DIVISION 2. GENERAL USE STANDARDS

Sec. 50-12-138. School building adaptive reuse provision.

(a) *Purpose.* The purpose of this provision is to provide for the adaptive reuse and preservation of existing school buildings. Any of the 19 uses included in the definition of "school building adaptive reuses," as provided in Section 50-16-381 of this Code, may be permitted on a conditional basis, subject to the provisions of Article III, Division 7, of this chapter, in those residential zoning districts where they are otherwise prohibited. Any of the 19 uses established under the "school building adaptive reuse" provision is subject to all applicable use regulations of Article XII of this chapter, applicable intensity and dimensional standards of Article XIII of this chapter, and applicable general development standards of Article XIV of this chapter for that use.

(b) Demolition restrictions. In order to promote maximum preservation of existing school buildings and the City's architectural heritage, the demolition of existing buildings under the school building adaptive reuse provision shall be subject to the following:

- (1) School building adaptive reuses shall only be established in buildings originally constructed as schools where at least 75 percent of the gross floor area of all buildings on the school site is retained.
- (2) Notwithstanding Subsection (b)(1) of this section, the following buildings and additions shall not be included in the calculation of the minimum 75 percent of the school site gross floor area that must be retained:

- a. Accessory buildings that have not been identified by the Historic Designation Advisory Board as contributing resources to school buildings that are eligible for the National Register of Historic Places.
- b. Additions to original principal school structures that do not contribute to the historic character of the property, as determined by the Buildings, Safety Engineering, and Environmental Department, in consultation with the Historic Designation Advisory Board.

~~(3) The Buildings, Safety Engineering, and Environmental Department shall review requests for demolition. The review shall be combined with the special land use hearing for a conditional use. However, if the request for demolition is made subsequent to obtaining a permit for school building adaptive reuse, then a separate review is required.~~

~~(4)~~ (3) If a school has been designated as a local historic district according to Chapter 21 of this Code, History, then the evaluation of any request for demolition shall be conducted by the Historic District Commission.

DIVISION 3. – SPECIFIC USE STANDARDS

Subdivision C. – Retail, Service, and Commercial Uses; Generally

Section 50-12-234. Mortuary or funeral home.

Mortuaries and funeral homes may not contain a crematory on the premises as an accessory use.

Subdivision F. – Manufacturing and Industrial Uses

Section 50-12-367. – Crematory.

Crematories, whether as a principal use, or accessory to a cemetery, shall be located not less than 150 feet from the nearest residential property line.

ARTICLE XIV. DEVELOPMENT STANDARDS

DIVISION 3. ARCHITECTURAL AND SITE DESIGN STANDARDS

Subdivision C. Traditional Main Street Overlay Areas

~~Sec. 50-14-448. Building design standards—Vacant structures.~~ [RESERVED]

(a) ~~The objectives of this section are:~~

~~(1) To translate vacant structures into an economic asset; and~~

~~(2) To improve the physical condition of vacant structures while unoccupied and inactive.~~

(b) ~~The standards of Subsection (c) of this Section do not apply on the East Warren, West~~

~~Warren, Van Dyke Street, Grand River between Evergreen and Lahser or between Woodmont and Greenfield, or Lahser Road Traditional Main Street Overlay Areas.~~

(c) ~~To achieve the objectives of this section, and as provided for in Section 50-11-385 of this~~

~~Code, the Buildings, Safety Engineering, and Environmental Department shall refer~~

~~applications for demolition permits to the Planning and Development Department for review consideration.~~

ARTICLE XVI. – RULES OF CONSTRUCTION AND DEFINITIONS

DIVISION 2. – WORDS AND TERMS DEFINED

Subdivision D. – Letter “C”

Section 50-16-153. – Words and terms (Cn – Cs).

For the purposes of this chapter, the following words and phrases beginning with the letters "Cn" through "Cs," shall have the meaning respectively ascribed to them by this section:

Term	Definition
Coffee house	Any room, place, or building where the serving of coffee is the principal business and where tables and chairs are provided for the use of patrons to play table games and for other similar activities, but where alcoholic liquor is not provided.
