1 CHAIRPERSON FERGUSON: My name is Bryan Ferguson,
2 Chairperson of the Board of Police Commissioners. This
3 meeting will now come to order. Please, if you can, if
4 you can silence your cell phones so it won't distract the
5 meeting. Chaplain Brandon Johnson. You can give us our
6 invocation, please.

7 CHAPLAIN JOHNSON: Thank you, sir. Greetings,
8 everyone. Let us pray. Dear gracious, Father, we thank
9 you for another day. We thank you for an opportunity at
10 life. We thank you for allowing us the opportunity to get
11 it right. God, we thank you for this meeting. We thank
12 you for this Board. We thank you for the Detroit Police
13 Department, the commissioners, the staff, each and every
14 person assigned duty. God, we ask for your continued
15 wisdom. We pray for safety. We pray for wisdom. We pray
16 for an open mind. We pray for an open heart that we might
17 all be on one accord, have great understanding, come to
18 agreement, learn more about each other, and that all will
19 be well, and things will be accomplished in your great
20 name. We do pray and we believe it to be so. Amen.

21 CHAIRPERSON FERGUSON: Amen. Thank you, Chaplain
22 Johnson. We're going to do the roll call. Madam Vice-
23 Chair, Annie Holt had an excuse absence, Commissioner
24 Willie Bell had an excuse absence and Commissioner Lisa
25 Carter had an excuse absence.

1 CHAIRPERSON HOLLEY: Okay, you call my name.

2 CHAIRPERSON FERGUSON: Commissioner Holley - Present.

3 CHAIRPERSON FERGUSON: Commissioner Hernandez -
4 Present.

5 CHAIRPERSON FERGUSON: Commissioner Pressley - Here.

6 CHAIRPERSON FERGUSON: Commissioner Cedric Banks -
7 Here. I'm present, I mean.

8 CHAIRPERSON FERGUSON: Commissioner Willie Bell -
9 Present, District 4.

10 CHAIRPERSON FERGUSON: Fantastic. Commissioner
11 Bernard is on her way in. I do see her. Alright. Thank
12 you.

13 COMMISSIONER: Yes.

14 CHAIRPERSON FERGUSON: Commissioner Ricardo Moore.
15 Not here. Okay. We do have a quorum.

16 COMMISSIONER BANKS: Wonderful.

17 CHAIRPERSON FERGUSON: Yes. Now I would like to
18 entertain a motion for the agenda - approval for the
19 agenda for October 13th, 2022.

20 COMMISSIONER BANKS: So move.

21 CHAIRPERSON FERGUSON: Any discussion? All in favor?

22 COMMISSIONERS: Aye.

23 CHAIRPERSON FERGUSON: All opposed? Motion carries.
24 Now the minutes for the previous meeting have been
25 distributed for October the 8th, 2022. Are there any

1 corrections to the minutes? If there there's no further
2 corrections, the minutes will be approved as read. I'm
3 going to introduce our staff. We have the BOPC staff
4 introductions. We're going to have Sergeant Quinn is over
5 Media Services and his team is handling the Board's audio
6 and visual for today. The following Board staff are also
7 in attendance. Ms. Theresa Blossom, Community Relations
8 Coordinator, Attorney Adam Saxby, City Law Department,
9 Mr. Robert Brown, Administrative Specialist, Ms. Jonya
10 Underwood, Administrative Assistant, and Ms. Candace
11 Hayes, Administrative Assistant. We also have some
12 special guests. We have Alvin Stokes, President of the
13 10th Precinct and the Citywide Police Community Relations
14 Council. Marie Overall from State Representative Tyrone
15 Carter's Office. Former police Commissioner William Davis
16 is in Zoom Room.

17 CHAIRPERSON HOLLEY: Coleman Young.

18 CHAIRPERSON FERGUSON: Coleman Young. Your name
19 again, sir? It is Johnson Aaron from Coleman Young's
20 Office is here. Fantastic. All right. Chief White is not
21 here. So we have Deputy Chief Stewart is here. Can you
22 introduce your staff please?

23 DEPUTY CHIEF STEWART: Hi, I'm Tiffany Stewart,
24 Deputy Chief of Detroit Police Department Eastern
25 operations. I'll be sitting in for Chief White today and

1 his stead. We have a couple members of the command staff
2 here. You want to stand up and introduce yourself?

3 Command Staff Introductions - Not audible.

4 CHAIRPERSON FERGUSON: Fantastic sergeant. All right.
5 Thank you. Once again, I want to thank everybody for
6 attending this Board meeting. Today we're meeting in the
7 Seventh Precinct area, Detroit Edison school located
8 between the Eastern Market and the Seventh Precinct
9 building. You may recall Chief White held the
10 department's Town Hall Event right here last month. We
11 heard from the numerous panelists about the collective
12 efforts to make Detroit a safer community. At this time,
13 I would like to invite academy's leader, superintendent,
14 and CEO, Ralph Bland, to bring some welcoming remarks. I
15 want to thank him and his team, including Nancy Garmen
16 and Latricia Tucker for working with the precinct and the
17 Board. Superintendent Bland, you have the floor, sir.

18 SUPERINTENDENT BLAND: Welcome to the Detroit Edison
19 Public School Academy, the only pre-K through 12 college
20 preparatory school in the city of Detroit. We house over
21 1,300 students on this campus in both buildings. See, we
22 have some students right here. One thing that we'd like
23 to pride ourself on is that we have a 70 to 80%
24 persistent rate of students actually going and staying in
25 college. That's one of the highest persistence rates in

1 the city of Detroit. So we really don't focus on students
2 graduating from high school. That's like a no brainer. We
3 really focus on them graduating from college and how they
4 could come back and have an impact on their community. So
5 I do want to say thank you to our friends from the
6 Seventh Precinct that's just a stone's throw away, that's
7 always supporting us in the time of need. I want to say
8 thank you. Our house is always open to any type of
9 community event because if we're not sharing what we do
10 with the community, what is a real community school
11 supposed to do? So thank you. I just want to welcome you
12 into - our house is your house. Thank you.

13 CHAIRPERSON FERGUSON: Also, most of this precinct is
14 in District 5 and part goes into District 3. So the
15 Commissioner Banks and Commissioner Burton represent this
16 district. At this time, I'd like to ask Commissioner
17 Banks, can you bring some greetings, sir?

18 COMMISSIONER BANKS: Yes. Well, it's a blessing being
19 here in this district here in district number seven.
20 Great officers here. They run things organized. Strong
21 establishment here in this district. I'm just very happy
22 to be a part of it. Thank you, Mr. Chair.

23 CHAIRPERSON FERGUSON: Thank you. You're welcome.
24 Earlier this week, City Council voted in a five to four
25 decision to approve the expansion of the ShotSpotter

1 technology system. The Board supports this decision and
2 effective, appropriate, and constitutional use of this
3 law enforcement technology to prevent and solve crime in
4 the city of Detroit. In June 2022, the Board voted to
5 support the approval of the 7 million expansion of the
6 ShotSpotter system, understanding the critical need for
7 advanced 21 century technology tools given the persistent
8 gun crimes that take place in the city of Detroit,
9 claiming the lives of so many innocent victims and
10 hurting families and residents. Our Board saw the
11 opportunity as an enhanced opportunity to be proactive
12 and preventative with the department immediately
13 detecting gunfire and responding to the scene to prevent
14 further crimes, fatalities, and critical incidents. As we
15 have previously shared, ShotSpotter is helping Detroit
16 police officers make arrests, get guns off the streets,
17 and reduce crime.

18 CHAIRPERSON FERGUSON: On behalf of the Board of
19 Police Commissioners, I want to share three reasons the
20 Board supports ShotSpotter. First, the Board reviewed,
21 revised and approved the policy on gun detection
22 technology before the police department began a pilot
23 project in 2021. The Board also allowed public comments
24 and feedback throughout the process. Detroit has had
25 their voices heard in a final policy comprehensively

1 protected privacy and constitutional rights while
2 modernizing police tools for the world of today. The
3 revised policy is currently under the board's review. The
4 public is also able to view and provide recommendations
5 to enhance the directive. Next, ShotSpotter monitors
6 solely - it monitors solely gunfire. It is not a general
7 surveillance system. Let me say that again. It is not a
8 general surveillance system. The focus on gunfire is
9 smart. Gun violence is the leading cause of killings,
10 traumatic injuries, and tremendous grief. Unfortunately,
11 gunfire also is so common in some areas that residents do
12 not even call 911. ShotSpotter is that 911.

13 CHAIRPERSON FERGUSON: Finally, as the department
14 reported at a January Board meeting, ShotSpotter for the
15 first time captured for the community, the senseless and
16 dangerous number of shots fired to greet the new year. In
17 just two pilot areas in parts of the Eighth and the Ninth
18 Precinct ShotSpotter recorded more than 1,300 shots fired
19 for fun. It was just shooting for fun to begin the 2022
20 New Year. Dangerous bullets fired and landing in our
21 neighborhoods. We must change that just as the city
22 mobilized the stop sensors and dangerous fires around
23 Devil's Night - which we changed it to Angels Night - for
24 Halloween. If you remember, last year we didn't even go
25 out. No whoopee lights, no nothing. The Board supports

1 ShotSpotter and other modern tools for public safety. At
2 the same time, the Board also supports educational,
3 social service and job programs that help all people live
4 productive, happy, and crime free lives. The Board shares
5 the goal of all Detroiters for a safe, peaceful, and
6 prosperous community.

7 CHAIRPERSON FERGUSON: Yesterday the Board held his
8 community meetings as part of our civilian oversight
9 charter mandates, where we conducted several interviews
10 for investigator vacancies and received vital updates
11 relating to personal and training budget. Citizen
12 complaint and policy. We will make the committee reports
13 at the appropriate time. Our BOPC committees allow us to
14 effectively and officially carry out our charter mandated
15 duties and expand transparency and accountability to the
16 community regarding our civilian oversight work. I want
17 to thank you guys for attendance today. Today we'll have
18 the Seven Precinct presentations from Commander John
19 Svec, who will share updates regarding Seven Precinct
20 crime data, precinct progress updates with regards to the
21 community strategy plan, citizen complaint data and
22 budgetary updates and other key information for our
23 awareness. DPD HR director Katrina Patillo will report on
24 DPD recruitment and retention efforts and other key HR
25 matters for your awareness.

1 CHAIRPERSON FERGUSON: Commissioners, please wait to
2 be recognized by the Chair before speaking and please
3 refrain from extra comments and discussions during
4 reports, presentations and when a speaker has the floor.
5 **A copy of the board's bylaws is including in the meeting**
6 **packet, and you've been getting them on your emails along**
7 **with other key information regarding Robert's Rule of**
8 **order and parliamentary procedures. Please respect the**
9 **Chair, respect the Board, respect the citizens and the**
10 **city of Detroit and respect the police department,**
11 **because everybody's watching us. We're on Zoom, so we do**
12 **want to conduct ourselves in an orderly manner. Thank**
13 **you. Okay. All right. Now we're going to do the**
14 **resolutions.**

15 COMMISSIONER PRESSLEY: Yes, thank you-

16 CHAIRPERSON FERGUSON: Pressley, can you give that
17 resolution?

18 COMMISSIONER PRESSLEY: Yes. Thank you. Through the
19 Chair. Resolution honoring Ms. Yolanda Y. Craft. Whereas
20 Ms. Yolanda Y. Craft is a dedicated and committed
21 supporter of the city of Detroit and the police
22 department's Seventh Precinct. She has been a resident
23 for over 50 years, and her service and leadership are
24 exemplified throughout the community. Whereas Ms. Craft
25 is a product of Detroit public school system. After

1 graduating from Murray Wright High School, she continued
2 her education by earning a degree in nursing. She worked
3 at several hospitals in Metro Detroit before going into
4 private home healthcare five years ago. Whereas Ms. Craft
5 has also been involved in community relations and is
6 dedicated to improving neighborhood safety and the
7 quality of life. She became an early and active member of
8 the Pingree Park Radio Patrol. She later became a member
9 of the Pingree Park Block Club. Whereas Ms. Craft founded
10 the non-profit organization Sister With a Purpose five
11 years ago. The organization puts together care packages
12 filled with everyday essentials for homeless population.

13 COMMISSIONER PRESSLEY: During the winter she
14 collects and distributes gently used blankets and outdoor
15 wraps for the homeless. Whereas Ms. Craft volunteers at
16 every Seventh Precinct event, just a few are National
17 Night Out, Police Week, Alumni Picnic, and the numerous
18 coffee and cake retirement and community gatherings. She
19 helps identify families to adopt during the holiday
20 season and assist with passing out toys and meals to the
21 families. When officers of the Seventh Precinct are
22 working long shifts, she prepares box lunches to ensure
23 officers eat a well-balanced meal. Each Halloween,
24 everyone knows Ms. Craft Makes her famous chili for the
25 community and passes out the best candy on the block.

1 Therefore, be it resolved that the Detroit Board Police
2 Commissioner speaking on behalf of the citizens of the
3 city of Detroit and the Detroit Police Department
4 acknowledges the community service and dedication of Ms.
5 Yolanda Y. Craft, her support of the Seventh Precinct and
6 her commitment to strong police community relations merit
7 our highest regard. We thank and congratulate you Ms.
8 Yolanda Y. Craft.

9 CHAIRPERSON FERGUSON: Ms. Craft, can you come up
10 please? Can we have someone make sure that that's entered
11 into the record? Go ahead.

12 COMMISSIONER PRESSLEY: Through the Chair. I'll make
13 a motion to that effect.

14 CHAIRPERSON FERGUSON: All in favor?

15 COMMISSIONERS: Aye.

16 CHAIRPERSON FERGUSON: All opposed? Should be done.
17 Excellent.

18 CHAIRPERSON HOLLEY: On behalf of the Board and the
19 city of Detroit, I honor you today.

20 MS. CRAFT: Well, I'm not very good at speaking, but
21 I just want to say thank you. When I do the things for
22 the community, I never thought that it would be to get an
23 award. I just did it from my heart. This is an honor.

24 COMMISSIONER BERNARD: Bravo.

25 MS. CRAFT: I was going to prepare a speech, but I

1 just said I would just do one off the top of my head. As
2 I was getting dressed today, I thought of my great-
3 grandmother whose home I still reside in today. So to do
4 things for the community, I think of her then I think of
5 my children that was also raised in the same home that I
6 was raised in, my mother was raised in. The community has
7 went through some changes. As I look at the homes that
8 some of the elders that was elders when I was young,
9 moved out, I cried because there seemed like everybody
10 had just kind of moved out. But then others came in and
11 filled those spaces to help the community become
12 different. So I can go on and on, but anything I do for
13 the community, I do it from the heart. I don't do it to
14 get an award or anything like that. My dad always said,
15 someone is always watching. I didn't know that I was
16 being watched. But apparently, I was. Again, I just want
17 to say thank you.

18 COMMISSIONER: Excellent.

19 MS. CRAFT: Thank you for whoever was watching and
20 thought that I deserved this award today. I will continue
21 to do what I do for my community. Like I told people
22 there, I'm not going anywhere. I'll be there. So again,
23 thank you. I want to thank all my neighbors. I want to
24 thank my mom. I want to thank my cousins. I want to thank
25 my aunts. I want to thank my friends, my grandchildren,

1 my niece the officers in the Seven Precinct, my cousins,
2 my godson, my god children. Just thank you.

3 COMMISSIONER PRESSLEY: Now Halloween is coming up.
4 I'm looking for my bowl chili.

5 CHAIRPERSON HOLLEY: Two bowls.

6 CHAIRPERSON FERGUSON: All right. Good. You're
7 welcome. Now we have certificates of recognition and
8 they're going to be presented by NPO Scribbling. Oh,
9 okay. Wow. We got Commander Svec. All right.

10 COMMANDER SVEC: Commissioner, I apologize-

11 COMMISSIONER BERNARD: Mr. Chairman. Excuse me.

12 CHAIRPERSON FERGUSON: Yes.

13 COMMISSIONER BERNARD: Before Commander Svec speak
14 may I speak please to the motions that he's going to
15 speak to? It was my understanding that Commissioner
16 Burton was supposed to speak to these motions. This
17 district entirely - I mean, this precinct, pardon me, is
18 entirely within Commissioner Burton's district.

19 Unfortunately, he had a family emergency. He Called me
20 about 20 minutes before I got here today, and he asked
21 that I speak to you and obviously to the other persons
22 who are being honored today. I'd like to do that.

23 CHAIRPERSON FERGUSON: I'm going to have to deny your
24 motion. I'm going to let him go ahead. Go ahead.
25 Commander, go ahead.

1 COMMANDER SVEC: I just wanted to say the officers
2 got called away. They weren't able to receive their
3 awards today. But we appreciate the recognition, and
4 nobody passed out at roll call.

5 CHAIRPERSON FERGUSON: Can you read the names?

6 COMMANDER SVEC: Yes. Do you have them?

7 CHAIRPERSON FERGUSON: They're right in the...

8 CHAIRPERSON HOLLEY: In the folder.

9 CHAIRPERSON FERGUSON: They're in that folder right
10 there.

11 COMMISSIONER: Can we read one of the awards also?

12 CHAIRPERSON FERGUSON: Yes. You are also the awardee
13 - one of the awardees. She has them right here and I have
14 them on the phone just in case you don't have them.

15 COMMISSIONER BERNARD: I have the name.

16 CHAIRPERSON FERGUSON: Yes. We have them. We got it
17 coming.

18 COMMANDER SVEC: You want me to just read off the
19 names?

20 CHAIRPERSON FERGUSON: Yes. Just say the names.

21 COMMANDER SVEC: Police officer, Tony Clark,
22 Commander Svec, Sergeant Cedric Dunbar, Officer Khalil
23 Williams, Officer Ryan Walden, Officer James Reeves,
24 Officer Crystal Anderson, Sergeant Samuel Pionessa and
25 Detective Lawrence Folas .

1 CHAIRPERSON FERGUSON: Fantastic. Congratulations to
2 all.

3 COMMISSIONER: Thank you, sir.

4 CHAIRPERSON FERGUSON: Now we have oral
5 communications. Mr. Brown, who do we have? How many
6 people?

7 MR. BROWN: Good afternoon, Mr. Chair. You have four
8 speakers for oral communication. Your first speaker would
9 be Ms. Shawanna Vaughn followed by Ms. Lauren Parks.
10 They're the one that's in attendance.

11 CHAIRPERSON FERGUSON: Oh, you want to come to the
12 podium? You have two minutes? Oh, great. Awesome. I like
13 that.

14 MS. VAUGHN: Hi everybody. My name is Ms. Shawanna
15 Vaughn. I am the director of Silent Cry and I held from
16 New York, and I just got here. So I run an organization
17 that does mass incarceration, foster care, and gun
18 violence. Speaking of ShotSpotter, I'm from New York, it
19 doesn't work. That's a waste of \$8 million. You should
20 actually look at the McCallester Report and some other
21 reports around the country that tells you that doesn't
22 work. But if you actually want to know what works, it's
23 community engagement. Now I don't see a lot of that going
24 on here. I actually do Trauma Work. I'm doing Trauma Work
25 on Saturday on Littlefield because we would be remiss in

1 this meeting if we do not address that 38 shots went out
2 by the police department. So I'm going to do Trauma Work
3 on that block. You guys are all welcome to come and
4 support that block because I'm bringing therapists who
5 are getting off their planes right now from New York.
6 Because I do Trauma Work, I understand there should be a
7 trauma bus in this city while we're wasting resources. I
8 just bought a farm in this city because I'm going to do
9 Trauma Work.

10 MS. VAUGHN: There's other ways that we could spend
11 money, but I think you should ask the community how they
12 want to be helped and what do they need. Because gun
13 violence is a mental health issue and ShotSpotter is not
14 the answer. Our communities are in crisis. Black people
15 wake up in crisis. If we don't understand that, then
16 we've already lost. I love police because my father was a
17 Bakersfield Police detective. So I'm not against you, I'm
18 here to work with you, but you have to work with your
19 community. ShotSpotter is a waste of \$8 million to
20 capitalize and make white people richer who have
21 ShotSpotter technologies. You're not helping your
22 community. It's decimate. You need to invest in
23 infrastructure of mental health services, trauma buses,
24 and use the EMS and the fire department as another source
25 to respond to mental health crisis. I would actually like

1 to meet with each and every one of you because I actually
2 have a crisis plan. I used to work for Cure Violence and
3 I'm nationally certified. Because if you actually want to
4 plan, you need to talk to your community and people in
5 trauma. I'm going to go now. Thank you.

6 CHAIRPERSON FERGUSON: Thank you.

7 MR. BROWN: Ms. Parks.

8 MS. PARKS: Good evening.

9 CHAIRPERSON FERGUSON: Good evening.

10 MS. PARKS: Listen, you know, when I come here, I'm
11 asking over and over, what are your duties as a Board of
12 Police Commissioners? Number one is you are not to be a
13 retired officer or Wayne County Sheriff that's retired.
14 The way this board... If you know the policy, you are
15 supposed to be community, people driven. Yes, Reverends.
16 Yes, other people like lawyers, different people like
17 that, but not... It was made for the community. That's
18 why we are out of touch Ms. Vaughn because we have
19 differences, you see. Districts divide us. We are one
20 Detroit. So when I come here, I don't say what district I
21 live in. I live in Detroit and have lived here for 62
22 years. We want our officers to live in the community that
23 they work in. I hear the Chief say all the time he loves
24 Detroit, but he doesn't live here unless he just moved
25 here. Neither does your deputy mayor.

1 MS. PARKS: The people across the country think we're
2 crazy. They do. Your police don't live in your city, your
3 mayor, which is questionable, nor the Chief of Staff of
4 Police don't live here for the police - for chief White
5 staff. So when we asked about ShotSpot or whatever it's
6 called who gets the contracts for that - who gets the
7 contract? We need to know each and every one of the
8 contractors for SpotFire or whatever it's called, that
9 we've done our own research. It doesn't work. We can use
10 that money, like she said, for mental health crisis, for
11 police officers to respond if they still want to respond,
12 you know. I worked in a mental institution, and I been
13 this size for a long time, but we have tackled men big as
14 him in the nursing home because when they closed on all
15 the institutions where you all think they went? Into the
16 nursing homes or into prisons. The next thing is... Time
17 up.

18 CHAIRPERSON FERGUSON: Your two minutes are up.
19 Sorry. Thank you.

20 MR. BROWN: Mr. Chair, your last three speakers would
21 be Ms. Bernie Smith, followed by Minister. Eric Blount,
22 followed by Damien.

23 CHAIRPERSON FERGUSON: Ms. Smith?

24 MR. BROWN: Give us a second.

25 CHAIRPERSON FERGUSON: Ms. Smith. Oh, give us one

1 second. We're trying to let her in.

2 MS. SMITH: Okay, go Bernie. Good evening
3 commissioners. It's good to see you guys again. I'm glad
4 you're in the neighborhoods this way your citizens can
5 come to you, those that are not able to drive out
6 downtown. But I'm glad to listen to what they have to
7 say. In the meantime, I want to let you know I got a call
8 while I've been recuperating from a citizen who lives on
9 the west side. I'm not going to tell you his area or
10 address because I don't want to put him in danger. On two
11 houses on his street and he's had a problem with his next
12 door neighbors because they're doing, you know, what
13 criminal activity and so forth. But he does have one
14 thing that he told me that he wants to tell the police
15 department. They're doing a wonderful job. A matter of
16 fact, he has two calls that he made to the police
17 department, and they were on board to come and check with
18 him.

19 MS. SMITH: So he's given kudos to the police
20 department and he just love what you're doing. He wants
21 to come down there and talk to you in person. So I just
22 want to let you know, you're not all bad. You're doing a
23 good job. You know, I love you all because of the fact
24 that I've been with you since 72. So I just want the
25 neighborhood to know we all need to give support to our

1 police department. They do things that we don't like, but
2 they still giving their lives up for us. So think about
3 it, Detroit, they are putting that uniform on and they're
4 doing a hell of a good job, as far as I'm concerned. I
5 have no complaint. I pray for them to get a raise the
6 other week and they got the raise. So I'm going to pray
7 for them to continue to do the right thing for the
8 citizens of Detroit because I have faith in them. So
9 let's give them a chance people, and let's take care of
10 our own selves by telling our neighbors not to get angry
11 and draw guns all the time and shoot each other. This is
12 our main objective as far as I'm concerned. I do want
13 them to get something done in regard to the citizens.

14 MR. BROWN: Mr. Blount.

15 MINISTER BLOUNT: Yes. Can you hear me Board?

16 CHAIRPERSON FERGUSON: Yes, we can hear you sir.

17 MINISTER BLOUNT: Yes. On the issue of ShotSpotter,
18 either this Board or DPD is not telling the truth. At
19 BOPC meeting of June 16th, 2022, the meetings transcripts
20 document the statement by Assistant Chief Fitzgerald that
21 ShotSpotter can and does record conversations. The time
22 for this Board to stop playing the role of cheerleaders
23 for DPD is long overdue. NACOLE's number one principle is
24 independence. But for years, this Board has looked the
25 other way and covered up for police misconduct. The blood

1 of Porter Burkes and many others along with wrongful
2 convictions, illegal arrest, harassment stops are at the
3 feet of this Board. If this Board wanted to practice
4 transparency, demand that the entire police officer's
5 body worn camera footage be released to the public,
6 especially in the case of Porter Burkes. But no, the only
7 footage released was when Mr. Burkes was roughly 30 feet
8 away from a police officer and then the police department
9 takes over the narrative. Today, the HR report must
10 include an audit of drug abuse among police officers.
11 Last month's situation revealed a cocaine addicted
12 officer. He cannot be the only one. If you don't look,
13 you'll never know what type of problem really exists. I
14 yield my time.

15 MR. BROWN: Mr. Chair Damien dropped off and the
16 caller with the last three members 830 with the name Good
17 Citizen.

18 CHAIRPERSON FERGUSON: 830.

19 CALLER 830: Can you hear me?

20 CHAIRPERSON FERGUSON: Yes, we can hear you. Go right
21 ahead.

22 CALLER 830: Yes. Thank you, Board, for taking my
23 comments. I'm calling today to acknowledge the fact that
24 we welcome you to the Seventh Precinct. Unfortunately, we
25 do not have a strong Seventh Precinct Relations Board to

1 welcome you. That's a direct result of three people and
2 they are Michael, who calls himself Doc Cobra, Dolores
3 Harrison Brown, and Pamela Limen. These individuals are
4 responsible for changing the name of our organization
5 without the approval of a membership, stealing our money,
6 and putting into organization that they created on their
7 own. I would like to let you all know Board, but these
8 individuals eventually will be held accountable for their
9 actions because they have effectively stolen our money
10 and rid our organization without any kind of teeth.

11 CALLER 830: Hopefully, they will get this message
12 and understand that judgment is coming. Now on other
13 issues before this Board, I'm extremely disappointed by
14 my representative to this Board, and I'm not going to
15 call his name. I think there are some issues there on
16 both ends in terms of the Board and part his relation
17 with the board. The bottom line is that we are not being
18 as citizens of the Fifth District effectively
19 represented. Week after week I listen to the back and
20 forth that you have with Commissioner Burton, and
21 sometimes I can see his point and other times I can see
22 that he is being shut down by other members of this body,
23 and particularly by the Chairman of this Board. I wish
24 that there would be some kind of training that people can
25 get on the same page where we as citizen-

1 MR. BROWN: Mr. Chair, that was your last speaker.

2 CHAIRPERSON FERGUSON: Last speaker?

3 MR. BROWN: Yes sir.

4 CHAIRPERSON FERGUSON: Thank you. Deputy Chief
5 Stewart, you are up, ma'am.

6 DEPUTY CHIEF STEWART: Thank you. Through the board.
7 Through the Chair. I'm happy to be in the Seventh
8 Precinct tonight interacting with the community, allowing
9 Commander Svec and Captain Conway to tell how they
10 interact with the community to bring crime down and just
11 feel good-

12 CHAIRPERSON FERGUSON: Can you talk into your mic?
13 They can't hear

14 DEPUTY CHIEF STEWART: Can you hear me now? Is that
15 better? To interact with the community and how they just
16 do what they can and make sure that the citizens in the
17 Seventh Precinct feel supported by law enforcement with
18 anything that they need. But with that being said, I'm
19 going to move on to the Chief's Report first for the
20 community. We're going to start with an update on injured
21 officers. There are currently 3 members of the department
22 who are disabled and recovering at home due to an on-duty
23 injury. One sergeant from the Second Precinct and 2
24 police officers from the Seventh Precinct. Our Covid
25 stats, we currently have 29 members who are currently

1 quarantined and isolated with 24 of those members being
2 positive with Covid. Last week we had 25 with 21 members
3 positive. So we did have a little uptick in Covid cases
4 on the department.

5 DEPUTY CHIEF STEWART: Hopefully within the next
6 couple weeks that can trend back down. Moving on to crime
7 data. Year to date crime data we're at a 13% reduction in
8 total part one violent crime. Looking at homicides, last
9 year we were at 241. This year we are at 244, which is a
10 1% increase of a 1% change from this year to last year.
11 Looking at nonfatal shootings. This year we are at 779.
12 Last year we had 896. So that's a 13% reduction in
13 nonfatal shootings that we've experienced this year.
14 Robberies, this year we had 1,112. Last year we had
15 1,198, which is a 7% reduction from this time last year
16 for robberies. So we've been doing pretty well with our
17 crime strategies to impact the crime in the city. With
18 that said, we have a total part one violent crime
19 reduction of 13% so far.

20 DEPUTY CHIEF STEWART: One of the initiatives that we
21 use to impact the crime is the drag racing detail. We
22 have enforcement. For the period of October 7th through
23 October 9th we have 14 traffic stops, 4 citations, and 1
24 vehicle impounded. We had numerous complaints this summer
25 regarding drag racing and that was how we chose to come

1 together to impact that crime. So, year to date stats for
2 drag racing and drifting enforcement - and this is only
3 from April 1st when we started the detail. Traffic stops,
4 we've made 556 traffic citations, 361 vehicles impounded,
5 139 stolen vehicles, recovered 11. We've made 53 felony
6 arrests, 11 misdemeanor arrest, and 35 weapons recovered.
7 I think it was last week, the Chief had given some stats
8 with regard to mental health related calls for service.

9 DEPUTY CHIEF STEWART: So I do want to touch on that
10 and highlight the volume of calls that the Detroit Police
11 Department gets with regard to mental health related
12 cause. In the past seven days, we've had 456 causes for
13 mental health concerns that was mental non-violent,
14 mental violent armed, mental violent not armed, drug
15 overdose, suicide in progress, and suicide threats. For
16 the year of 2021, we had over 2,246 mental non-violent
17 cause. This year we've had 2,567. Mental violent armed,
18 we've had 1,019 last year. This year we've had 1,193.
19 Mental violent not armed, this year we had 4,349 calls.
20 Last year we had 3,880 calls. Moving down to suicides.
21 This year we had 1,159. That's suicides in progress. For
22 2021, we had 1,133.

23 DEPUTY CHIEF STEWART: Lastly, suicide threats. This
24 year we had 2,260 calls for service and in 2021, we had
25 1,850. So looking at the volume, in 2021 last year, we

1 had 16,817 mental health related calls for service in the
2 city. This year we've had 18,346 mental health related
3 calls for service in the city. So we're doing what we can
4 to impact the mental health related crime. Certainly,
5 it's bigger than DPD. We need as much help as we can to
6 provide resources to people who are in trauma. That's
7 what this community throughout the city has gotten
8 together and complained about. I think everybody is on
9 the same page regarding that regardless of what side of
10 the fence we fall on, I believe. Moving on to significant
11 events. I'm going to go over some significant events for
12 the week that I'm sure you may have heard about within
13 the news.

14 DEPUTY CHIEF STEWART: One of those is shots fired
15 into an off-duty police officer's vehicle. On October
16 10th at approximately 3:55 AM in 19,400 block of
17 Fielding, an off-duty officer was sitting in his personal
18 vehicle with a friend when several individuals fired
19 shots into his car. As a result, the officer sustained a
20 non-life-threatening injury to his arm due to shattered
21 glass. He was treated by medics and released at the
22 scene. The investigation is still active. There are no
23 suspects in custody at this time. We have recovered
24 several casings from the scene that we will be submitting
25 to NIBIN for additional analysis. I'm sure many of you

1 saw that video when they portrayed it on the news. It was
2 actually shocking to see so many people shooting into
3 that vehicle.

4 DEPUTY CHIEF STEWART: Second incident we had was the
5 officer involved fatal shooting that we had. This week on
6 Monday, October 10th, around 11:00 AM headquarters
7 surveillance was conducted at the resident of a known
8 Latin count gang member in southwest Detroit. He was
9 wanted on probable cause in connection with the homicide
10 at South of Savoy in February of this year. On Friday,
11 October 7th of this year, the suspect is also suspected
12 of two violent crimes, including an armed robbery home
13 invasion of his sister, and shooting into an occupied
14 vehicle. On August 2nd, 2022, he was also a person of
15 interest in the shooting of a two-year-old. Upon leaving
16 the location, the suspect got into a Chevy Equinox that
17 he parked in front of the location. A special operations
18 section of the Fourth Precinct tried to stop him in his
19 vehicle when he fled the scene. They were on
20 surveillance.

21 DEPUTY CHIEF STEWART: Because of his violent nature
22 they were attempting to arrest him so that he did not go
23 out and commit any more violent crimes. Officers pursued
24 him for approximately nine minutes when he was forced to
25 stop at a dead end. The suspect then fled on foot armed

1 with a 9mm Glock Handgun with an extended magazine.
2 Officers gave verbal commands for him to drop his weapon
3 and two officers fired shots. Officers immediately
4 rendered aid and conveyed him to the hospital where he
5 did succumb to his injuries later. The suspect's weapon
6 was recovered at the scene. Additionally, the suspect had
7 pleaded guilty and spent time in prison for a murder in
8 2002. He was paroled in 2013 and later arrested for an
9 armed robbery, which was not charged. But he was charged
10 federally in 2014 for a felony possession. He went back
11 to prison and was paroled in 2019.

12 DEPUTY CHIEF STEWART: He was not on parole at the
13 time of this incident. As always, Michigan State Police
14 is leading the investigation. At the conclusion of that
15 investigation, a warrant will be submitted to the Wayne
16 County Prosecutor's office for review for them to look at
17 the officer involved shooting and make a determination.
18 We are also conducting an administrative investigation
19 for policy violations as well as we always do in each
20 individual shooting. Moving on to another incident was a
21 double fatal shooting of a pregnant victim. I don't know
22 if you all also saw that on the news. On October 9th of
23 this year at 3:30 AM officers were dispatched to Wise
24 Worth at Myers in the Second Precinct for one down and
25 discovered a female who was seven months pregnant inside

1 of an SUV shot in the chest. Officers found a second
2 victim who was deceased outside of 11795 manor with
3 multiple gunshot wounds.

4 DEPUTY CHIEF STEWART: The pregnant female was
5 conveyed to the hospital when she was pronounced
6 deceased. Doctors were able to deliver the baby who
7 unfortunately also died at the hospital as a result of
8 the shooting. We are still actively investigating but
9 have limited leads on this case. We are actually asking
10 for the public's assistance with any tips with regarding
11 this case. They can call Crime Stoppers at 1800 SpeakUp
12 if they had that information. Lastly, there was a
13 homicide F 5 0 40 Fairview on October 10th of this year
14 at 1:40 PM officers were flagged down on the 5,040 block
15 of Fairview for a wellbeing check after the suspect
16 reported to his mother that he had killed someone at the
17 location. Upon arriving at the location, officers
18 observed that the deceased was duct taped and had
19 suffered blunt force trauma to the head, resulting in his
20 death. In a short time, officers were able to locate the
21 suspect and take him into custody after putting out a
22 description of him.

23 DEPUTY CHIEF STEWART: The suspect did suffer for
24 mental illness. He was charged in arraigned on October
25 12th of this year. Again, better mental health resources

1 must be made available to the general public. As an
2 update on Porter Burkes officer involved shooting the,
3 October 13th of this year as a matter, Chief White
4 personally sent letters to Reverend Dr. Wendell Anthony,
5 President of the NAACP Detroit branch, and Reverend
6 Charles Williams II, President of the National Action
7 Network, noting the facts regarding the incident and
8 actually inviting their comments on it. It's part of the
9 chief's effort to maintain dialogue with the community
10 regarding this case. He will continue to reach out to
11 community groups regarding this case as well. That was a
12 lot of negative news. So moving on to some positive news
13 for the week.

14 DEPUTY CHIEF STEWART: On Monday October 10th, the
15 Detroit Police Department hosted our annual golf outing.
16 The event was a huge success for all those who attended.
17 I don't know if any of you all attended or played golf.
18 The proceeds of this event will go towards supporting
19 Detroit Police community engagement programs that aim to
20 develop effective, transparent, and partnering
21 initiatives that focus on our youth social justice
22 awareness and community policing to improve the lives of
23 our city residents. On Monday, October 10th, again, busy
24 day, part of our social media campaigns, the department
25 shared an image of Fifth Precinct police officer,

1 Neighborhood police officer, Willie Soles posing with a
2 member of the community as a breast cancer survivor. The
3 resident expressed appreciation to NPO Soles for wearing
4 special pink patches in support of breast cancer
5 awareness month in honor of being a breast cancer
6 survivor.

7 DEPUTY CHIEF STEWART: We do have Captain Petty in
8 the audience tonight with his pinked-out uniform. I can't
9 find my shirt and I'm so disappointed. I'm also a
10 survivor, so I need to have my shirt. Moving on. October
11 10th again was the conclusion of Faith in Blue. There
12 were a number of events throughout the community -
13 throughout every precinct. There were balloon releases,
14 there were prayer memorial walks and visuals, there were
15 brunches and lunches. Chief's neighborhood liaison had a
16 bike and car show. I think they did a bike ride. There
17 was a softball thing. There was a lot going on just for
18 that one weekend and including in every precinct. One of
19 those events, the Ninth Precinct police officers gathered
20 with community members for prayer walk as part of their
21 community outreach program.

22 DEPUTY CHIEF STEWART: It was through Faith in Blue
23 that law enforcement and community were able to
24 strengthen their relationship and eliminate biases
25 between them. On October 11th, a luncheon was held at the

1 Detroit Police Department's Third Precinct for officers
2 in the Detroit chapter, Vietnam Veterans of America.
3 Attendees had the opportunity to sit down and talk to
4 each other and express their appreciation for the service
5 they have rendered to our community and country. As
6 you've already stated, on 11th, the Detroit City Council
7 approved the 7 million expansions of the ShotSpotter with
8 the five to four vote. Prior to the council vote, Chief
9 White made a last-minute plea for approval arguing the
10 gunfire detection system is one tool being used to try to
11 fight shootings, some of which aren't reported by
12 residents who have become used to gunfire.

13 DEPUTY CHIEF STEWART: You know our main goal with
14 ShotSpotter is to reduce crime, reduce gun violence in
15 those neighborhoods with the goal being to have safer
16 communities. That's simply the goal. We are pleased to
17 announce that the Detroit Police Department will be
18 accepting donations throughout October to help veterans.
19 It is appreciated when donations are made in clothes,
20 toiletry, shaving kits, face cloths, bath towels as part
21 of Diversified Members Credit Union's ongoing effort to
22 contribute to the community. Our explorers are on hand
23 Wednesday morning to assist in accepting donations. You
24 can drop them off at any precinct and we'll get those to
25 those veterans. That's the conclusion of my very long

1 report that made people leave.

2 CHAIRPERSON FERGUSON: No, Awesome. Thank you. I want
3 to say the Bike Ride with the Second Deputy Chief, oh my
4 goodness, that bike ride was awesome. Did a fantastic
5 job. My leg's still hurting right now, and they supposed
6 to be a slow roll. I think we was going about 15 miles an
7 hour riding through the city. Questions. Commissioner
8 Banks?

9 COMMISSIONER BANKS: Yes. Deputy Chief Stewart, how
10 is the wellbeing of the officers that was involved in the
11 mental case with the gentleman that had the knife? How's
12 their wellbeing and have DPD reached out to the family of
13 the perpetrator, and how are they doing if you all
14 reached out to the family?

15 DEPUTY CHIEF STEWART: So we do have a peer support
16 unit. When you ask about the wellbeing of the officers
17 that we do check on the officers. Those officers are
18 still off if I'm not mistaken. As far as reaching out to
19 the family, I personally have not reached out to the
20 family. But I don't want to misspeak and say that someone
21 else hasn't. So that's what I have at this time regarding
22 that.

23 COMMISSIONER BANKS: Okay. Thank you.

24 DEPUTY CHIEF STEWART: You're welcome.

25 CHAIRPERSON FERGUSON: Commissioner Bernard.

1 COMMISSIONER BERNARD: Good evening, Deputy Chief
2 Stewart. The second part of your question related to who
3 had reached out to the family of the young man who was
4 killed. Chief White did reach out to the family himself.

5 COMMISSIONER BANKS: Oh, great.

6 COMMISSIONER BERNARD: He has expressed his sympathy
7 for the family on more than one occasion.

8 COMMISSIONER BANKS: Okay.

9 COMMISSIONER BERNARD: But secondly, let me ask you
10 Deputy Chief Stewart. What I'm hearing in the community,
11 like a drumbeat, and it's only getting louder, is the
12 facts that the community wants to see all of the video
13 from the incident. As you know, most cities now, many
14 cities anyway, release the video footage within 24 hours.
15 That has not occurred. The only video that has been shown
16 to the City of Detroit residence is the video where the
17 guy has way off standing like where the man is over there
18 with the camera. You can see him just standing there. But
19 the actual video of this incident has not been published.
20 I would ask that it be disseminated to the community. The
21 second question that I have relates to people want to
22 know where the officers white or black? It is all germane
23 to the issue. Can you tell us that? Can you advise me of
24 that with respect to that matter?

25 DEPUTY CHIEF STEWART: So, in regard to the first

1 question with regard to violation, with regard to
2 releasing the entire video, that was an exception to
3 policy on that video. We don't typically release video in
4 those cases. It was done as an exception on that case.
5 The video that was released was the actual incident in
6 question. You're asking for additional footage
7 surrounding. Chief White made the decision with regard to
8 that just so that the community can see what was going on
9 with what occurred on that date when the incident
10 occurred. So I won't speak further regarding that because
11 the decision has been made by the Chief. You all have
12 made it clear that you want the rest of the video to be
13 published. But he has submitted video.

14 COMMISSIONER BERNARD: May I respond in part to that.
15 Both of these shootings happen in my neighborhood. When
16 the young man was shot and killed by the police officer
17 near San Juan and Six Mile, you know it well because you
18 were in that area because you were the head of the Tenth
19 Precinct. When that young man was shot and killed by the
20 police, and it was clear that it was justifiable by the
21 police in large crowds had gathered in the middle of
22 Puritan and were marching to the Twelfth Precinct. The
23 department immediately released the video that showed the
24 young man had a gun in his hand. When the police shot
25 him, it was clear, very, very clear that there was an

1 imminent threat. So I don't understand why we are cherry
2 picking regarding video release.

3 COMMISSIONER BERNARD: In the one hand, when it's
4 clear that the police were absolutely correct, we
5 released it within three hours. The video was online as
6 the people were marching so that the people would stop
7 marching. As they got to the Twelfth Precinct, they told
8 everybody, look at your television, look at your
9 television. You can see what happened. There's no need
10 for the community to be upset about this. This was
11 justifiable. But in this instance, it's been what now?
12 Two weeks, we still have no video. So I would simply
13 raise that as an issue with the department. The second
14 question related to the race of the officers.

15 CHAIRPERSON FERGUSON: Let her respond.

16 DEPUTY CHIEF STEWART: With regard to the second
17 question, if I'm not mistaken, there were a multitude of
18 officers. Some officers were white, and some officers
19 were Black.

20 COMMISSIONER BERNARD: The five officers that fired
21 their guns, what was their race?

22 DEPUTY CHIEF STEWART: Some officers were white and
23 some officers-

24 COMMISSIONER BERNARD: What is the sum? Is it 2, 3,
25 4? Is it one?

1 DEPUTY CHIEF STEWART: I don't want to quote. I just
2 know some officers were white and some officers were
3 Black.

4 CHAIRPERSON FERGUSON: We'll try to get you that
5 information.

6 DEPUTY CHIEF STEWART: We'll get that information.

7 CHAIRPERSON FERGUSON: We'll try to get you that
8 information.

9 COMMISSIONER BERNARD: I know we can get the
10 information. But it's troubling to me that we have total
11 transparency in some situations and zero transparency in
12 other situations. That's a problem for the community.
13 It's a problem for my community.

14 CHAIRPERSON FERGUSON: Okay. Commissioner Hernandez.

15 COMMISSIONER HERNANDEZ: Thank you through the Chair.
16 Thank you, DC Stewart, for being here and for always
17 being so present in the work that you do. It was
18 obviously reflected at 10th Precinct, and I think they
19 were already seeing trends when it comes to the data of
20 the impact you're already having with Eastern operations.
21 So thank you. I don't actually have any questions. I do
22 want to give a few combinations to NPO Vasquez at the
23 Second Precinct. He's been very supportive in helping a
24 lot of cleanup operations, but also educational
25 operations for residents when it comes to blight, when it

1 comes to abandoned vehicles and just cleanliness really
2 of our neighborhoods. So big thank you to NPO Vasquez.
3 Then same over at Fourth for NPO Reuis who's been very
4 active in that community doing that. Lastly, and this
5 might be for Seventh Precinct, but I know Officer Hall
6 and I spoke. I look forward to doing a ride along here in
7 seventh very soon. Thank you.

8 DEPUTY CHIEF STEWART: Thank you, sir.

9 CHAIRPERSON FERGUSON: Commissioner Bell.

10 COMMISSIONER BELL: Thank you, Mr. Chairman. I just
11 want to convey to the public, and I want to knowledge
12 Chief James D. White extraordinary effort in terms of
13 campaigning and advocating for ShotSpotter. I thought
14 that was extraordinary. having a Town Hall meeting here,
15 making the last-minute appearance of the council. That's
16 the type of leadership that we need in the city of
17 Detroit. So I just want to acknowledge this effort. I'm
18 pleased that Coleman Young II voted for and other
19 commissioner none. Councilman, we had five to four. The
20 bottom line is public safety in the city of Detroit. That
21 is our concern. That is all our concern in this nation,
22 is public safety. That is a great tool. So I'm glad it's
23 passed. Thank you.

24 CHAIRPERSON FERGUSON: Commissioner Pressley.

25 COMMISSIONER PRESSLEY: Thank you through the Chair.

1 First, I want to say that you know again, I know each
2 commissioner, you know, speaks on their own right. But I
3 think that it's important that we try to be as accurate
4 as possible. Because often when we're hyperbolic, we lose
5 credibility. So while I recognize that there's a desire
6 for more transparency, there's a difficulty saying
7 there's no transparency. We can say there is no video
8 that is released because video has indeed been released.
9 Now you may want more of it, but I do think it's
10 important for us to be accurate in that regard. My
11 question is related to the Drag Racing Unit. My
12 understanding is that that season is coming to an end so
13 is there any conversation about how those units will be
14 redeployed or what would be their work while there's an
15 off season in drag racing?

16 DEPUTY CHIEF STEWART: So the units actually we pull
17 them from various entities throughout the department and
18 have them work overtime on detail. So they will just be
19 deployed back into their usual units. That's all. Yeah.

20 CHAIRPERSON FERGUSON: Commissioner Holley.

21 CHAIRPERSON HOLLEY: Thank you, Mr. Chairman. Just to
22 just to add, the commissioner cue that before the public
23 saw the video of the situation that commissioners
24 concerned about, the Chief invited all of the
25 commissioners to the office, that we see everything. He

1 invited all of us. Some could make it, some could not
2 make it. I was one of the people that were there. But all
3 of us were invited to see the video. All of us were
4 invited to see the video before it was released to the
5 public. Again, I want to make sure we understand of that
6 there is a difference again, without being redundant,
7 it's saying no video versus some video. We felt like what
8 was shown to the commissioners and to the community was
9 basically the essence of what took place from the
10 beginning to the end.

11 CHAIRPERSON HOLLEY: So I just want to make sure that
12 we be responsible in terms of our other situation because
13 we do have oversight. I'm just saying to you again, I
14 think it's very important. Also, I want to say to you, we
15 have now over 200 more homicides this year now than we
16 had last year. About four or three, I think it is. I'm
17 just saying to you, we are going to about... At this
18 state we got three more months to go and we're probably
19 going to be more. I hope not, but somehow, some kind of
20 way we ought to be concerned not only about these
21 incidents in terms of with the police and the action of
22 the community, but I think we also got to be concerned
23 about how we basically are killing each other. I keep
24 saying that. I will keep saying it until we look at doing
25 something.

1 CHAIRPERSON HOLLEY: Finally, Mr. Chairman, I really
2 like to think that when I look at all these reports about
3 mental health, and I indicated to you last week that we
4 have a president that's Democrat, we got a mayor that's
5 Democrat, we got a governor that's Democrat, we got a
6 Chairman of the Board that is Democrat. I'm just saying
7 to you again, somehow some kind of way mental health
8 ought to be on our agenda. I just feel like Mr. Chairman,
9 that you, I like to charge you to meet with the mental
10 health that's in charge of the state of Michigan, to have
11 a meeting or with the executive committee with him or
12 her. Then we might see what can we do in terms of
13 reinstating institution for the mental health so they
14 can get some help. We keep talking about it.

15 CHAIRPERSON HOLLEY: That's all we do. Just keep
16 talking about it. I'm 78 years old, I'd like to see this
17 before I go to heaven. Somehow, some kind of way that we
18 be dealing with this mental health in a way that we can
19 help people and not basically talk about it. Finally, we
20 got something like 62% of all of our prisoners, according
21 to Sheriff Washington Mental Health. These people, the
22 prisoners, the people in the jail, 62% of them are with
23 mental health. Yet we still stay here day in, and day out
24 talk about the same thing over and over again. Nothing's
25 going to change until we make changes ourselves. So I ask

1 Mr. Chairman that you would put it. I charge you. You are
2 an activist. You're very aggressive and forthright that
3 we have a meeting with the mental health department of
4 the state of Michigan to see how we can help. If you
5 don't want to do nothing outside of Detroit, I really
6 think we ought to be concerned about mental institutions
7 in the city of Detroit.

8 CHAIRPERSON HOLLEY: We've got Herman Kiefer that's
9 been empty. I got a whole lot of empty buildings, whole
10 lot of them that we can reconstruct and make sure that we
11 take care of the mental health. I take this opportunity
12 just to say that Mr. Chairman, because I do feel that we
13 are... I'm looking at 220 and probably before I get home
14 tonight, it'd probably be 245. I'm just saying to you,
15 and I could be one of the 245. I'm just saying to you,
16 this is something that we need to look at in terms of not
17 oversight just for the police department, but oversight
18 of the community of the city of Detroit. I thank you
19 again for this opportunity to have this privilege.

20 CHAIRPERSON FERGUSON: Thank you. Just so you guys
21 know, I've been to a lot of CIT training mental health,
22 and I met a lot of officers. So I see what they go
23 through. Like Commissioner Holley said, I'm on it. I'm
24 trying. I'm trying to push my weight around. I got you.
25 This is serious now. Talking is time to stop now. Talking

1 is time to stop. All right. We're moving right on. Human
2 Resource Bureau. Ms. Patillo, 10 minutes, please.

3 MS. PATILLO: I'll do my best to get through. Good
4 evening through the Chair. I'll be presenting the Human
5 Resource Report for the month of September. So the
6 report's going to cover your departmental staffing, your
7 recruiting, your recruiting initiative. Additionally, you
8 were already provided documents that had more detailed
9 information regarding staffing, hiring, and personnel by
10 race, sex, and specifically for sworn members. So next
11 slide. So for the current departmental staffing, we had a
12 total of 87% filled rate. The amendments for the fiscal
13 year were included in this. So you'll see some increases
14 in the budgeted numbers. So the assistance decreased by
15 10 for police assistance. We went from 70 to 60. Then a
16 number of civilians increased from a budgeted number from
17 753 to 772. So for sworn members, we were at 89% filled
18 rate, for vacancies 11% vacancy rate. Police assistance
19 we're now at 68% filled rate, police assistant vacancies
20 32% rate, and for civilians we at 80% filled rate, for
21 vacancies 19%.

22 MS. PATILLO: Next slide. So for sworn recruiting,
23 from the beginning of the fiscal year to September 30th,
24 we processed a total of 1,324 application. 51 at that
25 time were in processing, 49 applications were withdrawn,

1 576 applications were archived, 148 were temporary
2 disqualified, 172 were permanently disqualified, and we
3 had 310 that were waiting MCOLEs. Two of that 259 was
4 awaiting testing and 51 was archived. During that period
5 from the beginning of the fiscal year to September, we've
6 hired 68. Next slide. For MCOLEs testing, actually it
7 should be September, not August. For the written test, we
8 had 61 that were scheduled, 48 appeared, of that we had a
9 71% passing rate - 34 passed, 29% failure rate - 14
10 failed, one rescheduled, 12 no-shows. For the physical
11 agility, we had 240 for the month of September that were
12 scheduled, 107 appeared, a 44% passing rate, so we had 47
13 that passed. We had 56% failure rate - 60 failed, 49
14 rescheduled, 3 withdrew, and 81 no-shows.

15 MS. PATILLO: Next slide. For total new hires. This
16 of good news for the month of September, we hired 38
17 sworn. So that was the highest number that we had hired
18 in some months since I've been here. We had one that was
19 reinstated bringing our total to 39. So we started that
20 academy class on September the 26th with approximately
21 31. Then the other ones we hired at the end of September,
22 they're working at the precincts. We had 15 civilian new
23 hires for a total of 53. Next slide. So the next slide
24 should be Detroit residency information. So for sworn, we
25 have 535 members from Detroit, 377 civilian, 17 police

1 assistants. For non-Detroiters we have 1,803 sworn, 251
2 civilian and 24 police assistants. Of that for the
3 civilian new hires, there were four Detroit residents.
4 Commissioner Pressley, you asked a question regarding do
5 we know why more civilians are from the Detroit than the
6 sworn?

7 MS. PATILLO: So I told you we would probably have to
8 conduct a survey, but one of the possible solutions could
9 be civilians when they apply for jobs, they received
10 domicile credit. So they received 15 points to the hiring
11 procedures, where additionally, back in, I think it was
12 2014, there was a law that was passed, lifting the
13 restrictions where individuals had to reside in the city
14 of Detroit. So that could be one possible solution or one
15 possible answer. For the next slide, which is your
16 attrition, we had a total of 33 that separated for sworn,
17 5 civilians, 1 police assistant bringing the total to 39
18 for the month of September. Of that monthly separations,
19 24 were hired by other law enforcement agencies, 4
20 retired, 3 resigned, 1 academy resigned, 1 separated
21 under charges for total of 33. I will tell you that since
22 the mayor made the announcement about the negotiations
23 for the DPOA and the DPLSA that we have seen
24 approximately in one week, at least 10 requests for
25 reinstatements. That was just based on the news

1 conference. Next slide.

2 MS. PATILLO: So the next slide just breaks down
3 where those 24 individuals went to. Livonia was leading
4 by 5 sworn members, Taylor by 3, and then the rest of
5 them were Farmington Hills, Westland, Warren, Troy,
6 Sumpter, Sterling Heights, Southfield, Roseville, the
7 Postal service, Lincoln Park, Eastpointe, Detroit Public
8 Schools and then Cheboygan. Next slide. So for leave of
9 absence this slide just depicts the leave of absence
10 restricted duty. So for sworn we have 13 FMLA continuous,
11 44 intermediate medical leave, 3 for sworn military
12 leave, 3 generally, 2, 181 for restricted, 32 disabled,
13 21 sick. Then for civilian, we had 6 for FMLA continuous,
14 43 intermediate, 4 medical leave, 10 restricted, 1
15 disabled, and 1 sick. Next slide. For monthly
16 separations, we had, like I said, 33 of that 28 were
17 police officers, 2 were sergeants, 2 detectives, 1
18 lieutenant. We also had 17 suspensions. I think you had a
19 breakout of that in your pocket. 15 police officer, 1
20 corporal, 1 sergeant, 558 members in the DROP program.

21 MS. PATILLO: Then we had 4 interns that we had over
22 the summer that actually returned to work on projects.
23 Next slide. So for sworn recruiting, at the end of
24 September we had 120 out of 130 student police officer
25 that started the academy. So we had 92% of the students

1 still there. We did graduate a class on October the
2 seventh. The next academy class will convene on October
3 31st. Next slide. So just wanted to give you a snapshot
4 of where we are with applications and new hire. So this
5 slide to the public depicts police recruiting. So we need
6 two more new hires to beat the numbers from 2021. So we
7 were at 183 new hires for 2021. We are at 181 right now.
8 We have surpassed 2018 by three new hires. We need 93
9 more new hires to beat 2020 rates, and then 123 to beat
10 2019, which they hired 304 at that time. So I'll tell you
11 what... The field recruiters, we've attended over 50
12 events in the month of Septembers and we're also sending
13 our civilian HR consultants out with them as well. So
14 that's some of the reasons why you'll see more
15 applications and more individuals that are getting
16 through. Pending any questions? That's all I have.

17 CHAIRPERSON FERGUSON: Awesome as always.
18 Commissioner Bernard.

19 COMMISSIONER BERNARD: Excellent report. I just had a
20 quick question. I was looking at your data.

21 CHAIRPERSON HOLLEY: Can't hear you.

22 COMMISSIONER BERNARD: Oh, I'm sorry. I apologize.
23 I'm sorry. I said I was just looking at your data. I was
24 looking at the reasons for separation. Couple of people
25 resigned I guess under charges and or under

1 investigation. But what was interesting to me is that in
2 a number of the slots it says fulfilled contract. That
3 means that they were here at least five years.

4 MS. PATILLO: For filled contract. What slide are you
5 looking at?

6 COMMISSIONER BERNARD: I'm on page September 2022
7 Monthly Separation Reasons. It says several people
8 fulfilled their contract and thank you for indicating
9 where they were hired, other people elected to be hired.
10 It gives us an opportunity to see what our competition
11 is.

12 MS. PATILLO: Is that the one where it says comments
13 and it has hired by fulfilled contract?

14 COMMISSIONER BERNARD: What does that mean?

15 MS. PATILLO: Correct. So basically, they could
16 retire. So if you look over to another category, it shows
17 that they retire.

18 COMMISSIONER BERNARD: Oh, okay. I thought it was the
19 five years, but it's not.

20 MS. PATILLO: It's not. They retire. They had enough
21 time to retire. The ten minutes-

22 COMMISSIONER BERNARD: Retirement is 20 years or 25?

23 MS. PATILLO: So I think it depends on if they're LSA
24 or DPOA.

25 COMMISSIONER BERNARD: Depends on?

1 MS. PATILLO: Depending on which union they're in.

2 COMMISSIONER BERNARD: Oh, well, the Patrol Office
3 Union.

4 MS. PATILLO: No. If they're in DPOA or DPLSA.

5 COMMISSIONER BERNARD: I understand. That's why I was
6 asking about the DPOA. Do you know how many years it is
7 for retirement or any officer in the room?

8 MS. PATILLO: I believe it's 25. DC Stewart, is it
9 20?

10 DEPUTY CHIEF STEWART: Ma'am, 20 years for DPOA.

11 COMMISSIONER BERNARD: For DPOA?

12 DEPUTY CHIEF STEWART: Yes. 25 for LSA.

13 COMMISSIONER BERNARD: Okay. Thank you so much.

14 DEPUTY CHIEF STEWART: You're welcome.

15 COMMISSIONER BERNARD: Appreciate you.

16 CHAIRPERSON FERGUSON: Commissioner Banks.

17 COMMISSIONER BANKS: Yes.

18 CHAIRPERSON FERGUSON: Into the mic, please.

19 COMMISSIONER BANKS: Director Patillo, peace, and
20 blessings to you.

21 MS. PATILLO: Thank you.

22 COMMISSIONER BANKS: You're welcome. Have we been
23 able to maintain the Detroit police officers? When I say
24 maintain, I'm talking about have we been able to hold
25 onto them? Were they not going to Farmington Hills,

1 Grosse Pointe, Warren? How have we been doing at
2 maintaining the officers?

3 MS. PATILLO: So I can only speak to the data. The
4 data we lost 39 separations in August and September was
5 33. I do believe that the next contract that they get
6 will be competitive with those other agencies. Like I've
7 said, we've already received 10 requests from some of
8 those agencies for request for reinstatement.

9 COMMISSIONER BANKS: When will we be getting the next
10 contract?

11 MS. PATILLO: So I can tell you this, the contract
12 for DPOA and DPLSA has been ratified. Within a week it
13 will be forwarded to city council and then it's up to
14 city council.

15 COMMISSIONER BANKS: Okay. Thank you for that. That's
16 good. Within a week. We're right around the corner. We're
17 right there.

18 CHAIRPERSON FERGUSON: All right. Commissioner
19 Hernandez.

20 COMMISSIONER HERNANDEZ: Thank you sir. Through the
21 Chair. One question that certainly is one that you might
22 be able to answer and address. The second one is maybe
23 between a few departments. So I'll ask the easy one. Page
24 two of the booklet, when it comes to Detroit Residency,
25 is there a way - and this doesn't have to be raw data, it

1 can be percentages, but is there a breakdown that we can
2 get of those 535 that are sworn Detroit resident
3 officers, a breakdown per district or even precinct of
4 where the residency might be?

5 MS. PATILLO: I can try. It depends on how it's set
6 up in the database, but I can definitely take that back
7 and try.

8 COMMISSIONER HERNANDEZ: Okay, perfect. Question two.
9 Going to the separation report at the end in comparison
10 to how we're reporting, and this is the part that might
11 be two different areas working together, but when it
12 comes to year to date non-fatal and homicide
13 demographics, we have Arab, Black, Hispanic, unknown, and
14 white. When we're talking about recruiting, retention,
15 separations, et cetera, Black, white, Hispanic, Asian,
16 and native. I think there's inconsistency in how we're
17 reporting. I'm not suggesting that there's a correlation
18 between the two, but I would just appreciate if we
19 demographically are consistent in how we're reporting out
20 data. So that might be a two-part question.

21 MS. PATILLO: Are you talking about the slide that I
22 have that says department separations and I break it out
23 by month when it has demographics?

24 COMMISSIONER HERNANDEZ: Yes. I'm specifically trying
25 to address the demographics that are being broken out.

1 There's an inconsistency in how we're reporting out. Does
2 that make sense? So you have Black, white, Hispanic,
3 Asian, and native. So Asian and native are captured on
4 the separational officers, but they're not captured on
5 this homicide demographic breakdown.

6 MS. PATILLO: Oh, okay.

7 COMMISSIONER HERNANDEZ: Then vice versa, unknown and
8 Arab are captured here, but they're not captured for
9 officer separations.

10 MS. PATILLO: Okay, I understand.

11 COMMISSIONER HERNANDEZ: So if we could maybe get a
12 little consistency in that. Thank you.

13 CHAIRPERSON FERGUSON: Commission Bell.

14 COMMISSIONER BELL: Thank you Mr. Chair. I just want
15 to acknowledge the director, extraordinary effort in
16 terms of recruiting. I know we talked about the salary. I
17 know you advocated along with us and others in reference
18 to that's a game changer. That's a game changer. So I
19 think it's a no-brainer for the council to sign that
20 commitment of the union contract because that is a major
21 different terms. I think all concerned parties to reach
22 that conclusion. I know that we have the money, so it
23 should be signed asap. Thank you.

24 MS. PATILLO: It is a lot of hard work. So I think
25 all the parties that were involved in it.

1 CHAIRPERSON FERGUSON: Commissioner Pressley.

2 COMMISSIONER PRESSLEY: Thank you through the Chair.

3 First of all, I appreciate a expedient response to what I
4 had assume might have been a difficult question. But it
5 makes a lot of sense that that may be part in parcel to
6 why we're seeing that difference in Detroiters being in
7 civilian positions instead of the sworn positions. My
8 question though encouraged by your observation of the
9 mayor's announcement seeing 10 officers apply for
10 reinstatement. Is that the correct term?

11 MS. PATILLO: Correct.

12 COMMISSIONER PRESSLEY: What's the process for that?

13 MS. PATILLO: So the process is those former officers
14 need to write or send the email to the Chief of Police.
15 The chief of police will then put it on a route slip, and
16 we'll send it to my office asking for police recruiting
17 to conduct an investigation. We will go out and conduct
18 an investigation just as if that individual was a
19 candidate. Then whatever agencies that individual has
20 worked for, we will contact those agencies and then we'll
21 do a thorough background investigation. That will be a
22 recommendation that will go forward. That fourth goes
23 from recruiting to my office to the Assistant Chief up to
24 the Chief for final resolution.

25 COMMISSIONER PRESSLEY: Rank is maintained. So if

1 they were a particular rank in these other departments,
2 rank is maintained in their...

3 MS. PATILLO: So I'd have to check that because I
4 don't know, like if what the contract says, like if they
5 left a long time ago and tried to come back, or if it was
6 recent and tried to come back. So I'd have to check the
7 contract on that.

8 COMMISSIONER PRESSLEY: All right. Thank you.

9 CHAIRPERSON FERGUSON: Commissioner Holley.

10 CHAIRPERSON HOLLEY: Thank you, Mr. Chairman. Ms.
11 Patillo, if I haven't done much in my tenure here, one
12 thing I'm very proud of is that I was one of the people
13 that hired you.

14 MS. PATILLO: Thank you.

15 CHAIRPERSON HOLLEY: I never seen anyone that just
16 basically make these kinds of reports to the point where
17 I keep them. I got a whole year and a half of them. Let
18 me ask you this. We have over 3,000 of officers now in
19 civilian and sworn - over 3,000 now?

20 MS. PATILLO: Correct.

21 CHAIRPERSON HOLLEY: The other thing I wanted to ask
22 you, would I be out of order, for example, the
23 separations, is there a way that I can have an idea of
24 what's the cost in the city for these separations for
25 people who basically train and then leave us, and how

1 much money we lose as a result of that?

2 MS. PATILLO: Yes. So that study has already been
3 conducted. I believe Deputy Chief Grant Hall has that
4 information.

5 CHAIRPERSON HOLLEY: So have we ever tried to make a
6 case to the state as to why this is? It only hurts
7 Detroit.

8 MS. PATILLO: Yes.

9 CHAIRPERSON HOLLEY: I don't know any other city in
10 the state of Michigan that has this problem. Because it's
11 one or two that does the training. Is there any effort to
12 take and make a case to the state as to why they need to
13 do something to help this?

14 MS. PATILLO: I believe that has been done and
15 Representative Carter, I believe touched on it at the
16 last Board of Police Commissioner meeting.

17 CHAIRPERSON HOLLEY: So I leave you alone. So as I
18 leave you alone, where do we go from here? In other
19 words, you don't have to say it now, but help me to know
20 where can we go from here? When you sit around your
21 people, the staff or anyone else that's has something,
22 what can we do? What else can be done, you know, in terms
23 of trying to really negotiate this situation with
24 understand how economically what it does to this
25 community?

1 MS. PATILLO: So I will take that back to the Chief
2 because there might be something in negotiations that
3 maybe I'm just not privy to, but I'll take that back to
4 the Chief.

5 CHAIRPERSON HOLLEY: Thank you, Mr. Chairman.

6 COMMISSIONER BANKS: Mr. Chair, I forgot to say one
7 thing. It's short.

8 CHAIRPERSON FERGUSON: Yes.

9 COMMISSIONER BANKS: Director, with all this topnotch
10 training that DPD gets, we don't want to lose them at
11 Grosse Pointe and Warren and all of that. That's just
12 awful with all the topnotch training that they get here.

13 MS. PATILLO: I agree. We don't want to lose it.

14 CHAIRPERSON FERGUSON: Fantastic.

15 MS. PATILLO: It's a lot of talent, experience,
16 education, and leadership that walks out the door when we
17 do lose it.

18 CHAIRPERSON FERGUSON: All right. Thank you. Boy, I
19 tell you that as always fantastic job. Thank you again.
20 She gets a clap. Now we have the precinct. Who's going to
21 present? Captain Svec, I mean, I'm sorry. Commander Svec.
22 I remember him when he was up that day. First captain I
23 met. Sir, you have ten minutes, sir.

24 COMMANDER SVEC: Good evening, everyone.

25 CHAIRPERSON FERGUSON: Good evening.

1 COMMANDER SVEC: I'll start with an overview of some
2 of our crime non-fatal shootings based by end quarter.
3 The first quarter, we were showing a 40% increase, which
4 was 4 victims. Second quarter, we dropped all the way to
5 a 9% decrease, which was 2 victims. Third quarter, we
6 were at an 8% decrease, which was 3 victims. We're
7 currently showing a 12% decrease, which is 5 victims - 36
8 victims compared to 41 last year. Homicides the first
9 quarter we were even at 1 and 1. Second quarter we showed
10 a 17% decrease. Then the third quarter, we jumped up to
11 an 86% increase, which is 13 victims this year, 7 last
12 year. We are currently at that same number. Strategy
13 results, we are showing an impact on non-fatal shootings.
14 The number is continually going down. We have a 39% case
15 closure rate, which is well above the city average.

16 COMMANDER SVEC: Homicides remain a problem, but the
17 trend is going down. The last homicide was in August.
18 Current identified trends. We have issues with event
19 driven crime in Eastern Market on the weekends. For
20 events we're getting assistance from downtown services
21 for extra officers. Motor vehicle theft continue to be a
22 problem. We're partnering with our CATs unit to address
23 the hotspots. Part one, violent crime concentrations. We
24 look at crime mapping every day. I meet with our special
25 ops and direct enforcement to those areas. Precinct

1 strategy, our Special Operations Units have recovered 93
2 guns year to date. We do targeted enforcement. We meet
3 with special ops every day. Restore Peace operations on a
4 weekly basis and we have a MBOC agent that's embedded at
5 the precinct.

6 COMMANDER SVEC: Supplement to our ongoing strategy,
7 we use NIBIN to close nonfatal shootings and homicide
8 cases. Ceasefire is directed enforcement at group
9 criminal activity. Community programs, we currently have
10 an embedded social worker, victim advocate, and a CIT
11 team at the precinct. MPOs are conducting programs, which
12 include the recently concluded Faith in Blue events,
13 charity runs, Harvard Festival, various church events,
14 movie nights in the park, and our Seventh Precinct
15 Community Group. Upcoming NPO events are mostly Halloween
16 party, Trick or Treating and Trunk or Treat. To close on
17 a positive note, in the last week, we've gotten 10
18 additional officers at the precincts. Just want to thank
19 the Board again for recognizing the work of the officers
20 earlier. Any questions? Anyone?

21 COMMISSIONER PRESSLEY: Yes. Right here.

22 CHAIRPERSON FERGUSON: Commission Pressley.

23 COMMISSIONER PRESSLEY: Thank you through the Chair.
24 Amazing job. No questions.

25 CHAIRPERSON FERGUSON: Commissioner Bell.

1 COMMISSIONER BELL: I just want to convey to the
2 commander I appreciate the Seven Precinct. That was my
3 home precinct.

4 CHAIRPERSON FERGUSON: Can you talk into the mic?

5 COMMISSIONER BELL: That was my home precincts as a
6 rookie from 1971 to 76, and I also went to high school in
7 this district also. District 4 was adjacent to District
8 5. As you well know, we border one another. I just want
9 to recognize Deputy Chief Hope in terms of being a
10 captain at the time we separated the two precinct 11 and
11 7. So she did a tremendous job in terms of taking on that
12 task of the new precincts going up. Also, I want to
13 acknowledge my North Precinct friend much younger than
14 me, but he wearing pink today. I understand. Captain
15 Petty has been a main state over that in that precinct.

16 COMMISSIONER BELL: So I just want to acknowledge his
17 effort and all the good folks who work out at Southern
18 Precinct, because that gave me a tremendous start in turn
19 my career in terms of the involvement of community
20 because I grew up in that area also. So I just want to
21 thank you commander, thank the whole team at number
22 seven. Continue to do a great job. I know you're going to
23 have some critics, but the community relation's always
24 been strong in that precinct, I think it's going to
25 continue on. So I'm just going to wish the best. Anything

1 I could do, Deputy Chief Hope, do let us know. We're
2 going to move forward. Thank you.

3 CHAIRPERSON FERGUSON: Thank you. Commissioner
4 Hernandez.

5 COMMISSIONER HERNANDEZ: No questions. Thank you.
6 Great job. Thank you, sir.

7 CHAIRPERSON FERGUSON: Commissioner Bernard.

8 COMMISSIONER BERNARD: No questions. Excellent report
9 and congratulations again on your appointment.

10 COMMANDER SVEC: Thank you.

11 COMMISSIONER BERNARD: You're welcome.

12 CHAIRPERSON FERGUSON: Commission Burton, I mean
13 Banks.

14 COMMISSIONER BANKS: Thank you Mr. Chair. Yeah, you
15 know, DPD takes a lot of heat from around this city, but
16 I saw on I think it was Channel Seven Action News a
17 couple weeks ago, and I just wanted to give a thumbs up
18 and shout out. You know, the number of violent crimes in
19 Detroit has dropped 16.5% in this year's second quarter.
20 Okay. So that's a lot of progress for the city. That's
21 boots on the ground with the officers. So, hey, thumbs up
22 to DPD. Let's give them a hand. Go DPD, go, go.

23 CHAIRPERSON HOLLEY: You miss me.

24 CHAIRPERSON FERGUSON: Oh, coming to you.
25 Commissioner. Holley.

1 CHAIRPERSON HOLLEY: You just thought of me just a
2 few minutes ago. Commander, some of you guys really
3 dressed up for us tonight, so can you let us know who's
4 with you from the precinct?

5 COMMANDER SVEC: My partner Captain Petty.

6 CHAIRPERSON HOLLEY: Yeah, he dressed up for us
7 tonight. I want to make sure... Anybody else here with
8 you?

9 COMMANDER SVEC: Lieutenant Hall, he runs our special
10 operation.

11 CHAIRPERSON HOLLEY: Very good. Anyone else?

12 COMMANDER SVEC: Sergeant McDaniel, he runs our NPOs.

13 CHAIRPERSON HOLLEY: Very good.

14 COMMANDER SVEC: In the back. NPO Duncan, NPO
15 Scribbling's here, and NPO Hill.

16 CHAIRPERSON HOLLEY: Very good.

17 COMMANDER SVEC: I'm sorry, NPO Davis.

18 CHAIRPERSON HOLLEY: I just want their names on the
19 record just in case Chief...

20 CHAIRPERSON FERGUSON: Thank you.

21 COMMISSIONER: It's listed.

22 CHAIRPERSON HOLLEY: Well, thank you so much for the
23 report.

24 CHAIRPERSON FERGUSON: All right. Fantastic. Thank
25 you, sir, as always. All right. We have the incoming

1 correspondence. In your packets you have the ShotSpotter
2 detection system. Directors 307.8 also incorporates the
3 council legal opinions, the old CI findings. You guys had
4 those emailed to you from the resolutions from 10/12/22.
5 The resolution for handling citizen complaints from
6 controlled media footage, including body-worn camera
7 footage is unavailable. We have that opinion for that
8 one. Corporation Council Legal opinion for public
9 censorship, you have the opinion for that one. That was
10 on 10/12/22. Weekly DPD Facial Recognition Technology
11 Report, that was from 10/3/22 to 10/9/22. DPD ShotSpotter
12 Report was from 10/3/22 to 10/9/22. Project Green Light
13 Report. That report came out on 10/10/22, and then also
14 your Staff Reports. You guys got all those. Unfinished
15 business. No unfinished business. New business. I have
16 some new business. The BOPC Committee Reports, we met
17 yesterday. All committees met yesterday. I'm going to
18 give them a time so they can put their reports together.
19 You'll get those reports to next week. That'll be the
20 20th? Correct, that'll be the 20th. Announcements. No
21 announcements. Mr. Brown?

22 MR. BROWN: Yes.

23 CHAIRPERSON FERGUSON: Next meetings.

24 MR. BROWN: Good afternoon, Mr. Chair, this honorable
25 Board, and citizen. As always, the Board like the citizen

1 to know our next meeting. So Thursday, October 20, 2022
2 at 3:00 PM, that meeting will be held at Detroit Public
3 Safety Headquarters. Our next Community Meeting will be
4 Thursday, November the 10th, 2022 at 6:30 PM, with the
5 Sixth Precinct hosting at Citadel of Praise Church,
6 located at 20280 Lyndon Street. Also Mr. Chair, the
7 Monthly Committee Meeting scheduled for November 2022,
8 which meets every second Wednesday. Budget Committee
9 Meeting, Wednesday, November the 9th, 2022 at 2:00 PM.
10 Personnel and Training Committee Meeting Wednesday,
11 November 9th, 2022, at 2:30 PM. Citizen Complaint
12 Committed Meeting Wednesday, November 9th, 2022 at 3:00
13 PM. Policy Committee Meeting Wednesday, November the 9th,
14 2022 at 3:30 PM. Mr. Chair, all those meetings are held
15 at Detroit Public Safety Headquarters and we also do
16 Zoom. The announcements.

17 CHAIRPERSON FERGUSON: Thank you Mr. Brown. Before we
18 adjourn today's meeting, I just want to give you a little
19 summary of what just took place. First, we shared our
20 support for the recent city council approval for the
21 expansion of ShotSpotter technology program to make our
22 community safer. We discussed our efforts to continue to
23 ensure constitutional protections, legitimacy, and
24 transparency with the use of the technology system with
25 the Board's oversight role. Second, we receive important

1 BOPC committee updates for our awareness. That's going to
2 be next week on the 20th. We also currently interviewed
3 five candidates for our investigator vacancies with OCI,
4 Office of the Chief Investigator. Last, we received
5 critical updates from the Seventh Precinct - outstanding
6 - and DPD HR. Once again, outstanding. Patterns and
7 trends and crime, HR and the 21st century policing
8 standards respectively. I want to say thank you. Now I
9 would like to entertain a motion to adjourn. Oh, wait, we
10 have one.

11 COMMISSIONER HERNANDEZ: Just very quickly. We always
12 neglect to do this but thank you to the media team who
13 always has our back at headquarters and the community
14 meetings. It takes a lot of setup, even acoustically. So
15 thank you to all of you.

16 CHAIRPERSON FERGUSON: Yes, thank you. I want to
17 thank you, all the officers, the new recruits, people
18 that's coming in, and the people that's been here. Thank
19 you. Thank you. Thank you. I'd like to entertain a motion
20 to adjourn.

21 COMMISSIONER BANKS: So move.

22 CHAIRPERSON FERGUSON: All in favor?

23 COMMISSIONERS: Aye.

24 CHAIRPERSON FERGUSON: All opposed? This meeting is
25 now adjourned.
