Sept 30, 2017

To the Honorable Board Members of BZA:

We are the residents of 48219 within the area of 6 & 7 mile off Telegraph surrounding the Jazz Club located at 16890 Telegraph Rd. Detroit, MI 48219.

This petition we are signing is in support of the Jazz Club to remaining and stay open.

We understand the ordinance states it should not be within a certain feet of a park But the park within in this area is a closed park and they are no hindrance to our neighborhood.

As a member of our community they maintain the surrounding area, keep the area clean and bring added security.

I support and acknowledge with my signature to keep this faculty open.
