NEIGHBORHOOD PLANNING STUDY

PUBLIC MEETING

Join us to learn about the Joe Louis Greenway path in the Lonyo and Springwells neighborhoods and Patton Park Master Plan.

The JLG Neighborhood Planning Study is a **two year-long community planning process** that will study opportunities for neighborhoods to **leverage the impact of the Greenway** for:

Neighborhood Improvements

Connectivity & Mobility

Building Wealth

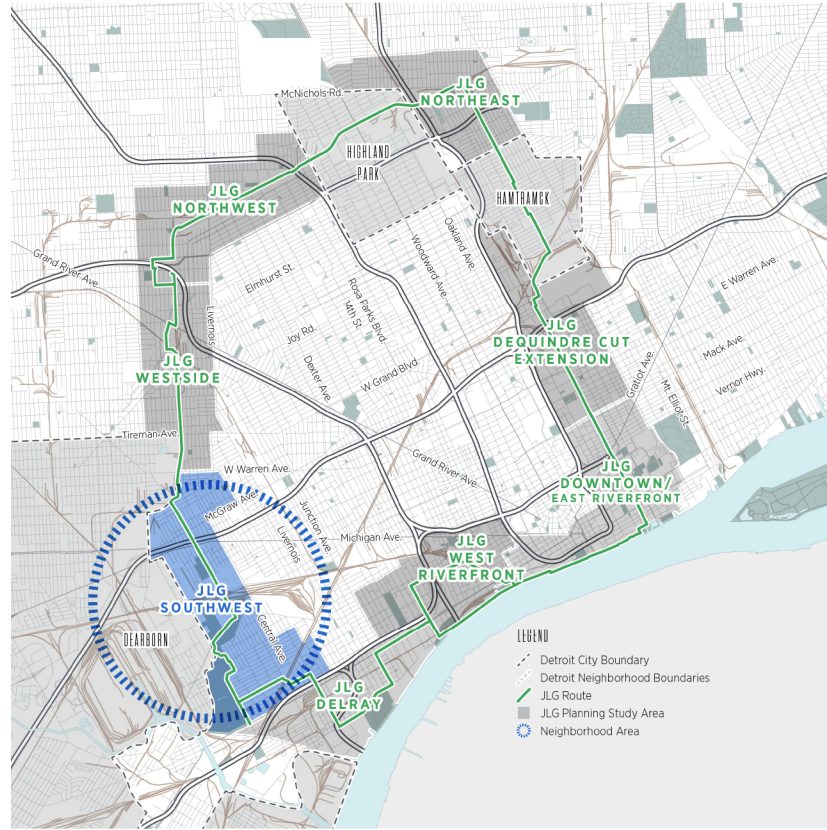

Creating Jobs & Sustaining Business

Housing Affordability

We will have designs for you to review for the Lonyo segments. We also want to hear your ideas for the route in Springwells and what you want to connect to.

We hope to prepare construction plans this year. **Your input will determine the final design and route!**
