The Department of Public Works now offers recycling for commercial and multifamily buildings!

How it works:

- To begin, use the QR code below or contact our Recycling Coordinator
- We visit your property and teach your staff or tenants to Recycle Right!
- You sign up for 96-gallon carts or a 450-gallon dumpsters for weekly service by the Department of Public Works
- We drop off your containers, and you reduce your impact on the environment and send fewer materials to the landfill!
