JAJIDA

MY PARENTS

Jaida L. is an honor student, lover of dogs and a competitive swimmer who spends a lot of time in the pool. She enjoys hanging out with her friends, dancing, making sweet treats and *making lip gloss* of course! She aspires to attend Howard University majoring in Healthcare where she'll study Nursing and Executive Leadership and who knows, you may just see her on a runway one day modeling her own fashions! Jaida's a girl that believes she can do anything! Her favorite scripture is Philippians 4:13 that says, "I can do all things through Christ who strengthens me." Jaida has a heart for people and enjoys serving communities and people in need.

Jaida resides in Detroit, MI with her parents; Michael & Tericka and has a special place in her heart for her big brother, Jaalyn.
