to the Chief? I wanted to ask you regarding your
22 faith that you're having Saturday to all the Precincts.
23 How did you go about notifying the clergy in the area
24 that they would participate? How are they notified?
25 Because I know quite a few and I just want to see, are

1 they aware they're needed on Saturday?

2 CHIEF WHITE: I actually walked yesterday, through
3 the Chair, I walked yesterday with one of our faith-based
4 leaders and he was aware of it.

5 COMMISSIONER BURCH: Who is he, who?

6 CHIEF WHITE: And I knew you would ask me that, it's
7 when I went down that road. I do not have his name, but
8 he's right there at Nevada, that church right at the
9 corner of Ryan. I can't think of the name of it. I'll get
10 it to you though.

11 COMMISSIONER BURCH: Either Pilgrim or King David.

12 CHIEF WHITE: King David.

13 COMMISSIONER BURCH: See, I helped you remember I
14 helped you.

15 CHIEF WHITE: Thank you. Alright, ma'am. Thank you
16 very much. But the faith in the blue event, that's a
17 national program and they actually came to us and we
18 agreed to do it. And they've been pushing this. Commander
19 Hope runs through her shop as Chief Neighborhood Liaison.
20 And she gave me a very comprehensive break out of what
21 they did. So the program is a national program and
22 they've been pushing that from the department standpoint.

23 COMMISSIONER BURCH: And could you ask Commander Hope
24 to get in touch with me, so I can share with all the
25 pastors. I know all of them in District 3.

1 CHIEF WHITE: Okay. I will make sure she does that.

2 VICE-CHAIR JONES: Thank you very much Commissioner
3 Shirley Burch. The Vice-Chair recognizes Commissioner
4 Linda Bernard. Do you have any questions for the Chief?

5 COMMISSIONER BERNARD: Oh yes. Thank you. I do want
6 to compliment you Chief as well for your academic and
7 educational initiative for people who are cops to be able
8 to get like you say, not just a college degree, but an
9 MBA, a master's in business administration is significant
10 and it significantly enhances them for their overall
11 earning capacity, and gives them an option even when they
12 retire, which is great. So that is just wonderful. I have
13 a couple of questions. The first thing is that you said
14 that the feds are taking over forfeiture cases, is that
15 my understanding, is that with cars for this speeding and
16 drag racing?

17 CHIEF WHITE: Through the Chair. If I say to that, it
18 was misspoken, absolutely not. The Feds are taking some
19 cases, some of our violent cases, our gang, some of our
20 gang cases. And when I say taking, I don't want to
21 characterize that as taking from us as if we don't want
22 them to. They're partnering with us on some of these
23 cases and we want them to prosecute some of these cases
24 of the most violent offenders.

25 COMMISSIONER BERNARD: Your gang cases though, is

1 really very low in terms of your homicide for your 2021
2 report. They were only 13 related to gangs. 59 were
3 related to arguments and 38 to narcotics, but nothing, we
4 don't seem to have a gang problem quite frankly, based on
5 your data.

6 CHIEF WHITE: Well, the problem is with the gangs,
7 it's not just the homicides, it's all the things that
8 lead to the homicides. It touches all aspects of crime.
9 It's the drug trade, it's the violence, it's the robbers,
10 and it's the shootings, and then ultimately the
11 homicides, because as we say, you know, shooting is a
12 failed homicide. So, oftentimes is not like the person's
13 about to say, well, you know, I missed, or I didn't kill
14 him, so I'm not coming back. They'll come back again and
15 then the next time, if they're with an innocent
16 bystander, that person gets hit. So though our gang
17 numbers are low the impact of having the activity is
18 significant. And so when we find those cases that we can
19 take federally it's in our best interest to do so and
20 dismantle those gangs.

21 COMMISSIONER BERNARD: Your comments related to your
22 interaction with public schools, there are only 52,000
23 kids in Detroit public schools, and that's for all 12
24 grades. Have you reached out to Catholic schools and
25 other schools, you might even get, a different end or in

1 some instances, a better-educated pool. Can we do that?

2 So we'll have the best and the brightest?

3 CHIEF WHITE: Right now our goal is to train public
4 truths and to expand out from there. You know,
5 Commissioner, I'm going to argue down on the fact that I
6 think the best and the brightest are under the.

7 COMMISSIONER BURCH: Don't say that Linda.

8 CHIEF WHITE: Well, I'm not going to put words in
9 your mouth, ma'am. But I think that the best and the
10 brightest reside right here in the city of Detroit and I
11 am an absolute you know, I just despise deficit thinking
12 that we can't, or we're not able to, because I'm a
13 product and I'm here. And I have a lot of people just
14 like me that are smarter than me that are here.

15 COMMISSIONER BERNARD: But all I can say with respect
16 to the.

17 VICE-CHAIR JONES: Commissioner Bernard last
18 question, please.

19 COMMISSIONER BERNARD: Okay. But I didn't want to
20 make this comment. If I had been out of school for the
21 last two years when did not make teachers essential
22 workers in the State of Michigan, but we made Kroger
23 workers essential workers. And if I had been out of
24 school for two years, when I was 14 or 15, trust me, the
25 streets would have gotten me. I would never have gone on

1 to do what I'm doing now. So I'm just saying private
2 schools, we're in school, kids were continuing to learn.
3 And that is a market that I think we can explore. But my
4 final comment relates to what you were saying about your
5 walk-a-mile and stuff. Can you be kind enough to provide
6 Melanie with a list of the times and days when you're
7 doing this? Because I would participate, I like to walk,
8 so that's not a problem. And also,

9 VICE-CHAIR JONES: Commissioner Bernard, you've had
10 the floor for quite a while. I had mentioned that you
11 need to make one last question, and that was it. I
12 apologize about that Chief James White but we do have to
13 move the meeting along. Next, we're going to have it's my
14 turn this time, questions for the Chief. Chief White, I
15 notice that in your report, you did talk about you
16 talking about the federal government getting involved
17 with prosecuting some of the cases with regards to car
18 theft. I understood a long time ago and perhaps I might
19 be wrong, I don't know, but I understood quite a while
20 ago that when the car is stolen or when the car is taken
21 whether it's at gunpoint or not that it could become a
22 federal case simply because of the taxes that I paid on,
23 the different parts coming from different areas of the
24 country and outside of the country. So, correct me if I'm
25 wrong, does that bear any as semblance on how they can

1 come into the game to prosecute some of these cases?

2 CHIEF WHITE: Well, there are a number of different
3 factors as to why they can prosecute the cases with
4 regards to the taxes and the impetus of how they got
5 there, I'm not well versed in that. I can find out for
6 you. I look at the violent aspects of it if it's a
7 coordinated crime if it is gang-related, coordinated type
8 crimes but I can get that answer for you. I don't want to
9 give you a misinformed answer on that. But they have
10 taken some carjackings. They have taken not as many as I
11 would like. But I'm happy to see them take this one. I
12 will have that answer for you before the next meeting.
13 I'll actually send it through Melanie.

14 VICE-CHAIR JONES: Okay. And as I understood it the
15 time that they can get through a federal case being
16 brought against them is significantly more time, is that
17 correct?

18 CHIEF WHITE: That is correct and the other thing is
19 we don't see these personal bonds and things like that
20 for violent crime in the federal system. And generally
21 speaking, you know, they do the full amount of time, so
22 no early release. And it is my hope that that acts as a
23 deterrent for people making bad choices.

24 VICE-CHAIR JONES: Alright. Thank you very much for
25 your report, Chief White. We thank you for your

1 leadership and keeping the Board abreast of the
2 conditions that we find ourselves in. And as a matter of
3 fact, I've been inspired to give some additional
4 information in public comments, because I think we need
5 to hear positive ideas. I think we need to hear something
6 from the people as far as where we can go and what we can
7 do about the current state of our circumstances. We need
8 to get more people involved. The Detroit police can't do
9 it by themselves. We need to get more people involved. So
10 once again, I thank you for your report.

11 CHIEF WHITE: Alright. Thank you, sir, and thank you,
12 Board.

13 VICE-CHAIR JONES: Alright. Next, I guess we're going
14 to have presentations to the Board. We have a
15 presentation scheduled with the fleet management. And do
16 we have Captain Jevon Johnson? Do we have him on Zoom?

17 CAPTAIN JOHNSON: Mr. Chair.

18 VICE-CHAIR JONES: Oh, he's there. Thank you for
19 coming, Mr. Jevon Johnson. We're looking forward to your
20 report. Why don't you go ahead and you can begin right
21 now?

22 CAPTAIN JOHNSON: Good afternoon, Mr. Chair, Board.
23 Captain Jevon Johnson, Management Services. Today, I'm
24 going to share some information about the police
25 department, fleet management. The Fleet Management chain

1 of command starts of course, with Chief James White.
2 We're under First Assistant Chief Todd Bettison, Mark
3 Bliss, Support Services, Deputy Chief Commander, Kyra Joy
4 Hope, Support Services Division, myself Management
5 Services, and Lieutenant Joseph Peck of Fleet Management.
6 **A brief overview of the unit. Fleet Management is**
7 **responsible for the centralized management of the**
8 **department's vehicular fleet. The unit consists of a**
9 **Lieutenant, Sergeant, and a team of sworn and non-sworn**
10 **personnel. Fleet Management coordinates all DPD vehicle**
11 **repairs and conducts audits and inspections to ensure**
12 **vehicles are being properly deployed, repaired, and**
13 **maintained. The current fleet consists of 1,270 police**
14 **vehicles.**

15 CAPTAIN JOHNSON: The core responsibilities of Fleet
16 Management are to coordinate the purchase and deployment
17 of all department police vehicles maintain undercover
18 forfeiture, repair contracts, track, and record all
19 departmental motor vehicle accidents, place vehicles out
20 of service, i.e. retire them and coordinate the
21 preventative maintenance of all Detroit department
22 vehicles. I've enclosed some pictures of some of the
23 vehicles that we use, the majority of the vehicles that
24 we use. And as you can see, they range from fully marked
25 Ford Explorers to 30 series Ford Explorers and UCR

1 traffic cars, vans, and our investigated vehicles. Also
2 included are specialty vehicles, such as the Detroit
3 Police Memorial car. We have a breast cancer awareness
4 vehicle as well as a domestic violence awareness car. In
5 the last four years, the fleet has deployed 478 mark and
6 semi-mark scout cars, 113 investigator vehicles, 19
7 community passenger vans, 7 detainee vans, 3 raid vans,
8 and 2 cargo vans. Our upcoming deployment consists of 113
9 mark and semi-marked scout cars. 70% of the pursuit
10 vehicles will be hybrids, 3 cargo vans, 54 unmarked
11 vehicles, 1 heavy-duty pickup truck, and 3 horse
12 trailers.

13 CAPTAIN JOHNSON: Some of the successes that we had
14 in 2021 we deployed 103 marked and semi-marked scout cars
15 identified and assigned 63 NPO vehicles, deployed 48
16 defibrillators, equipped 15 vehicles with ballistic
17 paneling. We're responsible for equipping 23 vehicles
18 with radar. And since January we have actually removed
19 143 vehicles from service. Mr. Chair that concludes my
20 presentation. I'm ready if you have any questions, sir,
21 you and the Board. Thank you for your time.

22 VICE-CHAIR JONES: Thank you very much, Captain Jevon
23 Johnson that was a pretty interesting report about the
24 state of the fleet within the Detroit Police Department.
25 Commissioners, do you have any questions for Captain

1 Jevon Johnson, Commissioner Linda Bernard.

2 COMMISSIONER BERNARD: Just quickly. Thank you for
3 the report. It's my understanding that some of the
4 vehicles that you forfeit from people for racing and so
5 forth are reused within the department by officers. Is
6 that correct?

7 CAPTAIN JOHNSON: Yes.

8 COMMISSIONER BERNARD: How many is that? How many.

9 CAPTAIN JOHNSON: Ma'am, I have to research that
10 against you the exact number, but I believe it's about
11 100.

12 COMMISSIONER BERNARD: One hundred. So are these
13 vehicles free of liens? For example, if a mother got her
14 son a charger and you forfeited it, but it's really in
15 her name and his name, it's still forfeited.

16 CAPTAIN JOHNSON: Well, ma'am the prosecutor reviews
17 every case and the prosecutor forfeits the vehicles.

18 VICE-CHAIR JONES: Alright, thank you very much,
19 Commissioner Bernard. Does any other Commissioner have
20 any questions? I see Commissioner Annie Holt.

21 COMMISSIONER HOLT: Thank you, Chair Jones. Thank
22 you, Captain Johnson. Now, as you were giving your
23 report, you also identified that within the fleet,
24 certain cars that are identified for unique services are
25 labeled. Now I believe the crisis intervention trainings

1 are the vans or cars that are used for that operation
2 also identified.

3 CAPTAIN JOHNSON: I don't believe they're identified,
4 specifically as such. I do believe that some of the vans
5 are marked community relations.

6 COMMISSIONER HOLT: So the crisis vans would be under
7 that description.

8 CAPTAIN JOHNSON: But we don't have them individually
9 identified as that.

10 COMMISSIONER HOLT: Thank you so much.

11 VICE-CHAIR JONES: Alright. Thank you, Commissioner
12 Annie Holt. Commissioner William Davis, sir, do you have
13 any questions?

14 COMMISSIONER Davis: Hello, can you hear me?

15 COMMISSIONER HOLT: Yes, much better.

16 COMMISSIONER DAVIS: I know you mentioned
17 defibrillators. How many are deployment and have they
18 actually been able to help save someone's life, other
19 than the trained medical personnel being there to assist?

20 CAPTAIN JOHNSON: Yes, sir. There are 48 deployed and
21 we have not received any reports of them being used as of
22 yet. I have not received any reports.

23 COMMISSIONER DAVIS: Okay, but I think it's good that
24 they are available.

25 CAPTAIN JOHNSON: Thank you, sir.

1 VICE-CHAIR JONES: Alright, Captain Johnson, we
2 really thank you for your report and the information that
3 you gave. That was especially important what you
4 mentioned about the defibrillators because we know that
5 having access to something like that in an emergency
6 where a person can't get to a hospital, or they can't be
7 adequate medical attention, given on the spot that it
8 could be a lifesaver for. So we've heard a number of
9 things about that over the past where they were used in
10 schools and other places where medical attention wasn't
11 being available. So Commissioner Davis put forth a very
12 good question for you. And I appreciate that question to
13 him. Thank you very much for participating Captain
14 Johnson. Okay. Also, we wanted to address, I'll make
15 mention on the record regarding Commissioner Burton's
16 inquiry that police response time to the address at 1325
17 Shane, we received information that the police response
18 was probably approximately about eight minutes to answer
19 his question. That response was about eight minutes. The
20 information was circulated to the Board and we wanted to
21 place that on the record. Now we move on to a second
22 presentation is going to be by our very own OCI Director,
23 Mr. Lawrence Akbar, are you prepared with your
24 presentation?

25 INTERIM CHIEF AKBAR: Oh yes, I am. Before I get

1 started, good afternoon, Honorable Board.

2 COMMISSIONERS: Good afternoon, good afternoon, sir.

3 INTERIM CHIEF AKBAR: DPD community and the residents
4 of the City of Detroit, and I truly love where I work. I
5 have had the honor of working for the community and the
6 City of Detroit for over 44 years. I am Lawrence Akbar,
7 the Interim Chief Investigator, Office of the Chief
8 Investigator. In your package today, you have the Office
9 of the Chief Investigators August 2021 citizen complaint
10 report. Okay, I'm waiting for my first slide to come up,
11 but I can move forward without it. I'll start then you
12 will catch up with me. The OCI received 98 complaints
13 during August of 2021, one less than that of August of
14 2020.

15 INTERIM CHIEF AKBAR: The next chart should show in
16 your packet units received citizens' complaints. This
17 chart shows how and where citizens' complaints are filed.
18 The majority of the complaints are filed via telephone.
19 19 of the 48 telephone calls during August would call to
20 OCI. Next slide, please. This chart shows a number of
21 complaints filed against commands, leading to complaints
22 received in August in this order, the 8th Precinct, the
23 12th Precinct, and the 10th Precinct. Next slide. 57
24 complaints closed in August involved 81 allegations. The
25 top two allegations as usual are procedure and demeanor.

1 INTERIM CHIEF AKBAR: Next slide please. 29 incidents
2 of the 57 complaints closed in August are complaints
3 involving only telephone calls were [01:02:55 inaudible]
4 check-up is not investigating a complaint correctly. In
5 any case, they do not wear body-worn cameras. However, 28
6 cases did involve a DPD member equipped with a body-worn
7 camera. In August, all 28 incidents or captured on a
8 body-worn camera. Just to let the general public know it
9 is a violation of DPD policy when the incident is not
10 captured due to a member who fails to turn on their body-
11 worn camera during an investigation, turns on their body-
12 worn camera late, turns off the body-worn camera before
13 the investigation is completed, does not fit to have the
14 body-worn camera repaired, does not request that function
15 of the body-worn camera. And then when a member fails to
16 document the malfunction on their activity log sheet, if
17 an officer violates the department body-worn camera
18 policy, they may be subject to discipline, including, but
19 not limited to termination. Next slide, please.

20 INTERIM CHIEF AKBAR: 80 DPD members identified the
21 57 complaints closed in August. Going by rank, we had 65
22 police officers, 8 sergeants, and 3 corporals. Now, if
23 you look at the seniority you'll notice 20 police
24 officers had less than 2 years. 19 members had 3 to 4
25 years of service, 15 members with 5 to 19 years of

1 service, and 18 officers from 20 to 29 years of service.
2 Next slide, please. DPD calls for service complaints
3 closed on August 52. DPD members, working the afternoon
4 shift during their time of the incidence. 3 to 4 years of
5 seniority, 13 officers involved less than 2 years, 1.
6 Next slide, please. During my tenure as the Interim Chief
7 Investigator from February 27th, 2020 to September 30th,
8 2021, the Office of the Chief Investigate received 1,960
9 complaints. We closed 1,433 complaints. We also addressed
10 87 FOIA requests during my tenure.

11 INTERIM CHIEF AKBAR: Next slide. I'm going to update
12 the Board and the community on OCI staff status.
13 Statistics year-to-date, OCI initiatives, and also
14 building stats. First of all my OCI investigators I know
15 have been vaccinated. None of our investigators at this
16 time suffer from COVID. We have 10 investigators and 3
17 supervisors all in the rotation process, working down
18 these cases that are over 90 and trying to keep up with
19 the current complaints that are coming in. I want to
20 congratulate investigator Hanna Hiller for being
21 appointed by the Honorable Board of Police Commissioner,
22 to OCI senior investigator on September 30th, 2021. Chair
23 Holley and the Board of Police Commissioners are looking
24 forward to conducting interviews regarding qualified
25 candidates for our police commission investigator. OCI

1 statistics as of September 2021. September, we received
2 109 CCRS.

3 INTERIM CHIEF AKBAR: As of August 7th, 2021, we
4 received 20 CCRS. For the total for the year 2021, we
5 have received 1050 total CCRS. We closed 596. 727 cases
6 are open pending investigation, complete investigations,
7 506 of those are over 90 days pending investigations.
8 With the investigators that have moved on to and get
9 better jobs and the two that resigned, they left us a
10 total of 346 cases due to their separation. And we are
11 working hard to close those investigations. My technical
12 support team consisting of Acting, Supervising
13 Investigator Madrigal and Senior Investigator Hiller, in
14 consultation with the Interim secretary to the Board Ms.
15 White and her staff, we have worked on the following OCI
16 initiatives: community survey, with the assistance of Ms.
17 Blossom community relations coordinator, a community
18 survey will be created to see feedback with our customer
19 base regarding the service they received during the
20 investigative process. Technical support initiatives, the
21 OCI technical support team is continuing our work in
22 engaging with other civilian oversight organizations to
23 identify best practices regarding accessibility, design
24 of the OCI data, of OCI data. We are also continuing our
25 cooperation with the open data portal team to ensure our

1 data is posted and in a user-friendly format and is
2 accurate and up to date for public viewing. Regarding
3 truck training, Acting Supervisor and Investigator Sloan
4 and Interim Secretary to the Board are working on
5 continuing to identify training initiatives for our staff
6 members. Our goal is to remain in line with the best
7 efficient practices regarding civilian oversight in law
8 enforcement. It should also be noted that this Friday,
9 the OCI staff is scheduled for investigative training.
10 Staff will receive a refresher course related to best
11 practices for completion of a thorough and comprehensive
12 case investigation reporting, using all available
13 technology. OCI has already engaged in professional
14 development training, offered by the city and other
15 training evolve in law enforcement and civilian
16 oversight.

17 INTERIM CHIEF AKBAR: Next, the OCI staff training
18 will begin receiving training through the health
19 management resources association to assure that as
20 oversight practitioners, we maintain our health and
21 wellbeing and remain informed about the best practices in
22 this area. DPD policy recommendations. OCI will make
23 recommendations to the department regarding supervisory
24 training where necessary, evolving the complaint and
25 training process. This goal is to enhance the complaint

1 intake skills of DPD supervision, as it relates to the
2 allegations identifiers that went through our data
3 collection as system reducing delays and challenges in
4 our investigative process, OCI database, the technical
5 support team will continue to maintain and upgrade the
6 OCI, CCI database to enhance data reporting and tracking
7 trends and patterns related to the current advancement in
8 policing. This will assist in addressing and responding
9 to all requests for OCI data for the City of Detroit law
10 department, citizens' inquiries, and news media outlets'
11 requests for data under FOIA. Recruitment initiative. We
12 are currently in a collaboration meeting with Wayne State
13 University to facilitate OCI recruitment and an
14 engagement to share more information about civilian
15 oversight. We look forward to continuing the recruitment
16 and mentoring programs with other area universities to
17 enhance our internship and external program initiatives.

18 INTERIM CHIEF AKBAR: Now I'm going to do give you a
19 report on OCI building updates. First of all, as you're
20 well aware, our office received two OSHA complaints
21 received one on July 6th, 2021, and August the 10th of
22 2021. As an Interim Chief Investigator, I provide written
23 statements to each compliant with documentation. On
24 September 14th, 2021, I received a written response from
25 OSHA, and the letter states as follows: Dear Mr. Akbar,

1 we have reviewed your response to our July 14th letter
2 regarding alleged hazardous working conditions. Based on
3 your response, we feel adequately assured that employee
4 safety and health are not in jeopardy from the alleged
5 condition. Thank you for your efforts to resolve this
6 matter. Our July 14th, 2021 letter, and your response may
7 be removed from your building's posting location. Last
8 but not least, I want to let all the citizens know how
9 important they are to this investigative process.

10 By you filing your complaints, that's how we obtain
11 our data. And it also assists not only just the Board of
12 Police Commissioners and the OCI, but it also assists the
13 Detroit Police Department in terms of policy and changing
14 behavior, which is the most important thing as far as I'm
15 concerned that we changed the behavior. Now, there are
16 several ways that you can file, five different ways you
17 can file citizens' complaints. You can file them in
18 person. You can come over to my office at 900 Merrill
19 Plaisance, which is located at Palmer Park. You can also
20 call us between the hours of 8 AM and 4 PM and we'll take
21 your complaint. And the phone number is 313-596-2499, 313-
22 596-2499 between the hours of 8 AM and 4 PM. However,
23 after 4 PM, you can leave a voicemail message just with
24 your name and telephone number, and someone from my staff
25 will get back to you the next business day.

1 INTERIM CHIEF AKBAR: You can also fax us your
2 complaint. 313-596-2482, 313-596-2482. You can also file
3 a complaint online, www.detroitmi.gov/bopc. Again,
4 www.detroitmi.gov/bopc, or you can file it any Detroit
5 Police Department or Precinct in person, or you can call
6 them on the phone. Any method you decide to use, just
7 make sure that you request to speak to a supervisor for
8 only a supervisor can take your complaint. I thank the
9 Honorable Board for providing me the time and at this
10 time it'd be my pleasure to take any questions that you
11 may have.

12 VICE-CHAIR JONES: Alright Commissioners. Thank you
13 very much, Interim Chief Akbar for your report. It seems
14 very thorough and very well thought out. We've got to
15 open it up for the Commissioners to ask any questions
16 that they might want to ask OCI Akbar concerning his
17 report. Annie Holt, Commissioner,

18 COMMISSIONER HOLT: Thank you, Chair Jones. And thank
19 you, Interim Chief Akbar. I expected a high-quality
20 report, and of course, that's what we get. And as you
21 mentioned to the citizens they need to understand that
22 these complaints go a long way in changing behavior, and
23 to some degree, having an officer view by the Board is
24 whether or not that individual should receive a
25 promotion. Now Chief White mentioned, a couple of

1 meetings ago, that his objective, obviously is to try to
2 get to those officers who demonstrate poor policing
3 before they get to a point of being suggested for a
4 promotion. But again, the public needs to understand
5 these complaints are very serious that they make, and
6 they are being viewed by the Board as a way of assessing
7 a law enforcer's character in terms of good policing. And
8 on that note, on your citizen complaints, alleged
9 commands, you have a high number of 33 and as identified
10 as initially unknown commands. And then you have a
11 footnote down here saying that they are resolved through
12 OCI investigative process. If it won't take a lot of
13 time, could we know the 1, 2, 3 of that process?

14 INTERIM CHIEF AKBAR: Well, they're able to
15 identify... the first thing they do when they get a case
16 anyway, they're going to try to make identification using
17 those body-worn cameras. They're going to look at all the
18 written documentation and based on the information that a
19 citizen may give them. We try to narrow it down and then
20 we nail it down by, Fleet Control just showed you the
21 different vehicles. So each vehicle has a code number to
22 it and when they give us that code number, we are able to
23 determine whether or not those individuals were
24 responsible.

25 COMMISSIONER HOLT: I'm reminded because I had a case

1 and some kind of way the officer who apparently was
2 speeding was identified. And I asked you, how did that
3 happen? And you were able to help me understand that that
4 code, I guess, in that vehicle identified the fact that
5 that officer, in fact, had that car during that time. So
6 thank you. I have my cases and they're due before the
7 14th. I'm going to get them to you Monday. Thank you.

8 VICE-CHAIR JONES: Thank you very much. Commissioner
9 Annie Holt. Commissioner Linda Bernard. Do you have a
10 question for OCI Akbar?

11 COMMISSIONER BERNARD: Yes, and a comment. Last
12 evening Commissioner Bell and I participated in a
13 community forum. Most of that forum addressed the issues
14 of OCI, specifically that officers are not carrying their
15 body-worn cameras on them. We see that here from your own
16 report, in which you said 51% of the cases there was no
17 body-worn camera action, although they had citizen
18 contact. And the fact that this is becoming routine on
19 John-R, 7- mile, everywhere else, in terms of the police
20 department, this was a white gentleman that raised this.
21 His name is Boyle. He's actually a candidate for the
22 Board of Police Commissioners. So I'd like you to, you
23 know, to me, that's a violation. And it's something that
24 if there's a process that we should sustain the
25 complaint. Secondly, one of the things that they brought

1 up to us last night, I didn't know this was that 33% of
2 Detroiters do not have the internet. And it's very
3 important that people be able to walk in and file a
4 complaint. Again, Akbar, it's so important that that
5 office be open and manned, and people can get in. I'm
6 happy that you have decided... I suggested the community
7 survey. I'd be delighted to see it. We have to send it
8 out to everybody. It should be, you know, postage
9 prepaid, so they can rate and evaluate our services.

10 VICE-CHAIR JONES: Commissioner Bernard.

11 COMMISSIONER BERNARD: This is important, Mr.
12 Chairman.

13 VICE-CHAIR JONES: Could you please give Mr. Akbar an
14 opportunity to answer your questions.

15 COMMISSIONER BERNARD: I got that but with all due
16 respect, there's nothing more important that we do than
17 this issue. And we just attended this meeting last night.
18 I'm not trying to go on and on, but I do think that it's
19 important that we spend this time, particularly because
20 50% of the cases, the officers didn't have their body-
21 worn camera on. And then the only final point was that
22 you said you were identifying best practices. I
23 appreciate that. I recommended that as well, but the most
24 important thing, Mr. Chairman, in terms of this report
25 was that part of the report that Akbar gave, the most

1 important part, in large measure, we didn't have a hard
2 copy on. You said that there were 506 cases over 90 days.

3 VICE-CHAIR JONES: Commissioner Bernard, can you wrap
4 it up, please?

5 COMMISSIONER BURNARD: I'm sorry. Okay. They're 506
6 cases over 90 days, we've got like 1500 cases, I guess,
7 all together. So we really need a plan on how you're
8 going to do that and get it and get it done fairly
9 quickly. Thank you.

10 VICE-CHAIR JONES: Alright, Interim Chief Akbar, I
11 hope you can remember the question. Go ahead and answer.
12 If you could.

13 INTERIM CHIEF AKBAR: It's a lot. First of all of the
14 report that I gave you today, was in August. Those
15 statistics are for August and according to the stats that
16 we have we only had, I don't have it right in front of
17 me, but the stats that I told you that all the body-worn
18 camera information was captured, it was captured. What I
19 spoke about earlier, maybe I didn't make it clear.

20 COMMISSIONER BERNARD: I understand that part, I
21 understand that.

22 INTERIM CHIEF AKBAR: Detectives don't wear a body-
23 worn camera. Civilians that work for the department and
24 it may interact with the public at the desk. They don't
25 have body-worn cameras. And I was speaking in terms of

1 them. Trust me, my investigators here that's one of the
2 first things that we look for if they're on duty and they
3 don't have them on, especially our marked units,
4 especially our special ops units, and they don't have
5 them on, even narcotics have to wear body-worn cameras.
6 If they're not on, we don't hesitate to sustain them.
7 With respect to OCI, we always have someone at the desk
8 and it's not a problem for citizens to come in. As a
9 matter of fact, we had a couple this week that came in
10 and we took care of, so that's never a problem, but doing
11 COVID and for the general public's convenience, sometimes
12 they should prefer just to call us or either call the
13 Precinct. You know, it's not that I'm discouraging or my
14 staff is discouraging anyone from coming to our station,
15 we have facilities here for them, for us to interview
16 them in private. So I would like for them to come up
17 here, but I mean, but it's their choice. It's not, you
18 know, I'm not doing anything to keep them from doing
19 that.

20 VICE-CHAIR JONES: Okay. Thank you very much,
21 Commissioner Bernard, for your questions. Does anybody
22 else have a question?

23 COMMISSIONER BURCH: Yes, I do.

24 VICE-CHAIR JONES: Go ahead, Commissioner Burch, ask
25 your question.

1 COMMISSIONER BURCH: I thank the Chair and Mr. Akbar,
2 I wanted to share with you, this really is not your
3 problem, but it's something that Chief White, briefly
4 sir, we discussed, the both of you. When you show a
5 report like this that you sent us about the citizens'
6 complaints and the alleged commands involved. When I look
7 at No.11, so that's all I can go by, that's where I live.
8 Let me share with you and see if this makes sense to you.
9 You do your job but you cannot make people write a
10 complaint or come and make a complaint at a Precinct or
11 whatever. Got that, right? You can't make them go. Here's
12 my point. Many citizens do not report what they've seen,
13 what they go through every day. People do it out of fear.

14 COMMISSIONER BURCH: Sometimes the fear of the
15 criminal, may be intimidated by the officers. And then
16 the other thing that you have to look at is that many
17 people will call 11, some don't because they'll call and
18 they'll say it's busy, and they don't call back. So when
19 a citizen makes a complaint, say at No. 11, I'm just
20 using it as an example. If you make a complaint and
21 nobody gets back to you then that citizen begins to say,
22 oh, well, I didn't get any service. How many citizens do
23 you know are affected by that? You don't know. So
24 everybody that has a complaint, sir, does not go to the
25 Precinct or call or come over there where you are.

1 There's got to be a better solution for citizens to not
2 be afraid and to make a report. Do you see where I'm
3 coming from, Mr. Akbar?

4 INTERIM CHIEF AKBAR: I hear what you're saying, but
5 I have a comment. Generally the complaint process, and I
6 understand. Sometimes people are afraid to go to a police
7 station. I can understand that. And that's why they use
8 the telephone or they come here. Department policy is
9 very strict about Detroit Police Department supervision,
10 including us taking complaints. If a person has a
11 complaint we're going to take it, okay. If somebody goes
12 into a police Precinct, they're going to take it. And if
13 they don't take it and we find out that they didn't take
14 it through an investigation, we ended up writing up the
15 supervisor at the Precinct for doing that. So there are
16 some safeguards in there, you know?

17 COMMISSIONER BURCH: Okay. I don't want to interrupt
18 you, but you're missing what I'm saying. It does not
19 always get back to you or the commander of that Precinct.
20 That's what I'm trying to share with you. You don't know
21 what people go through to make a complaint. Like I said,
22 some of them are afraid. They don't know who to talk to.
23 So that's the solution we got to work on together. Let
24 people speak out and get results. That's all I want to
25 say, that's all I had to say, Mr. Co-Chair.

1 VICE-CHAIR JONES: Alright. Thank you very much,
2 Commissioner Shirley Burch. Commissioner Willie Bell, do
3 you have a question to comment for Interim Chief Akbar?

4 COMMISSIONER BELL: Thank you, Chairman. I have one
5 question, then I have, I do my comments first. I just
6 want to commend the Office of the Chief Investigator; you
7 do an outstanding job of investigating and Commissioner
8 Holt that is investigating. That's what they do, track
9 stuff down. And the other part is that I want to commend
10 them all hands on deck. That was in reference to trying
11 to resolve this backlog of cases. So let us focus on
12 their mission and how they do it. And your administration
13 staff who had the desk to do an outstanding job. I just
14 want to say that we are undermanned, but we are doing an
15 outstanding job of trying to serve Detroit. Commissioner
16 Burch, we have come a long way in police, community
17 relations throughout the city of Detroit for the last 15
18 years, especially in the last 10 years. I don't think
19 people are intimidated by the police like we were in our
20 day. It is not the case, but I agree with you. We're
21 trying to do everything possible as Commissioners to go
22 out in the public and encouraged them to file a complaint
23 if they have a complaint. A whole lot of people give you
24 a narrative, but they don't have any facts or any
25 background. But we're working at that. My final question

1 is, well, my question is we are getting complaints that
2 are going into the Chief Office. That was some concern
3 and referenced. You're not getting those claims. Are they
4 address that issue? Because the charter says we handle
5 all complaints. They are not separate entities. We handle
6 all complaints, it does not say, can investigate, but
7 there has to be a process, they inform my office.

8 COMMISSIONER BURCH: Mr. Co-Chair, could I just since
9 he addressed my name? I just want to do a rebuttal to
10 that to you, Commissioner Bell. In my day,

11 VICE-CHAIR JONES: Commissioner Burch, I did not give
12 you the floor. Can you please hold on for a minute?
13 Commissioner Bell, were you done?

14 COMMISSIONER BELL: Yes, sir. Thank you.

15 VICE-CHAIR JONES: Okay. OCI Akbar was there a
16 rebuttal to the Chair with an answer for Commissioner
17 Bell's comments?

18 INTERIM CHIEF AKBAR: Yes, but we investigate, which
19 the Board knows, but it's for the community. We
20 investigate all non-criminal complaints. So even if stuff
21 comes to the Chief's Office, they automatically forward
22 it to us. So that's what we do.

23 VICE-CHAIR JONES: Okay. Alright. I just got a couple
24 of things I need to say is that the OCI presentations, we
25 generally always get a hard copy. That's given to us

1 inside of our package that we are able to read every week
2 for whatever reason last week that did not happen, but we
3 did put a copy in it for you this week. So I hope that
4 that satisfies everyone in attendance. The Board is
5 continuously working on community outreach and engagement
6 to inform the community about the work that we do in
7 civilian oversight. And what are the complaints that
8 we're investigating with the police department? The one
9 thing that we do have is that we do have a staff that's
10 firmly committed to observing police with misconduct, get
11 citizens' complaints. Those things are in place, and they
12 are always investigated. As an investigation has to be
13 done on it and there's a very comprehensive report on the
14 investigation, also. I, tend to read a lot of the CCRS
15 that are in place right now. So I can see the different
16 levels that those investigations go through and who has
17 to sign off on those investigations before they can go
18 any further. So I can assure the public that everything
19 is being done to make sure that they have the information
20 that they need to see to it, to their complaints are
21 investigated in a manner that is consistent with the OCI.
22 So we've given the community a great deal of resources,
23 as far as how to contact, get in touch. They can do it
24 online, they can do it by telephone. They can go into
25 coming up to the station as well as other resources also.

1 So we like to continuously put that out there for them as
2 well. Commissioner Shirley Burch, you have one last
3 question that you want to give. I'm going to give you one
4 minute to read that question.

5 COMMISSIONER BURCH: Thank you, Co-Chair. I just
6 wanted to say in what Mr. Bell was speaking, Commissioner
7 Bell, excuse me, was saying about times that it used to
8 be when we were younger. I've always been taught to
9 respect officers. I had no problem in that, the
10 generation I grew up in, but you're going to have people
11 that are not going to obey that law. So I was not
12 intimidated ever by police officers. I worked with them,
13 but I called it as I called it and they corrected me. I
14 received it, but it's never been like intimidation, Mr.
15 Bell, Commissioner Bell. We have to work together, it's a
16 new generation. It's new blood out there. That's all I'm
17 going to say. Thank you.

18 VICE-CHAIR JONES: Alright. Thank you very much.
19 Commissioner Shirley Burch. Alright. Next, we have a
20 report from the Interim Board Secretary.

21 COMMISSIONER BURTON: Mr. Chairman.

22 VICE-CHAIR JONES: Yes.

23 COMMISSIONER BURTON: Commissioner Willie. Burton I
24 would like to weigh-in.

25 VICE-CHAIR JONES: Go ahead, Commissioner Burton. I

1 didn't see your hand raise or anything but go ahead. If
2 you have a question for OCI Akbar.

3 COMMISSIONER BURTON: Absolutely. First of all, just
4 like to start by saying I've been experiencing some
5 technical issues today. I'm not sure if my colleagues
6 have been advised, but I have been in communication with
7 the Board.

8 VICE-CHAIR JONES: I have been informed.

9 COMMISSIONER BURTON: Questions for the Interim Chief
10 Investigator. Why you never showed the category in your
11 report that goes 90 days later. And what is the timeframe
12 when you receive these complaints before you bring them
13 before the Board? And also we like to know how many
14 retired officers do you have to work in OCI. And also and
15 how many current DPD officers do you currently have that
16 you have over there in OCI and who authorized it?

17 VICE-CHAIR JONES: Thank you, Commissioner. Burden.
18 Those were at least 4 questions that you had for Interim
19 Chief Akbar. Go ahead if you could Mr. Akbar, go ahead
20 and provide him with some answers here.

21 INTERIM CHIEF AKBAR: Okay. I'm going to try to
22 remember it if I could remember all that. As far as the
23 90 days situation, we have 90 days to complete an
24 investigation. That was granted to us by the DOJ, the
25 Department of Justice. Every time I give a report, I

1 inform you of how many cases that we have over 90. You
2 know, I'm very transparent, period. You know, about the
3 number of cases that we had

4 COMMISSIONER BURTON: I don't know. We don't know.

5 INTERIM CHIEF AKBAR: Well, you must not read the
6 material because I always bring that up every time I give
7 a presentation. I don't hide anything. Did you have some
8 more, did you have something else that you want to say?

9 VICE-CHAIR JONES: Well I mean Commissioner Burton,
10 can you, excuse me one second.

11 COMMISSIONER BURTON: Absolutely.

12 VICE-CHAIR JONES: So on those last two questions
13 about personnel, demographics, and everything, you don't
14 have to answer those last two questions. He can put those
15 questions in writing and presented them to the Board so
16 we can get him the answers to those questions.

17 COMMISSIONER BURTON: Point of order, Mr. Chairman, I
18 mean, how many officers does he have working at OCI? I
19 think he can answer that. And also how many retired
20 officers worked as investigators for OCI and how many DPD
21 officers that we have currently worked over there and who
22 authorized it? Yes, he should answer that and he should
23 not have the... I mean, Mr. Chairman, I would like to
24 have that information by the next meeting for the,

25 VICE-CHAIR JONES: Okay. We can get that information

1 for you Commissioner Burton. That's no problem.

2 COMMISSIONER BURTON: But I really prefer him to
3 address it today since he's on the stand, sir.

4 VICE-CHAIR JONES: I have your r presence and the
5 Chair I was given this decision on. Okay. It's, I'd
6 appreciate it if you can respect my decision and we'll
7 get that information to you at a later date if that makes
8 sense.

9 COMMISSIONER BURTON: Next week, Mr. Chairman. By the
10 next Board meeting.

11 VICE-CHAIR JONES: Alright, good enough. And one
12 thing I have to add to what Mr. OCI Akbar says is that
13 from what I've seen in his report, it's a very
14 comprehensive report. He has given a number of ways that
15 we can take citizens' complaints. Citizen complaints are
16 something that we honed in on, we key on when oversight
17 committee for the police department or whatever. So we're
18 very serious about getting those answers to the citizens
19 of the City of Detroit that they need. If they have a
20 complaint, they have a negative experience. Then we
21 definitely want to investigate to see if that complaint
22 is valid or if there's something else that's going on. So
23 I can certainly appreciate the report that you gave Mr.
24 Akbar, and I thank you so much for the report that you
25 did give.

1 COMMISSIONER BERNARD: Mr. Chairman, I just have one
2 quick question for Mr. Akbar. Some of the complaints you
3 say

4 VICE-CHAIR JONES: Commissioner Bernard, if you could
5 make it one question, make it quick.

6 COMMISSIONER BERNARD: Your report says, 1, 2, 3, 4,
7 the complaints were received in custody. What does that
8 mean?

9 INTERIM CHIEF AKBAR: In custody?

10 COMMISSIONER BERNARD: It says in custody, mode of
11 entry, in custody, one from the Fifth Precinct, one from
12 the Sixth Precinct, one from the 10th, one from the
13 Eleventh.

14 INTERIM CHIEF AKBAR: In custody would mean that
15 maybe they were arrested and then they filed a complaint
16 or they filed a complaint at the Precinct when they were
17 arrested.

18 COMMISSIONER BERNARD: Okay. So they have actually
19 been arrested by the

20 VICE-CHAIR JONES: Thank you, Commissioner Bernard.

21 COMMISSIONER BERNARD: Thank you.

22 VICE-CHAIR JONES: We appreciate you.

23 COMMISSIONER BURTON: Mr. Chairman. Can I raise one
24 last question? I'll make it really quick.

25 VICE-CHAIR JONES: Well, you know, if you can make it

1 really quick, go ahead, Commissioner Burton.

2 COMMISSIONER BURTON: Thank you, Mr. Chairman.
3 Question, why do you not show in your report the list and
4 breakdown of the police misconduct. I mean, your report,
5 we will love to see that and why not are these reports
6 are not listed on the city website far as the Board of
7 Police Commissioners?

8 INTERIM CHIEF AKBAR: They're listed in closed
9 investigations, Commissioner Burton.

10 VICE-CHAIR JONES: Okay. Thank you, Mr. Akbar.
11 Alright, then I guess next I'm going to have the report
12 from the Interim Board Secretary and Interim Board
13 Secretary, are you prepared to give me a report now?

14 MS. WHITE: Yes. Through the Chair, Honorable Board,
15 and community, please refer to the agenda for the
16 incoming information for this week, which includes the
17 following, the weekly DPD facial recognition technology
18 report. Also, the Board received the project green light
19 report as of October 1st. And please note that all of
20 these reports that are transmitted to the Board of Police
21 Commissioners are immediately posted on the Board's web
22 page for the public's inspection. Also, the Board
23 received several standard reports, including, but not
24 limited to the report on March 4th, 2020, the round table
25 on homicides and non-fatal shootings. And just note this

1 was research-related, but as staff begins to prepare for
2 the next community forum, as requested by the BOPC,
3 please review the report and complete the survey that was
4 sent a couple of weeks prior. Also, the Board received
5 the NICOLE'S important updates regarding today's last
6 session.

7 MS. WHITE: And then the NICOLE'S annual membership
8 reminder. The meeting will be held tomorrow and also
9 NACOLE'S, 2021 election of officers. The Board also
10 received information concerning the personnel packet on
11 all of the Board's, vacancies. You received those
12 documents and a hard copy this week, and also city HR
13 just transmitted an email update for your information. So
14 please take a look at your emails for that. And for the
15 record, I would just like to note again, that all OCI
16 data, the presentations that are given each month, and
17 all of the Board's reports that are derived from the
18 department, all of that information is posted to the
19 Board's, web page. If anyone has any issues with
20 accessing that information or needs assistance with
21 locating those documents, please contact the Board's
22 office for further assistance. And Mr. Chair, if I could
23 also acknowledge the staff members who were in attendance
24 today just for the record they are as follows:

25 MS. WHITE: Mr. Robert Brown Administrative

1 Specialist, Ms. Theresa Blossom, Community Relations
2 Coordinator, Ms. Jonya Underwood, Administrative
3 Assistant Investigator, Tiffany Stewart, Director,
4 Katrina Patillo, Director of Police Personnel, Assistant
5 Corporation, Counsel, Ericka Savage Whitley, Interim
6 Chief Investigator Akbar, Supervising Investigator
7 Ainsley Cromwell's, Acting Supervising Investigator
8 LiSonya Sloan, Acting, Supervising Investigator Rosalia
9 Madrigal, Investigator Markita Stanton, investigator
10 Ellen Counts, Investigator Pastella Williams,
11 Investigator Jessica Hunter, and also a former
12 investigator excuse me, right? Retired investigator
13 Roslyn Banks. And then just to know the DPD personnel
14 that I did not have an opportunity to call earlier.
15 Deputy Chief Mark Bliss, Deputy Chief Rudy Harper, and
16 Ms. Shelia McBride from the Chief's Office were also in
17 attendance. Thank you.

18 VICE-CHAIR JONES: Thank you so very much Board
19 Secretary Melanie, White. And I would just like to add
20 that our Board staff does an incredible job of gathering
21 information, bringing the information to this Board,
22 getting it to us and emails, putting it in our package,
23 and assembling all this information so that we can have
24 it and be prepared from our board meetings. So I would
25 like to say thank you to each and every one of you for

1 the hood, for the good job, and the hard work that you
2 do. Okay. Alright. We're going to move on into unfinished
3 business. Is there. Is any unfinished business. Moving on
4 to new businesses?

5 COMMISSIONER BELL: Mr. Chair.

6 COMMISSIONER BURCH: He had his hand. Oh, I'm sorry.

7 VICE-CHAIR JONES: I didn't see. I was looking down.

8 COMMISSIONER BELL: I just want to piggyback what Ms.
9 White said about the NACOLE conference to general meeting
10 started at one o'clock tomorrow, as you're well aware. I
11 am seeking reelection to the Board as Board member, At-
12 Large. I represent this Board of Police Commissioner on
13 that Board in terms of having that seat. So I think it's
14 crucial that we maintain this seat for another three-year
15 term with God's blessing. So I need your votes.

16 COMMISSIONER DAVIS: Isn't this to the bylaws?

17 COMMISSIONER BELL: No, sir. This is NACOLES.

18 COMMISSIONER DAVIS: You're still campaigning.

19 COMMISSIONER BELL: Excuse me.

20 VICE-CHAIR JONES: - Commissioner Davis, if you can
21 hold on for a second, you didn't get the floor.

22 Commissioner Bell, if you can continue,

23 COMMISSIONER BELL: This is NACOLES. It's has nothing
24 to so. We've been involved forever and it's sort of
25 crucial that we are aware of that fact. So that's why I'm

1 making you aware that the conference visual star tomorrow
2 at one o'clock, we've been doing the workshop all this
3 time. So hopefully you let the Board Secretary know that
4 you are going to be in attendance in some form or another
5 in terms of and deal support. Thank you. I sort of lost
6 my thought on the second issue, but I just want to say
7 that what you said, Commissioner Jones, that our staff
8 are doing outstanding jobs. We, the only board in the
9 State of Michigan, perhaps in the nations, especially
10 when it comes down to oversight than meet weekly. So they
11 give us the material we prepare, they prepare, so we
12 should be informed, but NACOLEES is a very important part
13 of what we do. We own the cutting edge of what's
14 happening in DC with the adjuster department DOJ, the
15 attorney general, and the president vice-president he ran
16 it up to the commissioner. Now, whenever with oversights,
17 I just want to remind individuals who talking about best
18 practices. So we need to be involved and know best
19 practices, be involved with best practice. Thank you, Ms.
20 CIF.

21 VICE-CHAIR JONES: Thank you, sir. Commissioner
22 Davis, we definitely want to hear from what's on your
23 mind.

24 COMMISSIONER DAVIS: I think this is a clear
25 violation. He should not be using city resources for

1 personal gain. He's campaigning. This should be
2 disallowed. This should not be allowed. He knows better.

3 VICE-CHAIR JONES: Okay. Now I'll tell you what we'll
4 do for you Commissioner Davis. We'll explore that and we
5 will get an answer to you by next week. Is that good for
6 you?

7 COMMISSIONER DAVIS: That' would be a good start.

8 VICE-CHAIR JONES: Thank you, sir. We appreciate your
9 comments. Alright. Next, we to have.

10 COMMISSIONER BURTON: Through the Chair, for new
11 business.

12 VICE-CHAIR JONES: New business. Okay. Commissioner
13 Burton, you have the floor.

14 COMMISSIONER BURTON: Thank you. I'd like to put a
15 motion on the floor due to the fact that we have our
16 internet divide here in the City of Detroit. I believe
17 one of the Commissioners stated in this meeting that we
18 still have 30 to 60%, I'd say it's probably more than
19 that wake-up every day and poverty that, you know, are
20 experiencing difficulties getting into these meetings.
21 And so I moved that we raised public comments from two
22 minutes to three minutes per speaker, during public
23 comments due to the fact that we have our internet divide
24 and we are still in a virtual setting.

25 VICE-CHAIR JONES: Alright. The motion has been

1 properly made. Is there a second?

2 COMMISSIONER DAVIS: Second.

3 VICE-CHAIR JONES: All right.

4 COMMISSIONER CARTER: Mr. Chair.

5 VICE-CHAIR JONES: Yes.

6 COMMISSIONER CARTER: I move that we postpone the
7 motion that was just made indefinitely.

8 COMMISSIONER BELL: I second that motion.

9 COMMISSIONER HOLT: Second.

10 VICE-CHAIR JONES: This calls for a roll call vote.

11 Ms. White, would you be able to do that roll call vote?

12 MS. WHITE: Through the Chair. Commissioner Bernard =
13 Yes.

14 MS. WHITE: Commissioner Burch =Yes.

15 MS. WHITE: Commissioner Bell = Yes.

16 MS. Commissioner Burton = No.

17 MS. WHITE: Commissioner Carter = Yes.

18 Ms. WHITE: Commissioner Davis = No.

19 MS. WHITE: Commissioner Hernandez = Yes.

20 MS. WHITE: Commissioner Holt = Yes.

21 MS. WHITE: Mr. Chair = Yes.

22 MS. WHITE: There were 7 = Yes votes and 2 = No
23 votes. The motion passed.

24 COMMISSIONER BURTON: Mr. Chairman, my final motion
25 for today. I moved that we go back to having hybrid

1 meetings especially in this type of climate that we're
2 in.

3 COMMISSIONER BERNARD: What is a hybrid meeting?

4 COMMISSIONER BURTON: Where you had Commissioners
5 meeting in-person and you had Commissioners that wanted
6 to be virtual? Due to the fact that people are still
7 having internet difficulties but we are officers that
8 really want to be accessible to the people and for
9 transparency. And so I moved that, you know, we go back
10 to having the in-person as well as the Zoom meetings. Do
11 I have a second from any of my colleagues?

12 ASSISTANT CORPORATION COUNSEL WHITLEY: Mr. Chair, if
13 I may interject?

14 VICE-CHAIR JONES: Please go ahead.

15 ASSISTANT CORPORATION COUNSEL WHITLEY: So just to
16 clarify Commissioner Burton's statements a little bit. We
17 didn't have hybrid meetings. What we had was a
18 commissioner who had a medical excuse not to attend. At
19 the time when the order was released and the whole body
20 was required to meet in person. We just had one who
21 requested a medical exception. So there was no hybrid, it
22 was just one medical exception.

23 COMMISSIONER BURTON: Okay. So

24 VICE-CHAIR JONES: Thank you very much.

25 COMMISSIONER BURTON: So I moved that we have hybrid

1 meetings where you can have an option for those that
2 whether they want to be in person, as well as for those
3 that prefer to be virtual. I think we can actually have
4 both components due to the Commissioner's circumstances
5 and understanding. And so I'd just like to ask my
6 colleagues, does anyone second that because we are here
7 to represent our community. And today I had issues
8 getting into the meeting today and so there are other
9 Commissioners that are having challenges getting into
10 these meetings. And so, you know, we want to represent
11 our community.

12 VICE-CHAIR JONES: Well, let me just say, let me say
13 this.

14 COMMISSIONER HOLT: Chair Jones, is there a second?

15 COMMISSIONER DAVIS: Second.

16 COMMISSIONER BURCH: He didn't call you.

17 COMMISSIONER HOLT: I'm sorry.

18 VICE-CHAIR JONES: Alright. Now I was speaking to
19 them. I do have something I do want to say. With regard
20 to people getting on the media, all of the Commissions
21 with the exception, maybe one of them did not have a
22 problem getting on. The invitation is open through our IT
23 department to discuss anybody who's having any kind of
24 problems, computers, cell phones, or whatever you may
25 take. They're open to having any kind of problems, they

1 have resolved. Any problems that I've had, I've had those
2 problems resolved and Commissioner, you would need to
3 avail yourself of the help that's available to you
4 because you have this problem every single solitary week.
5 So I would advise that you go ahead, get with the IT
6 department who can help you solve your issues getting on.

7 COMMISSIONER BURTON: Point of order, Mr. Chairman.
8 I'd like for you to call for a discussion, but point of
9 order to those remarks,

10 COMMISSIONER BELL: Mr. Chair.

11 VICE-CHAIR JONES: Yes, sir.

12 COMMISSIONER BELL: I think the Chair can rule that
13 motion out of order because it would be contrary to the
14 policy that we are operating on in the City of Detroit.
15 You know what I'm not sure what this thing is about a
16 hybrid meeting and we already had our counsel to weigh
17 in. I am going to rule that motion out of order.

18 COMMISSIONER BURTON: Point of order, Mr. Chairman. I
19 did put a motion on the floor. That motion was properly
20 second. I also called for discussion. You did not go into
21 discussion, but more importantly, the motion has been
22 properly supported and I'd like to call for the vote Mr.
23 Chairman.

24 COMMISSIONER HOLT: Discussion.

25 COMMISSIONER BELL: I think the Chair can still rule.

1 VICE-CHAIR JONES: Yes, exactly. I'm still going to
2 rule that motion is out of order.

3 COMMISSIONER BURCH: You all haven't been called on
4 by the Chair.

5 COMMISSIONER BURTON: Point of order, Mr. Chairman.
6 I'd like for you to call the parliamentarian or the city
7 law department in this right now because this is
8 disenfranchising a hundred thousand people that live in
9 this district.

10 VICE-CHAIR JONES: Wait a minute. Stop right there.
11 This is not a political platform. Alright. [01:51:52
12 crosstalk/inaudible] Excuse me, this is your first
13 warning. Number two. I'm going to ask you to stop for a
14 second while the Chair speaks. All right. I rule right
15 now that, that motion is going to be out of order. If you
16 want to bring it back next week, when we've gotten
17 clarification on it, you're free to do so but as of right
18 now, I'm going to rule that that motion is out of order.

19 COMMISSIONER BURTON: Point of order. I asked you to
20 call the parliamentarian to weigh in now, or the Board's
21 attorney.

22 VICE-CHAIR JONES: Commissioner Burton, the ruling
23 from the Chair is that the motion is out of order. You
24 need to respect that decision. Okay. We're going to move
25 on.

1 COMMISSIONER BURTON: Point of order, Mr. Chairman,
2 every week a motion is -

3 VICE-CHAIR JONES: Commissioner Willie Burton, this
4 is your third warning -

5 COMMISSIONER BERNARD: Mr. Chairman, move to adjourn,
6 I mean, to go to public comment, pardon me?

7 COMMISSIONER HOLT: Okay, thank you. Comments,
8 please. Chair Jones.

9 COMMISSIONER BURCH: It is Co-Chair.

10 COMMISSIONER BURTON: You are suppressing on
11 democracy.

12 VICE-CHAIR JONES: Mr. Robert Brown, we're going to
13 go to public announcements.

14 Mr. ROB BROWN: Yes. Good afternoon, Mr. Chair, the
15 BOPC virtual meeting upcoming. The next meeting is on
16 October 14th, at 3:00 PM with the Seventh Precinct
17 presenting. And after that October the 21st at 3:00 PM.
18 And Mr. Chair from that, if there's, oh, I have one more
19 announcement. During the national faith in the blue
20 weekend, the Eleventh Precinct, presents prayer for peace
21 memorial, which will be held Saturday, October 9th, 2021
22 at noon at Halic and Arlington and Mr. Chair from, I go
23 to public comments, if that's okay.

24 VICE-CHAIR JONES: Alright. You know what, can you
25 give me just one second, Mr. Brown? That's what's up, I

1 just wanted to say something because, during the course
2 of the meeting or whatever, it appeared to me that I
3 received a couple of ideas. One from Chief White as a
4 matter of fact, and some others. What I want to do is
5 just as a reminder, the public's reminded to follow the
6 Zoom policies and the Board's bylaws during public
7 comments, inappropriate language or language use
8 inappropriately to attack anyone may result in removal
9 from the meeting. Also, our goal here is the move, the
10 needle in a positive direction. I want to change the
11 narrative of what public comments are meant to be. We all
12 live in the city and are striving to make our living
13 conditions better. We want your ideas; we would like your
14 suggestions on how we can work together in our city. With
15 that in mind, we will go to public comments from there.
16 Thank you very much. Mr. Brown, you may proceed with
17 public comments.

18 MR. ROB BROWN: Thank you, Mr. Chair, your first
19 three speakers would be Ms. Bernie Smith followed by Ms.
20 Brenda Hill followed by the caller with the last three
21 numbers 402. Ms. Smith.

22 MS. SMITH: I cannot believe it could not last, the
23 peace in that meeting. I could not believe it. And I had
24 prayed that it would stay peaceful and decent. I'm so
25 sorry. I did not... I was asked to run for this

1 particular district and I said, no, I'm too old. But I'll
2 be darn if I should have run just what a heck of it,
3 because of the fact we need decency in this district and
4 we do not have it with that commissioner. He is so
5 disrespectful to everybody that sits at that seat and I'm
6 sick and tired of it. I have been down at the, as most of
7 you know, down at Greektown. I've been surveying and I've
8 been talking with the police down there and they've been
9 doing a darn good job. Believe me and take my word for
10 it. I've talked with most of them and they do respect me
11 when I'm coming down there and they speak to me and say
12 how they're doing it so forth.

13 MS. SMITH: What in particular police that I must
14 tell you about. He has worked almost 12 hours. I felt
15 sorry for him when he told me that because I told him I
16 would try my best and I mean it to my heart for them to
17 get a raise. The police need a raise guys, and I'm
18 telling you, they have worked so hard and so many hours.
19 And I feel as though they deserve it. I thought about
20 this last year, not only now, but I thought about it last
21 year. Now with me being so involved with them, seeing
22 them every weekend, when I go down there, I think they're
23 doing a hell of a good job. And we do have to consider
24 them and think about them. When they put that uniform on,
25 they're risking their lives for us. We don't realize it,

1 but they're going out there every day.

2 MS. SMITH: So let's give them a break and let's
3 think about giving them a raise because they deserve it.
4 I haven't seen anyone down there that I don't think needs
5 one. They walked the payment down there. You should see
6 them, I see them. And we should consider them and give
7 them a raise because they knew it. Look at their
8 contract. They told me about the contract. I'm not going
9 into all the details about it because I can't remember
10 it, but I think we need to give them a raise. And next
11 and last, we need to cut that mic off on that particular

12 VICE-CHAIR JONES: Alright.

13 MR. ROB BROWN: Mr. Chair, your next speaker will be
14 Ms. Brenda Hill. Ms. Hill.

15 MS. HILL: Yes. Can you, can you hear me laughing?

16 MR. ROB BROWN: Yes, ma'am yes. Martin Jones, you
17 don't have the right to tell the public how and what they
18 can say in public comments. You sound crazy and like a
19 fool, which you are. You can say,

20 VICE-CHAIR JONES: That's it. Mr. Brown, would you
21 stop that mic?

22 MS. HILL: You had 2 hours.

23 VICE-CHAIR JONES: The rules were made clear. Please
24 stop it right now. Alright. We're going to go on to the
25 next speaker.

1 MR. ROB BROWN: Caller with the last three numbers
2 402.

3 COMMISSIONER BURTON: Mr. Chairman, this is
4 Commissioner Burton speaking.

5 VICE-CHAIR JONES: Mr. Burton, you do not have the
6 floor. I'm not giving you the floor. This is public
7 comment.

8 COMMISSIONER BURTON: Give Ms. Brenda Hill back her
9 minute and a half, her time back. What you did, this is
10 shutting down democracy.

11 VICE-CHAIR JONES: That's your third warning, Burton
12 that is your third warning. I'm going to stop right now.
13 I'm going to take a vote to sanction you.

14 COMMISSIONER BURTON Community activism -

15 COMMISSIONER BELL: Mr. Chairman, I move that we
16 remove Commissioner Burton.

17 VICE-CHAIR JONES: Alright, the motion's been moved.
18 Can I have a second? Is there a second?

19 COMMISSIONER BERNARD?: What's the motion?

20 VICE-CHAIR JONES: The motion was to mute
21 Commissioner Burton.

22 COMMISSIONER CARTER: Support.

23 VICE-CHAIR JONES: Okay. Roll call vote.

24 ASSISTANT CORPORATION COUNSEL WHITLEY: Mr. Chair, if
25 I may?

1 COMMISSIONER DAVIS: Somebody asked if they had
2 something to say.

3 ASSISTANT CORPORATION COUNSEL WHITLEY: I just want
4 to make it in line with the bylaws,

5 VICE-CHAIR JONES: Thank you, Ms. Whitley, please.

6 ASSISTANT CORPORATION COUNSEL WHITLEY: is to remove
7 him from the meeting. That is under the bylaws, is to
8 remove him from the meeting. You can do that by muting,
9 but just to make sure it's verbalized by vote.

10 COMMISSIONER BELL: Mr. Chairman, I move that we
11 remove him from the meeting.

12 VICE-CHAIR JONES: Alright. Is there a second?

13 COMMISSIONER CARTER: Support.

14 VICE-CHAIR JONES: All right. Roll call vote.

15 MS. WHITE: Commissioner,

16 COMMISSIONER DAVIS: There is no discussion?

17 COMMISSIONER BURTON: Mr. Chairman, it's very
18 improper and I call for the Board's attorney to weigh in
19 that we had a citizen,

20 VICE-CHAIR JONES: Discussion.

21 COMMISSIONER BURTON: who was just speaking and she
22 just got cut off. That's totally unacceptable in the
23 black community.

24 COMMISSIONER CARTER: Can we have the vote if there's
25 no discussion?

1 COMMISSIONER DAVIS: Discussion.

2 VICE-CHAIR JONES: Commissioner William Davis.

3 COMMISSIONER DAVIS: I think this whole action is
4 most, most... This is very bad. I think we should, you
5 know, we should not deny somebody, their ability to do
6 public comment. I think this is wrong on so many levels.

7 VICE-CHAIR JONES: Well, at this particular point, we
8 are talking about discussing a motion to remove Willie
9 Burton from the meeting. He's only been in the meeting a
10 half an hour yet; he continues to disrupt the meeting in
11 the time that he's been there. So the vote is on the
12 table or the discussion is on the table about Willie
13 Burton.

14 COMMISSIONER BURTON: I'm a Commission, Chairman
15 Bell, I mean Chairman.

16 VICE-CHAIR JONES: If there is no other discussion,

17 COMMISSIONER BURTON: The motion is very improper a
18 citizen was just shut down.

19 VICE-CHAIR JONES: I'm ready for the vote.
20 Commissioner Annie Holt, how do you vote? Commissioner
21 Annie Holt. Commissioner Jesus Hernandez? Mr. Brown are
22 they able to hear me?

23 MR. ROB BROWN: Yes, sir.

24 VICE-CHAIR JONES: Alright. Commissioner William
25 Davis = certainly, No.

1 VICE-CHAIR JONES: Commissioner Lisa Carter = Yes.

2 VICE-CHAIR JONES: Commissioner Willie Burton = No.

3 VICE-CHAIR JONES: Commissioner Willie Bell = Yes.

4 VICE-CHAIR JONES: Commissioner Shirley Burch = No.

5 VICE-CHAIR JONES: Commissioner Linda Bernard = No.

6 VICE-CHAIR JONES: Commissioner Darryl Brown. Not

7 here.

8 VICE-CHAIR JONES: Vice-Chair Martin Jones = Yes.

9 VICE-CHAIR JONES: Commissioner Holt = Yes.

10 MS. WHITE: There were 4 = Yes votes, 4 = No votes.

11 The motion failed due to it being a tie.

12 VICE-CHAIR JONES: Okay. The information I've been

13 given just now is the motion failed due to it being a

14 tie. Alright. We're going go back to,

15 COMMISSIONER HERNANDEZ: Through the Chair.

16 VICE-CHAIR JONES: Who is speaking?

17 COMMISSIONER HERNANDEZ: This is Commissioner

18 Hernandez.

19 VICE-CHAIR JONES: Yes, sir.

20 COMMISSIONER HERNANDEZ: I don't believe I got a

21 chance. I maybe missed that portion or, was I called?

22 VICE-CHAIR JONES: Yes. Commissioner Hernandez, what

23 is your vote?

24 COMMISSIONER HERNANDEZ: My vote would be = Yes.

25 MS. WHITE: 5 Yes votes. The motion pass.

1 VICE-CHAIR JONES: Okay. We have 5 yes votes and the
2 motion passed.

3 COMMISSIONER DAVIS: Point of information. Do we need
4 a supermajority for that?

5 VICE-CHAIR JONES: I'm sorry.

6 COMMISSIONER BELL: No.

7 COMMISSIONER DAVIS: Do we need a supermajority for
8 that?

9 VICE-CHAIR JONES: No, not at all. Alright. We're
10 moving on with public comments. All right, Mr. Brown, if
11 you can tell us who's next.

12 MR. ROB BROWN: Yes. Caller with the last three
13 numbers 402. Mr. Chair, I'll go to the next speaker. Oh,
14 there she goes. Caller with the last three numbers 402.
15 I'll go to the next caller, Mr. Chair, Mr. Steven Boyle.

16 MR. BOYLE: There we go. Okay, I believe I'm unmuted
17 at this time. Thank you. My name is Steven Boyle. I live
18 in district 3. I actually live on John- R, which
19 thankfully is on the Trunk line for the internet. One of
20 the issues that I believe is heavily disputed at this
21 time is the ability of the public who may be lacking
22 internet access to have access to these meetings of the
23 Police Board of Commissioners. The problem is, we have a
24 33% inaccessible, it's basically the internet at high-
25 speed access to be able to watch the video and hear audio

1 is unavailable for that many people in this community.
2 The community it served. I also want to bring another
3 mention here. I was looking around for the facial
4 recognition reports online, and I noticed that there are
5 a few of them that are mislabeled on the dates, and they
6 don't go any further than March 2001. There's nothing for
7 the last six months online, Ms. White, if you could
8 please rectify this problem. I brought this up last week
9 with a written comment. I don't know that it was actually
10 written or brought to the record. I looked at the minutes
11 from the last meeting and it looks like things ended in a
12 mess and it looks like that's happening again this time,
13 I really recommend this body follow parliamentary
14 procedure.

15 MR. BOYLE: And if you had a hybrid meeting, which is
16 very possible because the state has ruled those persons
17 who are vaccinated can meet together without mass in the
18 same room. There's no problem with that provided you're
19 all vaccinated. The thing is, why are we having this
20 level of discord in this body? This is supposed to be a
21 police, a peacekeeping body.

22 MR. ROB BROWN: Mr. Chair, your next speaker will be
23 Mr. Eric Blunt.

24 MINISTER BLUNT: Can you hear me, Board?

25 COMMISSIONER DAVIS: Yes.

1 MINISTER BLUNT: Good. This is Minister Eric BLUNT
2 from Sacred Heart Church. Commissioner Bell stated last
3 night that I never have anything good to say about this
4 Board, but I prayed for this Board's safety as this Board
5 return to in-person meeting against the health
6 department's guidelines. Any pleasant comments, in your
7 opinion, are going to have to be earned. Commissioner
8 Bell and I will forever disagree on the role of this
9 Board. One point of fact that is on my side and which is
10 hopefully clear now is that the city charter has for at
11 least nine years stated that this Board is not in charge
12 or a leader of the police department. So to behave in
13 various ways to be cheerleaders and to feel obligated to
14 increase the morale of the police department is just
15 wrong. In regards to the OCI presentation, the number one
16 filing classification of a complaint is unknown commands.
17 Please put yourselves in the citizen's shoes. When you're
18 in your car and you stop by the police, the squad car is
19 parked behind you. Both officers stand behind you. So if
20 a citizen feels that they have been mistreated, it's
21 nearly impossible for a citizen to identify an officer or
22 a squad car. So as a possible solution, officers should
23 hand the citizens, their business cards as they demand a
24 license, registration, and proof of insurance. I guess
25 that's all I really have for now that my time is almost

1 up. Thank you for listening,

2 MR. ROB BROWN: Mr. Chair, your next speaker will be,
3 Overwith.

4 OVERWITH: Whoa. Wow. Now you can't say you heard the
5 truth and it sounds like she was telling anything that
6 was untrue. It sounded like she was talking about getting
7 straight to it and talking about the truth. The truth of
8 out is this whole clown, stop, let me stop because I need
9 to use my time wisely. I would like everybody within
10 earshot, everybody that can hear my voice. In 1997, my
11 aunt died. It is what I called, was murdered by the
12 Detroit Police Department and they tried to cover it up.
13 We are in 2021 case number 20-1112, the murder of
14 Keneisha Coleman. Keneisha Coleman was murdered and the
15 Detroit Police Department has covered up the murder by
16 having to label a suicide due to some information that
17 they gleaned or gathered months after the incident from
18 who knows where and how. Lawrence Akbar just got on here
19 and gave a report.

20 OVERWITH: I have taken exception to it because I
21 have a 20-minute recording of him disregarding the city
22 charter, disregarding his oath to the public, and
23 advocating all his authority over Willie Bell, the man
24 with the one person towing commission. Now, Martin Jones,
25 I'm going to tell you as chairperson, I got a 40-year

1 reputation out here in this world, in the City of
2 Detroit, Detroit City. And these city streets of being
3 100. I'll put that against you or any other member of
4 this Board of Police Commission. I've dealt with matters,
5 important matters, real matters, matters sometimes
6 involving life and death. No badge, no good. And I'm
7 still 100, still breathing, still walking around the City
8 of Detroit. You don't hold a candle to that.

9 MR. ROB BROWN: Mr. Chair, would you like me to go
10 back to caller 402?

11 VICE-CHAIR JONES: Yes. You can go back

12 MR. ROB BROWN: Call with the last three numbers 402.

13 COMMISSIONER BELL: Mr. Chair, can we move on?

14 MR. ROB BROWN: Mr. Chair, that was your last speaker
15 because she's unmuted, but we can't hear.

16 VICE-CHAIR JONES: Okay. Alright. Just a couple of
17 things that I wanted to add. On the Board's website, we
18 find the meeting calendar. The public may go to news and
19 events and obtain any information that they're looking
20 for or click on DPD's facial recognition reports to
21 locate that information. Also, I'd like to add to the
22 record for the motion that was made that for Commissioner
23 Burton, pursuant to article 11, code of content, section
24 B is the reason for the basis of the motion I made to
25 terminate his or to silence his microphone. And with that

1 conclusion, I believe I'll entertain the motion to
2 dismiss.

3 COMMISSIONER HOLT: I move that we adjourn.

4 COMMISSIONER BERNARD: Second.

5 VICE-CHAIR JONES: All right. Thank you very much for
6 attending. All right, everybody. I appreciate your help.
7 I appreciate your attending this meeting and have a great
8 day.
