How to make a Request for Public Comment

During the Board of Water Commissioners meeting, members of the public may make a comment when the chair opens the public comment section of the agenda.

If attending in person, raise your hand. If attending online, raise your hand using the Zoom hand icon on your desktop or mobile device. If calling into the meeting by phone, press *9 to raise your hand. Comments are limited to three minutes.

We respectfully request that you maximize your three minutes by sharing all your comments/questions at one time.

You will only be called upon once for public comment during the same committee meeting, full board meeting or public hearing.

Once the chair closes public comment, there will be no other comments from the public accepted and all attendees will remain muted for the duration of the meeting.
