to consider the request of Bilal Jawad to modify the plans for the existing PD (Planned Development) zoning classification at 10755 West Seven Mile Road between Meyers Road and Monte Vista Street. The request would modify the existing PD created by Ordinance No. 15-97 and amend Article XVII, Section 50-17-63, District Map No. 61 of the 2019 Detroit City Code, Chapter 50, Zoning. The location of the proposed rezoning is indicated as the shaded area on the accompanying map.

The proposed PD modification is being requested to allow for the development of a Car Wash (Motor Vehicle Washing and Steam Cleaning). The pertinent zoning district classification is described as follows:

PD – Planned Development District

This district will permit planned developments throughout the City and will be particularly useful in district areas established in accordance with Section 74 of the Michigan Blighted Area Rehabilitation Act, being MCL 125.74, for urban renewal. Such planned developments shall be substantially in accordance with the goals and objectives of the Master Plan, by having a major land use that corresponds to the most general category of land use, which are residential, retail and local services, industrial, mixed use, parks and open space and other, proposed in the Master Plan for the area involved. Such planned developments shall provide a desirable environment for the uses proposed and shall not be out of harmony with their general surroundings. The regulations of the district are designed to accomplish this by permitting flexibility in overall development while ensuring adequate safeguards and standards for public health, safety, convenience, and general welfare and, where applicable, encouraging historic preservation.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.
