THURSDAY, NOVEMBER 17, 2022, AT 5:10 PM

to consider the request of Ballpoint Bagley, LLC to amend Article XVII, Section 50-17-2, District Map No. 1 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an SD2 (Special Development District, Mixed Use) zoning classification where an R3 (Low Density Residential District) zoning classification is currently shown on the property commonly known as 1451 Bagley Street. The location of the proposed rezoning is indicated as the outlined area on the accompanying map.

The proposed map amendment is being requested for the rehabilitation and addition to an existing building and to allow for a mixed-use development with ground floor retail and second floor office space.

R3- LOW DENSITY RESIDENTIAL DISTRICT

The R3 Low Density Residential District is designed as a low-density multi-family district. The regulations are designed to promote and encourage town and terrace house development, courts, and garden apartments. It is intended that this district be used primarily on local thoroughfares thereby encouraging a suitable environment for family life. Among others, uses permitted by right include single- and two-family dwellings, townhouses, multi-family dwellings, and community facilities necessary to serve a residential district.

SD2- SPECIAL DEVELOPMENT DISTRICT, MIXED-USE

The SD2 Special Development District is designed to encourage a complementary mixture of more intensive pedestrian and transit-oriented uses that may be compatible with a neighborhood center or with a location along major or secondary thoroughfares. Parking requirements are reduced in certain circumstances to promote use of transit and non-motorized transportation; shared parking and a district approach to parking are encouraged to lessen demand for off-street parking spaces, Certain establishments that serve alcohol for consumption on the premises are permitted without a spacing requirement in order to attract increased pedestrian traffic to the area.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment

request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via e-mail at cpc@detroitmi.gov.
